## Pilot Irrigation Project Discussed

County Commission Monday listened to a report for right-of-way for a part of a pipeline which is part of a pilot project to determine results of irrigating farm land with water from the City of Lubbock.

wait until January's meeting to act on the request, they listened with interest to an outline of the project presented by Guy Wilson, an engineer for the City of Lubbock, and Dr. Elton D. Cook, director of the Lubbock Christian College Institute of Water Research.

right-of-way from the Lubbock-Lynn County line south about 1.3 miles to the test project property, 4,000 acres of farmland owned by J.E. Hancock just north of Wilson. Commissioners said one reason they wanted to wait until January was because Commissioner Ed Stone, in whose precinct the project is located, was absent due to illness.

where it is expected to perforate into the soil only a foot or so, rather than turning the treated wastewater back into streams.

Wilson and Cook said, however, that the treated water already is, in Wilson's words, "purer than most of the water people drink."

LCC comes into the project, Dr. Cook said, because the college administers the EPA funds for it, plus the college provides the laboratories and personnel which will continually check the soil and water during the operation to assure that it meets all health standards and to study and determine any other effects.

Wilson said irrigating with effluent already has been tried in Lubbock County and one effect was that the farmer had to use less fertilizer on his crop because of the amount of nitrogen present in the effluent.

Commissioners Bart Anderson, E.R. Blakney and J.C. Gandy, with Judge Melvin Burks presiding, also approved a contract with the McMorris company of Hereford for reappraisal of county property, with the county's portion of the cost stipulated at \$12,208.

Commissioners also voted to contribute \$172 to the South Plains Health Assn. and approved installation of a new intercommunications system in the jail, a requirement of the jail standards commission. Sheriff Norvell Redwine and Deputy Stanley Krause presented a recommendation for purchase of a system through Plainsman Appliance in Tahoka, at a cost of \$1929.

DON'T KNOW whether Brownfield has a Club or not. I kind of think they do, but when and where they meet is not easy. It's easier, in fact, to get in to see the Shah. Thursday I did something dumb (again). As a member of Tahoka Rotary Club, I have to pay for a meal whether I go to the meeting or not. Also, I miss a meeting, the wheels of Rotary like to "make up," which means going to visit some Rotary Club in a nearby city within a week we miss the local meeting. If you make up, keep your attendance record up. Some guys gone for years and years with perfect attendance in civic clubs. I remember Coy Biggs had a perfect record in Slaton Lions—he never was there.

Anyway, I forgot it was Thursday and at noon of going to the meeting, I went home and in the refrigerator. Nothing in there looked good, so I just wandered around the house for minutes or so and then went and bought an at the grocery store and ate that. Not until noon when someone asked me where I was at did I realize I had missed the club meeting (it was Monday).

I hadn't missed a meeting in the eight years I've been a member, I thought I should up. The secretary's book of Where Other Clubs Meet and When said the only Friday meeting in this area was the Brownfield club, I met at noon in the country club. That's not town, he said, and you turn off 380 before into Brownfield.

At about 11:20 a.m. I decided to go, and I did the turnoff, drove three or four miles south finally located the country club. Almost no there, but a man was pulling away in one. I asked him and asked if Rotary met there. He said "they meet at the Party House downtown," I slipped away before I could get any more information, except that he mumbled something hearing they might not be meeting Friday because he thought they had a Christmas coming up that night.

I thought I'd better find out, even if I would be a I drove back to 380, then west into town, at a service station. I asked if they knew of an eating place called the House, and both men there said there was a restaurant in Brownfield, and maybe I had the Holiday House. I had just passed that, I went back and asked if the Rotary Club met there, I think they meet at the Party House," the man there said. She explained, though, that the House was not a restaurant, but a building in (or county) park. She said you go to the Lubbock highway, turn back east and to the park and follow the winding road to the park to the party house.

## Drivers Injured In Wreck Here

Two wrecks were investigated by Tahoka Police Dept. during the last week, with two injuries reported in one of the collisions at a downtown intersection Saturday.

Jose Lopez Rosalez, 1809 Lockwood, and Ricky Don Huckabey, 1221 S. Ave. J, were admitted to Lynn County Hospital for treatment of injuries and later released after the wreck Saturday. Rosalez was driving a 1973 Buick and Huckabey a 1972 Pontiac.

Last Wednesday in the 1500-block of Ave. H a 1977 Chevrolet pickup driven by Timothy Ennis James, Rt. 5, and a 1974 Ford pickup driven by James Wesley Bingham of Tahoka collided. Tahoka High School boys basketball coach Mike Williamson told police here that a member of a carload of blacks pulled a gun on some of Tahoka's basketball players at a rail crossing in Slaton last Tuesday, Dec. 4, as the team was returning home

from the Ralls tournament. Slaton police were notified and given a license number of the car.

