Tahoka's Outstanding Citizens Are Honored

WOODWORK

by dalton

A MISSIONARY who has served in Africa for years was a visitor in Tahoka and Slaton last week and among the other things he talked about was a time he killed a lion in a village in Zaire.

Shooting a lion, he says, is one of the most exciting--and scary--experiences a person can have. He said this male lion and his mate had been killing the villagers' pigs and there was a real fear that the lions would attack and eat some of the natives. He explained that once a lion has tasted human flesh it becomes a maneater, no longer afraid of humans.

The missionary, 35-year-old David Law, was asked by the villagers to kill the lion. David explained that his father, who had served the same area as a missionary until he was murdered by rebels in 1952, had once killed a lion which frightened the natives, so they naturally thought that David, the son of a lion hunter, would also be a mighty hunter.

David Law said he had never shot at a lion in his life, but that he finally did manage to kill the lion after an abortive attempt which gave him a terrifying night of staying up a tree while the lion roared around in the darkness below.

"That roar you hear on the MGM movies is just a little meow compared to a real lion's roar when he's only a short distance away and thinking about you as his dinner," Law said.

He also commented that if you are ever faced by a lion, don't turn your back on him. He is much less likely to attack if you look him in the eye, says David.

"I hope I never have to test that theory. I certainly have no intention of going lion hunting, and I never have seen any lions killed.

"I did see a bunch of Rotarians almost bored to death recently, though."

ON MONDAY we all are supposed to wear something green, in observance of St. Patrick's Day. Everybody takes note of the day, and usually a lot of green can be seen, even among the protestants. St. Patrick was the patron of Ireland and a saint of the Roman Catholic Church. May 17 was his feast day, meaning a special day of celebration, I guess, since he surely didn't fast for the rest of the year.

Just why green has a tie-in with the observance is not clear to me, even after reading in the World Book. It makes no mention of green, except that St. Patrick is supposed to have planted shamrocks because their three leaves represented the Trinity, and shamrocks are supposed to be blue-green.

There are a lot of traditions about St. Patrick's Day. I know of some people who pinch you if you aren't wearing green, and this seem vaguely connected with little leprechauns.

When I thought of that, I decided to look up leprechaun, and the dictionary says that in Irish folklore that's a little man who can lead you to a quantity of gold if you can catch him.

With gold around \$800 an ounce, it might be worthwhile to go leprechaun hunting.

KNOTHOLES: Someone asked me if I didn't have a more inexpensive trip than the European visit announced in this week's paper. Actually, we do have. It's \$100 per person, a 10-day campout on Three Mile Island...Just after he spoke to the Tahoka Chamber, Fred Bucy was in the news in Dallas in a minor squabble with his neighbor, H. Ross Perot, another electronics biggie. Perot wanted to put a heliport on his property and Bucy didn't want it in the neighborhood...I'm hereby giving notice on David Roberson that I won't tolerate any helicopters landing in his front yard across from me...St. Jude Catholic Church members are selling homemade tamales Saturday to raise funds for the church. So no matter when you read this, Sunday will be the day after tamale.

By DALTON WOOD
Tahoka's outstanding citizens of the last year--and one who has served the area for almost 60 years--were honored last Thursday night as a crowd of more than 300 persons in the school cafeteria heard an address by Texas Instruments President J. Fred Bucy and applauded the announcements of the top citizens at the annual banquet of Tahoka Chamber of Commerce.

Mrs. Macky Turner was named Woman of the Year. Dr. Richard White was announced as Man of the Year. Brad White as Student of the Year, and Mrs. Lady Stewart was honored as the "Citizen of the Decade."

In addition, the Soil Conservation Service announced the Conservation Farmer of the Year was Jake Dunlap, Rt. 4, and that Mrs. Kenneth (Ann) Eaker of O'Donnell was 1979's Conservation Homemaking.

Bucy, a Tahoka High School graduate who now heads one of the world's largest corporations, returned home to greet a lot of people he has known for years.

Bucy credited his wife and his parents, "and growing up in Tahoka" as being the most help to him. He mentioned working in the drug store here, "where I learned you have to deal with each person as an individual, and that the individual is important...I learned that

MEETING THE CROWD after his speech to the Tahoka Chamber are Mr. and Mrs. J. Fred Bucy Jr.

integrity is important, and in Tahoka I learned that if you believe in something, you must stand up for it."

He drew some laughs with

the comment that "my father told me that nothing is ever accomplished by a reasonable man," and by noting that he surrounds himself with top-quality people--"I've learned that nothing is impossible if you don't have to do it yourself."

Looking Ahead

It's followed with a comprehensive address on what lies ahead in the 1980s for the economy of the nation, warning that if the nation continues on a path of "Bureaucratic incompetence, wasteful spending and misguided welfare programs" the people will continue to face inflationary prices with no increase in real income.

Calling for leadership which he said has been lacking among elected officials, Bucy said "the cumulative effects of two more decades of the 'status quo' are devastating: by the year 2000, prices will be more than seven times those in 1980; the level of

productivity will have increased by only 10 per cent; and the average American family will have absolutely no gain in real income."

He said, however, that if tax policy changes and easing of government regulations are made which will raise the levels of research and development spending and private investment, inflation can be reduced to 8 per cent per year and productivity growth will rise to 2 per cent.

Better Outlook

Such changes, he said, could increase the gross national product by 84 per cent from its 1980 level "and real family incomes would rise by almost 50 per cent."

Dr. White, outgoing president of the chamber, was master of ceremonies, but was himself surprised as incoming president Eual Davis announced that White was the selection for 1979 Man of the Year. Dr. White, who had been told it was someone else, sat astonished as he listened to Davis recount some of his 1979 activities.

White is a graduate of Texas Tech and Baylor College of Dentistry, and was an honor graduate of Tahoka High School in 1968. In 1976 he married Karen Sue Purcell and returned to Tahoka to engage in dental practice.

He has been director of class plays, chairman of the Harvest Festival, member of the city council, president of the chamber and the county Cancer Society unit. Rotary vice president, Boy Scout fund raiser and involved in other activities.

