Wolf Hunters

Record-breakers striving for the limit. Murray and Taylor, the noted wolf hunters of north Bellevue, caught over 40 wolves this winter, 7 of which they caught in 3 days, 60 being the limit. Go on down, boys, many thanks for your good works.

Everett Liles and family of Beaver Creek visited home folks at Blue Grove, returning Monday.

We hear people growling about the weather; friends don't worry, it is for the best.

IN MEMORIAM!

Died, at her home in this city, after a lingering illness, Miss Tillie Jones, beloved daughter of Mr. and Mrs. J. A. Jones.

In the death of this dear girl the town sustains a distinct loss. She was a true friend and her devotion to those she loved would make a bright chapter in any life. Nothing but the thought of the loving hand that has removed her can reconcile the bereaved to her absence. She was a kind, loving daughter, and her devotion to the family circle had no limit. Her future was full of promise and we dare not ask why she was taken from the home circle in her prime, unless, as a flower picked before the frost finds it, so was she taken. She lived a consecrated Christian life and died the death of a Christian. A chair in the home is vacant, a place in the Sunday school left to be filled, but the influence of this dear girl lives on and ever. At 2:30 a. m. Tuesday, March 1, she fell asleep, and at 3 p. m. the last sad service was held at the Methodist church, Pastor S. M. Black being assisted by Rev. L. P. Smith of Henrietta, who served Bellevue charge years ago, when Miss Tillie was but a child. The service, beside the ritual and appropriate lessons from the bible, was largely a resume of the life of deceased from childhood to

death. Most beautiful and well-earned tributes were paid to her faithfulness to her home and church. By her faithfulness she set us all a worthy example that it may be said of us as she, "Well done, enter into the joy of thy Lord."

The pall-bearers, Messrs. Arthur Brune, Ducker Lippencott, Sylvester Karstetter, Roy Walker, Elmer Gault and Clifton Gowen were chosen from Mrs. Hatfield's Sunday school class, of which deceased had been a faithful and exemplary member. The honorary pall bearers who marched to the cemetery, Misses Clara White, Bessie Porter, Mella Hodges, Zuma White, Nellie Melton and Kate Wadsworth. The News voices the sympathy of the entire community for the family which was also plainly evidenced by the long line of people who followed her remains to the gate of the dead.

Dr. Norwood, wife and adopted daughter, Ollie, moved here from a four-year residence in Canadian. A warm welcome extended to this good family. He is a good dentist and a minister of the Cumberland Presbyterian church, and will do acceptable service along both the lines of activity.

Mrs. J. N. McCreary has been sick with grippe for several days this week.

The First National Bank

OF BELLEVUE, TEXAS.

IN OLDEN DAYS almost anything was used for money. Ancient coins often weighed many pounds. We have now a convenient coinage and currency but perhaps its very convenience is a drawback to its accumulation.

"It is only a dime" or "it is just a quarter" is the easy-going feeling that sprouts wings on dollars and before we know it they are flying away to fatten the bank accounts of those who have learned to take care of them.

No truer words were ever uttered than "money hath wings." They do not apply to the money that must be spent for the expenses of life but rather to the money that gets away from us in small amounts for needless expenditures that so quickly run into dollars.

Saving is prudent. Accumulating a certain amount from every dollar earned in a bank account is the wisdom that opens the door to Opportunity when she knocks, that brings the wished-for home, that provides the stay and comfort when earning days are passed.

Our bank will welcome your account and aid you all it can, no matter how small that account is at the start or how slowly it accumulates.

Aside from every other consideration, primary or incidental, in relation to the boycott of meats, it is certain that abstention from meat for a considerable time by a larger number of consumers will result in a lesser demand for meat foods even after the boycott shall have been declared off.

VOTE GENERAL STRIKE IN PHILADELPHIA

HOPED GENERAL WALKOUT WILL NOT BE NECESSARY—INTERNATIONAL TAKES HAND.

SITUATION IS VERY SERIOUS

Rapid Transit Officials Declare Proposition Will Not Be Considered.

SUMMARY.

