LIBRARY FAMILY OF THE YEAR--The Jimmie Pitcock family of 1914 Avenue H has been selected as Library family of the year. The Pitcocks are the first to be so honored in Muleshoe. The event, sponsored by the Muleshoe Study Club, will be an annual event and recipient of the honor is chosen on the basis of use of the library, care of books and promptness in returning books to the Muleshoe Area Public Library.

Jimmie Pitcock Family Library Family of Year

This week, for the first time, "Library Family of the Year" was named by the Muleshoe Librarian Anne Camp. The event, which is expected to become an annual affair, was sponsored by members of the Muleshoe Study Club.

The Jimmy Pitcock family of 1914 Avenue H was recipient of the honor and the family was presented a dictionary by the Study Club during the book tea Wednesday afternoon.

In making the presentation, Mrs. Camp said the Pitcock family was chosen on the basis of family participation in the library, promptness in returning books, care and use of the books and as representative of the effectiveness in the way a library should be used.

The Pitcock family moved to Muleshoe six years ago from Portales and Pitcock is a farmer. Mrs. Pitcock attends South Plains College, Levelland, three days a week where she is a freshman student majoring in elementary education. The three Pitcock children, David, 14, a freshman at Muleshoe High School; Randy, 13, a seventh grader at Muleshoe Junior High School and Nina, eight, a second grader at Richland Hills Elementary School all selected a wide variety of books for pleasure and learning.

The Pitcocks attend the First Baptist Church. On Saturdays, Mrs. Pitcock is employed in the office of the Muleshoe Livestock Auction Co. Two other members of the family are employed there. David and Randy are both part-time employees at the Livestock Co.

Pitcock said his reading interest covered a wide variety of subjects. Presently he is reading "The Day Kennedy Was Shot," but he also reads fiction and agricultural books. Mrs. Pitcock said she reads both for pleasure and relaxation and to help with her college studies. "I am fulfilling a long time ambition by beginning college. I have had this in mind for several

Book Tea Successful Says FOL President

Friends of the Library President Mrs. Larry Hall said the book tea hosted by the Muleshoe Study Club Wednesday afternoon was highly successful. We, in FOL, would like to extend our thanks to the Muleshoe Study Club for their assistance with the library," said Mrs. Hall. "The Study Club has sponsored the library since its beginning and has been one of its prime supporters."

Scotch Tourney Slated May 4 At Country Club

Muleshoe Country Club Golf Pro Jerry Mobley said a Scotch Tournament will be held at the Country Club on Sunday, May 4. He said the tourney will be played under full handicap and entry fee is \$6 per couple. Deadline for entry is Saturday noon, May 3. Refreshments will be served during the tournament.

Mobley also announced beginning times for the final afternoon of play in the City Tournament today, April 27. Play in the seventh flight will begin at 12:30; sixth flight, 12:38; fifth flight, 12:46; fourth flight, 12:54; third flight, 1:02; second flight, 1:10; first flight, 1:18; championship flight, 1:30 and eighth flight at 1:38.

Highway Department Gives Tourist Tips

Richard Pierce and Jeff Donaldson of the Texas Highway Department Tourist Division of Austin were Muleshoe guests Thursday for an orientation program and workshop on "Tourism in Texas."

The workshop was held in the Fellowship Hall of the First Methodist Church from 9:30 a.m. to 1:30 p.m. A film was shown and Pierce showed slides, with a commentary on the value of the tourist to Texas economy.

He stressed showing enthusiasm, and the fact that selling travel and your town begins with hospitality. "A pleasant welcome or greeting by the person or persons the tourist first comes in contact with is usually the initial impression a

tourist gets of a particular community," said Pierce.

"If they are greeted with silence and frowns, usually they go on their way quickly and with a bad impression of the community and its people," continued the Tourist instructor. "Everyone in service facilities, such as the waitress, service station employee or motel clerk, represents the City of Muleshoe as an ambassador," commented Pierce. "If you have faith in your community -- support it and if you believe in Texas -- promote it."

"It is pleasant to be known as 'The Friendship State' but in order to attract more tourists in the state, that symbol must be lived up to," he said.

A Tourist Ambassador Appreciation Banquet was held at the Corral Restaurant meeting room at 7:30 Thursday, April 24. The Banquet is an annual affair sponsored by the Tourist Committee of the Chamber of Commerce to show the Muleshoe Chamber's appreciation to the employees and employers of Muleshoe's service stations, motels, and restaurants who are the Ambassadors to the tourist traveling throughout city.

Richard Pierce of the Texas Highway Department, Tourist Division in Austin and Doug Galasini with the Public Relations Division of the Southwestern Public Service in Amarillo presented the program for the evening. The presentation by Pierce was in two parts, Texas Plains Trail twin-slide showing, and how to treat a tourist and how to sell travel. Galasini presented a slide presentation on the Land of Coronado. The Land of Coronado is a Chamber of Commerce promotion to entice tourists to stop in Muleshoe.

Bob Stovall, tourist committee chairman was master of ceremonies for the evening and Jerry Hutton, Chamber Manager made the arrangements for the Banquet. The new Ambassadors of the Chamber of Commerce, Devona Bradley, Kathy Mardis and Kathy McCormack, were on hand to greet and register the guest. Those attending the banquet were: Mr. and Mrs. Clyde Holt from Holt's Fine; Harold Reynolds, Linda Vinson, Virginia Hacker and Brenda

Area Relatives Are Injured In Accident

Mr. and Mrs. Joe Simpson, Wellington, and Mr. and Mrs. Floyd Nipper, Amarillo were seriously injured in an automobile accident at Shallowater on Saturday, April 19.

The Simpsons are parents of Mrs. W.F. Harrison, Muleshoe, and the Nippers are aunt and uncle of Mrs. Harrison.

Jack Obenhaus is a brother of Mrs. Simpson and Mrs. Nipper.

Simpson remains in the intensive care ward at Lubbock Methodist Hospital at present time and Mrs. Simpson is reported to be doing well. The Nippers have been reported to be in fair condition.

Uninjured in the same accident were Mr. and Mrs. Kenneth Stice and infant daughter of Muleshoe who were in another vehicle. Mrs. Stice and the 10-day old daughter of the Stices had been released from a Lubbock hospital and they were returning to their home in Muleshoe when the two-vehicle accident occurred.

Pre-School Registration Roundup Slated May 2

Bill Taylor, principal of Mary DeShazo Elementary School, and Milton Oyley, principal of Richland Hills Elementary School, announce the Spring Round-Up for children who will be six years old on or before September 1, 1969.

This Round-Up will be Friday, May 2, from 8:30 a.m. to 12 noon in both of the elementary schools.

Parents are reminded to bring all immunization records and birth certificates for the first grade child. The immunization records will be recorded by the nurse and the birth

certificate will be returned to the parents.

The school nurses Mrs. Betty Jo Davis, R.N., Richland Hills, and Mrs. Imogene Tiller, R.N., Mary DeShazo will give DPT, smallpox and the oral polio immunizations if the child has not had these preventives.

The children who are now enrolled in the first grade will not attend school on this day, so that the regular first grade teachers will be available for registration and parent conferences.

New Feedlot Construction Underway

Construction began last week for additional new pens on a feedlot which will be called Bailey County Feeders, Inc. which is located five miles west and one and one-half miles south of Muleshoe.

Owners of the feedlot are Jim Small, Max King and Bob Clark. At present time, Ready Mix Concrete of Muleshoe is pouring cement at the facility and the completion date for the overall operation has been set at May 1.

The overall operation will hold a capacity of 6000 head for custom feeding upon completion. It has been estimated that this number of cattle will consume 44,000,000 pounds of milo annually.

