E. L. Short Elected New State Senator

CAROLYN'S CLATTER

by Carolyn Klaus

...ld weather and football does strange things to Americans and especially those supporting a local high school team. Parents warn their children about playing outside in the cold and in fact many times they start bundling those same children in layers of clothing so they can go sit in the cold and watch a football game. The game itself is questionable in that regard boys, or even men for that matter, side with all the force they can muster. If we see our children running at each other with determination we would shriek at the top of our lungs for them to halt. Not under any circumstances would we allow them to make contact at such speed but yet once a week we feel with delight when we observe the same thing on a football field.

...an age when taxes are too high and we don't get every penny that goes through the bank, we think nothing of paying whatever fee to see our favorite team compete in the vicious game we call a sport. Untold millions of dollars are spent each year from the junior level to the pro level. Our children grow we try desperately to get them to share and be unselfish but during football season we put all this money and root for our team to take that ball or have heart failure if the team squishes their hold on the ball. The sport does something to us. We try to keep our health and avoid situations that cause us stress and to be sick but many fans are unable to eat for nearly a day because of a heavy stomach over the big game.

...list could go on and on but the paper is not so I must stop. In all the sport makes no sense at all because of all the contradictions to what we see but, I'll be there with the rest of you week and yell for my team. It's fun and something you just can't hardly miss. Besides, look at all the people we would put to work if we eliminated the sport. So, it's an American duty to support our team!

Tahoka Chamberettes Make Plans For Thanksgiving Dinner

...eldom that we have an opportunity to eat good food with friends and good deed for your town at the same time. But you have that opportunity Sunday at noon when the Tahoka Chamberettes sponsor a community Thanksgiving dinner at the school cafeteria. Tickets are on sale for adults and \$1.50 for children under 11 years. Proceeds from the dinner will go toward buying Christmas decorations for the school.

...will be delivered at noon Sunday.

...Mrs. Nadine Dunlap, president, states that the Chamberettes will not refuse cash donations. The decorations will cost around \$10,000 and will decorate Main Street and Lockwood through the business district.

...If you have any questions please call Mrs. Dunlap, 998-5135 or Mrs. Virginia House, 998-4062. Mrs. House serves the club as project's chairman.

Tahoka C Of C Monthly Breakfast

...The Tahoka Chamber of Commerce monthly breakfast will be held Tuesday, November 21, at 7 a.m. in the Tahoka Cafeteria. A representative from South Plains Association of Governments will present a program concerning community improvements. All Chamber members are urged to attend.

E. L. SHORT, TEXAS STATE SENATOR

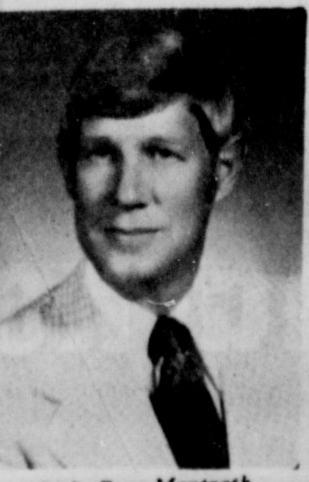

New Home Announces A New High School Principal

...The New Home Board of Trustees has hired Ricky Pope Mantooth to replace principal James Blake, August 1 when Mr. Blake assumes his new position as superintendent of New Home Schools.

...Mr. Mantooth is a native of McLean, and graduated from there in 1955. He received a four-year football scholarship to Oklahoma State University and attended there one year; he then transferred to West Texas State College, Canyon, where he again had a four-year football scholarship. He received his degree from West Texas in 1960 and his Master of Education from West Texas in 1967. He also did his administrative work at West Texas.

...Mr. Mantooth has taught in Dalhart, Rankin, Happy, Seminole, and Canyon; all of these positions were in high school except at Dalhart, which was in junior high school. He is now teaching English and sponsoring the Student Council in Seminole High School.

...Mr. Mantooth is a member of Seminole Classroom Teacher Association and is serving as its president; he is a member of Southwest Basketball Officials Association, Odessa Chapter, Division III. Also, he and his family are members of the First Methodist Church in Seminole.

Ricky Pope Mantooth

...Mr. Mantooth is married to the former Sammye Norman, and they have three children, Ricky Norman, who attends Western Texas Junior College, Snyder; Julie Mantooth Fleming, who lives in Seminole; and Jill, who is a Sophomore student in Seminole High School.

Faith Circle Plans A Harvest Tea

...The Faith Circle of United Methodist Women will have a Harvest Tea at 4 p.m. on November 20, at the home of Mrs. W. W. Hagood. This is an annual event to which the women of the Methodist Church and other invited guests look forward. Mrs. Hagood puts forth a great deal of effort to make it a lovely and enjoyable affair. The speaker this year is Mr. John Arnn.

TIGER SAFARI CLUE #3

...The tiger is getting lonely. It's a nice place to visit, but you wouldn't want to stay long.

Tahoka Pep Rally, 2:30 Downtown

...THS will have a Beat Slaton Pep Rally Friday afternoon at 2:30 on the courthouse lawn. All parents and business people are urged to attend. Everyone come out and support the Bulldogs to a victory over Slaton.

Tahoka ISD Tax Office Closed

...The Tahoka ISD school tax office will close at 2:30 p.m. on November 22 and reopen at 8 a.m. on November 27. This is in observance of the Thanksgiving Holiday.

Winners Announced In The Lynn County 4-H Food show

...The Lynn County 4-H Food Show was held November 11 at the Lyntegar Meeting Room, in Tahoka. Approximately 65 persons were present for the show. The objectives for the 4-H foods and nutrition program are:

1. help 4-H members to develop leadership talents and to work towards achieving the broad objectives of character and effective citizenship.
2. help 4-H members to understand the signs of good health and food needs of different age groups.
3. help 4-H members to understand the interrelation of science, nutrition and food preparation.

(see 4-H, page 5)

Danny Chisum Leads A Winning Team

By Carolyn Klaus

...Tension and pressure is a way of life for a coach but when a winning season is involved then those tensions and pressures are doubled.

...A coach searches his brain day and night as the "big" games come closer and closer together. Danny Chisum, Wilson head football coach, is no different

...and right now he is doing that very thing as he and his team face the district title contest Friday night in Snyder.

...Chisum's team, the Wilson Mustangs, are undefeated in district play and have lost only one game in the season. They are a hard-hitting and determined group that have fought hard and deserve the position they hold.

...Chisum, observed by some as one of the best area coaches, lets excitement glisten in his eyes as he contemplates the upcoming game. He has prepared his team, rating high in state class B ratings, all year for such contests and says he will continue with the same

By Carolyn Klaus

...On Tuesday, November 7, E. L. Short won the election and will take over the seat of State Senator. He won by a landslide victory and carried the rural counties as well as the urban counties. Some election predictions felt Short would not carry the urban sectors but he carried them by the same 63% that he carried the rural areas. Which proved the election was not an urban versus rural battle.

...Short said there were several things he hoped to accomplish during his term but also realized he was only one man. But, none-the-less he would try as hard as if he had an army behind him.

...Mr. Short said there were several areas that deserved equal attention and was impossible to name one as more important than the other. One of those areas was a nursing school for Texas Tech University in Lubbock.

...Water importation will receive a good deal of my attention", Short added. The whole program will be a long range plan but it is something that is extremely important to Texas and must have a beginning. The first step in his opinion is to talk to neighboring state officials to get them interested and

...create some good will. After that step then some interstate committees can be organized. Once some good will among neighboring states has been established the possibility of getting some federal support and money is more likely. Short says, "I'll be using the title of the office as a power base to begin something that future generations can see."

...The speedy trail act, which was passed during the last session, Short says, may need to be reviewed. He felt it was a good step but wants to be sure the whole process is thorough but does not want to bottleneck any portion of the judicial system.

...As for property taxes, Short says the local level needs some relief and he proposes to use a stock pile of money amounting to over 2 billion dollars to give that relief to some of the local levels. Short's theory is to possibly use one cent of the sale tax and put it into education at the local level and then encourage the local school boards to reduce their taxes accordingly. It sounds like a simple step but everything takes time, especially when it starts with one person.

