SIXTEEN STATE AID SCHOOLS FOR CLAY COUNTY GIVEN O. K.

Sixteen Clay county rural schools were approved for state aid by Mr. Warner Rasco, deputy state school superintendent for district 4, in visits to the schools last week. Mr. Rasco accompanied by J. W. Callaway, county superintendent of schools, for Clay county, started on the tour of schools Monday morning and finished Friday. The sixteen schools are Buffalo Springs, Dean Dale, Vashti, New Independence, Friendship, Byers, Linville, Thornberry, Bellevue, Charlie, Shannon, Joy, Blue Grove, Brown, Deer Creek and New Liberty.

Mr. Rasco was well pleased with the Clay county schools and stated that Clay county has the possibilities of ranking first in the state in rural standardization. Clay county now ranks third in the state in the number of standardized rural schools.

Of the thirty-eight common schools in Clay county, eight of the schools received standardization last year and approximately twenty-five schools will make application for standardization this year.

Around \$800.00 of science equipment and \$400.00 of history equipment was bought in Clay county this year and placed in the high school departments of Vashti, Joy, Buffalo Springs, Deer Creek, Blue Grove, Dean Dale, Charlie and Doss. Mr. Rasco placed his approval on the new equipment and guaranteed state aid to be received.

County superintendent Callaway has completed the scores for standardization on eighteen of the schools in the county, and will score the other schools at once. This first scoring by superintendent Callaway is to show the schools how their rating is and help them to improve for standardization by the end of the school year when Mr. Rasco will make the final scoring.

The Kiwanis Club of Henrietta is offering a loyng cup and two banners to the schools in the county receiving the highest score at the close of the school year.

Each school has a possibility of 1,000 points and has to make 800 points to become standardized. The points are based on (1) conditions of grounds and out buildings, (2) school house, (3) equipment, (4) training and professional spirit of the teacher, and (5) attitude of the trustees and community as a whole.

Any common school that is standardized is affiliated with any independent school in the state, and pupils transferring are not required to take entrance examinations or moved to a lower grade. All standardized common school work is accepted in all independent schools.

PIE SUPPER POSTPONED

On account of sickness in the community, the pie supper at Deer Creek will be postponed until some future date. Watch for the date and be sure to attend.

NEW GRAVEL ROAD BEING BUILT IN THE SOUTH END COUNTY

The second weeks work is now in progress in Clay county on the highway between Henrietta and Blue Grove which is being graveled under a WPA project beginning at Angle Lane and leading into Blue Grove. Angle Lane begins two miles south of Henrietta, where the present gravel ends, and includes an eight mile stretch of road into Blue Grove.

G. W. Akin, hired by the federal government, is in charge of the work. Commissioner A. S. Hodges, of that precinct, is furnishing the machinery for the work as the county's part of the project. The project is a three months job, and forty relief workers are employed for the work.

This graveled highway will be an asset to the county since it will connect Blue Grove, the largest community in south Clay county, with the county seat, Henrietta. It will insure a good road into the county seat for farmers and business men of that section and be more desirable as a route for the school buses coming into Henrietta from that section.

Red Cross Roll Call Shows \$124.50 to Date

The Red Cross roll call drive in Clay county, which was begun on December 4, is expected to be completed by December 15, according to A. L. Mallick, roll call chairman.

To date Henrietta reports \$69.00 for memberships, and Bellevue reports \$34.00. Both towns expect to increase their membership considerably before the close of the drive.

Petrolia has turned in \$21.50 from her drive, and reports are still to be received from Byers, Charlie, and Blue Grove.

At the close of the drive the 15th, Clay county is expected to show a marked increase in the roll call this year over the call last year.

COUNTY RECEIVES \$3,517 FOR SCHOOL TRANSPORTATION

Clay county common schools received a check for \$3,517.00 last week as half payment from the state for school transportation. The other payment will be received during the last part of the school year.

This money is used to supplement the amount paid by the districts of the county for the use of the busses.

Nine hundred school children in Clay county ride buses to their schools each day. There are 455 high school pupils and 455 grammar school included in this number. The county receives two dollars each month for every grammar school pupil that rides on the buses. The \$3,517.00 transportation check is divided among the 26 school buses of the county according to number of pupils riding each bus and goes to pay the bus driver and expenses of the buses.

Representative of Texas Centennial Visits Clay County

Mrs. Hulén Carroll, field representative for the state department of publicity for the Texas Centennial exposition, recently visited in Henrietta contacting the county centennial committee to see what is being done and planned for the celebration to be held in 1936. She is arranging a calendar for the exposition which will outline what has been done and what is planned in the way of plays, pageants, and pilgrimages in each county. At present she is working in the Wichita Falls district, which includes Clay county.

Mrs. Carroll was well pleased with the steps being taken in Clay county towards the centennial celebration, and commended the county highly on the centennial publicity sent out. Mrs. St. Andrew Myers is president, Mrs. E. L. Ikard, vice-president, Mrs. J. W. Douthitt, secretary of advisory board, and Mr. F. O. Moore form the centennial committee in Clay county.

