Frank B. Bevering Injured In Car Wreck Sunday

—The Clay County Leader

Frank B. Bevering of Charlie, was painfully injured in a car wreck Sunday morning between 3:30 and 4 o'clock as he was returning to his home from the Saturday night Hapgood-Cunningham rodeo here.

The accident occurred at the bridge on Turkey creek. As he approached the bridge the car lights went out, the car smashed into the banister demolishing the front of his car and throwing Mr. Bevering against the steering wheel, his head broke through the wind shield and severely cut his face. Mr. Bevering walked to the Will Staton home and was brought to the Dr. Jones hospital where he received treatment and at this time is reported doing nicely and will soon be able to be out. At the time of the accident he was alone.

YOUNG PEOPLES ASSEMBLY AT S. M. U., REPORTED ON

Miss Fay Lois Cooper who, was the delegate from the Byers church of the Young Peoples Union, gives an interesting report as follows:

"The Young Peoples Assembly at S. M. U., Dallas, celebrated its sixth year, and this year is reported as the greatest meeting held at S. M. U. Rev. Paul Stevens was Dean of the Assembly. Other outstanding faculty members were H. W. Williams, of North Carolina, who is representative of the General Board of Christian Education, and Dr. Wood of New York City. Each evening at 7:15 the group heard John H. Crowe of Dallas speak on the subject "In My Name—Build," which was the assembly theme throughout the meeting. The high point of the assembly was the Consecration Service, which was conducted beautifully and gave the group a lasting impression. Dr. Paul Martin, presiding elder of the Wichita Falls district, brought the message."

Miss Fay Lois Cooper will give a report of the Assembly meeting Sunday night at the church, at the young peoples meeting.

Mr. and Mrs. Lomis Harrison of Llano are visiting their parents.

Former Henriettan Receives Honors At Law School

Although handicapped by blindness, Marcus E. Roberson, vice president of the graduating class of the San Antonio Public School of Law, Tuesday won the honor of being valedictorian of the class. He made an average of 95 for the three years as a student.

Instead of using Braille text books he used raised notes of ink print law books and notes taken in class. Roberson was blinded seven years ago by the accidental discharge of a gun in the hands of a friend. He was graduated Friday night in the San Pedro Playhouse. He also has the distinction of not missing a class period during the three year period.

Church Of Christ To Begin Meeting 19th

—The Clay County Leader

The members of the Church of Christ are beginning a revival meeting tonight (June 19th) at the big tent recently erected for that purpose, on the vacant lot across the street from the Ford Motor company. Bro. R. C. Ledbetter, who was formerly affiliated with the Abilene Christian College, will do the preaching. He will be assisted by Elder J. R. Fulmer, of Henrietta.

Sunday will feature an all-day meeting with lunch served at the tent. At 2:30 a sing song will be held. A special invitation to all singers of the town and county is given. Following the singing Bro. Ledbetter will give a special lecture to the young people. The morning services will begin at 10 o'clock and the evening services start promptly at 8:15.

Everyone is cordially invited to all these services.

Funeral Services Held For Infant At Joy Thursday, June 17

The funeral services for little Mary Frances McDonald, 9, who passed away at her home in Joy, Wednesday, June 17th, were held at the home of the parents, Mr. and Mrs. George McDonald, Thursday afternoon.

Interment was in the Joy cemetery, under the direction of the Moore Funeral Home.

Judge M. H. Brown Announces For Civil Ap. Court

To the People of the Second Supreme Judicial District:

Two years ago you elected me to serve two years of an unexpired term on the Court of Civil Appeals for the Second District, which is composed of Archer, Clay, Cooke, Denton, Hood, Jack, Montague, Tarrant, Parker, Wichita, Wise and Young Counties.

My majority was almost 14,000 votes.

I am grateful for such generous support, and have endeavored to show my gratitude by giving the office the best there is in me. I am asking for my first full term.

