School Safety Week In Tahoka

By Carolyn Klaus

Tahoka School Sponsors "Public School Safety Week" In An Effort To Protect The Children In The Community From Injury

James F. Blake

New Home Hires New Superintendent

The New Home School Board has hired James F. Blake as superintendent to replace Russell Howle, who will retire July 31, 1979.

Mr. Blake received his Bachelor of Science Degree from Howard Payne University, where he played basketball; also received his Master's Degree, his certificate in counseling, and his administrative certification from Sul Ross University, with additional work at Texas Tech University. He taught and coached at Forsan, Sands, and Seminole before coming to New Home.

Mr. Blake has been New Home high school principal for the past two years; therefore, he is not new to the system. His wife, Pat, is an aide in the Migrant Program. They have two children: Scott, who is a student at Texas Tech, and Mitzi, a junior at New Home High.

The city of Tahoka and Tahoka Public Schools declared the week of October 9-13 as "Public School Safety Week" in Tahoka. The necessity for the proclamation was brought to the attention of Superintendent Jim Coulston several weeks ago by part of the student body.

A group of students representing the H.E.R.O. organization came to Coulston with a problem. This group of students was spending quiet a bit of time each day helping younger children cross a busy street, near the Homemaking cottage each day. Their request was to be granted permission to paint some crosswalks at the intersection with help in convincing the student body to obey the signs.

Traffic had been a problem already under consideration by Coulston and his staff. The request by the students brought the problem into the open and prompted the group to swing into action.

Tahoka C Of C Breakfast Set For Oct. 17

The Tahoka Chamber of Commerce breakfast meeting will be Tuesday, October 17 at 7 a.m. in the Tahoka Cafeteria.

The program will be given by Bill Fisher, Republican candidate for Congress, and will be concerned with taxes and tax reform.

There will be a monthly drawing for \$45.

As a result of these circumstances two of the biggest changes for the city of Tahoka have been undertaken. Avenue P has been changed to a one-way street during school hours and pedestrian crossings will be plainly marked around the school.

Students and the entire community have become concerned with student safety since the Tahoka enrollment has increased

during the last several years. High school and Junior high students alone total over 500 people and when they are all released at one time, are expected to meet schedules and hurry to beat the clock a dangerous situation is created.

A student body in excess of 1000 persons will participate in the week long activities which include

(see School, page 11)

New Home School Sets Homecoming Activities For This Weekend, October 13

Friday, October 13, will be Homecoming Day for Ex-Students of New Home Schools. The Class of 1959 and the Class of 1969 will be special honored guests for the occasion.

Friday's festivities will begin at 1 p.m. with a reception in the High School Break Area for all ex-students. Refreshments will be served by the Student Council.

At 2:30 p.m. the Annual Homecoming Parade will be held, followed by a pep rally at 3:15 p.m. in the high school gym. Floats for the parade will be sponsored by Elementary, Jr. High and High School classes, and prizes will be awarded for the best floats. The pep rally will feature a Hand Routine to the music of "Boogie, Oogie, Oogie" by the New

Home Cheerleaders. Door prizes will also be given away at the pep rally.

The New Home Leopards will be playing their first District game of the season against the Klondike Cougars. Kick-off will be at 7:30 p.m.

Half-time activities will include the dedication of the new Leopard Field and the crowning of the 1978 Football Queen and King. Candidates for the title of Queen are Beatrice Hernandez, Mitzi Blake, and Gina Johnston. King candidates are Isiah Roberson, Monte Maloney, and Mickey Kieth. Nora Caballero and Mario Hernandez will be Honor Attendees.

A reception for New Home Exes will be held immediately following the game in the school cafeteria.

VOCATIONAL AGRICULTURE III CLASS stands in front of the one-way sign they installed as a part of the school safety program. Back row (left to right) Ralph Huffaker, Don Porterfield, Larry Thomas, Brad Hammonds, Ronnie Craig, Gregg Williams. Front row, (L to R) Johnny McKibben, Joe Summers, Mr. Ray Mason, Todd Brown, Rance House, Kelly Gass, Alan Curry, and Mr. Don Ballard.

H.E.R.O. CLUB MEMBERS paint a crosswalk in front of the homemaking cottage to enable young children to cross the busy street more safely. (left to right) Vickie Jolly, Mrs. Kathy Wainscott, Mr. Ray Mason, city manager, Julie Sasser, Paula Montemayor, and Lisa Perkins.

Thelma Raindl Provides County Home Health Service

By Carolyn Klaus

The West Texas Home Health Service, with a base in Lubbock, has served Lynn County for several years but many people are unaware of its benefits. The service operates in 28 counties but the whole Foundation serves 134 counties in West Texas.

Thelma Raindl of Tahoka is the LVN that actually does the work for the Service in New Home, Tahoka and Wilson. She has been employed by the Service for three years and has no intentions of quitting any time soon.

"It's a fulltime job that keeps you on your toes," Thelma says of her job, "but is a job that needs doing and is very worthwhile."

The job allows Mrs. Raindl to set her own pace even though she has a schedule of patients to visit each day. She tries to visit each patient at the same time every day so they will know when to expect her. In some instances she develops a close relationship with her patients and if she's late they worry about her well being. She tries to avoid those situations by being on time.

The whole idea of the service is to get a patient home from the hospital as soon as possible but still provide special care. It also relieves the overcrowded doctors offices of patients that only need an injection or something simple. An RN is always available to help out when the task at hand requires that degree in order

to perform the service needed.

All care is given only on a physician's orders right in the patient's own home. This can include such services as intravenous fluid feeding, intermittent positive breathing treatments for the emphysema patient or those experiencing breathing difficulties, dressing changes and handling indwelling catheters. Nurses can also take blood pressure and give injections. Thelma and her co-workers coordinate efforts very closely with the physician, the patient and the family in management of the patient's health condition and meeting nutritional needs. This is critical in the case of the newly discovered diabetic patient who often must change a lifetime of eating and grooming habits to prevent serious conditions developing through improper diet or care.

In addition to skilled intermittent nursing care the Service also provides physical and speech therapy, home health aide service, social services, counseling, nutritional instruction, referrals to appropriate community agencies and the delivery and use of medical supplies as instructed by the patient's personal physician.

Thelma says many of the patients look forward to her visit so much because it may be one of the very few links they have with the outside world. Sometimes she hates to leave a patient who is ready to visit but many times she must in order to see all the patients that need her in

Girl Scouts Set Spaghetti Dinner

Girl Scout Troop 396 will be serving a spaghetti dinner, Saturday, October 14, from 11:30 a.m. to 1:30 p.m. at the First United Methodist Church Fellowship hall. This is one of the girl's money-making projects this year. The troop is hoping to make enough money in the next year and a half to be able to go to Europe. The tickets may be bought from the door or any Senior Girl Scout. The dinner will be served during the District Sew It With Cotton Contest.

District Sew It With Cotton Has National T.V. Coverage

The District Sew It With Cotton Contest will be held in the Tahoka Pioneer Museum on Saturday, October 14, with judging beginning at 10 a.m. and the style show at 3 p.m.

Orion Samuelson of Chicago, Illinois, who is the Agriculture Service Director of U.S. Farm Report, will have people at the event to cover the happenings for him because he is unable to attend the contest himself, according to Jo Carol Long, chairman of the District Contest.

His show can be seen in this area on Channel 11 at 12 noon on Saturdays. So watch the show for a while to see when and what will come from the Tahoka Pioneer Museum and the Sew It With Cotton Contest which is held to promote cotton.

Brenda Morris, from Channel 11 in Lubbock, will be the master of ceremonies for the style show that begins at 3 p.m. The Channel 11 crew will be here to take pictures and cover the event for Orion Samuelson, according to Mrs. Long.

CAROLYN'S CLATTER

by Carolyn Klaus

How much does freedom mean to you? Is it precious enough to spend some time reflecting that freedom? In my opinion, the basic religious freedom on which this country was founded is now being tested by government. It is coming in the form of an attack on private schools but is only one step away from church intervention.

The IRS has proposed new regulations that automatically would revoke the tax-exempt status of some private schools. I'm sure some schools have misused this special category but I'm sure the majority have used it wisely. The most private schools are church related the connection is so close it is scary.

The regulations insist that private schools be religiously balanced or lose their tax-exempt status. Whether we agree with racial balance is the question but rather how far we can let the government intervene in private schools. Many church related schools maintain religious teachings with their curriculum and those attending the schools think the practice is alright or they don't pay their tuition and attend the

Rev. J. R. Church of Western Hills Baptist Church warns that "once the government gets a foothold" the proposed IRS regulations could be extended to Sunday schools—even churches. By "dictating what to teach", the government could force Christian schools to deviate from their religious belief.

There is a point, if we cannot keep that freedom of religion wide open then America may be in for some rough times.

According to the regulations, any school is not until they can prove otherwise. If they can prove they are actively trying to achieve racial balance then their tax-exempt status is maintained but otherwise they will lose it. It is with that many such schools would have to close their doors because tuition would be too expensive, especially after paying regular school taxes.

Mr. Murphy, Western Hills principal, was quoted as saying he supports having minority students in his school but objects to the government literally dictating how we will run our facilities and what curriculum we will use.