...As for education, Short says, "Some of the surplus money should be used to increase teachers salaries because if we want to continue to draw quality people into the teaching profession we will have to raise the salary." He believes there is enough money to do all these things and not endanger the state funds at all.

...When asked how he felt about the tax relief amendment that passed, he said, "It's a step in the right direction." Short does not think the amendment will have much effect on farmers in Lynn County or other small towns but in the larger city areas where the cost of land has skyrocketed, not because of production possibilities but because of market value. He said the amendment provided that the revenue lost by school

...districts would be made up by the legislature but as for the other revenue lost in other areas, nothing had been provided.

...The amendment has been passed by the people but now the legislature must pass it into an enabling law. In so doing Short would like to see it passed that land taxes be kept on two rolls, one roll on taxation of productivity and the other on fair market value. Then whenever farm land sells the seller would be required to pay 3 years back taxes on the difference between productivity tax and market value tax. The idea is to give a break to the farmer and keep out the speculative buyer. Most farmers who buy land intend to keep it for many years but speculators only buy it to keep it a few years and then sell it. The idea is to protect the agriculturist and penalize the speculator. Short does believe the agricultural strike brought this to the attention of the public and the legislators and has been good for the farmer.

...Coming to a more personal note Short said, "I'm very proud of the support that Lynn County gave me." He says the job he is about to undertake is scary in a way because it is so monumental but at the same time is a real challenge. He likes the idea of being more directly involved rather than only indirectly involved.

...Short's advice to farmers and rural counties is to stick together and get a closer

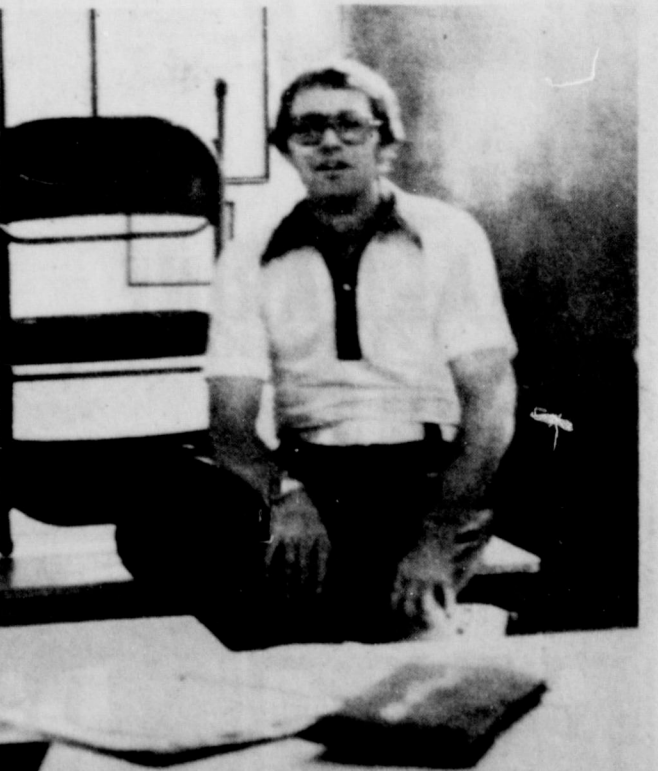

(see E. L. Short, page 5)

New Home, Lakeview And Petty Dinner

...The New Home, Lakeview, and Petty communities will hold a joint Thanksgiving lunch and program Sunday, November 19, at the New Home Cafeteria. A covered dish lunch at 12:30 and the program at 2 p.m. will complete the day.

...never have to worry about these kids, they'll give you their best all the time and I

...know they'll be doing that Friday night." Chisum finished

COACH DANNY CHISUM, Wilson, addresses a group of parents, fans, and Mustang supporters in an effort to keep the lines of communication open between he, his team and the group of parents.

By Darryl Stotts
Tahoka Bulldogs past the Post Antelopes 33-16 last Friday to up their season record to 6-3. A Bulldog victory over Slaton tomorrow would result in a tie for 1st place in the district. The other teams are Seminole, Frenship and Slaton.
Post scored quickly capitalizing on a Bulldog error from the three yard line. The PAT was good and the Antelopes led 7-0.
The Bulldogs then drove the ball downfield 90 yards to tie the game. A 47 yard

run by Jerry Hatchett set up the TD. Hatchett scored on the next play from the one yard line. Kevin Elmore kicked the extra point.
Tahoka later recovered a bobbled punt on the 14 yard line. Tracy White scored on a 7 yard run. Elmore's kick was blocked and Tahoka led 13-7 at the half.

The Antelopes received the second half kickoff but threw the ball to the Bulldogs. Carlton Ash snagged an Antelope pass for an interception. The Bulldogs could not move the ball and had to punt. Cliff Kirkpatrick found an opening in the Bulldog defensive line and raced 51 yards to tie the game. The PAT put Post on top 14-13.

Tahoka then put together a 20 point fourth quarter. Hatchett scored on a 4-yard run on the first play of the period. Elmore's kick was good and Tahoka led 20-14.

Tracy White intercepted another Post pass setting up another Bulldog TD. Hatchett scampered six yards for the score. The PAT was not good. With 5:32 remaining

Clifford Oages led Tahoka with 12 tackles and an interception. Britt Dockery and Doug Barham also had 12 tackles. Rayford Harris had 11.

The game statistics follow:
Tahoka Post
13 First downs 6
334 Total yards 127
316 Yards rushing 95
18 Yards passing 32
3 Passes attempted 7
1 Passes completed 3
0 Passes intercepted by 3
4 Penetrations 1
Number Times
73 Ball snapped 44
4/30 Punts/Average 4/41.5
7/60 Penalties/Yards 6/40
3/2 Fumbles/Lost 4/3
Tahoka travels to Slaton tomorrow night. The game begins at 7:30 p.m. Slaton is leading in district as of now.

Tahoka's Car Caravan To Slaton

Football vans from Tahoka are asked to participate in a car caravan to Slaton. The group will meet in front of the high school at 6 p.m. and leave at 6:15 p.m. Jack Miller will lead the caravan.
If you want to support the Bulldogs meet with the caravan group.

Tahoka Bulldog Booster Club

The 1978-79 Tahoka Bulldog Booster Club met in the school cafeteria on November 7th. President Bill Barham presided over 35 members.

The Booster Club urges everyone to travel to Slaton Friday night. Give our boys a lot of support to win over Slaton. We want to congratulate Coach Lair and his new bride.

OBITUARIES

Clyde D. Childress
 Services for Clyde D. Childress, 72, of Route 1, Brownfield, were at 2 p.m. Wednesday, November 15 in the First Baptist Church of Brownfield with Rev. Harry Childress, minister, officiating. Burial was in the Tahoka cemetery under the direction of White Funeral Home, Tahoka.
 Childress died at his home of naturally causes before noon on Wednesday.
 He was born in Bosque, Texas, on November 26, 1906, and attended school at Mills. He lived in Brownfield for a time but came to Brownfield in 1927 from Mills.
 Childress and Willie McMillian were married in Tahoka on February 28, 1928. Clyde had been a farmer and had been a member of O'Donnell Baptist Church. He preceded his wife in death in 1967.
 Survivors include his wife, Mae; two sons, Elton and Route 1, O'Donnell; and a daughter, Mrs. Lois Thomas Brown; seven grandchildren.

Herman Gilliland

Services for Herman A. Gilliland, 71, of Olney were at 10 a.m. Monday, November 13, in Lunn Funeral Home Chapel in Olney with the Rev. Rick Irwin, pastor of the First Baptist Church of Olney, officiating.
 Graveside services were at 4 p.m. Monday in Southland Cemetery with the Rev. Charles Broadhurst, pastor of the First Baptist Church of Littlefield, officiating.
 Gilliland died at 1:30 a.m. Sunday in Hamilton County Hospital in Olney following a short illness.
 The Oklahoma native had been an Olney resident for 50 years. He was a retired city employee.
 Mr. Gilliland and his family lived in the Southland area for several years during the 1920's.