The Court has made an outstanding record for the number of cases tried, and has so diligently handled its dockets that the Supreme Court is transferring cases to us from other Districts.

We have set every week up to and through July 3rd.

You elected me to try these cases and you are entitled to my time and best efforts. These you will get, and I shall make no effort to canvass the District until July 4th, at which time I will do my best to visit the people of this District before July 25th.

Your continued support is most respectfully solicited.

Marvin H. Brown
Associate Justice, Court
of Civil Appeals.

CONGRESSMAN TO TELL OF HIS STEWARDSHIP

Houston McMurray To Speak Sunday

Mr. Houston McMurray of Henrietta will give the address at 11:00 o'clock Sunday morning at the First Methodist church. Sunday is Laymen's day.

Evening worship at 8:30. The young people will have a special service.

The public is invited to attend these services.

MASONS ELECT OFFICERS

THURSDAY NIGHT, JUNE 11
The Masonic lodge of Byers held its regular meeting Thursday night, June 11th, at their hall in Byers. The following officers were elected: W. L. Graves, W. M., Worsham Harding, S. W., R. S. Rush, J. W., W. F. Curtis, Treasurer, and W. S. Cummings, Secretary.

Vocational Work Is Progressing Nicely

The Vocational Educational work in Clay county is one of our outstanding projects. It has proven to be of unusual value to the housewife. These ladies have received instructions that will continue to be instructive in the home. For the stout lady, foundation patterns have been cut. An unusual interest has been given to bound button-holes. Each phase in finishing garments has been put before the class, 63 in number. Each lady has received individual instructions. All garments are tailored.

A vast improvement, and interest is being shown. Furthermore, it is instructive on remodeling clothes, with the aid that is offered by the vocational teacher it is easy to divert garments into the present style.

More than sewing, lessons are given in cooking, canning, etc., selected menu, helping to arrange the family budget to not exceed the average income, yet to have a well balanced diet.

This project is a teaching of economics in time and compensation. The vocational work is located on Maine St., Henrietta. Ask to see Mrs. Rose Lowry, Vocational Instructor.

Courthouse Lawn Is Spot Of Beauty

—The Clay County Leader

Caretaker Jip Pilcher has surely been doing some mighty fine work on the courthouse lawn, and it is about the prettiest spot in town.

Mr. Pilcher has planted flowers at several points on the lawn, and has been tireless in his efforts to get the grass thoroughly over the entire lawn, and this has been much easier since he put up the signs, "Please Use the Walks."

The band stand has also been improved and other interior improvements made on the building by Contractor Brad Staggs and his helpers.

A big "McFarlane For Congress Rally" will be held in Wichita Falls Monday evening at the Memorial auditorium, at which time it is expected that ten thousand people will attend and hear what the congressman has to say in his opening address of the campaign.

Mr. McFarlane came home last Friday from Washington, and hopes to be able to spend ten or fifteen days in the home district before being called back to Washington to assist in the passage of important legislation. Should occasion arise whereby he is needed to assist in such matters, he will take plane and be back at his desk in the House the next morning. It is hoped this will not prove necessary and that he may be able to at least make one visit in each of the fifteen counties comprising the 13th Congressional district.

The rally Monday evening will be attended by friends and supporters from every city, town and community in each of the fifteen counties, and it is certain to prove the largest single gathering of any to be held throughout the district during this campaign.

Funeral Services For F. C. Carpenter Held

Funeral services for Franklin C. Carpenter, 67, were held at the Baptist church in Charlie at 4:30 o'clock, Sunday afternoon with the Rev. J. A. Lile officiating. Burial was in the Charlie cemetery under direction of the Hines Mortuary.

Carpenter died in a Wichita Falls hospital late Saturday night. He had been in Wichita Falls only 14 days.

Pallbearers were C. H. Dowdy, S. J. Fleming, C. H. Copher, J. N. Allgood, J. P. McClure and Louie Helgen, of Charlie and Will Yarbrough, Guy Harding and Eunice Rowe of Byers.