Fifteen hundred head of cattle are being custom fed at the feedlot at the present time. The three owners have been engaged in the cattle feeding business for the past several years in Muleshoe.

Commissioner Dies Friday

Word has been received of the death early Friday of J.B. Diggs, 93, in San Angelo. Funeral services will be held in San Angelo Monday, April 28. Diggs was one of Bailey County's first commissioners.

NEW FEEDLOT CONSTRUCTION--Workmen from Ready Mix Concrete are shown pouring and smoothing concrete on a standing pad at the new feedlot which is being constructed southwest of Muleshoe. Bailey County Feeders, Inc. is the name of the new facility and the owners are Jim Small, Max King and Bob Clark.

Tourist...

Cont. from Page 1

In 1968, 22 and one-half million tourists visited Texas from out of state and other nations, said Pierce and 16 and one-half million of these tourists came to the state by car. A total of \$1,430,833,000 was left in the state by these visitors who spent an average of 5.74 days each in the state of Texas. These visitors contributed a total of \$126,000,000 to the Texas tax total paid, continued the highway department tourist employee, and the total could be higher this year by attracting more tourists and holding them in the state for a few days more.

Don Harmon, Chamber of Commerce president, spoke briefly at the luncheon following the presentation and explained various ways in which the Chamber of Commerce was helping tourism in the Muleshoe area. He introduced Tourist Chairman Bob Stovall and told that Stovall was in his third year as chairman and the fact that he had done an outstanding job in his activities.

Stovall told of the "Tourist of the Week" promotion which begins at the first of June and lasts through the summer months. In the "Tourist of the Week" a vacationing tourist car is stopped by Muleshoe City Police officers, the Muleshoe ambassadors and Stovall and photographed at the Mule Memorial and presented gift certificates for food, gasoline, lodgings, entertainment and given a tour of the community.

He said that 11 cars were stopped last year and no two states were repeated. He mentioned that one car was from Houston and one car from Japan. Commenting on the fact that the promotion has given Muleshoe world wide publicity additional will be added this year with Muleshoe becoming part of the "Land of Coronado" promotion. The chairman said that billboards will be placed on the highways and that brochures and literature will be in the service stations, restaurants and motels in Muleshoe for the benefit of the tourist.

Stovall introduced the newly elected Muleshoe Ambassador, Devona Bradley, Kathy McCormick and Kathy Mardis.

Businessmen's Activities chairman Harvey Bass spoke to the group before the workshop dismissed.

Out of town visitors at the workshop and luncheon were from Clovis, Amarillo, Canyon and Morton.

Thursdays night, shortly after 10 p.m., everything was quiet in the Muleshoe City Police Department except for routine calls on the radio and several local people wandering in and out of the office.

The radio silence was broken by the Portales (N.M.) police dispatcher who called Morton to ask if they had an officer in the Goodland area. On being advised that Goodland was in Bailey County, the Muleshoe Police Department was called.

When the Portales dispatcher was asked why an officer was needed in the Goodland area, he replied, "There has been an accident in New Mexico involving a pickup which hit a cow--and we think the cow is a Texas cow."

Bailey County Sheriff Dee Clements was in his car waiting for the nature of the call and when he was informed by radio that the New Mexico dispatcher had said, there was complete dead silence on the radio for a couple of minutes. Then the Portales dispatcher came back on the radio with further information and explanation. According to the dispatcher, the reason they thought the cow belonged to Texas was because the accident happened 100 yards inside the New Mexico line. Then by code, he advised 10-22, which in plain English is "forget it".

Listed on the Dean's honor roll for the fall semester at Tech was Wanda Jennings, the daughter of Mr. and Mrs. James Wedel.

Gus Taylor of Muleshoe, Texas has been elected Sophomore Class Representative to the Student Association Government of McMurry College for the school year 1969-70.

Gus is the son of Mr. and Mrs. A.G. Taylor. His activities at McMurry include Band.

"and my neighbor, Mrs. Bill Bickel has encouraged me to continue my studies," Mrs. Pitcock said she expected to complete her college education in about four and one-half years.

David, the 14 year old, said he enjoys reading for pleasure, but that the hobby he enjoys most is raising animals, especially hogs. He is a member of the Muleshoe Future Farmers Association.

Randy, 13, said he reads both for pleasure and to help with his school studies, works in the library at junior high school and plans to work in the library again next year. He is a sports fan and will play baseball with the Babe Ruth League this year. He said he likes to assemble model cars and airplanes.

Nina, junior member of the family at the age of eight, said she likes to work math, skate, read, draw and color.

Mrs. Pitcock said the family is selective with television programs, but that the entire family enjoys television.

Manager

This has been a big week for us at the Chamber. We felt like out Tourist Workshop was successful. We had several guests from out of town and a number of the local businessmen to attend this workshop, they all seemed to enjoy the program. The Tourist Ambassador Appreciation Banquet was very successful. We had a good turn-out, 48, I believe, to be exact. We would like to thank these fine people for coming to the banquet and would also like to thank the local businessmen who worked to enable them to attend. I would also like to thank Bob Stovall, our tourist chairman for doing a good job this time; as always, Bob is very dependable. We are now looking forward to two other projects coming up soon--"Dad's Fishing Wagon" and the Fourth of July celebration. Thank you, Jerry Hutton

South Plains College Starts New Class

LEVELLAND (Special) A class in making the now popular wooden purses began at South Plains College Thursday night, April 24, in Room 14 of the Fine Arts Building. The class will meet from 7 to 9 p.m. each Thursday night.

Mrs. Kay Stapleton is the instructor for the four-week course. She is teaching the new techniques in painting and antiquing of the purses. Instruction is being given in design, new transfer techniques, and the use of the three-dimensional objects. Paper mache will also be used artistically.

Various textures and different types of hardware and lining will be used on the wooden boxes. The cost of the course is \$10.

sional districts to "mathematical exactness" after that court ordered the state of Missouri to do just that. Governor Preston Smith asked the Legislature to create a 7-man fact-getting committee and present them to the 1971 Legislature. Committee will be headed by Secretary of State Martin Dies Jr. and will include three state senators and three House members.

Governor said he had been assured 1970 federal census statistics would be available in November of 1970 on computer tapes and proposed a committee budget of \$225,000 which would include data computer rents.

He reasoned that this preparation would enable the 1971 Legislature to re-district realistically. In case the state is ordered to redistrict before 1970 census, Smith said the committee would have current information ready for legislative use in a special session. PUBLIC EDUCATION--A survey of public opinion on proposals by the Governor's Committee on Public School Education, including the controversial consolidation recommendation, was made at the request of Sen. A.R. Schwartz of Galveston, and the committee learned that big school districts liked its ideas, but small districts didn't.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex.--Nine proposed constitutional amendments, headed by a recommended boost in the welfare ceiling from \$60 million to \$80 million and a \$3.5 million water bond proposition, are ready for an August 5 ballot.

Secretary of State Martin Dies Jr. supervised drawing to determine ballot positions as soon as the legislature cleared the measures.

Here are the amendments as they will appear on the ballot: HJR 3--to delete obsolete provisions from the constitution.

HJR 9--to authorize a \$3.5 billion water revenue bond issue for financing the state's share of a \$9 billion statewide water plan.

SJR 31--to raise the present \$4,800 a year salary of state legislators to the state-paid maximum level of district judges (\$18,000) and give the lieutenant governor and house speaker half the pay of the governor (about \$20,000 a year).

SJR 6--to exempt non-profit water supply corporations from taxation.

SJR 8--to raise the public welfare outlay limit from \$60 million to \$80 million a year.

HJR 7--to raise the constitutional interest rate limit on some state government bonds.

HJR 4--to provide for assistance payments to survivors of volunteer firemen, police and Texas Youth Council employees killed on duty.

