County Recalls Farm Demonstration Here In Honor Of 75th Anniversary

CAROLYN'S CLATTER

by Carolyn Klaus

Old saying goes, "The only thing you do is die and pay taxes." The first part of the old adage may be true but evidently a number of people have chosen to ignore the second part, especially when it comes to taxes.

Recent tax rolls of many area schools do not have increased enormously. Most of the individual delinquent taxes are less than \$200 a piece it would not take the sum to mount up.

Large cities naturally have a more massive problem so their problem is automatically solved. Recently Lubbock purchased a computer to be used solely for the purpose of bringing up and possibly prosecuting such delinquencies. Such action is not out of the ordinary for large cities.

Small cities, however, are not the only ones that have a problem with unpaid taxes. Even the small school districts served by the News are experiencing the same problem. There have been articles in The News for several weeks now urging citizens to bring their school taxes when everyone knows they are due each year.

Some schools are taking the issue up with the state, hoping to force or entice citizens to pay their payments and other schools are using their own methods of persuasion. It's up to a small group of taxpayers to have taxes raised because other people will not pay their share. Nearly everyone could use money in another way but the price of education is no different than anything else in the country - it's on the rise.

Those that feel it is unnecessary to pay for their children are no longer in school and have not started to school yet. I say, "Can you afford to run a school by themselves?" The effort is the only alternative. Very few parents could afford to educate their child on their own or yesterday's standard and provide the vast variety available when the child enters school.

Many people tend to overlook their school because they believe the state or federal government will absorb the loss. That, my friends, is a mistaken idea. Those agencies are unable to the schools to help supplement the existing budget instead of being the cause of it. And most of that money is accompanied by a host of rules, regulations and strings.

Some schools can no more survive at their present level of achievement than farmers, ranchmen, railroads, and New York City could survive if the moneys collected from a coalition of...

Heart Assoc. Holds Bridge Benefit Oct. 28

The American Heart Association will sponsor a bridge benefit this Saturday night, October 28, at 7:30 p.m. at T-Bar Country Club Party Room. A \$5 donation is requested. Prizes will be awarded to high scoring man and woman. All bridge players are invited, so make plans to attend.

R. L. Warren (Chairman of the 1978 Lynn County Crop Committee) and Bill Griffin (Retired County Agent) view a demonstration that was conducted in the 1960's.

October marks the 75th anniversary of the first successful farm demonstration. It was the success of this venture on the Walter C. Porter farm near Terrell,

that ultimately led to creation of the Cooperative Extension Service. Farm demonstrations have been educational tools employed in the Lynn

County Extension Service for over 30 years. The first field day was held on August 9, 1947 at the T-Bar Airport. The field day was held in order to review Johnson grass control methods. This field day was sponsored by the Lynn County Johnson Grass Committee (forerunner to the present day Lynn County Crops Committee), which was composed of seven men from all areas of

Dept. Of Human Resources Offers Shared Housing For Elderly And Handicapped

The Department of Human Resources is offering elderly and handicapped persons in Lubbock and 14 surrounding counties an opportunity to live independently in shared housing arrangements.

The project, called the Alternate Living Plan, is aimed at aiding the elderly and handicapped in avoiding premature entry into nursing homes.

A family-like setting will be established and house-keeping chores, cooking and limited personal care will be performed by a live-in or part-time homemaker. Shared household costs will make community living more affordable for those on fixed incomes.

Housing may vary from several persons sharing a home to individuals residing in separate units within an apartment complex or boarding house.

Interested elderly and handicapped persons will be considered for participation on the basis of their physical disabilities and ability to get along with others. Persons with severe disorientation or confusion cannot be accommodated in this project.

In order to be financially eligible, the monthly income for an individual must be \$573.69 or less.

All persons interested in the project should contact the nearest Department of Human Resources office. In Tahoka call Wally Wingfield at 637-7656 (Brownfield), Priscilla Byrd, Alternate Living Plan Coordinator, may also be contacted in Lubbock at 762-8922, Ext. 253.

Further, minimum benefits will be frozen at about \$121 a month, although the amount will increase automatically as the cost of living goes up.

Education For Adults In Tahoka

The Tahoka Adult Education classes have been meeting for one month and have forty-three people enrolled. Attendance has been very impressive with at least ten people preparing to take the GED test after Christmas.

Joe Rodriguez, a student in the night class, completed the course by successfully passing the GED exam the first of October.

Enrollment will continue every Monday and Tuesday nights from 8 -9:30 p.m. at the Tahoka Community Action Center for adults interested in preparing for

the high school equivalency exam. Books, materials and instruction are free of charge. For more information call the Community Action Center, 998-5094, weekdays.

Jim Woodard Appointed To New Position

Jimmy W. Woodard has been appointed County Executive Director of the Lynn County Agricultural Stabilization and Conservation Service Office. Woodard is a native of Terry

County and has recently completed his training in Scurry County. He has a B.S. degree from Texas Tech University, taught vocational agriculture at Meadow 2 years, and farmed in Yoakum County 6 years before beginning work for ASCS.

Woodard and his wife, Judy, have an 8-year-old son, Jody, and have recently moved to Tahoka. They are members of the Church of Christ.

TSTA Holds District Meet

About 4,000 school personnel are expected for the 11th annual convention of District XVII, Texas State Teachers Association, to be held in Lubbock Friday, October 27. Most of the schools in the 17 West Texas counties that comprise the district TSTA group will dismiss classes Friday.

