Welcome Blue Jays. You certainly did well on your first. Come often and in the meantime stop the young man from washing his own bottles. Yes candidates can be very handy just previous to election time, and sometimes it pays dividends too. —Ed.

## Harris Happenings

Hello Mr. Editor: How are you this windy March weather.

The people are busy preparing their land for planting in this part of the county.

Misses Sudie and Freddie Williams spent Tuesday night with Mrs. Alma Shaw.

Harris school closed last Friday morning and Miss Ludie returned to Plains in the afternoon.

Mr. Jess Joplin and Lee Shaw went through our neighborhood last Monday on their return from

their Mexico home.

B. F. Clark and daughter, went to Lubbock Monday, where Miss Clark received medical treatment.

Bill Stamford is in our settlement this week looking after Dr. Mile's cattle interests.

Cattle are only doing tolerably well now days, but grass is coming fast since the late showers.

We are losing two of our neighbors through real estate transfers. Mr. Howell expects to go to East Texas, and Mr. Bishop has moved to Plains.

We have a new neighbor on the Cox place. Glad to welcome a family in our midst at any time. Good Day.

Old Timer.

## NEEDMORE ITEMS.

Hello Mr. Editor:—Here we come with our little budget. If we make mistakes, please don't laugh at us.

We are having some real beautiful weather for March, but a good rain is needed.

Rev. Elgar Owens filled his regular appointment here last Sunday.

The singing at Lee Walker's Sunday eve was well attended.

We are glad to report the sick

in the community very much improved.

Claud Davis of Brownfield is visiting in our community this week. We are always glad to have Claud with us.

Messrs. Caddenhead Dudley and Geo. Alexander attended singing Sunday evening.

Mr. and Mrs. Whitley attended church at Meadow Sunday.

We have the lumber on the ground for the new school building. Work began on it Monday morning.

Prof. A. K. Huckelberry's school closed last Friday having continued almost 13 months. Prof. Huckelberry has always given good satisfaction as a teacher.

Rev. Hamlet will preach two sermons at Needmore the 1st Sunday in April. Everyone is invited to come. Dinner on the ground.

Misses Eula Ella, and Abbie Howard and Myrtle Walker attended the closing of Prof. Brook Gist's school at No. 3 last Tuesday. All report having a good time.

We are always glad to report that we have another young man in our community. Mr. Wesley Shook of Comanche county is making a crop on the Hanks place, and we will also add that he is his own chief cook and bottler.

Jay McPhaul of near Plains, Yoakum county, is buying corn in our community and attended the quilting given by Mrs. Geo. Whitley last Thursday. All report a good time and a fine dinner and lots of quilting.

While on their way to Tahoka John Brown and wife, spent Monday and Monday night with their old friend Uncle Billie Howard.

Mr. Shepherd was electioneering with the ladies at Mrs. Whitley's quilting. Mr. Shepherd learned to be very eager to help the ladies and to attend to the babies

As our letter is getting very lengthy, we will ring off.  
Jay Birds.

## MEADOW SCHOOL NOTES

Great guns and little pistols! Doesn't it make you "ringy" the way that the weather man at Washington is doing business for us people down here? I believe that he is "monkeyin'" with the man in the moon.

In our counting contest last

Friday evening, Claud Peeler lead with 71 points in 45 minutes closely pursued by R. Hamlett with 70. The next best was 63 by Kepley Lindsey. Do you know that publishing the name of the child who excels in the work has proven to be one of the best incentives to do excellent work that I have ever found? It works wonders with these children. But we are sorry to say that last week, only one made the "Honor Roll." That one was William Long.

The young folks that attended the party at Mr. W. P. Brown's last Friday night, report it a success and a good time for every one.

Mr. R. G. Way sold 25 head of nice young mules to some Big Springs buyers last week. I do know the price that they finally agreed upon, but it is evident that Mr. Way got a nice little "roll", and that is a fine thing to have these hard times. Quite a good deal of stuff is changing hands in these parts now.

We heard Mr. Evans say the other day that he has some maize planted that is coming up. How does that sound?

Brother Trammell passed through this place this evening on his way to Brownfield.

Mr. and Mrs. J. W. Peeler paid Mr. R. G. Wood a visit in his bachelor home last Sunday evening. I know how good a bachelor feels when some body comes to see him, for I have tried it.

Wasn't Easter a lovely day? Quite a large number of youngsters, children, and older people from three counties met by invitation, at the delightful home of Mr. and Mrs. T. E. Campbell and all had a royal good time in an old fashion Easter hunt. We all enjoyed ourselves almost to death. After the second hunt was over, the young people went into the parlor and spent some pleasant time in caroling some merry melodies. It was a happy evening in song.  
Hottentot.

## PRIMROSE SCHOOL.

Well after a 3 weeks rest we will come again with our little mite.

It seems to us that Hottentot is having a deal of fun, and we glory in his spunk. Say Hottentot, you missed something last Friday night.

This is the Herald's birthday, but we have seen no cake forthcoming.

Herald fully agree with the Lubbock Avalanche that the Star-Telegram is the paper for West Texas folks. The Telegram is giving more free space to West Texas per week than any other

big Texas daily does in a month, and west Texas weeklies should recommend it to their readers.

