## Bulldogs Taking Aim At Dimmitt

Tahoka Bulldogs, having an extra week of practice to overcome problems which showed up in a game loss to Stanton, are looking for better results this Friday night as they head to Dimmitt to take on the winless Bobcats.

The Bulldog Booster Club is sponsoring a chartered bus of fans to go to Dimmitt, leaving from the school parking lot at 5:30 p.m. Friday. Round trip price is \$10 per person, and those

wishing to ride on the bus should call 998-5060 or 998-4062 before 5 p.m. today (Thursday) to make reservations for seats. A bus also will be chartered for the Crane game next week, at a price of \$12 per person, round trip, and

reservations should be made for that one before next Thursday at 5.

Sandwiches, soft drinks and brownies will be available, according to Booster Club President Jerry Brown.

Dimmitt opened the season with a 40-6 loss to Floydada, then lost last week to Slaton, 35-19, but did show some offensive punch in that game.

While the varsity Bulldogs were idle last week, the junior varsity, made up of sophomores plus a few juniors, beat the Monterey sophomore team soundly, 30-6 last Thursday night. It was the first time ever for Tahoka JV to beat Monterey, coaches said.

Tahoka did all its scoring in the first half, taking a big 22-0 lead in the first period. Sophomore James Wells ran 50 and 45 yards for touchdowns in the first quarter, and also ran for 2 points. Then quarterback Mark Hudlin faked a handoff and tossed a pass to Danny Garcia which covered 70 yards for another Tahoka TD. Wells ran for 2, and it was 22-0 at the end of the first. In the second quarter, Hudlin ran 10 yards to score and Marcus Del Toro added the 2 points. The second half was scoreless for Tahoka, with Monterey scoring on a short run in the third quarter.

Wells gained 151 yards rushing and Hudlin passed for 131. Coach Greg Manship reported. The coach had praise for offensive linemen Richard Payne, Roger Dockery, Greg Curry and Monty Cooper, and on defense singled out middle line backer Jeff Jennings, who had 16 tackles or assists, and Roger Jolly, Edward Saldana, Payne, Garcia, and Hudlin.

The JV, now 1-1, will not play this week, but will host O'Donnell next Thursday. The freshmen will play at O'Donnell this week and the 7th-8th play O'Donnell here today.

**CEMETERY CLEANUP**--The volunteer work day Tuesday at the Tahoka Cemetery was a huge success as more than 80 persons turned out to help rid the cemetery of unsightly weeds and other debris. After the cleanup, observers said the facility looks really good. These four workers were grouped by a News photographer Tuesday afternoon. From left are Jose Garcia, Cates Zant, Gilbert Resendez and Dean Bartley.

## Grand Jury Indicts Two Welfare Fraud Here

Lynn County residents were indicted on charges of welfare fraud as the District Grand Jury met Monday to hear cases presented by Atty. Joe Smith.

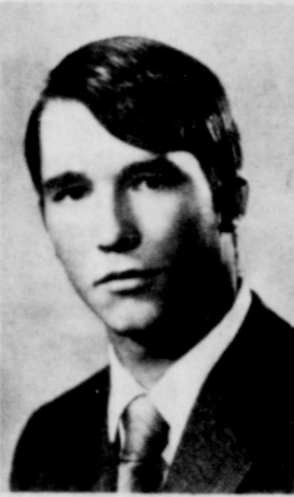

Mae Williams, 63, of and Esther Casillas, O'Donnell, were indicted for obtaining food illegally because of income. An investigation by the Texas Dept. of Resources said Ms. Williams was charged as a defaulter over a period of months and Ms. Casillas for alleged offenses over a six-month period.

Indicted by the grand jury Monday were Edward Mathis, Rt. 3, Post, charged with intoxicating, negligent offense, and Honesto O'Donnell, charged with a motor vehicle.

arrested several persons during the last week for various offenses, and investigated one wreck.

Last Thursday morning at Ave. H and U.S. 380 a collision involved a 1975 Buick driven by Nancy Lawson and a 1974 Pontiac driven by Cuca Lopez. Both drivers are Tahoka residents.

A drag race by two young men speeding side by side down Main St. Thursday night resulted in a tie--each had to pay \$28.50 in city court for contesting speed. Other offenses handled by police and resulting in city court fines included one for failure to yield right-of-way, fine of \$18.50, one for no driver's license, also fined \$18.50, one for public intoxication fined \$46, and two males fighting in a downtown street paid fines of \$28.50 each for disorderly conduct.

**of Bank Here**

Ladd Roberts, graduate of Tahoka High School and Texas A&M, will join the staff of First National Bank of Tahoka as an assistant vice president starting Monday.

The son of Mr. and Mrs. James F. Roberts of Tahoka will come to the Tahoka bank from the American Bank and Trust of Denison, where he has been employed since February, 1978. Roberts is 25, single, and holds a bachelor of science degree in agricultural economics from A&M, plus a master of agriculture degree earned with emphasis on agribanking at Texas A&M last May.

Roberts also is a first lieutenant in the U.S. Army Reserves.

## School Ends Year With Surplus Fund

Tahoka Independent School District wound up the fiscal year \$67,000 in the black on Aug. 31, but the

money already is earmarked for use in the current year's budget, plus some bills for August still have not been paid, it was reported last Thursday.

## Prison Inmates To Warn Teens Here About Drugs

Texas state prison inmates who have been involved with drugs will present a program to Tahoka Public School students and the general public at 9:30 a.m. Monday in the junior high auditorium, with members of the public invited to attend at no charge. Young inmates currently

serving time in prison for various offenses are going to schools, civic clubs, church groups and other assemblies under an operation called "Community Education Program."

Their goal is to tell their life stories in an effort to educate, warn and inform the public, especially teenagers, about the dangers and consequences involved in the illicit use of drugs.

Four inmates are to be on the program at Tahoka Monday, according to high school principal Jim Marcus. Following the assembly will be some smaller groups of "rap sessions" with the students and inmates. These usually are in the form of questions and answers.