Conservationists

Davis also presented the SCS awards to Dunlap and Mrs. Eaker, plus a plaque the county commissioners and Judge Melvin Burks for their cooperation during the last year.

Mrs. Eaker and her husband and six children, age 4 to 17, work on their farm 10 miles south of Tahoka. Davis said, "Under her skilled guidance they have reached for a form of self-sufficiency at home. They have a large garden each year and from it Ann will freeze or can almost everything they need for the

coming year."

He also mentioned her many activities at the First Baptist Church of O'Donnell, youth basketball, band boosters and 4-H work.

Woman of Year

Joy Brookshire presented the Woman of the Year Award to Mrs. Turner, saying:

"Over a period of years, she has been involved in many community activities, including fund raising for various reasons...she helped organize and presently serves as secretary for Lynn County Museum, and is devoted to the Joy Bell Ringers, choir and the Methodist Church."

A graduate of Tahoka, Hockaday Junior College and the University of Texas, she has held many offices in American Cancer Society and is a state board member.

Accepting the award, Mrs. Turner said, "I'm devoted to the Lord, to my family and to the good people of Tahoka... Thank you."

Dr. White announced the special award which chamber members had decided should go to Lady Stewart for years of service to the community. Mrs. Stewart, who recently celebrated her 85th birthday,

was obviously completely surprised by the announcement. Said Dr. White, in part:

"This exceptional woman still drives her car, maintains her home, teaches a Sunday School class, attends club meetings, walks a mile a day, and visits the hospital and nursing home regularly."

"She was born in Mumfords, Texas Feb. 20, 1895, and See CHAMBER, Page 5

City Awards Contract On Paving

Don Zahn Construction Co. and Ronnie Zahn Pavers were awarded a joint contract for paving and resurfacing a number of blocks in the south and east sections of Tahoka, as the city council met in called session Tuesday afternoon.

The Zahns submitted a low bid of \$437,215 on the project, beating out five other bidders. A Community Development Block Grant from the federal government in the amount of \$500,000 was approved in 1979 for the project, which stipulates that the paving and caliche resurfacing be done in low-income areas of the city.

A pre-construction conference is set for March 24, with work to begin soon thereafter.

Councilmen also discussed and gave informal approval to a request from Tahoka Co-Op for an addition to gin facilities.

MACKY TURNER, Woman of the Year, receives her award from Joy Brookshire, outgoing president of the Chamberettes.

Theft Reports Investigated

Butane tanks, a mini-bike and a stereo were among items reported stolen this week in the city and county.

Police had reports from Teresa Ausburn, 1501 Ave. L, of a stolen mini-bike, and from Pete Todd, 1822 S. 1st, where a stereo was stolen.

Tickets were issued during the week for no drivers license, excessive noise and no motorcycle license.

Sheriff's officers took two theft reports. Jim Blankenship of New Home reported a 50-gallon butane tank stolen off a tractor, and another 50-gallon butane tank was reported stolen out in the county. It was owned by Leroy Knight of Tahoka.

Jury trials of criminal and civil cases are scheduled to begin Monday in 106th District Court here.

DR. RICHARD WHITE, Tahoka's Man of the Year, accepts his award from incoming Chamber President Eual Davis.

Newspaper Sponsoring Trip To Europe In June

Lynn County and area residents who may want to make this summer's vacation trip the best they've ever had are being offered a package tour to Europe in June, sponsored by the Lynn County News, and to be led by News owners Dalton and Lenda Wood, who have taken two other groups of area people to Europe in the past, in 1975 and 1977.

Cost of the 15-day trip will be \$2113 per person out of Lubbock, or \$2073 for anyone wishing to catch the non-stop Braniff 747 flight out of Dallas-Fort Worth Airport.

The trip is scheduled to leave Lubbock via Braniff at 2:35 p.m. Thursday, June 12, to Dallas, where the 747 flight leaves at 6:30 p.m. and flies directly to Paris, France. The tour group is scheduled to return to Dallas from Frankfurt, Germany, on

another non-stop flight to arrive in D-FW at 4 p.m. Thursday, June 26. A flight at 6:30 p.m. will get the group back to Lubbock that evening at 7:30.

Five countries are to be visited on the trip, with overnight stays including two nights in Paris, four nights in Switzerland, and two nights each in Venice, Italy, and in Vienna, Austria and Munich, Germany.

The price includes air transportation, all hotels, two meals per day on most days, an European tour guide, all bus transportation, all luggage handling, sightseeing tours in the major cities, gondola ride in Venice, sky ride to the top of Mt. Pilatus in Lucerne, tour of the historic Chillon Castle made famous by Lord Byron's epic poem "Prisoner of Chillon",

and other activities.

In addition, there will be offered extra optional events which the tourist may pay for and enjoy if he desires.

Certainly a trip to Europe, seeing all the famous wonders of Paris such as the Eiffel Tower, Notre Dame Cathedral and the Louvre, and all the other attractions in the other countries, will be an experience to be remembered for a lifetime. It provides area residents a chance to make such a trip in the company of people they know along with others of the same background and interests.

It also would make a cherished graduation gift for someone finishing high school or college.

A deposit of \$150 per person

assures anyone of a place with the tour group, and this is refundable if one learns later he or she cannot make the trip.

Decisions need to be made soon, especially if the prospective traveler does not have a passport. Passport application forms are available without charge or obligation at the Lynn County News, and anyone may obtain one. A birth certificate is necessary to obtain a passport.

Wood said brochures on the trip should be available by this weekend, and any person wishing a brochure or further information is invited to call him at the Lynn County News, 998-4888, during the day, at home evenings and weekends, 998-5369, or may write Box 1170, Tahoka 79373.

Judge Melvin Burks attended funeral services Wednesday for his uncle, Roy Burks of Norton, Texas.

Mrs. Lena Shelton fell at her home late Thursday afternoon and broke a hip. She was carried to Lynn Co. Hospital and later transferred to Lubbock Methodist Hospital where she underwent surgery. She is in Room East 388.