Vernon Milo

Services for Vernon Milo, 70, of Post were at 2 p.m. Monday, November 13, in Pleasant Home Baptist Church in Post with the Rev. Milton Brown, a Baptist minister of Lubbock, officiating.
 Burial was in Terrace Cemetery.
 Milo died Thursday afternoon in his home following a lengthy illness.
 Milo had lived in Garza County since 1930 and married Lizzie Jackson on October 10, 1942 in Post. He was a Baptist.
 Survivors include his wife; two sons, Reggie Moore of Carlsbad, New Mexico, and Helen Davis of Lawton, Oklahoma; a sister, Delia Sims of Houston; 12 grandchildren; and three great-grandchildren.

Ella R. Crews

Services for Ella R. Crews, 92, of Idalou were at 11 a.m. Monday, November 13, in Central Baptist Church, 18th St. and Avenue N, Lubbock, with the Rev. James Shoenrock, pastor, and the Rev. Jack Welch, pastor emeritus, officiating.
 Burial was in the City of Lubbock Cemetery.
 Mrs. Crews died at 3:20 p.m. Friday in West Texas Hospital following a short illness.
 She moved to the Lubbock and Lynn Counties area 54 years ago from Collingsworth County. She was a Baptist.
 She and her husband farmed and ran a grocery store in the Slide community for 19 years.
 Survivors include a son, L. C. of Ruidoso, New Mexico; three daughters, Lucy Cook of Idalou and Mae Henderson and Mildred Edgar, both of Levelland; a half brother, John Gibson Jr. of Waco; two half sisters, Allie Belle Wellborn and Mrs. E. L. Ford, both of Waco; 10 grandchildren; 19 great-

Lynn County News

grandchildren; and five great-great-grandchildren. Grandsons were pallbearers.

New Home F.F.A. Officers Are Elected

The officers for New Home F.F.A. are as follows.
 President, Sammy Pridmore, Senior and son of Mr. and Mrs. Sam Pridmore. Sammy holds the degree of Lone Star Farmer which he received last summer in San Antonio. Sammy's projects include a barrow feeding program and broiler feeding. Sammy aids the football team by filming the games. The rising sun is the emblem of the president, a symbol of leadership.
 Vice-President, Ed Sharp, Junior and son of Mr. and Mrs. Hiram Sharp. Ed's project in F.F.A. is a barrow feeding program. The vice-president's emblem is the plow, a symbol of labor and tillage of the soil.
 Secretary, Duane Webster, Senior and son of Mr. and Mrs. Jimmy Webster. Duane's project for the current year is a barrow feeding program. Duane is also a member of the Leopard football team. The secretary emblem is the ear of corn representing the National scope of the organization.
 Treasurer, Brett McAllister, Senior and son of Mr. and Mrs. Bob McAllister. Brett's projects include barrow feeding and cotton production. George Washington is a symbol of saving and thrift and is the emblem of the treasurer.
 Reporter, Rodd Nieman, Junior and son of Willie Nieman. Rodd's project is a barrow feeding program. The U.S. flag is the emblem of the reporter.
 Sentinel, Mickey Kieth, Junior and son of Mr. and Mrs. Jimmie Kieth. Mickey's projects for the 78-79 year include a lamb feeding program, barrow feeding, a breeding swine herd, and cotton production. Mickey is a member of the Leopard football and basketball teams. The Handshake signifies the friendliness of the Future Farmers of America and is the emblem of the sentinel.

Wilson News

By Marsha Chisum

The Wilson Mustang band participated in the UIL Marching contest last Tuesday, in Lubbock. They received a Division III rating on their performance.

The twirlers performed a trio and received a Division I rating. The twirlers are Tracy Ray, Debra Hagens, and Ginger Swope.

The monthly meeting of the Lubbock Baptist Association Fellowship was held Monday night at the First Baptist Church of Wilson. Speakers were Brother Glenn Reece of First Baptist Church of Post and Brother Wayne R. Williams of Parkway Drive in Lubbock. Refreshments were furnished by members of the Wilson church.
 The new Deacons of the First Baptist Church will be ordained in the morning worship service Sunday, November 19.

Several Wilson gymnasts participated in the Top of Texas Invitational Tumbling Meet sponsored by Nard's of Amarillo last Saturday. There were 250 entries. Those attending and placing first divisions were Todd Houchin, Wesley Little, Tammy Weaver, and Vicki Steinhauer. These four earned the right to compete in the finals and all four again received first places. Others attending were Lisa Steinhauer placing 2nd, Angie Morton placing 3rd, Tonya Houchin placing 4th, and Trisha Houchin placing 6th.

The Wilson team will compete in the Flying Matadors Invitational Meet December 2 at Lubbock.
 The junior varsity basketball girls lost 25-23 to Lubbock Christian High last Tuesday evening. High point for Wilson was Sherry Steinhauer with 8 points followed by Irma Acuna with 6.

The varsity basketball girls opened season play against Lubbock Christian High with a 50-48 victory. Junior Cindy Stone scored 22 points for the Mustangs followed by Senior Kathleen Bednarz with 12 points.
 After a week off the girls will meet O'Donnell at home Tuesday, November 21 with the J.V. game beginning at 5:00 p.m.

The junior high football boys finished their season play last Thursday as they lost to host Dawson Dragons 27-6. The Mustang's Kendall Wilke broke for a 70-yard run in the second quarter to take a 6-0 lead. The Dragons came back to score and kick the extra point to take the two teams in at half 7-6. The second half was marred by turnovers for the Mustangs who ended with an overall 7-2 record for the year. These young Mustangs are to be congratulated on a fine season.

Junior high basketball season will begin Monday, November 20 at home against Union. Game time is set for 5 p.m. The sixth grade girls and boys and the junior high girls will be coached by Coach Carroll. The junior high boys will be coached by Coach Mouser.
 The junior class will have the concession stand.
 The Athletic Booster Club will meet at 8 p.m. Monday November 20 following the junior high basketball game.

School will dismiss at 2:30 Tuesday, November 21 for the Thanksgiving holidays. Classes will resume at the regular time Monday, November 27.

The Wilson Mustangs will play the Jayton Jaybirds Friday at Snyder. Kick-off is set for 8 p.m. Wilson will be the home team and will enter at the Northwest gates. Tickets will be Adults \$3 and students \$1. The winner of this game will be the 3-B District Champs and will play the winner of the Sanderson-Dell City game for the Bi-District title. Sanderson and Dell City will meet Friday at Pecos at 7:30 p.m.

All Wilson fans are encouraged to attend the pep rally Friday afternoon and the ballgame that night.

January 16th, 5:00--Meadow--Girls A & B & Boys A--Mr. and Mrs. Loyd Hagens (Chairman), Mr. and Mrs. Dan Cook, Mr. and Mrs. Ray Crispin, and Mr. and Mrs. S. D. Shipley.

HERO Holds A Spirit Breakfast

On Wednesday, November 15, the coaches, football team, teachers, administration and cheerleaders were served "do-nuts" and "spirit juice" by the HERO members. This "spirit-breakfast" was given in order to raise spirit for "Beat Slaton Week". Rumor had it, that too many stomachs were growling like tigers, so they were invited to tame their tummies.
 HERO also sponsored a "Tame the Tiger" contest. Students were to write creative instructions on how to tame a tiger. Winners of the contest were announced at the Pep Rally Wednesday.

MRS. TOMMY DON DAVIS nee Connie Lynn Miller

Connie Miller & Tommy Davis Exchange Vows In Tahoka

Connie Lynn Miller and Tommy Don Davis were united in marriage on Friday, November 10, at 7:00 p.m. in the Tahoka Church of Christ. Bill Looney, Southside Church of Christ, Brownfield, performed the double ring ceremony.

Parents of the couple are Mr. and Mrs. Lionel Miller of Tahoka and Mr. and Mrs. L. T. Davis of Lubbock.

The bride, given in marriage by her father, wore a formal length gown of ivory organza fashioned with a high neckline of scalloped chantilly lace. The empire bodice had an overlay of lace and the narrow sleeves were of lace. The full A-line skirt extended into a chapel length train. A deep band of scalloped lace formed the hemline of the skirt and train. The headpiece was a Juliet cap of matching lace holding a fingertip veil of illusion. The bouquet was a cascade of Stephanotis, baby breath, lily of the valley and was centered with a white orchid. The bride carried a handkerchief that her mother carried at her wedding and wore her late Grandmother Miller's wedding ring.

