3 BLUES AND 10 RED RIBBONS AT STATE FAIR

TERRY COUNTY PRODUCTS COMMAND ATTENTION OF THOUSANDS

First Prize on Kaffir Corn, the World's Greatest Feed Crop. Apples Won Prizes Over McKinney and Sherman Nurseries. Eyes of the World on the Great South Plains of Texas, the Future Feed, Fruit and Truck Center

The following letter was received from Uncle Billie Howard Friday afternoon: Fair Grounds, Dallas, 10-22, '13, Mr. Jack Stricklin,

Brownfield, Texas.

Dear Jack:—Our stuff has won 12 premiums as follows.

Blue and red on Kaffir corn.

Red on maize.

Red on cabbage.

Red on cantalopes.

Blue on winter squash.

Red on kershaw.

Blue on string beans.

4 Reds on apples.

Cotton has not been passed on yet, but some think I will get Red on cotton,

Old Terry is being looked at.

Hurrah! for Terry.

Wm. Howard

Under date of the 21th he wrote:

Hurrah! for Terry county; see got second premium on three best stalks cotton. Am having a good time; lots of people excited over our display.

Wm. Howard.

It can be seen from the two notes above that we have done well at the Dallas State Fair again this year, even better than we have ever done, and every citizen in the county may feel proud that Terry county products are daily astonishing the multitudes that enter the gates of the great est State Fair on Earth.

Of course there are many coun-

ties that have taken more premiums than we, but they have railroad facilities and many of them have been organized almost half a century. They had in some cases more than 1100 varieties of products while we had barely 100. Terry county has only been organized eight years, has no railroad facilities or manufacturing plants to help out, but probably if our people could hustle up and get three times as many products together next year. Let us begin now to plan what new products we will plant next year to augment our chances for a county prize next year. A county prize is something worth going after.

While we are proud of every

prize we took, we are especially elated over our first prize on kaffir corn and 2nd prize on maize. These two field crops are now almost universally recognized as the king of grains for both man and beast. For the last two years, Kaffir has taken a step in advance of all other feed crops, on account of its supremacy as a silo filler. Whenever a silo is mentioned—and that is often these days—one cannot but help think of kaffir. What does it mean to Terry county for her to take 1st prize on native grasses at Amarillo and 1st on Kaffir at Dallas? It means, to the thinking man that we have the best combination grazing and stock farming country on earth, and that is saying something, but is nevertheless a literal truth. You've got to have plenty of good grass to start the herd cheaply, and then we have the soil that producer the kaffir, the world's greatest ensilage, in abundance, and one man can cultivate and harvest 100 acres. We have the combination that is hard to down.

Then we call your attention to our vegetable prizes we have won against Mineola, which claims to be the center of the vegetable growing district of old East Tex-

as. Hale, another south Plains county took sweep stakes on vegetable. This goes to show that the Plains country is also adapted to vegetables, of which all tables are incomplete without.

Notice also, that we took four 2nd prizes on apples against the irrigated region around Plainview and two of the best known nurseries in northeast Texas. Plainview also took sweep stakes on apples. Our oldest orchards are just now beginning to bear, and the fruit is free of worms or disease. Some day the South Plains will make northwest Ark. look like 30 cent on the apple, plum and grape proposition.

There is just one other item we wish to notice; the 2nd prize on cotton. We have never advertised this as a cotton country, as we hate like smoke to spoil an ideal stock-farming, fruit and truck country by introducing cotton, but still we can say truthfully that we have a very good cotton country, and if the seasons were a little longer, we could not easily be downed. This year people are getting from 14 to 1-2 bales per acre, while it is taking on an average of four or

Isn't old Terry just lovely, anyway.

Don't forget to mention when writing back east that this is the Blue Ribbon county.

Well, that freeze has arrived—but the taters and pumpkins and apples are cellared.

You don't have to believe all we say about Terry county, just come out and look around and talk to our real farmers. Come straight to Terry. Don't be hoodwinked or side tracked. There is only one original, genuine Terry.

