CAROLYN'S CLATTER

by Carolyn Klaus

Last week I told of some of the symptoms of stress and this week I hope to give a few suggestions on how to protect yourself against the winter symptoms once acquired.

Sam Richards, assistant vice-president of program development, Texas Tech University School of Medicine, addressed the winter conference of the Texas Press Association recently and gave these tips.

The first thing is to realize that stress is caused by people and not things. His first suggestion is to list your stressors. Make a list of the people who, by their personalities, actions, expectations or criticism of you, or mannerisms, cause you to lose deep breaths, count to ten, pat your foot, or release you use to relieve tension as it builds. From this list you must decide how to deal with each one: whether to avoid contact with them; if association is unavoidable, then must analyze the situation and decide to ignore the annoying features; or look their persons squarely in the face and accept them, in an opinion.

One of the most important things to keep yourself "even" is to schedule a "time-out" for yourself and think about or read something that is totally unrelated to your job. Physical activity is another outlet that we deny ourselves because we do not have time. You can make yourself do calisthenics as well as basketball players do but unless you really enjoy that activity, it's defeating the purpose. Your physical activity must be something you enjoy.

An unusual suggestion was to one for scheduled individuals and that was to set aside each week for a date with your spouse. This is to keep yourself aware and informed of your spouse, especially if you have children and tend to get involved in their activities and forget yourself.

Along the same lines, it's equally important to set aside time for a family night once a week. This means doing something together, whether it be at home or on an outing. The important thing for the weekly evening is that you develop an attitude that each person is important.

Some of this may seem unrelated to helping with stress but the main objective is to prevent stress before it occurs and the daily and date night can do wonders to prevent stressful situations from occurring in the future.

Girl Scouts Recognized In Tahoka

Since March 11-17 is being designated across the U.S.A. as Girl Scout Week the Tahoka Scouts had a proclamation signed to declare it in Tahoka.

In observance of the week all the Girl Scouts in Tahoka will attend the Methodist Church as a group and those attending are asked to be at the church at 10:45 a.m. in official uniforms if possible.

The proclamation read as follows. March 11-17 is Girl Scout Week in the U.S.A. It marks the 67th anniversary of the founding of Girl Scouting, March 12, 1912, in Savannah Georgia.

A proclamation designating the week in Tahoka, Texas, was signed March 5, 1979, by Mayor Meldon Leslie at a ceremony in his office in the presence of 14 Girl Scouts from Caprock Girl Scout Council.

Girl Scouts of Caprock Council will hold a festival for all children of the community between 1:00 and 4:30 p.m., March 10, Merchant's Building, South Plains Fair Grounds, where all children--boys and girls--can come, have fun, and discover many of their own special talents or gifts.

The Mayor congratulated Girl Scouts of the U.S.A., which "through the years, has helped young people of every race, religion, and strata of society to find and express their best selves." He called on all citizens to "join Girl Scouts in recognizing the potential in all children, and support their efforts to provide opportunities for each child to learn and grow".

Youth Revival In Tahoka Baptist Church

Sweet Street Baptist Church will hold a youth revival Friday, Saturday, and Sunday, March 9, 10, and 11 at 7:30 p.m. each of those nights.

The evangelist will be Lynn Long who was ordained at Sweet Street Baptist Church.

The singer will be Steve Long. Both men are from Seagraves.

All youth in the town and area are invited to attend for lots of good singing and testimony.

TAHOKA GIRL SCOUTS witness Mayor Meldon Leslie signing a proclamation declaring March 11-17 as Girl Scout Week in Tahoka. Those pictured are: (left to right) Front row: Stephanie Hart, Lori Taylor, Kim Ingle, Mayor Leslie, Becky Mendoza, Robin Parker and Regina Ingle; Middle row, Kimberly McMillan, Cloey Chancy and Lori Tipton; Back row, Elena Del Toro, Lana Brown, Sheri Tomlinson, Marcy Raindl, and Teresa Arellano.

Absentee Voting In Near Election

Absentee voting for school trustee and city council election is being held together with it beginning March 19 and ending April 3. The election is April 7 in Tahoka.

Shooting In Tahoka Jails One Suspect

Sunday morning, March 4, Tahoka was the scene of a shooting incident at approximately 9:30 a.m. Harry Hudlin was shot in the head and shoulder area by J. C. Clay. The dispute apparently started some three months prior to the incident over an alleged \$100 theft.

When officers arrived on the scene they found four 12 gauge shotgun shells in the area of the Hudlin car that had been riddled by the four shells, one of which hit Hudlin.

Hudlin had been shot at his residence on Avenue 1 and now is reported in good condition in Lynn County Hospital.

Before noon on the same day Clay entered the county's sheriff's department and gave himself up to their custody. He reportedly told officials where they could find the weapon but upon investigation of the area, no gun was found.

Tahoka's Bond Election Passes By Big Margin, Light Turnout

Tahoka held a bond election Saturday, March 3, and had a light voter turnout but the results were overwhelmingly in favor of the election.

On proposition 1, which was the water improvement section, there were 136 votes cast for and 10 votes against the issue.

In proposition 2, which was the Sewer and Sanitation section, there were 130 votes cast for the issue while there were only 10 against.

According to Mayor Meldon Leslie, the results will be declared in a city council meeting Monday night, March 5.

Stenholm Approves A \$131,300 Grant

Congressman Charles W. Stenholm announced the approval of a \$131,300 grant to South Plains Community Action Association, Inc. with headquarters at Levelland. The Association serves Garza, Lynn, Bailey, Cochran, Hockley, Lamb, Terry and Yoakum counties.

The program will run for 12 months beginning March 1, 1979. The funds will serve neighborhood centers maintained through the Association which provides services in areas such as social services, job counseling, drivers training and consumer education.

Notice To New Home Water Customers

Following the declaration, negotiations will begin with Farmers Home Administration to sell the bonds.

"In approximately 90 days we hope to sign contracts for the work," states Tahoka's Mayor Meldon Leslie.