Philadelphia, Penn.: Close estimates have been made of the loss of life, the injuries to all persons, cars burned and wrecked, windows broken, arrests made and the property and cash losses of the several days of the strike. These estimates show:

Dead, 5; injured strikers, 25; police, 50; citizens, 300; total, 375. Cars burned, 7; cars wrecked, 750; car windows broken, 4,000; arrests made, 400. Loss to company property, \$100,000; to business, \$300,000.

Philadelphia, Pa., March 2.—In spite of the constantly increasing number of demands by religious bodies and others that arbitration be resorted to to settle the strike against the Philadelphia Rapid Transit Company, officials of that company declared that no proposition looking toward arbitration in any form is being considered by the directors.

International Labor Union officials from other cities were engaged in conference with local labor leaders, devoted principally to the call for a general sympathetic strike, voted by the labor Union representatives at Sunday's meeting. It is the unanimous sentiment of the International Labor Union representatives that the trolley strike had attained such prominence that the labor union cause throughout the country was vitally interested in its settlement.

That every possible method would be exhausted to secure arbitration before resorting to drastic action was asserted by all the labor leaders.

Philadelphia, Pa., Feb. 28.—Action fraught with possible momentous consequences to Philadelphia was taken by the Central Labor Union last night when, with a claimed voting 140 un-125,000, voted to begin membership of strike next Saturday by a sympathetic strike against the trolley company.

At a secret session of about 50 delegates in Labor Lyceum Hall, which lasted more than six hours. There was apparently no question that the delegates would vote to strike, the split being on the issue of whether it would be started immediately. The more conservative element prevailed, however, and the walk-out was put off until next Saturday. Meanwhile, there is hope that the street railway strike will be arbitrated, despite the repeated declarations of the transit company controlling all the lines in the city that "there is nothing to arbitrate." Nobody doubts that last night's action of the Central Labor Union makes the situation very grave.

There is a strong feeling, especially among business men, that the strike should be settled speedily, as all lines of business suffer because of the stagnation resulting from interference with traffic. Consequently, there is much sympathy for the arbitration proposition made by the clergymen early in the week.

A man and a boy are dead and four other boys were seriously hurt as the result of a trolley car jumping a switch down town last night and crashing into the front of a cigar store.

Attempts to Run Street Cars Cause More Trouble.

Philadelphia, Pa.: John J. Murphy, president of the Central Labor Union, was called on by two City Hall detectives and asked to confirm or deny an interview with him printed in the newspapers in which he was quoted as saying, among other things:

"There are people in Kensington who can shoot as straight as any State policeman, and if one man is shot by the State police there will be a riot of bloodshed."

Mr. Murphy was summoned to appear at the City Hall.

Following an attempt of the Rapid Transit Company to run cars over all the lines there was a renewal of rioting, which took place almost simultaneously in widely divergent sections of the city. Three cars westbound in South street were held up by an obstruction on the track at the east end of the South street bridge, by a crowd of men and boys. The motemen, conductors and policemen guarding them were so showered with bricks and stones and chunks of wood that they hopped to their knees and begged for mercy.

George Gibson, a policeman on guard at the Twenty-Seventh street power house, came to the rescue of his comrades, and with drawn revolver forced his way through the crowd and dragged the injured men to the power house.

A trolley car on its way out Woodland avenue was attacked by a crowd of men and boys Friday night at Island road. Stones, bricks and other missiles were thrown, and all the windows were broken. There were no passengers. The motorman was injured about the head and face when a brick struck him.

IN AGONY WITH ECZEMA

"No tongue can tell how I suffered for five years with itching and bleeding eczema, until I was cured by the Cuticura Remedies, and I am so grateful I want the world to know, for what helped me will help others. My body and face were covered with sores. One day it would seem to be better, and then break out again with the most terrible pain and itching. I have been sick several times, but never in my life did I experience such awful suffering as with this eczema. I had made up my mind that death was near at hand, and I longed for that time when I would be at rest. I had tried many different doctors and medicines without success, and my mother brought me the Cuticura Remedies, insisting that I try them. I began to feel better after the first bath with Cuticura Soap, and one application of Cuticura Ointment.