Mrs. David Reed of Lamesa served as matron of honor and bridesmaids were Mrs. Marvin Dawson of Brownfield and Karen Burgess of Abilene, both cousins of the bride. Attendants wore formal gowns of apricot quinta knit with square neckline with attached capes falling below the waist.

The groom's attendants were Douglas Davis, brother of the groom, of Lubbock, was best man, and groomsmen were Vink Miller, brother of the bride, and Larry Dennis of Lubbock.

Ushers were Carey Whitworth of Lubbock and David Reed of Lamesa. The church forum was graced with a fan candelabra with a spiral candelabra on

each side which were entwined with lemon leaf.

A reception followed in the church annex. The bride's cake was served by Mmes. Roy Sexton, Brownfield; Dinah Bean, Brownfield; Caryl Miller, cousin of the bride, Brownwood; and Karyn Miller, cousin of the bride, Brownwood.

The groom's cake was served by Janis Elrod, Brownfield and Alexis Anderson, Crosbyton.

Sherry Etheredge Says . . .

IT'S PUMPKIN SEASON

Every year I get calls about canning and freezing pumpkin about this time of year. You'll have this handy in case anyone asks you.

TO CAN PUMPKIN CUBED OR STRAINED

CUBED: Wash and peel the pumpkin & either discard the seeds or set them aside to roast later. Cut the pumpkin into 1-inch cubes. To hot-pack it into jars, cover the cubes with water & bring to a boil. Pack to within 1/2 inch from the jar top. Cover with hot cooking liquid, leaving a half-inch space at the jar top. Close and process at 10 pounds pressure in a pressure canner, 55 minutes for pint jars and 90 minutes for quart

jars. Remove contents from the pressure canner and drain. STRAINED: Prepare pumpkin by washing, moving the seeds and the pumpkin. Cut into cubes. Steam until about 25 minutes. Put through a food strainer. Simmer until ed throughout, stirring keep it from sticking. Pack according to hot pack method. Pack pumpkin and pack pumpkin to within 1/2 inch from top of jar, adding liquid or salt. Close process at 10 pounds pressure in a pressure canner, 65 minutes for pint jars and 80 minutes for quart jars. Remove contents from pressure canner and drain.

TO FREEZE PUMPKIN

Wash pumpkin, cut in small pieces, remove seeds and peel it. Cook boiling water, pressure cooker, or oven until soft.

What about all the seeds? Roasted pumpkin seeds are a real treat. How you do it.

Soak the seeds of pumpkin for 30 minutes solution of 1/4 cup salt & 1 cup water. Drain, place in flat pan and roast in oven at 350 degrees F. often.

PARKER PHARMACY

Eye-care practitioners have similar titles that sometimes confuse the layman. An OPTHAMOLOGIST is a medical doctor with advanced training in treatment and diagnosis of vision disorder and eye disease. Opthamologists prescribe corrective lenses, test for and treat eye diseases, perform surgery and prescribe drugs. They can also detect diseases of the body, diabetes or high blood pressure, that may show early symptoms in the eyes. An OPTOMETRIST is a vision specialist who diagnoses and corrects refractive errors, and prescribes corrective lenses and optical aids. When he finds symptoms of eye disease, the optometrist refers the patient to an ophthalmologist for more tests and treatment. An optometrist performs no surgery, and in most states cannot prescribe drugs. An OPTICIAN prepares corrective lenses according to an optometrist's or ophthalmologist's prescription. A neither diagnoses nor treats eye problems, but he sets the lenses into a frame and adjusts the frame to the wearer.

4-H GOLD STAR BOY AND GIRL, Travis Mires and Karla James are given award plaques at the annual 4-H Awards Banquet presented by Lyntegar Electric Cooperative.

MRS. WALTON TERRY is presented a plaque by Billy Miller in memory of her husband who gave many hours of service and leadership to 4-H Clubs in Lynn County. The award was presented at the annual 4-H Awards Banquet held in the Lyntegar meeting room.

MELINDA TERRY is presented the "I Dare You" award by County Agent Sherry Etheredge. The award is given to a 4-H member who shows leadership in community, church and their peer group, is able to accept a challenge, and is thoughtful of others.

4-H Gold Star Winners To Be Honored

Two outstanding 4-H'ers from Lynn County will be special guests of honor at the District 2 4-H Gold Star Awards Banquet at Coronado High School Monday night, November 20, in Lubbock.

The program begins at 6:30 p.m., in the high school's cafeteria.

Karla James, daughter of

Mr. and Mrs. Freddy James, O'Donnell and Travis Mires, son of Mr. and Mrs. Harold Mires of O'Donnell are the Lynn County Gold Star Girl and Boy being honored at this banquet.

A boy and girls from each of the 20 counties in District 2 are eligible to receive this highest county award each year. The award is based on outstanding achievement, leadership, and contribution to the county 4-H program.

The event is sponsored annually by the following 12 member-owned electric cooperatives serving District 2:

Bailey, Dickens, Lamb, Deaf Smith and Swisher counties, and Lea County New Mexico. Also, Caprock, Lighthouse, Lone Wolf, Lyntegar, Midwest and South Plains electric cooperatives.

To qualify for the special award, 4-H'ers must be at least 13 years of age, have completed at least three years of club work and be currently active in 4-H.

According to County Extension Agent Billy Whitaker, the Gold Star Award is intended to stimulate winners to higher achievements and to encourage other young people to participate in the county 4-H program.

Chamberette's Appreciation Luncheon held

The Tahoka Chamberettes, the women's division of the Chamber of Commerce, held an appreciation luncheon Monday, November 13, in the Tahoka Museum. The luncheon honored people and organizations who have helped with projects for the Christmas decoration fund. Guests included officers from Phebe K. Warner Study Club and Rotary Club, the directors of the Tahoka Chamber of Commerce and the City Council.

Frances Chestnutt supplied the main course of turkey and dressing and other members of the Chamberettes brought various dishes which included candied yams, green beans and assorted salads. Anne Roberts arranged the table decorations.

The Chamberettes have purchased a large snowman and several pole decorations for the downtown area with funds from previous projects. The club will sponsor a Community Dinner Sunday, November 19, at noon in the Tahoka High School Cafeteria. Proceeds will be used to purchase further pole decorations. Everyone is invited to attend.

Wilson Mustangs Rush Past Dawson Dragons

By Marsha Chisum

The Wilson Mustangs ended their regular season play with a 23-0 victory over the Dawson Dragons last Friday night. The Mustangs clinched the 3-B West Zone title with a 5-0 district record and a 9-1 season record.

After an on-side kick by the Dragons for the kick-off, Wilson's Quintin Talkmitt covered the ball on the 49-yard line. The Mustang's quarterback Mike Nettles then drew back on the first down and threw a 51-yard touchdown pass to tight end Mitch Bartley. Nettles then carried for the two extra points so the Mustangs took an 8-0 lead with just seconds off the clock.

In the second quarter Nettles again went to the air to complete a 40-yard touchdown pass to split end Lucio Trevino. Trevino's kick was good for a 15-0 lead at halftime.

The final scoring came in the third quarter when half-back Tony Garcia carried 5 yards to score followed

Leopards End Season With A Good Solid Win

By Kristi Maeker

The New Home Leopards ended their 1978 season on a winning note by defeating the Meadow Broncos 28-12. Leading rusher was Monte Maloney with 195 yards, followed by Isiah Roberson with 97 yards, Mickey Kieth with 27 yards, Murray Kieth with 14 yards, Robert Turner with 13 yards and Tracy B. Smith with 12 yards. Leading pass receivers were Monte Maloney and Bob Villerreal.

Doing a fine job for the Leopards this season were Robert Turner, Isiah Roberson, Tracy B. Smith, Duane Webster, Mario Hernandez, Bobby Hracheta, Jimmy Estrada, Monte Maloney, Mickey Kieth, Jay Ussery, Bob Villerreal, Mickey McIntock, Murray Kieth, Rickey Roberson, Stoney Gill, Randy Bell, Alan Eades, Frankie Roman and Tracy B. Smith.

by Nettles going over for the two extra points.