The program was arranged for presentation in the county by County Attorney Gerald Huffaker, and will be presented in other schools in the area during the week.

In our "enlightened" and "permissive" society, the youth of today are faced with problems unique and sometimes foreign to the older generation. Many teachers, parents, and school administrators are dismayed at the displacement of values and morality that, a short time ago, we all took for granted.

If the Community Education Program can convey one message, it is this: Prison is one of the worst realities of life; we hope you never have to experience it for yourself. This program is given by the inmates from the prison. They will also have a

question and answer period at end of program. Schedules are as follows: Sept. 24, Tahoka I.S.D., all day; Sept. 25, O'Donnell I.S.D., all day; Sept. 26, New Home I.S.D., half-day, morning; Post I.S.D., half-day, afternoon; Sept. 27, Lamesa I.S.D., all day; Sept. 28, Roosevelt I.S.D., all day.

the school year and, in order to avoid raising taxes this year, had planned to use the surplus to help pay for next year's budget. With the anticipated revenue and expenses and by using the surplus from 1978-79, a surplus of only about \$5,000 is projected for the end of the current year. And this is not allowing for any non-budgeted, or emergency expenditures.

With the school qualifying for funds to pay for a teacher half the time under certain programs, board members voted to seek a math teacher to assist in this area and to be shared cooperatively with another school in the area.

Supt. Jim Coulston reported

ed that total school enrollment as of Sept. 13 was 937, compared to 993 for the same date last year.

Susan Tipton, Lana Daniel and Danna Curry were approved as substitute teachers and the board voted to increase the salary of the lunchroom supervisor in line with other increases voted for persons in comparable jobs in the system. Bids were opened on a welder the school plans to sell, but no bid was accepted.

The board went into executive session, excluding the representative of the News, to consider a personnel matter. After the session, no action was taken on the matter.

## Blood Drive Turnout Good

Response to the blood drive conducted here Monday was excellent, a representative of the sponsoring organization, Pebe K. Warner Study Club, said Tuesday.

Thirty-six volunteers donated a pint of blood each during the four-hour drive, reported Mrs. Betty Owens, chairman of the event.

"I would like to convey the appreciation of the study club and all those persons who will benefit from the blood donations to the ones who gave blood Monday," she said. "It is gratifying to get such a good response from people willing to help others."

The next blood drive will be in Tahoka on Nov. 13, she said.

## Raffles, Lotteries Illegal, County Attorney Warns

Gerald Huffaker, County Attorney, this week said it has been called to his attention that a raffle was held in the County last week by a service organization. Huffaker said he has tried to notify all service organizations in the past, when contacted by him, that raffles were illegal, and that he would not allow them to be held in Lynn County, even though the proceeds went for a charitable organization.

In this connection, Huffaker stated that he personally feels that such things as raffles and bingo should be allowed by charitable organizations, but that this matter has been presented to the Legislature the last two sessions, and the Legislature has refused to pass a bill allowing the same. As a result, "it is my duty to

enforce the law, and from now on I will prosecute any and everyone who is connected with any type of raffle, football and baseball boards, bingo, Calcuttas, or any other type of illegal gambling."

Huffaker points out that the items mentioned constitute a felony of the third degree, which, under the statutes, carries a punishment of confinement in prison for any term of not more than ten years or less than two years, and in addition, a fine, not to exceed \$5,000.

Huffaker repeated that until the Legislature sees fit to change the Statutes, making such matters legal, he will have no alternative but to present to the grand jury any such acts.

### WOODWORK

NOT LONG AGO our mailbox came up with a sure trying to get us to order some courses of instant learning," through which you play a little while you go on about your business and learn all these things without any effort.

Foreign languages, memory power, how to play guitar or piano without all that dumb practice, chessmanship, losing weight, and such all are at disposal, said the brochure.

You have to do is send them some money, I'll send you either a record or cassette, and soon you'll know everything you need to control other people and probably totally variable.

I already have met some people who know everything there is to know and who have done everything twice, and I think I prefer the company of those who are sort of going along doing the best they can.

This instant learning process might work; I do think that such things are possible, although not to the extent the brochure would have you believe.

People can learn things instantly, I know. For example, I remember one time I was doing some carpentry work of sorts, and left a board on the floor with a nail sticking up. I was wearing slippers and stepped on the board and the nail almost completely through my foot.

Instantly I learned three things: (1) it would have been better had I left the board with the nail sticking down into the ground; (2) it's not smart to wear slippers when doing carpentry work; and (3) I was going to be sick.

Of course, if a person really could learn some of the things advertised in the way they claim, it would be great. Supposedly you can play the piano while sleeping, while driving, while at work or wherever. Not only would you get all the pages, but so would everyone who has to be with you all day.

With that thing mumbering at you day and night, you'd have to learn in a hurry, or before long you'd be dead. I can just hear the cassette on losing weight now:

You are a fat slob, you fat slob...quit eating chocolate ice cream during commercials, cottage cheese is good. It doesn't really taste like styrofoam...you are a fat slob..."

## Library Board Considers Ways To Boost Services

Lynn County Library Board, including several newly-appointed members, met last Thursday afternoon at the library to consider ways to improve the facilities for the benefit and use of more citizens in the county.

The board discussed expanding the number of hours the library is open, possibly by November, but took no definite action on this because of the need for more funds to expand the service.

Biney White, chairman of the board, told the group that a minimum budget of \$1.20 per 1,000 persons in the county will be required in order for the library to qualify for membership in an association which would add considerably to the number of volumes and services available.

This would mean a budget of about \$10,000 a year, he said, adding that this is not an impossible level to reach.

since county-donated items such as the building housing the library can count. It was stressed, however, that the library needs more operating funds than will be available from the \$250 per month which comes from the county and city, which pays \$50 of that amount.

Donations of money to the library would be welcome, and are tax-deductible, he told the board members.

The group also discussed disposition of old books taken off the shelves of the library.