New Hospital Auxiliary Meets

The hospital auxiliary for Lynn County Hospital held a meeting Monday night, March 5, at the hospital.

According to those in charge the attendance was "fantastic" and great. The group had a struggling beginning but as of now it appears it will survive and thrive.

Dues for members was set at \$5.00 per year. They have also ordered their smocks for the 18 members. They were ordered from Blair Uniform and will hopefully be available at the next meeting, April 2.

The ladies from the Mary Martha Circle at St. John Lutheran Church in Wilson have volunteered to make little gifts for the group to sell to raise money.

The next meeting, Monday, April 2, at the hospital (see Auxiliary, page 4)

Office Education Association Contest Finds Tahoka Winner

The Area IV Office Education Association Contest was held Friday, March 2, in the Lubbock branch of South Plains College. There were 14 members of the Tahoka OEA Chapter that participated in this contest. There were 26 other chapters throughout the Panhandle of Texas also competing.

The Tahoka Chapter received three first places and will be advancing to the OEA State Contest in Houston March 29, 30, and 31. They are: Amy McNeil, Information Communications I; Claudia Guin, Records Management; and the OEA bulletin board, which was prepared by Robin Jennings, Melanie Tekell, Frances Rodriguez, and Kelley Strickland.

Merit awards were given to 3rd, 4th, 5th, and 6th place winners. Those from Tahoka receiving merit

awards were: Cheri Bragg, Extemporaneous Verbal I; Blynn Roberson, General Clerical I; Debbie Pinkston, Prepared Verbal II; Robin Jennings, Accounting and Related I; and D'Ann Phillips, Job Interview II.

Other OEA members competing were Mary Ann Owen, Mary Gayle Raindl, Sharon Jolly, and Brenda Nieman. Melanie Tekell was the voting delegate.

The awards were announced at an Awards Brunch on Saturday, March 3, in the Coronado High School cafeteria.

OEA is the club in conjunction with the Vocational Office Education (VOE) class, which is a scholastic program teaching secretarial skills. The program is under the instruction of Mrs. Barbara Jaquess. This course is open to all interested Junior and Senior students.

THIS BULLETIN board, prepared by (left to right) Robin Jennings, Kelley Strickland, Melanie Tekell and Frances Rodriguez, will proceed to the state OEA Contest in Houston later this month.

Dave Hubbard Is "Paper Boy" In Tahoka For 17 Years

By Carolyn Klaus

HUBBARD demonstrates the method of paper rolling daily as he prepares nearly 500 Lubbock Avalanche newspapers to be thrown to homes in Tahoka.

Usually when people think of their paper being thrown at their home they think of the "paper boy" but in Tahoka that figure has been the same man for 17 years and he doesn't consider himself a boy any longer but instead 39 and holding.

The man is Dave Hubbard and he has been delivering the Lubbock Avalanche Journal to Tahoka residents all these years. Beulah, his wife, works at the Postex Mills but whenever Dave needs her she is ready and willing to do whatever he needs, even if it means taking off from her job to help out.

Most people never give a thought to the paper and how it got to their front door. All they are interested in is to walk out on their porch or a few feet into their yard and pick up the daily paper when they get up in the mornings.

In order for that paper to be laying in nearly the same spot each morning and at the same time a lot of work must

be done during the night. Dave gets up at 1 a.m. (yes, in the middle of the night) each morning and starts rolling papers. Then he runs the route and by the time he delivers them all he is back home and ready to go to bed by about 4:30 a.m. That means his night has been disturbed (mothers of small children can understand the exhausting effect of sleepless nights) so he sleeps till about 8:30 a.m. in the morning and then takes a nap at lunch so he can maintain the rigorous demands of the schedule.

Many people may wonder how and why he would keep such a pace at the age of 64 instead of doing something else. It all began in 1949 in Houston. He was in the prime of his life, driving a cotton bale delivery truck, and making plans for the future. On December 5, of that year he was preparing to unload some cotton bales when one of the enormous bales fell from the truck bed

and crushed Dave under it's weight.

For 8 days the hospital personnel merely gave him some pain killing drugs because they felt the man would surely die with his back broken in two places and so many nerve endings mangled. But Dave Hubbard's will to survive was unbeatable because he "wanted to see all my kids grown". He had been an orphan from the age of 12 and he was determined his children would not live that kind of life.

The many months he laided in a tight sling sort of bed gave him time to contemplate his future and for many people it would have been grime enough to make them give up the fight but Dave was determined to find another way of life that could still be useful and would also provide a living for his family. His first plans were to set up a shoe repair shop and that he did as soon as he was able but as the years passed he knew he

would have to find another way because fewer and fewer shoes were being brought in for repair.

That is when he discovered the paper route. He claims the hardest part of the whole job is not the unusual hours but was learning the route from a young man that had only had the route for about one month and wasn't too sure of himself yet. Whenever Dave missed a house it didn't take long before people started calling and complaining that they did not receive their paper. After a few unkind complaints he learned the entire route and kept it in his head.

That proved to be a bit of a mistake when he was admitted to the hospital. From his hospital bed he ran through the route in his head while a daughter meticulously took down addresses and directions so the family could assume his responsibilities because they knew

DAVE AND BEULAH HUBBARD keep unusual hours in order for Dave to maintain his occupation.

his stay in the hospital could be a lengthy one.

Upon the first delivery of the paper by the family people began calling his home or the family to check

on Dave because they knew he had not delivered the paper because it had been thrown in a different spot.

Wilson Has Several Players Named To All-District Team

Several Wilson basketball players were named to the All-District teams last week. Named to the girls team were Kathleen Bednarz and Cindy Slone. Honorable mention honors went to Jill Crews. Kathleen is a senior and was a captain for the Mustangs this year. She scored 173 points and had 102 rebounds. Cindy, a junior, scored 278 points, had 118 rebounds, and also led her teammates with 52 steals. Jill, a senior and Mustang captain, scored 90 points for the season.

