Lynn Vote Goes To Reagan

Possibly for the first time in history, Lynn County voters went for a Republican candidate for president, voting by about a 4-3 margin for winning GOP challenger Ronald Reagan over Democrat Jimmy Carter. Lynn County voters gave Reagan 1602 votes to 1236 for Carter, with 28 votes cast for John

Anderson and 7 for Ed Clark. In the county, Reagan won 10 of the 12 voting boxes, with Carter the winner only in Box 1, South Tahoka, and Box 10, New Moore. By boxes the score, with Reagan listed first, and in

chronological order: (Box 1) 195-236, 226-161, 243-199, (Box 4) 169-107, 41-10, 314-284, 37-17, (Box 8) 33-17, 214-110, 12-19, 41-23, (absentee) 78-53. The turnout of 2922 total votes was described as good

by County Clerk C.W. Roberts, who said there are about 4200 eligible voters.

Demos Win

Although the county voted for Reagan, it could not be said truthfully that the county voted Republican,

since in five other races where there were both GOP and Demo candidates, the county gave the Democrats good margins.

This included the race for state representative of this district, where incumbent Jim Rudd of Brownfield polled 1930 Lynn County votes to 690 for challenger E.L. Hicks.

Democrat Buddy Temple got 1640 to 828 for Republican Hank Grover in a Railroad Commissioner race.

Democrat Jim Nugent polled 1569 Lynn County votes to 997 for Doc Blanchard, and 21 for Libertarian David Hutzelman, in another contest for Railroad Commissioner.

In an associate justice Supreme Court race, Demo Jim Wallace beat Jim Brady in the county, 1716 to 744.

In the other contested justice race, place 4, C.L. Ray beat Republican Will Garwood 1626 to 842 in Lynn.

Bob Ray was elected constable of county precinct 4 with 12 write-in votes.

Amendments

On the nine proposed constitutional amendments, the county voted in favor of Nos. 1, 4, 6, 7 and 8 and against Nos. 2, 3, 5 and 9.

No. 1 relates to bank teller machines; 2 to pretrial rulings; 3 to requiring all counties to join the single appraisal system which Lynn County already has joined; 4 authorizes bingo games on a local option basis; 5 relates to gubernatorial powers over funds; 6 to removing appointed officials; 7 to county road work; 8 to changing court names; and 9 to spouses agreeing on separate property.

Elected without opposition on the ballot were Stanley Krause for sheriff, Jimmy Wright for county attorney, Joe Smith as district attorney, George McCracken for tax assessor, Eldon Gattis for commissioner of Precinct 1, and Bart Anderson commissioner of Precinct 4.

AT THE DENTIST OFFICE--A clown with a hammer and tongs and a tooth magic wand work over a shy lady patient on Halloween day at the Tahoka dentist. A clown and Indian look on in gory anticipation. Dressed up this way all day at the dentist were the clowns, Carol Rateliff and Dr. David Midkiff, tooth fairy Dr. Richard Penny Redman and squaw Maray Lee Laws. The patient? Roosevelt Moore. Doctor Agrees To Move Here

A second doctor for Lynn County Hospital has agreed to establish general practice here, and Dr. Don Rinker and wife, Betty, said they are "looking forward to moving to Tahoka soon."

No exact date has been set for the doctor to begin practice here, but an announcement is anticipated soon. Currently Dr. Richard Wright is the only doctor at the hospital.

Fire Razes Home Ec Cottage

An early-morning fire Thursday destroyed the interior, roof and most of the contents of the Tahoka High School home economics building, and school officials this week acted to get the structure rebuilt as soon as possible.

Cause of the blaze, discovered about dawn, was reported to be electrical wiring on which insulation had rotted away until contact between wires was made. By the time the alarm was given, it was too late to save much of the building, located just southeast of the high school campus.

The school board had a special meeting Monday and reported that insurance should cover the loss, expected to be in the range of \$30,000 to \$40,000 when replacement estimates are made. Meanwhile, home ec students are being taught in various classrooms which become vacant at different times of the day in the high school.

Virtually all of the equipment and furnishings in the building were destroyed by flames or heat. The building was 27 years old and encompasses about 3,000 square feet. Seven sewing machines were lost, but some new sewing machines recently ordered for the department had not yet been delivered.

HOME EC BUILDING BURNS--Fire gutted the interior of the Tahoka High School home economics building early last Thursday. Above is some of the mess left by the blaze, caused by deteriorating electrical wiring. (LYNN COUNTY NEWS PHOTO)

Phone Problems Are Pointed Out

Recurring problems with telephone service by Tahoka customers were detailed Monday night by city council members who presented a list of grievances they said were common, and which included the names of nine business firms in the city as the accounts initiating the complaints.

Representing General Telephone Co. at the meeting were O.D. Hearn, manager of the Brownfield office, and George Spivey and Melvin Bowe.