Survivors include two sons, A. L. and J. F. Carpenter of Muleshoe; two daughters, Mrs. Ethel King of Chickasha, Okla., and Mrs. Gentry Trigford of McCamey; three brothers, C. C. and W. S. Carpenter of Byers, and E. S. Carpenter of Hardy, Ark.; and one sister, Mrs. Ettie Godwin of Hardy, Ark.

Mr. and Mrs. W. L. Graves and daughter, Dorothy, and Mrs. C. Ridings, were in Wichita Falls, Tuesday.

Attention Tax Payers

June 30th is the last day on which to make the last half payment of your 1935 taxes before a penalty and interest is added. Beginning July 1st there will be a penalty and interest of 8 1-2 per cent on all 1935 taxes. This will increase one half of one per cent each month until it reaches 14 per cent.

Scoring Problems Ironed Out

That scoring of canned products may be more uniform in general all containers should have a good seal and should be attractive. Jars should be well filled with one-fourth inch from the top and the label should be placed one-fourth inch from the bottom of the jar. The contents of the jar should not be crowded enough to destroy the texture or shape of the products so that the product would not be attractive for serving. There should be a full pack. The liquid in the jar should come over the product. The following standards are recommended for scoring:

Berries—Full pack, shape held, syrup clear, good color for type of berry.

Cherries—Good color, syrup clear, shape held.

Figs—Amber color, shape held, even grading, syrup clear.

Fruit Juice—Color good for type of fruit, clear, very little sediment or none, not over one inch separation at top.

Peaches and Pears—Pack halves in over lapping layers. The concave surface of each half should be downward. Color should be good for type of peach or pear. Even ripeness, uniform size, shape held, syrup clear.

Plums—Shape held, skin unbroken, good even color, graded for size, syrup clear.

Tomato Juice—A rich red color with not more than one inch separation per pint or one and a half inch separation per quart.

Canned Tomatoes—Even, rich, red color, packed in their own juice with only a few seeds visible.

Salad Pack Tomatoes—Even, rich, red color; shape held and tomatoes packed in tomato juice.

Greens—Good even color stems removed, liquid clear, in pints or quarts.

English Peas—Uniform size, good green color, clear liquid, in pints or quarts.

Green Snap Beans—(as under leafy, green or yellow vegetables) pod about one-fourth inch in diameter, seeds not larger than pin heads, good green color, liquid clear, even lengths.

Green Snap Beans—(as under "other" vegetables or half matured beans with pods) alive green in color, and even lengths, uniform maturity.

Black-eyed-Peas—Uniform maturity, graded, good color, clear liquid, about half mature.

Lima Beans—Evenly graded, good color, clear liquid, about one-half mature.

Carrots—About one inch in diameter, deep orange color, practical pack and clear liquid.

Beets—Deep red color, evenly graded, one and a half to two inches in diameter, liquid clear.

Kraut—Color uniform, cream, free from whitish unfermented pieces, uniformly shredded, medium fine, but coarse for kraut texture.

Okra—Good color and graded for size.

Pickles—Uniform in size, dark olive green throughout, neatly and practically packed.

Preserves—Should hold form and be plump and crisp rather than tough and soft. They should be clear, tender and transparent.

Jelly—"Ideal fruit jelly is a beautifully colored, transparent, palatable product, obtained by so treating fruit juice that resulting mass will quiver, not flow, when removed from its mold. A product with texture so tender that it cuts easily with a spoon, and yet so firm that the angles thus shaped retain their shape; a clear product that is neither syrupy, gummy, sticky, nor tough, yet it will break and does this with

a distinct beautiful cleavage which leaves sparkling characteristic facets."—Goldthwaite.

Doss 4-H Club News

The Doss 4-H Club girls had their regular club meeting at Mrs. J. M. Turner, our Sponsor. After the business had been attended to, we discussed the rally, that is to be the 26th and 27th, and Miss Stewart told us what we would do and see.

