J. T. Newsom to Talk On Townsend Plan Thursday, Feb. 20th

On Thursday, Feb. 20, the citizens of Clay county and Henrietta are invited to attend a public speaking at the court house in Henrietta.

The main speaker of the day will be Mr. J. T. Newsom, organizer and speaker for the Townsend old-age pension plan. Mr. Newsom will begin his speech at 7:30 in the evening in order that all may be able to be present.

Briefly speaking the Townsend plan is a recovery movement, thru a pension of \$200 per month to all American citizens, 60 years old or more. This \$200 to be spent each month in the United States.

There are about 8,000,000 citizens in the U. S. who would fall into this class. One condition of the plan being that the receiver cease from gainful occupation. It is estimated that this will take about 6,000,000 of the old people now employed out of gainful labor and make room for 6,000,000 younger people. This will solve our unemployment problem, says Mr. Newsom.

F. W. Richardson Re-elected to Head School Next Year

At a meeting of members of the Henrietta school board held Thursday of the past week, F. W. Richardson was re-elected to serve his third term as superintendent of the Henrietta public schools.

Frank Selvidge was re-elected as principal of the Walker High school and Mrs. Maud Goodman was re-elected principal of the Lulu Johnson Ward school to serve next year. Other teachers will be elected at a later meeting of the board members.

Mr. Richardson came to Henrietta two years ago highly recommended from the Byers school where he was also superintendent. The school here has progressed rapidly with a number of improvements being made under Mr. Richardson as superintendent, who has received the whole hearted co-operation of both principals, faculty members, school board members and citizens of the town and county.

Pension Law Begins Operations Friday

Application blanks for the Texas Old Age Pensions are now temporarily available in Clay county at the office of Judge C. J. Sherrill in the court house. The set-up for a definite place to make application in this county has not been completed but will be announced at a later date.

Needy Texans over 65 years old are eligible for assistance and can get blanks for application.

BIRTHS

Born to Mr. and Mrs. Combs of Charlie, Texas, Feb. 9, a baby boy. Mrs. Combs will be remembered to her friends in Byers as the former Miss Berniece Rogers.

Veterans of County Urged to Apply For Bonus Baby Bonds

Several veterans have made application for their bonus bonds but Adjutant J. G. Younger is of the opinion that there are many who have not. He states that he has an ample supply of forms and is anxious that every man in Clay County call on him at his office at the court house and make application.

In applying it is necessary that the veteran have his discharge, pink slip or the original certificate. Adjutant Younger states that he has found in some cases where the veteran has never applied for the adjusted compensation certificate, but that this can still be obtained. He is supplied also with application blanks for making application for the compensation.

Basket Picnic

There will be a meeting of all ex-service men and their families Friday night, Feb. 21, in the basement of the First Methodist church in Henrietta. It is of importance to all world war veterans to attend this meeting. Come bring your family, a basket or box of grub and all will be spread together for a good time. There will be a good program.

FUNERAL SERVICES HELD WEDNESDAY FOR A. H. BEVERING; PIONEER CLAY COUNTY RANCHER

AUGUST H. BEVERING

Clay county and Northwest Texas Tuesday mourned the death of August H. Bevering, 81, one of the county's earliest settlers, who died at his home here Monday afternoon following a brief illness. Mr. Bevering was president of the Clay County Pioneers' association at the time of his death and was widely known among the early-day cattlemen of this section of the state.

Friends from over this section paid tribute to the veteran cattleman and banker at funeral services at the First Methodist church here Wednesday afternoon at 2 o'clock. The rites were conducted by the Rev. Paul E. Martin, presiding elder of the Wichita Falls district; assisted by the Rev. Finis Crutchfield, presiding elder of the Denton district; the Rev. E. L. Moody, pastor of the Henrietta Baptist church; the Rev. H. M. Cowling, pastor of the Henrietta Methodist church and the Rev. Paul J. Merrill, pastor of the First Christian church of Henrietta. Burial, under the direction of the Moore Undertaking company, was in the Charlie cemetery, immediately following the rites at the church.