Councilman Jim Solomon, whose insurance firm was one of the nine listed businesses, said that as a business customer "we feel

that we are just not getting adequate service," and said that his company experiences most of the problems listed daily.

Among the complaints listed, which had been mailed to Hearn prior to the meeting, were: Static on the line on long distance calls, signal too weak; can't hear other party or they can't hear you. Getting recordings of improper numbers despite

BACK GAINS 412 YARDS AT COOPER

White Runs Wild; Annual Dog-Cat Fight Coming Up

BY DALTON WOOD

When Tracy White ran for 329 yards and seven touchdowns against Frenship two weeks ago, the feat was labeled "astounding" and "astounding" in newspaper stories. So what kind of words do you use when he runs for 412 yards in the next game?

That's what White did last Friday night against Cooper as the Tahoka Bulldogs crunched the Pirates 62-6, setting up another big shootout with Slaton here this week for the right to represent the district in the playoffs.

White Lightning struck Cooper five times, scoring on runs of 64, 47, 78, 74, and 44 yards, the last one listed being a punt return which didn't count in rushing yardage. Nevertheless, his 412 yards were gained in just 21 carries, an average of 19.6 yards per carry.

Big Numbers

The 190-pound senior speedster now has scored 140 points on 23 touchdowns and one extra point run, and already has 1,465 yards in 193 carries. This is an average of 7.6 per carry, or an average of 209 yards per game, since he has played in only seven of the Bulldogs' eight games.

The ground should quake Friday night and the stadium is sure to be piled three deep in spectators as Tahoka, with 7 wins in a row since a first-game loss, collides with Slaton, with the winner assured of representing district, no matter what happens in the last district game next week.

Slaton, undefeated, untied and unhappy at losing to Tahoka the last three years, will bring a really good team to test the Bulldogs' top-rated defense and try to stop White and the other running backs.

Passing Threat

The Tigers have a good passing attack, with Quarterback Kevin Johnston throwing and with receivers Troy Moses and Charles Phenix doing most of the damage on

the receiving end. Slaton has had only one really close game, a 14-7 win over Littlefield, who hasn't lost to anyone else.

The Tigers have two good running backs, Michael Whaley and big Jesse Titus, who also is a placekicker who booms the ball out of sight on kickoffs.

With the Bulldog defense tough all over, anchored by

rugged Jacky Jolly at middle linebacker, it should be quite a battle. If Tahoka can again stop Slaton, the Dogs will be on their way into the playoffs.

Mayor Mel Leslie has proclaimed Friday as "Beat Slaton Day", urging everyone to wear blue and white, and asking citizens to support the Dogs "not only in their game with the Slaton Tigers, but in all remaining games, including the state championship game to be held later this year."

Pep rallies are being held by students the last four days of the week, and special attire is being promoted on different days by cheerleaders and other student boosters. This includes "crazy socks" to be worn Friday on "Sock it to 'em" day.

With Tahoka scoring 27 points in the first quarter at Cooper, that game was one of those that never seems to end as it was strictly no contest. On the second play from scrimmage, White went through the middle for 64 and a TD to set the tone for the night. After another White score, Quarterback Mark Hudlin got into the act with a 38-yard run being cleared to the goal line by the good downfield block of

Daniel Garcia. In the second period, Hudlin hit Johnny Alvarado on a 45-yard scoring pass.

Cooper surprised the Dogs as Quarterback Lynn Smith broke through the middle for 34 yards and a TD in the second quarter to make the score 34-6 at that point.

Fullback Danny Thompson reminded folks he can run, too, as he broke for 70 yards and a touchdown and White added a 78-yarder to make it 48-6 at halftime.

Charles Bryson scored from the one in the third, and White wound up the scoring in the third with a 74-yard sprint. Reserves played in the last quarter.

Kevin Elmore kicked 8 out of 9 extra points. Thompson had 105 yards in just 9 carries, Hudlin 47 in 2 tries and Bryson gained 54 yards in 7 journeys. Tahoka had a total of 650 yards on offense.

Tackles by Jolly and Freddy Garcia led the defense. Passes were intercepted by Elmore and Hudlin.

NO STOPPING--Tahoka running back Tracy White ripped Cooper for 412 yards Friday night, scoring five touchdowns. How this total stands in the state records is not known, but it certainly is a bunch of yards. Here he encounters Cooper's Mark Caskey with Rex Kennedy coming up. (LYNN COUNTY NEWS PHOTO)

Councilman Richard White told Hearn he could see no improvement in the phone service since a meeting about 18 months ago in which phone company officials promised improvement.

Claims Improvement

Hearn said, however, that there has been improvement since that meeting, and that there has been some upgrading of equipment and replacement of cables, including "replacing the entire cable facilities between Tahoka and Wilson," described as one of the problems mentioned at the earlier meeting.

Hearn said that expenditures of more than \$200,000 are planned on outside equipment in the Tahoka area, primarily in the west and northwest parts of town, during 1981. He also said General currently is training a cable splicer specifically for Tahoka.