Fort Worth as usual sustained her reputation last week as a convention and stock show town. The Fort is especially popular with West Texas people as some of her best and most influential citizens came off the cow range. Therefore she knows how to please western people and make them feel as comfortable as in their native breezes were fanning their honest checks.

Cotton may some day be the staple crop in Terry county, but as yet no particular attention has been paid the "King of Plants." There might be a hardy variety introduced. At present corn and the many forage plants seem to predominate and as they are very successfully grown, we should add broom corn as it will thrive under practically the same climatic and cultural conditions that maize, kaffir and sorgham does. It can be made a staple and paying crop.

A Missouri editor is said to have a plan to keep subscriptions paid up which works without fail. Every time a delinquent subscriber is mentioned in his paper his name is inverted. Every other subscriber understands what it means and there is a grand rush to get "right side up" again.—Barnhart Book.

The Herald may try this plan, and if those that owe us want their names to read right-handed they MUST dig up.

It strikes us that the water works in our little city are not looked after just as they should be. We have four good windmills one on each side of the public square, but there are times when there is no water in either of the troughs. We do not know whose duty it is to look after these mills, whether it be the county or not, but do think that it would be a good idea to pay some man enough to see that these mills are kept in good running shape and the troughs kept full of water. There is nothing that hurts a town more than for a traveler to come in and not be able to get water for his stock. We do not suppose that it is often the shape of things but since we have been here we have seen every trough dry. Can't we devise some means and a way whereby this can be remedied?—Tahoka Informer.

We agree that there must be something the matter over there as Brownfield has only one well, about as many travelers and probably more loose stock and very often our streets are flooded and the waste water is used to irrigate the trees in the court yard.

To the Public.

Brownfield, Texas, April 3,

1910—Through the columns of your local paper I desire to announce to the public that I shall be permanently located here with you from now on. I will handle real estate, insurance, also, farm loans. I assure you that if you entrust your business of that kind to me it shall be cared for, and I shall strive to turn each and every piece of land regardless of size to the best advantage.

I am associated with eastern land men who will aid me in bringing prospectors to this country. We have at present many looking this way for investments and later we expect to do a good business. If you list your property with me, it will be appreciated and you will get results. Being unknown it might be well for me to give some reference. My home being near Waco, I will say write to any of the following: J. N. Chaffin, Elk, Texas, R. C. Thompson, Axtell, Texas, Ben Park, Mt. Calm, Texas, S. H. Clinton, Waco and R. G. Wright & Sons, Waco, Texas. All the above are merchants. Don't hesitate to write them, for I wish to get acquainted. Also, write The First National Bank of Waco, or The Albany National Bank, of Albany, Texas, where I have made my home for the past three years. Remember if you want to sell, buy or exchange, see me and I will be at your service.

Very truly yours,  
T. O. SHELTON.

**World Needs Manhood**

J. L. LEONARD, pastor Park Baptist Church 701 Linn st. Brookfield, Mo, Jan. 14, '10. To Whom It May Concern:

It affords me great pleasure to speak a word in behalf of Hon. Ruben M. Ellerd, of Plainview, Texas.

We met first in the Southern Baptist Theological Seminary, at Louisville, Ky., became roommates and class mates. I found Mr. Ellerd to be capable, honest, studious, persevering and judicious in the midst of difficulties, conscientious, unselfish, true as steel, loyal to his God and to his fellow man. In nothing during that time, nor since, has he depreciated with me, but the powers of his splendid manhood have asserted themselves more fully, and the strength and beauty of his strong character have become more evident in his life as the days, months and years have come and gone. One of the world's greatest needs is a noble manhood and a high sense of civic righteousness in the men who give themselves to the profession of law; officers who have a high sense of honor, and stand unmovable on principles of right and justice. No man will do it unless inwardly fitted for such duty; he must have anchored deeply in his life a reverence for God and the eternal principles of divine law as the foundation and

source of all law.

From my observation and close study of Ruben M. Ellerd, his life and work, I state freely and with pleasure that I know of no young man that measures up to the standard here laid down more fully than he does. I speak these words for him without reservation or hesitancy, because I know that his splendid manhood will back up what I have said and meet the demands wherever placed.

Truly,  
J. L. Leonard.

**Hawkins' Campaign Notes.**

It is a fact that when Hawkins was a candidate for State Senator in 1904, he received every vote in the primary and also at the general election in the four counties nearest Midland, his home county. Said counties were Martin, Midland, Ector and Ward. He also received every vote in a previous campaign when he was candidate for representative from his district. The indications are that he will receive practically a unanimous vote throughout West Texas in the primaries next July.—Stanton Reporter.

Mr. E. J. Cowart, the leading tin man of Lubbock, was in our little city this week, and while here called on the Herald. Mr. Cowart informed us that he would put in a good tin shop in Brownfield in a few days, and send Mr. Dupree down as local manager. This is only another instance where one of Lubbock's keen business men have seen the future of Brownfield and wants to get on the ground floor. Welcome! The more the merrier.