Probably more new farms will be opened up and new homes built this winter and spring in Terry than at any time since we have been here, which is a good sign, but we need 1000 new farmers to half way do justice to our fertile soil.

The political pot is boiling all ready in Terry, and it now looks as if we will have the biggest bunch of candidates in history. But it will be a hard matter for the dear voters to decide as they are all good men and all are our personal friends.

The Herald has received numerous season passes this year to the different State attractions, among which are the Amarillo and Dallas Fairs, the Cotton Palace, Waco, and the Fat Stock

Show, Fort Worth. Of Course these little courtesies toward the press boys are highly appreciated, but Herald cannot possibly use his passes. However some day, we may be able to get a trade through with some of the railroads to carry us, and we will surprise some of the free pass donors, as sure as little peaches.

About the Southern National Highway.

Some few weeks ago, the papers in the tier of counties to the south of us, came out in big headlines to the effect that they had secured, or were about to secure the route. As Brownfield has already spent several hundred dollars on the route through here, for logging and other incidentals, Sec. Geo. W. Neill got busy with the telephone and his typewriter and a phone messages from Sweetwater's most prominent citizen said they were still standing pat with us on the route as logged by Mr. Westgarde.

Only this week one of our business firms had a letter from a business man of Sweetwater, and in closing he added a postscript to the effect that Col. Potter, President of the route, was in town and that everything was all o. k. for us.

There should be no uneasiness felt. These towns have held back and now see what they have missed and are just raising a

dying howl. We believe we have the Southern National Highway cinched. Roswell and Sweetwater are still for this route; so is Col. Dell M. Potter. It is the only practical route and everybody, even these howling towns know it. They know that everything north of the T. & P. railroad have to come through here to get to Roswell and El Paso.

Come to Terry.

Howard and Tom James came in this week from Tatum, N. M. Howard will begin to work on the Merc and Tom went on to the railroad after supplies.

Another non-resident land owner has taken the notion that he just as well move out here and get rich as to stay back east and pay tax on his Terry county property. We speak of Mr. S. E. Black, recently of De Leon, who arrived last week and begun grubbing his land one mile southwest of town. Wagons are on the road after lumber and Timms Bros are drilling his well. Welcome to grand old Terry.

The Bon Ton bunch of Rebekahs, served refreshments last Tuesday night, and came near surprising the other two bunches. They first came out with saucers of brown beans, and squares of corn bread on the side and a cup of—just cold water. But after a little—Present—and out came cake, sandwiches, fruit, and orange julep, daintily served. The Al Fresco bunch will entertain next Tuesday night.

Hopeless Case.

"De trouble wid me and muh wife," admitted old Brother Gaumpers, "am dat, whilst we 'gree most o' de time, we don't 'gree at de same time. I kin 'gree 'bout anything, and she kin 'gree 'bout anything, but we kain't 'gree wid each udder 'bout it. When I'm willin' to 'gree wid her she won't 'gree wid me, and when she is ready to 'gree wid me I've changed muh mind and kain't 'gree wid her. We kin bofe 'gree separate, but we kain't 'gree together on de same thing at de same time, and de mo' we tries de wuss we gits."

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it."

Do you, lady reader, suffer from any of the ailments due to womanly troubles such as headache, backache, sideache, sleeplessness, and that everlastingly tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

Fresh Mackrel at the Merc. Two big ones for 25c.

Bob Holgate, of Gomez, was attending District Court Monday.

Ben Hurst, of the West side, was here this week.

J. Barrett served as a Grand Juror, Monday.

W. J. French was here as a grand juror this week.

Roy Scudday will teach the Pride school this year, beginning Monday.

McADAMS at Takoka, sell the "Old Reliable" McCommick Harvester and extras.

People in the neighborhood of Brownfield are keeping two well drills just about busy these days.

Earl Hill began Monday to put a fresh coat of paint on the State Bank building.

Mr. and Mrs. M. V. Brownfield left Monday for Sweet water, Fort Worth and Dallas.

Many people with sour stomach find relief in Dr. Miles' Laxative Tablets. Try them yourself. [Advertisement.]