Little Dribblers

After trailing Witt Butane for three quarters, Bray Chevrolet tied the game the last quarter to send the teams into overtime play. Witt let Bray at the end of the first quarter 6 to 4. Both teams were really warmed up for the second quarter but Witt was still ahead at the half 12 to 8. Witt poured out the defensive pressure and gained a big lead in the 3rd quarter to finish it 23 to 14. Bray came out of it in the 4th quarter to tie the game 27 to 27 forcing the game into overtime. Bray's best defense of the game was shown as they held Witt to a scoreless two minutes while they were able to score 9 points and end their season with a win 35 to 27.

Leading Bray in the scoring was Trey Teaff with 19 points, others scoring were Ricky Nieman, 6; Danny Hart, 4; Robert Ceniseros, 3; Sammy Hardin 2; and Scott Isbell, 1. Other players were Al Saldana, Kent Pebsworth, and David Perez. Coaching Bray Chevrolet were Eddie Isbell and Marty Lindsey.

Scoring for Witt Butane were Johnny Morin 10, Michael Ligon, 5; Monty Witt, 5; Vince Caswell, 4; and Kevin Bailey, 3; Other team members are Mitch Hammonds, Jeff Martin, and Tadd Knight. Coaches for Witt Butane are Patricia Knight and Mike Lankford.

Toby Gass led Louder Gin to a 26-19 victory over Rim Rock Grocery Tuesday night, February 27. Toby scored 17 points, George Morin followed with 7 points and Jim Pyburn scored 2 points.

Marty Hammonds led Rim Rock Grocery with 14 points, Glen Hardin scored 4 points and Rusty Cook had 1 point.

Phil Jennings and Jim Pyburn were the winning coaches.

MAJOR DIVISION
Tuesday night, February 27, Jennings of Tahoka met Bray Chevrolet in a hard fought battle right down to the final second of the game.

The first quarter scores were very close with Jennings scoring four points to Bray's two. In the second quarter Bray scored five points to Jennings 4, making the first half score 8 to 7 in Jennings favor.

In the third quarter Bray racked up 11 points while holding Jennings to 2. But in the fourth quarter Jennings rallied and added 12 points to their previous 10 while allowing Bray only 4 points. This tied the ballgame at 22 all. As the final seconds ticked away Doug Lawson was fouled in the act of shooting, giving him 2 free throws. Doug missed his first free throw but sank the second one giving Jennings a one point win over Bray.

Scoring for Jennings of Tahoka were Kirk Pierce, 9; Shawn Stotts, 8; Joe Dell Patterson, 3; Stacy Edwards, 2; and Doug Lawson, 1.

Points for Bray Chevrolet were scored by Trey Teaff, 9; Danny Hart, 5; Robert Cenisero, 4; Ricky Nieman and Sammy Hardin, 2 each.

Monday night, March 5, Jennings of Tahoka defeated Witt Butane 15 to 13 in the last game of the season. At half-time Jennings led Witt by 3 points. But in the third quarter Witt kept Jennings from scoring and added 5 points to their own, pulling them ahead of Jennings by 2 points. In the fourth quarter Jennings found the basket 3 times. Although Witt only scored 2 points.

Points were scored for Jennings of Tahoka by Kirk Pierce, 8; Shawn Stotts, 5; and Shannon Percell, 2; Scoring for Witt Butane were Tadd Knight and Johnny Morin, 4 points each; Monty Witt and Jeff Martin, 2 points each; and Michael Ligon, 1 point.

OEA STUDENTS [left to right] Claudia Guin in Records Management and Amy McNeil in Information Communications I, will represent the Tahoka chapter in state competition in Houston March 29, 30, and 31.

A Visit With Your County Agent

by Stanley Young
Lynn County Agent

Trading is a pleasant and inexpensive way of acquiring new plants. Unfortunately, often these plants carry an organism that may affect other plants already in the collection.

The most commonly transmitted problem is the root knot nematode. This microscopic roundworm can be carried within roots of infected plants or in contaminated soil. It affects a wide variety of ornamental and garden plants by causing roots to swell and become deformed. Infected plants are unthrifty and fail to produce flowers or fruit.

To avoid this problem, carefully inspect roots of transplants before setting them out. If any evidence of swelling is noted, discard the plants. It is virtually impossible to eliminate root

knot nematodes from soil once they are introduced. Also, avoid bringing in topsoil or manures since they may carry the organism, too.

Fungal organisms can also be transported on plants. They cause root and crown rots along with leaf spots. To avoid introduction of these organisms, examine plant parts to make sure they are free of discolored areas that might indicate infection sites.

Virus infections are more difficult to detect. Infected plants usually have leaves that are mottled or light in color. These symptoms are more apparent in the newest leaves. Once a plant is infected, it will carry the virus for life, and chemical treatment will not be satisfactory.

Knowledge of plant diseases is the best defense against letting a disease problem get out of hand. Many sources of information are available to instruct you on disease problems that may occur on a given plant species. If you become familiar with these, you can spot disease problems and avoid them.

Have you given your fruit trees their annual "lube" job? This refers, of course, to an application of dormant oil to control scale insects.

Why control scale insects? The answer is simply to save the tree. If a scale insect such as the San Jose scale or white peach gets started, it could kill your tree.

Dormant oil can be purchased at many different stores where garden supplies are sold. Be sure to follow all labeled directions and apply the mixture when the temperature is between 40-70 degrees F. Do not apply if a freeze is likely within 48 hours after application and do not apply after the tree had budded out. Dormant oil is applied when the tree is dormant. Spraying flowers and leaves could cause leaf burn and flower drop.

Scale insects are difficult for most people to detect, so dormant oil should be applied once each year. Sooner or later your tree will probably be attacked by scale insects, so be ready by guarding against them with an application of dormant oil.

Ladies Cotton Group Plans Poster Contest

The Lynn County Cotton Association held a meeting at the new Production Credit offices Monday, March 5. The meeting was well attended and a beautifully coordinated style show was presented by the New Home ladies and Betty Fillingim. The Wilson ladies brought punch and cakes. The group enjoyed seeing and using the new facilities.