The private school official expressed a concern over a government bureaucracy writing laws without the process of legislation.

It would not normally encourage anyone to read a particular article but this one seems so important to me that I refer you to Sunday's Sun-Journal article on the front page concerning the Private Schools.

The IRS will take comments on the proposed rules until October 23. Letters may be addressed to the IRS, Constitution Ave. N. Washington, D. C. 20224. If you want to send your comments to this address.

Wilson Schools To Begin Collecting Delinquent Taxes

The Wilson Board of Education, at their regular meeting Monday night, has entered into contract with Huey and Huey, attorneys at law, Austin, to collect all delinquent taxes and those taxes being delinquent in the

Cancer Society Sets Spaghetti Supper Date

The Lynn County Branch of the American Cancer Society is planning a spaghetti supper for Friday, October 20, from 5-7 p.m. in the United Methodist Church of Tahoka.

The tickets will cost \$3 for adults and \$1.50 for children under 12. The meal will be before the football games that night so people will have time to make it to the game after the meal.

THELMA RAINDL, left, visits Lucy Rodriguez, 80 who has been bed-fast for five years. Thelma visits the patient every other week now and has taught her granddaughters how to care for Lucy.

MRS. EMIL RAINDL, Home Services LVN, talks with Mrs. Sam Bartley, 82, on her weekly visit. Thelma checks on any new medication prescribed by the doctor and tries to boost the morale of the patient if necessary. She carries a black bag, just like a doctor, along on her rounds so she has all her supplies handy.

Tahoka Bulldogs Roll Over Cooper Pirates 41-0 In District Opener

By Darryl Stotts

Tahoka piled up 520 total yards as they rolled over the Cooper Pirates 41-0. The Bulldogs are ranked 10th in the district and have a 3-1 record. Cooper took the opening kickoff but did not delay in kicking the ball. Bailey gained five yards on the first play. Jerry Hatchett ran for 7 and 19 yards on the next two plays. Bailey moved the ball 65 yards over the rest of the team. Tahoka was not able to move the ball past the five yard line and gave it to Cooper. Cooper did not hang back and once again moved the ball long and once again scored. Tahoka moved 49 yards with Jerry Hatchett scoring on a 23 yard run to end the quarter. The extra point was good. White intercepted a pass after Cooper had 17 yards. Tahoka took the favor as they moved the ball. Cooper was unable to move the ball past three yards over the next three plays. Cooper scampers 17 yards for a first down. He scored his second TD on a 17 yard run. The extra point was blocked. Tahoka Bulldogs scored on their next possession when Bailey had to punt. Bailey moved 32 yards in 4 of the plays. Todd Brown and Hatchett open and scored for a 17 yard pass. Bailey bounced over the end zone to score his TD. The extra point

was good and the score was 20-0 at halftime. Tahoka took the kick-off and scored. Under the direction of Ricky Chapa, the Bulldogs moved the ball 65 yards in four plays with Chapa getting 59 of them. He scored on a 53 yard run. Bailey scored the extra point. Cooper again had problems moving the ball. They punted and Brad Hammonds got his hands on it and the ball traveled 14 yards. Bailey dashed 10 yards on a 1st down. Johnny Calvillo matched Bailey and also managed 10. Tracy White scored Tahoka's fifth TD on a twenty yard run. The extra point was good. On the Bulldog's next possession White gained 15 yards. That was all Tahoka could scrape up and they punted for the first time during the ballgame. Cooper finally mounted a drive covering 41 yards. The Pirates scoring hopes were dimmed when the Bulldog defense stiffened on the 16 yard line. Tahoka opened up an aerial attack on the Pirates. Tahoka's drive covered 91 yards and took 8 plays. Carlton Jolly found Bailey open in the end zone and tossed him the ball to complete the drive. The play covered 28 yards. The PAT was not good and the score was 41-0. The game ended with Cooper being thrown for a five yard loss. Jerry Hatchett played only in the first half. He carried the ball nine times and gained 147 yards. Clifford

Bailey followed with 133 yards. Britt Dockery led the defense with 13 tackles. Rayford Harris had 11, Roddy Brooks had 10 and Doug Barham had 9. Tracy White had eight tackles and an interception. Carlton Ash also had 8 tackles. The Bulldogs have scored 107 points while allowing their opponents 13 in four games. The Bulldogs are averaging 375.5 yards a game and allowing an average of 144.25 a game against them. Here is a look at the rest of the stats:

Tahoka	Cooper
22 First Downs	6
6 Penetrations	1
520 Total Yards	116
448 Rushing Yards	76
72 Passing Yards	40
5 Passes Attempted	13

New Home Leopards Lose To Amherst Bulldogs, 21-12

By Christi Maeker

The New Home Leopards were beaten by the Amherst Bulldogs Friday night by the score of 21-12. Amherst tallied up all 21 points in the first half. The second half turned out to be a much better contest with New Home making a good comeback and scoring twice in the third quarter. The Leopards dug in and held the Bulldogs to a scoreless fourth quarter. Isiah Roberson, of New Home, carried the ball 13 times for 63 yards and quarterback Micky Kieth threw 18 times for 105 yards and one touchdown.

LYNN COUNTY'S THIRD ANNUAL CELEBRATION HARVEST FESTIVAL--TAHOKA HOMECOMING

BICYCLERS PREPARE for the competition around the downtown square. The Rotary Club won the race.

HARVEST FESTIVAL QUEEN, Debbie Gwin (center) was crowned early in the afternoon and then reigned over the festivities the rest of the day. First runner up was Cindy Lawson and second runner up was Connie Chambers. Third runner up was Jerri Beth McKibben and Fourth runner up was Mary Alice Sosa. Selling tickets for the Harvest Festival was one of the big requirements for winning.

The talk of the Homecoming sideline activities seems to have centered around the bulldog mascot. The identity of the person inside the blue

a Coke and revealed Lauri Montemayor, daughter of Mr. and Mrs. Raymond Montemayor. She performed routines, jigs, and dance steps to the band music and entertained the crowd as well she has been asked to serve in that capacity next more week.

suit was hidden from spectators until nearly half-time when the head was tilted back in order to drink

LYNN COUNTY FAIR WINNERS ANNOUNCED

A comment Saturday by Charles Stenholm, Democratic candidate for U.S. Congress, made at the Harvest Festival sums up the enthusiasm of Tahoka. He said, "This area seems to have some sort of big event like this every other month or so. The turnout is fantastic."

The day was warm and sunny and almost perfect for such an outdoor event and those attending seemed to enjoy themselves. A lot of hard work goes into such an event and those people in charge need to be commended as well as all the workers that made the day possible. A special thanks goes to Richard Lopez for carrying 'all those chairs'.

Activities for the Harvest Festival and Homecoming

event began Thursday morning when people turned in their items for the County Fair and continued through Saturday night with a street dance as the finale.

County Fair winners were: Best of Show, weaving done by Eugene Lane. Quilts: 1st, Leona Waldrip; 2nd, Mrs. Tom Hale; 3rd, Helen Ellis; and Honorable Mention, Leona Waldrip. Crochet: 1st, Dorothy Hale and 2nd Bessie Moore. Woodwork: 1st, Karen White; 2nd, Jerry Ford; and 3rd, Johnny Raindl. Afghan: 1st, Louise Fisher; 2nd, Dorothy Hale; and 3rd, Dorothy Hale. Crochet-Antique Bed spreads: 1st, Mrs. Tom Hale; 2nd, Helen Ellis; and 3rd, Helen Ellis. Knit Quilts: 2nd, Mrs. Tom Hale. Weaving: 1st, Eugene Lane. Needlepoint: 1st, Pat Park;

2nd, Louise Fisher; 3rd, Helen Ellis; and Honorable Mention, Dean Bartley. Stitchery: 1st, Eugene Lane; 2nd, Eugene Lane; and 3rd, Eugene Lane. Christmas Decorations: 1st, Billie Parker; 2nd, Pat Park; 3rd, Billie Parker; and Honorable Mention, Karen White. Ceramics: 1st, Pat Glisson; and 3rd, Pat Glisson. Homemade Dolls: 3rd, Billie Parker. Decorative Clothing: 2nd Veta Ford. Tunage Paintings: 3rd, Rajeania House. Paintings: 1st, Ann Roberts and 2nd Ann Roberts. Produce: Tallest Cotton Stalk, 1st, Royce Greer; Cotton with most bolls, 1st, Royce Greer; and Biggest Squash, 1st, Doie Greer. Baked goods: 1st, Stephanie Womack. Tahoka Rotary Club won the bicycle race.

THE HIGH SCHOOL BAND was near the front of the parade, ready to play the team and community on to victory.

THE VICTORY BELL had to be in the parade because it has been used frequently during the winning season the Bulldogs have experience thus far in the season.

LOSS A RING on the Coke was the name of the game the Sophomores dreamed up to make money at the Harvest Festival. The wide-open booth seemed to have a constant stream of visitors.

FOOTBALL PLAYERS GATHER on the Courthouse steps to await the coming parade and pep rally. They look completely relaxed.

