corded batiste ribbon and cascaded into ribbon streamers. They carried a Flemish nosegay bouquet created of yellow sweetheart roses, white miniature carnations, and white marguerite daisies accented with gypsophilia,

white lace and apricot satin. Best Man was Kent Wymore of San Jose, California and groomsman was Danny Jackson of Lubbock. The groom was attired in an all white seville tuxedo and the groomsmen and ushers wore ivory royale tuxedoes with yellow rose boutonnieres.

Ushers were Ric Canterbury of Azle and Darren McInturff, brother of the groom, of Monahans.

Programs were presented by Jeff Atwell, brother of the bride and Tiffany Atwell, niece of the bride.

Centered behind the altar nave were three pyramid and two arched brass candelabrum. Fresh salal greenery and white pillar tapers adorned the candelabrum. Flanking the alter table were four massive Flemish arrangements of yellow and white gladiolus, yellow eremurii, white snapdragons, white peonies, yellow Dutch iris, white Killian daisies, and yellow spice carnations accentuated with white gypsophilia atop tall brass urns. The bridal aisle was marked with yellow satin pew bows and fresh salal greens. The Altar was centered by a brass kneeling bench and the unity candelabrum holding white pillar tapers.

Musical selections were presented by volcalist Vicki Jackson of Denton who sang 'The Wedding Song" and Mills Caraway of San Angelo who sang "Follow Me". Dr. Ronald DeBusk and Dr. Noah Stone played "The Lord's Prayer" with handbells and were accompanied by Mrs. Ronald DeBusk on the organ.

The reception was held in Webber Hall of First United Methodist Church of Brownfield. It was decorated with a garden theme using lattice. columns, urns, green plants, and blooming plants in

yellow and white. Registering guests were Sandy Mason of Brownfield and Cindy Park of Lubbock. The circular registration table was covered with a floor-length cloth of white Venise lace over yellow peau-de-soie. Gracing the white and yellow flowers in a silver Victorian compote.

Punch and coffee were served by Mrs. Randy Kennedy of Tahoka. White linen with floor-length overskirt of white venise lace covered the rectangular punch and coffee table. Centering the table was a silver Georgain candelabra holding a mass arrangement of yellow and white flowers with cathedral-length tapers. Silver appointments complimented the table setting.

The groom's table was hosted by Mrs. John Thomas of Dimmitt and Mrs. Nathan Morris of New Home. It was skirted with a pleated green linen cloth enhanced with gold scalloped borders. A Baroque arrangement of yellow flowers in a silver candelabrum centered the table. A German chocolate cake, assorted finger sandwiches and cheeseballs were served from silver and crystal appointments.

Serving assistance was given at the bride's table by Christi Ottesen of San Angelo and Sheri Brooks of Grand Falls. The bride's olonaded cake was enhanced with confection yellow roses, azalea blossoms, and sweetpeas; and was topped with white wedding doves. The circular cake table was covered with a floor-length yellow embroidered organza cloth with a pale yellow chiffon swag.

Other members of the houseparty were: Mrs. W. A. Fulford, Glenda Draper, Lee Darby, Mrs. Merriel Abbott, all of Brownfield and Mrs. Clifton Hamilton of Tahoka.

Southern Wells of Pecos provided music for the reception.

After a weding trip to Ruidoso, New Mexico, the couple will reside in Lubbock. The bride is a graduate of

Tahoka High School and received a B.S. degree from Angelo State University. The groom is a graduate of

Monahans High School and received a B.S. degree from Angelo State University. He is employed by Aetna Casualty and Surety of Lubbock.

A rehearsal dinner was hosted by Mr. and Mrs. John H. McInturff Jr. of Monahans, parents of the groom. It was held at Holiday House Restaurant Friday evening.

The bridesmaids luncheon was held in the home of Mrs. Keith Vandivere with Mrs. Doris Treadaway assisting as hostess. It was held Saturday, June 9.

FROM PLAINS COTTON GROWERS, INC.

Plains Cotton Growers, Inc., Lubbock, learned June 7 that the 1979 cotton loan rate at High Plains warehouse locations will be 50.35 cents per pound, basis Strict Low Middling inch-and-a-sixteenth, 3.5 to 4.9 micronaire. That's 12 points (.12 cents) above the national average 1979 loan rate of 50.23 cents announced earlier.

The loan rate at various U. S. warehouse locations is adjusted each year to reflect differences in freight rates from each area to mill sites and ports. Last year's High Plains rate was 10 points above the U.S. average. In previous years the Lubbock area rate has been from 3 to 12 points

Premiums and discounts that will apply to cottons above and below the base quality were announced by USDA in mid-May, revealing increases over last year of from 15 to 25 points in discounts applicable to a majority of High Plains qualities. Discounts on low micronaire cottons are also up, from five points for 3.3 through 3.4 to 40 points for 2.6

Premiums and discounts assigned to the loan program, according to USDA, are calculated from spot market quotations for the August through April period of the previous

County Teens To Attend 4-H Lab

Nearly 200 young leaders from 4-H clubs in 20 South Plains counties will participate in a district teen leadership laboratory in Levelland June 19-21.