Noah Bell is now sporting a bran new Ford.

Mrs. Alvin Duke is visiting her mother-in-law and sister-in-law, Mesdames Duke and Johnston, this week.

YOU will find all kinds of auto supplies at Royalty & Wilson garage, Lubbock, Texas.

Walter Gainer, of Gomez, passed through on his way to Tahoka, Wednesday, after freight.

FLUES, piping, casing, pokers, shovels scuttles and the best of stoves, at the Brownfield Hdw.

Sam Walker came in with a big load of freight Monday for the Merc. He bought another freight wagon while in Lubbock.

Jno. S. Powell has returned from Fort Worth where he disposed of his 800 lambs at \$4.75. Mr. Powell is somewhat disappointed in the price received, but he found the market dull.

E. L. Duke delivered the editor a load of 1913 corn this week that was o. k. Mr. Duke will get in the neighborhood of 25 bushels per acre and has in 50 acres.

GLASS. A good stock always on hand; can cut it to fit. Brownfield Hardware Co.

Charles Stewart came in last week from Van Zandt and Bell counties where he had been visiting relatives this summer. He will teach the Lou school in Dawson county.

Edwin Groves came in again Monday with another big load of apples of which he readily disposed. He said all hands and the cook turned out Sunday and picked apples to keep them from freezing that night.

IF you want a beautiful car with the best service attached, figure with Royalty & Wilson, Lubbock, for a Hupmobile.

Wiley Bridges, an erstwhile Terryite, but who has recently tried a year—not three—in Arkansas, returned this week. In

conversation with the editor Wiley said he was very proud to get back, and that this wind—rather hard from the west—felt good to him.

THAT run down car just needs some expert doctoring. Send it up to Royalty & Wilson, Lubbock, Texas.

Misses Dollie Duke and Jennie Lee Allmon left Sunday in Jay McPhaul's car for Lubbock, where they will take train to visit friends in and near Ralls. Miss Dollie will take in the Dallas Fair while away.

Mrs. Daugherty informed us last week that she made a big lot of sweet potatoes this year. Her garden was broken last fall, the weeds cut off in the spring and holes punched in the ground. The potato slips were put in these holes and they did the rest.

DONT forget that the Brownfield Hdw. Co. carry the famous Sherwin Williams paint and Winchester and U.M.C. ammunition.

The pains of neuralgia seldom fail to yield to Dr. Miles' Anti-Pain Pills. Ask for them yourself. [Advertisement.]

District Court was opened Monday by Judge W. R. Spencer, who empaneled a Grand Jury, but it was dismissed in a few hours as there was no work to do. There were no indictments and no Petit Jury was summoned. Court was adjourned on Tuesday. District Attorney Lockhart was present. Yes, Terry county people are first rate folks, alright. Court is just a formality with them.

Quarterly Conference

As mentioned in these columns some time ago, Presiding Elder Terry came in this week and held the last quarterly conference for this conference year, at the Methodist church. Among the other business transacted, John S. Powell was elected Sunday School Superintendent; other officials holding over, we understand.

The Brownfield church overpaid its part of the Pastor's salary, which we consider an excellent showing for the number of members.

Dr. C. S. Maddux represented the Gomez church at the conference. Bro. Jameson will leave in a few days for the Northwest Texas Conference at Vernon.

more acres to make a bale in the heart of the cotton growing region. An old ginner said to us recently that he had ginned cotton in various parts of Texas since the early seventies and had never seen cotton turn off lint like it does here.

The following is a splendid description of our exhibit and our county with only two or three minor mistakes, taken from the Dallas Morning News in its issue Monday, Oct. 27th:

TERRY COUNTY BOOTH RESULT OF HARD WORK

Many visitors in the agricultural department of the State Fair have noticed the big banner inscribed "Terry County," hanging over a little booth on the south side of the hall, and many have stopped to spend a few minutes in conversation with the affable gentleman in charge of it, William Howard, who is an elderly farmer residing six miles from Brownfield, the county seat.