## Lots Of Activity Planned At Annual Harvest Festival

Plans for the annual Harvest Festival Oct. 12-13 in Tahoka were wound up at a meeting of the festival committee Monday night, and a full day and a half of activities is on tap for the event.

The Harvest Festival coincides with homecoming Oct. 12, and the parade Friday afternoon about 3 will be a combination homecoming and Harvest Festival parade.

There will be a big pep rally on the downtown square after the parade from the school, and the National Honor Society will have a casserole supper from 5 to 7 p.m. preceding the football game between Tahoka and Roosevelt.

Starting at 10 a.m. Saturday with a drawing for prizes given by Tahoka merchants will be a full day of activity, winding up with a street dance free to the public.

Clubs and organizations will operate food and game booths all day, and anyone wanting a booth should contact Mrs. Harold Roberts. Each club will be responsible for setting up and cleaning up its booth.

A queen contest, sponsored by the Chamberettes, will be held at 2 p.m. The top five contestants will receive a \$30 gift certificate from a local business, and the winner will receive \$100 upon graduation

from high school. Contestants will sell tickets for \$1 to help pay the costs of the festival. The five finalists will be those selling the most tickets, although judges and the public will not know who they are until 2 p.m. when they are announced. Final winner then is named after interviews before the public at that time.

The annual bicycle race will be at 4:30 p.m. Tahoka Rotary Club is current club champion; the winning club gets a trophy which they keep one year. Persons interested in the men's race should contact Sherry Tilley or Eddie Lockaby, and Richard White is in charge of the women's race.

A fair will be going on all day in the building formerly occupied by Anthony's and Western Auto downtown, with many kinds of exhibits planned.

Stores will decorate their windows in either harvest or school spirit themes and plaques will be given to first place winners in each of those categories. Johnny Wells and Virginia House are in charge of window decorations.

Shoppers may register for prizes at local stores starting next week.

Next meeting of the committee will be at 8 p.m. Oct. 1 at the Southwestern Public Service Co. Reddy Room. Everyone is invited to attend.

## VOE-Related Club Installs Officers

New officers of Office Education Assn. were installed Monday night at First Methodist Church with parents and relatives of girls in the Vocational Office Education program at Tahoka High School attending.

Officers were installed by Freda Jeffcoat and New members were recognized. Refreshments were served.

The OEA is a club which along with VOE, a dress-oriented pre-employment program currently in its third year at Tahoka High School.

The two-hour course is taught by Mrs. Barbara Jaquess.

First year students study business units including transcription, typing, duplication, calculating, office management and other. Second year students specialize in a field.

After learning various techniques the girls receive a chance to apply their knowledge. A business office is set up in the classroom in which routine business tasks are conducted.

Students also have a great deal of time in which they learn the proper techniques necessary in applying for a job. At this time, the girls engage in practice interviews conducted by local business.

Scheduled for each semester are two interviews, which they present their completed data sheets. They are individually evaluated by the employer, as would be an actual applicant.

The OEA officers installed Monday include Cheri Bragg president; Melanie Tekell, vice president; Amy McNiel, secretary; Sherry McClellan, treasurer; Kelley Strickland, historian; and Kellie Paris, parliamentarian.

## Coaches Laud Tahoka Team

Four Tahoka High coaches appearing on the Rotary Club program last Thursday noon gave high praise for their 1979 Bulldog footballers attitude and admonished fans not to give up on them too soon. They asked loyalty and backing from parents and fans.

The speakers were Head Coach and Athletic Director A. D. Shaver; Greg Manship, from Angelo State U., who coaches the 25 Junior Varsity and helps with the Varsity team; Mike Dills from Southwest Oklahoma, who coached with Shaver at Midlothian for three years; and "Bud" Todd, reared at Plains and player at Southwest Texas State, who has coached in every Texas classification from Class B to AAAA.

If anything, the boys were tiring too hard, the latter declared, when they lost to an excellent Stanton team in their opener.

The coaches declared the boys just need a little more experience. Some assignment changes may be made, and work is being done on both defensive and offensive

weaknesses that showed up in the game.

Jim Chambers arranged the program.

President Jim Solomon announced the Rotary meal for the Tahoka teaching staff will be at 7 p.m. Thursday, Oct. 4; and the Harvest Festival is set for Oct. 13.

High School Principal Jim Marcus called on citizens to make cash contributions to a fund to buy a trophy case for school literary achievement trophies in honor of Othel Meeks, a school backer who died recently.

## C-C Members Hear Garner

Craig Garner, head of the marketing-distributive education program at Tahoka High School, spoke to members of the Chamber of Commerce about the program at the chamber's monthly breakfast meeting in the Cafeteria Tuesday.

Garner said he presently has 26 students in the program, with 17 of these working in jobs in the

## Phebe K Warner Meets

The first meeting of the new year of Phebe K. Warner Federated Womens Club met Sept. 11 in the home of Mrs. Harold Green. President Beth Huffaker called the meeting to order by reading "No Private Drive". Minutes were read and approved and project reports given. Attention was reports given.

The program, "Federation Heritage", was given by special guest, Mrs. J. W. Wolher of Plainview. Mrs. W. H. Boedeker of Lubbock, Mrs. Green and Mrs. Mike Huffaker. The club learned there were 15,700 women belonging to 578 clubs divided into 14 districts in Texas.

Thirty-four people were present at the meeting. Other guests included Mrs. Sarah Evinger, sister of Mrs. Grace Huffaker, Mrs. Pat Burrow and Mrs. Hazel Mackery.

community. He explained the training in various areas which the students receive in classrooms supplemented by the on-the-job training.

Thirty-five persons were present. President Richard White presided.

## Methodist Revival Will Begin Sunday

Revival services will begin with the 11 a.m. service Sunday at First Methodist Church in Tahoka.

Preacher for the services will be Dr. Jordan Grooms of Amarillo. Before retirement, Dr. Grooms was pastor of Polk Street Methodist Church in Amarillo, and was District Superintendent of the Brownfield and Big Spring Districts of the Methodist Church. He will preach at services through Wednesday night, Sept. 23.