Four smocks were cut and made ready to be sewed. Each girl had completed her seams and the buttonholes. There were four pair of shorts and two pairs of pajamas completed at this meeting.

There were six members present, and we closed by giving some of the yells we are to give at the rally.

New London Club News

Plans were made for Short Course Delegate, Centennial visitors and Rally Day Program at the meeting of the New London Home Demonstration Club which met at the home of Mrs. W. C. Parrish, June the 10th.

Mrs. T. P. Gray was elected delegate and Mrs. Carl Skelton alternate. Six ladies signified their intentions of visiting the Centennial, in the group that will go this summer.

A pie supper will be held at New London church house June 19th, for the purpose of disposing of the butterfly quilt which was displayed in J. F. Alcorn's store last Saturday. Chances are being sold at ten cents each by members of the club.

The members present were: Mesdames W. B. Blanton, Frank and Ernest Bargman, T. P. Gray, Floyd Langford, B. F. Oneal, Carl Skelton, Misses Fannie and Mattie Vaughn and the hostess, Mrs. W. C. Parrish. The next meeting will be with Mrs. Oneal, June 24th, with Miss Stewart in attendance.

Doss Home Demonstration News

Miss Margaret Stewart, C. H. D. A. of Clay county, gave a very interesting and instructive discussion on nutritious diets at the home of Mrs. L. M. Sterealy on Thursday afternoon, June the 11th, where she met with the Doss Home Demonstration Club.

The importance of an adequate diet was stressed. Quick breads were discussed and each member brought a sample of some kind of quick bread which was analyzed and scored.

In the importance of breads the greater value in vitamins in whole wheat bread over white and bolted wheat and corn bread was emphasized.

A demonstration on proper ironing and folding of table linen, in serving, and the proper placing of chinaware and silverware was given.

Miss Stewart read the diary of a stomach which was very amusing and showed the abuse a stomach receives.

Refreshments of cake and ice cream were served to the following: Mesdames Durham, Prittle, Naylor, Bromley, Duncan, Williams, Hughes, Adams, Turner, Lee Durham, Staley, Hawkins and Miss Stewart. Mrs. Duwall will be hostess to the club June 25th.

Dean-Dale Organizes Woman's Home Demonstration Club

Miss Margaret Stewart met Wednesday, June the 10th, with the women of the Dean-Dale community in the home of Mrs. J. A. Felty at 2:30 p. m. for the purpose of organizing a woman's Home Demonstration Club.

There were eleven made members, they were: Mrs. John Gustafson was elected president; Miss Mary Jo Felty, Vice-President and Council Delegate; Mrs. Pearl Terri, Secretary-Treasurer; Mrs. Bart Lacy, Parliamentarian and Mrs. S. G. Griffin, Reporter.

The other members are: Mesdames John Ridinger, C. W. Heard, Herbert Foreman, Misses Grace Gustafson, Jewel Heard and Claudie Ridinger.

The club will meet at Mrs. C. W. Heard's Tuesday, June 16th, for the purpose of making foundation patterns. Miss Stewart will be present. The regular meeting day of the club will be the 2nd Wednesday of the month at 2:30 with meeting, without agent on the 4th Wednesday of month at 2:30.

Matress Demonstration Saturday June 20th

Saturday, June 20th, at 1:45 in the Agent's office there will be a matress demonstration. Anyone interested in matress making should attend this demonstration. Bring with you your thimble, a large handkerchief and wear a cotton dress or else bring a smock.

Hall of Religion To Be Dedicated At Centennial Sunday

Dallas, Texas, June 18.—Dedication of the Hall of Religion, Centennial Exposition, Dallas, will be broadcast Sunday afternoon from 2:15 to 2:45 by Texas Quality Network, WFAA, WBAP, KPRC, WOAI, four of the largest radio stations in Texas, according to announcement of W. A. Scott, Hall of Religion director.