HJR 50--to authorize an additional \$200 million in Texas Opportunity Plan student loan funds.

hjr 8--to provide for annual legislative sessions.

HJR 8--to provide for annual legislative sessions.

Voters last November rejected a raise in the welfare ceiling to \$75 million (which has resulted in two cuts in benefit payments) and a hike in lawmaker pay to \$8,400 a year.

LEGISLATIVE ACTION--Controversial constitutional amendment to legalize sale of liquor-by-the-drink in Texas has been cleared for statewide vote on November 3, 1970.

House voted 101-44 for submission of the issue approved by the Senate last month.

House passed a bill to comply with the federal law and provide mandatory inspection and regulation of livestock slaughtering housed by the State Department of Health. Bill by Sen. Jim Bates and Rep. Rayford Price already had passed the Senate but since the House added two amendments--to define legally "inedible animal

product" -- and to allow "over-time fees" for inspections--the bill went back to the Senate for approval of the Amendments.

House also completed action on its \$5.7 billion budget bill, moving it to conference committee to resolve differences with the Senate's \$5.3 billion version. Major interest centers on House riders, including proposed withholding of funds for largely-Negro Texas Southern University Law school and a curb on use of helicopters by Department of Public Safety for traffic policing.

Among other major measures cleared by the legislature were: HB 117, making Texas governmental units (except school districts) liable for damage suits due to negligent acts of personnel; SB 5 and SB 6 permitting criminal misdemeanor prosecution of corporations for air and water pollution.

BILLS--When the Supreme Court ruled the existing law on dangerous drugs out, Rep. Jack Ogg of Houston introduced a bill to ban the use of LSD and hallucogenic drugs. Ogg's bill provides for a jail sentence from 30 days to two years for the use of those drugs--or a fine of up to \$3,000.

Approval by Rep. Grant Jones of Abilene was given a favorable report by the House Judiciary Committee. It would keep any facts of settlement of a claim from being admitted into evidence in lawsuits involving personal injury damages arising from the same occurrence.

Approval by Rep. Bill Heatly of Paducah would allow students who graduate from an accredited Texas law school and have already gained a bachelors degree to not have to take the bar exam before practicing. Bill is in a subcommittee of the House State Affairs Committee.

Rep. Carl Parker of Port Arthur has five bills to update and fortify the workmen's compensation laws. Four bills deal with compensation for employees of Texas A&M, Texas Tech and the U of T system. Last deals with municipal employees. All are in subcommittee for further study.

Senate has knocked a farm workers' exemption out of the \$1.25 minimum wage bill by Sens. Joe Bernal and Jim Bates. An amendment by Sen. Jack Hightower would have exempted all farm workers except those that do piece work. Bill went to the House.

Miss Compton, Cooper Young Wed

Mrs. Joseph Cooper Young

Miss Joyce Ann Compton, of Louisville, Kentucky, and Joseph Cooper Young of Muleshoe, exchanged wedding vows in Highland Baptist Church, Louisville, April 5 at 4:00 p.m. Rev Robert N. Wallace, pastor of the church, officiated at the double ring ceremony.

The bride is the daughter of Mrs. Alpha Compton of Indianapolis, Indiana and the late Steward F. Compton. The groom is the son of Mr. and Mrs. J.B. Young, Jr. and the grandson of Mrs. E.D. Chitwood, Sr., all of Muleshoe, Texas.

The couple stood before palm trees and baskets of Easter lilies, flanked by twin 7-branched candelabra to pledge their vows.

Miss Lavitia Roosevelt of Louisville, Kentucky, played traditional wedding marches and accompanied soloist Ron Jones, of Pasadena, Texas and Ft. Knox, Kentucky, as he sang "The Lord's Prayer" and "I Love You."

Given in marriage by her brother, Wallace Chumbley, the bride wore a formal wedding gown of satin, candlelight ivory, with Empire waistline, scoop neck, lace trimmed and decorated with seed pearls, and long petal point sleeves. Her veil of illusion, shoulder length, was caught with a cluster of rosettes. The bridal bouquet was a single white orchid surrounded by stephanotis with streamers of white satin, entwined with stephanotis. She wore a pearl necklace, gift of her groom.

Miss Barbara Baggett of Louisville, Kentucky, was bridesmaid. She wore a full length gown of green and gold floral chiffon, fashioned with Empire waistline, with matching headpiece, and carried a cluster of yellow daisies.

Steven D. Young, of Muleshoe, served his brother as best man.

Natl. Guild Auditions to Be Held Here

Mrs. Richard Newton of Wichita Falls, who is to be the judge of the piano pupils playing in the Guild National Piano Playing Auditions in the newly established center in Muleshoe, is to arrive in Muleshoe late Sunday, May 4. Auditions are May 5, 6 and 7.

Mrs. Newton has an impressive background, in both education and experience. She holds a B.M. from the Cincinnati Conservatory of Music and a M.M. from the University of Michigan.

She has taught theory and piano in Texas Wesleyan College, Fort Worth, was the head of the piano department in Southwestern State College in Oklahoma, does part time teaching in Midwestern University, Wichita Falls, has played recitals in Texas and Oklahoma and was soloist with Fort Worth String quartet. She held scholarships at the Cincinnati Conservatory and the University of Michigan in the class of Joseph Brinkman and did special study with Mrs. Rosina Lhevenne. She also teaches privately.

Mrs. Richard Newton

Mrs. Sam McKinstry, Mrs. Sam Damon, Mrs. A.M. Bradley and Mrs. W.T. Watson will have more than forty students auditioning before Mrs. Newton at the McKinstry Studio.

AREA COUPLE TO WED Mr. and Mrs. Donald Grusendorf of Route 2, Morton, announce the engagement and approaching marriage of their daughter, Patricia, to Dennis Newton, son of Mr. and Mrs. Bob Newton of Enochs. The bride-elect is a senior at Bula high school and is an honor student. The prospective groom is a 1968 graduate of Bula high school and is presently attending Texas A&M University at College Station. Vows will be exchanged June 14 at 6:00 p.m. in First Baptist Church at Enochs. Friends and relatives of the couple are expected to attend.

Mrs. Dillman Gives Mission Review

Mrs. Neal Dillman gave a resume of the book "Mandate for Mission" Tuesday evening at a joint meeting of Dorcas and Esther Circles of United Methodist Church.

The meeting was held in the church parlor, with Mrs. J.E. McVicker, Mrs. Charles Long and Mrs. Oscar Allison serving as hostesses. Mrs. Ben Cockrell poured punch and served assorted cookies from a lace covered table.

Special guests were Mrs. Carrie Arnold, Mrs. Albert (Gladys) Jackson and Miss Gwendolyn Johnson. Mrs. Jackson and Miss Johnson sang several songs, accompanied on the piano by Miss Johnson.

Mrs. Dillman quoted from "Mandate for Mission" which the author called "an analysis of our world that is making everyone over forty a stranger in his own country".

"The purpose of the book," the author said, "is to describe the Mandate for Mission which rests upon every Christian and every congregation."

Muleshoe Art Cited At Sunday Show

Muleshoe artists were among the winners Sunday in the art show sponsored by Plains Art Association.

Blanche Lenderson won a framing award and a citation for her paintings and Jo Addine Mayhugh won a citation.

Marie Lenu, judge of the show, was honored at a luncheon at the Alcove Restaurant, Saturday, following the judging. 245 entries were received from Amarillo, Lubbock, Muleshoe, Tulia, Silverton, Hale Center, Lockney and Oltion.

West Texas Museum Slates June 1 Watercolor Show

The West Texas Chapter of the Southwestern Watercolor Society has announced a regional watercolor show to open June 1 at West Texas Museum on the Texas Tech campus. Artists of the Southwest are eligible.