IT'S A FLOAT lovingly constructed especially for the Homecoming parade. It is symbolic of several other floats in the parade.

BOY SCOUT PAK 782 loved the idea of getting wet on such a warm day and it was good for their pocketbook as well. Jim Patterson has his head through the sheet and Johnna Phillips is throwing a sopping sponge at him.

BLYNN ROBERSON (lower right) was crowned as Tahoka's Homecoming Queen Friday night during halftime festivities.

The 1978 Football Queen at THS is Blynn Roberson, senior. Blynn received her crown during halftime activities of the Tahoka-Cooper Homecoming game. She was crowned by last years queen, Penny Witt.

Miss Roberson was chosen by popular vote of the varsity football team. Blynn

is the head cheerleader at THS and is the daughter of Dr. and Mrs. Edwin Roberson.

Other nominees were: Amy McNeil, junior and daughter of Mr. and Mrs. Willis McNeil; Lani Brown, sophomore and daughter of Mr. and Mrs. Jerry Brown; and Danette Phillips, freshman and daughter of Mr. and Mrs. J. W. Phillips.

Some junior boys prepare something that is considered a sport but in reality looks like a punishment. One boy pulls on each rope and they jar the barrel with the saddle attached while someone tries to hold on. The News saw one boy ride for only a few second and then was nearly hit by the flying barrel, but the whole thing was done in good spirits and a fun atmosphere.

A SIGHT TO SEE was Shirley Draper in the bonnet and Sharon Terry with glasses pose at the fun signs. Children got a real 'bang' out of this spectacle.

Wilson Mustangs, Rated 6th In State, Stomps Borden County To Make Big Homecoming Victory

By Marsha Chisum

The Number 6 rated Wilson Mustangs defeated Borden County 45-0 last night before their homecoming crowd. The Mustangs will enter the district race with a 4-1 record. Opening conference will be at Sands Friday, October 13 at 7:30 p.m.

The Coyotes received the ball only to have their play of the ballgame in an intercepted pass Mustangs' Calvin Wilke. Mustangs marched to goal line only 4 plays when senior quarter-back Lucio Trevino scored a 29-yard pass to Mike Nettles for a first down. Trevino's extra kick was good. Four minutes later after a tough Borden defense forced Mustangs to punt, Mustangs connected with end Lucio Trevino on a 69 yard pass to Mike Nettles for a TD. Mustangs third possession of the ball, they drove to the five yard line. Sophomore running-back Randy Hall scored with a 10-yard run on the clock. Trevino's extra kick was good. Mustang scoring in the first quarter. Junior line-backer Quintin Talkmitt blocked a punt and junior Acuna recovered it in end zone for a TD.

Trevino's kick was good leaving the score 29-0.

Nettles connected with Trevino early in the second quarter for another touchdown pass. Trevino's kick was good. With 7:39 remaining in the first half Junior runningback Tony Garcia rambled for 18 yards for a TD. Trevino's kick ended the scoring 43-0.

The Mustang's only additional points came in the fourth quarter when sophomore Phillip Hernandez sacked Borden County's quarterback for a safety.

Lucio Trevino led his teammates in scoring points. He alone put 17 on the board-2 completed touch-

Some individual statistics that will take this Mustang team into district play are leading rushers: Wilke with 534 yards in 67 carries, Garcia with 320 yards in 42 carries, Nettles with 218 yards in 42 carries, and Dan Cox with 175 yards in 39 carries. Trevino has 304 yards with 12 completed passes and Mitch Bartley has 33 yards with 2 completed passes. Nettles leads his teammates in the scoring statistics with 36 points, followed by Wilke's 35, Trevino's 31, and Garcia's 30.

On the defensive side for five games, statistics show Quintin Talkmitt leading with a total of 52 tackles, followed by Weaver's 48, Moczygamba's 43, Trevino's 42, Dan Cox's 33, Acuna's 30, Jon Cox and Wilke's 29 each, and Garcia's 28.

The Mustangs are rated high but they are well aware of the fact that they face three difficult ball clubs in a row as zone contenders in district 3-B West.

down passes and 5 out of 5 extra point kick. Quarter-back Nettles completed 4 out of 9 passes for 140 yards to Borden County's 43. The Mustangs rushed for a total of 240 yards to Borden County's 58. The Mustangs had 16 first downs and Coyotes had 7. Wilke rushed for 82 yards on 9 carries, Garcia 49 yards on 6 carries, Dan Cox 40 yards on 4 carries, and Randy Hall 37 yards on 11 carries.

Junior Randy Moczygamba led his teammates in number of tackles with 12, followed by Wilke with 10, Trevino and Dan Cox with 9 each, and David Weaver, Acuna, and Jon Cox with 8 each. This defensive team has only given up 6 points in five ballgames.

TAHOKA SCHOOL MENU

Monday: BREAKFAST: Cheese toast, applesauce and milk. **LUNCH:** Roast Beef with gravy, mashed potatoes, seasoned green beans, hot rolls, and peach halves.

Tuesday: BREAKFAST: Hot oatmeal, buttered toast, fruit juice and milk. **LUNCH:** Salisbury steak, buttered potatoes, tossed salad, hot rolls and rice pineapple pudding.

Thursday: BREAKFAST: Pancakes with syrup, butter, juice and milk. **LUNCH:** Hot dogs with chili, seasoned pinto beans, cole slaw, and peanut butter cookies.

Friday: BREAKFAST: Apple Jacks, purple plums and milk. **LUNCH:** Hamburgers, French fries, lettuce, onions, pickles, and apple cobbler.

Methodist Faith Circle Has Meeting

Faith Circle of United Methodist Women met at the church on October 9 to continue the study of Revelation. The lesson was based on the second chapter which is "Greetings to the Seven Churches". Mrs. Lois White gave the history and conditions of the first three churches, Ephesus, Smyrna and Pergamum.

By way of introducing the chapter Mrs. Mittie Walker told that the chapter was on togetherness and that the number seven symbolized completeness.

A short business session followed the program. Mrs. Dorthea Weaver and Mrs. Jimmie Wyatt were hostesses. Eighteen members and four guests were present.

Introducing

... proud to announce the adoption of a pink bundle of joy named Kellie Dee Greer. Kellie arrived home on October 5 and was greeted very affectionately by her brother, Royce, who is three. Kellie was born on Friday, September 29, and weighed 7 pounds and 1 ounce.

Grandparents are Viola Greer of Tahoka, Mr. and Mrs. Sim Groves of Hermleigh and a Great-grandmother, Mrs. Lula Greer, Tahoka.

County Still Runs Risk Of \$400-Per-Day Fine

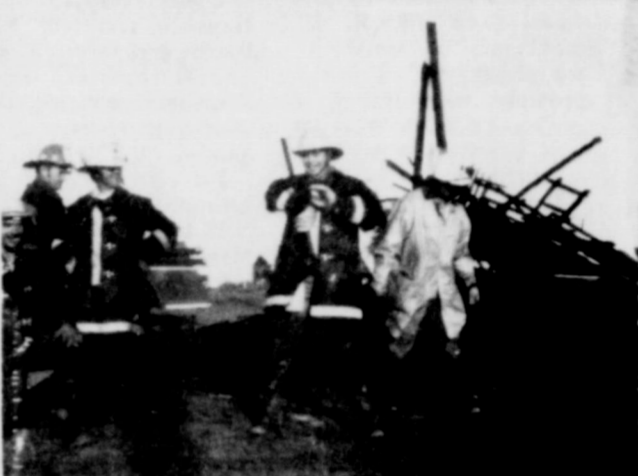

THE OLD COUNTY DUMP was cleaned up and leveled several weeks ago and citizens were asked not to unload any more trash. The trash was covered, new soil hauled in on top and rye was planted to protect the ground. The young tender shoots of grain were just poking through and the county was on its way to eliminating an eyesore. But, some unconcerned citizen, fully aware of the warning

because he looked for an obscure place on the north side, unloaded his trash anyway. If the state committee would happen by on the morning after such an event the county would be charged \$400 a day until everything was removed. Not only would the citizens pay the fine but they would also pay to have it removed. Keep your eyes open and report any disobedience to the sheriff.

TAHOKA'S VOLUNTEER FIREMEN did their part to boost homecoming spirits by having their own pep rally. Poised on others knees is Steve Miller and other firemen helping lead cheers were J. T. Miller, fire chief; Billy Miller; Jackie Jaquess; Kim Byrd; Rick Edwards; Rudy Johnston; and Kent Shepherd.

DON BALLARD, as head cheerleader, twirls a piece of wood from the bonfire as he leads a yell for victory.

Tahoka Bonfire Burns Early; Firemen Show School Spirit

Dedicated students had guarded the heap of wood all night because it was to be the Homecoming bonfire the next night. There is always a threat of a rival school lighting the bonfire and

taking away all the pleasure for the student body on the big night of the homecoming bonfire. To eliminate that threat the Tahoka students stayed at the pile of wood all night.

They left the premises about 6 a.m. to go home and get ready for school. That was just the opportunity someone had waited for all night. When the group left an unseen character snuck up to the wood and set fire to it.

The volunteer fire department was called out to control the blaze but instead of letting it all go to waste they decided to hold a pep rally for promoting school spirit and show the students how it should be done.