A group of 10 persons rode the Senior Citizens' van to Brownfield on Monday and visited the Senior Citizens Club there.

Wilson Sewing Club met at the Museum building on Monday afternoon. What was expected to be a routine meeting turned out to be a surprise birthday party for Mrs. Ona Raymond and Mr. Charlie Lichey. They are both 80 and claim to be twins. Visitors totaled about 35 and there were 13 members present. Joyce Hancock and Nelda Chapman, daughters of Mrs. Raymond brought the birthday cake and punch for the occasion. Needless to say the meeting turned out to be a "no sewing" session. Husbands were special guests.

Community Action Board members met in a regular business meeting on Monday night. In the absence of both the president and vice president, Truett Hodnett of O'Donnell presided. Center reports were given on VISTA, Family Planning, Social Services, M.E.T. and Senior Services. Mr. Carl Owens of the Levelland office reviewed some of the reasons we have a Community Action Center.

Interest continues in the Monday night "42" parties at Senior Center with 23 persons on hand Monday night. Friday's covered dish luncheon saw nearly fifty persons at the center. Mary Edna Lancaster and Carrie Caldwell were hostesses. Lela Wood drew the "Lucky Member" gift. After the luncheon, Jo Ann (Thomas) Mock brought an interesting program on cotton and modern methods of farming on the cotton farm. This Friday at 2:30 the

FASHION SHOW--Young Brandi Barton models a garment at The Tahoka Daisy Monday, where a style show was held for the Lynn County Cotton Assn. members.

March birthday party will be held. All those having March birthdays will be honored.

Mrs. Ernest Walker had major surgery in Lynn County Hospital on Monday.

West Point HD Club

The West Point Extension Homemakers Club met Thursday, March 6 in the home of Mrs. Clifford Tankersley.

Mrs. Lucille Wright, president, gave a program on Improving and Understanding Inter-personal Communications. Roll call was favorite recipes. Mrs. Pat Crotwell joined the club making a total of 15 members. Visitors and new members are always welcome. The next meeting will be April 3.

Chamber Meeting

The Tahoka Chamber of Commerce will meet March 18 at noon at the Tahoka Cafeteria. All members are invited.

Support Asked For Library

Library Board members will be asking Lynn County residents for authorization to draw a draft of a few dollars per month on their bank accounts to help support the library and bring its budget up to qualify for full membership in an area library association.

It was explained that membership in the association, already obtained on a partial basis, provides many more volumes and other services to Lynn County residents by use of books from other libraries in the area.

Board members who met Monday afternoon also said some residents may prefer to give a once-a-year donation.

Faith Circle Meet

Faith Circle of United Methodist Women met Monday, March 10 in the church parlor. Marietta Montgomery presided.

The minutes were read and approved. A devotional on the meaning and adventure of prayer was given by Louille Stewart. Prayer is the pathway to the Father.

The parables studied were about the recovery of the lost and the discovery of the new. Lois White is leading the study of the parables.

The meeting closed with the Circle benediction. Hostesses for the meeting were Lois Weathers and Myrl Mathis.

Diaper Data

Mr. and Mrs. John Thomas are the parents of a baby girl, Leah Beth, 8 lbs. 1 oz., 20 1/2 inches long, born March 1 at Plains Memorial Hospital in Dimmitt. The mother is the former Leasa Huffaker.

Maternal grandparents are Mr. and Mrs. Maurice Huffaker and paternal grandparents are Mr. and Mrs. R. M. Thomas of Grassland. Great-grandmothers are Mrs. W.C. Huffaker Sr. and Mrs. M. L. Thomas of Tahoka and Mrs. J.E. Parker of Post.

Nursing Home Project Begins

A move is being made to organize a volunteer workers group for the Colonial Nursing Home. If you feel you can spend a little of your time and effort to minister to the residents of the home, you will be blessed by having made their stay there a little brighter.

If you would like to donate a shade tree it will be greatly appreciated. Call 998-4287 or 998-4364 if you can help in some way.

Smile--It Won't Hurt Your Face!

Tahoka Garden Club Meet

The monthly meeting of the Tahoka Garden Club will be held Tuesday, March 18 at 2:30 p.m. in the home of Mrs. Thelma Sherrod at 2101 Main St. This will be the annual Plant and seed Exchange. A representative from the Texas Parks and Wildlife Commission will give the program on area birds, illustrated with color slides. Any one interested in this subject is invited to attend. Members will answer roll call by naming their favorite bird.

FHA/HERO Banquet

The annual FHA/HERO Sweetheart Banquet was held Feb. 16 at the Church of Christ. Fifty-one students and seven sponsors attended.

Guest speaker was Scott Knight, a disc jockey who spoke of a typical working day at the station and shared his sense of humor with the group.

Thanks to everyone who helped make the banquet a great success.

ENGAGEMENT ANNOUNCED--Mr. and Mrs. Clois B. Richardson of Ft. Worth announce the engagement of their daughter Carla Beth, to Ricky Lee Gurley, son of Mr. and Mrs. W.W. Gurley of Tahoka. Gurley is the grandson of Mrs. Eunice Tolleson.

Appraisal Problems Pondered

Lynn County's finances are in a little better shape than they were at the same time last year, Judge Melvin Burks told county commissioners at Monday's meeting but he quickly added the county wound up last year more than \$50,000 in the red.

His brief comment on county finances came during a meeting in which the commissioners paid bills, discussed problems of assessing personal property and farm equipment--appointed the judge as loss control coordinator for the county. The workman's compensation laws require that such a person be designated in relation to safety procedures.

Holidays for 1980 were approved and the group voted to join with Tahoka and O'Donnell school districts in utilizing a common appraiser for personal property.

Larry Hagood, chairman of the newly-formed county-wide appraisal board, discussed the need for appointment of a chief appraiser, and to establish a budget for the appraisal board.