He promised that "no later than in the morning, we will be making plans to test and inspect equipment here and will be taking a look at the specific problems you have mentioned, with a goal of resolving them...we will be getting a program initiated this week."

Hearn also requested that phone customers always report to the repair service any problems they have, of any nature, so the company will know how to attack the problems.

Marshall-Brewer United In Marriage

On Saturday, Oct. 11, Peggy Marshall and James G. Brewer were united in marriage in a double-ring ceremony in the Palestine United Methodist Church, near Pineville, La., with the Rev. Jerry Means officiating.

It's True.

"We installed the heat pump in our church over two years ago. The heat pump system has been very economical for us and they are able to keep our facilities much cleaner than we really expected. The statements concerning heat pumps being economical and clean have certainly proven to be true. Another feature that I like is that a heat pump can be used both summer and winter without anything being changed other than a flip of the switch. Because of our experience with the heat pumps in our church facilities, I've installed the heat pump system in my personal home."

Rev. John Shylbeck

INSUR-MATION By JOEY MEADOR

Lynn County Farm Bureau

In recent weeks my wife and I have been discussing the purchase of a new home. However, with the added expenses and responsibilities of a new home, I'm concerned what kind of position my wife would be in if anything should ever happen to me. A friend suggested I talk with an insurance agent. How can that help?

Life insurance can be bought for the specific purpose of paying any outstanding mortgage balance on your home. With the variety of policies to choose from, your agent should be able to find one to fit your particular needs and budget. Also, most companies offer replacement policies which will provide funds for mortgage payments should you become disabled.

Declaration #1900 Amended By SBA

The U.S. Small Business Administration (SBA) has amended Disaster Declaration #1900 for the State of Texas to include "extreme hot weather" as being cause for disaster loan eligibility.

The SBA makes available disaster recovery loans to farmers, ranchers and agriculture-related businesses who suffered hardship due to adverse weather in counties declared a disaster area, as well as in all bordering counties within the state. The loans are low-interest and terms of the loans are based on the borrower's repayment ability. Texas producers who lost crops because of the drought or extreme hot weather may receive program and eligibility information by calling (806) 762-7481.

Physical disaster loan applications filed under declaration #1900 must be received by Feb. 12, 1981. The deadline for economic injury disaster loan applications is May 12, 1981.

McCord - Yanke Wedding Announced

Wedding vows were exchanged at 3 p.m., Oct. 12, 1980, in the First Baptist Church of Gruver, Texas, by Tonya Sue McCord and Michael Dave Yanke, both of Gruver.

Tonya is the granddaughter of Mr. and Mrs. Roy Miller of Tahoka, Lillian McCord of Plains, and the late Rollin McCord Sr.

Attending the wedding from Tahoka were Mrs. Roy Miller, Mrs. Neely Brooks Jr. and son, Shannon, Mrs. Jack Miller, and Mr. and Mrs. Milton Miller and daughters. Attending from Lubbock was Mr. and Mrs. Roger Miller and from Plains, Mrs. Wendell Norman and daughter, Marla.

The couple is at home on the farm about 15 miles from Gruver where Mike is engaged in farming with his father and Tonya is a secretary in Spearman.

Stolen Items Are Recovered

Bryant Grocery in O'Donnell was burglarized last Thursday night and on Tuesday the sheriff's department recovered most of the stolen items. A warrant was issued for the arrest of a suspect, expected to be in custody by late Wednesday.

Stolen in the burglary were an RCA portable TV,

cigarettes, several watches, flour, costume jewelry, 8-track tapes and some change. Total value of the stolen goods was set at about \$1,200.

In jail over the week were one person each for theft over \$200, disorderly conduct, assault, burglary and revocation of probation, and two each on charges of drunkenness and driving while intoxicated.

Governor Of Rotary Will Visit Here

Wayne P. Strudivant, district governor of Rotary Clubs, will meet with Tahoka Rotary Club at noon today (Thursday). He was scheduled to meet with Rotarians and wives Wednesday night at a fish fry at Lyntegar.

An Amarillo attorney for 25 years, Strudivant has held several offices in bar associations, has been involved in civic work in Amarillo, and is a member of the Baptist Church.

He and his wife, Ann, have five children, three of whom have graduated from the University of Texas--where Strudivant graduated with honors-- and one of their children is now in college and the other in high school.

He is past president of the Amarillo Downtown Rotary Club.

Sales Tax Analysis

State Comptroller Bob Bullock Monday said gross sales in Texas continued to climb in the second quarter of 1980.

He said second quarter gross sales this year surpassed sales during the same period in 1979 by more than \$11.4 billion.

The figures were gathered from 245,047 reporting outlets across the state.

Bullock also released a computer analysis showing reported sales during the second quarter for each of the state's 254 counties and a sales tax analysis broken down by the state's Standard Metropolitan Statistical Areas.

Lynn County's gross sales- 13,220,496, gross taxable 13,220,498, deductions- 11,698,482, use tax purchases- 3,734, amount subject to tax- 1,525,760.