Dr. James "Doc" Blakely, a humorist and inspirational speaker from Wharton, will address the morning session that gets underway at 9:45 a.m. in the Lubbock Civic Center. Along with teachers and administrators, educational secretaries will be participants in the general session. All members of the teaching profession are welcome to attend the meeting whether or not they are members of TSTA.

The House of Delegates for the convention will meet Thursday evening, October 26, at Coronado High School. The business session will follow a 6:30 p.m. banquet.

Numerous luncheon and sectional meetings are planned for Friday afternoon. A large meeting will be held at 2:15 p.m. in the Civic Center Theater. The speaker will be Dr. Dorothy Lloyd, an assistant professor at San Francisco State University and a consultant to the California State Department of Education.

The district convalescence is dedicated to A. H. (Jim) Hooser, director of governmental relations for TSTA. President of the district organization is Janice Posey, an elementary teacher in the Plainview Independent School District.

the county. Newly invented weed and grass burners and power sprayers were demonstrated for use in Johnson grass control. Also farmers were urged to hoe, mow, salt, or spray with Kersene, deslallate or chemicals. Bill Griffin, retired County Agent, initiated this field day as well as the first farm tour which was conducted in Lynn County in March of 1948. The tour viewed land which had been deep broke, this tour introduced deep breaking to Lynn County.

The first result demonstration handbook to be published in Texas was published by Bill Griffin in Lynn County. It contained the results of the demonstrations conducted in the summer of 1952. The demonstrations included cotton varietal comparison and the use of Chinese Red Peas for soil builders.

The demonstration work has been a continuing

Tahoka Pep Rally & Other Spirit Ideas

The pep rally for Tahoka High School will be Thursday, October 26, at 2:55 since there will be no school Friday. The pep rally will be in the regular place.

Friday anyone wishing to see the boys off the Denver City are asked to meet them at the fieldhouse at 4 p.m. Every Friday has been designated as "All I See Is Blue Day" for Tahoka. The purpose is to boost the Bulldogs in their important District AA game against an opposing district team each week.

Fans are encouraged to wear blue and white to the ball games.

Garden Club Hosts Tasting Tea October 31

In observance of the Golden anniversary of Texas Garden Clubs the Tahoka Garden Club will have a tasting tea Tuesday, October 31, from 11 a.m. to 5 p.m. at United Methodist Church Fellowship Hall. A variety of foods will be served, all prepared by Club members, and admission will be \$1. Recipes for any food served will be available at 25c each. Tickets may be purchased from any Garden Club member or at the door.

For several years the Tahoka Garden Club has had as a project the landscaping and upkeep of the Veterans Memorial Garden.

Funds raised by this Tea will be used for the continuance of this project.

Adult Foster Homes Needed

Adult foster homes are needed by the Texas Department of Human Resources in Lubbock and surrounding counties to provide care for aged, blind, or other disabled adults. The aim is to assist persons who cannot live independently but do not require nursing home placement.

Families, couples or singles are being sought who have room in their homes for one to three aged or disabled persons and can provide a family-like, loving atmosphere.

The foster family must be willing to help provide social, recreational and religious activities as appropriate.

The resident placed in the foster home will be able to walk without personal assistance and provide his or her own personal care.

Cost of the care is shared by the resident and the Department of Human Resources. Payment to the foster home is approximately \$250 per person per month.

Persons interested in learning more about providing this service should contact their nearest Department of Human Resources office. In Tahoka call Wally Wingfield at 637-7656 (Brownfield), Priscilla Byrd may also be contacted in Lubbock at 762-8922, Ext. 253.

U.S. Savings Bonds Sales Announced

September sales of Series E and H United States Savings Bonds in Lynn County were reported by County Bond Chairman, F. B. Hegi. Sales for the ninth-month period totaled \$47,563 for 37% of the 1978 sales goal of \$130,000.

Texas sales during the month amounted to \$26,762,616, while sales for the first nine months of 1978 totaled \$232,768,405 with 76% of the yearly sales goal of 306.6 million achieved.

Twelve of these farm demonstrations are under way in Lynn County this year. They include demonstrations in the field of cotton production that are associated with varietal differences, disease resistance and glandless cotton varieties. Farm demonstrators this year include, John Curry, J. T. Miller, Joe Brooks, Edward Bartley, Howard Moore, C. A. Moore, Melvin Edwards, Lyndol Askew, T-Bar Farms, Lyndell Wood, Fred Martin and R. L. Warren.

The farm demonstration work has brought about numerous changes and increased financial standing of untold farmers throughout the state and Lynn County is proud to be a part of the farm demonstration program.

Watson Baby Donation Fund In Tahoka Bank

A donation fund has been set up by the First Baptist Church in Tahoka for the John Watson baby. The fund has been started in Tahoka's First National Bank.

The baby, Amy Johnette, was born on September 17 in Lynn County Hospital and was then transferred to the Health Science Center in Lubbock and has been in the Intensive Care Unit at that hospital since then. The charges for her stay are averaging \$500 per day and she will have to stay in the hospital until she weighs 5 pounds. She presently weighs a little over 3 pounds.

The fund has been arranged so all checks for hospital bills will be made out through the First Baptist Church instead of by Amy's parents.

Stenholm Caravan Visits Lynn County

A bus caravan loaded with supporters of Charles Stenholm for Congress will visit O'Donnell and Tahoka Monday, October 30. The bus will be met by local volunteers for Stenholm when it arrives. The visit has been arranged by Alton Higginbotham of Floydada, area coordinator; and Mike Hurst of O'Donnell, Mrs. Novis Curry and Dan Martin of Tahoka, Lynn County coordinators.