Public Notice City of Tahoka

Fair Housing Ordinance Enforcement Program
On 2/5/79, the City of Tahoka passed a comprehensive Fair Housing Ordinance which defines specific discriminatory housing practices prohibited by the City of

Tahoka and provides for investigation of discrimination complaints and penalties for violations of the Ordinance. Copies of the City's Fair Housing Ordinance have been distributed to local realtors, builders, developers and lending institutions and to public agency personnel handling housing programs in our City. Copies

of this Ordinance are available free of charge to any interested persons or groups at the office of the City Manager, Tahoka City Hall, 1612 Lockwood, between the hours of 8 a.m. and 5 p.m. Monday through Friday.

To further promote effective enforcement of Tahoka's Fair Housing Ordinance, the City has developed a set of specific procedures for handling all formal complaints of discriminatory housing practices filed with the City. These procedures are based on the provisions of the Ordinance enacted by your City Council. Copies of these procedures may also be obtained at the Office of the City Manager during the hours stated above by an interested persons or groups. For further information on the City of Tahoka's Fair Housing Ordinance or to discuss specific discriminatory housing practices, contact Carl Reynolds, City Manager at 806/998-4211. 11-1tc

ACCORDING TO THE BIBLE

BIBLE Answers for BIBLE Questions: By DOUG CARTER

Question: Where do we go after we die?

Answer: Eccl. 12:7 tells us: "the dust returneth to the earth as it was, and the spirit returneth unto God who gave it." When one dies the body goes to the grave, but the conscious part of man that we often call the "soul" or "spirit" lives on in another existence. That other existence through is not our eternal state, because Peter said David had not ascended into the heavens; and when he spoke David had been dead for centuries (Acts 2:34). So we do not go directly to Heaven or hell at the moment of death.

From the New Testament, we learn that when we die we go to Hades, an abode which is divided into two parts. One part is a place of torment, where the rich man was suffering (Luke 16:23). The other part is described in comforting terms as "Abraham's Bosom" (Luke 16:22). Our life on earth determines which part of Hades we will enter. Once we are there we will not have an opportunity to change as is described in Luke 16.

Our life on earth can be described as the "dressing room" for eternity. This is why it is so important for each person to know what God's word says about salvation and Christian living. We should understand that one day we will be judged by the Word of God and not by opinions and feelings of men who stand in front of congregations (Jn. 12:48).

Each one of us has an appointment with death — and after that will come the judgment (Heb. 9:27). We do not know the time or manner of our death, but we do know that is "sure" and who knows if we will be around next week or next year to obey Christ. "Behold now is the day of Salvation" (I Cor. 6:2). We should not put off that which we know we should do. "How shall we escape, if we neglect so great a salvation?" (Heb. 2:3). Come study God's Word with us this Sunday.

NOTICE OF BUDGET HEARING

A proposed budget for the fiscal year 1980-81 beginning April 1, 1980, for the City of Tahoka will be held at the Tahoka City Hall council room at 7 p.m. March 24, 1980.

Proposed expenditures for the year by the City of Tahoka, including all sources of revenue, and specifically including federal revenue sharing funds, will be discussed. The public is invited to attend the hearing and express opinions on the proposals. 11-1tc

Legal Notice

The New Home I.S.D. hereby announces that all persons residing within the boundaries of the New Home Independent School District and wishing to claim a residential homestead exemption for 1980 must sign an affidavit before April 30, 1980, in order to qualify for the exemption. If affidavit is not signed, exemption will

not be granted.

The New Home I.S.D. hereby announces that all persons who are 65 or older as of January 1, 1980, or under a disability for purposes of payment of disability benefits under Federal Old-Age, Survivors, and Disability Insurance are entitled to an exemption of \$10,000 from market value of their residence homesteads for purpose of school taxes.

To qualify for this exemption, an application must be filed with the school district tax office by April 30, 1980. Application forms are available at the school district tax office. If application is not filed with school tax office, exemption will not be granted. 11-6tc

Notice

The New Home I.S.D. hereby announces that all Open Space Land Applications must be filled out and returned to the school tax office by April 30, 1980. If the application is not returned, the property will be taxed on 100 per cent of market value, rather than on productivity value. Application forms are available at the school district tax office. 11-6tc

Notice

The New Home School Tax Office will be closed March 17 through March 21, 1980.

Notice

The Wilson Independent School District announced the availability of a new 12-page pamphlet which may help district residents save on their property taxes. The pamphlet explains how the property tax system in Texas operates, and the highlights possible tax savings available to citizens. The publication was developed by the State Property Tax Board in accordance with the provisions of Senate Bill 621, passed by the Texas Legislature in 1979. Homeowners are eligible for a \$5,000 school homestead exemption, and those aged 65 or older may qualify for additional exemptions from the value of their property. Also, farmers and ranchers have the option of having their agricultural land taxed at its productive rather than market value.

To qualify for exemptions and productivity valuation, however application must be made to the school tax office before April 30th.

Legal Notice

The Wilson Independent School District Board of Trustees hereby orders and gives notice on an election to be held on April 5, 1980, for the purpose of electing to the Board of Trustees three (3) members.

which will be binding upon you, including the termination of the parent-child relationship.

"Issued and given under my hand and seal of said Court at Tahoka, Texas this 10th day of March, 1980. s/s Joy Laws, Dist. Clerk Lynn County, Texas 11-1tc

Speaker Tells Button History

Speaking on the topic "Button Up", Dr. Mina Lamb, retired head of the Texas Tech Home Economics department, told the history and facts of buttons in talk before Tahoka Rotary Club last Thursday noon. She also displayed several hundred of the various types of buttons from her collection.

She said buttons were first used two thousand years before Christ, then made of gold, silver and gems and used strictly as decorations by the wealthy. Not until about 1600 A.D. were leather and wood buttons used, but not commonly until 100 years later.

She displayed and told some facts about the transition in use to ivory, horn, crocheted, shell, celluloid, plastic, etc.

She also displayed her collection of special work clothes buttons, state, military, stainless steel, animals, flowers, buildings, horses and mules, jewelry buttons, and others.