Wilson had 12 first downs to Dawson's 8. In yards rushing the Mustangs totaled 156-84 of which belonged to tailback Calvin Wilke and 107 yards passing. The Dragons had 44 yards rushing and 50 yards passing.

Defensive standouts for the Mustangs were Quintin Talkmitt, David Weaver, and Lucio Trevino.

The Mustangs will play the Jayton Jaybirds Friday at 8:00 p.m. at Snyder for the 3-B District Crown. The Jaybirds are 8-2 in season play and 5-0 in district.

Little difference was found in rates of heart attacks between exsmokers and women who had never smoked.

Mrs. Billie White Embree Is Appointed To Unique Position

At a recent meeting of the West Texas Funeral Directors, Mrs. Billie White Embree, owner and Funeral Director in Charge of the White Funeral Home in Tahoka, was named to the West Texas Funeral Directors Board of Directors. She is the first woman to hold this position. Upon being appointed to this office, the West Texas Region President, Tom Walker of Coleman, praised Billie "as a woman of extraordinary caring and dedication to her work, family and community. She is truly an asset to this region and exemplifies the type of concern and love that should be synonymous with the title Funeral

Director."

On October 26, Mrs. Embree and her son, Gary White, a student at Texas Tech, attended the annual West Texas Funeral Directors Meeting and Banquet held in Abilene at the Abilene Country Club. Various lectures, such as dealing with eye enucleation, were highlights of the meeting.

A buffet meal was provided and humorist Grady Nutt, who once spoke at the Tahoka Chamber of Commerce banquet, was guest speaker. Billie was in charge of arranging the program.

Thurs, November 16th, Has Been Declared 'Smoke Out Day' In Lynn Co.

Smokers--High Risk Drivers

People who smoke are twice as likely as non-smokers to have car accidents, according to research by the Farmers Insurance Group, Los Angeles. In a 1968-69 study of 3,000 motorists, the auto accident rate among smokers was 6.59 percent compared with 3.75 percent among non-smokers.

Farmers Insurance Group offers a special non-smokers discount to drivers in 17 states.

A Visit With Your County Agent

by Stanley Young
Lynn County Agent

Time For Soil Sampling

Any farming operation requires planning, and this is particularly true when it comes to applying fertilizer. Fertilizer applications should be based on a soil test, and fall is a good time to take soil samples for testing.

Containers and instructions for submitting soil samples are available at the county Extension office. Based on a soil test, a sound fertilization program can be developed for the coming crop year.

Such a program will be increasingly important in the months ahead. Under present economic conditions, low yields are not profitable, and fertilization, at least with nitrogen, is generally necessary for profitable yields. Yet, the need for each plant nutrient and its potential profitability should be closely evaluated.

With current high production costs, uncertainty about farm prices, and other risks in crop production, farmers must study their fertilizer needs more closely than ever to make sound management decisions.

Applying fertilizer in the fall for spring crops has certain advantages as well as disadvantages.

A major advantage of fall fertilization is to avoid the spring rush for fertilizer that local suppliers may have difficulty meeting.

It doesn't make much difference whether potassium or phosphorous is applied in the spring or fall. However, studies have shown that any differences from nitrogen are in favor of spring applications.

Nitrogen applied in the fall must be from an ammonium source and should be used only after the soil temperature is below 50 degrees F. If the nitrate form of nitrogen is applied, it can be lost by leaching. Also, nitrates can be lost from denitrification in clay soils if they remain water logged for a long time.

Each farmer should consider the advantages and disadvantages of fall fertilization in his operation and decide when to fertilize. Of course, any fertilization program should be based on the level of each nutrient in the soil and requirements for the crop to be planted. A soil test will provide information about available nutrients in the soil.

More information on soil testing as well as fertilization results can be obtained from the county Extension office.

TAHOKA MAYOR Mel Leslie signs a proclamation urging all of the Tahoka citizens to pledge not to smoke on November 16 in observance of the Great American Smokeout.

VIRGIL HENDERSON, Wilson Mayor, signs into law a 25c fine for anyone caught using any form of tobacco in Wilson on Thursday, November 16, in observance of the American Cancer Society's "Great American Smokeout". Various citizens will be enforcing the fines and each time a person is caught will be another offense and fine. All proceeds will go to the American Cancer Society, Lynn County Branch, Wilson unit.

WILSON CITIZENS (left to right) Margaret Crispin, Jackie Bishop, Virgil Henderson and Jerry Don Ross, are giving up their tobacco in observance of the Great American Smokeout. The ACS hopes people will give up tobacco for one day and consider a second or third day.

TAHOKA TEACHERS set an example for their students and give up their cigarettes for Thursday, November 16, in observance of the American Cancer Society's Great American Smokeout. (left to right) Business manager David Roberson, Coach C. D. Bradshaw, Athletic Director A. D. Shaver, math teacher Tom Sullivan, and science teacher Pam Vaughan discard their cigarettes in the wastebasket held by Superintendent Jim Coulston.

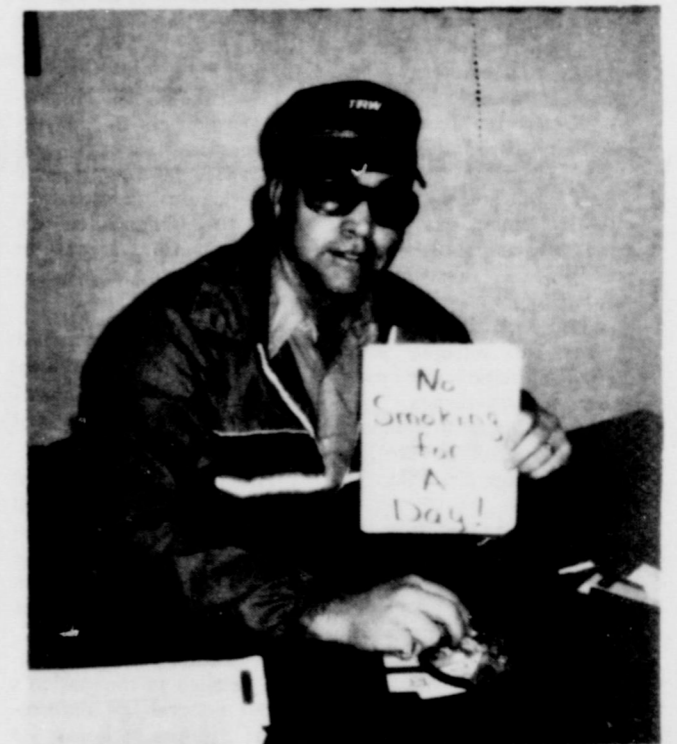

MACKY TURNER has been locked in jail and her cigarettes taken away in honor of the Great American Smokeout, Thursday, November 16. Dr. Richard White gladly takes away her cigarettes hoping she will stop smoking.

Hospital Cost Of Smoking

William E. Flaherty, the President of Blue Cross, estimates that millions of dollars might be saved annually if people smoke less, drove more carefully and generally took better care of themselves.

Removal of a smoker's cancerous lung is a case in point. Tentative diagnosis of the patient's problem cost

\$460, and the definite diagnosis cost an additional \$463. The Blue Cross study showed that removal of the patient's diseased lung resulted in \$4,016 in physician bills and \$4,325 in hospital charges. The sample patient spent four days in Intensive Care and ten days in a semi-private room. The total bill came to \$8,251.60.

CLIFTON CLEM, New Home Mayor, joins other towns in the county and declares No Smoking for Thursday, November 16, in observance of the Great American Smokeout.

WANDA ELROD, daughter of Mr. and Mrs. J. C. Elrod, was crowned Tahoka Band Sweetheart for the year. She is presently serving as band president and plays baritone. Her court is Mary Alice Sosa (left), daughter of Luciano Sosa; Suzy Lawson, daughter of Mr. and Mrs. J. P. Lawson; and Colette Williams, daughter of Mr. and Mrs. L. F. Williams. [Photo by Sherri McCord]

Public Meeting on Preschool Nutrition

The meeting opened to the public and will be held on Thursday, November 20, at the Community Meeting Room in Tahoka from 1:30 to 2:30 p.m. The meeting is sponsored by the Lynn County Family Living Committee and the Texas Agricultural Extension Service. Included in the

program will be the following topics:

Food for Baby-- food needs, cost of feeding, breast or bottle feeding, making formulas, feeding problems, make your own baby food, and storing formulas and food.

