City Awards Contract On Water-Sewer Job

Bids on construction of new waterworks and sewer line facilities in the city, plus renovation and improvement of existing facilities were opened by Tahoka City Council Monday night, and a contract was awarded to the low bidder, Plains Utility Co. of Lubbock.

The low bid was so favorable to the city that additional work on the water and sewer system in the city will be possible from the \$250,000 bond issue voted by citizens here last May. Plains Utility bid \$147,387 on the job and said it could finish the project in 220 days. This was slightly under the second low bidder, but about \$50,000 less than a third bid received.

Consulting engineer A.C.

Bowden told the council that he estimated other expenses in the project to bring the total cost up to about \$212,140, which would leave more than \$37,000 for additional work on the water-sewer system. Mayor Meldon Leslie commented that "the system certainly can stand a lot more improvements" so the council elected to go ahead and issue the \$250,000 bonds. An ordinance making the bond issue effective was approved after being submitted by Joe Smith, a bonding company representative.

Other Expenses

Among expenses which Bowden estimated was \$30,000 for cleaning and repairing existing tanks, an item not included in the overall bid by Plains and the other bidders.

Councilmen also approved

a contract for a new firemen's pension fund which will provide firemen or their widows \$50 per month, compared to the present payments of \$25 per month. The new plan would not affect the payments now being made, but would apply only to those retiring in the future.

An ordinance was passed governing the use of curbing around cemetery lots, placement of flowers and other gravesite decorations, construction of vaults and other related items at the cemetery. The new rules, adopted on the recommendation of the new cemetery board, also

included restriction against out-of-town funeral homes making cemetery setups, but does not prohibit those funeral homes from conducting services at the cemetery.

Paving Bids

Bowden also discussed briefly with the council preparation of specifications for bids on paving and other related work which are to be paid for by a \$500,000 Community Development Block Grant from the federal government. The paving and other work will be in the east and south portions of the city, designated as an area with heavy concentration of low-income residents.

In addition to that grant already approved, the city voted Monday night to make a pre-application for another federal grant for projects in the same geographical areas of the city the following year. The grant being sought also would be for \$500,000 and would mostly be used for extension of sewer lines and for upgrading substandard housing in the areas named.

An ordinance relating to the use of gas street lighting in the city also was approved by the council at the request of Pioneer Natural Gas Co.

Light County Vote Favors Two Issues

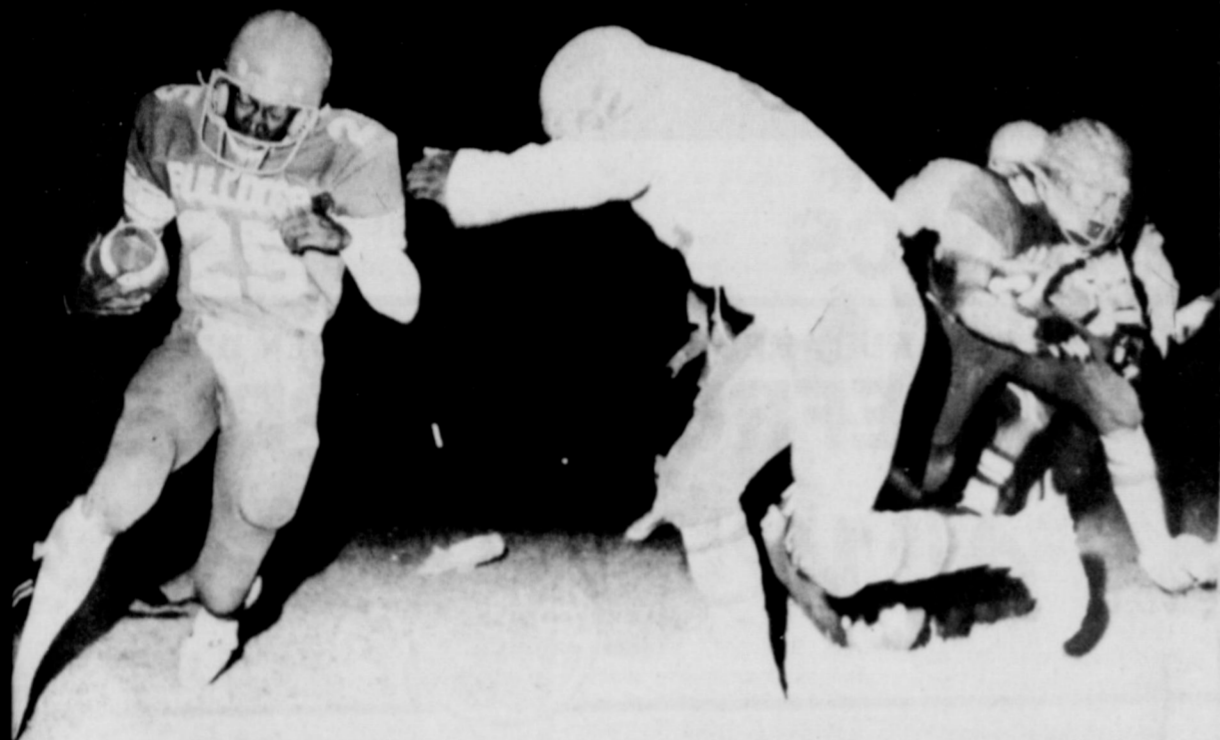

About 10 per cent of the eligible county voters cast ballots on the three proposed amendments to the Texas Constitution Tuesday, as 410 persons went to the polls.

Lynn County voters favored the guaranteed farm loan amendment, No. 3, by 353-53. This is a measure sponsored by Sen. E.L. Short of Tahoka. County voters gave approval to No. 1 by 271-136 and voted against No. 2, 225 to 178.

Deadline for News Items Noon Tuesday

Blood Drive Set Tuesday

Persons willing to donate blood to help those who need blood in the area are asked to report to the Fellowship Hall of First United Methodist Church in Tahoka between the hours of 4 and 8 p.m. next Tuesday. The blood drive is sponsored by Phebe K. Warner Study Club.

SCORES FOUR TIMES--Tracy White of Tahoka scored four touchdowns against Frenship Friday night, including two on interception runbacks. Here he carries the ball for a gain as the Tigers' Victor Bugg attempts a tackle. In background is Bulldog guard Jacky Jolly.