In closing, she asked, "What would you do without a button?" Calloway Huffaker arranged the program.

Chamber

Cont. from Page 1
moved to Roscoe when she was 12 years old. She graduated from Southern Methodist University with the charter class of 1919 and played on the basketball team. She taught school at Silverton and Roscoe and there she met G.M. Stewart. They were married June 1, 1921 in Roscoe and shortly after moved to Tahoka.

Dedicated Citizen

"From those early days of the twenties, Lady Stewart became an active and dedicated citizen of Tahoka. Of course, she has assisted with a multitude of drives for our town through the year...But, according to her, one of the greatest honors bestowed upon her was the scholarship given her name, the Lady Dobbins Stewart Scholarship for deserving high school senior girls. Since 1979, ten girls have been assisted with a college education through this scholarship administered by Phebe K. Warner Club of which Lady Stewart is a charter member. She corresponds often with the girls who have received scholarships.

"Mrs. Stewart is a member of the First United Methodist Church where she has held offices and served on various committees. Presently she

teaches the Friendship Sunday School Class and is an active member of the Faith Circle.

"She was one of the founders of the Lynn County Library and still serves on the library board. She has given many hours to this worthy project."

Aids Girlstown

"She is presently serving on the board of directors of the Education Fund at Girlstown, USA."

"As her name suggests, she is a lady in every way and Tahoka has been richly blessed by being able to claim her as its 'first lady' in every sense."

Mrs. Stewart received a

standing ovation from the crowd as she went forward, accepted her plaque and made the wry comment that "Really, I think the only thing I've ever done is just live a long time."

Mayor Mel Leslie presented the Student of the Year award to senior Brad White, describing him as an outstanding athlete, scholar and respected young citizen. White is the son of Mr. and Mrs. Binie White.

Following the banquet was a reception at the museum for Bucy and his wife, Odette, who was reared at Grassland.

Plan Flower Bed With Care
When planning your annual flower bed this spring, do what is best for you to reflect your individuality.

Use plants varieties and colors which you like which will add to the beauty of your landscape. Your flower garden should also supply blooms for arrangements in the home.

Locate flower borders at the sides of the property in front of a fence or shrubbery which provides a suitable background. If you border is in front of shrubs, you will need to apply extra water during dry periods to replace moisture the shrubs use.

Select tall flowers for the

back part of the bed, with medium height species in the middle and dwarf varieties along the front as edging plants. The eight of all varieties is stated in seed catalogs.

Another key point to remember is to have your plants in groups large enough to form masses of color or texture. As a rule, it takes at least five to seven plants of a variety to create the desired effect. A large delphinium or peony is sometimes of sufficient size to be attractive, but a random collection of individual, small to medium-sized plants will present a disorganized, checker-board

appearance.
Plant flowers in groupings with irregular shapes. These masses of color and texture should blend into a pleasing pattern of color harmony. Dwarf flowers may be used as a continuous edging or border along the front of the bed to tie the entire planting together.

If you border includes spring flowering bulbs or perennials, you can over-plant with annuals or plant between them after they finish blooming. This will maintain attractive color throughout the summer. Start these plants in short rows at the edge of your vegetable garden and then transplant them to the flower border. If it's too late to grow plants from seed, you can buy plants from a garden center or nursery.

Flower beds and borders are intended to provide beauty as a part of the landscape design. Blooms are to be enjoyed where they are produced and should be cut only sparingly for home arrangements. Grow cut flowers in a separate area so they won't detract from the landscape if you cut them frequently.

On-farm tests proved it...

Lockett 77

\$42
made **42** more per acre.

In 56 comparisons over the last three years, certified Lockett 77 from Pioneer produced an average gross income of \$309* per acre... giving it a \$42 per acre advantage over competitive varieties.

Why such an advantage? Outstanding seedling vigor with excellent cold tolerance and seedling disease escape help Lockett 77 make a good stand. Added to that are multiple disease tolerance, hardy plant characteristics, and early maturity... a combination that helps Lockett 77 deliver outstanding performance.

Farmers who've grown certified Lockett 77 are well pleased with results. Jack and Paul Hopper at Knott recorded a lint yield of 1,553 lbs./planted acre in 1979. Ben Roming at Lariat got 830 lbs./A. And over the last four years at Tell, Texas, Clinton Halford averaged 975 lbs. of lint per acre with certified Lockett 77.

Ask your ginner or Pioneer dealer to show you performance data for Lockett 77 from your area. Then order your share for 1980 planting.

'Flashmaps' On Texas Published

The guidebook that serves as a familiar companion to more than 1.5 million visitors and residents of New York City, Washington, D.C., and Chicago, has announced the publication of a comprehensive directory for Texas.

Now on newsstands and bookstores throughout the state, the 96-page publication contains more than 3,500 listings cross-indexed with 57 colorful maps on a variety of subjects. Among these are:

Airports, Architecture, Art Galleries, Bus Routes, Caverns, Colleges, Fairs, Forests and Parks, Golf, Historical Sites, Hospitals, Hotels and Motels, Lakes, Museums, Music Centers, Night Spots, Ranches and Rodeos, Restaurants, Shopping, Sports Centers and Theaters.

"City slickers, suburbanites, and tourists alike can make all of Texas their hometown," comments Toy Lasker, publisher and conceiver of this successful form of urban cartography. "It is only fitting that our most ambitious guidebook -- more pages, more listings, and more maps -- be devoted to our largest state -- a pint-sized guide to a ten-gallon state."

The pocket-size Instant Guide costs \$3.50.

Cotton Prices Lower

Cotton prices fell \$5 to \$8.75 per bale during the week ending March 6, according to Paul R. Dickson, Area Director for the Texas High Plains Cotton Division Offices.

High Plains growers sold mixed lots of mostly mikes 27 - 29 brought around 1250 over, down 100 points, Dickson said.

Trading was slow to moderate while demand was light to moderate most of the week. Supplies in growers hands remained moderate.

