Senator Connally Enroute Philippine Island Inauguration

MARLIN, October 17.—United States Senator Tom Connally has sailed from Seattle, Wash., for the Philippines to attend the inauguration of the first president of the new island republic. He is accompanied by his son Ben Connally, an attorney of Houston.

Senator Connally is one of a group of American officials who were invited by the new Philippine government to attend the ceremonies. The party will be headed by Vice-President John N. Garner, Speaker Joseph W. Byrns and Secretary of War George H. Dern. The group is sailing on the S. S. President Grant and will go first to Yokohama, Japan from whence they will visit Tokyo and Kobe. Proceeding from Japan, the next stop will be Shanghai and then Hong Kong. The party will arrive at Manila on November eighth. The inauguration is on the fifteenth and the American officials will leave Manila on the twentieth. On the return trip they will stop at the same ports in the Orient again and then visit Honolulu. Returning, they will reach Seattle aboard the S. S. President Jefferson on December fourteenth.

The Texas Senator is a ranking member of the powerful Committee on Foreign Relations of the Senate, and at present has two other important assignments on sub-committees of the Senate having to do with world affairs. One of these is the special sub-committee considering the proposals to "take the profits out of war," of which Senator Connally is chairman, and the other is the sub-committee which handled the recent neutrality legislation in Congress.

Upon their return from the trip, Senator Connally will return to Texas immediately and the Senator will remain in the state until the next session of Congress convenes on January third.

O. H. Callaway Injured At Stanfield Tuesday

O. H. Callaway, who received injuries at the Stanfield Gin Tuesday night at 8:40 o'clock, was brought to Henrietta for medical treatment. While working on the gin, Mr. Callaway received a bad cut on the left knee. The press hook came loose and the door fell hitting his leg just above the knee cap. He was removed to his home, and is reported to be recovering nicely.

CENSUS REPORT SHOWS LOSS ON COTTON GINNINGS TO DATE

Special Agent, Harve Rollins of Blue Grove reports that there were 1606 bales of cotton ginned in Clay County from the crop of 1935 prior to October 11 as compared with 2,594 bales ginned to October 11, crop of 1934.

CORN-HOG REFERENDUM BE HELD AT THE HARRISON MOTOR COMPANY OCT. 26

Saturday, October 26, the Corn-Hog referendum for Byers vicinity will be held at the Harrison Motor Company under the direction of Dru Harding. Voting will be by ballots furnished for the occasion and will be explained to those who do not understand, by those holding the election.

All farmers who produce corn or hogs are eligible to vote whether they have signed a contract or not. Voters who have not signed a contract will indicate this fact by marking "X" in the box at the upper right hand corner of the ballot.

Voting does not obligate the voter to sign a contract. The question to be voted on is, "Do you favor Corn-Hog Adjustment Program to be Continued After the Present One Which Expires November 30, 1935?" The department of Agriculture is anxious to know what the farmers wishes are in the matter and all eligible farmers are urged to vote.

Funeral Services For Mrs. McReynolds Held Last Saturday

Funeral services for Mrs. Minerva A. McReynolds of Petrolia, were held Saturday afternoon at 4 o'clock at the Petrolia Presbyterian Church, with Rev. G. L. Waddle of Midlothian, assisted by Rev. B. L. Bates of Wichita Falls, officiating. Interment was in the Petrolia cemetery under the direction of the Moore Funeral Home of Henrietta.

Mrs. McReynolds was born November 19, 1856 in Kentucky, and died October 10, 1935 in Petrolia at the age of 78 years, 11 months and 21 days.

She is survived by two sons, Wayne and Willard McReynolds; nine grandchildren, two nieces, and one nephew.

Pallbearers were Messrs. Eldon Mayo, Leon McCauley, Fred Posey, Herman Wise, Shelby Armour and Newton Patterson.

Mrs. Dewitt Hundley and children are spending the week in Ryan, Okla., with her parents, Mr. and Mrs. Chambers.

36 MILLION FOR ROAD PROJECTS

Texas Gets Big Sum for Roads and Grade Crossing Elimination

WASHINGTON, Oct. 17.—The Bureau of Public Roads Wednesday released \$36,274,750 of works relief funds for highway and grade crossing elimination construction.