Stenholm and his wife, Cindy, will accompany the group of volunteers meeting the people, answering questions and passing out campaign literature concerning Stenholm. Stenholm is the Democratic nominee for the 17th Congressional District.

Stenholm, 39, has based his campaign on seven major issues facing America: inflation, agriculture, paperwork, energy, free enterprise and defense. "The direction of our country must be changed," states Stenholm.

The bus caravan will arrive in O'Donnell at 1:25 p.m. and depart at 1:40 p.m. and will arrive in Tahoka at 2 p.m. and depart at 2:15 p.m.

No School This Friday

Tahoka and Wilson will dismiss classes Friday, October 27. There will be a teacher in-service day and classes will resume Monday at the regular time.

The Junior High Mustangs kept their perfect record in tack last Thursday afternoon after a hard fought 12-8 victory of the Meadow Broncos. These little Mustangs were greatly out-sized in physical weight but not so in desire.

The half saw the Mustangs behind 8-0 after a powerful Bronco broke for a touchdown run followed by a two-point conversion. But these boys came out ready to play the second half. After recovering a Meadow fumble with a 25 yard run by Ricky Hall leaving the score 6-8 in Meadow's favor. Late in the third quarter, Kendall Wilke broke for a 55 yard scoring run for a 12-8 lead which held despite a Meadow threat late in the fourth quarter.

Outstanding players in the game were Hall, Wilke, Adolpho Hernandez, Ricky Morales, Mark Wuensche, and Matt Burch. The Mustangs will play the Klondike Cougars this Thursday at home starting at 5:30 p.m.

The Wilson Mustangs 2-0 district play will face the Klondike Cougars Friday night at Klondike. This is the most important game of the season for these boys. They have worked long and hard to reach this point—a contender for the district crown. We as Mustang fans need to show our pride and belief in these young men. Since there will be no school Friday a community pep rally has been scheduled at 3:30 p.m. Friday afternoon immediately before these Mustangs board the bus for Klondike. The band, pep squad, and cheerleaders will be there in full force and we fans should make every effort to attend this pep rally. Let's send these boys off with the knowledge that we are behind them.

Then lets all be at the ballgame. It's a long ride but promises to be a good ballgame as Klondike is also 2-0 in district play. The winner of this game should have a strong chance to represent our zone. Game time is 7:30 p.m. Don't let these Mustangs down!

Change Of Pace Cooking For Fall

Fall brings a change of pace that most of us welcome. This change renews enthusiasm and inspiration with hope for an enjoyable festive season less hectic than the one before.

Creative food with energy efficient planning, marketing and cooking can simplify ones life style. Wise use of available equipment know how is necessary for efficiency. Before buying know that the selection made will best meet ones particular needs. If possible, see equipment demonstrated before making the purchase. Check space available in the kitchen or location for appliance. Consider features as: Removable doors and control knobs, lift up cook tops, self-cleaning ovens, thermostatically controlled heat settings, clock with automatic cook and hold feature, indicator lights for units to show when on, and smooth ceramic cooking surfaces are very attractive and considered convenient to care for. Another piece of equipment very popular and ideal for small kitchens is the

continuous cleaning portable oven that broils, bakes and slow cooks.

Consider cookware and get the best quality to be used for multiple uses. Cookware is available that may be used for both conventional and microwave cooking. Most glass and ceramic wares are practical for both.

New cookware for microwave use include beautiful glassware and assorted mugs, yogurt spoons and pitchers, an 11 inch food platter, 1 1/2 quart souffle dish and an 8 cup glass batter bowl. Certain cookware may be used for preparation, cooking, serving and finally to dishwasher. This not only presents simplification in management but affords wise use of energy.

Surface unit cooking with proper management and good cooking habits can be wise. If this area of the range is used to cook part of the meal, plan to cook the complete meal on the surface unit area.

If the oven is used, prepare and bake several dishes at one time. This may include a complete oven meal, casserole dish and other foods in quantity. If the broiler area of the

Seminole Indians Upsets Tahoka Bulldogs 14-12; Play Denver City Friday

By Darryl Stotts
Tahoka was upset by the Seminole Indians 14-12 last night. The Bulldogs led the opening kick off but was not able to score on the Bulldog and had to punt. The Bulldogs promptly scored on two plays. Jerry Hatchett raced downfield on the left side line for 71 yards. The Bulldogs led 6-0 at the end of the first quarter. The Indians kept the ball the rest of the game. Bailey and Hatchett both broke the 100 yard mark as they ran for 173 and 113 yards respectively. Rayford Harris led Tahoka with 17 tackles. Carlton Ash was right behind him with 16. Johnny Calvillo and Doug Barham were next with 13. Roddy Brooks had 11.

Rev. Reta Richards was hostess to the Northwest Texas Conference United Methodist Sisters in Ministry, Friday, October 20, for a noon luncheon and meeting. Those present were Rev. Jo Carr, St. John's UMC Lubbock, Rev. Ruth Cooper, First UMC, Noland, Rita Crowell, Conference Office, Lubbock, and Juanita Hardaway, Forrest Heights UMC Lubbock.

Visitors in the home of Rev. Reta Richards for Sunday lunch were Mr. and Mrs. Lee Sims and Leah and Bill and Mildred Porter from Lubbock and Bessie Strain and Lillie Burgess from New Home.