Gathering crowds testify it was the most unique pep rally in the history of the town and probably unmatched anywhere.

At least the student body knows the volunteer fire department is behind the football team 100%.

NEW HOME NEWS

by Florence Davies

NOW OPEN-Barbras Country Styler. Call 924-7262. New Home, for appointments.

+++
The New Home Parent-Teachers Club met Tuesday, October 3, in the school cafeteria. The goals for the 1978-79 school year were discussed and plans made for projects to raise money to meet the goals. James Blake, goals committee chairman, presented a list of goals to the club which includes eye-testing equipment for the nurse's office, Language and Math aids for the classrooms, P.E. supplies, and other items which are needed to make our school more efficient. All members of the community are urged to help when possible with the PTC projects since the school is a very important part of the community.

Some of the projects discussed for the year are: a turkey shoot which will be held the first weekend in November; a community Tupperware party to be held immediately following the next PTC meeting, November 7, in the cafeteria; and the annual PTC cake walk

held in conjunction with the school carnival in the old gym, October 28.

Pecans are now being sold by PTC members. The price is \$3.50 for a one pound bag and they may be purchased by contacting Carolyn Haley, or any member of the PTC.

A blood drive is planned for October 31st.

1978-79 Parent-Teachers Club officers: President, Barbara Rudd; Vice-president, Mary Jane Smith; secretary, Peggy Morrow; and treasurer, Kay James.

+++
New National Honor Society officers for this year are as follows: president, Julie Parsons; vice-president, Renea Burrow; 2nd vice-president, Donet e Hancock; secretary, Mitzi Blake; treasurer, Andrea Eades; reporter, Gaylan Eades; parliamentarian, Dana Poer; and historian, Vicki Zant.

The new members that have qualified to be asked to NHS are: Lori Cole, Senior; Mario Hernandez, Senior; Dee Ann Webster, Junior; Bebe Cabellaro, Sophomore; Nora Cabellaro, Sophomore; Stony Gill, Sophomore; Mickey McClintock, Sophomore; Gloria Hernandez, Sophomore; Alan Eades, Sophomore; Sarah Ibarra, Sophomore; Emalou Gomez, Sophomore.

Each day this week is a special day in New Home High School. Monday, Gangster day; Tuesday, Halloween day; Wednesday, Socks appeal and mad hatter day; Thursday evening, bonfire; and Friday, pep rally.

+++
The student council will give cash awards for best dressed each day and the class with the highest percent participation will have one free period in the gym.

+++
The Liberty Bell Home Demonstration Club met Monday, October 2, with Mrs. Laura Nettle. Offices for 1979 were elected as follows: President, Lisa Lisemby; 1st vice-president, Teressa Armes; 2nd vice-president, Sherry Morris; Secretary-treasurer, Donna Foreman; and reporter, Barbara Rudd. The Installation Tea will be in January.

+++
The ladies will be in charge of doughnuts and coffee at the style show in the museum building in Tahoka Saturday, October 14.

A tasting tea will be held in the home economics building October 28 and the Christmas party will be in the home of Julia Gill December 2. At that time Secret Sisters will be revealed.

+++
Mrs. Bruce Harmonson, Chad and Jaime, and her mother, Mrs. Joyce Coleman of Levelland, spent a week in Canton with Mrs. Mac Robinson and family. They attended the First Monday Flea Market at Canton.

+++
If you have not ordered the birthday calendar, contact Ann Wyatt at 924-7511.

+++
Mr. and Mrs. Kenneth McClung and Britt of Sweetwater were here Wednesday night. Kenneth was in Lubbock Thursday practicing at the Oakwood Baptist Church with the West Texas Men's Choir which is made up of music directors of the area.

+++
Our great-granddaughter, Kathy Renee Hanks, was born at 6:08 p.m. Sunday, October 1 in the Root Memorial Hospital in Colorado City. The parents are Richard and Marta Hanks of Ira. Kathy weighed 8 pounds and 4 1/2 ounces. The maternal grandparents are Mr. and Mrs. Wayland Walton of Snyder.

+++
Mrs. Bob Parker was in Vernon for funeral services for her uncle, Mr. Curtis Lyles, Saturday, October 7.

+++
Sherman Inman of Muleshoe had surgery Tuesday in Methodist Hospital in Lubbock. He hopes to be released to return home Wednesday.

+++
The Young Adult Sunday School Class had a Mexican food dinner in the New Home Baptist Church Fellowship Hall Saturday evening. Forty attended the dinner and games were played after the meal.

Lynn County News

Taking advantage of a postal holiday Monday we drove to Snyder, had dinner with the Waltons and later in the evening we all went out to Ira to visit with the Hanks, Richard, Marta and Kathy Renee.

+++
Wayne Fillingim had back surgery Tuesday in Methodist Hospital and hopes to be released to return home this Wednesday.

+++
Leonard Nettles, Weldon Mason, Wade Terry and Pete Weeks were in Tucson, Arizona from Wednesday to Friday attending the Regional IO Lyntegar Electric Co-op meeting.

+++
The following FHA girls were winners in the Panhandle South Plains Fair. **First Place:** Christi Maeker, chocolate cake and Melanie Jacobs, chocolate chip cookies. **Second Place:** Lori Cole, marmalade, coffee cake, and cinnamon rolls; Reena Burrow, pound cake; DeeAnn Webster, chocolate cake; Melanie Jacobs, crocheted jacket. **Third Place:** Lori Cole, yeast bread loaf and sweet rolls; Paige Pridmore, fudge; and Lana Kieth, pound cake.

+++
Mrs. Shine Barnett returned home Monday after visiting a month with relatives and friends in Oklahoma and Arkansas. She went to Duncan, Oklahoma to visit a sister, Lorene Hearon, who accompanied her to Danville, Arkansas to visit another sister, Mary Jane Switzel. The three sisters toured the state of Arkansas and attended the Yell County Fair.

NEW HOME HOMECOMING QUEEN CANDIDATES are Beatrice Hernandez (left), a senior and daughter of Mr. and Mrs. Robert Longoria; Mitzi Blake (center), a junior and daughter of Mr. and Mrs. James F. Blake; and Gina Johnson, a sophomore and daughter of Mr. and Mrs. Lynn Johnson.

Tahoka's Bulldog Mascot Pup Dies Before Making Grand Entry At Game

The Tahoka football fans were to have an added attraction at their games in the form of a bulldog pup mascot. The sad part is they had planned the grand entry for the Homecoming game but the pup died on September 29.

The money that had been donated toward the purchase of the animal has been

deposited in a fund at the Tahoka First National Bank while those in charge search for another dog.

Anyone wishing to have their donation returned may pick it up at the Bank. Anyone wishing to make such a donation or add to their donation may do so at the bank.

The dog was to be bought from Howard and Rose Dodson for \$150 but if one is to be purchased at a pet store the total price will be more expensive.

Watch the sidelines at the games for a "future Bulldog".

Honor Finney At Meeting

The South Plains Professional Photographers Association recently had a regional meeting at South Park Inn to present a program on studio techniques and install officers for the 1978-79 year.

C. Edmund Finney of Tahoka, a veteran of over 50 years in the photography business and a founding member of the association, was presented a lifetime membership award and plaque for his contributions to photography in West Texas.

Miss Jones And Mr. Hall Make October Wedding Plans

Mr. and Mrs. Dwain Jones wish to announce the engagement and approaching marriage of their daughter, Marla Gail, to William Douglas Hall, son of Mr. and Mrs. William Hall of Post. The couple plan to be married October 25.

Lit H. Moore Jr.

Lit H. Moore Re-elected To SWCD Board

Lit H. Moore Jr. of New Home was recently re-elected to the Lynn County SWCD board of directors on October 5. Moore represents Zone 5 of the district.

The purpose of the Lynn County SWCD, with headquarters in Tahoka, is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservator

efforts of various local and federal agencies and other organizations authority to enter into working agreements with these governmental agencies and private companies to carry out its purposes.

As one of five individuals serving on the district board of directors, Moore is responsible for the policies and procedures carrying out the work of the Texas conservation district.

Lit is very active in and community affairs. He has served as President of the South Plains Association of Districts and is serving as the Area Representative to the Plains Association of Conservation Districts.

Moore is married to former Lee (Hancock) they have three children: Yuonna, Gid, and Dan.

In Texas there are 100 and water conservation districts. Each is a subdivision of state land organized to conserve agricultural lands and water conservation programs. The State Soil and Water Conservation Board is the most other legal agency of state government. SWCD's do not have powers of eminent domain. Conservation programs are voluntary nature.

Organized in 1942, the Lynn SWCD has seen a change from one of the most productive cropland in the United States.

Tahoka Booster Club

The Tahoka Booster Club met October 3, in the school cafeteria and saw the Tahoka-Crawford Vice president, Porterfield preside business meeting members were present.

The Booster Club Bulldog signs in the varsity football and coaches. They to thank every brought and purchased at the Harvest Festival.