Right Reverend Harry T. Moore, Bishop of Dallas Episcopal church, will make the dedicatory address and L. B. Denning, president of Lone Star Gas Company will speak for stockholders of the Lone Star Gas system who gave the building to the churches of Texas.

The Hall of Religion, given in recognition of the importance of church influence in the conception and development of Texas, affords all religious groups a prominent and distinctive place in celebration of the state's 100th anniversary, according to Scott.

"Visitors to the Centennial will find the Hall of Religion a convenient and restful place to meet friends. It is air conditioned and cooled, contains exhibits depicting

history of religion in Texas, and affords comfortable furniture, rest rooms, and a spacious outdoor patio", the director said.

SATURDAY RODEO DREW LARGEST CROWD RECORDED

—Clay County Leader.

The first rodeo of this season which was given as the attraction in Henrietta last Saturday night at Hapgood Athletic Field drew what was estimated by all the old-timers as the largest crowd ever recorded at such an entertainment in this section, the estimates running from 3,000 to 3,500 people on the inside of the large park, with some several hundred, estimates from 1,000 up being parked in their cars on the two highways adjoining the field.

Messrs. L. B. Hapgood and Glenn Cunningham, promoters of the rodeo were highly pleased with the attendance and with the performances of those entering the various contests. There were many contestants in each of the several divisions, and with the loud speaker, which made everything perfectly clear as to what was going on all the while, and this feature also added much benefit to the entertainment feature, and at intervals some good music was furnished over the air which proved helpful as well as entertaining.

Several minor accidents happened during one or two of the contests, but none of the contestants was seriously hurt. It was a very exciting entertainment, from start to finish with those in charge keeping the contests running right on at all times, and this also was heard to be commented upon very favorably by those attending.

The Hapgood Athletic Field is a natural location for such entertainments, and with the specially prepared rodeo pens, judges' stand, grandstand, with all buildings being well painted, and then with the wonderful flood lights shining as clearly as mid-day, and the well arranged signs on the board walls,—all together it made a pretty scene.

Ambrose Douthitt, the best radio announcer in this entire section, was in charge of this feature. He first introduced the past President George Cunningham of the Pioneers Association, followed by present President Frank Bevering. This was followed by introduction of those taking part in the rodeo. John Ansley, famous radio man, kept the high-voltage amplifier running in perfect order all through the evening and it was clear at all times.

On July 4th, the Pioneers Association will assist in sponsoring the rodeo, as they have been graciously presented with the proposition of receiving half the proceeds from this entertainment, which they will use for defraying the expenses of their coming reunion in September. Further announcements will be given concerning this Fourth of July Rodeo in later issues.

All-in-all, this was the greatest entertainment ever given in Henrietta, which was put on without connection with any other occasion, and we repeat, old-timers say it was the best and drew the largest attendance ever recorded. They were here from everywhere, and there were many here who were not known, as they came from long distances and from various points throughout the entire west.

There were 67 contestants and 100 entries, including some of the best talent in the southwest. The winners were as follows:

Steer Riding

First place, Vick Swartz, Byers; second place, Ed Rogers, Buffalo Springs; third place, V. T. Hoeffner, Wichita Falls.

Calf Roping

First place, Bud Spelburg, Weatherford; second place, Buck Stand-

The Soldiers "Come Into Their Own" Again!

This week, all over the nation the soldier boys are again coming into their own, as the old saying goes!

Veterans are being paid their Adjusted Service Certificates in the form of Adjusted Service Bonds of the United States government, and these bonds draw 3% simple interest annually, if held by the Veterans.

If the Veterans desire to cash their bonds, they are certified at their post office and sent in to central paying offices designated and the checks drawn on the national treasury are mailed back to the Veteran at the address given by him at time of certification of his bonds.