Sunday services will be at 11 a.m. and 6:30 p.m. The churches of the Lynn County Methodist Parish will participate in the Sunday evening service. Following the service a salad supper will be served, hosted by the United Methodist Women.

Weekday services will be at 7 a.m. and 7:30 p.m. The Methodist Men will serve a country breakfast each morning at 7 a.m., and the service will follow, concluding by 8 a.m.

Featured song leader and soloist will be Rev. Wesley Putnam, pastor of the Methodist Church in Hale Center. Rev. Putnam will give a musical concert during the services.

First Methodist Church extends an invitation to the people of Lynn County to attend these inspirational services, said the pastor, Rev. Newton Starnes.

# Wilson Mustangs Shut-Out Ropes

The Wilson Mustangs defeated the Class A Ropes Eagles last Friday night at Ropes with a 27-0 shut-out. The two teams battled to a 0-0 halftime score but the Mustangs came out the second half ready to play. On their first possession in the third quarter the Mustangs ran 14 plays for a 65 yard drive that ended with a touchdown by quarterback Jon Cox who scored from 1 yard out. The conversion failed and took the two teams into the fourth quarter with the Mustangs leading 6-0.

Then things began to happen. Quarterback Cox completed a 24-yard pass to end Mitch Bartley to score. Bartley then added the extra point for a 13-0 lead. Minutes later tailback Randy Hall broke for a 40-yard touchdown run followed by Bartley's extra point kick. Freshman Kendall Wilke scored the fourth TD of the evening when he broke loose and ran 33 yards to paydirt. Donald Freitag kicked the extra point to end the scoring for the Mustangs 27-0.

The Mustang offensive unit had 19 first downs, 269

yards rushing, 34 yards passing, and 4 penetrations. Individually Wilke led his teammates with 110 yards rushing on 15 carries, followed by Hall with 86 yards on 20 carries, Bobby Garcia with 55 yards on 10 carries, and Cox with 30 yards on 9 carries. Mitch Bartley had 34 yards passing. The Mustang offensive line did an outstanding job again this week.

Defensively the Mustangs held the Eagles to 3 first downs, 49 yards rushing, 8 yards passing, and 0 penetrations. Linebacker Quintin Talkmitt led with 15 tackles followed by David Weaver with 12, Bartley and Robert Nolte each with 8. This defensive unit has yet to be scored on in season play. The Mustangs are 2-0.

The Mustangs will travel to Amherst this Friday night to play the highly ranked Bulldogs. The Class B Bulldogs are rated #9 in the Harris rating and #2 in the South Plains according to the Top of Texas Magazine. Game time is 8 p.m.

The Mustang Band would like to thank everyone who helped with their recent spaghetti supper and extend a thanks to those who attended. The band made \$750 profit from the supper.

They have made \$630 on their community calendars. There are still a few calendars left - contact any band member for the purchase of one. The officers for the Band Booster Club this year are: President - Mrs. Barbara Ehlers, vice president - Mrs. Janette Wuensche, and secretary - Mrs. Nancy Ross.

The Band officers for this year are: President, David Weaver; vice president, Stephanie Cook; secretary, Laurie Ross; Librarian, Paige Bishop; and Quartermasters: Tracy Bartley, Debbie Daniell, and Tamera Houchin. The band will be marching in the South Plains Fair Parade in Lubbock Monday, Sept. 24. Parade time is 10 a.m.

The Athletic Booster Club is selling Mustang Booster Cushions. Price is \$3 for each one. Contact Susan Mouser for purchase of one.

The club will meet Tuesday, Sept. 25 to view the Amherst video. The new color video is something to see if you have missed the last few meetings. Last week the band half-time show was shown and some parts of the junior high games will be shown at some of the meetings. Mustang manager Randy Hobbs has been filming the games and has done an excellent job.

The Wilson High news-

paper "Mustang Country" is published every three weeks. Co-editors for this year are: Laurie Ross and Ruby Vasquez; reporters - Cindy Slone, Tracy Bartley, and Pam Ray; sports and cartoons - Mitch Bartley; sponsor - Mrs. Judy Womack. These students do a good job collecting news items and writing their articles. Many of their articles will appear in this column throughout the year.

In last week's edition of "Mustang Country" the "Editor's Echoes" states: Now that school has started what kind of year do you think it will be? Supt. Jacobs says, "We've had a good start, there's a fine student attitude, and if things stay the way they are now, we'll have a very successful year."

Does it depend only on Mr. Jacobs? Or does the school year only become a good one because of Mr. Cox and the faculty? The answer is a simple one. Its up to every person in the school from the youngest to the senior to show pride in Wilson and pride in himself. It means doing well in the classroom and being a part of every area of school life. It calls for effort from all of us. Then in May we can truthfully say, "What kind of year was it? It was fantastic!"

Officers for this year's pep club are Janie Zavala president and Lupe Garcia, secretary-treasurer. These girls help support the Mustangs and encourage school spirit. They invite anyone in high school who would like to be a member to join!

The junior high Mustangs started their season off with a 30-8 victory over the Ropes Eagles last Thursday evening. Two touchdowns were made by Sammy Nava with a 20-yard run and a 25-yard run. Ricky Morales scored for the Mustangs from 4 yards out. A fourth touchdown was made by David Ehlers who caught a 35 yard pass from quarterback Keith Spears. After point conversions were made by Morales and Michael Lopez. Named as defensively outstanding

players were: Spears, Nava, Lopez, Paul Schwertner, Rolando and Salvador Ybarra, Ramiro Campos, and Adolph Hernandez.

In the J.V. junior high game the Mustangs defeated Ropes 8-0. The lone touchdown came when Robert Acuna intercepted a pass and ran 45 yards for the score. After points were made by Jimmy Riojas. Outstanding defensive players named were Bryan Bednarz, Acuna, and Riojas.

The Mustangs will play at home this Thursday against Amherst. At this time no J.V. game has been scheduled.