Declaration #1900 Amended By SBA

The U.S. Small Business Administration (SBA) has amended Disaster Declaration #1900 for the State of Texas to include "extreme hot weather" as being cause for disaster loan eligibility.

The SBA makes available disaster recovery loans to farmers, ranchers and agriculture-related businesses who suffered hardship due to adverse weather in counties declared a disaster area, as well as in all bordering counties within the state. The loans are low-interest and terms of the loans are based on the borrower's repayment ability. Texas producers who lost crops because of the drought or extreme hot weather may receive program and eligibility information by calling (806) 762-7481.

Physical disaster loan applications filed under declaration #1900 must be received by Feb. 12, 1981. The deadline for economic injury disaster loan applications is May 12, 1981.

TONYA SUE McCORD - MICHAEL DAVE YANKE

McCord - Yanke Wedding Announced

Wedding vows were exchanged at 3 p.m., Oct. 12, 1980, in the First Baptist Church of Gruver, Texas, by Tonya Sue McCord and Michael Dave Yanke, both of Gruver.

Tonya is the granddaughter of Mr. and Mrs. Roy Miller of Tahoka, Lillian McCord of Plains, and the late Rollin McCord Sr.

Attending the wedding from Tahoka were Mrs. Roy Miller, Mrs. Neely Brooks Jr. and son, Shannon, Mrs. Jack Miller, and Mr. and Mrs. Milton Miller and daughters. Attending from Lubbock was Mr. and Mrs. Roger Miller and from Plains, Mrs. Wendell Norman and daughter, Marla.

The couple is at home on the farm about 15 miles from Gruver where Mike is engaged in farming with his father and Tonya is a secretary in Spearman.

Stolen Items Are Recovered

Bryant Grocery in O'Donnell was burglarized last Thursday night and on Tuesday the sheriff's department recovered most of the stolen items. A warrant was issued for the arrest of a suspect, expected to be in custody by late Wednesday. Stolen in the burglary were an RCA portable TV,

cigarettes, several watches, flour, costume jewelry, 8-track tapes and some change. Total value of the stolen goods was set at about \$1,200.

In jail over the week were one person each for theft over \$200, disorderly conduct, assault, burglary and revocation of probation, and two each on charges of drunkenness and driving while intoxicated.

Governor Of Rotary Will Visit Here

Wayne P. Strudivant, district governor of Rotary Clubs, will meet with Tahoka Rotary Club at noon today (Thursday). He was scheduled to meet with Rotarians and wives Wednesday night at a fish fry at Lyntegar.

An Amarillo attorney for 25 years, Strudivant has held several offices in bar associations, has been involved in civic work in Amarillo, and is a member of the Baptist Church.

He and his wife, Ann, have five children, three of whom have graduated from the University of Texas—where Strudivant graduated with honors—and one of their children is now in college and the other in high school.

He is past president of the Amarillo Downtown Rotary Club.

Sales Tax Analysis

State Comptroller Bob Bullock Monday said gross sales in Texas continued to climb in the second quarter of 1980.

He said second quarter gross sales this year surpassed sales during the same period in 1979 by more than \$11.4 billion.

The figures were gathered from 245,047 reporting outlets across the state.

Bullock also released a computer analysis showing reported sales during the second quarter for each of the state's 254 counties and a sales tax analysis broken down by the state's Standard Metropolitan Statistical Areas.

Lynn County's gross sales, 13,220,496, gross taxable 13,220,498, deductions, 11,698,482, use tax purchases, 3,734, amount subject to tax, 1,525,760.

SIXTH GRADERS GO FOR REAGAN

Former Tahokan Is Honored As Top Business Teacher

Texas Business Education Association District XX members named Gwen Akin High School Business Teacher of the Year at their annual fall meeting held at Our Lady of the Lake University at San Antonio on Oct. 17, 1980. Her colleagues in the district, comprised of 20 counties, nominated Mrs. Akin for this honor. Winning the award automatically makes her a candidate for the Texas State High School Business Teacher of the Year Award. The winner will be announced in March at the State Convention which will convene in San Antonio.

GWEN AKIN

Mrs. Akin holds a BBA from the University of Texas at Austin, has 16 years teaching experience in the San Antonio area, and now teaches shorthand and accounting at Holmes High School where she has taught for the past 13 years. She has been active in the state and district levels of the Texas Business Education Association as state reporter, district president and representative, and many other. She is now serving as a member of the long range planning committee.

In 1976, Mrs. Akin served as secretary to Northside Independent Teachers

Teachers Hear General Westmoreland

Members of District XVII of TSTA were honored by the presence of General William Westmoreland as he spoke at their annual district convention on Friday, Oct. 31, at the Civic Center in Lubbock.

General Westmoreland discussed and compared the military situations of the United States and Russia. He stated that the next ten years could be the most trying ones that the U.S. had seen in forty years.