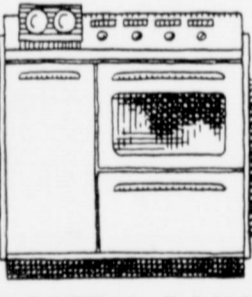

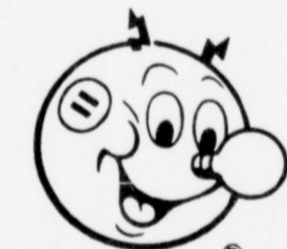

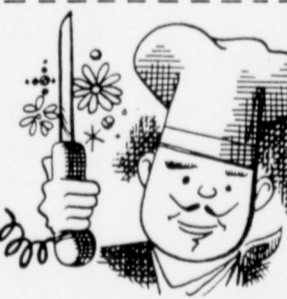

Paintings must be received at West Texas Museum, Lubbock, Texas 79409 between May 15 and May 27, prepaid. All paintings received after May 27 will be returned at the artist's expense.

Hand-delivered works may be delivered to the museum between May 15 through May 27. All paintings must be original, executed on paper in water-soluble medium, unvarnished.

All pictures should be suitably framed (with or without glass) and well wired for hanging. A non-refundable entry fee of \$3.00 for each picture entered will help defray handling charges. Three entries may be submitted by each artist.

Entry fee checks should be made payable to: The West Texas Chapter of the Southwestern Watercolor Society, and mailed to Mrs. Sandy Smith, 2720 66th St., Lubbock, Texas 79413.

The show is a joint project of the West Texas Chapter of the Southwestern Watercolor Society and the West Texas Museum.

Mrs. Schimpf Hostess To St. Mary's

St. Mary's Circle of the Immaculate Conception Church met April 22 at 9:30 a.m. in the home of Mrs. Joe Schimpf. Opening prayer was offered by Mrs. Lee Britting.

Mrs. C.J. Feagley, president, conducted the meeting. Reports were heard from Mrs. Don Rempe, secretary-treasurer. Proceeds from the Gypsy Box were \$45.00.

Members of the Circle will help clean the carpet around the altar and sacristy. The same schedule of workers will work together that serve the bingo concession each month.

Delegates Mrs. B.A. Dearing and Mrs. Lee Britting reported on the Deanery Convention held in Littlefield recently. Theme of the convention was "Getting Involved."

A garage sale to be held soon was planned, proceeds to go to the building fund. Remainder of the merchandise will be used for a shop for the needy. Mrs. Harry Waddle is chairman of the garage sale committee. The date will be announced later.

Schedule of workers for weekly bingo concession will be as follows: May 4, Alcorn, Black, Britting; May 11, Schimpf, Duncan, Feagley; May 18, Hicks, Jesko, Dearing; May 25, Moraw, Rempe, Kirkland.

Election of officers was the main business, with the following elected: President, Mrs. Lee Britting; Vice-President, Mrs. Rudolph Moraw; Secretary-Reporter, Mrs. Pete Jesko; Treasurer, Mrs. B.A. Dearing; Parliamentarian, Mrs. Harry Waddle; Historian, Mrs. Sam Kirkland; Telephone committee, Mrs. Bill Finch and Mrs. Charles Isaac.

Refreshments were served to

a new member, Mrs. Bill Finch and regular members Mrs. Don Rempe, Mrs. John Black, Mrs. Joe Schimpf, Mrs. Arnold Alcorn, Mrs. Harry Waddle, Mrs. B.A. Dearing, Mrs. Charles Isaac, Mrs. Sam Kirkland, Mrs. Lee Britting, Mrs. C.J. Feagley and Mrs. Pete Jesko.

Winner of the Chinese auction was Mrs. Kirkland, with a gift from Hawaii.

The next meeting will be May 27 at 9:30 a.m. in the home of Mrs. Kirkland.

WTSU Voice Pupils To Appear

Miss Elsa Porter, associate professor of music and teacher voice at West Texas State University, four of her pupils and their accompanist will give a critique and recital for the students of Mrs. David Gibson and their guests at four o'clock Sunday in the Carl Bamert home.

At three o'clock Miss Porter will listen to pupils of Mrs. Gibson sing.

Singing will be Miss Judith Balo, lyric soprano (won Texas Music Teacher's college division for voice, won the regional contest of Music Teachers at Oklahoma City and was in the top three percent in the nation); Lynda Sharmon, soprano, won second place in contest of Texas Music Teachers Association; Chris Munn, lyric baritone and Stephen Hunter, baritone. Their accompanist will be Miss Lorna Schiltz, a professional, also from WTSU.

Students appearing on program will be Ann Douglass, Betty Harbin, Charlotte Wedel, Greta Bamert, Dana Damron, Renee Dyer and Sheryl Mason.

The prospective bridegroom, a 1964 graduate of Muleshoe high school, also attended South Plains College and is presently employed by Muleshoe Animal Clinic.

Green Talks

On Juvenile Delinquency

"Juvenile Delinquents" was the topic discussed by Corky Green, of the Bailey County Sheriff's Department, for Muleshoe Study Club April 24 in the home of Mrs. Mervin Wilterding.

Mrs. W.T. Andrews directed the program and introduced Green, who defined the legal meaning of the word "juvenile". He told the women a girl between 10 and 18 years old is considered juvenile, and a boy between 10 and 17. Under the age of 10 there is no law to punish a child.

Green said a child has the same rights in court as an adult, with the added right to secrecy and counsel is required for a juvenile. A juvenile is not required to incriminate himself and has the right to trial by jury. He is not tried in criminal court, but is always tried in special court.

A child may be declared delinquent in Texas if he does any of the following: 1. Violates a law of felony grade. 2. Violates a misdemeanor law where punishment may be confinement in jail.

A question and answer period followed Green's talk. One of the main points brought out by Green was that Juvenile Court attempts to rehabilitate rather than punish a child.

Square Thru's Continue to Draw Crowds

The Muleshoe Square Thru's held their fourth lesson Tuesday night at the American Legion Hall, with the club caller, Eddie Gunnels, doing the honors. The club is pleased with the caller, a spokesman said, and think the students are doing well.

A short business session was held during which meeting time of the club was changed to 8:30 p.m. instead of 8:00 p.m., due to daylight saving time. Jimmy Pressley, president, was in charge of the meeting.

Some of the club members ventured to Clovis to a Y-Squares special with caller Dick Parrish, of Hobbs, doing the honors. Others went to Lubbock for the Spring Square Dance Festival with Don Franklin and Byrl Maine, considered a double treat.

Refreshments were served to the following club members: Mr. and Mrs. Monty Dollar, Mr. and Mrs. Henry Stoneham, Mr. and Mrs. Jimmy Pressley, Mr. and Mrs. Don Seales, Mr. and Mrs. Curby Brantley, Mr. and Mrs. Bud Matlock, Mr. and Mrs. Willard Tibbets, Mr. and Mrs. Buck Layne, Mr. and Mrs. Ben Roming, Mr. and Mrs. Hilbert Wisian, Mr. and Mrs. David Stovall, Mr. and Mrs. Robert Hunt, Mr. and Mrs. Willic James, Mr. and Mrs. Eugene Shaw, Jimmy Littleton, Jimmy Goodwin, Becky Littleton, DeAnn Brock, Carl Selsler, Chris Brock, Maria Dawson, Elizabeth Seales, Mike Tibbets, Jan Cleavenger, Mr. and Mrs. Ike Wilcox, and Eddie and Betty Gunnels.

A club spokesman reports that all visitors are welcome and the dances are always open to the public. Even if you don't care to join in the dancing you would enjoy watching the dancers, the spokesman said.

