MAYBE YOU think you've had a bad day, and perhaps you have, but it's human to somehow feel a little better when you discover that other folks have problems just as bad, or worse. So here's a story about a hard day endured by a Lynn County housewife last week.

The Apostle Paul says we grow through adversity, so maybe this woman will be a stronger person now despite what happened. (The names of the people involved in this story have been omitted to protect the guilty).

Anyway, the first part of the day was only fairly hectic, but she was expecting company that evening for dinner, so naturally had to make a few plans. First, she made an appointment with the beauty operator so she'd look her best. But while the operator was washing her hair, the operator was a bit vigorous, her hand slipped, and her fingernail cut a gash above the woman's eyebrow. She said she "bled all over the beauty shop," which, we suppose, is revenge of sorts.

After a bit of first aid treatment she got away from there, knowing that the hairdo made her look better, but the scratch over the eye didn't do much for her appearance or morale.

On the way home she went by and bought groceries, something over \$18 worth, including some of the nicest big pork chops she'd seen in a long time. The sack was heavy, so she set it down outside the door and went on into the back part of the house. Her husband called out a greeting from another part of the house, and she answered, making a request for him to please carry out the trash, since they were expecting company. Being a obliging husband, he did so, taking the trash to the incinerator and setting it on fire.

Sure enough, it was just a few minutes after that when she got ready to put them up that she missed her groceries. "I know I took those groceries out of the car," she puzzled. Then, realizing what must have happened, she ran out to the incinerator, where everything was burning beautifully. Looking down into the flames she could see the package of Baby Ruths for her son, the potatoes, the beautiful pork chops, and so forth, all beyond recovery.

She went back to the grocery for more things, and quickly grabbed more pork chops and ran, not wanting to explain what had happened. "I even went to a different checkout lady," she said humbly.

## City-County Member Of Tax Board Named

Lynn County Commissioners and Tahoka City Council met jointly Tuesday morning and named a representative to serve on the five-member tax appraisal board which county taxing units must set up to administer a state-mandated uniform tax appraisal system.

Under the program, all property will carry the same assessed value throughout the county, with schools, cities, the county and other

taxing jurisdictions to use that figure as it applies to their individual tax rates.

The city and county together qualify to name one member to the 5-person board, and named Larry Hagood as their representative. The Tahoka Independent School District will name one person, and one each will be named by the New Home city and school, the O'Donnell city and school, and Wilson city and

school district.

So far as was known Tuesday, none of the other members had been named. The five-member group will hire an appraisal firm to reappraise all property in the county.

Bids were opened by the county Tuesday on a new road maintainer, and the bid was awarded to West Texas Equipment Co. for a Caterpillar at a net price of \$29,543. Yellowhouse Equip-

ment Co. of Lubbock submitted a slightly lower bid of \$29,000, but the commissioner in whose precinct the equipment will be used expressed preference for a Caterpillar since this is the type of equipment his crew is accustomed to using. A third firm offered a bid of \$32,400.

Commissioners discussed the possibility of combining some voting boxes for the Nov. 6 election on three

proposed amendments to the Texas Constitution, but decided to keep all boxes open on that date for the convenience of the voters.

Judge Melvin Burks reported to the group that a letter had been received from the Texas Commission on Jail Standards mentioning certain things that should be done to the Lynn County jail to meet those standards. The letter made it clear, however, that so long as a county

appears to be acting in good faith to remedy all shortcomings the commission will not issue ultimatums.

Also approved was a request by General Telephone Co. to install underground cables in three areas of the county, and the group approved appointment of Frank Barrow of Tahoka as the county's representative on the South Plains Housing Authority.

## Arrests Clear County Burglaries

Arrest of three persons in Lubbock during the last week has cleared up at least seven burglaries in Lynn County. Sheriff Norvell Redwine said

Tuesday. Sheriff's deputies, who have been working long hours on burglary investigations during the last couple

of months, assisted deputies from Lubbock and Texas Rangers in making the arrests of the three Mexican men, all in their mid-20's,

and credited information from citizens in Lynn County. Lubbock and Hockley with leading to the arrests.

"Some citizens gave us some good information which by itself didn't mean a lot, but which added to what others told us, gave us a pretty good idea of what type of vehicle to look for," a deputy said.