"Think, Talk and Write Centennial," the slogan that is the cry of Texas, will need the co-operation of every Texan in preparing the State for the gigantic observance of the one hundredth anniversary of its sovereignty. If Texas is to realize the truly great Centennial celebration of its pioneers, it must be something more than outward show. There must be a "Centennial Spirit" in the hearts of Texas people. We must present, as did our fathers, an outward evidence of spontaneous unity of mind and heart, of co-operative action, of joyous good will on the part of each section toward the other.

All local events held annually over the State must impart the Centennial spirit in 1936, and let us highly resolve to carry on the work of our fathers in building a greater, a happier, and a more beautiful Texas.

COUNTY WIDE BEER ELECTION BE HELD AT EARLY DATE

A county-wide beer election will be held in Clay county and December 20 is designated as the probable date for the polling, however, according to County Judge C. J. Sherrill, this date cannot be named authentically at this time for the election.

Since all preparations for an election must be made by six days before the date of election, it is possible that the county will not be ready at that early date.

Until December 1 beer was sold under local option in Henrietta but was ruled illegal under new state laws at that date.

Much enthusiasm is anticipated for the coming election.

Basket Ball Tourney Friday and Saturday

The Henrietta Independent Basket Ball Tournament will be held Friday and Saturday, December 13 and 14, in the gymnasium of the Walker high school at Henrietta.

Three games will be played Saturday afternoon at 2:00, 3:00 and 4:00 o'clock. The final game will be played Saturday night at 8:00 o'clock. A volley ball game will also be played Saturday night at 7:00 o'clock.

Teams taking part in the tournament will be State Hospital, Joy, Petrolia, Clara, Bowie, Boys Club, Buffalo Springs, Cashion, Randlette, Terrall, Byers, and Henrietta.

Thrilling Naval Drama-With-Song Coming to Dorothy

The thrill and romance of naval officers in the making, men who in peace or in war, heroically brave death for their country in their line of duty, is colorfully depicted in the new Warner Bros.-Cosmopolitan drama-with-music, "Shipmates Forever," which is scheduled as the feature attraction at the Dorothy Theatre at the Saturday night pre-venue and Sunday night.

It is an intimate and revealing story of the lives of the midshipmen in their study rooms at Annapolis, on the parade grounds and their cruises at sea. It pictures them at work and at play; their loves and their laughter; their loyalty and their courage "under fire."

Dick Powell and Ruby Keeler head the cast. Dick personifies the raw cadet, somewhat spoiled but with the makings of a man, who is whipped into shape as a gallant officer through the rigor of the Naval Academy training, and Ruby the loyal daughter of the Navy.

Dick sings; fights a bitter battle alone with himself and finally he winds up as a hero who dashes through scalding steam and flame to rescue a shipmate. Ruby dances to gay throngs, the while she fights desperately to win the man she loves to the traditions of the Navy.

The film company spent a month at Annapolis, the movie actors enacting their roles with the training school as a background, and with 1,000 cadets taking part.

While the picture is not a musical, several new songs are introduced by Dick Powell in his role as a night club entertainer. All were composed by the famous song writing team of Warren & Dubin. The chief of them is a marching song "Don't Give Up the Ship." In addition to these, Dick sings a number of famous old sea ballads, among them "Abdul Abulbul Amier," and "Anchors Aweigh."

There is a talented supporting cast which includes Lewis Stone, Ross Alexander, Eddie Acuff, Richard (Dick) Foran, Robert Light, John Alredge, Joseph Crehan, Martha Merrill and Mary Treen.
Frank Borsage directed.

Buniazet: "I hear you have received an offer to work in Chicago. That's splendid. Success to you, my boy!"

Clabber: "Nothing doing! They only offer me \$20 a week and I can borrow more than that right around home here."

The Reckless Fool Author Unknown

"Have you ever heard the rattle of a dying man's last breath?
Or seen the look of horror in the stare that faces death?
Have you ever heard a person scream and writhe in sudden pain?
And look down at a mangled arm that will not move again?
Or have you heard the moaning and smelled the stench of gin
And seen the gory, bloody gap where once an eye had been?"

Have you ever seen the wreckage of an automobile crash?
With flesh and steel made into a morbid, grewsome hash?
Have you ever seen the entrails 'n the ears 'n arms 'n hand
'N hat 'n shoes 'n fingers of what once had been a man?
Have you ever seen the jagged bone stick through a mangled leg,
And heard the blood-smeared victim pray 'n cry 'n beg?"

Have you ever seen a little child,
All crumpled up 'n still—
Who tried to run across the street while a car came down the hill?
Have you seen men's brains on fenders?
Have you seen blood in the street?
Have you seen them stare at the bloody stumps of the things that were their feet?
Have you ever heard the crash 'n scream 'n seen the ghastly stare
On the face of what had been the driver 'n the rest of the man not there?"

Morbid 'n grewsome 'n gory this,
I'm sorry, but don't you see,
This was not meant to read by folks as tender as you 'n me.
It was meant for the thoughtless 'n careless who kill 'n maim 'n mar—
The reckless fool who is to blame—
The man in the other car."