"I continued with the Cuticura Soap and Cuticura Ointment, and have taken four bottles of Cuticura Resolvent, and consider myself well. This was nine years ago and I have had no return of the trouble since. Any person having any doubt about this wonderful cure by the Cuticura Remedies can write to my address. Mrs. Altie Elson, 93 Inn Road, Battle Creek, Mich., Oct. 16, 1909."

Weak Spot in His Defense.

A religious worker was visiting a southern penitentiary, when one prisoner in some way took his fancy. This prisoner was a negro, who evinced a religious fervor as deep as it was gratifying to the caller.

"Of what were you accused?" the prisoner was asked.

"Dey says I took a watch," answered the negro. "I made a good fight. I had a dandy lawyer, and he come prove an alibi wif ten witnesses."

"Strong speech to de jury. But it no use, sah! I get ten years."

"I don't see why you were not acquitted," said the religious worker.

"Well, sah," explained the prisoner, "dere was shore one weak spot 'bout my defense—dey found de watch in my pocket."—Tit-Bits.

Premature Repentance.

The sick man seized his wife's hand in his feeble grasp.

"Please tell me the whole, awful truth at once," he begged, gaspingly.

"Oh, William!" cried his wife, "it's all right, at last! The crisis is past and the doctor assures us that you will recover!"

"Is he absolutely sure of that, my dear?"

"Perfectly."

"Well, then, darling, please do this for me at once. Run and telephone to my partner that I didn't mean what I said yesterday about not foreclosing that mortgage. He'll understand that I must have been out of my head."

A GOOD CHANGE

A Change of Food Works Wonders.

The wrong food and drink causes a lot of trouble in this world. To change the food is the first duty of every person that is ill, particularly from stomach and nervous troubles. As an illustration: A lady in Mo. has, with her husband, been brought around to health again by leaving off coffee and some articles of food that did not agree with them. They began using Postum and Grape-Nuts food. She says:

"For a number of years I suffered with stomach and bowel trouble which kept getting worse until I was very ill most of the time. About four years ago I left off coffee and began taking Postum. My stomach and bowels improved right along, but I was so reduced in flesh and so nervous that the least thing would overcome me.

"Then I changed my food and began using Grape-Nuts in addition to Postum. I lived on these two principally for about four months. Day by day I gained in flesh and strength until now the nervous trouble has entirely disappeared and I feel that I owe my life and health to Postum and Grape-Nuts.

"Husband is 73 years old and he was troubled for a long time with occasional cramps, and slept badly. Finally I prevailed upon him to leave off coffee and take Postum. He had stood out for a long time, but after he tried Postum for a few days he found that he could sleep and that his cramps disappeared. He was satisfied and has never gone back to coffee.

"I have a brother in California who has been using Postum for several years; his whole family use it also because they have had such good results from it."

Look in pkgs. for the little book, "The Road to Wellville." "There's a Reason." Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.

BURDENS LIFTED FROM BAD BACKS

Weary is the back that bears the burden of kidney ills. There's no rest nor peace for the man or woman who has a bad back. The distress begins in early morning. You feel lame and not refreshed. It's hard to get out of bed. It hurts to stoop to tie your shoes. All day the ache keeps up. Any sudden movement sends sharp twinges through the back. It is torture to stoop or straighten. At night the sufferer retires to toss and twist and groan. Backache is kidney ache—a throbbing, dull aching in the kidneys. Plasters or liniments won't do. You must get at the cause, inside.

DOAN'S KIDNEY PILLS CURE SICK KIDNEYS

TWICE-TOLD TESTIMONY

A Cure of Severe Kidney Disease Verified By Test of Time

William M. Sears, 423 W. Cherry Street, Nevada, Mo., says: "I was convinced of the great value of Doan's Kidney Pills through personal experience. Four or five months ago I suffered a great deal from a pain across the small of my back, extending at times into my limbs and shoulders. When I stooped or did any work that brought a strain on the muscles of my back, my trouble was aggravated. I tried a number of remedies but without success. After a short time I could see that they were benefiting me, and the contents of two and one-half boxes cured me." (Statement given in May, 1903.)