Progressive Home Club Meets

Progressive Home Club met Thursday afternoon in the home of Mrs. Vera Engelking, with eight members and one visitor Mrs. Mathieson present. Each woman was presented with a rose corsage upon arrival by the hostess.

The meeting was opened with the secretary reading the prayer "Bless Them All". Roll call was answered with recipes.

Much discussion was held on articles needed at Girlstown. Women are asked to bring the

articles to the club as they are made.

Hostess gift was drawn by Lucille Harper, after which games were played.

Refreshments of cherry salad, angelfood cake, cashews and coffee were served to Roxie Hoover, Mabel Ryan, Lucille Harper, Lula Embry, Zida Mae Black, Muriel Lewis, Lois Norwood and Mrs. Mathieson.

Club adjourned to meet May 22, with the hostess to be announced later.

Homemaking Tips

FROM THE OFFICE OF HOME DEMONSTRATION AGENT

Robin Taylor

School will soon be closing for vacation and your teenagers will be seeking summer employment. Where will you look? Some State Employment Agencies and those specializing in part-time work are also including special divisions for job hunters. You should check with the school for job sources.

In any event, your chief initial asset when applying for a job is the way you look. Nothing beats good grooming. Employers are not impressed by what they consider bizarre makeup, unkempt hair and exaggerated dress. The well-washed look from top to toe is definitely a must for landing a job.

Plan ahead for interviews-know in advance what you will wear and have it ready. A last minute "tizzy" will only serve to increase your nervousness. Girls should choose a smartly styled dress or suit, on the tailored side and not too short. Match or coordinate shoes, handbag and hose. The handbag should be moderately-sized and not overstuffed, hose

clean and run-free. Take a break from the all-or-nothing mode and wear a little make-up, but just enough to give you a natural look.

A young man serious about a summer job will do well to be serious about how he looks to the "over thirty" employer. You know, they tend to equate competence with grooming. In other words, if you care about your personal cleanliness, you will care about doing a job well.

Dress in keeping with the job you are seeking- if it is an office or sales position, a suit and tie are in order- all clean and neatly pressed. For a job as a camp counselor, life-guard or construction worker, you would wear a clean sport shirt and slacks.

For both boys and girls- clean, well groomed hands are a must!

Get recommendation from your teachers. Ask them to note a particular skill such as typing or proficiency in sports, language, arts, or crafts.

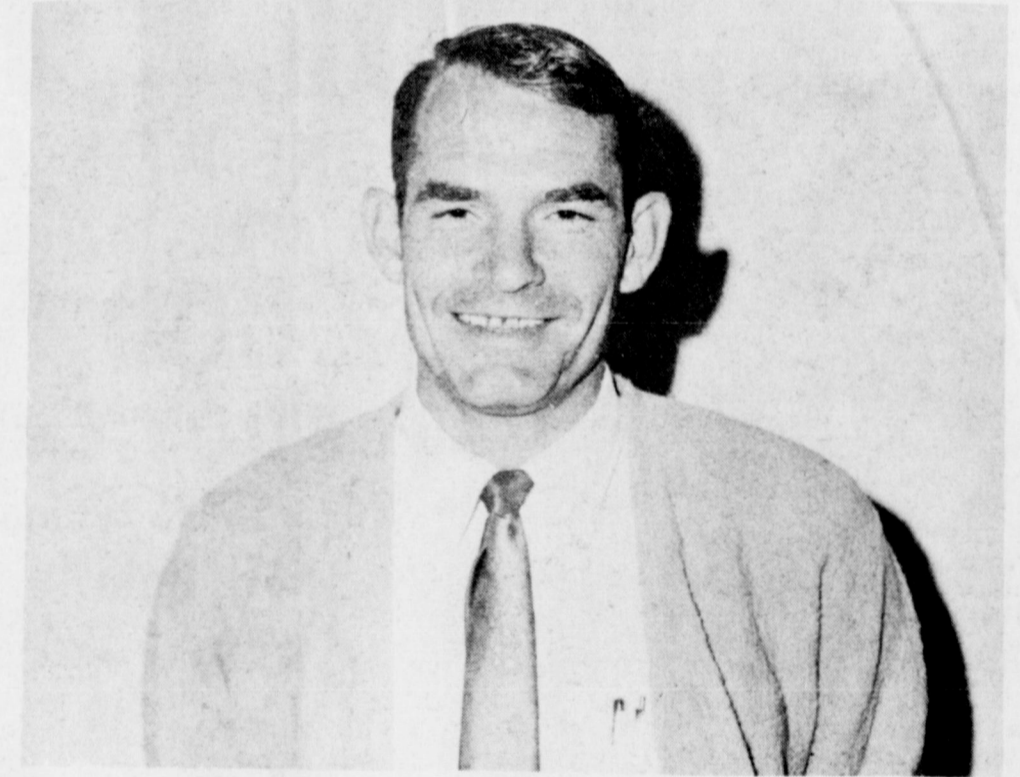

Take an inventory of your skills and experience in advance of an interview and before you fill out the application blank. This way you will not likely forget anything when under pressure. After preparing as carefully as you can, remember, during the interview, be pleasant, answer questions as definitely and responsibly as possible. Happy Hunting! IN 4-H

District 4-H contests will be held on Tech campus Saturday, May 3rd. All contests begin promptly at 9:30 a.m.

The awards program will be held in the Lubbock Municipal Auditorium, with the program beginning at 2:00 p.m. All participating 4-H members, parents and leaders are urged to stay for this program.

WORLD WIDE INTEREST

Many good organizations are working with our youngsters, developing an interest in other lands and the ones who dwell there. The church through God's word also teaches us about our neighbors and what our attitude should be toward them. *The earth is the Lord's and the fulness thereof; the world, and they that dwell therein.*

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Three Coaches Teaching Classes

The driver's education course is now in full swing with 102 students taking part. These students are divided up into three classes under the direction of Coaches Royce Barnes, Fred Hedgecoke, and Ronnie Jones.

"Grand opening" of the course started Monday, April 21st when all registered and paid their ten dollars entrance fee. All registrants were given a textbook, and then were assigned to their separate classrooms.

The Texas Department of Public Safety requires that certain obligations be filled by each participant before receiving their license. This entails 30 hours of classroom study, 6 hours of actual driving with instructor, and 6 hours of observation while another drives. It is then necessary to pass a rigid written examination, after which the learner's permit or restricted license will be issued. This entitles the student to drive with a licensed driver over 21 years of age in the front seat with him. A regular license may be obtained upon reaching their 16th birthday.

Areas of discussion this year range from driving defensively and attitudes of a good driver to the cost of running an automobile, to handling a car in adverse conditions. Films will be presented on the hazards of bad driving, and a Texas Highway Patrolman is scheduled to come and register us with the State Department in Austin. Any

record of our driving will hereafter be entered in Austin as a permanent record.

Earlier in the year, an assembly program was given to further knowledge of driving skills. A film was presented and a driving experiment was demonstrated. To those who already had their license, the Assembly brought them up to date on current driving discoveries. To the Freshman, it presented many new ideas. Taken fully, it served to be quite educational to both the student body and the faculty.

In addition to the textbook issued to each student, which includes information on the

make-up of the car, and the effects of drugs and alcohol while driving, a small book of all traffic rules and regulations will be issued to each participant. These books are to be read and studied as a portion of the written exam will be derived from them.

Considering all factors, this summer's driver's education course should prove to be very beneficial to all participating, and, through the excellent leadership and instruction of the coaches, there should be 102 more excellent drivers in the Muleshoe area this summer.