The bureau announced it had approved highway projects from 41 states and the District of Columbia, totaling \$27,557,700 from a \$200,000,000 allotment. It also approved grade crossing elimination work in 27 states, totaling \$8,717,050, from another \$200,000,000 allotment.

State quotas from the entire \$400,000,000 allotments were assigned several months ago, but work could not start until specific projects had been approved by state works progress administrators and the bureau.

Slowness of State Highway Commissions in submitting projects had prompted Harry L. Hopkins to consider canceling some of the allotments.

The bureau announced that contracts for highway construction totaling \$8,532,412 and grade crossing elimination adding to 2,478,864 had been awarded.

Projects approved included for Texas: \$2,174,000 for highways and \$101,000 for grade crossings.

Salary Applications For Teacher's Are Ready for Signatures

According to County Superintendent John W. Callaway, applications for salary for teachers have been completed and are ready for trustee's signatures. The applications will then be submitted to Warner Rasco, deputy state superintendent, for approval.

Information budgets for each district sending high school students away from the home districts are also completed and ready for the Rural Aid Division at Austin. This is necessary this year in order to receive transportation and high school tuition aid.

TEXAS CENTENNIAL UNDER WAY

"Emblematic of all the soil and soul of Texas" was Governor James V. Allred's description of the stirring ground-breaking ceremony at Dallas October 12, which began construction on the \$1,200,000 State of Texas building at the Texas Centennial central exposition. The top photo shows a comely Senorita greeting the Governor with an armful of Texas Centennial roses, following his inspiring appeal for State-wide unity in the Centennial movement, while the lower catches the dynamite blast which broke ground for the magnificent State building.

Home Demonstration Clubs Notes

MISS MARGARET STEWART
Home Demonstration Agent

Vegetorials

The season is at hand for the planting of cool season things, such as spinach, fall cabbage, onions, and the like. Then when you plant such vegetables as spinach and a second planting of tendergreen or mustard, the planting should be done in rows and preferably on a bed. The home gardener can hasten germination of spinach by soaking the seed for one day before the seed are planted. Avoid planting too deep. One-half to three-fourths of an inch in depth is about right for the planting of these seeds.

Values Her Skirt Foundation Pattern Highly

"I would not take a dollar for my skirt foundation pattern right now," was the remark that Mrs. Ted Gray, co-operator of the New London Club, made. Mrs. Gray has used her pattern twice and finds that she has better fitting skirts than she has ever had before, and she has done practically all of her sewing for a number of years. The first dress that Mrs. Gray made she used a perfectly plain skirt pattern, cut the skirt out; took it to the machine and made it before trying it on. "Yes, it fit, and perfectly, too." The second skirt that was made, Mrs. Gray added two pleats in the front of the skirt, and darts in the back. She finds it quite simple to make these skirt variations.

Setting Cabbage Plants

Many cabbage plants in home gardens are lost each year because the plants are set improperly. In many cases the plants are set too deep. To properly set the plants, put them in the ground to the lower edge of the first pair of leaves, then pack the soil tightly around the roots. Watering at time of setting is beneficial in getting a high percent of the plants to grow.

Harvesting Sweet Potatoes

A common mistake made by sweet potato growers is in "digging" the potatoes before they are properly matured. Potatoes dug prematurely rot easily in storage, causing unnecessary losses. To test the maturity of the crop, break a potato in two and note how rapidly the moisture disappears. If the broken surface dries slowly, this is an indication that the potato is not matured. In harvesting the crop it is suggested that only those potatoes that will classify as U. S. No. 1 be picked up first. Those potatoes that are approximately 6 inches long and 2 in diameter, that are free from cuts, bruises or other damage, should be put into containers and handled carefully, as the most desirable for market. A second "picking up" should include the oversize and undersize potatoes that are salable, a third "picking up" may include the smaller potatoes for seed purposes.

Deer Creek Demonstration Club

The Home Demonstration Club met with Mrs. W. A. Davis Tuesday afternoon. Miss Margaret Stewart, Home Demonstration Agent, gave a lecture on "The Storage of Canned Products." She also discussed "How to Dry Foods." Those present were: Mesdames A. S. Hodges, L. B. Arnold, Mutt Reaves, Sam Brown and B. T. Devers of Joy, and Miss Viola Hodges. Reporter.