Dogs Beat One Tiger, Now Root For Another

By DALTON WOOD

The Tahoka Bulldogs exploded with 36 points in the last half here against Frenship Friday night to blow open a game which was only 13-7 at halftime. With fleet Tracy White leading the way with four touchdowns, the Bulldogs raised their season record to 6-2 overall and 4-1 in district.

Tahoka goes to Post this week, but much of Dog City fans' attention will be on the game at Slaton, where the unbeaten Tigers play Seminole to see who leads the district standings. Tahoka fans are hoping Slaton will win, so Tahoka will have a chance to tie for district with those two teams by beating Slaton in the last game here next week.

The Bulldogs' only loss in district has been to Seminole (20-12) and a win by Indians will just about sew it all up for Seminole. Comparative scores should make Seminole a slight favorite over Slaton.

Post Dangerous

It could be all academic, however, if the Bulldogs are thinking too much about the Slaton-Seminole game Friday night, because Post does not have a weak team. The Antelopes were beaten 42-20 by Seminole last week, and anybody who can score three times on Seminole can't be too bad.

Frenship made a game out of it for a half Friday, but in the last half it was all big plays on defense for Tahoka, with the biggest of all being a 101-yard run by White with an intercepted pass. White also returned another interception 40 yards to score, and Clifford Oages returned a punt 75 yards for another TD. In addition to all this, Quarterback Todd Brown scored twice, once on a nifty 39-yard run.

Tahoka drove for a touchdown on its first possession, going 84 yards, on the ground. Biggest play of the drive was a 29-yard scamper by Willie Ray Mitchell on a reverse. White made the first score on a 15-yard run, cutting inside left end and tackle. A kick was no good, and it was 6-0 at 4:12 in the first.

Thompson Recovers

Tahoka's second tally was set up when Tackle Luchion Thompson recovered a fumbled Frenship punt snap at the Tigers' 38. Brown bootlegged it in from the 7 a bit later and Guard Kevin Elmore converted to make it 13-0 early in the second

quarter. It took Frenship just 17 seconds to score after the Bulldog TD. Sandy Guerrero returned the kickoff 50 yards to the Tahoka 30 and on the next play running back John Johnson broke loose for 30 yards and the touchdown. Steve Bradford kicked the point to make it 13-7.

White got things going in the second half as he made a remarkable one-handed interception in the flat and raced it in 40 yards for a touchdown, spoiling the play somewhat as he turned just before crossing the goal line and held the ball out at arm's length, taunting the Frenship players with it.

Punt Return

This try for point also was missed, and it was 19-7. Oages made his fine punt return a few minutes later, going down the left sideline behind a bunch of blockers for 75 yards and the score. Elmore kicked this point to make it 26-7, which is how the third quarter ended.

Most exciting play of the game--and the season--came early in the fourth period after Frenship had put on a good drive to a first and goal at the Bulldog 1-foot line. One running effort was stopped short of the goal line and then the Tigers tried a quick pass into the right flat. White stepped in, caught the ball just a yard inside the end zone and raced 101 yards for still another Bulldog TD. Elmore kicked to make it 33-7.

Frenship Drives

Despite being far behind, Frenship put on a couple of good drives in the final quarter which fell short. One drive reached the Tahoka 18, with the big gain being a 32-yard run by Johnson. But Charles Bryson intercepted for Tahoka in the end zone to stop that threat.

Tahoka scored again on a drive that included a 24-yard run by Oages, with Brown getting the touchdown on a 39-yard run after going back to pass, finding no open receiver and then deciding to do it all himself. White threw a pass to Oages for two points to run it up to 41-7.

The final score came after Bulldog Guard Freddy Garcia recovered a fumble at the Frenship 28. Oages took a handoff and passed 20 yards to White in the end zone. White returned the favor by passing to Oages for another 2 points.

Grabs Three

For the game, White intercepted three passes and

SEVERAL PERSONS brought in copies of the County News last week complaining that the inside pages of the paper were all blank and they couldn't read them. We didn't realize that the printing company had sent us blank copies like that, since you couldn't tell if you open the paper up. Probably there were about 20 or 30 copies in all were printed that way. So if you got one of them and didn't bring in back, please drop by and give you a good legible copy and you can read those pages. Or just call us and maybe Betty read it to you.

EVER SINCE I can remember, the Chattermill and Chemical Company has been printing Cardui Calendar, and drug stores over the county have been giving them away free. I have heard that if people are like me, the calendars have not been too successful as a way of advertising their products, despite the fact that they have been putting them out for about a year.

For example, I never did even know how to pronounce "Cardui". I figured Cardui to be pronounced "doeey", but someone who apparently knows more tells me it is more like "car-do-eye". Cardui is one of the products the calendar companies, and I won't say much about that, except that women are supposed to buy it, but most of them apparently don't.

They also sell Soltice cough syrup, quick-rub nasal spray, none of which I ever heard of before, and my druggist friends say they know a little of it.

There is one product they promote which I remember quite well from my childhood. That's Draught, a laxative, and unless they have made some drastic changes in the stuff from when I used to give it to me, it is the most disgusting medicine anybody ever forced on a child. I remember it, anybody who would make a child take that stuff when the kid is too little to be ought to be arrested.

Incidentally, the spaces on the calendar are like Black Draught as a "Laxative for children" which is understandable, since anybody ought to throw the spoon across the room when going to take it.

Calendars have weather charts on them, and sometimes they are remarkably accurate. I remember they are made up a year in advance. I remember this month's prediction was for snow in the Rockies and across the Plains around Nov. 15. I'm sure enough there was. (That may not be as accurate as I think; for all I know, it may snow in the Rockies around the first of every month.)

There will be some snow in the southwest Nov. 8-11, so we will see.

Theresa McMillan and Danny Stanley Exchange Vows

Theresa Ann McMillan and Danny Jay Stanley exchanged vows in a 7 p.m. ceremony Saturday, Nov. 3 at the First Baptist Church of Lubbock. The Rev. Harry H. H. H. officiated. The bride is the daughter of Doris McMillan and her late husband, Mr. and Mrs. Pete McMillan of O'Donnell. The groom is the son of Mr. and Mrs. Minard Reed of Lubbock. His grandparents are Mr. and Mrs. J.M. Stanley of Tahoka and Mr. and Mrs. O.J. Stanley. The bridesmaids were Cheryl Roberts of Tahoka and Cheryl Roberts of Lubbock. The groomsmen were dressed in white suits. The bride wore a long train edged in white lace gown. Her bouquet was white flowers with baby's breath. Her finger tip veil was attached to a headpiece edged in chantilly lace. The reception honoring the

couple was held in the Fellowship Hall of the church. The serving table was laid with a lace cloth and centered with a gold candelabra with white carnations. The 4 tiered cake was decorated with blue flowers and topped with a miniature bride and groom. The cake was made by the bride's cousin, Suzanne Beatty of Cortez, Colo.