Mr. and Mrs. Mike Myers and daughter, Holly, of Littleton, Colorado visited here Sunday until Friday with Mr. and Mrs. Glen Grey and Angie. Holly spent the time here while her

parents were in Lubbock attending the Youth Ministers Seminar and Lubbock Church of Christ Bible lectures.

Mr. and Mrs. Boswell Edwards returned home Friday after spending a week at Lake Brownwood. They stayed Thursday night in Sweetwater with Sylvia and family.

Winston's sister, Mrs. Grady King of Lazbuddie visited with us her Saturday, and Ann and Wayland Walton of Snyder were with us Sunday evening.

Mrs. Becky Campbell of San Antonio arrived in Lubbock by plane Wednesday to spend a week with her parents, Mr. and Mrs. Roy Blevins.

Mr. and Mrs. Arthur Duff of Snyder visited with us Wednesday.

Mr. and Mrs. Robert Isbell of Plateros, Washington, visited with A. C. and Betty Fillingim a few days last week.

Bob Poer and his brother, T. J. Poer of Haskell, visited another brother, Jack Poer of Tucumcari, New Mexico, in the Veterans Hospital in Amarillo. Jack entered the hospital last week after suffering a heart attack.

J. P. Unfred was honored on his 87th birthday with all his children, grandchildren and other friends and relatives stopping in to see him Sunday and Monday at their home in Lubbock.

When the rains stopped the harvest, ginning was well underway, reports from the gins this Monday morning are: New Home Coops, 4,000 bales; New Home Gin, 340 bales; and Petty Farmers, 1475 bales. With a large number of Trailers full on the yards.

Kent Bruton entered the Lynn County Hospital Friday night for treatment.

Faith Circle Of United Methodist

Faith Circle of United Methodist Women met Monday, October 23, at the church. This meeting was designated as a Silver Tea and donations were made to the circle.

After a short business session, Mrs. Lois White continued the study of Revelation. The lesson centered largely on the history and geography of the cities of Thyatira, Sardis, and Philadelphia to which letters were written. The letters to the seven churches constitute a reminder of the unity of the church, despite the different situations in various places.

Mrs. Lady Stewart and Mrs. Myrl Mathis served as hostesses for the meeting.

The next meeting will be the Harvest Tea in the home of Mrs. W. W. Hagood on November 20. All women of the church are invited to attend the meeting.

Wilson Continues It's Winning Streak And Now Is 2-0 In District

By Marsha Chisum

The Wilson Mustangs earned their second victory in district play last Friday night by defeating the Meadow Broncos 34-8. Wilson is now 6-1 for the season.

The first quarter proved to be a defensive battle by both teams but Wilson put their offensive unit into action in the second quarter scoring 21 points. The first score came from a 1 yard dive by senior runningback Calvin Wilke followed by a successful kick by Lucio Trevino.

Quarterback Mike Nettles lobbed a pass towards the end zone from the Meadow 11 yard line and a Bronco defensive player leaped up to bat the ball away only to have it scooped up by end Mitch Bartley at the 5 who carried it in for the score. Trevino's kick was good.

Wilson's third touchdown was made by Wilke from 13 yards out followed by Trevino's successful kick.

The Broncos were ready to play in the third quarter and

went to the air completing a 37 yard pass from Snachez to Bingham. A two point conversion was successful earning the Broncos 8 of the 14 points which the tough Mustang defensive unit has given up this entire season.

In the fourth quarter Wilson marched 54 yards in seven plays ending with a TD by Wilke with a 12 yard run. Quarterback Mike Nettles passed to end Trevino for the final touchdown of the evening followed by his fourth

successful kick of evening.

The Mustangs had 16 downs to Meadow's 10. Wilson's offensive rushed for 217 yards, completed 7 out of 12 passes for 106 yards. Meadow's offense completed 13 passes for 53 yards rushing and 53 yards passing. The Mustangs had 13 completed passes for 133 yards. The Mustangs had 13 completions to Meadow's 10.

Wilke led in rushing with 117 yards on 17 carries. The Mustangs had 13 completions to Meadow's 10. The Mustangs had 13 completions to Meadow's 10.

A TAXPAYER'S BILL OF RIGHTS IS PAST DUE

Bill Clements believes we still have a chance to preserve our future by establishing constitutional protection against excessive taxation and runaway government spending.

Bill Clements believes the people of Texas should have the power necessary to ratify or reject tax policies made by legislators.

To establish this power (of the people), Bill Clements will introduce an amendment to the Texas Constitution that would give the people of Texas this right.

Bill Clements' "Taxpayers' Bill of Rights" would:

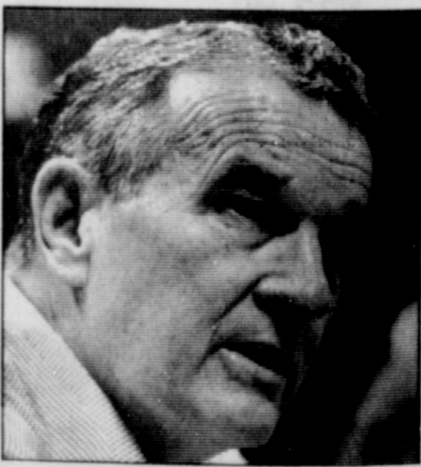

- Give Texans the right of initiative and referendum, a phrase that means we, the people, have a right to vote on the taxes to be levied on us.
- Place a ban on corporate or personal income tax in Texas.
- Require a two-thirds record vote of both houses of the legislature to pass a tax bill.
- Allow local taxpayers to call an election to ratify or reject a tax increase created by a local governmental unit.

Bill Clements believes in Texas and the people of Texas.