Charlie Demonstration Club

The Charlie Womans Home Demonstration Club met at the home of Mrs. S. F. Copher, Thursday, October 10. Thirteen members were present. Nominations for new officers

were made, but were not voted on. The next meeting will be with Mrs. Henzley, October 24.

New London Home Demonstration Club

Wednesday, October 9, the New London Home Demonstration Club met at the home of Mrs. P. A. Whitwell with the following members present: Mesdames On Glen Boyles, W. M. Blakely, E. Borgman, F. Borgman, H. L. Burnside, G. P. Gray, L. F. Streatly, Misses Mattie and Fannie Vaughn and the hostess, Mrs. P. A. Whitwell. Also Mrs. J. T. Campbell of Blue Grove as a visitor. A foundation pattern was made for Mrs. Whitwell. The Reunion and the Exhibit were discussed and then a business meeting for the purpose of electing officers was held with Mrs. F. Borgman, President, in the chair. The following officers were elected for the new year to begin January 1:

Mrs. L. F. Streatly, President; Mrs. P. A. Whitwell, vice-president; Mrs. G. P. Gray, secretary-treasurer; Mrs. Ona Glen Boyles, reporter; Mrs. Curtis Shackelford, parliamentarian.

The next meeting, October 23, will be at the home of Mrs. Carl Skelton with Miss Stewart meeting with us at that time. New London is duly proud of the record of ribbons won by their club members. Out of 20 containers of various foods, New London won the following: Mrs. Burnside, 1st on plum preserves; 2nd on canned pickled and preserved pears. Mrs. Whitwell 3rd on best pickles. Mrs. Mayo 2nd on plum jelly. Mrs. F. Borgman 2nd on corn and relish. Mrs. Gray 1st on sweet pickled peaches.

New London is also justly proud of the record made by the Educational Exhibit sponsored by the club. Through the untiring efforts of Mrs. H. L. Burnside and her committee it was made possible and at the meeting of the club as a token of appreciation for her efforts the ribbon was presented to Mrs. Burnside as a permanent gift. Everyone is looking forward to the coming years work to better canning so there will be more to exhibit. It is certainly encouraging to know what can be done by just a little more effort and care in canning.

FREE CLINIC FOR CRIPPLED CHILDREN AT WICHITA FALLS

On Tuesday, October 22, 1935, from 9:00 A. M. until 5:00 P. M. at the First Methodist Church in Wichita Falls, Texas, a free clinic will be held by the Texas Scottish Rite Hospital for Crippled Children. All crippled children who are under fourteen years of age whose parents are unable to give them the proper medical treatment are invited to come and go through the clinic. There will be absolutely no charge or fee of any kind. The purpose of the clinic is to determine whether or not the patient can be helped by being sent to the hospital in Dallas. When a child is admitted to the hospital everything is furnished without expense to the parents.

On Tuesday night, October 22, at 8:00 o'clock in the Memorial Auditorium of Wichita Falls, there will be a free entertainment to which the public is invited. Dr. W. B. Carrell, Chief Surgeon of the Texas Scottish Rite Hospital for Crippled Children, Dallas, Texas, will be the principal speaker. There will be no charges or collections of any kind. The Dallas hospital has a great record. Since it was opened twelve years ago, more than 20,000 children have been treated. These were all Texas children and represent 759 Texas towns.

James Hames returned to Chandler, Okla., after visiting here a few days. Mrs. Hames and small son remained with her parents, Mr. and Mrs. C. E. Harding for a two week's visit.

Ford V-8 Streamlining Steps Ahead

THE IMPROVED streamlining of the front end of the Ford V-8 for 1936 is well illustrated by this camera shot. Note the horn set into the fender apron behind a chromium grille and the way the graceful contour of the fender is carried to the edge of the new radiator grille. A glimpse of the new hood louvers is caught behind the headlamp. The V-8 insignia on the prow of the car is of new design.

CONGRESSMAN M'FARLANE HEADS LEGAL COUNSEL IN INVESTIGATION OF AVIATION

Position on Committee Said to Be One of Vital Importance

Congressman W. D. McFarlane left Graham for New York Friday to accept the position as counsel for the House patent committee that will conduct the investigation of pooling patents in aviation.