The group reports they are ordering many new items to be purchased for Father's Day, such as cotton boll lamps, book ends, shadow boxes, etc.

The Association announces they plan to hold the poster contest again this year during National Agriculture Week which is the week of March 19-23. The competition will be among students from Junior High or sixth grade on down. It was reported that Wilson, Tahoka and New Home all plan to participate.

The district Sew It With Cotton Contest was announced as being October 27, so local contests will be held prior to this date. Watch for publication. This announcement was made so people will have time to sew garments. The contest has been changed around considerably this year and one of those changes being the addition of a "Costume Category" (for Halloween or whatever, any age).

WHAT IS ITCHING?

Itching is often a symptom of an underlying disorder. Every closely related to the sensation of pain and by using the natural reflex to scratch, it will after a time relieve the pain— which is temporarily more comfortable!! Itching can be caused by many conditions— local irritation, allergy, nerves, nutrition, etc. Self-treatment delays proper therapy. A persistent itching should be checked with a physician. He can find out the cause and advise the proper treatment.

1979 National 4-H Citizenship Short Course And Heritage Tour

Texas 4-H'ers and adult leaders will have an opportunity to participate in two 1979 National 4-H Citizenship Short Courses and Heritage tours.

A total of 108 youth and 12 adult leaders will be able to participate in the program. The group will depart from Dallas for each tour on June 12 and July 3. Delegates will tour historical points of interest enroute to Washington D.C. The Heritage Tour will take four days and will be highlighted with the Citizenship Short Course at the National 4-H Center. There will be four more days of return travel studying American heritage, with the event ending in Dallas, June 26 and July 17, respectively.

Points of interest to be visited include the Kennedy Center, Arlington National cemetery, The Capitol and library of Congress, memorials to great Americans, Mount Vernon, Williamsburg, Monticello, and the Museum of Atomic Energy. The National 4-H Citizenship Short Course and Heritage Tour is designed to supplement the citizenship education and leadership development training young people receive through the

home, school, church and other organizations. Citizenship short courses for 4-H members of senior high school age are conducted at the National 4-H Center to supplement the ongoing citizenship training currently provided by local clubs.

Listening, sharing, receiving, caring and touring are all a part of the two-week personal learning experiences each 4-H'er will have. Citizenship topics relating to the individual's concept and responsibilities of citizenship are covered in assemblies and mini-courses at the National 4-H Center. Foundation personnel, summer staff and guest speakers provide a broad spectrum of resources in the program. The nation's Capitol, the many branches of government, and memorials to great Americans enhance the daily citizenship learning experiences.

Citizenship short courses help young citizens in their personal development: --Realize their potential as effective participants in our democratic system of government.

Auxiliary Gets Good Start

(cont. from page 1) will be to set the working schedule for the group so if you are interested but have not attended one of the meetings it is important that you attend the April 2 one.

The 18 ladies belonging to the Auxiliary are: Ann Roberts, Pam Womack, Jo Carol Long, Karen Lawson, Tommy Nance, Veta Ford, Belva Whittington, Joy Bragg, Maxine Paris, Peggy Jolly, Nadine Dunlap, Viola Greer, Jo Ann Cook, Gini Gatski, Nelta Moore, Jo Ann Steinhauer, Marjorie Key, and Madeline Rice.

--Gain leadership training to help implement newly realized abilities, responsibilities and programs back home.

--Develop a better understanding and appreciation of their American heritage.

--Realize a new relationship and responsibility of the individual to self and others.

--Better understand the federal government and their relation to it.

--Gain an insight into the aspects of international citizenship.

4-H'ers and adult leaders interested in participating in the National 4-H Citizenship Short Course and Heritage Tour should contact the county Extension office.

Hubbard Is "Paper Boy"

(cont. from page 1) He has four children, Betty Jolly and Genay Jolly both of Tahoka, Billy of Lorenzo, and Shirley Burkhalter of Carrollton. All the kids seem to agree with their dad's philosophy and Shirley managed to capture a whole

In recalling the past 17 years he remembers that the monthly subscription rate started out at \$1.75 and now stands at \$4.50 per month.

One of the funniest experiences was getting stuck when they were building the four lane highway on U.S. 87. He had to cross the highway on his delivery route and on this particular morning the highway construction crew had made the crossover almost impossible but that fact was hidden from the eyes of the driver. Dave started across the road and climbed the embankment and when he tried to start his descent his car got hung and sunk into mud because of an overnight rain.

Unable to walk for help he relied on his horn to attract attention. Finally a local resident came to his rescue and helped him out but since Dave has always been a big "kiddier or cut-up" the man could not let this opportunity pass without ribbing Dave quite a bit. Goodnaturedly Dave accepted the kidding and went his way. The man had made a statement something to the effect that anyone should know how to drive across a hump of dirt and not get stuck.

Later that day, in his shop, Dave received word that his friendly helper had gotten himself into the same predicament and had also managed to get his pick-up truck stuck in the very same spot and manner Dave had managed. That was all Dave needed and the incident has provided many hours of good natured kidding.

The 17 year old job of delivering the paper seems unreal but according to Dave's outlook.

"You have to do something and I'm just glad I can hold down a job. It makes life seem worthwhile when you can work and be useful to someone."

He has four children, Betty Jolly and Genay Jolly both of Tahoka, Billy of Lorenzo, and Shirley Burkhalter of Carrollton. All the kids seem to agree with their dad's philosophy and Shirley managed to capture a whole

Through the years known a lot of pain. And not much peace of Yet he found time for us. And he taught us to smile. We all knew love happiness. And have strong family. So Daddy I wrote this for you. Cause most of all you us pride....(CHORUS)

SLICK-50

"GET THE PetroLON PUR"

PetroLan Inc. 1978

EASY TO APPLY

No special tools or equipment is needed. Simply change the oil and add the recommended amount of SLICK-50 TEFLON COATING while the engine is running. Drive the vehicle as normal and listen for "The PetroLan Purr".
CAUTION: Do not apply until new car factory break-in has been achieved.