Modules of field stored cotton moved to gins at a good rate most of the week as spring-like weather returned. About 13 gins remained in operation to gin final bales of the season. Most were located in southern and eastern High Plains counties.

Lubbock's Marketing Services Office graded about 16,600 samples in the week ended March 6. This brought the season's total to 2,465,000, according to USDA's Agricultural Marketing Service. About 1,898,000 had been gassed by the same date last year.

Predominant grades for the week were grade 32 at 29 percent and grade 42 - 37 percent. About 13 percent of the samples were reduced one grade because of bark and two percent for grass.

Predominant staples were staple 30 - 33 percent, staple 31 - 43 percent and staple 32 - nine percent.

Micronaire 30 - 32 accounted for 33 percent, 27 - 29 amounted to 37 percent while 26 and below was 14 percent.

CCC Revolving Fund: The Senate Agriculture Committee's fiscal 1981 budget recommendation earmarks \$1 billion for CCC short-term and intermediate export credit programs. The action, which followed proposals by Sen. Jepsen (R-Iowa) and Sen. Cochran (R-Miss.) would enable CCC to establish a revolving fund with GSM-S export loan repayments reverting to the CCC budget, rather than to the general treasury. This would mean export credit funds would no longer be dependent on annual appropriations or subject to budget cuts. National Cotton Council delegates passed a resolution urging the revolving fund at their 1980 annual meeting.

Meanwhile, the House Agriculture Committee has gone along with the President's budget proposal to eliminate funding for GSM-S loans in favor of the GSM-101 guaranteed loan program. Recommendations now go to the House and Senate budget committees currently preparing the first concurrent budget resolution which must be approved by

Committee Acts To Improve Bale Package: The National Cotton Council's Joint Industry Committee on Bale Packaging met in Greenville, S.C., and recommended an increase in the width of woven polypropylene patterns to 49 1/2 in. on modified flat bales. The committee increased the length to 114 in on flat and modified flat bales. The committee also recommended full approval of closely woven 7-lb. T2 jute bagging.

CCI Holds Seminar: Cotton Council International co-operators from Japan, Korea, the Philippines, Thailand, and Hong Kong participated in a seminar sponsored by CCI in Hong Kong March 6-7. CCI's Far Eastern Director John Maguire welcomed representatives. Emmett Robinson, National Cotton Council public relations director, Memphis, and Allen Beach, CCI fiscal director, Washington, led discussions aimed at improving promotion techniques for U.S. Cotton in these important importing countries. Robinson and Beach also will go to Indonesia to discuss establishment of a cooperative promotion program with the Indonesian Spinners Association and to Thailand for consultations with the Thai Textile Manufacturers Assn.

Exports Reported: New sales of 51,400 running bales of upland cotton for the week ended Feb. 24 brought this season's total to 8,617,900, compared with 5,900,400 a year ago. Major buyers were Korea and Taiwan. The week's shipments of 189,800 running bales brought the total to 4,170,900.

And Cotton Yesterday: It has been proven that immersion in sea water for up to three years does not harm cottonseed, which may account for the mix of Old and New World strains since the seeds could have floated across the Atlantic to cross with South American varieties.

The most successful of the group was Denise Ehlers, who placed second in prose. Other orators placing were Starr Knox, 4th place in prose; Sheri Tomlinson, 4th place in informative speaking and Ronald Webster, 5th in poetry interpretation.

FHA/HERO Members Attend Area Meeting

On March 7 at 10 a.m. sixteen FHA/HERO members including three sponsors loaded three vehicles and began their trip to the Area Meeting in Odessa.

Upon arriving the group met at Ector High School for registration and a talent show. Saturday morning the group attended a general session in the auditorium and then departed to workshops of their choice.

The Tahoka members feel they have gained many new

ideas from the meeting. The girls would like to thank Dorothy Draper for taking time out to assist the sponsors and provide a means of transportation and thanks to the superintendent and principal who accompanied them on Saturday morning.

Those attending were Pat Rambo, Carolyn Virgin, sponsors; members Lela Jo Strickland, Kathy Austin, Delia Torres, Beverly Beard, Tracy Draper, Piper Foster, Alma Hallmark, Dec Dec Cowman, Elma Antu, Marcy Raindl, Julie Sastre, Paula Montemayor, and Malcolm Chancy.

NIGHT SCHOOL GRADUATES—Graduates of a recent class for adults at Tahoka night school are shown here. From left in back are Roy Rogers, Gleda Jackson, Gertrude Potts and Idilia Saldana. In front are Dominga Rodriguez, Josephine Perez and Clara Valdez. Not shown are Jean Jackson and Odessa Paynes.

Night School Graduates Nine

Tahoka's Adult Night School had nine students who completed the test for their high school diplomas the first semester. The adult night school has been in operation at the Community Action Center for the past three years. Forty-five adults have earned their high school diplomas during the program's existence.

Enrollment for the second semester of classes is now in progress. Anyone who is 18 years or older and has dropped out of school is

eligible to enter. There is no tuition; the classes are free. Books are provided and accredited teachers conduct the classes.

The night school meets each Tuesday and Thursday from 7 to 9:30 p.m. For more information come by or call the Community Action Center, 998-5094.

Christmas In March

The Lynn County Child Welfare Board is planning a volleyball tournament on March 29 in the Wilson High School Gymnasium. The purpose of the tournament is

to pay for Christmas gifts for Lynn County foster children. There are no county or state funds allocated for this purpose. Community support has seen that these less fortunate children have had Christmas gifts in the past.

The board solicits your help with donations of food and assistance so that Santa will visit these children this year. Anyone wishing to help with this event may call Andra Solomon at 998-5291 or Wanda Stewart at 998-4553.

The Choice Is Yours

The 60-day review period of proposed U.S. Department of Agriculture soil and water conservation programs is about over. Eual Davis, District Conservationist, Soil Conservation Service, said this week.

"Or to put it another way, you have only a few days left in which to stand up and be heard concerning the future direction of the nation's conservation program," Davis continued.