Tennis Season Shortened This Year

BY DANNY SHIPMAN

This year tennis seemed to slack off somewhat. There were only four people who came out for tennis they were Ricky Hudson, and Danny Shipman doubles team and David Gupton and Waid Griffin singles team.

This year's season consisted of three matches, the first was against Littlefield which we won 6,2 and 6,3. The second match was in the Amarillo Relay's Muleshoe's doubles team versus Tascosa High of Amarillo, Tascosa won the first set 6,4 the second set was won by Muleshoe 7,5 the third set was won by Tascosa 6,3. The singles team lost out to Dumas 6,1 6,2 played by David Gupton and Waid Griffin lost out to Lubbock 6,0 and 6,2. The last match was district played at Hereford but due to bad weather they were played in Canyon in the High School and Jr. High Gyms. Waid Griffin played singles he defeated Hereford's player in a 3 set match.

The doubles team consisting of Ricky Hudson and Danny Shipman were defeated by Perryton 6,1 and 6,2. Waid Griffin played Dumas at the last and was defeated after playing 3 hard sets.

OVERLOOKED

The world has forgotten its concern with Left and Right, that there is an Above and Below. -Times, Hampton, Ia.

Practice Car Is Delivered

A two-man team of auto mechanic students from Muleshoe High will be training very hard for the next few days on a new 1969 Plymouth.

The students are getting ready for the 21st annual Plymouth Trouble Shooting Contest to be held May 17 at Lubbock. Muleshoe High's Trouble Shooting team members are Bob Bomer, 19 and Danny McNeil, 19.

The practice car was delivered to R.K. Minckler Sr. Muleshoe High's auto shop instructor by Garland Mtrs. Littlefield, sponsor of the Trouble Shooting Contest.

At the contest, the Muleshoe team will compete against other area schools in one of the most unusual interscholastic competitions of them all.

Participants first take a written exam. Then, teams are given a new Plymouth to put in smooth running condition. It won't be easy. Several good reasons why the cars won't start or run properly once started have been deliberately

placed under the hoods by Plymouth engineers.

The written exam counts as 30 percent of a team's final score and the mechanical competition 70 percent.

The winning team earns an all-expense paid trip to the National Trouble Shooting Finals June 16, 17 and 18 in Indianapolis at the famed "500" Speedway.

Contestants are competing for a total of \$125,000 worth of scholarships and awards.

Purpose of the Trouble Shooting Contest is to recognize and honor outstanding young auto mechanic students and to encourage them to seek rewarding careers as automobile mechanics.

The Muleshoe Trouble Shooters will work very hard on that new Plymouth practice car so they'll be ready to prove they are the top auto mechanic students in the Lubbock Area.

Character must be kept bright, as well as clean. -Lord Chesterfield.

Choir to Participate In Enid Festival

by Sheryl Mason

May first, second and third the Muleshoe High School A Capella Choir will participate in the Tri-State Music Festival in Enid, Oklahoma. The choir will present two numbers from their contest repertoire.

The first selection is Randall Thompson's "The paper reeds by the brooks." This number was taken primarily from Isaiah 26:7 and shows a definite change and new experience in dynamics. Karl Eschman's (Changing Forms in number, "So great has been the change in the forms of music during the last fifty years that the term modern music may remain in the history of art, along with ars nova c. 1300 and noova musiche c. 1600."

The second presentation is Rainsory by Houston Bright. He wrote this song soon after finding he was doomed with an incurable disease. The song expressed his feeling of approaching death through the use of nature. He says, "And my heart, it is heavy too,-- And my spirits are heavy too. See how the rains do pour, As if forever more."

By Ann Douglass

The Texas Panhandle's annual University Interscholastic League band contest was held

April 23, 1969. The judging was held in the Amarillo Civics Center. Judges were Bill Dean of Odessa, Carl Lobitz of the University of Oklahoma, Gene Witherspoon of Arkansas Polytechnic and Neil Humfield of East Texas State University. The bands did not actually "compete," but were judged on a common rate scale. That scale is: I, superior; II, excellent; III, average; IV, below average; and V, poor.

Muleshoe received a I rating in concert and a II in sight-reading.

Other AAA high schools and their ratings include: Tulia, II, I; Perryton II, III; Hereford, I, I; Dumas II, I; Littlefield II, II; Canyon I, I; Stanton III, II.

Freshmen Name Slaves

BY JANIS ST. CLAIR, Freshman Class Reporter

Monday, April 21, a freshman class meeting was called to select their slaves for the Junior Class Slave Sale.

Freshman slaves will be Cynthia Gable, Penny Griffen, Danny Noble, and Mike Riley.