WHAT SLICK-50 DOES . . . PetroLan's unique formula with suspended TEFLON is actually burnished into the pores of the metal by the mechanical action of the engine along with a special chemical reaction with the heat of the system. Critical metal surfaces plated with a bonded micro-thin coating of FRICTION-REDUCING TEFLON. The TEFLON coated metal surfaces now slide over each other easily, gliding on the smooth, tough, almost friction-free barrier TEFLON, the "heart" of SLICK-50's friction and wear reducing capability.

WHY IS SLICK-50 NEEDED?

Here's why:

- Compression ratios in today's engines are going down, but Engines must now WORK HARDER because people still demand high speed road performance and power accessories putting a higher work load on lubrication.
- More stringent smog controls demanding closer controlled carburetor limits, unleaded fuel and higher engine rpm place a greater burden on the oil.
- Higher horsepower in smaller engines also demands an increased rpm and causes greater pressure loads and wear on costly internal engine parts.
- Higher heat loads resulting from (1) Friction (2) Sustained high speed driving combined with trailer or boat towing, (3) Emission control devices, (4) High-pressure cooling systems with water temperature 225-245° F, (5) Low-designed silhouettes and air conditioning systems that restrict air flow in the engine compartment, (6) High engine horsepower demands with no increase in crankcase oil capacity, increased use of power assist accessories, such as power steering, conditioning, power brakes, etc.

ADVANTAGES

- Reduces friction & drag
- Reduces operating temperatures
- Reduces wear
- Reduces oil consumption
- Improves lubrication
- Improves performance
- Increases horsepower
- INCREASES GAS MILEAGE

SLICK-50 TEFLON coating provides lubrication beyond oil to FRICTION AND HEAT.

TEFLON is the registered trademark for DuPont TFE-RESIN.

BITUARIES

William F. Williams

Services for William Frank Williams, 83, of Tahoka, Tuesday, March 6, 1979, in Tahoka at Christ with Bill Brownfield minister, officiating. Mr. Williams was in Tahoka under direction of Funeral Home in Lubbock following illness.

He was born October 19, 1895, in Palo Pinto County, Texas, married Lavada Williams, March 23, 1920, in Palo Pinto County. In 1920 he moved to Lynn County where he was a farmer and later a truck driver. He served in the U.S. Army during World War I, serving in the 1st Air Force. He was a member of the Church of Christ.

Survivors include his wife, Billie Williams, of Lubbock, three children: Billie Williams, of Lubbock, and two daughters, Mrs. Johnnie Scott of San Bernardino, California. Mrs. George Wright, who furnished The News the above information, says she and her husband were planning to visit the sisters soon when word of Odessa's death came.

Mrs. Odessa Powell Brown

Mrs. Odessa Powell Brown, 84, member of one of Lynn County's earliest settler families, died Monday, February 19, in Los Angeles, California, where she had lived for many years. Funeral rites were held the following Wednesday in Church of the Flowers, and burial was in Glendale.

Mrs. Brown was a daughter of W. E. Henderson, who came here about 1902, and his wife, Fannie, who was Tahoka's first postmistress. The Henderson land, still in the family, and located just east of town, is farmed by the George Wright sons and Bryan Wright.

Mrs. Brown is survived by one son, John Powell, also of Los Angeles; four grandchildren; and one sister, Mrs. Johnnie Scott of San Bernardino, California.

Mrs. George Wright, who furnished The News the above information, says she and her husband were planning to visit the sisters soon when word of Odessa's death came.

Bobby Strait

Services were held for Bobby Strait, 33, former Minister of Music of First Baptist Church of Tahoka, in Dallas last Friday, March 2, 1979.

Bobby suffered a cerebral hemorrhage Wednesday, February 21, and died one week later in Presbyterian Hospital in Dallas, February 28.

Bobby served the First Baptist Church of Tahoka from January 1970 to April 1973, coming here from First Baptist Church of Olton. He was presently serving the First Baptist Church of Plano.

Survivors include his wife, Carol, of 1708 Cathedral Dr. Plano, Texas 75023; two daughters, Melody and Alanna of the home; his parents, Mr. and Mrs. Brooks Strait; two sisters, Fern and Jane; and Carol's parents, Mr. and Mrs. B. F. Ayers of Amarillo.

The following people from Tahoka attended the funeral services: Mr. and Mrs. J. T. Miller, Debbie Engle, Jana Kennedy, Sheri McCord, Novice Curry, Betty Stennett and Rev. Jim Turner.

Racey Robinson

Services for Justice of the Peace Racey Robinson, 72, were at 3 p.m. Saturday, March 3, 1979, in First Baptist Church in Post with the Rev. Glenn Reece, pastor, officiating, and Robert Elliott, Post Church of Christ minister, assisting.

Burial was in Southland Cemetery at Southland. Robinson died at 11:20 a.m. Thursday in Lubbock's West Texas Hospital after a brief illness.

Robinson had served as justice of the peace eight years and previously had been county commissioner of Precinct One for 12 years. He had lived in Garza County since 1915 and was a native of Bonham.

He married Zora Williams in Lubbock in 1967. He was a lifelong Baptist.

Survivors include his wife; a son, Glen Williams of Post; a daughter, Peggy Faulkner of Lubbock; three sisters, Verna Roberts of Post and Jewel Ward and Myrtle Kellum both of Slaton; two brothers, Zearl of Malakoff and J. B., of Post; and five grandchildren.

Fannie Lee Server

Services for Fannie Lee Server, 93, of Lamesa, were at 2 p.m. Wednesday, March 7, 1979, in Friendship Methodist Church in Milam County.

Burial was in Friendship Cemetery. Mrs. Server died at 6 p.m. Monday in Fifteenth Street Leisure Lodge after a lengthy illness.

She was born in Milam County and moved to Lamesa in 1970. She married P. D. Server May 1904, in Milam County. He died in January, 1957.

Mrs. Server was a lifelong Methodist.