Police issued two tickets for no drivers license, one for running red light, and four warning tickets for parking in a no parking zone in front of the fire department. The warning tickets were given to owners of vehicles who apparently had blocked access to the fire department while the drivers were attending church, officers said.

Two men were arrested for drunk in public during the week and one for disorderly conduct. One man paid a fine of \$37 for drunkenness and a fine for the other was pending. City Judge Meldon Leslie assessed a fine of \$51 on the disorderly conduct charge. On Friday a Tahoka man called police and told them he couldn't remember where he left his car. The car was located about 16 miles southeast of town Monday.

## Oages, Jolly Are All-District

Jacky Jolly and Clifford Oages of the Tahoka Bulldogs football team were the only members of the Blue and White to make the first team all-district chosen last week. Both, however, made both the offensive and defensive teams.

Jolly, 180-pound junior, made the team as an offensive guard and defensive linebacker. Oages made it as a running back and as a defensive back. He is a 175-pound senior.

Senior Tackle Doug Barham made both the offensive and defensive second teams, as did Tracy White, a junior, in the backfield of both teams. Ten Tahoka players on the Bulldog team which went 8-2 for the year were given honorable mention. They are Johnny Alvarado, Todd Brown, Johnny McKibben, Luchion Thompson, Danny Thompson, Brad White, Charles Bryson, Willie Ray Mitchell, Ronald Lusk and Kevin Elmore.

The first team selections were: Offense--Ends Mark Ivie of Denver City and Mark Holly of Post; tackles Dwayne Patschke of Roosevelt and Norm Newman of Seminole; guards Craig Mayberry of Slaton and Jolly of Tahoka; center David Lacy of Slaton;

quarterback Mike Grass of Seminole and running backs Ricky Greene of Seminole, Jim Hill of Seminole and Oages of Tahoka.

Defense--Linebackers Hill of Seminole, Gregg Johnson of Slaton and Jolly of Tahoka; down linemen Mike Crow of Seminole, Lacy of Slaton, Brondo Moseley of Cooper and Mayberry of Slaton; secondary Oages of Tahoka, Charles Phenix of Slaton, Grass of Seminole and Rex Beck of Roosevelt.

## Cemetery Group Asks More Contributions

The Tahoka Cemetery Commission created to keep the cemetery maintained and attractive as an asset to the community reported this week that some welcome contributions have been received. At the same time, members of the group noted that more funds and contributions in the form of memorials to persons living

or deceased are needed. "We certainly are grateful to the persons who have made contributions recently," a spokesman for the group said. "But we need many more, and memorials made in the honor of some loved one will help keep the cemetery in shape." Memorials may be made for perpetual care of the facility

or for permanent additions to the physical property, such as fencing, paving and roadways.

Persons wishing to make contributions may contact any member of the commission, of which Billie White is chairman.

Letters to citizens detailing the needs of the cemetery are to be mailed in a few weeks, it was indicated.

## 22 Fires Reported

Tahoka Volunteer Fire Dept. answered 22 alarms during the last week, believed to be a record number of calls for one week for the department.

Fire Chief J.T. Miller, who has been with the department for more than two decades, said he could not remember so many alarms in such a short time previously. Most of the fires were at cotton gins in the area, and none caused serious damage, the chief said. "We were fortunate that none of them were big fires."

One of the fires was a tractor owned by Dean Daniel in the New Lynn community, and one was a residential lawn fire here.

Miller said the 22 calls during the week brought the total number of fire calls answered here this year to 72 as of Tuesday. He added that fewer than 50 alarms were answered in 1978, but there were more than 100 the previous year.

Tahoka has 20 volunteer firemen, who receive only token pay of \$10 per month.

## Early Days In Grassland

Grassland News 1929  
 our high school boys to the brakes south of Grassland to get a big Christmas tree.

about 3 inches of snow was on the ground, some how the wagon slipped off the hill down the side and turned over. I guess the mules made it all right. It seems we never heard that part of the story. So the boys decided to play June in December at least two of them did. But you can bet they had to go back and get the Christmas tree. We had one of the tallest, prettiest trees we ever had. The students made paper chains and strung popped corn and decorated the tree. Every one got gifts and we sang Christmas carols and a merry Christmas was had by all.

## Lynn Delegates Attend Farm Bureau Convention In McAllen

Lynn County Farm Bureau leaders and members have returned from the Texas Farm Bureau convention in McAllen where 1980 state policies and recommendations on national policies were adopted.