Mr. Bevering was born at Keokuk, Iowa, in 1854, and came to Texas in 1873. He first settled in Travis county, where he worked as a cowboy until 1876 when he came to Clay county. For a number of years he was employed on the W. B. Worsham and Burk Burnett ranches. He located the R2 ranch for W. B. Worsham in Wilbarger county and is said to have plowed the first furrow of land and built the first house in that county.

On Dec. 20, 1882, he married Miss Nellie Hooker at Old Cambridge, east of Henrietta. They lived at Charlie until 1903 and acquired extensive farming and ranching interests in that community. In 1903 they moved to Henrietta, where they have made their home since.

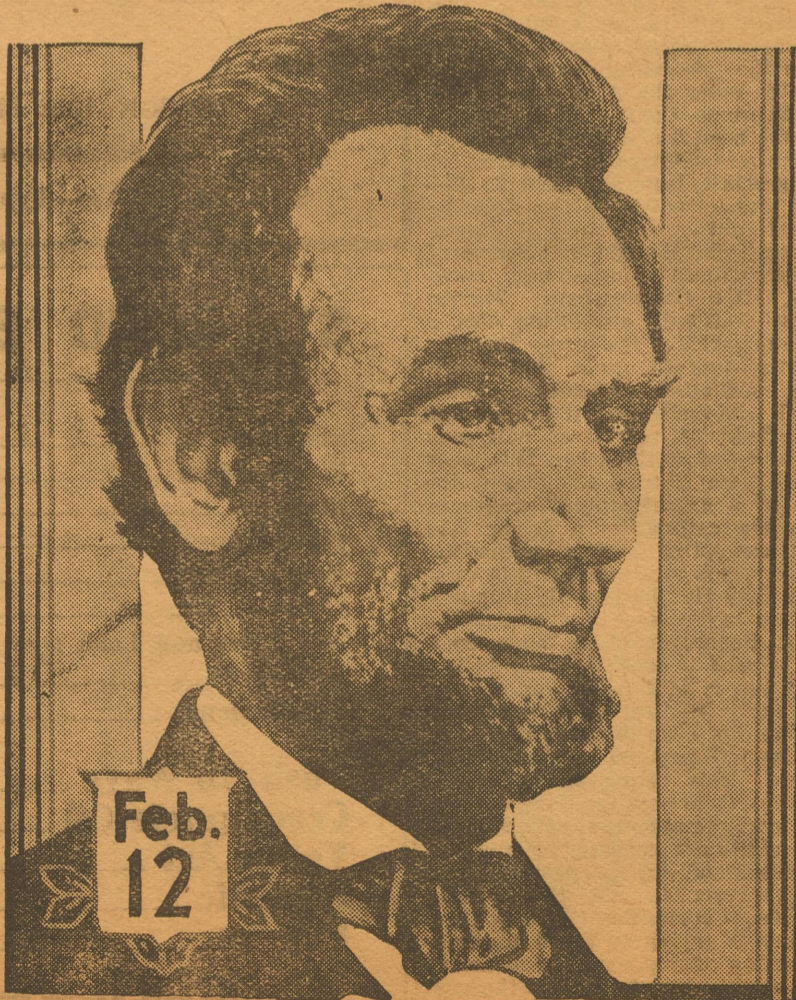

Moves to Henrietta

During his residence in Henrietta, Mr. Bevering was connected with the Dale Brothers bank until 1931 and continued to look after his ranch his holdings. He was active in business until a few days before his death.

In recent years he has taken an active interest in the affairs of the Clay County Pioneers' association and was elected president of the organization at its last reunion in October, 1935. He was a regular attendant at pioneer celebrations in this section and did much toward preserving frontier history of West Texas. He had a wide acquaintance among early settlers of Northwest Texas and kept in touch with many of them after they had moved to other sections. Among these was the late Tex Rickard, famous sports impressario. Mr. Bevering was always among the first to greet Rickard on his visits to his boyhood home in Henrietta.