Concession workers for the Wilson-Smyer game Sept. 28 are: Mr. and Mrs. Roland Stegemoeller (chairman), Mr. and Mrs. Rex Little, Mr. and Mrs. Gary Houchin, Mr. and Mrs. Ron Rogers, Mr. and Mrs. Raymond Joy, Margie Garcia, Curtis Monk, Rosa Castro, and Linda Lopez.

Men responsible for running the chain that night are: Jackie Bishop and Victor Steinhauer.

The Homecoming week (Sept. 24 - 28) schedule is as follows: Monday, Hat Day; Tuesday, Western Day; Wednesday, "Fifties" Day; Thursday, Kid Day, Homecoming parade, Pep rally, and bonfire immediately after the pep rally; Friday, Blue and White Day, Exes Social at Mercantile Building 5 - 7 p.m., Lions Club Barbeque in cafeteria 5 - 7 p.m., Homecoming Cornation 7:40 p.m., Wilson - Smyer Ballgame 8 p.m., and Exes business meeting and social immediately after game at Mercantile Building.

The senior class will be hauling wood next week for

the bonfire. Contact any senior if you have some wood you like to donate.

There will be a meeting of Wilson Girl Scouts on Tuesday Sept. 25, at 3:35 p.m. in the Girl Scout Hut. All girls in grades 1 - 12 and their parents are invited to attend.

### Wilson Sets Homecoming

Wilson 1979 Homecoming has been set for Friday Sept. 28. All Wilson Exes are invited to attend the Homecoming activities. The Mercantile Building will be open from 5 - 7 p.m. preceding the Wilson - Smyer ballgame and then afterwards for all Exes and anyone else who would like to come. Coffee and donuts will be served. The business meeting will be after the game at the Mercantile Building.

The Class of '59 will be honored and recognized at the ballgame as they celebrate their 20th reunion.

**PUBLIC NOTICE**  
BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 6, 1979

#### PROPOSICION NO. 1 ON THE BALLOT (H.J.R. 108)

House Joint Resolution 108 proposes an amendment to the Texas Constitution relating to the appointment and terms of notaries public. The proposed amendment would:

- Require the Secretary of State to appoint a convenient number of Notaries Public for the state; and
- Authorize terms of office of Notaries Public of not less than two years nor more than four years.

A temporary provision of the proposed constitutional amendment provides that the amendment would take effect January 1, 1980; that each person who was appointed a notary public before January 1, 1980, would continue to serve as a notary public for the term for which the person was appointed; and that this temporary provision would expire January 1, 1982.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide for the appointment of notaries public for the state and for a term of not less than two years nor more than four years as provided by law."

#### PROPOSICION NO. 2 ON THE BALLOT (H.J.R. 133)

House Joint Resolution 133 proposes an amendment to the Texas Constitution to provide for legislative review of the process of rulemaking by agencies in the executive department. The proposed amendment would allow the Legislature to enact laws:

- To provide for legislative review of the process of rulemaking by agencies in the executive department;
- To prescribe conditions for rules to take effect;
- To provide for suspension, repeal, or expiration of rules;
- To prescribe procedures; and
- To delegate powers to either or both houses or to committees of either or both houses.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide for legislative review of

the process of rulemaking by agencies in the executive department."

#### PROPOSICION NO. 3 ON THE BALLOT (S.J.R. 13)

Senate Joint Resolution 13 proposes an amendment to the Texas Constitution authorizing the Legislature to provide for the guarantee of loans used to purchase farm and ranch real estate for qualified borrowers. The proposed amendment would allow the Legislature to provide for, issue, and sell general obligation bonds called "Farm and Ranch Loan Security Bonds" of the State of Texas not to exceed 10 million dollars. All money received from the sale of such bonds would be deposited in a separate fund with the State Treasurer and administered by the commissioner of agriculture without further appropriations. These funds would be used to guarantee loans for the purchase of farm and ranch real estate. The commissioner of agriculture would use these funds, under provisions to be prescribed by the Legislature for the purpose of guaranteeing loans used for the purchase of farm and ranch real estate, to acquire real estate mortgages or deeds of trust on lands purchased with guaranteed loans. These funds would also be used to advance to the borrower a percentage of the principal and interest due. The Legislature may also authorize the commissioner of agriculture to sell at foreclosure any land acquired in the manner authorized by this amendment. The commissioner of agriculture would be required to charge at least 6 percent interest on such loans. The proposed amendment appropriates an amount that is sufficient to pay the principal and interest on the bonds that mature or become due during the fiscal year less the amount in the interest and sinking fund at the close of the prior fiscal year.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for the guarantee of loans for purchase of farm and ranch real estate for qualified borrowers by the sale of general obligation bonds of the State of Texas."

### Eagles Lose To Klondike

O'Donnell Eagles will try to get their football season on a winning track Friday as they host Borden County in the Eagles' first home game of the year.

Last Friday, O'Donnell held the lead over Class B power Klondike into the fourth period, but the Cougars came back to win 16-6. It was the second close loss of the season to strong Class B teams.

O'Donnell sophomore tailback Gilbert Morales scored on a 4-yard run in the third quarter to give the Eagles the lead after Klondike had scored a field goal in the first half. But Klondike came back strong to score twice.

The Eagles were plagued by six fumbles in the game Friday.

### Tax Rebates Set Record

State Comptroller Bob Bullock Friday, Sept. 14, said rebates to Texas cities of the local option one-percent sales tax set a record in the tax's 11-year history.

Bullock said more than 900 cities shared in \$124.2 million during July, August and September—passing the state's previous high three-month allocation in the final quarter of 1978 by more than \$6 million.

Bullock also announced that his office was sending September sales tax rebate checks totaling \$73.4 million. "This month's allocations are just under the record payments of \$74.9 million made in December of 1978," Bullock said.

"I think the state's strong economy and our ability to rapidly process tax returns helped to produce these peak rebates," he said.

