YOUNG MAN DIES AFTER CONTACT WITH LIVE WIRE

Funeral Services Are Held On
Thursday Afternoon At
Hope Cemetery.

Tommy Martin, 29, died suddenly Tuesday night about 8:30 o'clock, the result of coming in contact with a "live" electric wire back of the Worsham Bank building.

Mr. Martin, in company with two other men, Woodrow Curtis, a nephew, and L. N. Wise, were walking behind the building when Curtis, not thinking of the results, caught hold of a low-hanging wire. Curtis was unable to turn the wire loose and called for help. Martin grabbed Curtis, and in doing so pulled the wire down and fell over it into a puddle of water caused by the recent rain, death being almost instantaneous. Both Curtis and Wise, who also tried to release Martin, were shocked considerably, but suffered no serious results.

Young Martin had lived most of his life in Clay county where he was well-known. At the time of his death he was employed by Pete Wiist as a cotton picker in the Ickard community.

Deceased is survived by his mother, Mrs. C. P. Wells, a sister, Mrs. Eli Curtis; and three brothers, George, Horace and Bobby Martin, all of Henrietta.

Funeral services were held at 10:30 a. m. Thursday at the Hope Cemetery chapel, with the Rev. E. L. Moody in charge. Moore Funeral Home of Henrietta had charge of interment. A male quartet composed of L. C. Kelley, J. G. Younger, G. M. Smith and Henry Franke, furnished music for the funeral service.

All Eligible Men Are Given Chance At CCC Enrollment

Austin, Sept. 25—Completing the expansion Civilian Conservation Corps enrollment by enlisting 14,819 Texas youths, district administrators are now looking toward the October enrollment when every additional eligible candidate in the state is expected to be given a chance to join the CCC, State Enrollment Supervisor Neal E. Guy has announced.

Not only will more new enrollees be accepted, but present enrollees may remain in camps indefinitely, as mandatory discharges have been discontinued, Guy explained. "As long as a person's work and conduct are satisfactory he will be allowed to remain in camp, but an honorable discharge will be granted him promptly if a position is secured which will better his condition."

District administrators and case supervisors have been instructed to check their rolls, listing the number of unmarried youths between 18

TAX EXEMPTION CERTIFICATES ARE NOW AVAILABLE

County Agent M. S. Duncan
Releases Information
Concerning Sale.

County Agent M. S. Duncan states that he has been furnished with the following information concerning cotton exempt from taxation:

Section 42 of the Amendments to the Agricultural Adjustment Act reads as follows:

"The Secretary of Agriculture is directed to exempt by regulation from the payment of the tax on the ginning of cotton, as levied under authority of this act, an amount of lint cotton not in excess of one hundred and ten pounds, produced by or for any producer and retained for domestic use in his household."

Producers who desire to take advantage of this provision are instructed to hold back from the gin the seed cotton in quantity necessary to produce the lint they desire to use in the household and secure one of these applications forms before taking such cotton to the gin. These forms are expected to be available in all County Agent's offices before October 1.

It is important to remember that cotton exempt from the tax on this provision cannot be sold or exchanged for anything of value nor can articles manufactured from it be sold or exchanged for anything of value.

Mr. Duncan has a limited supply of tax-exemption certificates on hand for sale to producers who need to buy. These must be sold at 5c per pound and paid for in cash or cashiers check, no personal check can be accepted.

New Romantic Team Scores In New Show

A new and outstanding romantic team makes its bid for screen prominence in the Fox Film production, "The Farmer Takes a Wife," which comes on Monday and Tuesday to the Dorothy Theatre.

Janet Gaynor and Henry Fonda, the romantic leads in the forthcoming production, give promise of being the new sensation of the screen. Fonda, who is a newcomer, never having appeared before in a film production, has been identified with the speaking stage only, and registered a hit in the same character in the stage play that he essays in the picture.

Miss Gaynor and Henry Fonda are two young people who fall in love with each other while working on the Erie Canal.

Miss Gaynor is a canal-boat cook, born and bred on the waterways and completely in love with the life on the canal. Fonda on the other hand, is a farmer by nature, working on the canal for the sole purpose of earning enough money to buy his own farm.

The opposed ideals of the two lovers adds a zest and charm to the romance that is altogether fascinating and delightful.

Supporting Miss Gaynor and Henry Fonda are such outstanding players as Charles Bickford, Slim Summervill, Roger Imhoff, Andy Devine, Jane Withers and Margaret Hamilton.

GOOD COTTON CROP IS PREDICTED FOR COUNTY THIS YEAR

Five-Year Average Is 19,000 Bales; Estimates Around 17,500 This Season.

Up to the middle of this week, the two gins in Henrieta had ginned around 250 bales of cotton from the present crop. Harvesting of the fleecy staple has been retarded somewhat the past few days on account of rain, but with dry weather gathering of the crop will soon be under full swing.