The exhibit from Terry county furnishes one of the most interesting at the Fair. The display is not so large as some, but the products have been carefully selected, are arranged in genuine home like manner, and there is no doubt that the gentleman from Terry county goes to more trouble to get his exhibits here than of any of the other estimable gentlemen from other good counties.

Although Brownfield is but a small town of a few hundred inhabitants, a county fair is held there each year. The one this year was held Oct. 9 and 10. The best specimen brought to the county fair are selected and then Mr. Howard loads them into his wagons and hauls them to Lubbock, twenty-eight miles away which is the closest railroad point, for Terry county has not a mile of rails in its domain.

TERRY TAKES PREMIUMS

This is the third year Mr. Howard has brought the exhibit from Terry county; each time it has taken a number of prizes. Among those secured this year were second on three best stalks of cotton, first on red Kaffir corn and second on white Kaffir corn, first on string beans, four seconds on apples, second on threshed maize, first on winter squash, second on cantalopes, second on kershaw and second on cabbage. Which, Mr. Howard insists, is not a bad showing for a little county, 'way out in the Panhandle.

"Kaffir corn, milo maize, corn, cane and feterita, the new forage are among our best crops," said Mr. Howard. We also raise quite a bit of cotton. These apples are all from my orchard and they took four second prizes. The blue ribbon on string beans was awarded to the entry of my little granddaughter, who insisted that they were good enough to bring to the Fair." He smiled and remarked. "I see the judges

agreed with her."

"They are growing lots of peanuts in Terry county," he continued. "Some of my neighbors got half a bale of cotton per acre this year and these sweet potatoes we have on exhibit ran 500 bushels to the acre. We have samples of three cuttings of Sudan grass for this year off the same land, the first two of which made a ton to the acre each.

FINE FRUIT DISPLAY

There are watermelons on display weighing as much as seventy five pounds; eight varieties of grasses that Mr. Howard found on a plot of his pasture, ten steps square; many kinds of popcorn, Egyptian wheat, seeded ribbon cane, sorghum and quantities of peppers. The fruit display is in the center of the booth and bears out Mr. Howard's contention that the quality is as fine as can be found in Texas. And there are many other standard crops embraced in the little exhibit.

"I have been farming in Terry county for ten years," said Mr. Howard, "and haven't made a failure a single year. We don't irrigate. We use the dry farming method altogether. If we only had a railroad nearer, there would be no end to what we would raise."

Many handsome jars of preserves, jellies and jams are on the shelves, along with big vegetables and samples of field seed and grains. There is a small bottle entirely filled with three peanuts of unusual size. The booth decorative scheme is carried out largely with maize and

Kaffir corn and makes a typical showing of what the rugged American farmer can do, even when he is miles away from the railroad.

Dr. H. T. Day came through last week with a big load of seeded ribbon cane, on his way to the Price ranch to have it made into sorghum.

Woman Finally Recovers From Nervous Breakdown

Impoverished nerves destroy many people before their time. Often before a sufferer realizes what the trouble is, he is on the verge of a complete nervous breakdown. It is of the utmost importance to keep your nervous system in good condition, as the nerves are the source of all bodily power. Mrs. Rosa Bonner, 825 N. 18th St., Birmingham, Ala., says:

"I have been suffering with nervous prostration for nine or ten years. Have tried many of the best doctors in Birmingham, but they all failed to reach my case. I would feel as if I was smothering; finally I went into convulsions. My little girl saw

Dr. Miles' Nervine

advertised in the papers and I at once began to take it. I continued to take it for some time and now I am well."

If you are troubled with loss of appetite, poor digestion, weakness, inability to sleep; if you are in a general run down condition and unable to bear your part of the daily grind of life, you need something to strengthen your nerves. You may not realize what is the matter with you, but that is no reason why you should delay treatment.

Dr. Miles' Nervine

has proven its value in nervous disorders for thirty years, and merits a trial, no matter how many other remedies have failed to help you.

Sold by all druggists. If first bottle fails to benefit your money is returned. MILES MEDICAL CO., Elkhart, Ind.