The city and MTA sales tax is collected by merchants and other sales tax permit holders along with the state sales tax and is rebated monthly to cities in which it is collected by the Comptroller's office.

O'Donnell, net payment this period is \$1,854.25, net payment same period prior year, \$2,569.11; 1979 payments to date, \$8,321.92. Tahoka's net payment this period is \$7,733.43, net payment same period prior year, \$8,853.20; 1979 payments to date, \$34,081.72. Wilson's net payment this period is \$807.48; net payment same period prior year, \$1,071.29; 1979 payments to date, \$2,828.30.

## Leopards Defeat Borden Co.

By Andrea Eades  
The New Home Leopards beat the Borden County Coyotes 13-12 Friday night at Gail. All of New Home's scoring came in the third quarter; Borden County's came in the fourth.

The first score came when Mickey Kieth blocked a Borden County punt. Mickey McClintock picked up the loose ball and ran 12 yards for the touchdown. Kieth kicked the extra point. New Home's second score came when Kieth slipped across

from the 2 yard line. The Leopards had 13 first downs and totaled 183 yards offense, 173 yards rushing and 10 yards passing. Beats Estrada was the leading rusher with 75 yards on 13 carries. Mickey Kieth had 37 yards rushing, and Billy Paul followed with 36 yards. Borden County rushed for 94 yards.

Randy Bell had 14 tackles and recovered 2 fumbles to lead the Leopards' defensive unit. Stoney Gill had 13 tackles and recovered one fumble.

Marilyn King is the sponsor for the Annual Staff.

The New Home Volleyball Team opened the season with a

victory over Lorenzo J.V. In the J. V. Game, the scores were 15-2; 15-3, with Sally Hernandez scoring 8 points. A fine job also came from Gloria Correa, Pam Moreno, Jill Mantooh, Lana Kieth, Vicki Zant, Paige Pridmore, Kristi Meaker, and Shelli Haynes.

In the varsity game the scores were 15-4; 15-3, with D. J. Hiracheta serving 10 points and good play credited to Mitzi Blake, Dana Poer, Mitzi McAllister, Nora Caballero, and Devone Vickers.

This will be Coach Fillingim's first year of coaching the volleyball team. He said he was impressed with what he saw, but that there are a few areas that need to be worked out.

## New Home Exes Slate Homecoming

Plans are currently underway for New Home's 1979 Homecoming activities, Oct. 25-27.

The traditional bonfire and "warm-up" pep-rally are scheduled for Thursday night, Oct. 25. "Beat Dawson County" rally and early registration for ex-students is scheduled for Friday afternoon. Kickoff time is 7:30 p.m. with halftime activities to include crowning of the homecoming queen and recognition of ex-students.

On Saturday morning, a reunion of the class of 1969 is planned at the home of Mrs. Roy Blevins of New Home.

Final registration of exes is slated for 4:00 - 5:30 p.m. Saturday. A community-wide bar-b-que will follow, with proceeds going to the New Home Parent Teachers Club. Beginning at 7:30 p.m., the classes of 1939, '49, '59, and '69 will be roasted "well done" seasoned with "ex-talent", supplied by the

respective classes. Done in the tradition of Hee-Haw, it promises to be an unusual Homecoming weekend.

**Energy Conservation Program To Be Held Sept. 26.**

On Wednesday, Sept. 26, at 10 a.m. at the Lyntegar Community Room in Tahoka, a program on how to have energy conservation in winter areas will be held. The program will be given by Sherry Etheredge, County Extension Agent and Eugene Lane, Lyntegar Home Service Advisor. Other merchants and homemakers will participate.

participate in the program. The program will last no longer than one hour.

All persons regardless of race, color, creed, sex, religion, or national origin are invited to attend. If you have any questions concerning the meeting, call Sherry at 998-4650 or Eugene at 998-4588. Come and bring a friend!

**Around Town**

By Leona Waldrip

Tahoka Rebekah Lodge met on Tuesday night with the Noble Grand presiding. Plans are being made for Friendship Night on Oct. 9. Also several members plan to go to Lamesa Berta H. Porter Lodge on Oct. 3 when Assembly Pres. Jerry Miller will make her official visit to this district. Next regular meeting will be Sept. 25.

Visiting Mr. and Mrs. Bob Miller the past weekend was Mr. and Mrs. A. B. Davis and Clarence Miller of Purcell, Oklahoma. Mrs. Davis is a sister of the Miller men.

Friday was September Birthday Party Day at Lynn Co. Pioneer Club. Honored were Mrs. W. T. Luttrell, Mrs. Henry Johnston, Berta Williams and Leona Holden. Each chose a birthday gift. The group played "42" and "Bingo" and were served birthday cake and ice cream. Several promised to furnish sandwiches for the cemetery workers on Tuesday. There were 21 people present.

Thursday, Sept. 27 being Senior Citizens' Day at the South Plains Fair, those wishing to go are reminded that the van will be available to take them. Please call 998-5264 to make your reservation early and to find out what time the group will leave and return.

Friday, Sept. 21, is the next regular luncheon day and there is always a "42" Party on each Monday night. Call before 4 p.m. if you need a pick-up for Mon. night. Mr. N. E. Woods is this year's president of the club.

The Veterans Administration workforce has risen by 28 percent to 228,885, since 1954. Not until 1974 did VA employment exceed 200,000. In 1965, VA hit its 25-year low with 167,059 workers.

**Sherry Etheredge Says...**

It is time for the 4-H Foods and Nutrition project to begin. This is one of many 4-H projects that 4-H members, leaders, or parents can participate in. To compete on the county and district level, a 4-H'er must be between the ages of 9 and 19. To participate only, a 4-H'er can be 8 years old.

The foods project itself includes basic nutrition and how this is applied to family and personal meal planning. To achieve and complete the project, a 4-H'er must learn six different things. To participate in the county food show is optional and not required.

Plans are already underway concerning the project. Usually the county food show is sometime in November and the district food show in December. If you are interested in helping with the project, call the Extension office, at 998-4650. It is definitely worthwhile and really doesn't require much of your time.