Survivors include two daughters, Wattie Short of Lamesa and Florine McCracken of Tahoka; two sons, Walker of Welch and Irwin of Ropesville; a brother, Clifford Walker of Buckholts; six grandchildren and 12 great-grandchildren.

The council also provides day camps, beginning in June, at 14 different sites for area girls. Day camp is

SHARON PUDLO--Former teacher at Red Bird Mission.

The Saturday meetings will feature Rev. and Mrs. Elwood R. Bartlett, who have served since 1950 in Zaire. A covered dish luncheon beginning at 12 p.m. will feature Mrs. Bartlett. Hosts for the dinner will be the Friendship Class. A 6:30 p.m. covered dish supper, hosted by the Agape Class, will feature Rev. Bartlett as speaker.

Sunday's program will include combined Church School Classes, with Karen Sinnard and Daniel Brewer sharing their experiences. Rev. Daniel Brewer, a Methodist Minister from Liberia, will preach at the 11:00 a.m. Worship Service on Sunday. The Kum Dubl Class will host a covered dish supper after the morning service.

First Methodist Church invites the people of Tahoka and Lynn County to share in this enriching experience.

Girl Scouting Has New Face

March 11-17 is Girl Scout Week in the U.S.A. Girl Scout Week marks the 67th anniversary of the founding of Girl Scouting, March 12, 1912, in Savannah, Georgia.

Girl Scouts across the nation are highlighting 1979 with special activities. At this time, too, Girl Scouting is showing a new face for the celebration--and at the same time reaffirming its timeless values--with a striking new emblem showing a pattern of girls' faces.

The emblem is a dramatic redesign of the trefoil, a three-leaf clover shape used in various adaptations by Girl Scouts and Girl Guides in almost 100 countries around the world. The emblem replaces a design patented by the Girl Scouts of the U.S.A. in 1914.

"We believe it is important," says council president Mrs. Buster Owens, "to call attention to the distinctive, contemporary identity of Girl Scouting."

The new emblem is designed to do this.

Kicking off activities for Girl Scout Week is a Reunion Luncheon Friday, March 9, at noon at the Girl Scout Service Center. All past and present members of the Caprock Council are invited. A slide show on the new emblem will be presented at the luncheon.

Saturday, March 10, there will be a Council-Wide Fair, "In Every Child--A Gift, A Gift, A Gift." Planned activities center around five worlds: World of Art; World of Well-Being; World of People; World of Today and Tomorrow; and the World of the Out-of-Doors. The fair will be from 1:00-4:30 p.m. at the Merchant's Building, South Plains Fair Grounds, Lubbock; no admission charge and open to the public.

On April 7, the Society of Women Engineers, Texas Tech, will sponsor "Our Own Troop's Badge in Engineering" for Cadette Girl Scouts. Society members will show Cadettes how to make and use a solar oven among other activities.

Camp Rio Blanco, resident camp near Crosbyton, invites the public to Open House, from 2:00-5:00 p.m., May 20, to view its new face--a series of new unit shelters with underground sleeping facilities.

Camp Rio Blanco provides a setting for planned Girl Scout programs in the World of the Out-of-Doors. The White River flows through the 118 acres of canyon land. Registration for the summer program begins March 15.

During July, Caprock Council is sponsoring a two-week trek for sixteen Cadette and Senior Girl Scouts to the Center West in Wyoming.

The council also provides day camps, beginning in June, at 14 different sites for area girls. Day camp is

designed for girls to take part in camping activities during the day.

The council, chartered in 1957, serves 18 counties including Bailey, Briscoe, Castro, Cochran, Crosby, Dickens, Floyd, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Motley, Parmer, Swisher, Terry and Yoakum. The council service center is located at 2567 - 74th Street, Lubbock.

The purpose of the Girl Scout program is to inspire girls with the highest ideals of character, conduct, patriotism, and service so that they may become happy resourceful citizens.

The program is geared to the needs and interests of girls at each of four age levels: Brownie Girl Scouts (ages 6-8); Junior Girl Scouts (ages 9-11); Cadette Girl Scouts (ages 12-14); and Senior Girl Scouts (ages 14-18).

Birth

Mr. and Mrs. Roy Lee Thomas of Arlington announce the birth of a son, Bryan Roy, weighing 6 pounds and 4 ounces and measuring 19 1/2 inches long. The las was born February 22 at 9:35 a.m.

Bryan has a sister, Kimberly Joy, who is 8 years old.

Grandparents are Mrs. Compton of Henderson and Mr. and Mrs. Kenneth Thomas of Tahoka.

Area Cotton Prices Lower

High Plains cotton prices were around \$5.00 per bale lower the week ended March 1, according to Paul R. Dickson, Area Director at Lubbock's Marketing Services Office.

Growers sold mixed lots of mostly grades 42 and better, staples 30-33, mikes 35-49 around 51.40 cents per pound. New crop lots of mostly grades 43 and 53, staples 30 and 31, mikes 35-49 brought about 46.10 cents per pound, Dickson said.

USDA's High Plains Marketing Services Offices graded 9,900 samples this week, bringing this season's total to 1,897,000. This compares to 2,936,000 graded by March 2 last year.

Predominant High Plains grades this week were grade 51 at 12 percent, grade 42 accounted for 30 percent and grade 52 amounted to 16 percent. Forty-three percent was reduced one grade because of bark.

Staple lengths were staple 30 at 12 percent, staple 31-30 percent and staple 32-37 percent, according to US-

Rotary Speaker Talks On Dogs

Raising greyhounds was the subject of a talk at Rotary last Thursday by "Judge" Smith of Slaton, who served as Lynn County ASCS office manager and then as County Agent during the World War II days.

Smith has nothing to do with racing greyhounds except that he raises them and sells or leases them to those who do race them. This vocation is a side-line to his farming operations.

He said a good female greyhound will bring \$500 to \$10,000. They are trained to chase jackrabbits before going to the tracks to chase mechanical rabbits. A good runner starts at 18 months of age and is retired when it reaches five years of age, and must be able to run up to 40 or 45 miles per hour. Several states legalize greyhound racing in the U.S., as do Ireland and Australia.