RE-ENDORSEMENT

On Dec. 3rd, 1908, Mr. Sears said: "I still have great faith in Doan's Kidney Pills. I feel justified in re-endorsing this remedy, as it has done so much for me."

How To Tell When The Kidneys Are Disordered

PAINFUL SYMPTOMS

Backache, sideache, pains when stooping or lifting, sudden sharp twinges, rheumatic pains, neuralgia, painful, scanty or too frequent urination, dizzy spells, dropsy.

URINARY SYMPTOMS

Discolored or cloudy urine. Urine that contains sediment. Urine that stains the linen. Painful passages. Blood or shreds in the urine. Let a bottleful of the morning urine stand for 24 hours. If it shows a cloudy or fleecy settling, or a layer of fine grains, like brick-dust, the kidneys are disordered.

NEVER ANY RETURN

A Complete Cure of Kidney Trouble and Dropsy

Mrs. L. L. Babers, 1615 Terry St., Houston, Texas, says: "I hold a very high opinion of Doan's Kidney Pills and with good reason, for three years ago they cured me of kidney trouble that had clung to me for several years. There was a dropsical swelling of my feet and limbs in addition to other symptoms of kidney complaint, and although I used various remedies, I was not helped until I procured Doan's Kidney Pills. Two boxes of this preparation cured me and I have never had the slightest return of my trouble. I have recommended Doan's Kidney Pills to many people who have questioned me about them, and I know of several cases in which they have done the same good work."

One of the paramount issues discussed at the Woman's Home Mission Institute at Henrietta was the memorial asking that the general conference of the M. E. church, south, grant the women of the church full connection and equal rights as laymen in the church. They are doing the work of the laity without the ecclesiastical authority. Mrs. Hatfield reports this under advice of the conference officers. The Institute was enthusiastic and unanimously in favor of the memorial.

More Evidence on Return of Jews to Palestine.

Since my article on the Jews return to Palestine appeared in The Bellevue News, I find the following testimony in one of our religious papers:

A few years ago the idea of the Jews returning to Palestine was laughed at; and even men who believed the Bible would undertake to explain away the prophecy that the Jews would one day return home. Here are some facts that are worth considering: The proclamation of the constitution in Turkey has thrown open the doors of Palestine to the incoming Jews from all parts of the world. In Jerusalem alone four-fifths of the population of 100,000 now belong to the Jewish faith, while at Joppa, Tiberias, Safed and Haifa Jews are reckoned by tens of thousands. Almost the whole extensive plain of Esdraelon has been bought up by the Jews. Their prosperous colonies spread from Dan to Beersheba and further south to the outskirts of Egypt. Thousands are escaping from Persia to find shelter and protection in the Holy Land, while every ship from Odessa carries hundreds of them. The valley of the Jordan, once the property of the ex-Sultan, Abdul Homid, is being eagerly sought after by Jewish capitalists and syndicates of Zionists whose agents distributed all over the land are buying up rich properties of the Mohammedans. Now when I advocated their return 40 years ago my pastor hooted at it; said from the pulpit it never would be so; that they had forfeited all right to the land. But I knew they would be restored under the new covenant and a part must and will be there when Jesus comes. Now I have been spared to live to see them gathering home preparatory to the coming of Jesus, which must be preceded by the great invasion of the hosts of the north under some great northern general. This battle is spoken of by several prophets: Eze 38:39; Zech 14; Dan 11:21 to close; Joel 3; Zeph 3:14 to close; Isa 66:15 to close; Rev 19:11 to close; Rev 14:17-20. I believe that a large part of the present generation will live to see these very times. I feel confident that they are only a few years in the future we are living in is drawing near momentous times. Reader, are you ready for the great day that is fast coming? How many would love the appearing of our Lord Jesus? How many can join the loving disciple John and say "amen! Come, Lord Jesus?"