Bill Clements thinks that elected officials must work for the people and represent them properly.

As governor of Texas, Bill Clements will work for and with the people of Texas.

It's about time someone recalled that our form of government was conceived to be a servant of the

people and provide the means to insure that principle endures.

VA Updates Income Information

Inasmuch as the Veterans Administration is updating income information and medical expenses, all Veterans Administration beneficiaries receiving a non service pension will receive an annual income questionnaire card with their October check, which they will receive November 1st.

This does include those pensioners who have not in previous years received a card. This will include veterans over 72 years of age and children receiving pension in their own behalf. It is imperative, according to Sid A. Lowery, Lubbock phone 795-7269, Lynn County Service Officer, that Veterans Administration beneficiaries receiving a non service pension immediately contact the Social Security Administration and/or any agency from which they are receiving retirement benefits. According to the County Service Officer, it is

imperative the right amounts be reported in order that the beneficiary can receive the correct amount of pension. It is also imperative the beneficiary have with them when they bring the

annual income questionnaire card to the County Service Officer, the total amount of medical expenses which have been paid during the year 1978, and which have not been reimbursed. These expenses include doctor, hospital, dental, drugs, hospitalization premiums, glasses and cost of nursing home care. Completion of the annual income questionnaire card will be mandatory for the recipients or benefits will be terminated effective January 1, 1979.

For further information please contact Sid A. Lowery, 998-4222, Lynn County Service Officer.

WILD GAME--HOW TO KEEP THEM EDIBLE

To insure top cooking quality of wild game, keep it clean and cool.

First protect it from dirt. Bacteria in dirt will cause spoilage.

Keep wild game cool, too. Remove guts and bloody areas that deteriorate most rapidly. Cool the muscle area quickly, and protect it from insects. In hot weather, use an ice chest.

In addition, avoid contamination by hair, feathers, dirty hands or a dirty knife.

After cleaning, place the wild game on a clean surface--not the ground. If skin or feathers are removed in the field, be sure to put the animal in a clean cloth bag. Or, small animals can be put in plastic bags.

For more information on dressing wild game, ask the County Extension Office for the following publications:

3. Upland Game Birds--Cooking, Care (MP-1346)

PARENTS HELP FORM CHILD'S SELF-IMAGE

Parents help create a child's self-image--both positive and negative--for life.

For many adults, that is unfortunate, because they must spend a lifetime undoing a poor self-image

that was largely formed during childhood. To build a good self-image, individuals must learn to like and respect themselves.

This is not easy, because our feelings and beliefs about ourselves are strongly influenced by interactions with other people--especially during childhood.

Most of our beliefs about who we are and what we think people feel about us are formed very early in life.

A child internalizes these beliefs as the "right way" to think and act before he has the ability to reason and evaluate.

These decisions about self-worth are reinforced over and over by family members--especially parents--and by teachers. Unfortunately, many adults reinforce a negative feeling about self-worth in children without even realizing what they are doing.

Parents and other adults who criticize and label a child as "bad," "dumb," "slow," "thoughtless" or "stupid" can block that child's development.

They can block his development of creativity and independence. They also can block his building of a positive self-image--a belief in himself that is so necessary to success in school and in life.

In addition, well-meaning friends and other adults can discourage feelings of self-respect by constantly comparing one child to another. Associations with friends, teachers and other people in the community also affect a child's feelings of self-worth.

These interactions with community members probably will reinforce the positive or negative feelings and beliefs the child has been taught at home.

Danny Morales Completes Basic Training

Airman Danny J. Morales, son of Mr. and Mrs. Joe Morales Jr. of O'Donnell, has been assigned to Chanute AFB, Illinois, after completing Air Force basic training.

During the six weeks at Lackland AFB, the airman studied the Air Force mission, organization and customs and received special instruction in human relations. Completion of this training earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

Airman Morales will now receive specialized training in the aircraft equipment maintenance field.

Aspirin and aspirin substitutes have a long and reliable record for serving mankind. But, because so many new formulas have been developed in recent years, you would do well to consult your pharmacist when selecting an analgesic or actaminophen remedy, so that it will be well suited to your particular need. Is it all right to use an "extra strength" or "arthritis formula" for headache or a temporary ache or pain? Your pharmacist is well versed in the subject and can provide the answers, or if your situation is unusual, tell you to talk with your physician. In recent months, much attention has focused upon aspirin and its substitutes. By using the medication according to directions and by making yourself aware of the proper way to use the remedy you will obtain the result you desire, with safety.

David A. Edwards

Services for David Allison Edwards, 78, of Crosbyton, were at 4 p.m. Saturday.

October 21, in the Crosbyton First United Methodist Church with the Rev. Johnnie Williams, pastor, and Loyd Hall, minister of Crosbyton Church of Christ, both officiating.

Masonic graveside rites were conducted in Crosbyton Cemetery.

Edwards died at 6 p.m. Thursday in Crosbyton Clinic Hospital after a long illness.

The Hamilton County native married Florence Terry, September 1, 1925, in Lampasas County. He moved to Crosbyton in 1931 from O'Donnell.

Edwards was a lay leader, a member of the administrative board and taught a Sunday school class at the Crosbyton First United Methodist Church. He was a past master of the Crosbyton and O'Donnell Masonic lodges. He was past district governor of the Crosbyton Lions Club and was a former superintendent for Crosbyton and O'Donnell school.

Grace Wilburn

Services were held for Mrs. Grace Wilburn, 80, of Wilson at the Horton Baptist Church, Horton, Saturday, October 14 at 3 p.m.