The board of directors coordinates the conservator

NOTICE

Pioneer Natural Gas Company, a division of Pioneer Corporation, hereby gives notice of its intent to implement new rates for residential and commercial, small industrial and air conditioning customer classes in the 63 cities and towns on its West Texas Distribution System, effective September 15, 1978. It is anticipated that the new rates will result in a 26.4% increase in Pioneer's gross revenues on its West Texas Distribution System, which increase is a "major change" as defined in Section 43(b) of Article 1446c, V.A.T.C.S.

A Statement of Intent to change said rates was filed with each of the cities and towns (listed below) on or about August 11, 1978, and is available for inspection at the Company's Amarillo office, 301 S. Taylor Street.

BILL CLEMENTS WILL CUT TAXES AND GOVERNMENT SPENDING

Texas was built by men with the vision to look ahead and the grit to get things done. Bill Clements is the man to keep this tradition alive for the future of Texas.

Bill Clements will bring a strong, fresh and tough approach to our government in Austin. He is a businessman, not a politician.

Bill Clements started with nothing and built a successful, worldwide company with hard work and the skill to manage men and money. And now Bill Clements wants to preserve the future of our state and he wants the working people of Texas to have the same opportunities he had.

With his proposed "Taxpayers' Bill of Rights," Bill Clements is committed to protecting Texans from excessive taxation and runaway government spending. He is pledged to cutting taxes and returning that money directly to the taxpayers.

As former Chairman of the Southern Methodist University Board of Governors, Bill Clements knows how to make education in Texas the best in the Nation. He's for discipline in the classroom and "back to basics" quality education.

As the son and grandson of farmers, Bill Clements knows the frustrations that an indifferent government can cause people who make their living off the land. He will use the strength of the State Government to fight burdensome Federal restrictions.

"I believe that Texas has always had more promise than problems, but the balance is more delicate each year. We need to get to work now."

BILL CLEMENTS A GREAT GOVERNOR FOR TEXAS

Paid political advertisement by the Bill Clements for Governor Campaign Committee, Tom B. Rhodes, Treasurer, 1901 N. Akard, Dallas.

OBITUARIES

Uris S. Howard

Uris S. Howard, 77, brother of Mrs. Frank (Mae) Hill of Tahoka, died suddenly at about 1:30 a.m. Monday in his home at 2216 29th street in Lubbock.

Burial was in Englewood Cemetery in Slaton. Verkamp, a Ferdinand, Indiana native, died at 1:40 a.m. Sunday in Lubbock's Methodist Hospital after a week-long illness.

He had been a resident of this area since 1921 and had farmed until his retirement in 1971. He was a member of the Slaton Knights of Columbus.

Survivors include his wife, Valeria; two sons, Dennis of Castroville and Daniel of Wilson; four daughters, Mrs. Lewis (Jerene) Rix, Mrs. Elroy (Pat) Sinnacher and Becky, all of Lubbock and Mrs. Ed (Joyce) Klar of San Antonio; a brother, Leo of Lawrence, Nebraska; four sisters, Mrs. Augusta Blume, Mrs. Alfonz Bednarz and Mrs. Herman Schneider, all of Slaton and Mrs. Pete Respondek of Idalou; and nine grandchildren.

Herman Timmons

Services for Herman Timmons, 63, of Route 1 Ropesville, were Saturday, October 7, at 2 p.m. in the First Baptist Church of Ropes with Rev. J. V. Cohorn, pastor, officiating and Rev. Merle Rogers of Friona and Wayne O. Perry, Chaplain of Highland Hospital in Lubbock, assisting.

Burial was in Meadow Cemetery. Timmons died at the Heart of Texas Memorial Hospital in Brady of a heart attack.

He was born April 20, 1915, in Lynn County and moved to Graham, New Mexico, and then to Ropes in 1924. He married Emma King on December 25, 1937, at Meadow.

Timmons was a member of Ropes Baptist Church where he had been a deacon for 41 years. He taught the men's Sunday School class. He was a member of the Open Heart Club of the Southwest and the Ropes Lions Club. He was a 32nd degree Mason, a Past Master of Ropes Masonic Lodge and president of the board of the Ropes Co-op Gin.

He is survived by his wife, a daughter, Mrs. Douglas Roper of Broken Arrow, Oklahoma; two sons, Howard and Mike, both of Brownfield; one sister, Mrs. Lucille Biers of Graham; four brothers, Frank and Wayne of Lubbock and Roy and Billy of Brownfield; and nine grandchildren.

Veta Ledbetter

Services for Veta Mae Ledbetter, 61, formerly of Tahoka, were at 10 a.m. Monday, October 9, in the Sweet Street Baptist Church in Tahoka with the Rev. Lee R. Jones, a former pastor and now of Lamesa, officiating.

Burial was in the Tahoka Cemetery under the direction of White Funeral Home. The Anson native died Saturday in University Hospital in Lubbock following a lengthy illness. She had lived in a Slaton nursing home for 2 years prior to her hospitalization because of ill health.

She was born on September 2, 1917 and was married to Elmer New in 1933 in Lubbock. They moved to Lynn County in 1961 from Morton. Mr. New was a farmer in Lynn County at the time of his death in 1962.

She then married W. A. Ledbetter on November 2, 1964 in Roswell, New Mexico. Mrs. Ledbetter preceded her in death in 1974. Mrs. Ledbetter was a Baptist.

Survivors include a son, R. W. New of Houston; two stepdaughters, Mrs. Jody Slay of Carrollton and Mrs. Nell Wylie of Meadow; three stepsons, W. R. Ledbetter of Lamesa, Hulén Ledbetter of Carlsbad, New Mexico and Kinnie Ledbetter of San Diego, California; three sisters, Mrs. Lois Nichols of Tahoka, Mrs. Loretta Westmoreland of Fort Worth and Mrs. Juanita Caraway of Flomot; a brother, Wallace

Mrs. Beatrice Cromer

Services for Beatrice Cromer, 67, of 3117 44th St., were at 11 a.m. Friday, October 6, in Asbury United Methodist Church with the Rev. J. Waid Griffin, pastor of First United Methodist Church, officiating, and the Rev. J. Lennox Hester, pastor, assisting.

Burial was in Resthaven Memorial Park in Lubbock. Mrs. Cromer died at 1:04 p.m. Wednesday in Methodist Hospital after a long illness.

She retired as a school teacher in 1964 from the New Deal school system where she had served 15 years. She had been a member of numerous women's and professional organizations and clubs.

Mrs. Cromer was well known in this area, she taught school at Petty and after consolidation of the Petty, Lakeview, and New Home schools she taught in the New Home school until she moved to Lubbock with her family. She still had farming interests in the New Home community.

Sylvester Verkamp

A rosary for Sylvester H. Verkamp, 69, of Wilson was said at 7:30 p.m. Monday, October 9, in Englund's Chapel. Requiem Mass was

Southwestern Accepts Rate Increase

Bob Brummal, Division Manager for Southwestern Public Service Company in Lubbock, has announced that after considering all alternatives Southwestern Public Service Company has decided to accept the \$15.9 million rate increase granted by the Public Utilities Commission of Texas.

"We feel that to pursue the matter further would be an unnecessary added expense to the cities, our customers and the company," Brummal said. "However, the \$15.9 million is not enough to cover our expenses as they were presented to the regulatory bodies.

"In order to continue to build coal-fired plants and to meet our customers' needs and comply with Texas Docket 600, I am sure it will be necessary to request another adjustment in our rates in the near future."

Docket 600 mandates that SPS curtail their use of gas as a boiler fuel by 10% by 1981 and 25% by 1985.

"Of course we are making every effort, as we have in the past, to hold the line on expenses and continue to provide the highest quality service to our customers," Brummal concluded.

Tahoka Has Contest For Fifth Graders

Fifth grade students at Tahoka recently took part in a "Design an Island" contest as a part of their Social Studies program. Students made a model or drew an island which included such geographic features as peninsula, strait, mountains, bays, rivers, and oceans.

Results of the judging were as follows: First Place; Sara Gutierrez, Jacqui Lockaby, and Lupe Bernal; Second place; D'Anna Womack, and Cody Stice; and Third place; David Perez and Melinda Sullivan.

Pythian Sisters Hold Meeting

Lynn Temple #45, Pythian Sisters, met October 3, with M.E.C. Thelma Dewbre presiding.

A regular business meeting was held, and honors went to 2 charter members present. They were Nina Short and Helen Biggerstaff. Also 10 Past Chiefs were honored.

The Temple will begin selling shelled pecans soon. They are also selling aluminum knives, vanilla and pepper. Anyone needing pecans may contact any member. The next meeting will be October 17 at 7:30 p.m.

Billy Whitaker Says...

"Freedom To"

Other youth are in community clubs that meet in neighborhoods with a local 4-H volunteer leader. They study projects and carry out group activities in community service.

Around 50,000 Texas youth viewed the TV series "Mulligan Stew" last year. The program emphasized good nutrition as a means to good health.

School enrichment programs on entomology, embryology, dairy science and bicycle safety reaches other children. The expanded food and nutrition education program also serves thousands of youth.

All this means that any interested youth between the ages of 9 and 19 can be a 4-H'er. He or she can choose how to participate based on individual interests and desires. 4-H allows "freedom to be" whatever the member "wants to be."