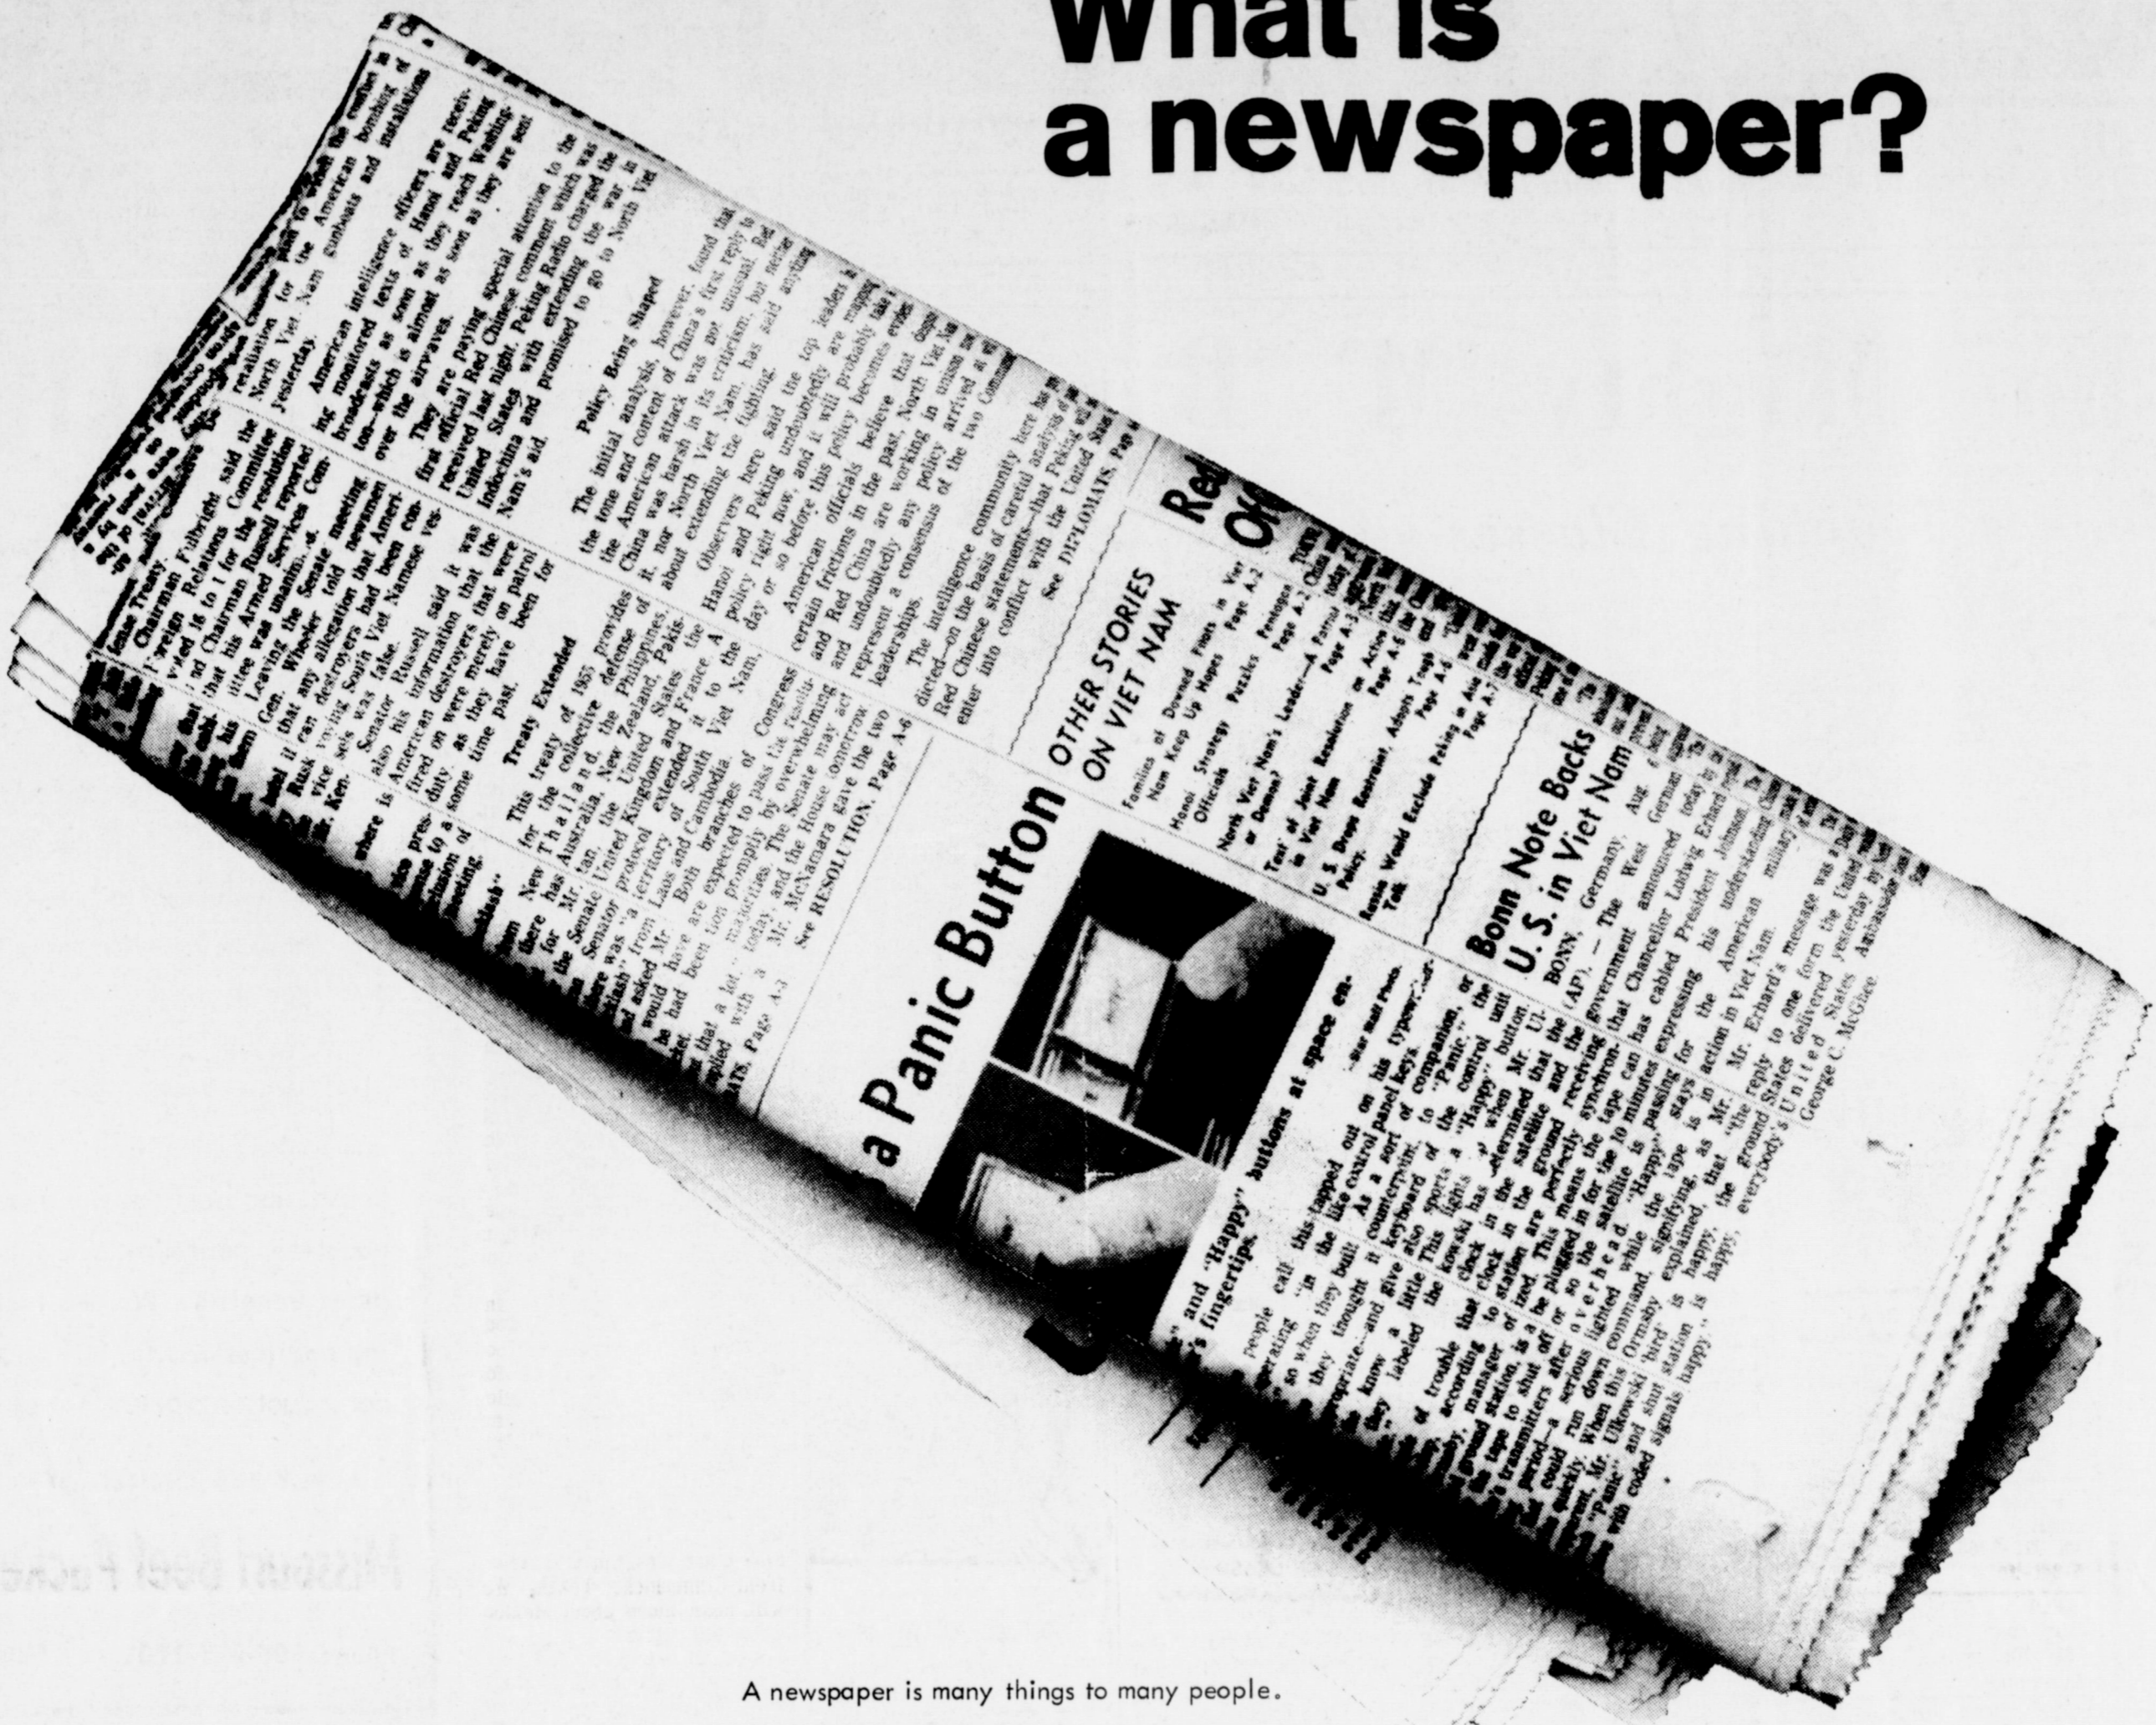

BEST ACTOR-- Bottom, Steve Woodard, professes to be the best actor in the dukedom, Joe Duke, Quince, doubts Bottom's word. Scene from "Midsummer Night's Dream." Also pictured are Greta Bamert and Roy Dubose.

LEARN AND LIVE--The participants in this years Learn and Live program are Gail Givens, Joe Duke, Sue Darsey and Connie Pruitt (alternate). They won first round and second round trophies.

What is a newspaper?

A newspaper is many things to many people.

To some, it is reality -- a living record of each passing day of history; to others, it is escape -- a refuge of entertainment and relaxation after the day's chores.

To the housewife, it is ideas for new recipes and new clothes.

To the mother, suggestions for raising the youngsters.

To the teacher, a homework assignment on current events; to schoolchildren a notebook item.

To the lonely diner, a companion; around the family supper table, a topic of conversation.

To sports and theater lovers, news of who is playing, when, where and in what.

To athletes and actors, scrapbook materials.

To an unknown, it brings fame; to the well known, further fame.

To the seller, it means quick response; to the buyer, many selections.

To some, it brings good news; to others, sad tidings.

To friends and neighbors, it tells about job promotions, school graduations, who got married, who was born, who died.

To the voter, it is guidance; to a politician, a channel to the voter.

To front stoop sitters, it describes life beyond the horizon.

To the living, it is the freedom to know and understand the world.

To the dead, a tribute to their lives.

To all in America it means uncensored news and opinion; in other parts of the world, the deadening hand of censored propaganda.

What else costs so little, is so useful, and adds so much to our lives?

Needmore News

By Mrs. F.O. Warren

Mrs. Ed Ary is a patient at the Morton Hospital where she has had surgery but is doing as well as could be expected.

Mrs. Jim Carpenter's nephew who had the blood clot in church at Bula, Easter Sunday and died, donated his lung to a man, but the man also died of infection.

We all wish to congratulate W.E. Soforth on his marriage. They have gone to Florida on their honeymoon. On returning, they will make their home in Muleshoe.

Mr. and Mrs. Thomas Lee Harper and son, Cregg have returned from a trip to California. They went by train and visited Mrs. Harper's brother. They enjoyed the trip and best of all didn't have to battle the traffic.