Eleven voting delegates from this county attended the organization's 46th annual meeting Dec. 2-5. They were: President Jimmy Bragg, Sr., Mrs. Jimmy Bragg, Sr., L. C. Unfred, Mr. and Mrs. Leland White, Mr. and Mrs. Ronnie Dulin, Mr. and Mrs. T.B. Mason and Mr. and Mrs. Delbert McCleskey.

Policies to guide the state's largest organization on the state level next year were adopted by the more than 1,100 voting delegates from 213 organized counties. Also approved were recommendations on national policies. These will be forwarded to the American Farm Bureau Federation annual meeting Jan. 6-10, 1980 in Phoenix, Arizona.

Speakers at the McAllen convention included TFB President Carrol Chaloupka of Dalhart; U.S. Congressman Kika de la Garza of Mission; Texas House Speaker Bill Clayton, Springlake; Warren Newberry, Waco, TFB executive director; and S.M. True, Jr., Plainview, TFB secretary-treasurer.

The business session covered the final day and a half of the meeting. The last order of business was the election of directors and the president. The president for 1980 is Carrol Chaloupka.

County leaders also attended a number of special conferences while at the convention. Conferences include Energy, FB Services, Animal Health, Wheat and Feed Grains, Cotton, Rice, Research and Education, Farm Labor, Livestock, Water, Peanuts and Oil Seeds, and Dairy.

Youth events winners include the 1980 Queen Miss Tracy Syma of Sinton, and a trio, Beverly Carothers, Stephen Schwartz and Kay Collier of Goldthwaite, winner of the Talent Find.

## Tahoka Basketball News

By AMY PORTERFIELD

The varsity boys suffered the first defeat of the season Tuesday night when Brownfield beat them 51-47. The Bulldogs got off to a slow start and were behind 27-7 in the second quarter but steadily narrowed Brownfield's lead to only 2 points in the fourth quarter. Leading scorer was Charles Bryson with 11 followed by Tracy White 10, Clifford Oages 8, Brad White 6, Kenny Scott 6, Doug Barham 4 and Jacky Jolly 2. Oages was leading rebounder.

The varsity girls were defeated by Brownfield also. They stayed close in scoring to the half but Brownfield moved 15 points ahead by the end of the 3rd quarter. With a burst of Bulldog Spirit Tahoka girls narrowed the lead; losing by only 1 point. Final score was 45-44. Lani Brown was high pointer with 16 points. Cathy Meeks scored 10, Lisa Perkins 8, Starr Knox 6, and Amy Porterfield 4. Meeks, Porterfield and Knox led in rebounds and Porterfield and Perkins led in steals. JV members also saw action in the game. The team still has 3 of its members out; two of them starters.

The varsity boys and girls teams participated in the Ralls tournament Dec. 6-8.

It was a real cat and dog fight for the varsity boys when they played the Littlefield Wildcats. Littlefield led until the 4th quarter when the Bulldogs pulled ahead and won 49-45. Tracy White led the scoring with 20 points. Kenny Scott and Brad White had 10 each. Clifford Oages 7 and Jacky Jolly 2. Oages led in rebounds.

The boys played Crosbyton for their 2nd game and won 57-47. T. White and Scott led the scoring with 16 points each. Jolly made 8 points and also led in rebounds. B. White scored 6, Ricky Chapa 4, Charles Bryson 3, Todd Brown 2 and Ralph Huffaker 2.

The boys played the Ralls Jackrabbits for the champion of the tournament on

Dec. 8. The Bulldogs clinched the championship trophy by winning the game 41-28. Oages led with 9 points, Scott and Bryson 8 each, T. White and B. White 5 each, Brown 4 and Jolly 2. Bryson led in rebounds. This is the second tournament the boys have brought home the championship.

The varsity girls team also participated in the tournament. Their first game was with the Littlefield Wildcats. The Wildcats shipped the Bulldogs 57-33. Cathy Meeks was top scorer with 14 points followed by Lani Brown and Amy Porterfield with 6 each, Charlene Bryson 4, Andra Draper 2 and Starr Knox 1. Meeks led in steals and Bryson in rebounds. Draper was injured during the first quarter and will be out a few games.

The second game was a hard fight between two Bulldog teams: Tahoka vs Plainview. Only 5 girls were able to play so Rebecca Sastre from the JV team went along to help out. Even with several players out Tahoka proved the strongest; leading at each quarter and

winning 41-39. Lani Brown scored 18 points, Cathy Meeks 9, Starr Knox 6, Lisa Perkins 6 and Amy Porterfield 2. Brown led in steals and Knox, Porterfield and Brown led in rebounds.