The theme of this year's National 4-H Week—"Freedom to Be"—brings attention to the many things 4-H has to offer for today's youth and the many ways in which boys and girls can take part in the "learning-by-doing" program.

Further details about the 4-H program are available at the county Extension office.

This material comes from Jeannine Callahan, Extension 4-H and youth specialist.

Lithography was invented by Alois Semefelder around the turn of the 19th century.

Tahoka Sophomore News

By Sheri Tomlinson. New and better things are going on his year in our class. After hours of long, hard work, the Sophomores were proud to accept a 3rd place on our Homecoming float. Along with the honors of the float, we also took hold of a first place honor with the decorating of our hall. With this victory, we received the spirit stick for the second consecutive week.

The Harvest Festival should bring back memories for some time. First of all, our nominees took all three places in the queen contest. They were: queen-Debby Gwin; 2nd runner up, Connie Chambers and 1st runner up, Cindy Lawson. We also had two booths at the festival and made quite a bit of money.

At the last class meeting we elected a new secretary and treasurer. The new secretary is Amy Porterfield, and the new treasurer is Cathy Meeks.

Short Opens Campaign Headquarters

E. L. Short, Democratic nominee for State Senate, announced the opening of his campaign headquarters at 2121 50th St. (Oakwood Village) in Lubbock. The phone number is 806-765-7172.

The headquarters will officially open Tuesday, October 17, and will be open that day from 5 to 8 p.m. with a press conference at 7 p.m.

Coffee, punch and cookies will be served and everyone is welcome to stop by and visit.

Llano Estacado Farm Workers Hold Meeting

Llano Estacado Farm Worker's de Tejas, Inc. are having their monthly Lynn Advisory Council meeting October 17, at 8 p.m. at St. Jude's Church Hall (south 4th street). They are taking applications for auto mechanics and welding.

HAPPY 29th BIRTHDAY

Wilson Homecoming Keeps Community Busy This Week

Homecoming activities for Wilson got underway at 6:30 p.m. Thursday with a parade through the downtown area and to the school. Each class and several organizations entered floats in the parade with the Sophomore class winning with a float entitled "Pasteurize Borden Co."

The parade culminated at the school and was followed by a pep rally in the gym. When the crowd entered the gym it was immaculate and beautifully decorated but by the end of the pep rally it looked like the after effects of a huge party.

Coach Danny Chisum gave a speech in which he recounted the steps of his team. When the season opened, Wilson was picked as third in district and way down on the state list. Now, according to the Harris poll, they are in sixth place in all Class B schools in the state of Texas and are moving up that ladder too.

When the pep rally was over and the football team was served cake as they left the gym the crowd gathered around the pile of wood, collected by the students, and watched as the blaze consumed the pile and left the remains of the symbolic opponent in ashes.

All was quiet then, until Friday night when the town became alive with people

attending the lions Club annual barbecue. After the meal the crowd walked across to the game between the Wilson Mustangs and the Borden County Coyotes. Wilson won the game 45-0.

Pregame activities included a band performance and the crowning of the Homecoming Queen, Tracy Ray, senior and Pep Squad Beau, Mike Nettles, senior.

The half-time show included another band performance featuring the Wilson majorettes, Tray Ray, Deborah Hagens, and Ginger Kimbrell, twirling with fire in a darkened stadium.

The activities came to a close with the Wilson Exes meeting in the school cafeteria for coffee, doughnuts and visiting. Gilbert Steinhauser presided at the meeting and Ester Klaus, as secretary of the association, was on hand to keep records.

Newly elected officers for the Wilson Ex-Student Association are C. W. Slone as president, Jerry Swope as vice-president, and Nancy Ross as secretary.

Evon Preston Jacobs received a potted plant centerpiece, donated by The Flower Patch in Slaton which is owned by Arlis and Geneva Ehlers, both Wilson Exes, for traveling the farthest distance, 300 miles, to attend the Homecoming.

HOMECOMING QUEEN, TRACY RAY (center) is flanked by runners up Cindy Slone (left) and Debra Hagen. Tracy daughter of Mr. and Mrs. Bob Ray, was crowned during pre-game festivities.

BICYCLES, decorated by various youngsters in the community, are always a part of the parade. It is their way of learning about school spirit.

THE WILSON MUSTANG BAND, with drum major Kandy Steinhauser, headed the parade for the Homecoming activities.

WILSON SOPHOMORES, take winning honors in the parade with their float entitled, "Pasteurize Borden Co."

Should Farmers Defoliate Weather Damaged Cotton?

The recent spell of cool, wet weather created some problems for cotton producers on the Texas High Plains. This spell resulted in the development of an ill-defined condition which covered light to extensive leaf damage in area cotton fields. This problem is especially critical in the irrigated areas of the South Plains where cotton was still in the peak fiber development period. Many producers are now faced with the problem of evaluating the extent of this damage and deciding whether to allow the cotton crop to continue to grow or to terminate growth with the use of harvest aid chemicals.

A team of specialists from the Texas Agricultural Extension Service will be at Brownfield School Administration Board Room, 601

Tahoka Road, 8 p.m., October 12 to discuss the present condition of the crop, consider the pros and cons of applying harvest aid chemicals, examine the economics of defoliation and field storage, and give information of field storage systems and the advantages and disadvantages of module builders.

Area Agronomist-Cotton James Supak, Area Economist Marvin Sartin, both of Lubbock, and Roy Childers, Agricultural Engineer-Cotton Ginning and Mechanization, College Station, will appear on the programs.

In 1870 the U.S. population was 38,558,371. Today it is over 215 million!

HAPPY BIRTHDAY
R. Fritz Stegemoeller
"HELLO" 60's

SCENES OF SPIRIT AT TAHOKA PEP RALLIES.

ROLAND W. CLEM is presented a new business plaque Southwest Real Estate, located on Main Street, by Winton Wharton, president of Tahoka Chamber of Commerce. Clem is in partnership with J. A. Pebsworth, both are time residents of Tahoka. They handle real estate listings, loans on commercial housing, farms, and ranches. business has been open about 3 months. Clem was another firm in Lubbock for 20 years.

Charles Stenholm Is Honored At Dinner

Congressional candidate Charles Stenholm of the 17th District will be honored at an appreciation dinner Tuesday, October 17, at 7 p.m. in the Pioneer Memorial Building in Crosbyton.

Featured speaker for the event will be Cong. Eligio (Kika) de la Garza, 15th Congressional District, the number two ranking member of the House Agriculture Committee. He will arrive in Lubbock around noon and tour agricultural areas before the banquet that evening.

Stenholm of Stamford won the June 3 runoff with a landslide, two to one victory. His agriculture-business background has involved him in numerous civic, church, business and political activities which have gained local, state and national recognition for him.

Tickets are available from Growers Seed Association, 747-4125, in Lubbock and also from Novis Curry and Wayne Huffaker in Tahoka; Mike Hurst in O'Donnell and Roy Kahlich in Wilson.

Stenholm will also be honored at another \$25-a-plate dinner featuring Cong. Omar Burleson of Anson as the speaker and Jim Baum of Big Spring as master of ceremonies. This appreciation dinner will be Saturday.

Howard County Junior College in Big Spring. Stenholm is seeking post now held by Rep. Cong. Burleson. Baum is candidate in the Democratic primary.

Sherry Ethredge Says...

The latter part of October I will be sending a newsletter to senior citizens. The newsletter will contain recipes regarding special diets and also special information related to senior citizen. The newsletter will be sent from county agents office two months beginning October. Extension programs are open to all regardless of race, creed, sex, religion, national origin. If you are interested in being on mailing list, contact the County Extension Office 998-4650 or complete registration form and mail to: Sherry Ethredge, County Extension Agent, Box 669, Tahoka, Texas. REGISTRATION FOR SR. CITIZEN LETTER Name _____ Mailing Address _____

Call Extension Office 998-4650 or send the Sherry Ethredge, Box 669, Tahoka, Texas 79373. Lynn County Represents State THDA Meeting. Eight Lynn County Demonstration Club members attended the Texas Home Demonstration Association meeting in Dallas at the Baker October 2-6. Lynn County were Julie Debbie Wright, June Pam Womack, Sheila Jim, Jill Warren, C. Tankersley, and Sherry Ethredge.

The members from demonstration clubs from over the state were attendance and vote change their name in Extension Home Demonstration Clubs will now be referred as Extension Home Demonstration Clubs.

Workshops were family life, safety, citizenship, 4-H and cultural arts recreation. The theme meeting was "Home Hope in a Changing World. One of the highlights of the week was the installation of the new directors. Fillingim was installed will assume her responsibility January 1, 1979.

"Energy Conservation Audit" The Texas Agricultural Extension Service in conjunction with Lyntegar Electric Coop. will be program on energy conservation on Monday, October 16, at 7 p.m. at the Lyntegar Meeting Room. The emphasis will be in following areas: 1. conservation in building of a home from the ground up; adding on; 2. conserving energy with present conditions; 3. conserving energy within the home; conservation - outdoor roundings are important; and 5. conservation future outlook. The meeting will last approximately one hour.

If you have any questions contact the extension office at 998-4650.

