How He Could Help.
Henry Labouchere never had a
great deal of admiration for his
uncle, Lord Taunton, who, on the
other hand, took considerable inter-
est in his promising nephew at the
outset of the latter's career. When
Labouchere first stood for parlia-
ment Lord Taunton wrote him an
encouraging letter and asked if
there was anything he could do to
further youthful ambition.
"If you would put on your peer's
wobes and coronet and walk down
the main street of the borough arm
in arm with me, it might do some
good," replied the young man.
"Otherwise I do not believe you
could be of any use to me."

their already large and commo-
dious livery stable.

Mrs. Ellis and her charming
little boy Herman, arrived from
Erath county some days ago, and
are stopping at the Hill hotel
with Dr. Ellis. Mrs. Ellis and
little Herman have already won
the hearts of the people of Brown-
field.

W. R. Harris came in Friday
from Colorado City; he was ac-
companied by his daughters
Misses Lorella and Mollie. Miss
Lorella has been taking a special
course in music at the North
Texas college, and Miss Mollie
has been teaching in Mitchell
county the past term.

Our wide-awake hotel man, J.
R. Hill has had to temporarily
suspend work on his new hotel
on account of a dearth of car-
penters. There is plenty of
work for a good carpenter, at
remunerative wages, in Brown-
field, as the lumber is now on the
ground for several buildings and
other improvements.

Peach Trees.
I have left a lot of Peach Trees
in Brownfield with W. R. Spen-
cer for sale. Please call on him
for prices. T. C. LEEDY.

Three of a Kind.
There are three species of the
genus homo that this world can
spare, and they are: the bomb-
thrower, the assaulter of women,
and the lyncher.

The Idaho Trials.
The trial of the Idaho assassins
for the murder of ex-Governor
Stubenburgh of that state is be-
ing brought before the public.
This is a case of a labor organiza-
tion officials engaging in whole-
sale assassinations by bombs,
and as it is based upon the con-
fession of one Orchard admitting
a conspiracy and playing a part
in it it will require that his evi-
dence must be impeached. A
tale of conspiracy can be easily
manufactured, and if a witness
is skilful they can make it stick.
However in the cases of Moyer
and Heywood there were, in all,
as claimed by Orchard, twenty-
six victims, enough surely to
have caught in the act one guilty
wretch. It must be remembered
that Orchard was a prisoner and
under indictment at the time of
his confession. However the
trial of these men will disclose
the fact that secret societies
should not be permitted to exist
when selfish ends are to be ac-
complished. For a body of men
warped with one idea are but
clay in the hands of the bold,
arrogant and murderous.

LATER—The hearing of the
above cases has been postponed
until December.

CATTLE BYPRODUCTS.
Cattle furnish, beside food, no
end of articles in common use.
Your toilet or laundry soap is
made from their grease, the
curled hair in your comb and the
bristles in your shoe brush are
from their tails. Tie for the
beer, again, your combs are
made from his horns; your tooth-
brush handle and the mouth-
piece of your pipe were once a
part of his single bone; the bot-
tons on your coat and your wife's
hairpins are from his hoofs;
neatfoot oil represents his sin-
ews, and the prepared lard
thrown to your chickens is re-
duced from his blood; also the
pepsin bought at the druggist's
is made from a pig's stomach;
the grease extracted from the
wool of sheep after slaughter is
converted into potash.

Supreme Court Knocks the Stuffing Out!

It seems that about half the
property left by the late Charles
T. Yerkes, to hospitals, art muse-
ums, &c., consists of bonds in the

sion of the supreme court has
been quite effectually put out of
business.

A SPANISH BOUQUET

**AN ANARCHIST THAT ALMOST
DID SOMETHING GOOD.**

Some people in America would
have thought there was some
good in evil if that anarchist
that threw that bomb-bouquet at
King Alfonso and his bride last
week, had took better aim and
killed Butcher Weyler. This
worthy was wounded in this at-
tempt, twenty persons killed and
sixty wounded.

YOUNG MAN, DON'T GO TO SPAIN TO GET MARRIED.

That hydra-headed political
monstresity known as anarchy,
lifted up his head in Madrid,
Spain, last week, and attended
the king's wedding, and left its
mark by providing for twenty
funerals. The assassin had rented
a room in the queen-mother's
palace, and had it furnished mag-
nificently, and must of had
wealth. From the window of
this room he threw the bomb
concealed in a large bouquet of
flowers, but owing to its striking
a wire it deflected and missed the
royal couple, but spread death
around, and the bridal veil of the
princess was spotted with blood.

LABOR TROUBLES.

Some counties in Texas are complaining about the scarcity of labor. In one county \$2 a day and board was offered for cotton choppers. The labor problem appears to be becoming more irritating every day.

At Cannonea, in the State of Sonora, in Mexico, Col. Green, the copper king of America, is operating some mines and a smelter. For some reason a strike of the Mexican miners employed occurred, and ragers from Arizona went down, then Mexican troops arrived and took control. About ten Americans and twenty Mexicans were killed. The Mexican government claims that the trouble was fomented in St. Louis and that it was meant to be revolutionary against the Diaz government.

In Ohio the coal miners are on a strike and the militia has been ordered out.

Senator Burton of Kansas has resigned. He had the misfortune of being caught—that was the trouble with him. Senator Chauncey Depew of New York just permitted his friends to do bad in his name, and had a chance to legally exculpate himself by paying off the shortage. If you ever go to U. S. Senate, and must steal in order to keep in the push, why just let your friends do the swipe act. Many a shepherd dog has permitted a coyote to kill a lamb and then robbed the thief. That is the safest way. Burton, must serve a term in jail just because he was not slick enough, while Depew will set up senatorial gravy. Both stole, Depew the most, and by far in the meanest way.

The cure is

WINE OF CARDUI

that marvelous, curative extract, or natural essence, of herbs, which exerts such a wonderful strengthening influence on all female organs. Cardui relieves pain, regulates the menses, stops drains and stimulates the muscles to pull the womb up into place.

It is a safe and permanent cure for all female complaints.