The couple will make their home on the T-Bar Ranch in Tahoka.

Out of town guests for the wedding and in the home of Mr. and Mrs. Pete McMillan were Mrs. Dorris Cross of Durango, Colo.; Mrs. Suzanne Beatty, Tammie, Melissa and Teresa; Mrs. Vicki Feldman, Dannah and Chad of Hugoton, Kan.; and Mr. and Mrs. Bud McMillan, Pennye, Jana and JaLee of Lubbock.

Bake Sale Planned Here By Explorers

Explorer Post 721 will be having a bake sale Saturday, beginning at 8:30 a.m. at Piggly Wiggly.

The money the Explorers make will be used to buy equipment for their post.

FIVE GENERATIONS--Seated: Mrs. Louisa Melinda McRoberts; left to right: Melinda and Mrs. Julie Melinda Fleming, Mrs. Sammie Lou Mantooh, and Mrs. Louise Adele Norman.

Five Generations Share First Name

One Texas lineage has turned on tradition and it is the females that have carried on the family name for the past five generations. Mrs. Louisa Melinda McRoberts, a resident of Amarillo, has shared her name with the four generations of daughters that follow her.

Mrs. McRoberts' daughter, Mrs. V.C. Norman, of Denton, formerly of Amarillo was named for her mother. The Normans' only daughter, Mrs. Ricky Mantooh (Sammie Lou), of New Home, was named for both her grandmother and grandfather. The first daughter of Ricky and Sammie Mantooh was the third namesake as Julie Melinda was given her great-grandmother's middle name. Julie and her husband, Jon Fleming, of Seminole welcomed their first arrival in July, 1979, and Jennifer Melinda Fleming became the fifth generation to share a name.

Living to see four generations take her name is certainly a distinction, but prior to the birth of her fourth namesake, Mrs. McRoberts became quite a celebrity. In April, 1979, the Amarillo media shared with its readers and viewers, the woman's reactions to celebrating her 100th birthday. She received a card for every

year of her age, was interviewed by the press, and received birthday greeting from President Carter.

Mrs. McRoberts moved to Amarillo in 1950 after living in Floydada for many years. Mrs. McRoberts made a home for her children and herself when her husband died in 1929. She remained in her own home until she moved, at age 95, to the Georgia Manor, in Amarillo.

The five generations which span 100 years exactly, claim some similarities or family traits, and also some differences. Mrs. McRoberts remembers her father as a strict Presbyterian minister and her school teacher. Three generations later, her namesake was reared by school-teacher parents. Mrs. McRoberts is the first of the "little women" as the heaviest of the five weighs only 107 pounds.

Unlike in some families who have kept the one denominational faith for generations, the five have come to represent the Presbyterian, Baptist, Methodist churches and the church of Christ while a deep and abiding practicing faith is an important part of all their lives.

Sherry Etheredge Says....

Ever wondered what it is that makes popcorn pop? According to home economists for the U.S. Department of Agriculture (USDA) it's the moisture inside the kernel.

Most popcorn is a special hybrid, being horny or corneous throughout, except for the germ (sprout) and a small core of soft starch behind the germ. The moisture content of the kernel must be exactly right and heat must be applied at a definite degree of rapidity if the kernel is to pop perfectly. When heat is applied and the pressure of the steam formed within the kernel becomes greater than the kernel structure can resist, the hard, horny kernel suddenly explodes.

Other types of corn will also pop, but not have the expansion capacity of popcorn--30 to 40 times its original size.

How well it pops depends on its moisture content--about 14 per cent seems best with oil in an electric popper. A slightly higher moisture content might help for dry popping in a wire or oil less popper.

When using oil, you should use about 1/4 cup to one cup of corn. Any oil which can stand the high temperature is satisfactory. For best results, the popper should be hot--from 360 degrees to 420 degrees F. Popping should begin about 60 seconds after the corn is placed in the oil.

Store your popcorn so that it will retain its moisture. Popcorn stores best in a glass jar with a tight lid--this maintains correct moisture supply to insure satisfactory popping.

If the corn is so dry that it doesn't pop well, water can be sprinkled into the storage jar. Replace the lid and shake thoroughly. Keep the jar closed for at least a week so corn can absorb the moisture well.

There are no U.S. standards for popcorn, according to USDA's Federal Grain Inspection Service (FGIS), but each commercial company operates their own quality control program.

Wild game fat becomes rancid quickly so you'll need to trim fat closely. Rub the roast with salt pork, butter, margarine, beef suet, bacon fat, vegetable fat or sweet or sour cream to put back moisture, richness and flavor. Baste with additional fat. Cover roast with marinade and let stand in refrigerator at least 24 hours.

For outdoor cooking, place roast in an aluminum pan and wrap with foil. When the coals are glowing, set on grill and cover, if possible. Allow 20 to 25 minutes per pound.

Try this Savory Roast served piping hot. (Game fat solidifies quickly.)

Savory Roast
5 pounds roast, trim fat
1/4 cup cider vinegar
1 tablespoon flour

1/2 cup chili sauce or catsup
1 teaspoon worcestershire
1/2 teaspoon chili powder
2 teaspoons salt
1/4 teaspoon pepper
2 tablespoons honey or brown sugar
4 strips of bacon
1/2 cup butter or margarine
2 cups hot water
flour

Wipe roast with damp paper towel. Make paste of vinegar, chili sauce or catsup, one tablespoon of flour, worcestershire sauce, mustard, chili powder, salt, pepper and honey or brown sugar. Lay strips of bacon over top and hold in place with toothpicks. Dot with butter or margarine and pour water around meat (in aluminum pan). Wrap in aluminum and place on grill. Baste occasionally. Use flour to thicken drippings for gravy. Serves 8.