The Floydada Whirlwinds were too much for the Bulldogs in the 3rd game winning 48-21. Brown made 8 points, Knox 7 and Meeks 6. Porterfield had most rebounds and steals.

The JV boys teams took part in the Lorenzo tournament and won the 2nd place trophy. Their first win was against Crosbyton 71-47. High pointer was Richard Payne with 19 points, Ricky Graves 14, Mark Hudlin 11, James Wells 9, Roger Dockery and Johnny Alvarado 5 each, Roddy Williams 4, Randall Stotts and Freddie Thomas 2 each.

In the 2nd game Tahoka beat Floydada 52-42. Wells and Payne led with 14 points each. Hudlin had 8, Graves 6, Stotts 4 and Dockery, Henry, and Alvarado 2 each. Abernathy slid past Tahoka in the 3rd game 51-49. Leading scorer was Payne with 14, Well 13, Hudlin 10, Dockery 5, Stotts 3 and Graves 2.

The JV boys played Ralls Dec. 4 winning 69-37. Hudlin led with 24 points, Payne 15 and 22 rebounds, Wells 11.

The JV girls played Ralls Dec. 4 losing 52-29. Debbie Bailey led in steals, rebounds and points with 14.

It's easy to see where many of our priorities are.

The children of today are looking to us for ways they can prepare for their own style of life . . . families . . . and job opportunities.

To help, we'll need more electricity. It's true, electricity will play a big role toward helping expand the job market to include these adults of tomorrow.

The modern use of electricity has contributed to a better educational system to prepare our young people for the new experiences yet to come.

Almost 10 years ago, the folks at

Southwestern Public Service wanted to make sure there was enough electricity to keep today's wage earner working. They decided that the fuel used in their power plants should be coal because, coal would be more abundant and cheaper to use than the conventional fuel . . . natural gas.

Now, Southwestern Public Service has a new coal plant in operation and more on the way. Yes, coal plants will help stabilize fuel costs while providing a long-term, reliable, energy source to provide electricity.

It's good to be able to tell someone what they can depend on.

## A Visit With Your County Agent

By Stanley Young

If you are considering using fertilizer and limestone for crop or pasture land, then soil tests can be a valuable source of information and a profitable investment.

A soil test is a chemical laboratory analysis designed to provide an index of the available nutrients in a soil. Soil tests for pH (acidity), calcium and magnesium are needed as a basis for liming. The soil test report also includes levels of nitrogen, phosphorus and potassium. In addition, suitable methods have been developed for determining levels of the

micronutrients zinc, iron and manganese.

Even though soil tests can be made for other nutrients, results have limited value where deficiencies have not been detected in research studies.

He lists two important requirements for getting valid information from soil tests. First, laboratory methods must be correlated with field response data. Second, a good soil sample is needed.

There are many procedures for testing soils and obtaining numerical values, such as pounds per acre or

parts per million. However, unless crop removal and response data are collected to establish whether or not the soil is medium and high in nutrients, expected response results are essentially meaningless. Therefore, a producer should make sure that the laboratory doing his work uses procedures suitable for his soils.

In addition to reliable testing procedures, the soil sample sent to the laboratory must be carefully collected and must be representative of the field on which information is desired.

Two aspects of sampling are emphasized. First, divide fields into uniform sampling units. Each unit should be uniform with respect to color and texture of soil as well as past cropping, fertilization and liming practices. If samples represent large acreages, results will show only general information. As

fertilization becomes a regular practice, more attention must be given to obtaining specific information for each field or subdivision and developing fertilization practices accordingly.

The second point of emphasis regarding sampling is the number of spots at which soil is obtained. Collect soil from at least 10 to 15 spots in each field. Soils vary considerably in nutrient content even though they look uniform. Take a slice or core from the plowlayer at each location, put in a clean bucket, mix thoroughly and send about a pint to the laboratory.

Soil tests can provide valuable information for profitable fertilization and liming practices. More information about soil testing is available from the county Extension office.

### COTTON TODAY

**Rail Car Assurances Given:** Cotton industry representatives have received assurances from the president of a railroad serving the southwest that the crop would be assigned a high priority in allocation of rail facilities this season. Fort Worth & Denver President George Defiel told the group the railroad's parent company, Burlington & Northern, is committed to furnish additional 50-foot boxcars for cotton. In addition the Colorado and Southern Lines are sending boxcars for cotton shipments this winter. The industry group included C. Hoke Leggett, Hobgood, N.C., president, National Cotton Council; and Herman Propst, Anson, Tex., chairman, NCC's Producer Steering Committee.