The Graham congressman was asked to take the post while in St. Louis for the American Legion convention but at that time rejected the appointment.

Hearings of the investigating committee will be held in New York and will continue for about three weeks, the congressman predicted.

The investigation is being conducted under authority of House Resolution 265 enacted at the last session of Congress with Congressman Sirovich of New York as chairman of the committee.

Congressman McFarlane as member of the investigating group on Naval Air Craft procurement filed a minority report last year that called attention to the huge amounts being spent for inferior equipment being furnished as the result of lack of proper laws requiring competition.

The report that gained the Graham legislator nation-wide recognition for his aggressiveness analyzed the different combines that dominate and control aviation, largely due to special privileged laws enacted for their benefit.

Continuing in another phase of the investigation the work of the new committee is expected to recommend changes in the existing laws to correct defects in national defense

and save millions of dollars for the taxpayers.

Congressman McFarlane's final acceptance of the position on the committee was due, it was said, to the insistence of Congressman Sirovich and General Mitchell, chief of the air corps during the World War.

General Mitchell's telegram to the Graham congressman summarizes the desire of the committeemen and himself to secure him as head legal counsel:

"Dr. Sirovich has suggested to me that you act as head legal counsel for the Patents Committee on airplane investigation matters. I consider this very important and consider you the best qualified man in the country to do it. I think it would be a great feather in your cap to handle this proposition and advise strongly that you do it."

The general's plea has been followed by several others of like nature.

Leaf tobacco being sold to highest bidder

From 1900 up to 1934 the leaf tobacco used for cigarettes increased from
13,084,037 lbs. to
326,093,357 lbs.;
an increase of 2392%

It takes mild ripe tobacco to make a good cigarette.

United States Treasury Building

During the year ending June 30, 1900, the Government collected from cigarette taxes
\$3,969,191

For the year ending June 30, 1934, the same taxes were
\$350,299,442
an increase of 8725%
—a lot of money.

Cigarettes give a lot of pleasure to a lot of people.

More cigarettes are smoked today because more people know about them—they are better advertised. But the main reason for the increase is that they are made better—made of better tobaccos; then again the tobaccos are blended—a blend of Domestic and Turkish tobaccos.

Chesterfield is made of mild, ripe tobaccos. Everything that science knows about is used in making it a milder and better-tasting cigarette.

We believe you will enjoy them.

SOCIETY

ARDEN STUDY CLUB OF PETROLIA MET WEDNESDAY AFTERNOON

The Arden Study Club of Petrolia, met Wednesday afternoon at Mrs. C. C. Bock's to study the Autobiography of a Girl Sailor.

At roll call ten members gave their usual reports on the following topics: Radio, Art, Painting, Motion pictures, Fashions, Poetry, Words, Politics, Inventions, and Literature.

Those present were: Mrs. M. W. Moon, Mrs. Edd Cantrell, Miss Dorothy Pitt, Mrs. H. W. Perkins, Mrs. K. W. McDonald, Mrs. Bob Brannan, Mrs. J. G. Tinsley, Mrs. C. K. Arnold, new member, Mrs. Raymond Allen, treasurer and Mrs. C. C. Bock, hostess.

The program followed with very interesting reports and discussions on "The Cradle of the Deep," by Joan Lowell with Mrs. C. K. Arnold as leader. Mrs. K. W. McDonald played a piano solo, "Rocked in the Cradle of the Deep" by Knight. Mrs. Arnold gave a vivid and impressive recount of "The Wreck of the Star," and Mrs. Bock discussed "The Character of Stitches," "What Joan Gained and What Lost, by Her Nautical Upbuilding," and read several very humorous passages from the book. The club openly discussed the probability of the story and recalled many important philosophies and humorous passages.

Seventy-one colored lantern slides Set No. 32, "The Awakening Orient" were shown with a lecture by Mrs. M. W. Moon.

"Away for Rio," and "Blow The Man Down," victrola records typical of the life of a sailor concluded the program for the afternoon.

BAPTIST W. M. U. MEMBERS OBSERVES PRAYER WEEK

The W. M. U. of the First Baptist church met Tuesday in an all day session for the observance of the week of prayer. State mission and foreign work in our country was the general theme for the days study. Each member gave a talk on the different divisions of the subject. This was an all-church study.