Know when to expect the peak seasons for fresh foods, then time purchases to obtain high quality at lowest prices, says Gwendolyn Clyatt, a consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

**THS Council Takes Trip**

The T.H.S. Student Council, an officer of the executive district council, traveled to Littlefield last Thursday. The major topic of discussion was the annual District Convention, held at South Plains College.

Being elected parliamentarian at the last convention, Tahoka is placed in charge of decorating the facilities.

Those attending the meeting were Craig Garner, sponsor, Doug Barham, Brad White, Sheri Tomlinson, Debby Gwin, and Rance House.

If you're using electric yard tools, be sure the extension cord is designed for outdoor use, advises Claudia Kerbel, a consumer information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Color is important when planning garments or accessories for year-round wear, says Becky Culp, a clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Lighter neutral colors offset heavier-weight fabrics while darker and richer colors offset lighter-weight fabrics for extended seasonal wear, Ms. Culp explained.

To soothe feet, consider changing shoes during the day and evening, suggests Becky Culp, a clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

**Check Antifreeze Registration To Ensure Proper Protection**

AUSTIN--Don't be caught out in the cold this winter with an antifreeze product unsuited to your needs, advises Agriculture Commissioner Reagan V. Brown. "If the price of a particular brand of antifreeze seems too

good to be true, it would be wise to find out if it meets certain minimum standards of freeze and corrosion protection," Brown said. "This is especially important if you are not familiar with the brand in question."

By law, all antifreeze offered for sale in Texas must meet rigid performance standards and be registered by the Texas Department of Agriculture (TDA). Brown noted that consumers may check to see if a particular brand of antifreeze is registered by calling the nearest TDA district office or the Weights and Measures Section in Austin at (512) 475-6577. He pointed out, however, that the Department will not give specific details about a product and will not endorse any brand.

Before certifying any antifreeze for sale in the state, the TDA tests the product to make certain it offers the exact level of freeze protection as is stated on the label.

**ARE YOU READY FOR SCHOOL?**

Children must be ready for school. Clothes must be mended and new ones bought. School supplies are to be purchased and going away to college children must have their bags packed. They will need quantities of health-aids and toilet articles. You will save time by being able to get them from our pharmacy.

September is a real busy month, but find time to bring the children to your physician for a health check-up before school begins. Some of them may need booster shots or new inoculations against communicable diseases. Others may be told to take vitamins, particularly if they take hurried meals away from home.

# COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

**Senate Passes Disaster-Crop Insurance Bill:** The Senate has approved a bill providing for a new and expanded federal crop insurance program and a two-year extension of the present disaster program for cotton, wheat, feed grains, and rice. The current disaster program expires at the end of the 1979 crop year. The House is expected to take up a similar bill as early as mid-October. The chief difference in the House bill is its extension of the disaster program only for 1980 and under limited conditions for 1981. The National Cotton Council is seeking amendments to extend the present disaster program for two years without any limitations.

**Court Asks Status of NIOSH Study:** The District of Columbia Appeals Court has requested information from

the Occupational Safety and Health Administration as to the status of a National Institute for Occupational Safety and Health study on byssinosis risks in non-textile segments of the cotton industry. The court asked OSHA to let it know when the study is expected to be completed and whether the study has deviated in any way from its initial description. The NIOSH statement describing the study is included in the record of court cases involving OSHA's cotton dust standard. Cotton industry attorneys are not sure how the court's request bears on the timing or outcome of the pending suits against the standard.

**Conference To Be Held:** The Natural Fibers Textile Conference sponsored by the National Cotton Council and wool groups in cooperation with USDA will be held in Charlotte, N.C., Sept. 18-20. Preceding the conference is a Cotton Spinner-Breeder Seminar which begins with a tour of Cannon Mills at Kannapolis the morning of Sept. 17, followed by the formal program starting at 1:15 p.m. A Cotton Dust Seminar will open the next morning and the Natural Fibers Textile Conference begins after noon.

**And Cotton Yesterday:** The first U.S. cotton mill was established in Massachusetts in 1787.

## Steer Roping Competition Set At Post

**POST--**Gary Good, 1979 world champion steer roper, will lead a field of 35 of the nation's best into the 9th annual OS Steer Roping here Sunday afternoon, Oct. 7.

The 25-year old Elida, N.M., cowboy won the average on 10 steers and \$3,570 in prize money in the National Steer Roping Finals at Laramie, Wyo., Sept. 9, to clinch the world title and set a new steer roping earnings record of \$18,337.

The "OS weekend" has been expanded to three full days with over 400 team competing in the team roping Oct. 5, 37 of the southwest's top calf ropers Oct. 6, and the steer ropers Oct. 7.

Thirty-seven of the top cowboy artists in the nation will exhibit their work in the OS ranchhouse during the "OS weekend" with probably \$100,000 of it sold to collectors who will come from all over the west and southwest.

The "OS weekend" annually raises between \$40,000 and \$50,000 for West Texas Boys Ranch at San Angelo.

## Museum Has Many Visitors

More than 600 people have registered as visitors to the new Tahoka Pioneer Museum, and possibly 300 or more failed to register, according to Mrs. Annie Belle Stice.

Nearly as many out-of-county people have registered as have Lynn County people, she says, proof that the Museum is causing a large number of travelers to stop in Tahoka.

Museum officers wonder why more local citizens, especially school students, have not visited the place.

Visitors from 17 states and one foreign country have registered since the Museum opened only a little over six

months ago. New Mexico has contributed the most number of visitors, California next, and Oklahoma third. Visitors have also come from Arizona, Oregon, Washington, Colorado, Alaska, Kansas, Missouri, Tennessee, Alabama, North Carolina, South Carolina, Florida, Illinois, Indiana, and the Republic of South Africa.

Every week more acquisitions are being received for display. This week, Mrs. G. V. (Margaret Lam) Fulton of Lubbock sent down a stained glass memorial window of the pioneer church booth along with a \$100 donation.