CAPITOL NEWS LETTER

By W. D. McFarlane, M. C.

The Congress awaits with great interest the Supreme Court's past due decision on TVA. Since the Supreme Court has declared AAA, NRA and several other important pieces of legislation of this Administration invalid, the consensus of opinion, will hold this Act invalid. Congressman Cross of Waco, Texas, January 28th, made a splendid talk in the House on this subject entitled "Shall the People be Governed as Subjects by the Supreme Court or Shall They Govern Themselves as Provided in Their Constitution Thru Their Chosen Representatives." From the hearty response received, its clear presentation, it is evident a large majority of the Members of the House are in sympathy with his views to prohibit the Supreme Court from further declaring Acts of Congress invalid. Seven of the Nine Members of the Court were attorneys for large corporate interests before their appointment to the Court. If the Congress cannot enact legislation for the general welfare of the people such as providing for lower utility rates through operation and sale of such natural monopolistic services by the Government, then it is time for the people to decide what steps they will take to correct this situation. The constitution of this or any other Nation in the world does not give its Supreme Court the power to declare Acts of the legislative bodies invalid.

More Taxes

It comes on good authority that Congress will be requested to raise through taxation, revenues to replace the processing taxes declared invalid under the AAA decision by the Supreme Court. This decision and the remarks of the Secretary of Agriculture Wallace to the effect "is the greatest legalized steal in history" was debated on the floor by Representative Treadway of Massachusetts, who thought that Secretary Wallace should be impeached. However, after Congressman Marvin Jones finished answering him, a large majority of the House Membership seemed to agree that Secretary Wallace's statement should stand. Nevertheless, it seems that some kind of new taxes will soon be presented to Congress. This week the papers persistently carry the idea of a manufacturers' excise or sales tax calling for a 3 per cent levy, exempting certain necessities of life. This tax is designed to raise from Five Hundred to Six Hundred Dollars to replace the processing taxes. Regardless of the "sugar coating" placed around the tax, such a sales tax is still a tax on poverty and rests heaviest upon those less able to pay, even those on relief and charity will pay the burden of such a tax. This raises an interesting question as to how the Congress will find a way to raise about \$20,000,000,000 additional revenue to care for the increased old age pensions now being advocated. The House Ways and Means committee (the Tax Committee) is trying to avoid the consideration of any new tax measures this session even to replace the processing taxes of \$500,000,000; if they shy at this small sum, what will they do if they are required to raise about 40 times that amount? It seems assured that the President will

take unexpended funds from the HOLC and the RFC to avoid any new taxes on account of the Bonus. This seems to have quieted the inflation group in the House; this group will favor currency reflation before supporting any new sales tax scheme. The writer again suggests eliminating some of the many loop holes now existing in the income tax laws through which a large amount of the wealth of the Nation is escaping taxation, rather than placing new consumption taxes on poverty who now pay more than 60 per cent of the expenses of the Federal Government.

The Calendar

The House spent the past week considering private and unanimous consent legislation on Monday and Tuesday. Wednesday, Thursday and Friday they considered and finally passed the Post Office and Treasury Appropriations bills. The House passed the seed loan bill providing \$40,000,000; also by a vote of 351 to 10, the House repealed the cotton, potato and tobacco laws already in effect declared invalid by the Supreme Court. The Senate finally passed the repeal of the cotton, potato and tobacco bill and debated substitute legislation for AAA and finally passed the deficiency bill providing funds for the farmers who complied with the 1935 AAA contracts. This legislation now goes to the White House.

This week the House will consider District of Columbia legislation on Monday and the War De-

partment appropriations bill the remainder of the week. Neutrality legislation and appropriations bills will be before the Senate this week.