Memorial messages were given by her brother, Rev. N. D. Gilmore, her nephew, Rev. Lyndon Petty and Rev. Monard Petty. Music was played by her niece, Mrs. LaVerle Klutz, and songs were sung by Rev. Lyndon Petty and her great niece and nephew, Dianne and Danny Klutz.

Mrs. Wilburn died at 6:15 on October 11. Burial was in the Horton Cemetery by her husband's side, he preceded her in death 37 years ago on June 5, 1941.

Pallbearers were her grandsons and nephews and were: John and Phil Young of Warren, James Monday of Garland, Sonny Herbold of Garland, Kirby Smith of Garland, and Kenneth Klutz of Greenville.

Mrs. Wilburn is survived by 3 children; Mrs. B. E. (Charline) Webb of Wilson, Deon Wilburn of Yucaipa, California, and Gayle Wilburn of Riverside, California.

She is also survived by 4 grandchildren and 4 great-grandchildren; 2 brothers, Rev. N. D. Gilmore of Commerce; Lynn Gilmore of Gainesville; 2 sisters, Mrs. E. R. Petty and Rosalie Porter of Commerce; other loved ones and a host of friends.

Pierce & Connie Hallmark Receive Amway Award Plaque

Wayne Hinds, of 27th St. Lubbock, Direct Distributor of Amway Products, announced October 7th, the awarding of a Personal Sales Award Plaque to Pierce and Connie Hallmark of Tahoka. The plaque can be earned annually by any of the 250,000 Amway Distributors throughout the world by achieving a high personal sales goal.

In presenting the award, Direct Distributor Wayne Hinds and sponsors Joe and Janice Connally, personally congratulated Pierce and Connie on the performance of their distributorship, giving special recognition to their outstanding sales achievement record. Recognition was also given to them at the Amway Rally at the Lubbock Memorial Civic Center.

Amway is an international organization with world headquarters and manufac-

Lena Williams, president, conducted the business. Approximately 25 members were present. The ladies had voted earlier to buy a weed burner for the golf course. We are informed it has arrived and has been paid for and ready for use.

Novis Curry, secretary, read the minutes and treasurer's report.

The last South Plains Women's Golf Association at Meadowbrook, Lubbock, held October 3, was discussed. A large number of golfers played in the first day (or Play Day) and 5 or 6 played in the three day tournament which always ends the S.P.W.G.A. Next year T-Bar ladies will have the three day tournament and will need the cooperation of the whole club.

Jeanne McCord, playday chairman, had planned a scramble, drawing for partners. The winners won 3 golf balls each, second place won 2 golf balls, and third won 1 golf ball. The results are as follows: **First:** Jeanne McCord, Vinita Hamilton, Christine Askew, Billie Carroll, and Jennie Halford; **Second:** Fredda Townes, Norma Wagner, Lena Williams, Da Onne Curry, and Judy Caswell; **Third:** Maxine Lusk, Shirley Draper, Doris Sterling, and Joy Bragg.

Punk Franklin and Mary Taylor played a few holes but couldn't hold out in the wind and cold to finish enough to qualify.

A delicious luncheon was served by Billie Carroll, Punk Franklin, Jennie Halford and Mary Louise Louder.

The November luncheon and play day will depend on the weather. Members will be notified.

Vinita Hamilton received a Zippo cigarette lighter for the Hole-In-One she made May 9. It was engraved with "Vinita Hamilton, Hole-In-One, Hole No. 3-127 yds., T-Bar Country Club, Tahoka, Texas."

Zippo Mfg. Co. made the ball that she bought with the Cotton boll emblem. She bought it from the Lynn County Ladies Cotton Club, Jo Carol Long, president.

Births

Mr. and Mrs. John Long announce the birth of a son, Bradley James, who was born on October 11 at 11:48 a.m. The boy weighed 8 pounds and 2 ounces and was 20 1/2 inches long.

Jeff, age 2, is his older brother.

Grandparents are Mr. and Mrs. James Trammell and Mr. and Mrs. Olan Long.

TEXAS 4-H CENTER TO BE DEDICATED
 The Texas 4-H Center, completed in 1975 at Lake Brownwood, will be formally dedicated November 8.

Special ceremonies will begin at 11 a.m. and will include a "burning of the note" indicating the final payment on the \$1.5 million facility. A special plaque to be placed at the center will also be unveiled.

Keynote speakers on the program will be T. Louis Austin of Dallas, chairman of the Texas 4-H Foundation and chairman and chief executive of Texas Utilities Co. and Grant Shrum of Washington, D.C., executive director of the National 4-H Council.

The 4-H center is owned by the Texas 4-H Foundation which is a nonprofit educational organization that arranges for financial support of the 4-H program. The center is staffed by Extension Service personnel. Purpose of the center, built solely from private funds, is to provide a setting for training both youth and adults in a wide range of areas but centering primarily on leadership. Since the center opened its doors in 1975, some 8,000 to 10,000 persons have received training annually. The facility is open the year round, with the summer months devoted mainly to 4-H camps and the school months used for volunteer training. Any organization with an educational program may use the center.

El Acapulco

Ana Mae Gonzales-Owner

For authentic Mexican food, the people of this area visit the El Acapulco at 124 North Ave H. in Post, phone 495-3674. For your convenience they are open from 7 a.m. to 8:30 p.m. and closed on Thursdays!

Through the efforts of the management here to serve only the true Mexican dishes with a real flavor of the country, as well as interesting Mexican decor, this restaurant has become a very popular eating place.