**Packaging Problems Explored:** Adjustments in bale covers are necessary if U.S. cotton is to remain competitive in Europe. That's the view of Dr. Andy Jordan, National Cotton Council, after visiting textile mills in four European countries. If nothing else, he said, cotton from other exporting countries holds a psychological advantage because bales arrive in uniform size and do not have multiple sample cuts. Dr. Jordan said European spinners blame problems in spinning, dyeing and finishing of cotton on contamination which they believe results from bale sampling. He said the problems are not insurmountable, but it will take time and the industry working together to correct them. The trip was sponsored by Cotton Council International and USDA.

**Exports Top Recent Record:** All-time high sales of 500,100 running bales of upland cotton during the week ended Nov. 25 propelled the season's total to 6,970,400. China took a record 396,200 bales for 1979-80 to bring their total commitment for the year to 1,995,200. Other major buyers were Hong Kong, 24,500 bales; Japan, 22,200; and Taiwan, 21,500. The week's exports totaled 142,100 bales to push the season's total to 1,707,500.

**And Cotton Yesterday:** A bale of cotton ginned in 1870 was exhibited at the St. Louis World's Fair in 1904.

**Rupp To Speak At Sweet Street**  
Dan and Linda Rupp, former pastor of Sweet Street during the early '70's, Missionaries to South America, will hold morning services at Sweet Street Baptist Church, Sunday morning, Dec. 16.

## ASCS News

**Cotton Loans** - Cotton loans are available in this office. The base rate is 50.35 cents a pound on SLM 1 1/16 inch cotton. The interest rate for all commodity loans is 9%. We also are able to make loans on seed cotton stored in ricks or modules. Several gins have been approved by the Lynn County ASC Committee so your cotton could be put in the seed cotton loan. As we get closer to the end of the year, if you need to use these loans, let me stress how important it is to come in as early as you can. If all the cotton comes in the last days of the month, we will not be able to complete the loans before the first of the new year.

**Grain Sorghum Loans** - The loan rate for 1979 Grain Sorghum is \$3.38/CWT. Grain Sorghum is eligible for entry into the 3 year Reserve Loan Program.

**Low Yield** - If you have a low yield on a farm, remember to file an ASCS-574 at the office within 15 days after completion of harvest on that farm. Your yield card can be turned in later. We will need your yield card before low yield payment can be made and next year's projected yield figured. If you are eligible and want to receive your low yield payment before the first of the new year, we will need your yield card in the office by December 20, 1979.

**Wool Producers** - Remember that wool and unshorn lamb sales receipts should be turned in no later than January 31, 1980 if you wish to be eligible for a wool incentive payment.

**County Convention** - Dec. 6

the ballots for County Committeemen will be counted. Those elected will notified and need to present for the County Convention to be held at 10 a.m. at the ASCS Office, Dec. 13. At that time County Committeemen will be elected.

**FmHA Emergency Loans** - Lynn and Garza counties have been authorized to make emergency loans. Applications must be received by Nov. 26, 1980. Production losses to the crops. For more information you should contact the FmHA Office in Tahoka.

**Holiday** - This office will be closed Tuesday, Dec. 25 Christmas. Eligibility for participation in all programs administered by the ASCS is established under law without regard to race, color, creed, sex, national origin.

**EXTENSION PHONES**

### Billy Whitaker

Assistant County Extension Agent

Says...

New 4-H projects are now being organized, and this is where the "real" learning takes place. The Extension Service is the parent organization of 4-H.

4-H offers exciting projects and activities for every young person between the ages of 9 and 19 who has a curious desire to learn.

4-H encourages "learning-by-doing" and provides citizenship and leadership skills. 4-H wants to involve all youth—rural, urban, suburban, teens and pre-teens, and from all races, creeds, ethnic and economic backgrounds. 4-H youth learn, work and play together.

In 4-H, young people can learn how to make things, grow things, take care of things, and repair things in a wide variety of projects.

And the great part about the whole program is that 4-H youth can select what they want to do. Projects include things such as nature study, wildlife, entomology, animal science, beef cattle, horse and pony, dog care.

Emergency Loans 2 col. Emergency loans for farmers, ranchers, or aquaculture operators are available through county offices of the Farmers Home Administration (FmHA). Ronnie R. Hardin, FmHA County Supervisor, said today. Mr. Hardin asked that those who need farm credit as a result of drought in Garza

County July 1, 1979 through November 9, 1979, and drought in Lynn County August 1, 1979 through September 15, 1979, Hail, wind and sand damage May 27, 1979 and June 23, 1979 in Lynn County, and Flooding July 17, 18, and 19, 1979 in Lynn County, make their needs known at the Farmers Home Administration office located in the Federal Land Bank Building in Tahoka, Texas.