Food and nutrition needs of preschool children-- changing food needs, developing good food habits, nutritional snacks, serving food to preschoolers, and feeding problems.

Extension programs are open to anyone regardless of race, color, creed, sex, religion, or national origin. Bring a friend to the meeting and learn about preschool nutrition. If you have a question, call the extension office at 998-4650.

Chamberettes Sponsor Rent-A-Santa

The Tahoka Chamberettes will have the Rent-A-Santa again this year. If you would like to have Santa make an appearance at your Christmas party or a personal visit to your home for your little ones, call the Chamberettes. If you are interested, call Virginia House, 998-4062. The proceeds from this project will go toward the city Christmas decorations.

Housewarming Set For The Mike Taylors

Mr. and Mrs. Mike Taylor will be honored with a housewarming at their new home on Thursday, November 16th from 7:30 to 9:00 p.m. Friends of the couple are invited to attend.

Ask Jo Carol Long about educational benefits for SCHOOLS from Cancer Society from kindergarten to high school.

TAKE NO CHANCES WITH YOUR EYES

Most people do not give their eyes the best possible care. To further complicate the danger, some unscrupulous promoters offer eye products that delay proper treatment, even though causing no immediate harm. Be wary of mail-order medicine men. Don't be misled by claims that "magic" salves or drops will dissolve cataracts. You ultimately save no money when getting improperly fitted glasses by mail. Depend on your local licensed supplier. And, if your eyes need treatment let no one but a physician tell you what to do.

A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy?

Traditional Thanksgiving Foods

Thanksgiving is fast approaching and thought turn in the direction of food preparation. Traditionally, as it may seem, Thanksgiving began with the sharing of foods. In the eyes of historians, American cookery is 350 years old.

Native foods as corn, squash, pumpkin, sweet potatoes, various berries and the Thanksgiving turkey are very much a part of our larder today. In contrast to later days, there is variety in an abundance of foods available. Creativity of all kinds with improved arts, modern equipment, energy efficient appliances, recipes and management can contribute much to ones way of life and focus a great look to the ure.

Traditionally, a roasted turkey is served for Thanksgiving, although other main dishes blend well with the American cuisine. Suggested menu for Thanksgiving is:

- Roast Turkey
- Herb Stuffing
- Mashed Sweet Potatoes
- Scalloped Corn
- Cherry-cran Salad
- Hot Rolls Butter
- Traditional Pumpkin Pie or Mincemeat Pie Beverage

Some helpful suggestions for preparing for Thanksgiving:

1. Plan shopping list and shop earlier than usual; allow for more time.
2. Organize market and grocery list to save steps, money, energy and frustration when shopping.
3. Organize the kitchen. Place appliances on counter or intended functions and observe to be done. This includes food processor, blender, electric knife, mixer and others. These appliances can save time, money and energy. Don't underestimate the wide range uses of the microwave oven to help save time energy and afford simplification.
4. Determine foods that may be prepared ahead and placed in freezer.
5. If you are unfamiliar with any appliance or you're on a new adventure study and follow instructions carefully.
6. Use good kitchen tested recipes and intrigue your own imagination for your special touch to dishes.
7. Spice lightly to enhance the flavor, making sure not to over power the inherent flavor.
8. In a hurry to defrost the turkey? Use the microwave oven. Microwave thawing offers hurry-up convenience for defrosting. There is an art however, so if the instruction book does not have a guide, write for your copy.

For further information on energy efficient cooking, special recipes, herb and spice guides write: Vivian Liner, Home Service Advisor, Southwestern Public Service Company, Box 631, Lubbock, Texas 79416.

Cotton Prices Steady To Higher

Prices High Plains cotton growers received were steady to \$3.75 per bale higher the week ending November 9, according to Paul R. Dickson, Area Director at USDA's Marketing Services Office in Lubbock.

Growers sold mixed lots of mostly grades 42 and better, staples 30-33, mikes 3.5-4.9 around 58.90 cents per pound. New crop lots of mostly grade 43, staples 30 and 31, mikes 3.5-4.9 brought about 54.80 cents per pound, Dickson said.

High Plains Marketing Services Offices graded 38,000 samples this week, bringing the season's total 138,000. This compares with 932,000 graded by November 9 last year, according to USDA's Agricultural Marketing Service.

Predominant High Plains grades this week were grade 41 at 16 percent, grade 51 was 14 percent, grade 42 accounted for 43 percent, and grade 52 was 13 percent. Six percent were reduced one grade because of bark.

Staple lengths were mostly staple 31 at 19 percent, staple 32 was 35 percent and staple 33 accounted for 26 percent.

Micronaire was mostly in the desirable 3.5-4.9 range at 91 percent of the total. Two percent was higher and seven percent was lower.

Breaking strength averaged 87,000 pounds per square inch. Gins paid growers \$100 to \$130 dollars per ton for cottonseed, mostly \$115 to \$125.

THS Mock Election Results Totaled

High school students at Tahoka High School participated in their own mock election November 7. They voted on all the candidates as well as the proposed amendments.

Mrs. Burk's Senior Civics classes were in charge of the voting. The students voted on prepared ballots at a designated poll area.

This is how the students at THS voted: U.S. Senator, John Tower; U.S. Representative, Charles Stenholm; Governor, John Hill; Lt. Governor, William Hobby; Attorney General, White, Baker (tie); State Treasurer, Warren G. Harding; R.R. Commissioner Unexp. Term, Poerner; State Senator, E. L. Short; and State Representative, 77th Dist., Jim Rudd.

Amendments: Tax Relief Amendment, For; Amendment #1, For; Amendment #2, Against; Amendment #3, Against; Amendment #4, For; Amendment #5, For; Amendment #6, For; Amendment #7, For; and Amendment #8, For.

By DeAnn Johnston

Award Given To Chief Postal Inspector

Chief Postal Inspector C. Neil Benson has received the Association of Federal Investigators 12th Annual Enforcement Award for 1978.

Louis T. Williams, Executive Director of the Association, said Benson was honored for providing "effective leadership and guidance that has been an inspiration to everyone in the investigative and enforcement field."

Postmaster General William F. Bolger presented the award to Benson at an awards dinner held on October 28.

The Association of Federal Investigators is a national professional association dedicated to maintaining the highest ethical standards in the conduct of investigations and enforcement.

The Postal Service Inspection Service is the nation's oldest Federal law enforcement agency, tracing its authority to July 27, 1775 when Benjamin Franklin, elected Postmaster General by the Continental Congress, appointed William Goddard the first "Surveyor of the Post Office." Surveyors became Special Agents in 1801 and Inspectors in 1880.

Born in Spring Lake, Minnesota, Chief Benson is a graduate of Los Angeles State College and the Stanford University Executive Program.

Bridge Winners

Wednesday's Duplicate Bridge club winners were Mildred LeMond and Kathryn Barham, first; Polly Cords and Polly Edwards, second; and Leana Burleson and Sue Barron, third.

Point winners at T-Bar Duplicate Bridge last week were: Mrs. Audie Norman and Jerry Burleson, O'Donnell, first; Mrs. Jess Gurley and Mrs. Wendell Norman, Plains, second; Mrs. Winston Wharton and Mrs. Carol Maule, Lamesa, third; James McAllister and Mrs. Margie Maddox, both of Lamesa, fourth; Mrs. Sue Barron, Plains, and Mrs. C. R. Burleson, O'Donnell, fifth; and Mrs. Wilson Edwards and Mrs. Olen Renfro, sixth.

Let Lynn County American Cancer Society be of Service, see Johnny Wells.

Officials of Plains Cotton Growers, Inc., reviewing the record of Congress in 1978, note three actions that can be of benefit to High Plains cotton producers either in the short or long term.