They have captured the true tangy flavor of the Mexican dishes by using the exact spices and foods to prepare them.

Contrary to the belief that Mexican food is very hot, they serve all their dishes with the hot sauce and green peppers on the side so that you can enjoy it the way you want.

For a fine place to eat authentic home-made Mexican food, steaks, sandwiches and hamburgers and friendly service, the writers of this 1978 Review suggest that you go to the El Acapulco. We know you'll want to return many times.

Dear Editor,
 The first part of this letter is directed to the Tahoka High School football team and the second part is directed to the fans of the football team.

First, I would like to say that the football team in Tahoka is the best team in the 5-AA District. But, every once in a while, the fans like to see some enthusiasm from the football team. You guys are the greatest and you have to let people know that you want to be STATE CHAMPS. You are a team and you have to act like a team. It would be nice if you would praise your team mates when they make a good play. This encouragement can be contagious and before you know it everyone is giving 110 percent. Remember a little praise at the right time can add a lot to our spirit. The fans will feel this and get fired up. You have a great coaching staff and you need to show them that they are the best.

behind our football team. Let us help the cheerleaders with their cheers. On 3rd down our defense needs to know we are behind them. Why not stand up and help the cheerleaders with a yell of "DEFENSE". The boys hear this and they get fired up. If we want to go to state the FANS are going to need to help! Also, on the 2 bits yell, you just do not know what a difference it would make if everyone would stand up and just give a Rah-Rah noise.

If we want the Tahoka High School Football team to go to State, they are going to need our help and we must begin this Friday night at Denver City. So everyone come out and cheer our team to victory.

Remember the football team need the fans and the fans need the football team and together we can be GREAT.
 One Sincere Fan

TEXAS A&M AG LEADERS SUPPORT CONTINUED USE OF 2,4,5-T

The most widely used herbicide to control brush on millions of acres of Texas rangeland—2,4,5-T—has received a vote of confidence from Texas A&M University System Agriculture Complex leaders.

The herbicide is being studied and evaluated by the Environmental Protection Agency as a possible health hazard.

In a position statement on 2,4,5-T issued by the Texas Agricultural Extension Service and College of Agriculture, leaders support the continued safe, effective use of 2,4,5-T in integrated brush management systems.

"The economic and biological benefits of this chemical, when used according to instruction, cannot be

disputed. Few agricultural chemicals have a longer record of safe use than 2,4,5-T on domestic livestock or wildlife—or to humans who have consumed crops or animal products from lands treated with 2,4,5-T," said Dr. Perry L. Adkisson, vice president for agriculture and renewable resources.

"There is no evidence that 2,4,5-T itself is poisonous to humans or any other animals when used according to the label."

The herbicide has come under controversy as a possible cause of birth defects and miscarriages when used in high concentrations. The ingredient that has been linked to the problem is the dioxin called TCDD. One of the most toxic substances known, TCDD is found in minute quantities as an unavoidable contaminant

during the production of 2,4,5-T.

"The chemical 2,4,5-T is one of the most efficient, most economical and safest rangeland brush control agents used today. It is applied only at five to 10 year intervals for rangeland brush like mesquite," Adkisson explained.

He stressed the 2,4,5-T is the most regulated chemical pesticide in Texas. It can only be purchased and used with stringent qualifications, and can only be applied by certified applicators under very calm weather conditions, Adkisson said.

"On the basis of present information, the benefits of 2,4,5-T greatly outweigh the risks," he said. "This doesn't mean the chemical does not carry some dioxins (poisons), but the manufacturers have cleaned up the dioxin problem substantially."

"In reality, there is no effective herbicide currently available that can be used to replace 2,4,5-T in integrated brush control systems," Adkisson said.

West Texas To Celebrate Birthday Of Farm Teaching

October marks the 75th anniversary of the completion of the first successful farm demonstration in the nation.

It was the success of this venture of the Walter C. Porter farm near Terrell, east of Dallas, that led to the creation of the Cooperative Extension Service nationally and the Texas Agricultural Extension Service in this state.

Farmers, ranchers and homemakers in West Texas will join in recognizing this milestone in agricultural history by holding a special observation in Lubbock, Tuesday, October 31.

The South Plains observation will be held in the board room of the Plains Cooperative Oil Mill, 2901 Avenue A. It will begin at 9:30 a.m. with a coffee and includes a ceremony recognizing outstanding farm demonstrators and home economics cooperators from each of the 20 counties in Extension District 2.

The recipients are representing the more than 375 producers and homemakers in the district who conducted demonstrations this year in cooperation with their county extension agents, said Billy C. Gunter and Mrs. Catherine Crawford, district Extension agents. R. L. Warren and Mrs. Joy Bragg, long time cooperators, will be recognized from Lynn County.

A documentary film on the Porter Farm, "I Am Thinking of the Harvest," will receive its premiere showing in the area.

Cotton Prices Said To Be Higher

Prices High Plains cotton growers received were around \$2.50 per bale higher the week ending October 20, according to Paul R. Dickson, Area Director at USDA's Marketing Services Office in Lubbock.

Growers sold mixed lots of mostly grades 42 and better, staples 30-33, mikes 3.5-4.9 - 3.5-4.9 around \$7.00 cents per pound. New crop lot of mostly grade 43, staple 30, mikes 3.5-4.9 brought about \$1.90 cents per pound, Dickson said.

High Plains Marketing Services Offices graded 24,300 samples this week, bringing the season's total to 31,800. This compares with 395,000 graded by October 20 last year, according to USDA's Agricultural Marketing Service.