As educators and molders of our future citizens, he urged that teachers revive the emphasis on patriotism. Gen. Westmoreland urged that citizens be reminded that the United States, no matter what her faults, is still the best country in the world and that we should be proud to be her citizens.

A third point made by the General was that we, as citizens and educators, need to make everyone aware that along with all of the "rights" we are demanding there are "duties" to perform. Some of the duties mentioned were obeying laws, voting intelligently, and serving our country militarily in its time of need.

Teachers from Tahoka, Wilson, and O'Donnell schools attended the convention.

Besides the address given by Gen. Westmoreland, teachers enjoyed exhibits and demonstrations on available educational materials.

Stewart Inducted Into Volunteers

Curtis H. Stewart of Tahoka has been inducted into the Ross Volunteers at Texas A&M University, the oldest student organization in the state.

The Ross Volunteers are recognized by gubernatorial proclamation as the official honor guard of the governor of Texas.

Composed of 135 senior and junior members of Texas A&M's Corps of Cadets, the company wears distinctive white and gold uniforms and serve as honor guards for the governor of Texas.

New Ross Volunteers are chosen from the junior class each year by RV seniors on the basis of military bearing, scholarship, integrity and determination. The 133-member unit also marches annually as the King Rex guard in the Mardi Gras at New Orleans.

Founded in 1887, the Ross Volunteers company was first known as the Scott Rifles. The unit then adopted the name of Lawrence Sullivan Ross, Confederate general, Texas governor and Texas A&M president during 1891-98.

An agriculture economics major, Stewart is the son of Mr. and Mrs. Billy H. Stewart, Tahoka.

Around Town

By Leona Waldrip

Eight members of Tahoka Rebekah Lodge met in regular session Tuesday night. In the short business session it was decided to change the time of meeting to 7 p.m. instead of 8 p.m. for the winter months. Audrey Akin was hostess and served refreshments after the meeting.

About 30 persons registered at the Senior Center on Wednesday when Bethel Brown of New Home brought her collection of craft and gift items for a show. Many interesting items were on display and some ideas that could be used at the center were noted. Also on Thursday afternoon it was like "Christmas in October" at the center when Sherry Eheredge brought a demonstration of Christmas and gift wrapping, using both commercial and homemade wrappings and containers. A large group attended this demonstration.

Mary Edna Lancaster is home again after being away 3 weeks while her daughter was desperately ill in El Paso.

Mr. and Mrs. C.E. Birdwell

returned last week after a visit with the son's family in Albuquerque. They went especially to visit the new grandbaby. Born to Billy and Nancy Birdwell on Oct. 8, the little lady weighed in at 4 lbs. 11 1/2 ounces, and has been named Erika Michelle. She is the couple's only child. Billy is stationed at Kirklind Air Force Base.

Mrs. Emma Musick of Stillwell Okla. has returned to her home after a two weeks visit here with the Edgar Hammonds and the Buck Autrys.

Mr. and Mrs. David Hammonds of Columbus, Ga. were here two nights last week visiting his parents Mr. and Mrs. Edgar Hammonds and brother's family, the Edgar Hammonds Jr. David

had been attending a flying school in Dallas. He has a flying service in Columbus.

Mr. and Mrs. E.B. Gaither met all three of their children at a park near San Angelo on Sunday for an outing and visitation. They were Mr. and Mrs. Bentley Gaither of Lubbock, Mr. and Mrs. R.J. Miller (Wanda) and Mr. and Mrs. Leroy Akin (Gwen) of Lakchills, Tex. The group had lunch at the Steakhouse in San Angelo returning to their homes late in the afternoon.

STRANGE BUNCH-- On Halloween day in Tahoka, customers at Perry's were greeted and waited on by the lovely trio above. They really are, from left, manager Don Taylor, Eva DeLeon and Shirley Fowler Jones. There was no report that business was dead that day. At right, Tahoka's answer to Wonder Woman, complete with cape and costume, flew into the

Lynn County Pioneer Club to distribute popcorn Friday. From left are Cordie Swann, Audrey Akin, Sandy Robledo, Ruby Grogan, Wonder Woman Alth Thomas and Estele Birdwell.

Sherry Etheredge Says....

Fibers and fabrics for today's furniture are in a "man-made" trend, and it's likely to continue due to consumer demand.

Three-fourths of today's fibers are man-made. Because of that, it's important to know some basics about both fibers and fabrics.

Fiber Facts
Rayon--is the most widely used man-made fiber in upholstery because of its versatility and extensive color range.

It's often blended with cotton, an equally important fiber for upholstery. Rayon frequently is used as the dominant fiber in high-level blends of 80 percent or more rayon.

Olefin-- commonly known as polypropylene, is a fiber creating lots of new excitement in the upholstery business. It has exceptional durability, built-in soil resistance and color fastness. Olefin, unlike other fibers, must be solution dyed, however. And while this

assures lasting color, it does limit the spectrum.