TREACHEROUS WEEKS

ahead

COLDS are all too prevalent during this period of sudden weather changes

THIS is the season, because of its rapid changes in temperature, to take special precautions against the common cold. Your entire house kept an even, comfortable temperature is a first precaution.

Uneven indoor temperatures during this season are dangerous to health. Sudden changes of temperature, such as those experienced in passing from a warm room into a cold one, appear to be harmful to the tissues of the nose and throat which are the starting places of dangerous colds. Quick chilling of the body lowers resistance and invites attacks from cold germs.

Diseases of the breathing apparatus, so government statistics reveal, are responsible for more deaths than any other single cause. No wonder then that doctors advise taking extra care in protecting health during this coming period of rapid temperature changes.

An ounce of prevention is worth a pound of cure when your family's health is concerned. You can reduce the possibility of "colds" in the treacherous weeks ahead by the simple precaution of proper ventilation and even heat in every room. Try it for your health's sake.

C. H. DAY WILL TALK ON FARM PLAN TO REPLACE THE AAA

A meeting of the farmers of Montague, Wichita and Clay counties has been called by Mr. G. P. Edwards, chairman of the Clay County Agricultural Association.

This meeting is to be held in the high school auditorium in Henrietta at 2:30 p. m. Saturday, Feb. 15. The speaker for this meeting will be Mr. C. H. Day of Plainview. Mr. Day has recently returned from Washington where he was called to attend a meeting of Agricultural leaders to discuss plans for an agricultural program to replace the Agricultural Adjustment Administration program. It will be recalled by many that Mr. Day led the farmers march to Washington about a year ago. Also he is a member of the the Farmers' Protective Committee of the Texas Agricultural association.

All farmers of the three counties mentioned above are invited to attend. It is especially urged that all officers of county and community agricultural associations and committeemen for the cotton, wheat and corn-hog programs attend this meeting, as it is believed that Mr. Day will have a message of the utmost importance to deliver to farmers from this section.

SHEEP PRODUCERS MEET

At a meeting of sheep producers of Clay county held at the county agent's office, Thursday night, Feb. 6, very interesting and instructive talks were made by Mr. W. R. Nisbett, Extension Animal Husbandman; Mr. Farrell, of the Mid-West Wool Marketing Association and Mr. Cowlin of the Texas Livestock Marketing Association. Mr. Farrell gave an interesting demonstration of the methods used in grading wool, which should be quite a help to all of those interested in wool production. He also delivered final checks to producers who had shipped their wool to this association. Seventeen sheep men attended the meeting.

Home Demonstration Clubs Notes

MISS MARGARET STEWART
Home Demonstration Agent

The New Independence Club girls met February 7 with their sponsor, Miss Grace Wetsel, in their second meeting. Officers were elected as follows: President, Johnnie B. Lipe; Vice-President, Mirtie Ellen Mitchell; Reporter, Ernestine McCord; Secretary-Treasurer, Mary Nell Spikes.

Johnnie B. Lipe and Mirtie Ellen Mitchell are our yell and song leaders. They taught the groups several songs and yells.

The next meeting will be February 21, meeting with Miss Stewart, which the club is looking forward to.

Saturday afternoon, February 15, at 2:00 in the Home Economics Department of the Walker High school building, Henrietta, Margaret Stewart, County Home Demonstration Agent, will give a demonstration on quick breads to the program leaders of the Home Demonstration Clubs. This demonstration will be given to the clubs by the program leaders at the alternate meeting of the month of March.

Improves Wardrobe Storage Space for Only 45c

With an expenditure of 5 cents for nails, 35 cents for paint and 5 cents for screws, the use of scrap lumber and an inadequate storage space size 1 by 4 feet. Ila Dell Lumpkin, 4-H Club girl of Joy, has built an ideal space for storing her clothing. The closet was widened to the width of two feet. With one shelf near the top the entire length of the closet down one end of the closet a row of shelves 10 or 12 inches apart, a shoe rack placed on the floor below the row of shelving, a rod on which to hang garments made of a discarded wagon rod, a hat rack on the upper shelf. Ila Dell has a place for everything. The inside was finished by painting the closet a buff which is a color that matches the wardrobe.