Actually, we want public comment on the Soil and Water Resources Conservation Act of 1977 (RCA)," Davis said. "Comments are invited on not only conservation proposals, but USDA's process of carrying out the Act, and the published documents."

A meeting was held in Lubbock last Tuesday, March 4th to review and discuss the USDA proposals. Some of you were at that meeting and some made public comments. However, your voice can still be heard if you will become acquainted with the proposals then write your comment to the address below.

Davis said the proposals can be reviewed at either the SCS or ASCS offices in Tahoka from 8 a.m. to 5 p.m., Monday through Friday.

Written comments must be signed and mailed to the RCA Response Analysis Center; P.O. Box 888; Athens, Georgia 30603, before March 28, 1980.

Use spices and herbs to enhance foods on a low-sodium diet.

However, avoid spices such as garlic salt or celery salt which contain sodium or salt, advises Mary K. Sweeten, a foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Assistant County Extension Agent

Says...

4-H youth from 9 to 19 will have an opportunity to "expand their horizons through camping" at the Texas 4-H Center this summer. And the 1980 summer camping program is better than ever.

Seven camps are planned from July 6 to Aug. 2.

Activities include living and learning in the outdoor environment that encompasses 78 acres of wooded land on the shores of Lake Brownwood in Central Texas. Skills training will be offered in such subjects as canoeing, archery, handicrafts, swimming, shooting sports and ground sports. Youth can participate in all activities.

Like 4-H, camping is "learning by doing". 4-H'er will develop skills and will grow into more productive citizens as a result of their

camping experiences. Learning to adjust to a camping environment, learning to appreciate natural surroundings, and participating as a responsible member of a democratic camping environment are just a few of the experiences offered to campers.

Experienced resource teachers and qualified college-aged counselors will conduct classes. County Extension agents, adult leaders and counselors will supervise campers at all times. Educational activities are planned for 4-H'ers, leaders and county Extension agents that can be adapted to local 4-H programs.

Additional information about summer camping at the Texas 4-H Center, is available from the county Extension office.

Early Area Rancher's Descendants Visit Here

By FRANK HILL

The daughter and granddaughter of Enos L. Seeds, who came here from Philadelphia in 1887 to establish Grasslands Ranch and was postmaster at Grassland from 1889 to 1900, were visitors in Tahoka last week.

Mrs. Frances Seeds Whitney, Philadelphia native, now of Eureka Springs, Ark., and daughter, Mrs. Leona Monroe of Thomaston, Maine, were here Wednesday until Friday, visited Grasslands, attended the C. of C. banquet and the reception for J. Fred Bucy at Tahoka Pioneer Museum. Mrs. Whitney donated \$100 to the Museum.

The Enos Seeds story is a fascinating one. At age 18, he came west on an adventure trek, joined the Capt. Jasper "Peg-leg" Hayes party that made the first surveys in Lynn County in 1877-78, following which Seeds and his dad and brother bought three sections of land here for \$1.00 an acre.

He returned to Lynn County in 1887 with his bride, Leona, the "leading debutante of Philadelphia" a year or two before, established the Grasslands Ranch, built a pretentious home on the present site of Grassland (the last "s" later dropped) erected the first windmill in Lynn County, and was Grasslands postmaster from 1889 to 1900.

Returning to Philadelphia in 1900, he became a wealthy bridge building contractor, and during World War I erected a large concrete bridge in that city, acclaimed in that day as the largest and most remarkable structure of its kind in the world.

His wife died soon after

leaving Lynn County. He remarried a few years later, and twice in the 1920s he brought his wife and daughter here to see the land he said he still loved. He gave Frank Hill a picture of his 52-foot yacht "Tahoka", which name's plainly visible in the picture. Mr. Seeds died in 1944.

Bake Sale Saturday In Grassland

There will be a bake sale at the Grassland Community Center Saturday, March 15, beginning at 9 a.m. Proceeds will go to Nazarene young people attend district youth conference.

CARDS OF THANKS
To those who had a part in naming me "The Citizen of The Decade 1979:
I sincerely thank you for this great honor - one for which I feel unworthy. All I have done is just live a long time-having been blessed by good health and friends. I have lived in Tahoka nearly fifty-nine years and have loyal friends in four and five generations of families. These have shared their children and grandchildren with me--thereby giving me the family I was not blessed to have for my own. I have been active in church, club, and school affairs and have been associated with all ages and groups --a great privilege. Friends have honored me by making it possible for me to have

association with Tahoka High School girls, with teachers in Delta Kappa Gamma Society and with Girlstown, U.S.A.
Truly I have been blessed by the people of Tahoka who have been good to me and my husband, Gilbert M. Stewart. You have filled my life and I love and appreciate all of you. I would not want to live in any other town.
Sincerely,
Lady Dobbins Stewart

New Home News

By Florence Davies

Alvie Albright of Southland and his brother-in-law, Noel Lee (Lightening) Phelps of Shelbyville, Tenn. were visiting in New Home Tuesday. Alvie and his wife lived in New Home and owned and operated the New Home Laundry in 1941-1946. Alvie also worked at the Heck Gin and at times drove the county maintainer. Lightening says he got that name while living here as a boy, but answers to "Tex" in Tenn. where he is employed by the American Can Co.

Mrs. John Armontrout was taken to St. Mary's Hospital Wednesday and on Friday was transferred to Lakeside Home.

Jene Spears of Wolfarth spent Saturday night here with Lanna Kieth.

Ladies from the Slide and New Home Baptist Churches met in the home on Mrs. Clifton Clem Monday, March 3 for a luncheon and prayer

meeting for missions.

Mrs. Floyd Harmonson had minor surgery Saturday in West Texas Hospital and expects to be released this Monday.

Rex Marshall of Kingsland remains in serious condition in Methodist Hospital. He entered the hospital Christmas Day. Mrs. Marshall would appreciate friends stopping in to visit.