Predominant High Plains grades this week were grade 41 at 15 percent, grade 32 was 8 percent, grade 42 accounted for 43 percent, and grade 52 was 15 percent. Three percent were reduced one grade because of bark.

Staple lengths were mostly staple 29 at 14 percent, staple 30 was 37 percent, staple 31 accounted for 27 percent and staple 32 amounted to 12 percent.

Micronaire was mostly in the desirable 3.5-4.9 range at 88 percent of the total. Two percent was higher and 10 percent was lower.

Gins paid growers \$100 to \$110 dollars per ton for cottonseed.

seven. The only bright spot for the Eagles was the play of reliable Tony Acosta. He gained 101 yards on 23 carries (his 6th straight 100-yard game) and was the heart and sole of the Eagle defense getting in on 26 tackles.

O'Donnell took the opening kickoff but was unable to move and had to punt. Ropes fumbled and Monty Hancock fell on the ball for O'Donnell at the Ropes 28. Three plays netted eight yards and on fourth and two from the 20 Acosta took a handoff over right tackle and raced untouched into the end zone. He also kicked the extra point and O'Donnell led 7-0 with 8:30 left in the first quarter.

The teams exchanged punts and with 3:51 left in the opening quarter Ropes started from their 11 yard line and drove 89 yards for the tying TD. The drive took 24 plays and fullback Junior Ybarbo got the final yard with 4:31 left in the half and Ricky Putnam kicked the extra point.

Neither team could score in the third quarter but early in the fourth Ropes scored again.

The key play was a 22-yard pass completion

from Randy Lowrie to Marc Moore which carried to the O'Donnell six. Ybarbo went one yard for the TD with 6:25 left in the game.

O'Donnell will host an extremely talented Stanton team this Friday night at Johnson's Field.

Tahoka Garden Club Holds Tasting Tea

The October meeting of the Tahoka Garden Club was held Tuesday, October 17, at 2:30 p.m. in the home of Mrs. A. C. Weaver with Mrs. O. H. Hines serving as co-hostess.

A program on organic gardening, illustrated by color slides, was given by Mrs. Sherry Etheredge.

THURSDAY, OCTOBER 26,

Lynn County Home Demonstration Agent.

Plans for the Golden Anniversary Tasting Tea were finalized. The proceeds from this event will be toward landscaping and upkeep of a Veterans Memorial Garden. This has been a continuing project of the Garden Club for several years.

We hope you will come to the Methodist Church Fellowship Hall Tuesday, October 31, from 11 a.m. to 1 p.m. for some delicious coffee and tea.

Admission is \$1 and food will be prepared by Club members. The refreshments will be available at 25c each. Come for lunch or coffee break and share this worthy project.

Tickets may be purchased from any Garden Club member or at the door.

John Hill calls for state tax freeze

"Our state taxes in Texas are among the lowest in the nation, and I want to keep them there. As I've said many times, I'll veto a tax increase before the ink dries on the bill."

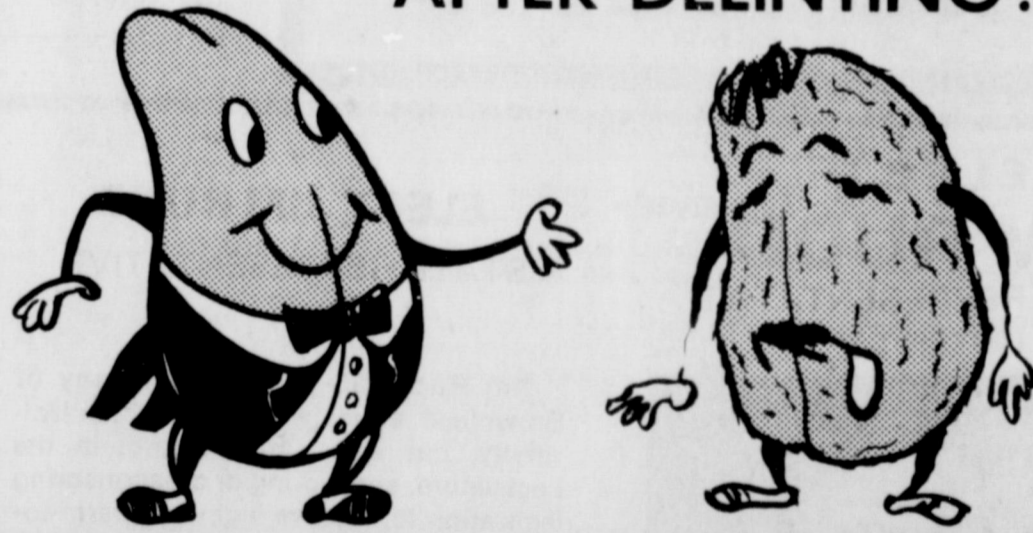

As Attorney General, John Hill proved he could increase the efficiency of his office without any unnecessary budget increases. He absorbed a three-fold increase in his office caseload by hiring top legal talent capable of higher productivity. The result: his staff lawyers doubled their average workload, and the increased court judgments and enforcement of civil penalty laws returned \$25 for every \$1 of state funds spent on his office.

As Governor, John Hill will insist on this same type of increased productivity for all state agencies. He will institute new controls over federal funds, demand that we follow our "pay-as-you-go" budget policy, and use zero-base budgeting to eliminate unneeded programs before any new programs are added. And he'll block any state tax increase — there won't be any new taxes under John Hill.