He added that charges against the three were expected to be filed this week, and also indicated that other arrests may be forthcoming in the case.

**Daylight Crimes**  
Apparently the burglars

struck at homes out in the country in all three counties involved, in daylight hours when the residents were absent. Two more daylight burglaries which occurred in Lynn County last Thursday were among those cleared by the arrests, deputies said.

These included the residence of J.R. Ash, a mile south and 1 1/2 miles west of Grassland, where four television sets, a stereo record player, assorted meats from a freezer, adding machine and other small items, total value of \$1,462, were stolen. The other one was three miles northeast of Wilson at

the Donald Klaus residence, where two guns, a guitar, three cameras, tennis racket and jewelry box with jewelry were taken.

The jewelry items later were found thrown out south of Union, and some of the other items in both these burglaries were recovered from the suspects.

### 18 Burglaries

The sheriff's department said there have been 18 burglaries reported in Lynn County in the last three months, and they expect the arrests will clear up many of the remaining 11 cases after further investigation.

Tahoka Police Dept. also had some burglaries and thefts to contend with during the week, and investigated one wreck.

The wreck on the high school parking lot Tuesday involved a Ford driven by Cathy Ann Meeks, 1821 N. 2nd, and a 1974 Chevrolet driven by Elton Joe Pierce of Tahoka.

Also Tuesday, a black and white television set was reported stolen from Tahoka Cafeteria, plus about \$70 in change. And coin boxes at a car wash on U.S. 87 access road were damaged in an apparent unsuccessful attempt to get the money out.

A disturbance at Echo 87 Motel Sunday resulted in the arrest of a man who later paid a fine before Justice of the Peace Ed Hamilton. And a gas heater was reported stolen Tuesday from the porch of a house on S. 4th, owned by Dixie Newsom.

Police issued two tickets for parking and talking in the middle of the street, and one for reckless driving.

## First Cotton Bale Ginned

Tahoka's first bale of cotton was ginned Monday morning at Louder Gin and John Chapa Jr. was declared winner of the Tahoka Chamber of Commerce's \$100 cash award to the producer of the first bale here this season.

Chapa, who gathered the bale from about five acres on the Maud Jones farm just south of U.S. 380 next to the

U.S. 87 access road, also received free ginning and another \$100 from Louder Gin.

The bale weighed 530 pounds, ginned from 2080 pounds of seed cotton, with 1020 pounds of seed resulting. It was planted about May 25, gathered by hand, and was ginned at 7:30 a.m. Monday.

The bale was on display at First National Bank this week. It is believed to be the first bale in the county this season, also.

Cotton in the county continued to look good this week, with weather, of course, still the major factor which will determine how good this year's crop will be. Most cotton is late because of replanting, but if the first freeze is not early, a good crop seems likely.

Oages gained 87 yards in 9 carries and Brown ran 12 times for 75 yards. Chapa gained 16 yards in 7 efforts.

Longest gain of the evening was a 47-yard pass play from Brown to Tracy White, who also caught another for 14 yards. Brown hit on three of four passes for 70 yards.

Quarterback Todd Brown also turned in a top game on offense, scoring once himself, and Tracy White boosted his rushing totals to better than 100 yards per game with a 109-yard performance on 20 carries, an average of 5.5 for the game.

Tahoka used running by Oages and White for most of the yardage in a 55-yard scoring drive in the first period Friday night. Brown hit end Brad White on a 9-yard pass to the Dimmitt 8, dribbling the ball and then shooting it to White on a basketball-type play. As Brown dropped the ball, it bounced back up to him and he passed it to White. Two plays later Oages went 9 yards to score around the right side, with 3:39 left in the first. Guard Kevin Elmore kicked the first of his three extra points for the evening.

### Close Encounter

Dimmitt came back strong in the second quarter to a first and goal at the 7, and then a third and goal at the 1, but fumbled into the end zone and Brad White recovered to give Tahoka the ball on the 20. From there Tahoka drove 80 yards to score, with the drive including runs of 18 and 11 yards by Tracy White. The score came on a nifty keeper by Brown, who broke away 22 yards to the touchdown. Elmore's kick made it 14-0 and this was the halftime score.