The price range has been around 9 1/4 cents per pound, with seed selling at \$28 per ton.

According to statistics, the five-year average production in Clay County is 19,000 bales. There is some different in opinion as to estimates of this year's production, but those familiar with crop conditions predict that around 17,500 bales will be gathered in this county from the 1935 crop. Others believe that the turn-out will be above the average. Even if the crop does not exceed the 17,500-bale mark, that will be a good crop for this year, considering leaf worm and other hindrances to the maturing of the cotton.

Joy Club News

The Joy Home Demonstration Club met September 18th with Mrs. O. N. Holland.

The house was called to order by the Wardrobe Demonstrator, the president being late. We talked and made plans for our Demonstration at the Pioneer Picnic. Miss Faye Newton gave a Demonstration on the foundation skirt pattern. She had her pattern finished and had used it twice. She said that she liked it fine and wanted every member to make one. Miss Newton has also used the slip pattern Miss Stewart showed us at our last meeting and it proved satisfactory.

The meeting adjourned at five o'clock. The next meeting will be held on the second of October. Come to Joy and someone will tell you where as we did not decide.

Bellevue 4-H Club

The Bellevue 4-H club girls met for the first meeting since school has started with our demonstrator, in the high school auditorium Friday morning.

The house was called to order for election of new officers for the following year by Miss Stewart.

The following officers were elected:

President—Camille Green.
Secretary—Lucille Davenport.
Reporter—Lillian Blakely.
Garden Demonstrator — Bessie Mae Petrie.
Wardrobe Demonstrator — Beth Borgman.

The demonstrator discussed the topic about adequate storage space

and correct arrangement of clothing. She also exhibited hat racks, shoe trees, hangers and dress bags. We decided that all the reports of the wardrobe and garden projects should be in to the president by the next meeting which will be Friday morning, October 4, 1935 in the high school auditorium.

The following were present: Camille Green, Lillian Blakely, Beth Borgman, Bessie Mae Petrie, Sybil Liggett, Margie Langford, Francis Katherine Harbison, Jo Anita Grubbs, Velma Broyles, Edith McGee, Ido Mae McCord, Nathalee and Kathalee Williams, Bonnie Ruth Van Zant, Pauline Bowden, Louise Flinn, Mildred Farmer, Annie Lou Skidmore and Myrtle Henderson.

Vashti 4-H Club News

We elected new officers. Our officers have all gone to Bellevue school and our sponsor resigned. The following officers were elected:

Vice-president — Melba Louise Berry.
Secretary - Treasurer — Maurice Bush.

Reporter—Rose Marie Morrison.
Sponsor—Mrs. C. A. Morrison.

We are glad to welcome three new members to our club. They are: Marie Watkins, Pauline Shoemaker and Artelle Barnett. All between the ages of 10 and 20 are welcome to join our club at our next meeting which will be Wednesday, October 3.

Vashti Demonstration Club News

The Vashti Home Demonstration Club met at the home of Mrs. Nora Bowden, Wednesday afternoon, Sept. 18. Plans were made for the cannery exhibit to be held at the Pioneers Reunion. Mrs. Robert Barren and Mrs. Nora Bowden were named as a committee to collect and arrange the club's exhibit. Mrs. Lona Childress and Miss Annie Harvey were named as recreation committee.

Miss Stewart met with us and gave a very interesting talk on keeping a clothing account and on spending our money to the best advantage. After which she gave a demonstration on pattern making a foundation pattern for our clothing demonstration for Mrs. C. A. Morrison. We feel that we learned a great deal at this meeting and are looking forward to a large, better club this winter. We are glad to report two new members: Mrs. Roy Howard and Mrs. Lona Childress.

Eight members and one visitor were present.

Former Henrietta Man Gets Mention In Engineering Book

In his new text, "Drafting For Engineers", recently published by D. Van Nostrand Co. New York, Professor Carl L. Svendsen formerly of Ohio University faculty and now of Lubbock, makes mention of Malcolm Burkett as contributor to problems, designs, and illustrations. The text is for use in the engineering schools of colleges and universities and covers Electrical, Architectural, and Mechanical and related branches of Engineering drawing.

It will be remembered that Malcome Burkett, son of Mr. and Mrs. V. M. Burkett of New London graduated from Henrietta High School with the class of 1925 and after his graduation studied Electrical Engineering at Texas Technological College.

HENRIETTA HIGH TO OPEN FOOTBALL SEASON OCT. 4

Will Meet Iowa Park on Local Gridiron; Squad Line-Up Is Announced.

The Henrietta High school opening football game for the season will be played here Friday night, October 4, on the new Hapgood Athletic Field. The Henrietta squad will meet Iowa Park at this game, and a hard battle is predicted to take place.