Tahoka School Menu

BREAKFAST--
MONDAY--Hot oatmeal, buttered toast, apple juice and milk.

TUESDAY--Honey buns, pineapple, and milk.
WEDNESDAY--Cereal (Raisin Bran), orange halves and milk.

THURSDAY--Pork sausage, hot biscuits, grape juice and milk.

FRIDAY--Donuts, sliced peaches and milk.

LUNCH--
MONDAY--Spaghetti and meat sauce, buttered potatoes, tossed salad, cornbread and easy jello salad.

TUESDAY--Baked ham, mashed potatoes, seasoned blackeyed peas, hot rolls, and chocolate pudding.

WEDNESDAY--Turkey and dressing, seasoned green beans, cranberry sauce, hot rolls, and fruit salad.

THURSDAY--Seasoned pinto beans, buttered potatoes, seasoned spinach, cornbread, and peanut butter cookies.

FRIDAY--Hamburgers, French fries, lettuce, onions, pickles and cherry cake and icing.

Tahoka Garden Club Will Host Central Zone Meeting Tuesday

Tahoka Garden Club will host the Central Zone Meeting of District 1 Texas Federation of Garden Clubs, Inc. on Tues. Nov. 13 at the First Methodist Church.

Registration will begin at 9:30 a.m. with a coffee in the church parlor.

The business meeting will be called to order at 10 a.m. Mrs. T.H. Cokeland, of Levelland is Zone Chairman and Mrs. Clifford Tankersley of Tahoka is General Chairman.

Towns included in the zone are: Brownfield, Idalou, Levelland, Lubbock, Matador, Morton, Olton, Plains, Ralls, Sundown, Whiteface and Tahoka which represents 18 garden clubs.

Phebe K. Warner Club will cater the luncheon in fellowship hall, during which time the dress shops of Tahoka will present a fashion show to be followed by a program on new techniques of growing plants by Mrs. Chris Easton of Lubbock.

Door prizes will be given by Tahoka merchants.

Musical At Church Sunday Night

The musical, "Come Together", by Jimmy and Carol Owens, will be presented Sunday night at 6:30 at First Methodist Church by the combined choirs of Oakwood Methodist Church of Lubbock. This musical combines choir, solos, and special groups, with congregation participation in a praise service.

The director of the choirs is Miss Kay Reed, music and education director of Oakwood Methodist Church. Miss Reed is from Spearman, and is a recent graduate of McMurray College with a degree in church music. Soloists are Dean and Sheree Rogers, with Mike Swearingen playing the guitar, and Dean Rogers playing piano.

Following the concert, which will last an hour, the Wesleyan Guild will host a sandwich supper in Fellowship Hall. First Methodist Church extends an invitation to the people of Tahoka to attend this praise service.

SCHOOL BOARD MEETING RESET

The regularly scheduled meeting of Tahoka Independent School Board, usually held the second Thursday of the month, has been rescheduled for this month on the 15th. Meetings are open and anyone may attend. The sessions are held at the high school.

Stork Market

Mr. and Mrs. Cliff Gardner of Odessa, Texas are the parents of a daughter, Tonya Lynne born Oct. 28 in Women's, and Children's Hospital in Odessa. Tonya weighed 7 lb. 9 oz.

Grandparents are Mr. and Mrs. Clifton Gardner of Tahoka and Mr. and Mrs. Dick Hardwick of Gallup, New Mexico.

Danger Of Fire Here Is Seen

With the ginning season underway, and with lots of weeds around in very dry condition, residents of Tahoka and surrounding area were warned this week to take special precautions to avoid costly and dangerous fires.

Jerry Ford, fire marshal for the city, asked citizens to be careful with matches and with cigarettes. He pointed out that many fires start from lighted cigarette butts being thrown down carelessly.

SOUTHWESTERN PUBLIC SERVICE

OBITUARIES

Clay Mitchell

Services for Clay "Billy" Mitchell, 74, of Rt. 1 Wilson will be at 10 a.m. Wednesday in the White Funeral Home Chapel with the Rev. Newton Starnes, pastor of the First United Methodist

Church here, officiating. Burial was in Tahoka Cemetery under the direction of the White Funeral Home. Mitchell was found dead at his home about noon Monday. Justice of the Peace Ed Hamilton ruled the death was of natural causes. He was born Nov. 21, 1904

in Buffalo Gap and moved to Lynn County when he was very young. He attended school in New Home. He was a retired farmer and a member of the Methodist church.

Survivors include a sister-in-law, Clara McCrary of Brownfield, and a number of nieces and nephews including Mrs. Roy D. Best of New Home. Palbearers were Stewart Rice, Donnie Morris, Nathan Morris, Travis Shelton, Wayne Tekell, and H.D. White.

Fermina Ortiz Castillo

Services for Fermina Ortiz Castillo, 58, of O'Donnell were held at 2:30 p.m. at St. Pius X Catholic Church Wednesday with Patrick Hoffman officiating.

Burial was in O'Donnell Cemetery under direction of White Funeral Home.

Mrs. Castillo died at 9:30 p.m. Monday in Medical Arts Hospital in Lamesa.

She was born in Buda, Texas July 7, 1921. She moved to Lynn County in 1942 from Kyle, Texas and married Tiofilo Castillo Oct. 1954 in San Antonio. She was a member of the Catholic Church.

Survivors include her husband; one daughter, Mary Castillo; two sons, Tiofilo Castillo, jr. and Joe Castillo, all of the home.

Sadie Vandaveer

Services for Sadie R. Vandaveer, 90, of O'Donnell were held Tuesday at 2 p.m. in the First Baptist Church of O'Donnell with the Rev. Harry Kennedy, pastor, officiating.

Burial was in O'Donnell Cemetery under the direction of White Funeral Home.

Mrs. Vandaveer died at 5:15 p.m. Sunday in Medical Arts Hospital in Lamesa after a brief illness.

She was born July 12, 1889 in Charleston, Ark. and moved to Lynn County in 1906 from Knox County. She later settled in the Draw Community and moved to O'Donnell in 1967. She had owned a cafe in Seagraves at one time and had worked in a college cafeteria before her retirement.

Survivors include two sons, Sam Franklin of Kodiak, Alaska, and Lawrence Franklin of Childress; a sister, Willie A. Phillips of Redmond, Ore.; 12 grandchildren and nine great-grandchildren.