Applications for assistance in the disaster stricken counties will be accepted by Farmers Home until August 26, 1980, for physical losses and November 26, 1980, for production losses.

FmHA loans covering actual physical and production losses may be used to replace installations, equipment, or buildings, (including homes) lost through this disaster. Funds may be used to buy feed, seed, fertilizer, livestock, or to meet interest and depreciation payments on current real estate and chattel debts. Other loans, beyond actual losses, can be made for annual operating expenses or to make major adjustments in a farming, ranching or aquaculture operation.

"Funds can be used for essential operating and living costs," Ronnie Hardin said.

Loans covering actual losses are made at an interest rate of five percent and are scheduled for repayment as rapidly as feasible consistent with the applicant's reasonable ability to pay. Loans beyond actual losses have various maturities, depending upon the purpose of the loan.

The interest rate for short-term loans for farm operating purposes is ten and one-half percent. Long-term loans are being made at an interest rate of ten percent.

To be eligible for an emergency loan, an applicant must have suffered losses from the disaster and be unable to get credit from other sources.

Emergency loans can be used to help the farmer restore damaged farm operations and additional loans based upon the emergency designation can be used to reorganize the farm for greater efficiency and better production.

## Area Men Named To Committee

Two Lynn County residents have been named to the John

Connally for President Steering Committee as announced by State Organization Director Jim Campbell.

The local group is part of a massive statewide delegation of more than 2,700 citizens who have voiced their approval of Governor Connally's effort.

"We are extremely proud that these outstanding Texans have joined the growing list of persons nationwide who recognize the leadership qualities of John Connally, and the need for that leadership in the White House at this time," Campbell said.

The committee includes Larry Hagood and Winston Wharton, both of Tahoka.

### Rotary Told Of Museum Progress

Development of Tahoka Pioneer Museum has been surprisingly rapid and successful, co-operation of citizens has been excellent, and the many historic displays already nearly fill the building, Frank Hill of the Museum board told Rotarians at the club meeting Thursday.

In spite of the fact that substantial exhibits have been in place only about three months, 1,130 people have visited the place, including visitors from 20 states and four foreign countries.

About 130 individuals and families have contributed more than 1,000 items for display so far.

Ten citizens have contributed \$500 and five have given more than \$1,000 in cash or the equivalent to help develop the project. Many others have given smaller amounts.

"There would have been no museum in Tahoka," he said, if it had not been for a State Parks Fund grant, if Mayor Mel Leslie and the City Council had not bought the building and land for the project, and if Winston Wharton, Bill Craig and a

#### Explorers Sell Mistletoe

On Nov. 8, the Explorers traveled to Abilene to pick mistletoe. The whole day wasn't spent working, as they also visited the Abilene Zoo and ate pizza.

Those attending were Pam and Ronny Vaughn, Betty Johnston, Ellen Hutsell, Dustie Cook (Miss Mistletoe 1979), Terry Botkin, Todd Henry, Randall Stotts, and Thomas Young.

The Explorers will be selling mistletoe until Wednesday, Dec. 19. They are selling it for 50 cents a bag and the money will be used to buy tents for the group. Anyone interested in buying mistletoe may call Dustie Cook at 998-4680 and someone will deliver the mistletoe.

### Cotton Prices Trend Higher

High Plains cotton growers received \$2.50 to \$5 per bale more during the week ended Dec. 6, according to Paul R. Dickson, Area Director for USDA's High Plains Cotton Division Offices. This was the second consecutive week prices advanced.

Growers sold mike 35 - 49 cotton around 950 to 1350 points over 1979 loan rates. Mixed lots of mostly grades 42 and better, staples 30 - 33, mike 35 - 49 brought around 58 cents - up 50 points from a week earlier. Lower mikes brought 300 to 900 points

over '79 loan rates. Dickson said. Gins paid growers 100 to 120 dollars per ton for cottonseed.

High Plains Cotton Division Offices graded 266 samples during the week ended Dec. 6. This brought the season's total to 970,000

# New Home News

By Florence Davies

and Mrs. Loyd Nunley and Mrs. Wayne went by chartered to Dallas Saturday as guest of the De Seed Growers Co. at Dallas Cowboy - New Giants ball game on night in the

Regents Hotel and the group returned home Sunday.

Damon and Danie Darley have moved from Borger to London England where he is associated with Phillips Oil Co. as he was in Borger. Danie taught special education in the Borger school and

she says that for the first time in many years she is out of the school room.