The three-day summer workshop will be held on the campus of South Plains College, said Billy C. Gunter and Mrs. Catherine Crawford, district agents with the Texas Agricultural Extension Service.

Participants from Lynn County will be Cara Monk, Marci Miller, Perry Dunlap, Dustie Cook, Todd Pebsworth, Jim Cawman, Ben Edwards and Travis Mires. They will be accompanied by Billy Whitaker, asst. county extension agent.

Each year the lab provides an opportunity for outstanding 4-H Club members to receive training in leadeship and program development. Participants are expected to assist local adult leaders in planning and conducting activities in local clubs. A team of older teen-age 4-H'ers will assist in conducting the training sessions.

Theme for this year's lab is We'll Recreate and Play" (WRAP). Emphasis will be on teen leader training for recreational activities. These will include songs, new games, folk dances, disco dances, quiet games, vesper programs and other forms of physical and spiritual recrea-

Texas Tax Rebates Are Announced

Texas cities shared \$218 million in rebates from the one-percent optional city sales tax during the first six months of this year, State Comptroller Bob Bullock said Friday in announcing the city's June tax allocations.

This figure compares to \$196.4 million that cities received during the same six months during 1978.

Bullock said that June allocations for the more than 900 Texas cities will be \$67. million, compared to a 1978 statewide allocation of \$60.9 million for the month.

4-H Attracts Texas Youth

Texas 4-H youth invite others to help them tackle more than 70 different projects this year--at home and abroad.

At-home projects have a 'today feeling' as more the 137,500 youth in 4-H clubs and special-interest groups 'learn by doing.

Projects include foods and nutrition, electricity, photography and shooting sports.

Clothing and textiles enrollment is 11,208 while 11,514, 4-H'ers are in horse projects. Well over 36,000 have undertaken foods and nutrition projects.

While these traditional rojects, attract large numbers of 4-H youth, many new projects add another dimension to their range of

learning opportunities. On the road, citizenship projects take some 4-H members to Washington.

------D.C., for the annual National 4-H Citizenship Short Course and Heritage Tour while other Texas 4-H'ers visit Japan as part of the U.S.-Japanese Labo Exchange Program.

Today's 4-H theme is 'Freedom To Be' and reflects a constant effort to help youth find new experiences that offer interest and challenge. This, in turn, helps them develop an enriched lifestyle--for life.

Know that the food processor is well versatile, but it can't do everything. It won't grind coffee, churn butter, whip egg whites, chop raisins, and it is not intended to replace the electric mixer or the electric blender for certain tasks as liquefying solid foods or making frothy drinks.

There are more than 14 major processor brands on the market. There are two basic types: those with direct drive and those with belt drive. There are advantages and disadvantages to each. Direct drive processors are more to compact because their work bowls set upright on top of the power bases, but they are taller. The homemaker should check the distance and space between counter top and upper cabinet. The belt driven occupies twice the counter space that the direct dirve processor requires. They are quite stable, but with prolonged use, belts need to be checked for slipping or maybe replaced.

period of time . . . an hour, a day, a month or a year. That's how electricity is measured — by kilowatt hours (kwh) used.

Your residential electric meter will have either

Electric meters are easily read from right to left as you look at the meter. If the pointer on a dial is between two numbers, write down the smaller number. When the pointer is directly on a number such as one (1) (see center dial above) then read it as 1 if the pointer on the next dial immediately to the right has passed zero (0). However, read it as zero (0) if the pointer on that dial to the right has not reached zero.

The dials above read (from left to right): 9-3-1-1-5. If, however, the pointer on the second dial from the right above was between 9 and zero then the center dial would read as a zero.

Now let's read the same meter 24 hours later

The later reading is 9-3-1-3-8. Subtracting the first reading, 93115, from the new reading of 93138 — the answer is 23. Thus you would have used 23 kilowatt hours in the 24 hour period. Each kwh costs ap-

CAROLYN'S CLATTER

by Carolyn Klaus

A number of years ago there was a popular song that basically stated, "There is a time for everything under heaven.

My time as a newspaper editor was short and my time as a news editor was even shorter. Circumstances in my life have changed to the point that it is necessary for me to change jobs. When this paper comes out I will be at work at another job in Lubbock that came at a very necessary time in my life.

I came to Tahoka as a stranger and many times people would look at me and wonder who had decided to visit their town. It has taken me a year to feel I know some of the people in this town, of course most of that is due to the fact that it has been necessary for me to sit at my desk whenever I am in Tahoka 2 tablespoons butter and 2 and few people saw me. with 1/4 teaspoon salt and

I have enjoyed visiting with you in my column each week and if I have succeeded in convincing some of the people it is time to speak up about issues in America I feel I have accomplished something. I will trully miss the writing phase of my career because my new job does not require that ability.

I say farewell and thanks to those who have read my column but have never seen me, and goodbye to those of you whom I have known and whose company I have enjoyed. Whenever any of you are in Lubbock come by 3008 34th for a visit.