This is the "biggest pay day" the world has ever known! No other nation on the face of the globe has ever undertaken such a gigantic task, and the United States government has at last delivered a just account in its fullness to a group of its finest manhood,—young manhood at the time of service some eighteen years ago,—many of whom now are "not what they were physically" back at that well-remembered time. The Veterans are receiving \$1 a day for the time they were in service in the homeland, and \$1.25 per day for the time they were across the seas and offered themselves as "cannon-fodder" for the sake of making the world safe for democracy!

Some have been heard to remark that it is wrong to pay for such service,—as it was a patriotic service! Wrong or not,—it is the least that our people or government can offer to do, for right at the time these boys were drawing the lone dollar a day many here in our homeland were drawing as high as a dollar an hour for building cantonments, etc., and engaged in other public works, and nothing was said about that being too high in the way of wages during the war. It is our opinion that if the Veterans were to be given the entire treasury, they would not be receiving too much for having offered themselves as targets for the enemy, while serving in the army which had for its purpose what Woodrow Wilson at that time said was "to make the world safe for democracy!"

INTEREST CENTERS WHEN NEW WILD- CAT STARTS IN

Interest in the oil industry focused on the new oil derrick which has just been completed on the Nutter ranch in the Blue Grove community. The location has been made and the well spudded in about the middle of the week, opening up a new field in Clay County.

Golden & Cockram, a reliable oil development company, who have their offices in Dallas, are putting down the test, which is to be 2,400 feet deep. Some activity is already being shown in the leasing contracts.

It is hoped that this will soon be a proven field which will stimulate business in the county.

WILL PAY INCREASED DIVIDENDS!

Recently, the State Board of Education increased its investment in an enterprise that will always pay ever increasing dividends to the people of Texas. It made a supplemental apportionment raising the per capita apportionment from \$17.50 to \$18.50.

Some newspapers have been rather bitter in their criticism of this action of the State Board. Others greatly appreciate the courageous action of the Board in placing the money where it felt that it was most needed. Upon investigation, the Board found that the schools of Texas were spending \$25,000,000 less than they were six years ago. This decrease in expenditure is due to the fact that local assessments have fallen 40% throughout the State. In Henrietta alone \$10,000 less taxes were collected this year than there were in 1929-30.

Because of this lack of funds throughout the State, teachers salaries are much lower than they were six years ago. So low, in fact, that many of the better trained teachers have gone into other professions when conditions would justify their entering those professions. The equipment in schools over the State has run down generally. In many schools the science equipment has so deteriorated that it is very difficult for the pupils to perform experiments required by the science courses. Libraries, playground equipment and other necessary equipment are inadequate in many schools. Who suffers most from this lack of support? It is not the teacher, nor the equipment, nor the buildings, but your boy and your girl—the future citizens of Texas.

May we say as did the noble Roman mother, Cornelia, when asked by a fastidious visitor that she show her jewels. She called her two boys into the room and said, "These are my jewels". The school children of Texas are our jewels. Shall we object when the State Board apportions one dollar more that these jewels may be better polished—that their lustre may shine in our future political, industrial, moral and spiritual life? All the people of Texas who are interested in the welfare of our boys and girls are deeply grateful to the Board and commend its action highly, not only because the apportionment was needed this year but also because the precedent established may result in a larger apportionment next year.

Farmers Take To Soil Conservation

1343 farmers of Clay county have indicated their intention of cooperating with the new soil conservation program. This number may be compared to the 1555 cotton acreage reduction contracts which were in effect last year. Last year there were 100 split contracts, or farms on which it was necessary for more than one contract to be signed. Also quite a number of farms have been combined under one work sheet this year. The 1930 census figures give Clay county 190,366 acres of cultivated land, of this amount 187,734 acres are covered with work sheets this year. This acreage is divided into cotton base acreages requested by producers of 91,692 acres and general crop base acreages of 96,042 acres. From reports of farmers in various communities of the county, it is expected that at least 80% of these farmers will comply with the program and receive the grant from the government for their cooperation.