Spirit Reigns Supreme at Tahoka High School This Year

By Melinda Terry
The Spirit found at THS during the 1977-78 school year is "alive and well" this year. The administration, staff, and students have begun what looks like another great year. The motto adopted this year among students seems to be "Whatever it takes!" Literally meaning that students are willing to give "whatever it takes" to stay at the top and be #1.

The beginning again is with the football team. The beginnings are synonymous—first weeks of school, fall, and football.

The Spirit can be seen everywhere!

Don Wise, as second year band director, is improving a much improved Marching Band. Two drum majors are sharing leadership roles for the band.

The added attraction of a feature twirler along with a line of regular twirlers enhances the look of pep rallies and half-time shows.

The all-new Flag Corp gives new dimension to the band.

FHA is again providing a Bulldog mascot.

Classes, organizations and community donors are buying a real Bulldog mascot. The Juniors were originators of the idea!

Forty-five parents and townspeople attended the first Friday pep rally and forty-eight were there the next week.

Spirit is pouring over into scholastic areas too.

Coach Sandy Oliver is providing much enthusiasm for the girl's athletic program.

Coach Tom Lair is directing an elementary P.E. program of 4th, 5th, and 6th grades.

The Office Education Association has held projects to earn money for contest. They are school secretaries this year and have the responsibility of taking incoming phone calls.

Students in Contest Speech are working on U.I.L. events. Many are coming in early. Speech contestants plan to attend approximately 10 tournaments this year.

Science Club students are working on the 2nd annual Science Fair, a trip, and U.I.L. Science.

Students have been tested in grades 1-8 and teachers are beginning a new reading program.

Seniors planning to take the A.C.T. test are being given practice tests by some of their teachers in preparation for the test.

In Vocabulary Development, students are playing work development games made by English teachers in workshops.

The academic center is headed by Daisy Pierce this year and many students who can not get their schedules right are learning through cassette tapes made during one of the teachers classes.

Mr. Coulston, superintendent of THS, is putting a Safety program into effect.

The Growl staff is also getting involved by attending J-Day at Texas Tech on September 23 and writing school stories for the Lynn County News.

All that is needed now is for all the people of Tahoka to join in making this the best year ever.

A VISIT WITH YOUR COUNTY AGENT
By Stanley Young
Lynn County Agent

Cool Weather Attracts House Insects
With cooler weather, insects begin seeking a warmer place, and homes are ideal locations.

The most common household invaders are earwigs, crickets, pillbugs, spiders, millipedes and cockroaches. These pests will damage fabrics, feed on food products and may also transmit disease-causing organisms within the home.

The first control step should start outside. Remove hiding places such as plant debris around the foundation and perform any needed maintenance on portals of entry to keep insects outside.

If insects have been a problem in the past, treat the foundation 12-24 inches above the soil line with a soil surface next to the foundation and around sidewalks, patios, driveways and storage areas. Be sure to read the label and follow directions closely when applying any type of insecticides.

If insects are already inside the home, it is usually best to hire a certified pest control operator rather than to take care of the problem yourself.

Seed Shelf Life Increased With Proper Storage
Seed collecting gardeners can increase the shelf life of their seed through proper storage.

While it is tempting to save leftover seed or seed collected from plants, especially if stored in a warm place, old seed often has a lower germination rate and reduced vigor. After air drying, store seed in a refrigerator or cool basement (35 to 50 degrees F.) in tightly sealed containers.

Many of the seeds collected from improved varieties are hybrids and will seldom come true. The offspring may have little or no resemblance to the parent plant.

TAX RELIEF AMENDMENT

FOR AGAINST

- The value of intangible property—stocks, bonds, savings accounts, insurance policies, and other paper assets—is difficult to assess and to tax.
- Intangible property should be exempt from property taxation since they are taxed as income by the federal government.
- It is unrealistic and violative of a person's right to privacy to tax personal property such as household goods, clothing, art work, and other personal effects found within one's home.
- The Legislature should exempt vehicles from property taxation as allowed under this amendment.
- Land devoted to farming and ranching should be taxed on its productive value rather than what the market price might be.
- Current Constitutional language requiring that a person must receive a majority of his/her income from the land in order to qualify for property valuation on the basis of productive capacity is too restrictive in the present economic climate.
- Land devoted to the production of timber should also qualify for productivity valuations as permitted by this amendment.
- The adoption of productivity valuations on land devoted to farming and ranching will create long-term property tax relief and fairness.
- Enacting homestead property exemptions is a good way to provide property tax reductions to many Texans.
- Extending the homestead exemption to disabled persons is a legitimate means of benefiting persons who need tax relief.
- Property taxes should be "frozen" on the homes of elderly people who are living on fixed incomes and cannot afford continual increases in property valuations.
- The State should provide for additional funding to public schools for the reductions in the property tax base created by mandated exemptions.
- Requirements that public notice and hearings be held concerning taxes for cities, counties, school districts, and other local entities are necessary to insure fairness in property taxation.
- "Truth-in-taxation" measures will benefit taxpayers not only for informational purposes, but also by insuring that taxes represent the needs of taxpayers.
- Limitations on the legislative appropriation of tax dollars are necessary to "hold down" the size of government in the future.
- The size of the state budget needs to be stabilized in order to insure that state taxes do not become burdensome in the future.
- Property tax administration should be handled at the local level.
- A state agency in Austin which would set the market value on all property would restrict local control over tax matters.
- Statewide appraisal of property would result in higher taxes.
- Requiring uniform standards and procedures for property taxation within counties is the best way to create a fair and equitable system.

TOTALS

THURSDAY, OCT 12, 1978

Several Wilson students participated in the annual Homecoming Day activities. Several high school students attended the session and were divided into 10 teams for the annual staff speaker contest. The speaker contest was held during the session and the publisher of the newspaper, Debra Hagen, was the winner of his class.

Wilson students who attended were: Sherry Ethredge, Paige Bishop, Rhonda Ray, Randy Ray, and Debra Hagen. The Annual Homecoming Dinner was held at the Mustang Club and was a success. The Mustang Club members published the newspaper for several weeks in Wilson. The editor, Debbie Hagen, and the class and A.

The couple plans to marry November 4.

AROUND TOWN

by Leona Waldrip

On Wednesday, Lottie House, Helen Biggerstaff and Thelma Dewbre made a trip to Ruidosa. On Thursday they visited Cloudcroft and returned home late that afternoon.

Hazel Kelley of Lubbock and Ethel Medlin of Woodrow visited fromer neighbors and friends in Tahoka on Tuesday. Both ladies at one time made their homes here.

Pat and Mariam Hutchinson of Minden, Louisiana, were visitors in the Dr. K. R. Durham home from Wednesday until Monday. The two couples left early Monday for points on the West Coast. They expect to be gone about 3 weeks.

Fern Hillhouse and Thelma Dewbre visited relatives in Brownwood and Comanche Friday through Sunday.

Friday luncheon at Lynn County Pioneer Club was well attended with 35 persons signing the register. There were two visitors. Lela Wood got the lucky member gift at the drawing. Immediately following the luncheon the group enjoyed color slides of the "King Tut

Lichey visited her brother who is ill at Denver City, on Monday.

Mrs. Floyd Reece spent several days in Lynn County Hospital last week.

My sister, Leta Brown of Lubbock, visited with me on Friday afternoon.

Wilson Sewing Club met in the home of Mrs. W. C. Maeker on Monday afternoon. There were 10 present. Cordie Swann and Mrs. Elmer Rice attended from Tahoka.

The Lynn County Pioneer Bus will make its regular scheduled trip to take patients to Lubbock doctors on Friday, October 13. Those having appointments please call the Center at 998-5264 before Friday morning if you plan to go on the bus. Anyone 60 years old or older may ride and if there is extra seats not taken with patients, others may go on other errands. The bus is available to Tahoka area residents on Monday, Wednesday, and Friday and to those in the O'Donnell area Tuesday and Thursday.

Carrie Bevers is a patient in Lynn County Hospital.

The city with the highest population is Shanghai, China with nearly 11 million inhabitants.

OUR CUSTOMERS ARE NEVER NEGLECTED. How often have you had to wait and even search for a clerk to serve you in most of the crowded mass merchandising stores? And, usually if it's a product we stock, you could have obtained it quickly and pleasantly from us at about the same price...

There appear to be encouraging new developments in the treatment of acne. For many years, treatment has consisted of using drying and peeling agents on the surface of the skin, oral antibiotics, and sometimes hormones. Now, therapy using benzoyl peroxide and retinoic acid, or a combination of the two, seems to go beyond the surface of the skin and helps reduce the formation of blemishes for some individuals. The new medications must be monitored closely under a doctor's care. Both cause temporary reddening, stinging and peeling of the skin while the treatment is underway (sometimes as long as 12 weeks.) Also on the horizon are antibiotics that can be applied to the skin, rather than taken orally. Although still in the investigative stage, the topical antibiotics may, in the future, do much to lessen acne problems without negative reactions that sometimes accompany taking antibiotics by mouth.

Letter To Editor

Letters to the editor do not necessarily express the views of this newspaper. All correspondence must be signed and in good taste before it will be published; however, the writer may request that his name be withheld. Letters are not edited as to grammar, punctuation, and spelling.