Mr. and Mrs. Bill Fonville of Wichita Falls made a quick visit to the F.O. Warren's Saturday night, and returned to Littlefield where they ate Sunday Dinner with her sister Mrs. Dean Favor then left to go back to Wichita Falls.

The Circleback Baptist Church closed the Revival Sunday night. Fred Fudge was the Evangelist. We wish to thank everyone for making it a wonderful week.

Mr. and Mrs. Pete Poteet were honored with a farewell party Sunday afternoon at the Needmore community center, where they were presented a dinnerette suite and many other gifts. They will be moving in a few days but will be long remembered.

Mrs. Maxine Ragsdale and Mrs. Ann Sowder spent Wednesday, the 23rd at Eddie's Food Market, taking donations for Member to the Library at Muleshoe. They are to be congratulated on their support to the Library.

Mr. and Mrs. Raymond Gage have gone to Old Mexico. They took as their guest, Mrs. J.K. Smart and Mrs. Smart's sister from Comanche, Texas. We will hear more about Mexico when they return.

Mrs. Elsie Damron's mother, Mrs. Moore was home with her daughter, Brownie at Sudan but

became real sick again so they have taken her back to Lubbock Hospital.
 Mr. and Mrs. Walter Damron and Ruby left Tuesday, April 22, for Ft. Worth, Texas. When they leave there they will visit other places before returning home.

LONG ON PROFIT

G-4333 is a short season high-yielding, strongstanding, single cross which established top yield records in 1968. 185 bushels per acre was chalked up at Tulia. G-4333 is very attractive with uniform stalk and ear height. It responds to higher plant population and narrow rows where fertility and water make top yields possible and does unusually well under average conditions. G-4333 has outyielded competitors in this early maturing category. Be sure to plant G-4333 in 1969.

G-4697 is a medium maturity high-yielding, strong-standing hybrid producing grain of excellent quality. Yields of 179.5, 175, 154, and 143 bushels per acre have been recorded in 1968 in Castro county. G-4697 produces uniform wide leaves and girthy ears. Excellent threshability is reported. Plant early for highest yields and superior standability.

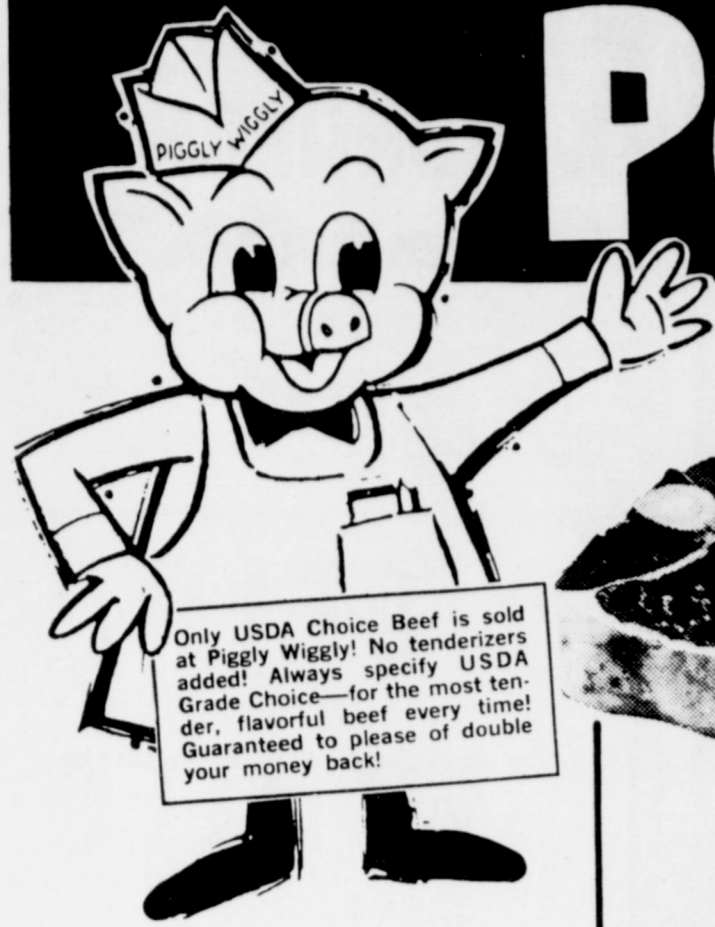

G-711AA is unequalled for silage. G-711AA converts abundant fertility into tremendous crops of silage. 30.05 tons was recorded at the halfway test. G-5757 grows a little shorter and has a slightly higher percentage of grain per ton. For this reason some growers prefer it.