## Bulldogs Slap Dimmitt 21-6

By DALTON WOOD  
The Dogs and Cats played last Friday night at Dimmitt and when the fur

was flying, Tahoka had its first game of the year, 21-6 over Dimmitt. The Bulldogs appeared to have improved over their last outing this week, though Dimmitt did not try to test the Tahoka pass defense which had broken down in the opening game. And when the Bobcats try a few passes, the defense looked good, with Oages intercepting two of the three pass efforts Dimmitt.

This week Tahoka takes

another long trip, this time to Crane, where the Golden Cranes will be waiting with the Cunningham boys as their main offensive threats. Senior Greg Cunningham is quarterback and Brian Cunningham, 160-pound junior, is Crane's main running threat in a veer offense. Crane lost the opening game to Denver City 26-0, then beat Marfa, following up with 19-13 win Friday night over Coahoma, so the Cranes appear to be improving weekly.

### Oages Scores

Oages scored two touchdowns, intercepted two passes, and maintained his

OP GAINER--Tracy White, running here against Dimmitt last week, is averaging more than 100 yards per game rushing in two contests.

CRUISING CLIFFORD--Tahoka running back Clifford Oages heads to his left in this action against Dimmitt last week. Oages gained 87 yards in the game on just 9 carries, and scored two touchdowns.

## Shoppers Now Signing For Festival Prizes

Shoppers in Tahoka this week began registering for prizes to be given away at the annual Harvest Festival Oct. 13 as plans for the event continued to take shape.

It was emphasized that persons may register as often as they wish, without charge, but they must be present to win when the names are drawn downtown on Oct. 13.

The Fair Committee is urging everyone to enter wares to be exhibited at the downtown building formerly occupied by Anthony's and Western Auto.

Winning entries in the 3 p.m. Friday parade will get cash prizes, and window displays in stores will be judged on Thursday, Oct. 11, with a first place plaque for the harvest theme and another for the best spirit theme, as the festival is held in conjunction with the high

school homecoming.

Twenty-six girls are selling tickets as votes for the queen title, and the ones who sell the most will be finalists. Proceeds from this ticket sale go to help pay for Harvest Festival expenses, and the donation is tax-exempt, it was reported.

## Water Well Survey To Be Conducted

An intensive field survey of water wells in the High Plains area will begin in October, conducted by personnel of the Texas Department of Water Resources. Purpose of the survey will be to obtain measurements on the depth to water in the aquifer from land surface, with one measurement for every 10 square miles.

The survey is a part of a multi-state study to evaluate the vast Ogallala Aquifer.

TDWR personnel will work in the field gathering and recording depth-to-water measurements from wells included in a statewide network of observation wells, and will also attempt to obtain additional measurements from wells not in the network. Measurements are made by lowering a steel tape down the well's casing until it is in contact with the water in the well, observing and recording the depth to the water, and retrieving the tape. The process requires

only a few minutes and care is taken not to disturb anything in or around the well.

According to a TDWR spokesman, the department has received warm cooperation from the many well owners throughout the High Plains in its effort to document changes in water levels through its annual measurement program in the statewide network of observation wells, and is seeking and confident of receiving the same cooperation from well owners whose wells are not in the network but who will be visited during the coming fall and winter months.

Cooperating in the program are the High Plains Underground Water Conservation District No. 1 in Lubbock. Each district will be responsible for measuring wells in its area. Lynn County is included in the study area.

Three excellent catches were made by Mustangs Michael Lopez, David Ehlers, and Joel Vasquez. Spears then took the ball in with a 7 yard run for the TD.

The Mustangs are 2-0 for the season and will play at Smyer this Thursday evening - game time has been moved to 5 p.m.

The Homecoming Parade is set for 7:30 p.m. Thursday followed by the Pep Rally and Bonfire.

The Wilson Lions Club will sponsor its annual barbecue this Friday afternoon in the school cafeteria. Serving time will be from 5:15 to 7:15 p.m. Prices are: Adults \$3.50 and Students \$2. Any barbecue left over will be sold for \$3 a pound.

Candidates for Homecoming Queen and Beau were announced last Friday afternoon at the pep rally. The Queen and Beau will be crowned this Friday night in a ceremony preceding the Smyer ballgame.