Palbearers were David Gary, Elbert Crawford, Oscar Veach, Waymon Pierce, Elvin Ray Moore and Glen Clark.

Ethel Dodson

Services for Ethel Dodson, 84 of Lubbock, were held Wednesday at 11 a.m. at Franklin-Bartley Funeral Chapel.

Mrs. Dodson died at 4:40 a.m. Monday in Lubbock Nursing Home after a short illness.

She was a native of Shelby County who had lived in Lubbock 32 years. She was a member of University Baptist Church.

Survivors include a son, L.T. Foster of Lubbock; a brother, E.M. Rudd of New Home; two sisters, Bula Tadlock of Lubbock and Susie Mathis of Amarillo; six grandchildren and six great-grandchildren.

Draper Family Convenes At Buffalo Gap

Children, grandchildren, great-grandchildren, and one great-great-grandson of the late Mr. and Mrs. I.M. Draper of Tahoka got together at Buffalo Gap, near Abilene, the first week-end in October.

The nine children of the Drapers are still living and were all present at the family reunion, with the exception of the oldest child, Howard Draper, who is a patient in Bur-Mont Nursing Home in Abilene. Others who attended are: Mrs. John (Grace) Dupre, Levelland; Mrs. G.D. (Montie) Foster, Colorado City; Buel Draper, Tahoka; Mrs. Fred (Mabel) McGinty, Tahoka; Robert Draper, Lewisville; Tom Draper, Hereford; Mrs. Cled (Claudia) Palmer, Vernon; and Mrs. Marian Flippin, Sherman.

Eleven grandchildren and 18 great-grandchildren were present, as was Justin Teel of Houston, a great-great-grandson. He is the great-grandson of the Fred McGintys of Tahoka, and the grandson of Mr. and Mrs. Dale Thomas of Longview.

Others besides family members who attended are Mr. Goose Ramey of Dimmitt; Mr. and Mrs. A.P. Stephens of Tahoka; Mr. and Mrs. R.B. Wales of Mertzon; Harry Holt, Abilene; Scott Creighton and Brenda Matheny, both of Abilene.

Cole Brecheen Named to Who's Who

Cole Brecheen, 1976 graduate of Tahoka High School, is one of 46 students at Abilene Christian University to be included in "Who's Who Among Students in American Universities and Colleges," announced Garvin Beauchamp, vice-president for student personnel services at ACU.

Brecheen is a senior accounting major at Abilene Christian University, and plans to attend law school in the fall of 1980. He is the son of Mrs. Mary Brecheen of Abilene and formerly of Tahoka. His wife is the former Marsha Kyle of Longview.

Letter To Editor

Letters to the editor do not necessarily express the views of this newspaper. All correspondence must be signed, and in good taste before it will be published, and the name of the writer must be published also. Letters to the editor may not be more than two double-spaced typewritten pages.

Dear Mr. Editor:

I know its a little late in the season as far as football goes, but we do have other things to look forward to (Spring Contest, etc.).

We're writing in behalf of a group of young people in our High School who has not been recognized and appreciated as they should be. We've heard of our football team and how we must get behind them and support them and I agree with this. But the group I'm referring to is the biggest and most faithful supporters the team has. They never miss a game and they never leave early. They cheer them on until the games have ended. However, when they are on the field, does anyone notice or care how they perform? If so, they haven't shown it.

By now I suppose you've guessed the group I'm referring to and that is the Tahoka High School Band. They work very hard and have taken a lot of discouragement and disappointments, but they get back in there and keep trying. Mr. Wise has tried very hard and I'm sure its very difficult to try to please the students, the faculty, and most and worst the parents

and still do the job he should. We feel we have a good band and if everyone will remember before Mr. Wise came, and compare those times to now, you can see a great improvement. Next game, why not notice the band and show them your support and appreciation. I can't imagine a football game without the band. What a sad thought. So, Go Band Go!

The Mothers of Three Band Students, Linda Owen and Wanda Curry

Dear Dalton,

A great event last Friday night; a very satisfying win over the Frenship Tigers. To the fair weather fans who did not attend, you missed something special. On the field, Coach Shaver and his staff had 26 Bulldogs suited up, and 2 injured players not suited up, and "to a man" they performed admirably. A very determined effort by the defense and a very aggressive offensive performance was turned in by the Bulldogs. Even Coach Joe Brooks came through with a sterling performance.

Enough of this looking back. Have you ever seen a Bulldog on an Antelope

hunt? Next Friday night you will have this opportunity. This hunt will take place in Post at 7:30 p.m. and you must be there to really appreciate this great Antelope hunt. Be there. Thanks for your time. See you in Post Friday night. Sincerely, s/s Dwain Lusk A Bulldog Booster

Bridge Winners

Winners in T-Bar Duplicate bridge were: Mrs. Eunice Hunter and Mrs. Jacquie Chesshir, Brownfield, first; Mrs. Bill Cords and Mrs. Wilson Edwards, second; Mrs. Viola Simmons and Mrs. Juanita Szydoski, Brownfield, third; and Mrs. T.E. Leverett and Mrs. Roy LeMond, fourth.

Thanksgiving Dinner Tickets Now On Sale

Tickets to the Thanksgiving Dinner sponsored by Tahoka Chamberette members are on sale now from Tahoka Drug.

All tickets are \$3 per person and the dinner of dressing and trimmings will be on Sunday, Nov. 11 at school cafeteria.

Proceeds will be used to buy Christmas decorations and there are plans to decorate 25 more downtown this year and social organizations assist in supplying according to Joy Brock

MEMBERS OF THE HEALTH TEAM

Dedicated scientists search for "miracle" drugs for the sick. Pharmaceutical Chemists produce these medicines for safe use. Physicians and Dentists diagnose the cause and proper care. Dedicated nurses assist the treatment.

But no medicine can be a "miracle" drug unless it is almost immediately available. As the Pharmacist member of the Health Team, we have the medicines Doctors prescribe.

A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy?

The Wilson Lions Club will hold its annual Christmas Lighting contest again this year. Anyone in the Wilson Community is invited to enter so you may want to start making plans early. First, second, and third place prizes will be awarded in each of two categories: house and/or yard and door and/or window.

One may enter by mailing or giving the name, address, category entered and directions to the home to John Fields, Box 282, Wilson, or call him at 628-4571 or contact David Wied at 628-3221.