Like a good neighbor, State Farm is there.

American's growing interest in natural fiber diets has brought about the question: do unrefined natural vegetables and fruits contain the same amount of fiber? One expert, in answering the question describes cereal grains as the best source of fiber, because they have a higher concentration of fiber than fruits and vegetables and also contain a type of fiber that is purported to give better protection against certain diseases. Millers bran (from wheat) is said to have the highest fiber content. Legumes and nuts are described as ranking next, followed by tuberous root vegetables. Fruits, salad greens, and cabbage are the lowest in fiber content because they contain a great deal of water. Before making any drastic changes in your diet check with your doctor.

it pays to remember

Are you getting full value out of the energy you're using? If not, Southwestern Public Service has a list to help you check your home... and your energy-use habits... for ways to help you get more for your energy dollar. Most of the suggestions are simple things... like changing filters, turning off the TV when no one is watching, checking gaskets about refrigerator & freezer doors for leaks, running the dishwasher only when you have a full load. These hints can add up to big savings on your electric bill. Get in the habit of being energy wise. Check your list... then check your electric bill.

AROUND TOWN

by Leona Waldrip

Tahoka Rebekah Lodge #209 met Tuesday night with Noble Grand Bertha Williams presiding. Eight members were present. After a short business session and reports members were served cookies and hot chocolate.

Several members of the 88 Club met for a taco supper at the Dairy Queen February 28 and later played 88 at the home of Mary Edna Lancaster.

Thelma Dewbre, Louise Wyatt and Leona Waldrip attended a Friendship Night with Lubbock Rebekah Lodge #321 on Thursday night. Other Lodges represented were Abernathy and Brownfield.

A program was presented and a drawing was held for a doorprize, a beautiful ceramic Christmas tree, which was won by Thelma Dewbre. A pot luck meal was served at the close of the meeting.

Visiting in the home of Mr. and Mrs. C. W. Burr the past week were Mr. and Mrs. Carl Verhines of Roswell, New Mexico, and Mr. and Mrs. Henry McDonald of Seagraves. Sunday they were joined by Willis Paul Burr, Christy and Chanda of Lubbock, and the group participated in a birthday dinner in the Burr home honoring Mrs. Ruth McDonald. She is Mrs. Burr's mother.

Leona Waldrip attended a pink and blue shower Friday night honoring her niece, Joyce Cox. It was held in Lubbock and the hostesses were Leta Brown, Carolyn Newton and Karen Bass. Many pretty and useful gifts were displayed.

Mr. and Mrs. Charlie Lichey enjoyed having as their guests Friday night, grandson Roddy Boggus and friend Brian (last name the Licheys couldn't remember) from Corpus Christi. The

young men were visiting Texas Tech University in view of making that their choice of higher education upon completion of high school in Corpus Christi.

A large number of Tahoka people attended the concert given by the Oakwood Brothers in Municipal Auditorium in Lubbock at 8 p.m. Friday night. It's impossible to get the names of all who went from Tahoka but we did see the Murrys of the Flower Shop there. The Senior Citizens van took eleven persons, several having to cancel at the last minute. Those going in the van included Lorain Crowson, driver, Mrs. Parker from Wilson, Teddie Kelley, Thelma Dewbre, Lela Wood, Carrie Bevers, Eunice Tolison, Myrtle Lovelady, Mildred Walker, Pauline Walters and Leona Waldrip.

A large number from Tahoka attended the funeral of Bobby Strait in Plano on Friday. He was former Minister of Music at First Baptist Church here and his wife, Carol, taught in the local high school.

For a School of Instruction Monday night at Brownfield, five Rebekahs from Tahoka received diplomas. With the Assembly President's theme of "Little Red School House" carried out, District Deputy President Pauline Taylor was the school mistress using the new constitution and by-laws as her guide. Graduates designed their own graduation caps and first and second prizes were awarded for the best design. Students took a sack lunch and the host lodge furnished cake and punch. Those going from Tahoka Rebekah Lodge were Leona Waldrip, Thelma Dewbre, Bertha Williams, Evelyn Burr and Louise Wyatt.

Lynn County Pioneer Club held its regular noon luncheon March 2. There were 38 persons in attendance and there was a good meal. Mrs. W. T. Luttrell's name was drawn for the "lucky member" gift. Although the thunderstorm caused several to leave early, some stayed and played games and quilted until 4 p.m.

Friday, March 9, is the regular day for the van to take patients for doctor appointments in Lubbock. Call the Center by Thursday to get your name on the list if you wish to go to Lubbock that day.

A 42 party was held at the center Monday night with 17 persons attending. This was the first attempt to have a night party early in the week and it is hoped it won't be the last, as several expressed a desire for a repeat performance.

Speech Club Competes In UIL Meet

Nine Tahoka High School Speech Club members competed in the Idalou Invitational Forensics Tournament on March 3. Out of the nineteen schools competing in the tournament Tahoka placed fifth over all.

Senior Bryan Moore placed 3rd in the final round of competition in Informative Speaking. Robin Taylor, Senior, advanced to the semi-finals and finals in Informative Speaking. Also entered in this event was Rajeania House.

Persuasive enters were Johni Caswell, Sherri Tomlinson and Dusti Cook. Johni Caswell advanced to the semi-finals.

Ira White, senior, competed in poetry reading. Junior Starrlyn Knox made the semi-finals in Prose Reading.

Ronnie Craig attended the meet as an observer.

Tax Official In Tahoka March 13

State Comptroller Bob Bullock announced he is sending a representative from his Lubbock office to Tahoka on Tuesday, March 13, to assist local taxpayers and answer questions about state taxes.

Bullock said Enforcement Officer Sam Rendleman will meet with local taxpayers at the Lynn County Courthouse from 10 a.m. to 12 p.m.

"If Tahoka-area merchants, or anyone else for that matter, have any questions about state taxes or need help in preparing tax forms, Mr. Rendleman will be there to assist them," Bullock said.