Mrs. Thurl Swinson of New Home, Mrs. Norman Stamps, Everett and Tessa Smyre, Mrs. H.R. Capp, Beth and Tim of Lubbock spent last weekend in Lovington, N.M. with Mr. and Mrs. Don Moore and family. While there Everett fell from a swing and broke his left leg.

Mr. and Mrs. Bob Poir visited in Monday Tuesday until Thursday with Caroline's sister, Mrs. Floyd Bowman who had hip

surgery in Bethany Hospital in Wichita Falls.

Mr. and Mrs. Charlie Hemmeline and Mr. and Mrs. Sam Brown were able to attend services in the New Home Church of Christ Sunday after an absence because of illness.

Glen Grey's father was dismissed from Methodist Hospital Saturday, March 1 and is convalescing at his home in Ralls.

Congratulations to Mr. and Mrs. Dean Willis on the birth of a daughter, Caroline Ann, 7 lbs. 6 1/2 oz., born March 4 at 6 p.m. in Methodist Hospital. Grandparents are Mr. and Mrs. Owen Willis of Otahuhu, New Zealand and Mr. and Mrs. Doug Waters of Tenapai, New Zealand. The young parents home is Papatoetoe, New Zealand, but are now living in Lubbock where he is a student in the Sunset School of Preaching.

Twenty-three teams entered the New Home Volleyball Tournament March 6-8. Winners in the women's division were, Prathers, first place; Alpha -21- Spikers, second place; Cook Pump, third place and Lampe Construction, consolation.

In the men's division Prathers took first place) Petty Farmers, second; Sparenberg Gin, third and Broughton Implants, consolation. All proceeds from the games and the concession stands go to the tennis court funds. The concession stands were also open during the New Home Track Meet Saturday. The PTC wishes to thank everyone who contributed food and help with the concessions.

Mrs. David Gandy and Jayson were in Tahoka Sunday for a birthday dinner for Mrs. Minnie Gandy. Mr. and Mrs. John Inman of Slaton were among the out of town visitors.

Alvin Neely of Kermit visited here with us Sunday afternoon.

Mr. and Mrs. Wayman Smith were in Portales, N.M. Saturday. Her brother, Houston Grey of Portales is reported in stable condition in the Rosevelt County Hospital after suffering a heart attack on Tuesday.

Mrs. Kenny (Rhonda) Timmons is instructing acrylic painting classes each Tuesday evening 6-9 p.m. and oil painting Thursday afternoons 1-4 p.m. in Fellowship Hall at New Home Baptist Church. This is a ministry of the church and plans are to continue through the summer.

Mr. and Mrs. Don Sharp visited in Lubbock Sunday afternoon with friends, Mr. and Mrs. Thomas Mowery.

Among out of town friends here for the funeral of Delbert White were Bobbie McGrew and Lawayne Harris of Abilene, C.D. Crouch, Jr.

Mr. and Mrs. Calvin Tucker and Mrs. Delbert White took Mrs. Ruby DePriest to Portales, N.M. Sunday to visit her brother, Tim Oldham. Ruby has been here

with Mrs. White.

Mr. and Mrs. Bob Parker visited in Anton Sunday with Mrs. Philmore Parker and with Mr. and Mrs. Howard Parker.

Mr. and Mrs. Garland Peck returned home Sunday after spending a week with Darrell and Waynelle Fletcher in Irving and with Mamie Malcom in Athens.

Mr. and Mrs. Dick Turner were in Hobbs, N.M. Friday for graveside services for Mr. Don Fredrick. Mr. Fredrick, 54, died Wednesday after a long illness. Services were at 2 p.m. with Rev. Leroy Watkins officiating. Mrs. Fredrick is the former Bertie Roberts and lived in New Home in the 40s with her parents.

Carol Ernst, who was in Mercy Hospital in Salton from Jan. 23 until Feb. 11 when she was transferred to Methodist Hospital in Lubbock for surgery, was dismissed March 5 and is doing well at home.

Mr. and Mrs. Dow Furgerson, Mr. and Mrs. John Edwards, Mr. and Mrs. Leland Zant and Vicki Zant were in Fort Worth Friday and Saturday for the tractor pull.

New Home School Board Election April 5

The New Home Independent School District will elect three school board members on Saturday, April 5, 1980.

Donald Hancock and J.W. Barnett, incumbents, have chosen not to seek another term. However, incumbent Leland Zant will place his name on the ballot along with Glenn Kreger, Stanley Gill, Freddie Kieth and Dennis Haley.

Precinct 4 election will be held in the New Home High School and precinct 11 election will be held at Lakeview Gin.

The New Home I.D.D. will observe a spring break March 17-21. School will resume Monday, March 24 at the regular time.

T-Bar Ladies Golf Assn.

The T-Bar Ladies Golf Association will have a luncheon and election of officers on March 18th at the Club House of the T-Bar Country Club. All members and prospective members of the golf association are urged to attend to "kick-off" the summer golfing season.

Better Business Bureau Report

As the time nears for the start of construction on a second Alaska pipeline--this one for gas--advertisements have begun to appear in numerous magazines and newspapers offering employment on the project at high salaries. The Bureau has learned that many of these offers provide job seekers --for a fee of \$10 to \$20 --useless job applications or only vague information on employment.

While it is true that the new gas pipeline is the largest privately financed project in history and, at its construction peak, may employ over 10,000 persons, anyone interested in pipeline work should be aware that the two companies handling the project are not currently accepting applications for construction jobs, and do not expect to do any significant

hiring until at least 1982. The companies, Northwest Alaskan Pipeline Company of Salt Lake City, Utah, and Fluor Engineers and Constructors based in Irvine, CA, and the execution contractors, who are not yet chosen, will do most of the hiring for the pipeline work. When project contracts are awarded, announcements will be placed in the press and trade or labor organization journals. People wanting to work on the pipeline should then apply directly to the selected contractors.

Information on employment situations may be from: State of Department of Labor, 1149, Juneau, AK, State of Alaska, Commerce & Development, Juneau, AK 99811.

Remember, your Better Business Bureau (1-800-451-7777, number free) for any information on Alaska Pipeline opportunities.