Entries must be received by Thursday, Dec. 20 and will be judged Friday night, Dec. 21.

Prizes for the house and/or yard are: first \$25, second \$15, and third \$10, and for the door and/or window are: first \$15, second \$10, and third \$5.

The junior high Mustangs defeated New Home 36-14 last Thursday evening at New Home. Early in the first quarter Keith Spears scored on a 50-yard run followed by the extra point run by Sammy Nava. The Mustangs came right back with a 52-yard pass from Spears to Joel Velasquez to pay dirt. Nava again carried for 2. The third TD was a 32-yard run by Nava.

In the second quarter,

Roland Ybarra scored from 7 yards out. Ricky Morales scored the extra points. The Mustangs final score was made by Morales in the 3rd quarter with an 8 yard run.

The jr. high will play its final game of the season at home this Thursday at 5:30 against Dawson. The Mustangs will take a perfect 7-0 record into the game.

Don't forget to support the Mustang Band as they are selling pecans. Contact any member for purchase.

Six Mustang football players will play their final game for the Blue and White this Friday night at Dawson. Quintin Talkmitt has been a Mustang captain the past two years and plays offensive tackle and defensive line-backer. He earned all district and all South Plains honors the past two years. He was named Defensive Player of the Week twice this season by the Avalanche Journal. Quintin has led in the number of defensive tackle each game this year totaling 160 for the season so far.

David Weaver, also a Mustang captain, plays offensive guard and defensive noseguard. David also received all district and all South Plains honors his past high school seasons. David has 98 tackles this year.

Another Mustang Captain, Randy Moczgamba, plays offensive center and defensive tackle. "Mooch" received all district honors last year. He has 73 tackles this year and recovered a fumble in the endzone for 6 points in the Meadow game - his first score ever.

Mitch Bartley, offensive end and defensive line-backer, is the fourth Mustang captain. Mitch had 68 tackles this year. He has scored 9 points for the Mustangs.

Robbie Autry was the Mustang with the boxing glove for a few games. He wore it to protect a broken hand. Robbie plays tackle both ways. He has 32 tackles for the year.

Jon Cox has played fullback, quarterback, and defensive end for the Mustangs this year. He has rushed for 237 yards and scored 22 points. He has 61 tackles so far this year.

Wilson Jr. High Schedule

All games start at 5 p.m.

Wilson Band Selling Pecans

The Wilson High School Band is selling Del Cerro pecans from Las Cruces, N.M. The 1 lb. packages contain shelled pecan halves and are \$3.50 each. Contact any band member for purchase of 1 lb packages which are available now.

Thirty more cases have been ordered and will arrive next week. A case, which is 12-1 lb. packages, may be purchased for \$36. This is \$3. a lb. To order a case please contact Nancy Ross at 628-2171 or Barbara Ehlers at 628-2221. The pecans will be delivered as soon as they come in.

The money from the pecan sales will go toward the purchase of new uniforms.

No Smoking Day Slated

The American Cancer society is asking everyone to give up their smoking for one day, Nov. 15, for 24 hours. The event is termed "the Great American Smokeout." Smokers are asked to sign a pledge card saying that they will not smoke, chew, or dip for one whole day. Pledges can also be made to help a friend stop smoking for one day.

Wilson School Menu

BREAKFAST—
MONDAY—Cereal with milk slice toast, and orange juice.
TUESDAY—Pancakes with butter and syrup, pineapple juice and milk.
WEDNESDAY—Cheese toast, diced peaches and milk.
THURSDAY—Cereal with milk, buttered toast and jelly, and grape juice.
FRIDAY—Biscuit with butter and jelly, scrambled eggs, pink applesauce and milk.
LUNCH—
MONDAY—Veg. beef soup, tuna sandwich, one-half apple, crackers and milk.
TUESDAY—Polish sausage, pinto beans, tator tots, cornbread, lemon coffee cake, and milk.
WEDNESDAY—Mexican dumpling, green beans, corn hot rolls, pineapple tidbits and milk.
THURSDAY—Chicken fried steak with cream gravy, cream potatoes, peas and carrots, hot rolls, peanut butter cookies, and milk.
FRIDAY—Hamburger, lettuce, onions, pickles, French fries, catsup, chocolate macaroon cake and milk.

LOCAL PEOPLE ATTEND HORSEMANSHIP CLINIC

Assistant Extension Agent, Billy Whitaker, accompanied by Cleve and Mary Lee Littlepage, attended an Adult Horsemanship Clinic in Coleman, Texas, Oct. 26-28. The purpose of this clinic was to learn how to make your horse perform better.

Instructions were given by film, lectures and group riding. Correcting problems, developing improved riding, and training techniques were stressed. There were also demonstrations on biting, grooming, fitting and feeding the horse. A Western Fashion Show was enjoyed by the group along with a demonstration on the "correct" way to shape a Western hat.

Each adult attending the clinic brought a horse and rode in the group of his or her choice. This was a worth-while and rewarding experience and we expect to pass on the knowledge to the youth who are in the Lynn County 4-H Horse Program. There were 94 persons enrolled in the clinic.

Wilson Slips By New Home, 13-8

Any time Wilson and New Home meet on the football field one can expect an exciting ballgame. The two rivals fought to the final seconds of the buzzer last Friday night at Wilson in a game which could have easily gone either way. But the Mustangs came out on top with a 13-8 final score after a determined offensive passing effort by the Leopards and an equally determined defensive stand by the Mustangs in the closing moments of the fourth quarter.

The Leopards took an early lead in the first quarter scoring on a run from 7 yards out. Their extra point kick failed. The Mustangs came

alive offensively in the second quarter with a 2 yard touchdown run by fullback Jon Cox. The extra point kick hit the goal post and fell back towards the playing field leaving a 6-6 tie. Later that quarter Cox scored again - this time from 6 yards out. Donald Freitag's kick was good.

In the third quarter Jay Ross dropped back to punt for the Mustangs only to have the ball centered high over his head. He was tackled in the endzone for a Leopard safety closing in the score 13-8.

In the fourth quarter things began to happen. The ball exchanged hands back and forth with New Home taking possession the last few minutes. The Leopards

drove the ball down the field. With less than a minute on the clock Mustang freshman Kendall Wilke ended the Leopard's hopes for a victory when he intercepted a New Home pass close to the endzone.