The Henrietta boys have been in serious training since the first of September, and Coach O. M. Rogers and Assistant Coach K. C. Cummings say the prospects for Henrietta being a winning team look very favorable.

The new, lighted Hapgood Field will be an inspiration to the players this year, and every citizen in Henrietta is urged to lend their support in backing the team. YOUR presence at the opening game will prove a favorable influence on the home team. Without support the team has no pep, and without pep you have no team. A good beginning means a lot to the team, so let's all go to the opening game Friday night, October 4, and send the boys off to a big start.

Rev. E. L. Moody is chairman of the ticket sale for this seasons games, and he will have four groups out over the city making the sale for the game Friday. The four groups will include the Seniors, Juniors, Sophomores and Freshmen of the High school.

Tickets to the game will be 25 and 50 cents. Don't just buy a ticket to help the team. Buy a ticket and GO to the game. Your

presence will help more than anything.

The kick-off will be at 7:30 o'clock.

Twenty parking spaces for cars have been marked off, and season tickets for these spaces to all of the games will be for sale. These reserved spaces will be in the middle of the field between the thirty yard lines on the south side of the field.

Players on the Henrietta High school team include: J. C. Boyles, Captain and end; Bucky Boyd, Jim Duncan, Frank Neville and Marvin Sherrill, ends; Nolan Shires, quarterback; Carl Slagle, fullback; Billy Neville, Howard Reed and Merrill Childs, halfbacks; Bob Karsteter, Jack Hayes and Harold White, centers; Leron Arnesman, Tom O'Bryan and L. D. Butler, tackles; and J. R. Ares, Wayne Dickey, Buddy Dodd and Claude McKinney, guards.

The 1935 football schedule of Henrietta High school is as follows:

- Oct. 4—Iowa Park, Here.
- Oct. 11—Bellevue, Here.
- Oct. 18—Bowie, Here.
- Oct. 25—Decatur, Here.
- Nov. 1—Wichita B Squad, There.

ONE YEAR \$1.00
Payable Cash in Advance

NO NEED OF A SALES TAX

Advocates of a general sales tax in Texas are obviously planning to make the most of the opportunity that the old age pension amendments seems to give them. With estimates of the annual pension cost ranging from \$4,000,000 to \$6,000,000, and the state's general fund still very much in the red, there is no other way to finance pensions, the sales tax crowd insists, except by the general tax. In view of the fact that most of those who have been advocating the sales tax were among the opponents of the pension amendment, this solicitude for the pensioners is something the good faith of which is open to challenge. At the same time, opponents of the sales tax must recognize that old age pensions will give added leverage to the sales tax proposal.

The sales tax is just as unfair, just as indefensible in the economic sense, as it was before the pension amendment was adopted.

In Missouri, where the sales tax went into affect a few weeks ago, the citizenship is on the verge of open revolt against it. There is profound dissatisfaction in New Jersey, with the prospect that next year's campaign will have sales tax repeal as its main issue.

The time may come when Texas' finances are in such desperate shape that there is no alternative except to levy a sales tax. Before we reach that stage, however, the program of tax revision which Representative C. M. McFarland is going to sponsor should be given a trial. If Texas can get rid of the tax-dodgers that it has under the existing system, and derive a reasonable amount of revenue from the liquor tax, it will be able, as Mr. McFarland points out, to pay the annual pension bill without resorting to a sales tax. But the opponents of that revenue devise would do well to remain on guard.—Wichita Daily Times.

'Imitation of Life,' Colbert's Greatest, Is Coming to Ritz

Seldom, if ever, has there been such a combination of elements, which mean good entertainment as there are in "Imitation of Life." Mgr. Frank Morris has booked it for the Ritz Theatre starting with a prevue Saturday night, through Sunday, Monday and Tuesday.

Fannie Hurst's great novel, will interest millions of women. "Back Street" proved that Fannie Hurst understands thoroughly what women like to see in a moving picture. John Stahl in that picture proved that he knew how to transpose to the screen every last ounce of interest which lay in a Fannie Hurst story. There is no director in the world who has this faculty in the same degree that John Stahl possesses it. And he directed "Imitation of Life," also.

Then there is the popularity of Claudette Colbert, who is an ideal heroine for Fannie Hurst's story. John Stahl searched for three months before he was satisfied even with Claudette Colbert. The minute her tests were seen, however, he knew that she was the "Bea" Pullman. A dozen leading men were discarded before John Stahl decided upon Warren William. These two are just now being acclaimed for their work in "Cleopatra." The cast supporting them is of real star proportions. A new baby star, this time a three-year-old one named Baby Jane, plays the tiny daughter and for her work was given a starring contract by Universal. Rochelle Hudson plays the baby grown up, with Alma Hale, Ned Sparks, Henry Armetta, Louise Beavers, Henry Kolker, Alma Tell, G. P. Huntly, Jr., Wyndham Standing and Paul Porcasi.