Nylon--also is widely used for upholstery because it has incredible strength and soil-and-abrasion resistance. Nylon is the predominant fiber for flocced fabrics.

Polyester--While not a major upholstery fiber now, it is making inroads in the jacquard and print cloth markets. Woven polyester velvets are available. Polyester is used as a fiberfill, a cushioning material for upholstered furniture.

Acrylic--often used in knits and woven velvets, is soft and lightweight, resistant to sunlight, and it holds its shape well.

Fabric Trends
Velvet currently is the favorite upholstery fabric, accounting for about 40 percent of the market--with indications pointing to further growth. Flat textures and print cloth rank next, followed by vinyl and jacquards (accounting for nearly 60 percent). The

remaining percent is held by knits.

Shift To Man-Mades

Experts attribute the shift to man-made fibers for furniture in recent years to consumer demand -- they make life better for the consumer. They offer fabrics with greater durability, soil resistance and a wide range of exciting new looks.

They offer a practicality coupled with attractiveness that the public wants.

Flammability
Flammability requirements for today's fabrics is a concern of both government and industry.

The Consumer Product Safety Commission (CPSC) is studying the possibility of a mandatory or voluntary flammability standard for upholstered furniture, which could take effect this year or next year.

Presently, the furniture industry is adopting a voluntary flammability-testing program aimed at producing furniture with improved resistance to cigarette ignition, since this is the primary cause of most furniture fires.

There is a possibility that the CPSC may adopt the voluntary industry program as its standard.

J.V. Defeats Cooper

The J.V. defeated Cooper 32-12 at Kelly field Thursday night. Scoring for the Bulldogs went as follows.

In the first quarter, Ricky Graves ran 2 yards, the point after failed. In the second quarter, Graves scored again on a 4 yard run, the point after pass was good. In the third quarter, Graves scored on a 10 yard run, the point after failed. Also in the third period, Willie Ray Mitchell scored on a 20 yard trick pass from Tony Garcia to Otis Pendleton to Mitchell. Ricky Graves closed out the scoring in the fourth quarter with a 64 yard run. The extra point pass was good.

The Bulldogs rolled up a total of 408 yards rushing and 57 yards passing for a total of 465 yards.

Graves had 204 yards, Mitchell had 130 yards. Graves scored 4 TDs, Mitchell scored 1.

Outstanding defensive play went to Willie Ray Mitchell, David Clary, Ricky Graves, Jesse Vega, Danny Underwood and Mike Montemeyer. The Bulldogs travel to Slaton this Thursday.

Freeze Kills High Plains Cotton

The Texas High Plains cotton crop was killed Wednesday morning when temperatures plunged into the mid to low 20's. Two earlier freezes had killed stalks in northern counties, said Mack Bennett, Area Director at USDA's Marketing Services Office in Lubbock. "The High Plains cotton harvest should accelerate sharply in the next ten days", Bennett continued. Some harvest aid chemicals had been used to desiccate plants for harvest prior to the killing freeze.

Lubbock's office classed 61,000 samples during the week ended Oct. 30 as the classing staff increased to 26 from 24 a week earlier. This brought total samples graded at Lubbock for the season to 116,500. About 24,500 samples had been classed by the same date last season.

Predominant grades during the week were grade 42 at 56 percent, grade 52 - 23 percent and grade 41 - six percent. About five percent were reduced one grade because of bark, according to U S D A's Agricultural Marketing Service.

Staple 31 was predominant at 37 percent. Staple 30 was 25 percent followed by staple 32 at 22 percent. Average staple for the week was 31.0, down from 31.1 a week earlier.

Micronaire readings fo 35 - 49 accounted for 76 percent. Three percent miked higher, while 21 percent miked lower. The week's average mike at Lubbock was 40, down from 41 a week earlier. Average breaking strength was 86,000 pounds per square inch, down from 89,000 one week ago.

Growers sold small mixed lots of mostly grades 42 and 52, staples 30 and 31, base mike around 73.50 cents per pound. Mixed lots of mostly grades 41 and 51, staples 32 and 33, mike 35 - 49 brought about 80.75.

Gins paid growers \$110 to \$120 per ton for cottonseed mostly \$110 to \$115.

These Pioneer® brand cotton varieties do well in our area.

Certified **Lockett 77*** -- We saw this variety stand up to conditions that saw other varieties deliver disappointing performances in 1980. From emergence through fruiting and on into harvest, Lockett 77 showed its strength throughout the season. It demonstrated its resistance to bacterial blight and the fusarium wilt-nematode complex. And it proved itself in a variety of management programs on both irrigated and non-irrigated land. Fiber quality has been good, too.

Certified **PR80*** -- Seed for this variety is hard to come by, so many of our customers will have to wait for PR80 until next season. But we encourage you to keep an eye on this powerful new variety from Pioneer. You'll like its early maturity. And its yields will make you think twice about planting anything else. Along with resistance to many common cotton diseases, PR80 shows good fiber qualities and high ginning turnout. We really like the looks of this one! You will, too!