The statistics for the game showed 14 first downs, 171 yards rushing, and 24 yards passing for Wilson and 12 first downs, 118 yards rushing and 136 passing for New Home.

Offensively, Randy Hall led with 98 yards on 28 carries for the Mustangs followed by 37 yards on 8 carries by Cox. Quintin Talkmitt led defensively with 15 tackles followed by David Weaver with 11 and Randy Moczgamba with 10.

The Mustangs are now 6-3 for the season and 3-1 in district play. They will finish their season at Dawson this Friday night with kick-off at 7:30 p.m.

POST P-TA SET FOR GONG SHOW

The Post Parent-Teacher Assn. and Post High School junior class are sponsoring a "Gong Show" Nov. 17, 7:30 p.m. in the Post Primary School Auditorium.

The Gong Show will feature amateur entertainers.

COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

Loan Rate Announced: USDA has announced a 1980 loan rate of 48 cents per pound for upland cotton, 2.23 cents below the 1979 level. The rate is the minimum provided by law. A seed cotton loan program similar to that available in 1979, with recourse loans available to borrowers, also was announced. USDA also said there would be a zero set-aside for cotton, feed grains, and wheat. The target price for cotton is 57.7 cents per pound and the national program acreage is 10,634,181.

Specialist to Assist CCI On European Mission: Dr. Andrew Jordan, National Cotton Council manager of processing technology, will observe the U.S. bale package as it is received by European customers on a special visit as technical consultant for Cotton Council International. He will be in Sweden, Belgium, France, The Netherlands, and Germany November 6-17. When he returns from the visit, Jordan will report to the Joint Industry Bale Packaging Committee on bale packaging and improvements that may be needed.

Exports Continue to Climb: Sales of 187,900 running bales of upland cotton during the week ended October 21 brought the seasons total orders to 5,555,800. The principal buyers were China,

95,000 bales; Japan, 26,000; Korea, 13,600; and Taiwan, 11,200. The week's exports totaled 92,600, bringing the season's shipments to 1,167,400 bales.

Dust Inspections Pushed: A union official recently said his group plans to ask the Occupational Safety and Health Administration to "schedule an inspection of every cotton mill in the country to assure compliance" with the cotton dust standard. Sol Stein, Amalgamated Clothing and Textile Workers Union, said "...we intend to press employers for immediate action to bring dust levels down as soon as possible. We also intend to enforce the right of workers who cannot wear respirators to transfer to a safe area without loss of pay or seniority."

NCC Annual Meeting Set: The National Cotton Council's 42nd annual meeting is scheduled January 27-29 in New Orleans at the Hyatt Regency Hotel.

And Cotton Yesterday: Cotton was a major crop for the Choctaw and Cherokee Indians in Oklahoma around 1820.

As petroleum costs continue to rise, cotton becomes more competitive with polyester, and U.S. manufacturers continue to export more and import fewer cotton goods.

Micronaire Continues Decline

Twenty-one percent of this week's classings were in the desirable 35 - 49 micronaire range. This compares with 27 percent last week according to Paul R. Dickson, Area Director at USDA's Marketing Services Office in Lubbock.

Last season's average micronaire was 3.7 while the 1977 season's average was 4.3, Dickson said.

The statistics for the week ended November 1 showed mike 35 - 49 accounted for 21 percent of the cotton samples graded at High Plains Marketing Services Offices. Mike 33 - 34 amounted to 16 percent; 30 - 32 was 35 percent; 27 - 29, 26 percent and 26 or below was two percent.

Predominant High Plains grades this week were grade 31 at 29 percent, 41 accounted for 38 percent, 32 was eight percent and 40 - seven percent. About two percent were reduced one grade because of grass.

Staple lengths were staple 31 at 23 percent, staple 32 - 45 percent and staple 33 - 20 percent, according to USDA's Agricultural Marketing Service.

High Plains Marketing Services Offices graded 46,000 samples this week, bringing the season's total to 66,000.

High Plains cotton prices were about \$5.00 per bale lower the week ended November 1. Growers sold mixed lots of mostly grades 42 and better, staples 30 - 33, mikes 35 - 49 around 57.40 cents per pound.

Gins paid growers 110 to 130 dollars per ton for cottonseed.

A Visit With Your County Agent

By Stanley Young

Advantages In Fall Fertilization

Fall application of fertilizers for next year's crop has some real advantages over waiting until next spring. Dale Pennington, area Extension soil chemist in Lubbock, identifies some of the factors in favor of the practice.

Of first importance, it is a scientifically proven fact that phosphorus, potassium and other plant nutrients are relatively immobile in the soil. When fall applied, they stay there ready for plant use next year. Except on sandy soils, fall-applied nitrogen loss is negligible. Research with grain sorghum shows equal yield response from fall and spring application on the heavier soils.

Anytime after sorghum or cotton harvest is a good time to fertilize. Generally, soil moisture conditions are favorable for ammonia application retention. If you are concerned about residue decomposition, the combination of warm soil, moisture and the addition of nitrogen are in your favor.

Now that much of the

fertilizer is custom applied in bulk with heavy equipment, there is less danger of compaction in the fall. Good weather generally prevails making the job easier for all concerned. Availability of materials and equipment is a distinct advantage, and quite possibly, there may be price incentives also.

The kind and amount of fertilizer needed can best be determined by having a soil test made and interpreted in light of research that has been conducted in your area. Pennington points out that the Extension Soil Testing Laboratory has recently added considerable equipment to improve soil testing. In addition, to determining nitrate nitrogen, six other tests are routinely made. The micronutrients, zinc, iron and manganese are made on request.

Prompt attention can be given soil samples received in the fall, but it may take a little longer next January or February. Information on how to collect and mail soil samples can be obtained from the office of the county Extension agent.

Billy Whitaker

Assistant County Extension Agent

Says...

4-H'ers Involved In Saving Money

The Texas 4-H Congress on "energy" last July produced more than just a

good time for 4-H'ers and their adult sponsors. Those attending came up with some basic no-cost energy conservation hints that youth and adults can use as winter weather approaches and energy demands increase.

For example, young people should walk or ride bikes to school or ride school buses instead of using the family car.

This saves gas and mom's energy. Electric hair care appliances and electric toothbrushes should be retired and air-dried, hand rolled hairdos and the "arm-strong" toothbrush should gain popularity. Turning off lights when leaving a room should become a reflex unless, of course, someone else is still using the light.