The Emergency Agricultural Act of 1978, although aimed primarily at rescuing hard-hit grain farmers, did put a 48-cent minimum loan rate on cotton; changed for the better the formula to be used by USDA in setting the cotton loan level, and authorized an increase in the cotton target price when a set-aside is in effect on cotton or other commodities.

The 50.23-cent loan announced for 1979, according to PCG Executive Vice President Donald Johnson, would have been the same without the minimum or the revised loan-setting formula, but the Act could influence the loan level in future years. Also, in the event set-asides are required, the Secretary could raise the 1979 target price under the new law. An increase in the loan level for 1979 would require new legislation.

Effects of the Agricultural Credit Act of 1978 may be more significant for 1979, Johnson believes. "The disastrous crop experienced by many of our producers this year will make financing 1979 operations difficult for some," he says, "and the Farmers Home Administration now has authority to be of much more help to these producers than before."

Under the emergency section of the new Act, FHA can now make mortgage loans up to \$300,000 and operating loans up to \$200,000. Previous ceilings on the two loan types, respectively, were \$100,000 and \$50,000.

These loans may be made only in counties where property damage or severe production losses have occurred as a result of natural disaster (including drought) and the county has been designated a disaster area. Disaster areas are declared by the President or designated by the Secretary of Agriculture following requests from state governors. And where no more than 25 farms or ranches are involved, the State FHA director may authorize emergency loans.

Interest rates on emergency loans, depending on type and size, range from three to five percent. Applications for such loans should be made at county FHA offices.

The Agricultural Trade Act of 1978, passed just before Congress adjourned in October, seeks to promote export sales of farm products. It improves the credit terms under which commodities can be sold to foreign countries, adds China to the list of countries eligible for credit, and instructs USDA to open six to 25 overseas sales promotion centers.

"Anything that increases the offtake of U. S. cotton or other commodities is a plus for price prospects," Johnson believes, "and this Act certainly has possibilities in that direction."

Letter To Editor

Letters to the editor do not necessarily express the views of this newspaper. All correspondence must be signed and in good taste before it will be published; however, the writer may request that his name be withheld. Letters are not edited as to grammar, punctuation, and spelling.

30 Oct. 78

Dear Editor,

I would like to say how proud I am of our football team this year. Unfortunately, I haven't been able to see but a couple of games in the past 2 1/2 years or so, but I've been trying to keep up by reading your paper every week.

I would also like to congratulate the band on their expansion and all of the changes they have made since I was in it. The only

thing I do regret is that I don't hear more about them in your paper. I'm glad I get this paper so I can find out what is going on back home.

You know, you never appreciate a good thing until you are away from it. I would like to say keep up the good work and I'm proud to be from such a fine school and town as Tahoka. AIC Cecil R. "Robbie" Tyson USAF Blytheville AFB, Ark.

Payment Made By The Water Authority

John C. Williams, General Manager of the Canadian River Municipal Water Authority, delivered the Authority's tenth annual payment for construction costs of the Canadian River Project to Dale B. Raitt, Assistant Regional Director of the Southwest Region, Bureau of Reclamation in Amarillo, on October 30. The check was in the amount of \$2,460,700.99 and, when combined with advance payments and other credits, makes a total payment of \$2,475,115 for the year.

The repayment contract, which the Authority signed in 1960 prior to the start of construction, requires the Authority to repay those reimbursable project costs allocated to municipal and industrial water supply purposes, plus interest, over a 50-year period. The Authority made its first payment in 1969 following transfer of the operation and maintenance responsibilities from the Bureau of Reclamation to the Canadian River Municipal Water Authority the previous year.

Including the 1978 payment, the total amount repaid to date is \$22,929,359, which includes interest at the rate of 2.632 percent.

Eleven High Plains cities started receiving municipal and industrial water from the Canadian River Project in 1968 and share in the repayment responsibilities. The member cities are Borger, Pampa, Amarillo, Plainview, Lubbock, Levelland, Brownfield, Slaton, Tahoka, O'Donnell, and Lamesa.

Tiger Safari Contest Set In THS This Week

There is something new this week at THS—a Safari Hunt for a hidden tiger. There is a tiger hidden somewhere in Tahoka and all week clues are being announced and hidden for tiger hunters to find. Hunters must find and hear all the clues to be able to uncover the hidden tiger. Whoever finds the tiger at the end of the week should bring it to the Pep Rally for a cash prize. Let's go catch a Tiger.

See Macky Turner for memorial gifts to American Cancer Society.

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams

TEXAS PRESS ASSOCIATION

AUSTIN—State government again entered a new fiscal year period with a fat surplus—of \$2.7 billion.

Comptroller Bob Bullock filed with the governor's office a 1978 annual financial report showing the surplus as of last August 31.

The year-end cash balance was \$244.8 million greater than that at the beginning of the year.

Bullock's report indicated state government had total revenues and beginning cash of \$11.1 billion during the year and spent \$8.4 billion.

The comptroller said the favorable position was made possible by record revenues from major taxes. Income included \$5 billion in taxes, \$2 billion in federal aid, \$414 million in licenses and fees, \$665 million from investments of state funds and \$405 million in revenue from state-owned lands.

"The economic environment of Texas government should be the envy of budget-makers in the other 49 states and is closely linked to the state's prospering economy," Bullock said.

Biggest expenditure was \$3.7 billion for public education at all levels—46 percent of all outgo.

Public welfare ranked second with outlays of \$1.6 billion.

Spending for state highways totaled \$921.8 million. The report showed Texas population at 12.8 million, an increase of 2.8 percent over the last year.

Per capita personal income averaged \$6,803 in 1977—a 10.3 percent jump.

SPAG Offers SPAG Helps In Community Programs

Assistance in development community improvements was offered Tahoka, along with other towns under 10,000 population, in a talk at Tahoka Rotary Club last Thursday noon by Ken Leggin, rural community planner with the South Plains Association of Governments.

"There are many things available to people in small towns that the citizens never think of or do not know how to go about getting," the speaker declared. "Many improvements can be made at little or no cost to the community and other improvements may be available that qualify for State or U.S. Government grants or loans." SPAG has available answers to many of these problems and will work with communities at no cost to the community to develop plans for such improvements.

Leggin had presented SPAG's program to Tahoka City Council at a recent meeting.

Some of the communities SPAG is now working with include Crosbyton, Morton, Petersburg, and Spade. One community needed a food store and SPAG was instrumental in getting one for that community. Other needs he listed might be paving, sewer improvements, parks, community center, youth center, and any number of other projects.

He suggested that Tahoka hold a workshop meeting open to all citizens of the area, including rural communities, and have what individual citizens deem as community needs to be presented and discussed.

Dr. David Midkiff was in charge of the program.

President Monte Dodson announced District Governor Louis Rochester will meet with officers, committee chairman and other club members next Wednesday at 7:30 p.m. in First National Bank community room, and will speak to the club Thursday noon.

Billy Whitaker

Assistant County Extension Agent

Says...

4-H'ERS LEARN GOOD CITIZENSHIP

Citizenship means many things to many people and is hard to pin down. It is something like trying to define happiness. For some people citizenship means

participating in government holding an office, campaigning and voting. For others is patriotism, defending country, displaying the flag and singing the National Anthem. It may also mean holding a job, money, paying taxes, ing property and obeying law. Still others view citizenship as simply born or naturalized "citizen" of the country that's it—a very practical approach.

Citizenship is not a thing for passive mind, lonely person who stands the sidelines watching parade, speculating, criticizing, and thinking much better the show be, is not practicing citizenship, for citizenship demands participation, involvement, and contribution.

America will become as great as we, the occupy this land, have vision, the will an determination to become great. Unlimited opportunity awaits young American enough love, courage, sense of direction to the challenge of citizenship. The 4-H program has as one objectives to help Americans do just that.

A community is built close relations between citizens. The individual of every citizen depends upon the harmonious ing of all the community. The 4-H club is a functional group that promotes community activity. They see themselves as individual, but at the time, as responsible citizens using organized activities to improve this living environment.

Citizenship education through 4-H provides three-fold learning: feeling, acting, three-fold learning follows:

Understanding—using heads for clearer thinking, getting information, understanding issues.

Attitudes—using eyes to appreciate our rights, feel our responsibility.

Skills—using our hands, healthy bodies and put into practice what we understand and feel should do.