The Museum is open Mondays 1:00 to 5:00 p.m., Tuesdays, Wednesday, Thursday and Fridays 12:00 noon to 5:00 p.m., closed Saturdays, but open Sunday afternoons from 2:00 to 5:00 p.m.

## Water Tax Hearing Set For Sept. 20

The Board of Directors of the High Plains Underground Water Conservation District No. 1 set Thursday, Sept. 20, as the date for hearing comments concerning a tax increase in Armstrong, Lamb, and Lynn Counties. The Board unanimously voted a proposed District tax rate decrease from 5.0 cents to 4.5 cents on each \$100 assessed valuation. However, increases in county assessed valuations or ratios in these three counties have resulted in actual tax hikes of 56 percent in Lynn, 60 percent in Armstrong, and 31 percent in Lamb. Notice and hearing are required under Senate Bill 621.

During the regular meeting, Board Members also approved one contract amendment and one new contract with the Texas Department of Water Resources for a combined total of \$102,767 for the District.

The Board also granted 13 well applications, three extensions and seven amended permits before adjourning to attend the Texas Agriculture Experiment Station's Annual Field Day.

## Billy Whitaker

Assistant County Extension Agent

Says...

To most young Americans, good citizenship means voting, respecting the flag and standing to sing "The Star Spangled Banner." To five million 4H members, citizenship means all these things--and much more.

As participants in the national 4-H citizenship program, these boys and girls are responding to the needs, rights and responsibilities of others as they develop their own citizenship skills, points out Whitaker, county 4-H program leader with the Texas Agricultural Extension Service, Texas A&M University System. Across the country 4-H members are helping the elderly, working with the handicapped, teaching low-income children, beautifying their communities and becoming involved in local, state and national issues.

4-H members 9-19 are finding solutions to local problems through research

into the needs of their communities and then taking action to fulfill those needs.

In California, 4-H'ers designed a day camp program for nearly 100 low-income children. A 4-H club in New York carried out a special project for the physically and mentally handicapped. And a group of Florida 4-H members surveyed needs of senior citizens and then planned parties and involved them in a wide variety of recreational activities.

Each year, more than 6,000 boys and girls from across the country meet during the summer in Washington, D.D., at the National 4-H Center for weeklong conferences to learn more about citizenship and their American heritage. They return home to put into practice the skills they

learned while in the nation's capital.

4-H citizenship projects and activities are supervised by the Extension Service. Young people can be recognized for their accomplishments in 4-H citizenship through awards sponsored by The Coca-Cola Company.

Coca-Cola offers recognition for 4-H'ers at all levels of participation: nine \$1,000 scholarships nationally, an all expense-paid trip to the National 4-H Congress in Chicago for one member per state each year, and four medals of honor for each county.

During the congress two of the nine national citizenship winners, along with their counterparts in the 4-H achievement and leadership programs, are selected to receive Presidential Awards. Winners are chosen by the Extension Service and awards are arranged by the National 4-H Council.

To get more details on joining 4-H and getting involved in citizenship programs, contact the county Extension office.

## Terrace Maintenance Important, Says SCS

Lynn County farmers were advised this week that it is important to maintain terraces properly to keep them effective height.

When building up the terrace it is recommended one-way breaking plow be used. This will build the terrace up from both sides and allow more dirt to be thrown up onto the terrace. Tandem or chisel the terrace to prepare it for planting.

"It is best to plant the terrace in wheat or rye as these are both good cover crops. By the time the windy season arrives this winter the terraces should have an effective windbreak...all of these things will benefit the terrace as well as the farmland the terraces are on."

**FACTS  
 & FIGURES**  
 In a recent poll, about half  
 the people responding  
 thought the profit margins  
 of U.S. industry was 37 per-  
 cent or higher and that  
 "fair" profit margins would  
 be 20 percent or more. Ac-  
 tually, even major compa-  
 nies only realize about 10  
 percent.

**Over the past decade,** the  
 prices on products from one  
 major company, Du Pont,  
 have been rising a lot more  
 slowly than the Consumer  
 Price Index. Consumer  
 prices in 1978 were 88 per-  
 cent higher than in 1968,  
 but Du Pont's domestic  
 prices were only 37 percent  
 higher.  
 Continued generation of  
 profits is how business serves  
 the interests of the public.  
 Nearly half of all pretax dol-  
 lars earned as profits are paid  
 to federal, state and local  
 governments in corporate in-  
 come taxes.

**Your Personal  
 MONEY  
 Management**  
 If you're contemplating  
 buying a new car, The  
 Consumer Credit Institute, a  
 counseling service of over 800  
 consumer finance companies,  
 has some suggestions to help  
 you get on the road to saving  
 money.  
 Select a dealer carefully.  
 Be sure the dealer is fully  
 authorized to handle all  
 manufacturer warranties and  
 that he can be reached easily.  
 Read your sales agreement  
 before signing it. See that  
 it is approved by the sales  
 manager and that all oral  
 promises made by the sales-  
 man regarding special ser-  
 vicing or adjustments are  
 included in the contract.  
 A helpful planning guide  
 on sound money and credit  
 management entitled "The  
 Consumer's Almanac" is avail-  
 able by sending \$1 to The

**Broiler Hatches  
 Increase by 11%**  
 AUSTIN—The 21.3 million  
 broiler chicks hatched in  
 Texas during July represents  
 an 11 percent increase over  
 the same month a year ago,  
 according to the Texas  
 Department of Agriculture.  
 Slaughter of broilers was  
 also up in July, by some 14  
 percent, while the 876,000  
 turkey poult hatched in July  
 increased four percent over  
 1978.  
 July egg production was  
 pegged at 224 million, up 8  
 percent from July of 1978.  
 The number of laying hens on  
 hand totaled 11.3 million, 6  
 percent more than last year.  
 The number of egg-type  
 chicks hatched in July was up  
 22 percent from a year ago,  
 and totaled 2.3 million.