*U.S. protected varieties. Let's get together.

Wilson Loses 8-6 Squeaker

The Wilson Mustangs had a touchdown called back, and outgained the Sands team in most statistics, but lost an 8-6 ballgame last Friday night in district play.

Sands scored on a 15-yard pass from Wington to Martin and another pass brought the 2-point conversion. The Mustangs scored on a 45-yard punt return by Randy Hall, but the try for two points failed. Hall also had a 65-yard scoring run called back because of a motion penalty. Despite this, he gained 70 yards in 17 carries. Tim Bednarz also gained 70 yards, in just six trips. Kendall Wilke had 52 yards in 12 carries and Donald Freitag 32 in 9 efforts.

Wilson News

by Betty Bishop

The varsity cheerleaders invite all parents, booster, and interested persons to attend the Pep rally on Friday afternoon at 2:30 p.m.

All interested persons are invited to the Wilson Elementary gym on Monday, Wednesday, and Thursday afternoons, from 4 to 5 p.m. for Aerobic Dance Exercise. The class provides a chance to exercise while having fun.

The Wilson Senior Class made approximately \$280 from their play, "The Train Doesn't Run on Sundays". Saturday night, Nov. 1. The students want to thank everyone who came to watch their play which was based on actual events that took place in Wilson during 1926 and 1927.

A comedy, "Do You Trust Your Boyfriend?", will be presented by the Wilson Junior Class on Dec. 6, at 8 p.m., in the high school auditorium. Proceeds from their play will finance the Jr. - Sr. Banquet and Prom.

The First Baptist Church of Wilson was host for an "after the game Halloween party" for high school and jr. high students on Friday night, Oct. 31. Refreshments were served and games were played.

St. John Lutheran Luther League met Sunday afternoon, Nov. 2, in the home of their sponsors, Curtis and Linda Wilke, for a taco supper and a business meeting. The league would like to thank everyone who has taken the time to save their old paper to contribute to their paper drive, including their Tahoka and Slaton friends.

The Wilson Mustangs will play Garden City on Mustang Field Friday night at 7:30 p.m. Come out and back our youth, they miss you when you're not at the games to boost them on. Concession stand workers for the game are Mr. and Mrs. Jerry Don Ross; Mr. and Mrs. Dean Daniell; Mr. and Mrs. Jackie Bishop; Mr. and Mrs. Thomas Autry; Joy Spears; and Mr. and Mrs. Ron Rogers. Scheduled to run chains are Victor Steinhauer, Tommy Bednarz, and Gary Houchin.

Varsity and JV girls will have their second basketball scrimmage with Ropesville on Nov. 10 in the Wilson Gym.

In the first reporting period for the project to collect Campbell Soup and Bean labels, the 7th and 8th grades tied. Both classes collected 167 labels and are eligible for a party hosted by the seniors. These labels will be added to the total collected to help get equipment for the school. The seniors say thank you to friends and relatives in Slaton, Tahoka, and Lubbock who have sent labels. Next reporting period for the 7th and 8th graders will be before Christmas.

LUBBOCK JAYCEE-ETTE STARVING ARTIST SALE
Local artists and others from Texas, New Mexico, and Oklahoma will be offering their artwork for sale Dec. 12-14, 1980, at the National Guard Armory. The location is 2901 Fourth Street, Lubbock, Texas. The sale will feature ceramics, oil paintings, watercolors, wire sculpture, dough art, jewelry and many other forms of art. The annual sale sponsored by the Lubbock Jaycee-ettes will be Friday, Dec. 12, and Saturday, Dec. 13, from 10 a.m. until 8 p.m. Sunday, Dec. 14, the time will be 12 noon until 5 p.m. All proceeds from the sale are donated to various charities. Last years charities included: Lubbock Child Abuse Center, Lubbock Crime Line, and St. Jude's Childrens Hospital. Mastercard and Visa will be accepted. For more information contact: Linda Jones 792-7528, Cindy Ferguson- 795-5937 or Judy Campbell- 797-7351.

Methodists Will Hear Missionaries

Speakers at Church School classes and the morning worship service Sunday at First Methodist Church will be Dr. and Mrs. Bob Bullard, missionaries to India who are living in Lubbock during a year of furlough. Dr. Bullard will be speaker at the 11 a.m. service and his wife, Gail, will speak to combined youth and adult classes in Fellowship Hall at the 10 a.m. Church School. Dr. and Mrs. Bullard have served as United Methodist missionaries in the Christian Medical College in Vellore, India, where Dr. Bullard teaches physiology to medical students, and Mrs. Bullard couples administrative work with her role as wife and mother of two boys. They have served for ten years, and plan to return next year. Dr. Bullard is teaching in Texas Tech Medical School this school term.

Dr. Bullard is a graduate of Asbury College, Wilmore, Ky., and was awarded the Ph.D Degree from West Virginia University. Mrs. Bullard is a graduate of the University of Florida.