Abbie Mae was born at 1:42 p.m. Wednesday Dec. 5 in Methodist Hospital in Lubbock. She 6 lbs. 4 oz. Her parents are Mr. and Mrs. Stanley Gill and she has one big brother, three year old Martin. Grandparents are Mr. and Mrs. Lewis Irving of Lubbock and Mr. and Mrs. Robbie Gill of New Home. Great-grandmother is Mrs. F.W. Martin of Lubbock.

Mrs. E.L. Cooley accom-

panied by her sister, Mrs. Vada Kyle of Lamesa went to Abilene Tuesday to visit another sister, Mrs. Lucille Walters. Lucille's daughter, Barbra Libley of Bakersfield, Calif. was also visiting there. The ladies returned home Saturday.

Alvin Neely of Kermit spent Friday and Saturday nights here with us after being in Lubbock during the days of Marine Corps training.

Joe D. Unfred was in Wichita Falls Wednesday and Thursday attending the USDA Dialogue For Agriculture. Chairman was Bob Bergland, Secretary of Agri. Joe's presentation was for Plains Cotton Growers recommendation for future farm law.

Mr. Loyd Evans is improving in the Lake Side Home in Lubbock and will appreciate his friends stopping to visit. Mrs. Jack (Ethel) Rogers is also a resident of Lakeside. Her condition is also improved.

Congratulations to Mr. and Mrs. Welton Wormly of New Home on the birth of a son born at 11:28 a.m. Nov. 28 in the Lynn County Hospital. He weighed 6 lbs. 12 oz. and his name is Chelton M. He has one brother, Welton. Grandparents are Mrs. Irene Wormley, Littlefield and Mr. and Mrs. O.C. Tilman New Home.

Mrs. J.W. Clements was dismissed from Methodist Hospital and returned here to the home of her son, Jack Clements Friday.

Herman and Mary Malone of McKinney flew to Lubbock Sunday morning for a 9 hour tour of the cotton country with Joe. D. and Betty Unfred. Joe and Herman served together in World War II in Europe and in recent years have served on different committees of the Association Reunion.

Mr. and Mrs. C.G. Eades, Mr. and Mrs. Larry Durham, Mr. and Mrs. John Edwards, Mr. and Mrs. Gene Eades and Mr. and Mrs. John Dudley Edwards joined other friends in hosting a 50th wedding anniversary reception for Mr. and Mrs. Claud Taggart of Rotan Sunday.

Dec. 9 in the First Baptist Church Fellowship Hall in Rotan. Colors of coral, beige, and gold were used in decoration. A three tiered cake and punch were served to about 140 guest. Others from our area attending were Mr. and Mrs. Buster Brown, Andrea and Alan Eades and Kari Durham.

Mrs. Larry Durham is reported improving in Methodist Hospital where she is being treated for burns.

Mrs. Julia Fleming and daughter Melinda of Seminole spent the week end here with her parents, Mr. and Mrs. Rick Mantooth and family.

December 10 marked the 35th anniversary of the W.W. Davies Business in New Home. In 1944 he took over the Acie Bailey Grocery Store later adding a line of clothing, hardware, appliances and antiques and has been in business here continually since. Other businesses here at that time were, John D. Phillips, grocery and station; Henry Heck Gin; Farmers Coop Gin and Frozen Food Locker; Ed Follis Service Station, Alvie Albrite Laundry, Bill Balch Phillips 66 Station, Sam Chancellor Garage, Dave Stokes Barber Shop, Browns Hamburger Stand, two churches, Methodist and Baptist and only a few homes.

The Lyntegar Electric had a few lines into New Home. There were very few telephones until Polka Lambro Rural Telephone Co. began installing telephones in town and in the rural area. Now almost every home has telephones and Lyntegar Electric has lines in all the area. There was no pavement until 1946. The Parker Tent Theater came to New Home each fall and showed films and had live stage entertainment. The branch post office operated by Winston and Florence was opened Oct. 16, 1964 in a new steel building in connection with their other business. Later they moved to the old grocery store building. The town was incorporated in 1963. In 1964 gas was piped to New Home from Wayside and water and sewerage disposal to all homes and businesses. Other businesses in New Home at this time are: two gins, one grocery store, one garage, farm store, butane store, laundry, service station, beauty shop, ladies ready to wear, pump and welding shop, cafe, city hall, fire station, Polka Lambro New Home Telephone Exchange Bldg., three churches - Methodist, Baptist and Church of Christ and about 75 homes. Three more school buildings have been added, and a Home Ec. Cottage and Two FFA building. New Home is a wonderful place to live surrounded by fine folks in the rural area. When there is a need for special help to any one all the churches and the entire community is ready to help. On Sunday Dec. 9, after morning services, the churches met together in the school cafeteria for a covered dish dinner and a beautiful Christmas program was presented.