Charlie 4-H Club

The Charlie Home Demonstration Club met with Mrs. Floyd Spivey Thursday afternoon. The president, Mrs. Horace Goss, took charge of the meeting. Mrs. Leonard Walden was enrolled as a new member. Ten members were present.

Miss Margaret Stewart gave a lesson on the foundation pattern, after which she and our wardrobe demonstrator, Mrs. Chester Wilcoxon, cut two foundation skirt patterns.

Miss Stewart also showed the club how to put on buttons to the best advantage or to look best.

The club is taking as its project, the beautifying of the school ground. It has given an auction and a pie supper to raise money to buy shrubs, etc. A hedge and some trees have been planted and other plantings will follow as soon as possible. The club invites everyone to attend the workings and have a part in making this school ground one of the prettiest in the county.

Date Nut Quick Bread

"Date nut quick bread baked in a loaf is very favorable," says Miss Fannie Vaughn, Home and Food Supply Demonstrator of the New London Home Demonstration Club. In case there is no dates on the pantry shelves, raisins may be substituted for dates. This bread is very good for several days, and of course within 24 hours is healthier than fresh bread, we all know.

Vashti 4-H Club

The Vashti 4-H Club girls met Wednesday, Feb. 5, in their regular meeting with their sponsor, Mrs. Morrison, in the school library. The girls brought their garden plans ready to hand in for their sponsor to check. They were approved by her and handed back.

An excellent meeting was rendered. Two more dollars were given to the treasurer.

Much interest is being shown in the 4-H Club and we hope to do more in our club work this year than ever before.

Vera Chappell was elected president and Marie Watkins secretary-treasurer.

The members were all present at this meeting. Miss Stewart will meet with us on Tuesday morning, Feb. 18th.

The Neville Club

The Neville Club met at Mrs. Charlie Brister's home, Thursday, Feb. 6, with Mrs. Thad Gill as leader. The following program was carried out through the afternoon: Song: "Texas, Our Texas."

Roll call: Answered by relating some historic fact.

Poem: "The Lone Star State," by Clara Russell.

"The Host" Mrs. Jenkins.

"Texas Centennial Exposition," by Mrs. McAdams.

"Centennial," by Mrs. Si Brister.

Business session.

Twelve members were present.

Ikard Home Demonstration Club

Members of the Ikard Home Demonstration Club met in the home of Mrs. W. J. Marshall Tuesday. Mrs. D. H. Utley was program leader and an interesting program on "Texas Centennial" was given. Roll call was answered with something about Texas, and two clever contests "Texas Centennial" and "Texas Flag" were enjoyed.

A pretty quilt was quilted for the hostess, and at the noon hour a delicious covered dish luncheon was served to Mesdames Hattie Percifield, O. W. Garrett, W. E. Roberts, G. H. Borgman, O. Lilly, S. A. Carr, D. H. Utley, Miss Neil Hohenstein, and the hostess, Mrs. Marshall. Mesdames R. B. Boyles and S. E. Hohenstein were guests of the club.

The passing of August Bevering brought to a close a life full of action, progress and constant helpfulness both to his home town and county as well as to this entire section of West Texas. His many acts of kindness will always be remembered and though his mortal remains now lie in Mother Earth, many there be who will ever have cause to justly say, "He was a great and good man."

With the chilly blasts of February still hovering about the temperature ranging around the zero mark, many who have suffered with severe colds thus far this winter are about recuperated and are beginning their bi-ennial tours of the county "sounding out sentiment" for this and that candidate.

The First Annual Fat Stock Show and Livestock Exhibit is being held in Clay county today and tomorrow, and judging from the interest being taken in this first showing which is being held in the county seat, this move is destined to grow and prove a great factor in bringing about greater interest in the livestock industry in not only this county but surrounding counties as well.