In addition to his work in the Medical College, Dr. Bullard works with a church near his home. His son, Mark, is a college student. Paul, 13, lives with his parents in Lubbock. The Kum Dubl Class is hosting a church-wide fellowship dinner following the morning worship service. First Methodist Church extends an invitation to the people of Tahoka and Lynn County to share in the services Sunday morning, said the pastor, Rev. Newton Starnes.

Scanning Social Security

By: Jim Latimer, Field Representative
Social Security Administration
1205 Texas Avenue, Room 102,
Lubbock, Texas, 79401

Frequently I am asked, "How much Supplemental Security Income can I draw each month?" Today's column will attempt to answer some of the questions we get about SSI.

The maximum amount of payment from SSI is \$357.00 per month for a couple, and \$238.00 per month for an individual, when there is no countable income.

Minimum payment may be as low as \$1.00 per month, but with any monthly check from SSI the recipient gets Medicaid coverage. Medicaid usually means more to persons with small monthly checks than the check itself.

Many recipients have fairly substantial income from social security, railroad retirement, civil service and other state and federal sources. Most of the time these checks are over the allowable income limit, but some persons can qualify for SSI even though they have some income.

Income is classified as earned or unearned income under SSI laws. Work income is considered earned and interest, rent, lease, royalty income is considered unearned income. Resources must be minimal in order to qualify for SSI. Resources

can be anything a person owns.

Anyone interested in learning more about SSI should call or write the Social Security Office in Lubbock, Texas, at 1205 Texas Avenue, Room 102, or call 806-762-7381. There is a new free pamphlet entitled "SSI for the Aged, Blind and Disabled in Texas". We will send you a free copy just by asking for it.

Most people have occasion to think about their social security earnings record only in two instances--when they apply for a social security number and when they apply for social security retirement, disability, survivors benefits or Medicare.

In the meantime, a great deal is happening with their social security record. In fact, the record contains information on earnings they have accrued over their entire working lifetime, or at least since they were issued a social security card. For most people, it is probably the most complete record of their work history existing in any public or private file.

The social security record is very important to your financial future. When you or your family applies for social security benefits, your record is checked to see if you worked long enough under social security to be eligible and to figure the amount of benefits.

For this reason, we encourage people to check their social security record once every three years. After that, it is difficult to make corrections because the law does not permit changes in the record except for specific exceptions.

Most errors are related to the use of the social security number. Either the number is incorrect or the name and number do not match. Our records indicate errors in about 6% of the wage items reported to the government by employers. Because of this, many employers refuse to hire people who do not have the government issued paper social security card

Better Business Bureau

South Plains should be alerted by the company by the Poole's Ltd. General of New York.

This company is through newspaper advertising, a "free diamond to creditors" parcel of 3 fully polished precious consisting of a emerald, a genuine a genuine supply.

The Better Business of New York reports several occasions ground information denied by the BBB of New York questioned the firm's advertising also.

BBB South Plains caution in doing with this firm based following reasons:

1. You have something to get the diamond, there diamond is not from
2. The urgency of the advertising.
3. Customer having credit-card number
4. The New York report on company

Anyone having can call BBB at for South Plains living outside Lubbock 1(800) 692-4466.

For this reason, we encourage people to check their social security record once every three years. After that, it is difficult to make corrections because the law does not permit changes in the record except for specific exceptions.

COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

STUB COTTON CAUSES CONCERN: The National Cotton Council's Pink Bollworm Action Committee has expressed concern with the potential of stub cotton to seriously aggravate pink bollworm and other pest problems.

At a recent meeting, the committee urged that all data be evaluated and reported as soon as possible to appropriate officials for consideration and action. The committee also recommended continuation of the regulatory and sterile-insect control program in the San Joaquin Valley. The program this year included pheromone applications on small acreages in Fresno, Kern, and Kings counties to combat late-season native moth buildup.

EXPORT VISIT PLANNED: Market development programs and opportunities for U.S. cotton in the Far East will be explored next month by Cotton Council International and Foreign Agricultural Service officials. The group will include CCI President Dan Miller (Marianna, Ark., farmer); David Hull, CCI executive director; John Maguire, CCI Far East director; and Glenn Samson, director, Tobacco, Cotton, and Seeds Division of FAS.

During the visit Nov. 7-30, the officials will review CCI market development programs in Japan, Korea, Taiwan, Hong Kong, and The Philippines. In each country the group will meet with cotton spinner and trader associations to discuss the U.S. cotton situation and to evaluate marketing opportunities.

GINNINGS HIT 2.5 MILLION: As of Oct. 15, ginnings on the current cotton crop totaled 2,571,629 running bales. This compares with 2,105,391 for the same period in 1979 and 2,903,560 in 1978. By regions, 1980 ginnings are Southeast, 260,904 bales; Delta, 1,320,855 bales; Southwest, 821,712 bales; and Far West, 185,296 bales.