The group met Wednesday night to continue their study and will conclude the week's outline Sunday night.

At noon a delicious covered dish luncheon was served to those present. Fifteen members attended the all day meeting.

WESLEY CLASS HOLDS ALL DAY QUILTING TUESDAY

The Wesley Sunday School class met at the Methodist church Tuesday in an all day quilting. The class is quilting for various members in order to help meet church obligations. The entire day was spent in work. At noon a delicious luncheon was served in the church dining room.

MISS MADELINE HARDING REVIEWS 'ANTHONY ADVERSE'

Miss Madeline Harding, teacher of expression, of Byers, reviewed "Anthony Adverse" by Harvey Allen, Wednesday afternoon at the First Christian Church in Henrietta for the benefit of the Clay County Library.

"Anthony Adverse" is a 1200 page novel that deals with the life of an orphan who knows for a certainty, nothing about or who his parents really are. In his wanderings he goes from France to Italy, to Cuba, to Africa, to Europe again, then to North America and finally to Mexico.

He wanders over the world in search of his soul which he finally finds. Most readers are not interested in the quest but in the adventures along the way.

W. M. S. MEETING

The third division of the book "The Other America" was presented Monday afternoon to members of the W. M. S. by Mesdames J. B. Allen, C. E. Harding and Mrs. H. D. Vaughter Sr. The section of this interesting book by Dr. Mackay dealt with the situation in Mexico.

Mrs. O'Dell led the devotional lesson in her pleasing way.

Dorothy to Play New Kay Francis Film

That there is humor in drama as well as drama in humor is proven in the latest Kay Francis starring vehicle "The Goose and the Gander," a Warner Bros. picture which is booked for the Dorothy Theatre on Monday and Tuesday, October 21 and 22.

It is a story of stolen hearts and stolen jewels, with the characters indulging in a merry marital mix-up as thrilling as it is funny. George Brent has the role opposite Miss Francis and the other leading characters are portrayed by Genevieve Tobin, John Eldridge, Claire Dodd, Ralph Forbes, Helen Lowell and Spencer Charters.

Cowboy - S. M. U. Football Game To Be Held Wichita Falls

WICHITA FALLS, Oct. 17.—Hardin-Simmons' University Cowboys, whose aspirations point directly to a berth in the Southwest conference, and the Southern Methodist University Mustangs, already a recognized factor in the Southwest group's 1935 penant marathon, will furnish Wichita Falls' intercollegiate football classic here the evening of Saturday, October 26, at 8 o'clock.

Bringing together two of the Southwest's most colorful aggregations, preparations are being made to handle a crowd of 5,000 or more at the Coyote stadium. S. M. U.'s Bobby Wilson, Shuford, Smith et al., under the tutelage of Coach Matty Bell are painting a red streak through the football map this Fall, and unless the Ponies fall through before Rice Institute Owls this week-end, it will be an undefeated team the Hardin-Simmons crew will encounter.

Coach Frank Kimbrough, in his first season at Hardin-Simmons, has started a building program that promises big things for Cowboy football of the future, and his campaign already has brought results this season. Holding Texas Tech to 10 points and Baylor to 14 added new feathers to the Kimbrough bonnet, and such sterling battlers as Cherry, McKinney, Crowell and Tyler are expected to give Southern Methodist plenty of trouble here a week from Saturday night. Kimbrough will furnish one of the most colorful teams to be seen in Texas this year.

BACK TO THE CONSTITUTION

We read much today of the propaganda put out by the American Liberty League and similar organizations sponsored and controlled by the plutocrats of wealth. Their great cry at this time is "back to the constitution" and their criticism of the Administration's program is that it violates the constitution.

This is the first administration we have had in fifty years that has brought forward a program designed to help the rank and file. If it is wrong to help the common people and in so doing to promote the general welfare of all our people and the nation as a whole then we must admit the program is wrong—otherwise not. Maybe our critics should read and try to better understand our great constitution. Our forefathers in the constitutional convention when they were writing the constitution had two distinct lines of thought as we have today. One line of thought was represented by the Hamiltonian ideas of placing in the hands of the Supreme Court the right and power to construe and interpret the laws which included the power to declare unconstitutional the laws enacted by Congress. The other line of thought was represented by the Jeffersonian line of thought which declared as did all other nations of the world then and now that the power to construe and declare invalid all laws enacted by Congress should not be given the Supreme Court but should be left with the people. In leaving this power with the people it was carefully pointed out that if Congress should err the people could correct it but that if the Supreme Court should err the people had no remedy.