The Davies say "It is good to live in New Home."

Ladies of the New Home Baptist Church are inviting all ladies from other churches in the community to a Christmas Coffee next Tuesday morning in the home of Mrs. Betsy Pridmore.

The coffee will be from 9:30 to 11 a.m., and is a come-and-go affair. There also will be Christmas carols and scripture reading to underline the meaning of the season.

Sherry Etheredge Says...

Holidays bring out the visitor and party-giver in all of us and these parties are among the best of the year. It's a perfect time to open your house to friends and neighbors for a cup of Christmas cheer and some special holiday treats. Along with cocktail franks wrapped in bacon, and hot shrimp, a platter of Stuffed Mushrooms is hearty and inviting. It adds a nifty touch to any open house get-together and is so easy to put together you'll use the idea over and over throughout the year. Fill 18 large mushroom caps with prepared Stove Top chicken flavor stuffing mix made according to

package directions. The stuffing is ready in minutes and the delicate blend of herbs and seasonings provides a wonderful flavor for the mushrooms. Arrange the mushrooms in a shallow baking dish, drizzle with 3 tablespoons melted butter and place in preheated broiler for 5 minutes. Hot appetizers for a cold night! When you think of holiday desserts, think "Eggnog

Pie" this season. Most important of all consider this recipe, which is easy to prepare, because it calls for two convenience foods you may have on hand. So, don't hesitate to call in friends even at the last minute. Pour 1 1/2 cups cold dairy or canned

eggnog and 1 1/2 cups cold milk into a bowl and add 1 package (6-serving size) vanilla flavor instant pudding and pie filling. Beat slowly with rotary beater or at low speed of electric mixer for 1 minute. Pour at once into a baked and cooled 9-inch pie shell. Chill at least 1 hour. Garnish with prepared or thawed frozen whipped topping and sprinkle with nutmeg, if desired.

Men of all ages are showing a tendency to try more contemporary fashion looks, particularly for social activities, reports Becky Culp, a clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

**WHAT YOU SHOULD KNOW ABOUT COLDS**

Although it is now possible for a physician to diagnose and stop pneumonia almost overnight, the cure of the common cold is still a problem. All that can be done is to take medicines which usually can relieve troublesome symptoms and prevent complications.

We have many reliable products for cold discomforts like a stuffed nose, coughs, raw throat, or a headache. But, if relief is not soon, or a fever persists, don't wait. Visit a physician before complications develop.

A large crowd was on hand Friday for the noon luncheon at Lynn Co. Pioneer Club. Pauline Walters won the "lucky member" gift, and

Lois Weathers drew the afghan that the club has been taking donations on for the past 3 months.

The December birthday party will be this Friday at 2:30 and the annual Christmas Dinner will be Dec. 21 at noon.

Funeral services for Clarence Brasher, 90, was held in Rising Star on Saturday

afternoon. He was a brother-in-law of Edna Brasher and a cousin of Audrey Akin. Both ladies attended the funeral.

Mrs. Lela Wood spent the week end in Slaton with relatives. On Saturday she spent the day with Mr. and Mrs. Hobson Smith and attended a church supper with Mrs. Smith that night at the Assembly of God Church.

Mr. and Mrs. Edd Akin attended funeral services in Jayton Monday for a brother-in-law, Lewis Jones who died Saturday in an Eastland nursing home.

Visitors in the home of Mr. and Mrs. Buster Burr on Sunday were Mr. and Mrs. Willis Burr and children, and Mrs. Omega Hewlett and children all of Lubbock. The children had fun putting up and decorating "Granny's" Christmas tree.

Walter Skiles and Essie Jobe of Brownfield visited Mrs. Tinnie Meeks on

Sunday.

Wilson Sewing Club held a noon luncheon at Tahoka Cafeteria on Monday. It was their annual Christmas party and gift exchange. There were 14 members present. Visitors present were Mrs. Charlie Campbell of Plainview, Mrs. J.T. Fountain of Amarillo, Mrs. Vesta Apppling and Mrs. Ollie Riddle.

After lunch some of the group visited the Nursing Home here and took gifts.

**You know, my dealer's service people worked until after eleven the other night to get me back in the field.**

When you buy John Deere equipment from us, you can count on our continuing support. We know you can't afford downtime, especially when there's a crop to be planted or harvested. If it means putting in extra hours, we'll do our best to get your equipment back in the field quickly. If it means going out to your place for emergency repairs, we can take care of that, too. When you need John Deere parts, we're ready. All equipment requires regular attention, of course. And it's always a good idea to take care of needed repairs between seasons. Count on us. Putting forth extra effort is our way of saying we want you as a satisfied customer.