"We're trying to cut the red tape in this office and we believe these face-to-face sessions with taxpayers help do just that," Bullock added.

Bullock reminded those taxpayers who are unable to meet with his representative on March 13 that they can still get their questions answered quickly by calling his TOLL-FREE tax information number in Austin. That number is 1-800-252-5555.

The Lubbock office, headed by Vance A. Porfrio, serves Lubbock and surrounding counties.

Wilson News

By Marsha Chisum

Four Wilson students left Saturday morning, March 3, to attend the Idalou Invitational Speech Tournament. They were David Weaver, Randy Steinhauser, Rhonda Nolte, and June Schwertner. David gained the semi-finals in persuasive speaking as did Rhonda Nolte in poetry interpretation. Randy finished the competition with 3rd place ranking out of about 40 poetry contestants. Eighteen schools were entered ranging from 4A to A. Wilson was the only Class B school at the tournament. Contest events were held from 9 to 6 p.m. and are preparation for the district tournament at the end of this month. Sponsor for these UIL events is Mrs. Judy Womack.

Several Wilson gymnasts participated in a gymnastic meet at Southland last Saturday. The meet was sponsored by the Flying Matadors Tumbling Team from Lubbock. The gymnasts were judged according to age and ability groups. Placing first were Todd Houchin, Trey Hale, Vicki Steinhauser, and Christi Stone. Todd and Trey also placed first in the final competition. Placing second were Wesley Little and Kenda Chisum. Angie Morton placed third and Lisa Steinhauser and Craig Morton both placed fifth.

The Wilson seniors were honored with a supper by the St. John Lutheran Church last Monday evening. The theme was "picnic". After a welcome by Betty Ehlers and response by class president Mike Nettles, the invocation was given by senior Randy Steinhauser. Pastor Zacharias spoke to the honored group after the meal and the speaker the seniors enjoyed picnic games and bonco.

Several Wilson students

showed livestock at the Houston stock show last week. Those placing above 10th place were Mike Nettles with first and Champion of the Breed-Berkshire; Robert Ortiz, first-Spot; Jay Ross, third-Spot; Joel Clary, fourth-Chester; and Kerrie Lee, 8th.

Despite the wind, rain, sand, and cold weather several Wilson tracksters placed in the Meadow relays last Friday and Saturday. In the high school meet Irma Acuna placed first in the 880 yard run with a time of 2:48. Laurie Ross placed 6th in the discus throw with the throw of 77 feet. For the boys team Randy Moczygemba placed sixth in the shot with a throw of 35' 6". At the junior high meet on Friday, Lisa Steinhauser placed first in the 880 yard run with a time of 3:00 and 5th in the triple jump and 5th in the long jump. Terry Nolte placed first in the triple jump with a jump of 31' 2", second in the long jump at 12' 10" and 4th in the 220. Sally Acuna placed 6th in the 440 yard dash. In the boys, Adolpho Hernandez placed 2nd in the shot. David Gonzales placed 4th in the 880 yard run and Michael Lopez placed 6th in that event. Lucas Garcia placed 4th in the 1320 run and Ernest Garcia placed 6th in the 120 intermediate hurdles.

The high school teams will participate in the Sundown Invitational Meet this Friday and the junior high will compete at Smyer on Saturday.

Mr. and Mrs. Glen Mitchell, Kevin and Vicque, of Henrietta, were guests in the home of Mr. and Mrs. James Savell last weekend. The former Wilson superintendent delivered the message in the morning service for the First Baptist Church.

LEGAL NOTICE

Notice is hereby given that an election will be held on the 7th day of April in Lynn County Hospital District for the election of four directors. Said election to be held in accordance with the resolution and order passed by the Board of Directors of said district on the 13th day of February, 1979, said resolution and order being made part of this notice for all intents and purposes.

This notice of election is issued and given by the undersigned, pursuant to authority conferred by virtue of the attached resolution and order of the Board of Directors of Lynn County Hospital District and under authority of law.

DAY, MARCH 8, 1979

THURSDAY, MARCH 8, 1979

among students in grades 7-12.

VACCINATE THESE CHILDREN

Health authorities urge parents to have the following children immunized:

- *Children you think immune because "they're ready had measles" but saw no physician during illness--and never received doctor's diagnosis. Only doctor diagnosed measles can parents be sure children are safe.
- *Children who were immunized with a measles virus vaccine.
- *Children who were immunized with a live vaccine before 1968.
- *Children who had measles immunization before their first birthday.
- *Parents who are not sure of their child's immunization record--or safety from measles--should contact a physician or local health department for advice.

WHAT TO ASK FOR

According to health authorities, to be safe from measles, children need "live, further-attenuated measles vaccine" which is current use.

This vaccine has proved to be safe and effective, report.

WHY THE PROBLEM

Today's threat of epidemics stems from not-so-effective measles vaccine given to children at age of 12 months. Cases of measles are now being reported in these children who were thought to be protected.

New findings show vaccination with a live vaccine at the age of 15 months after is more effective.

MEASLES CAN BE HARMFUL

It is important to protect children against measles and its complications which include encephalitis, brain damage.

Death also may occur one of every 1,000 reported measles cases.

Phebe K.

Phebe K. Warner of Club met February 27 at home of Mrs. W. W. Hays with Mrs. David Midkiff, Mrs. Roy Lemon as co-hostesses. The meeting was presided over by Mike Huffaker.

Guests attending: Ann Hamilton, Mrs. Jones, Ann Wharton, Edwards, Mrs. Oransey, Jean Pirle, Virginia Griffing.

Mrs. Carter introduced the speaker, Virginia King, who gave a book on "Life Is A Banquet" Rosland Russell.

The group is glad to have Glo Hays and M. Weaver as new members.

Mrs. Betty Green, endorsed as state vice-president. Delegate selected to the convention Lubbock were: Beth Hays, Grace Prohl, Margaret Carter.

The club is invited to UIL play March 13, at 7 p.m. in the high school auditorium.