Two district 4-H groups actually recommend that youngsters could conserve energy by not only turning off the TV when not in use but also viewing fewer television shows.

As we move into the pleasant fall days, why not use the outdoors more? Try cooking on the grill, entertaining outside, (no need of lights or air-conditioners), or scheduling formal group meetings outside.

When you are dressed appropriately for the weather and are practicing these conservation techniques, don't forget to give recognition to those young people who recognize there is an energy problem and are trying to do something about it.

Deadline for News Items Noon Tuesday

Maintain Cotton Lint And Seed Quality With Module Builder

Special precautions when using module builders will help maintain cotton lint and seed quality.

"Favorable weather and the use of module builders has allowed many cotton producers to harvest at a maximum rate independent of trailer or gin capacity," points out Dr. Robert B. Metzger, cotton specialist with the Texas Agricultural Extension Service, Texas A & M University System. "Thus, considerable cotton is getting off the stalk at a rapid pace to escape field deterioration."

While escaping field weathering is a key step in obtaining high cotton lint and seed quality, maintaining this quality hinges on sound harvesting and modulating practices, contends the specialist.

"Moisture that is so essential in producing a profitable crop becomes enemy No. 1 once bolls open and harvesting gets underway," says Metzger. "Seed cotton moisture should be 12 percent or less when stored in modules."

To preserve cotton quality in modules, locate them on well-drained sites so that cotton can be transported to the gin at any time. Compress cotton uniformly. Keep the center of the module higher and round off cotton to permit better drainage and protection from rain or snow. If prolonged storage is anticipated, it's good insurance to cover the module with a tarp, notes the specialist.

"Check cotton temper-

ature frequently for the first three to five days of storage," advises Metzger. "A normal temperature rise can be expected the first 48 hours, but if seed cotton is below 12 percent moisture, the temperature will level off and stabilize after this time."

If cotton has a moisture content above 12 percent, monitor the temperature closely at several locations in the module. If the temperature continues to rise to the 110-120 degree F. range, gin the module immediately, emphasizes the cotton specialist.

"To avoid problems with cotton modules, the best approach is to module only dry seed cotton on a well-drained site and cover with a tarp," summarizes Metzger. "It's the best insurance against hot modules that result in low quality lint and seed."

Between 1900 and 1972, weather extremes caused agricultural productivity to rise or drop from its normal level in one out of every three years.

Lynn Shares Texas Travel Dollars

Lynn County received \$2,533,000 of the State's \$7,032,369,000 travel receipts over 1977 for Lynn County. The study was commissioned by the Texas Tourist Development Agency and disclosed.

The 1978 figures reflect an increase of 12 percent in travel receipts over 1977 for Lynn County.

In addition to gross receipts, the study found that Lynn County in 1978 had 105 of the states 243,887 travel-related jobs, with an annual payroll of \$621,000. It also estimated \$102,000 in state and \$13,000 in local taxes were paid by county visitors in 1978.

The study was done by the U.S. Travel Data Center in Washington, D.C., an independent travel research organization funded jointly by public and private sectors.

It was based on the Center's Travel Economic Impact Model which breaks out a state's share of the national travel market on a county-by-county basis.

The model measures the economic impact of all travel involving overnight trips away from home, and day trips at least 100 miles or more from home. Thus it includes travel by Texans as well as out-of-state visitors, for all purposes.

It includes estimates of the traveler's spending at home in preparation for the trip, his spending en route, and that at his destination. Basic data for the model comes from the National Travel Survey, conducted every five years by the U.S. Census Bureau, and from the Center's own National Travel Expenditure Mode.

It was the latter which estimated that in 1975 Texas had dislodged New York for third place in the nation's travel industry. The 1978 figures, however, show Texas back in fourth place behind California, Florida,

and New York. "We're pleased that travel research techniques have finally developed to the point that states can determine where, within their boundaries, travel dollars are spent and travel-related jobs exist," said Frank Hildebrand, executive director of the Texas Tourist Development Agency.

"Now we can trace travel's considerable economic impact on a county-by county basis, observe changing patterns annually, and help direct the rapid growth of this burgeoning industry."

Lynn Shares Texas Travel Dollars
 Lynn County received
 \$2,533,000 of the State's
 \$7,032,369,000 travel re-
 ceipts over 1977 for Lynn
 cepts in 1978, a national
 study commissioned by the
 Texas Tourist Development
 Agency has disclosed.
 The 1978 figures reflect an
 increase of 12 percent in
 travel receipts over 1977 for
 Lynn County.
 In addition to gross
 receipts, the study found that
 Lynn County in 1978 had 105
 of the states 243,887
 travel-related jobs, with an
 annual payroll of \$621,000.
 It also estimated \$102,000
 in state and \$13,000 in local
 taxes were paid by county
 visitors in 1978.
 The study was done by the
 U.S. Travel Data Center in
 Washington, D.C., an inde-
 pendent ravel research
 organization funded jointly
 by public and private sectors.
 It was based on the
 Center's Travel Economic
 Impact Model which breaks
 out a state's share of the
 national travel market on a
 county-by-county basis.
 The model measures the
 economic impact of all travel
 involving overnight trips
 away from home, and day
 trips at least 100 miles or
 more from home. Thus it
 includes travel by Texans as
 well as out-of-state visitors,
 for all purposes.
 It includes estimates of the
 traveler's spending at home
 in preparation for the trip,
 his spending en route, and
 that at his destination.
 Basic data for the model
 comes from the National
 Travel Survey, conducted
 every five years by the U.S.
 Census Bureau, and from the
 Center's own National Travel
 Expenditure Mode.
 It was the latter which
 estimated that in 1975 Texas
 had dislodged New York for
 third place in the nation's
 travel industry. The 1978
 figures, however, show
 Texas back in fourth place
 behind California, Florida,

and New York.
 "We're pleased that travel
 research techniques have
 finally developed to the point
 that states can determine
 where, within their bound-
 aries, travel dollars are spent
 and travel-related jobs
 exist," said Frank Hilde-
 brand, executive director of
 the Texas Tourist Develop-
 ment Agency.
 "Now we can trace travel's
 considerable economic im-
 pact on a county-by county
 basis, observe changing
 patterns annually, and help
 direct the rapid growth of
 this burgeoning industry."