On four different occasions in the constitutional convention the plan to give the Supreme Court this power to construe the laws was rejected. And the constitution today does not give the court the power to invalidate acts of Congress. For 68 years the Supreme Court respected the constitution as it was written and then finally they usurped that power and have continued that unauthorized usurpation of power to date.

So, we join our critics, the Tories, in their cry, "Back to the Constitution," but from an entirely different standpoint. We hope the Supreme Court will read that great document and construe it in the light under which it was written. When they do this—they will again resume the position to which their life-time appointments should entitle them to serve—i. e. of performing their clearly defined judicial powers and authority and not that of assuming and usurping the power of construing and defining the acts of Congress which has in fact permitted them to assume and dictate complete authority and domination over the legislative branch of the government. This power has never been granted or allowed the Supreme Court of any court of any other great nation in the world.

SUNDAY CLOSES YEAR'S WORK AT METHODIST CHURCH

Sunday will close the year's work for the First Methodist with the Rev. Stewart O'Dell as pastor. On Wednesday, October 23, Rev. O'Dell and delegates will go to Wichita Falls to attend the annual conference which will last until Sunday night October 27.

This concludes the first year's pastorate of Rev. O'Dell here and the entire membership as well as others want him to return for next year. Both Rev. and Mrs. O'Dell have done splendid work in carrying on God's work.

Saturday evening the Board of Stewards held the last meeting of the group at the church.

Sunday at the morning hour Rev. O'Dell will deliver the sermon. Sunday night at 7 o'clock the Rev. Warren T. Whiteside, presiding elder of the Wichita Falls district, will deliver the evening sermon.

Everyone has a special invitation to attend these services.

Miss Florene Carpenter of Wichita Falls, was the guest of Mr. and Mrs. W. S. Carpenter last week-end. Mrs. W. B. Allen and daughters, Marjorie and June, spent Sunday in Grandfield with Mr. and Mrs. Fred Varner.

HENRIETTA TIES BELLEVUE SCORE 6-6

The Henrietta Bearcats took the measure of the Bellevue Eagles on the former's new field here Friday night on 20-yard zone penetrations when the game ended with a 6-6 score.

The Bearcats pushed the ball inside the visitor's 20 yard mark on five occasions, while Bellevue failed to get into pay territory once except when making the lone touchdown shown in the score.

Reed scored for Henrietta in the second quarter to match Nichols' score was the result of Vernon's having covered a fumble near the locals' goal line. Henrietta made nine first downs to Bellevue's four.

N. T. S. T. C. Writes Appreciation Letter

Denton, Texas, Oct. 8.

Mr. T. B. O'Bryan,
 The North Clay County Journal
 Byers, Texas.

Dear Mr. O'Bryan:

I received a copy of your October 4th Journal, which contained a reprint of an article submitted by the News Service of the College. The College is appreciative of the recognition given to students through the press.

Your paper is certainly an attractive one, both typographically and journalistically. Henrietta citizens should be proud of such a well-edited newspaper.

Notice of Corn-Hog Referendum Is Made

The question, "Do you favor a Corn-Hog Adjustment Program to follow the 1935 Program, which expires November 30, 1935?" will be settled by Referendum of Corn and Hog Producers on October 26. The Agricultural Adjustment Administration is anxious to know whether or not farmers desire to continue this program, and all eligible farmers are urged to vote their sentiments.

Any farmer who produced Corn or Hogs in 1935 is eligible to vote. Meetings for discussion of this Referendum have been held at Byers and Blue Grove and meetings are scheduled for Windthorst Thursday night, Bellevue Monday night, Charlie Tuesday night and Shannon on Wednesday night. The community Corn Hog committeemen will have the ballots and designate places in the various communities to vote. Plans for absentee voting for the eligible farmers who do not expect to attend the voting place Saturday, October 26, should get in touch with their committeemen and cast their ballots. It should be expressly understood that voting in this election does not obligate a farmer to sign a contract for another year. All producers are urged to attend the community meetings nearest them and to vote on October 26.