Through 4-H, you learn to become more citizens working to better America.

This information from Charles G. Extension area 4-H youth specialist, Overton.

Youth Benefit From Program

Youth can gain many benefits by joining 4-H program and participating in its many projects and activities.

A vital part of the program are individual projects which help gain knowledge and new skills. The projects provide ways to work well done. Handicrafts, medals, certificates, medals, premiums are awarded year to boys and girls stages of 4-H work.

4-H adds poise, confidence to children's abilities. 4-H'ers accustomed to public appearances as they projects, give talks, demonstrations, and on 4-H programs.

4-H'ers have many opportunities to learn with other members. Leadership ability as club members together.

Citizenship also becomes more meaningful to 4-H'ers as their club in action, the democratic process. They elect their own plan their own projects and carry out community service projects.

In addition, 4-H wholesome recreation. Games, music and talent shows are few of the many fun activities which 4-H'ers can involve. Camping, hiking appeal to the enjoy nature and outdoor living.

4-H offers many things for today's youth. The first step involved is to contact county Extension office.

Wilson School Menu

November 20-21

Monday: BREAKFAST: Cereal with milk and sliced bananas. LUNCH: Tuna Sandwich, hot pork & beans, corn chips, carrot sticks, fruit salad, lemonade, and milk.

Tuesday: BREAKFAST: Cinnamon Rolls, fruit cocktail and milk. LUNCH: Pizzas, vegetable salad, buttered corn, applesauce cake, milk and lemonade.

No School Wednesday, Thursday and Friday.

Tahoka Band in UIL Competition

On Wednesday, November 8, the Tahoka High School band travelled to Lubbock to participate in the UIL marching contest. They returned with a Division III rating.

Participating in UIL Twirling competition were: Cindy Lawson, Division I; Collette Williams, Division I; Robin Taylor, Division I; Perry Dunlap, Division II; Tammy Kelly, Division II; and Pam Krause, Division II.

administration offers grants for equipment purchases where local sponsors agree to operate and subsidize cost of special transportation for the aged and handicapped.

Courts Speak

The Court of Criminal Appeals ordered a new trial for a Yorktown man awaiting execution for murder of a policeman because he wasn't provided a lawyer before he signed a confession.

The State Supreme Court, in a Grayson County case, held a district judge cannot retain authority over a county's tax rolls. The judge blocked a couple from carrying on their suit to invalidate the Grayson County tax rolls, then rescinded the order.

District Judge Harley Clark of Austin turned down a suit attacking an Interscholastic League rule which requires high school athletes who move to a new school from out of state to wait a year to play in league competition.

In other cases, the Court of Criminal Appeals: —Ordered a new trial for a Houston man sentenced to life for aggravated robbery.

—Threw out a 15-year-to-life sentence of a Bexar County man for robbery.

—Reversed a 10-year sentence of a Weatherford man for possession of marijuana.

Appointments

Ben Teague of Austin has been named acting commissioner of occupational education and technology at the

Texas Education Agency.

Gov. Dolph Briscoe appointed Dr. William F. Ross of Dallas to the statewide Health Coordinating Council for a two-year unexpired term.

Briscoe also placed Robert J. Cheaney II of Santa Anna and Ross L. Jones of Coleman on the board of directors of the Central Colorado River Authority. They replace Oscar L. Cheaney of Santa Anna and Maurice B. Kingsberry of Coleman.

Short Snorts

Bill Clements, elected Texas' first Republican governor in 105 years at the November general election, already is making plans for his transition to the top state executive office. A separate office will coordinate inauguration plans.

Texas Good Neighbor Commission officially frowned on construction of a high fence between El Paso and Juarez—or any spot on the 2,000-mile border.

Letter Of Thanks

I would like to express my sincere appreciation to those who made my stay in the hospital so much more pleasant. To Dr. Wright and his staff, to the hospital and it's excellent staff, to friends who dropped by, for the flowers, cards, gifts, and words of encouragement and prayers of so many. To all of these, I would direct my best wishes and hope that the God of our faith would bless and direct you all.

Sincerely,
Jessie Clinton

I want to thank my friends and neighbors for the things they did for us while we were in the hospital. For the flowers, food and cards.

I also thank the nurses and doctors.

God bless them all for the prayers said for us. We thank them for all they did for us.

Mr. & Mrs. W. R. McNeely 46-1tc

The Grassland Community Center wishes to thank each and everyone who helped in any way to make our Benefit Pie Supper a big success.

All who purchased the delicious cakes and pies, baked by the ladies, and to the ladies who baked, we say Thank you.

All who purchased tickets to the afghan that was given away and to those who so generously gave their time and efforts to sell them.

To the First National Bank of Tahoka and the merchants sending cash donations, the gifts donated by other Tahoka merchants and individuals. To Sherrel Grocery of Draw for their donation of gifts. To Edwards and Miller auctioneering Company; the musicians and to all that attended. We say Thank You. 46-1tp

As I relinquish the office of commissioner I would like to thank everyone for the help and support they have given me after my appointment to finish the term after the death of my husband L. K. Nelson. Especially I would thank Bill White, H. P. Jones and E. R. Blakney. Mrs. L. K. Nelson 46-1tc

Words are beyond our knowledge to express our love and thanks to each and every one of you who so graciously expressed your love in so many, many ways.

We are very appreciative of each prayer, each visit, the food, the flowers and each deed expressed.

We are indeed grateful to the First Baptist Church for starting a fund at the Bank to help pay Amy's hospital expenses.

May God continue to bless each of you.

John & Nanette Coby
Stephanie & Amy 46-1tp

The St. Jude Children's Research Hospital door-to-door march is over for 1978 and, looking back, we want to sincerely thank the citizens of Tahoka for their generous support of our campaign to raise money for children suffering with catastrophic diseases.

The volunteers who marched last month worked hard and gave willingly of their time, and they are to be commended for the fine job they did. They can be proud knowing that their efforts raised a grand total of \$578.69.

Because diseases that St. Jude Children's Research Hospital is battling can strike any child anywhere, the people who gave to our march will be helping to save children's lives all over the world. The money that was raised will go to the research of these deadly diseases and to treat those who are suffering with them.

It is a wonderful feeling to know that the people of our community are concerned and caring individuals and, on behalf of the children of St. Jude's, I want to thank each and every one who helped.

Sincerely,
Betsy Adams 46-1tp

LYNN COUNTY Cancer Society cares about you. Our pay is your good health.

Invitation for Proposals for the Construction of Low Rent Public Housing

TEX-166-3 Tahoka, Texas
The Housing Authority of the City of Tahoka will receive proposals from interested Builders and/or Developers to design, develop and construct 24 units of low rent housing on a Turnkey basis, for ultimate purchase by the Housing Authority.

Proposals will be received at the Housing Authority Office, 1700 S. 2nd until 4:00 o'clock p.m. Dec. 22, 1978.

Proposals will then be considered and evaluated by the Housing Authority of the City of Tahoka. The Housing Authority reserves the right to select a Builder-Developer based on the best sit, design, and amenities offered. The Authority also reserves the right to reject any and all proposals.

The composition of the project will be as follows: 2-efficiency, 6-1 bedroom, elderly; and 10-2 bedroom, 4-3 bedroom, and 2-4 bedroom, family.

The project will be developed in accordance with the requirements of the Public Housing Development Handbook, 7417.1, March 1977. The design of the project must comply with the latest Minimum Property Standards.

HD Forms, Guidelines, etc. will be available in the office of the Local Housing Authority. 46-2tc

CAROL

Thanksgiving is years to celebrate so to concentrate on the most usually festive occasion is the perfect time to relax and savor the pleasures of Thanksgiving. In my opinion, the most complete without a doubt is the meal and the company of the friends.

to come to Thanksgiving is something we all share. I think in the past, our country has escaped the what a forgotten holiday. Wonderful gifts are enjoyed. Thankful for the picking of the Thanksgiving God. Book even if it is about the hurting feet and the scent of the turkey. You thanksgiving don't have then there are others, what is that the table of seeking one could be a person and listens that about the sports team thankful make a show up the table of any of them for these are some consider to make us a gifts are e cannot c