Queen nominees are: Stephanie Cook, Kerrie Lee, and Debra Hagens. Stephanie, daughter of Mr. and Mrs. Dan Cook, is a senior

and has been a cheerleader for the past three years. Stephanie's other recent honors include senior class officer, band officer, FHA officer, Miss WHS for 1978, Girls State Representative, regional qualifier in golf, and One Act Play last year.

Kerrie, junior and daughter of Mr. and Mrs. Bobby Lee, is Head Cheerleader this year and has been a cheerleader the past two years also. Kerrie is the reigning District FFA Queen. She is a member of the varsity basketball team, was regional qualifier in tennis and track last year and a member of the One Act Play.

Debra, daughter of Mr. and Mrs. Loyd Hagens, is a junior and Head Twirler for the Mustang Band. Debra has also been a twirler for the past two years. She is junior class president, FHA officer, member of the varsity basketball team, regional qualifier in golf last spring, sophomore class favorite and Homecoming nominee last year. Debra is presently reigning as Lions Club Queen.

Pep Squad Beau nominees are Quintin Talkmitt, Jox Cox, and Randy Moczygmba. Quintin, senior and son of Mr. and Mrs. Monroe Talkmitt, is a Mustang captain for the second year. He plays offensive tackle and defensive linebacker. Quintin presently leads his teammates in total number of tackles for the season. He was chosen all district both offensively and defensively last year. He was selected as a member of the Top of Texas South Plains Class B defensive team this year.

Quintin was a regional qualifier in track last year, junior class favorite, FFA and class officer last year, member of the varsity basketball team, and beau nominee his junior year.

Jon, son of Mr. and Mrs. Gary Cox, is a senior and quarterback for the Mustangs. He plays defensive end also. Jon is senior class favorite, a member of the varsity basketball, track, tennis, and golf teams. Jon is active in band and FFA.

Randy, son of Mr. L. B. Moczygmba, is a senior and captain of the Mustang team. He plays offensive center and defensive tackle. Randy was selected all district defense last year. He was a regional qualifier in track, President of FFA, UIL Informative speaker, and One Act Play his junior year.

Bob and Janice Lee attended their daughter Tracy's Convocation last Friday evening at the Activity Center Ballroom at West Texas State University. Along with 80 other girls, Tracy received her nursing cap signifying that she is a junior nursing student. Tracy is half-way through her training on the way to earning a Degree in Nursing.

Wilson will play at home Friday at 8 p.m. against Smyer. The Mustangs are now 2-1 for the season.

## Amherst Gets Revenge On Mustangs

Last year the Wilson Mustangs upset the state ranked Amherst Bulldogs 28-0 giving them their first loss of the season. Amherst went on to win their zone only to lose to Valley in the district play-off with a 9-2 season record. Sixteen starters off that '78 team returned this year with revenge on their minds. They got their revenge last Friday night as they shut-out the Mustangs with the same score 28-0. From the moment Amherst stepped on the field until the game ended they were fired up and ready to play ball. The highly talented Bulldogs capitalized on several Mustang mistakes and simply controlled the ballgame.

After the opening kick-off and three offensive plays the Mustangs were forced to punt deep in Bulldog territory. The ball was centered high over the punter's head. The Bulldogs took possession and scored one play later. The after point was good. Their next possession in the first quarter ended a 57-yard drive with a touchdown and after point for the Bulldogs.

Amherst scored their 3rd TD with 2 minutes left in the first half when they drove the ball 97 yards to paydirt. The half ended 21-0 in the Bulldogs favor.

Early in the third quarter the Mustangs had one penetration but were unable to score. The final score came in the 4th quarter with 3 minutes left on the clock - the Bulldogs blocked a Mustang punt and scored seconds later.

Amherst displayed their fine offensive talent as they totaled 406 yards rushing, 20 first downs, and 11 yards passing. The Mustangs never got it together after the first shaking moments of the ballgame. They were held to 6 first downs and 143 yards rushing.

Mustang Randy Hall had 71 yards on 16 carries as leading rusher. Quintin Talkmitt had 21 tackles followed by David Weaver with 19, Mitch Bartley and Billy Bishop each with 14.