... the Democratic this spring, I supported Governor Briscoe because he presented my conservative philosophy. In fact, I as the Governor's coordinator in 49

myself.

I can't speak for Governor Briscoe, but I can point out that his daughter and son-in-law have publicly endorsed Bill Clements, as have Red Nunley of Sabin, the Governor's close friend and longtime business partner; Dr. Sterling Fly of Uvalde, a member of the University of Texas Board of Regents and the Governor's personal physician; Ross Watkins of Uvalde, a member of the Texas A&M Board of Regents and a close friend of the Governor; and Lewis Bracy of Uvalde, President of the Governor's bank and one of his close friends. The list of well-identified Briscoe backers now supporting Bill Clements goes on and on.

Mr. Hill knows he is distorting the truth when he claims that 95 percent of the Briscoe leadership is behind him now. Six of Governor Briscoe's 12 regional coordinators, including myself, already have publicly endorsed Bill Clements, as have more than 70 county coordinators. In more than 170 counties, Briscoe regional or county coordinators are publicly supporting and working for Bill Clements.

We are supporting Bill Clements this year because the race for the Governor's office is not a case of Democrats versus Republicans, rather it is a case of conservatives versus liberals. Bill Clements is the conservative and John Hill is the liberal.

This is the first time Bill Clements has run for public office and he is doing so now because, like a lot of us, he wants less government and less federal interference in our lives. Bill Clements is a proven manager and administrator, a free enterpriser—not a professional politician like his opponent, who has been running for the office for the past 10 years.

Conservatives around the state know John Hill and they know they can't trust

him. Mr. Hill engineered the liberal take-over of the State Democratic Party—the first time this has ever happened in Texas history—and he personally supported a McGovern campaign worker to be state party chairman.

Those of us supporting Bill Clements are doing so because we are committed to electing another conservative as governor. Thank you for hearing me out on this issue so vital to the future of our state.

Sincerely,
B. L. Parker
Regional Chairman
Governor Dolph Briscoe
Campaign
Bastrop, Texas

Social Or Political Science Leadership Qualifications I Timothy 3:1-3

Dear Sir:

In the next elections, having a good name beyond riches may prove important. Performance may be "sided" for a better, qualified leadership.

The Carter Administration has led in this direction and higher standing has been decided upon by the Ethics Committees of Congress.

But already the Democrats are leaning toward compromise in order to win the election with popular Kennedy or Brown.

Setting the example as Carter and Mondale have done may not be easy in a world of political temptations.

The present Age of Peace does not require a leadership capable of winning a war, but a leadership capable of deciding on social and economic issues.

Some Congressmen desire a higher fellowship, but their hands may be tied, because in a democracy, the people vote their convictions as to who their fellowship will be.

Wait 'til 1980? It will be interesting to see just what leadership the American people will choose.

The world waits to see! On the local, state, and national level, some leaders are waiting on the voters with higher standards and convictions.

The people must decide what is socially acceptable in American Institutional Leadership.

If Democratic leaders compromise far enough for Kennedy or Brown, Many Southern Democrats and Democrats of the Great Plains may want to go a different direction than the Massachusetts and California compromises and vote for "On The Main Road" Republican John Connally of Texas, if he runs.

Frankly, I still like the Carter-Mondale leadership where these real issues have not been compromised.

Coach Scott

FILMS WERE A PART of the week long safety education at Tahoka Schools and these people were responsible for showing films to the 4th, 5th, and 6th grades, (left to right) DPS Patrolmen Jerry Griffin and Larry Duncan and County Extension Agents Mrs. Sherry Etheredge and Billy Whitaker.

BERT SINCLAIR, DPS Safety Education Officer, gets better acquainted with some of the students at Tahoka between the classes he is teaching on safe driving. Students with him are (l to r) Lynia Payne, Cindy Chancy, Mike Montemayor, and Diana Vega.

School Safety

(cont. from page 1)

Kindergarten through grade 6 viewing safety films, competing in safety poster and booklet contests, a bicycle safety program on October 9 conducted by the County Agents and D.P.S., and various classroom activities conducted by teachers. Grades 7 through 12 will view safety films, and grades 9-12 will be required to participate in a 4-hour defensive driving course presented by the D.P.S., safety demonstrations using a D.P.S. teaching automob-

ile and classroom discussions conducted by teachers and administration. These discussions are very important for this age group since many students, not even old enough for drivers education, are driving cars to and from school.

212 cars were counted on the school premises one morning. When this number of cars is combined with other citizens and parents picking up students at school the total is near 300 vehicles on the streets in the school area within a 1-hour time period. With such a large number of vehicles caution and safety for each child must be foremost in the mind of each individual.

The only reason the group has avoided a serious accident so far is because the kids here are good and responsible, Coulston said.

Other areas of activities for the week will be the F.H.A. and H.E.R.O. painting pedestrian crosswalks; F.F.A. replacing old and placing some new one-way,

pedestrian crossing, and visitor parking signs; and the city will repaint the 15 m.p.h. school zone signs.

The whole student body is excited about the new program for child safety and if you, as a citizen, would like to do your part, then they encourage you to observe the new signs.

The public has been invited to view the D.P.S. safety car demonstration on Friday, October 13, at 10 a.m. The car squirts out a blotch of paint simultaneously with a command for the driver to stop the vehicle. When the car stops, the distance between the paint and the car is measured and that is your reaction time.

Home Health

(cont. from page 1)

housekeeping duties such as cleaning and cooking.

Mrs. Raindl and her husband, Emil, have four children, a boy 18, a girl 15, another boy 10, and a married daughter. The children objected a little at first to the time Thelma must devote to her job but have adjusted since realizing the importance of her work. Many of her evenings are spent going through the mountains of paperwork that must be completed for each patient.

West Texas Home Health Agency is annually certified by the state and must comply with state and federal criteria, quality standards and regulations, and must follow all Medicare guidelines. For further information about home health services, call 747-2814 in Lubbock or Thelma Raindl in Tahoka at 998-4859.

A film concerning this service will be shown at the regular Pioneer Club meeting on Friday, October 20, at 1 p.m. in the Pioneer Club meeting room on South 3rd in Tahoka.

PAPERWORK MOUNTS UP really fast for Thelma Raindl since her job is Federally funded. She keeps records on each patient she visits and much of the paperwork is done at night.

FINNEY SAYS...

We sort of looked forward to retiring but faced by the actual fact we grew bored to death and built a small studio and dark room at home and lo and behold before it was finished we were real busy again.

We still have some work to do on the buildings but they are weather tight and we are making portraits by appointment only. Our business hours are from 1 p.m. until 5 p.m. each Monday through Friday.

We have done several weddings in the last two months and are open for other bookings. We can take care of your formal sitting and cover your wedding with a complete pictorial story of the most important day of your life.

We have taken most of the Seniors but there are three or four that have not come in as yet. Please call us at 998-4142 and make an appointment. Also, there are about 15 students who have not returned their proofs to the studio.

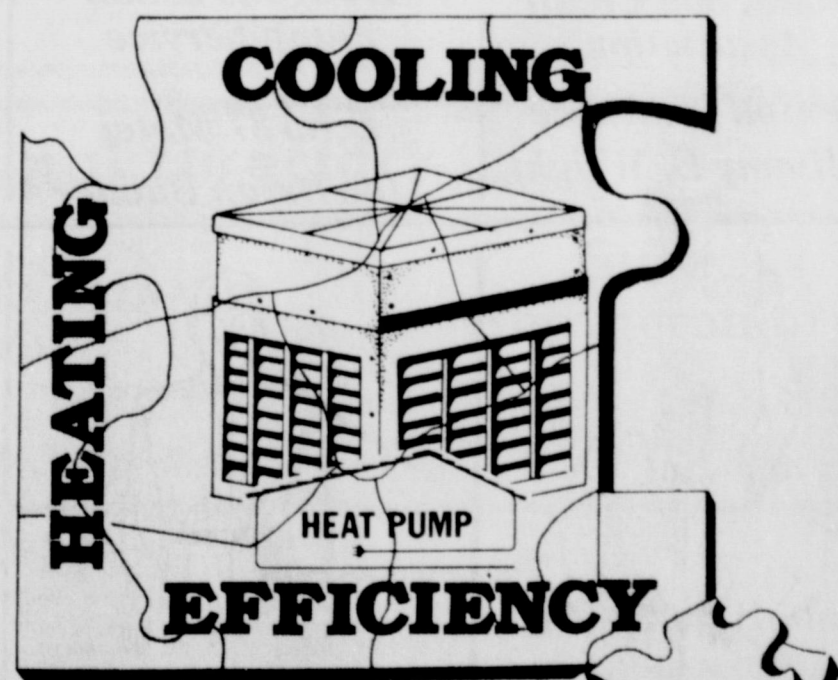

We have been a little slow on our portrait and copy deliveries, C. Edmund was in the hospital for surgery the first of September but has recovered and is once more on the job.

Thank you for your consideration and we hope we can be of service to you now and in the future.

We live at 1813 N. 1st and our phone is 998-4142.

Have a nice day!
