### Special Examination

Austin, 2-17, '14.  
To the County or Ex-Officio Co. Superintendent:

Your attention is called to the fact that a special examination for teachers certificates will be held in all county seats in the State the first Friday and Saturday, and Thursday preceding, in April, instead of May, as heretofore. There will be no May examination this year. The change is made to accommodate a large number of teachers who desire to hear from their papers before the regular June examination. The April examination will be limited to State certificates only, and the same rules and regulations which govern the regular examinations will also govern in this instance.

You are requested to give notice of this examination to the public through the local papers of your county and by other available means.

The following schedule will be adhered to in all examinations for 1914, except the series of summer normal examinations:

Thursday Forenoon

### Meadow

By Sandy

Delayed.

Hav'n't heard anything from Meadow in some time and we must not be left out. We enjoy reading the news from other parts of the county.

Some of the people are through breaking land and the rest are real busy plowing, this good weather.

Mr. Gist has sold his home to Mr. Arnett. We hear they're to go to California. We shall be sorry to lose these good people.

Mr. Boyd is losing his calves from blackleg. Mr. Cowan lost two, two year old heifers. Supposed they had blackleg.

Mrs. Ellington is going for a visit to her son and wife, at Harris.

Our school is moving along beautifully under the management of Miss Nannie Campbell.

Mr. Reader and wife, who have been in Meadow for some weeks, are going to work for Hily Boyd, in Cochran county.

Miss Maud George, of Cleburne, is clerking for our merchant, Mr. Peeler.

Mr. Newt Copeland has erected a mill on his place, east of Meadow.

We had such a good crowd at preaching Sunday. Do hope everyone will come and take an interest in every meeting.

Several from Meadow enjoyed a nice dinner at Mr. and Mrs. Beall's last Sunday, also some of their neighbors, that day being Miss Elsie's birthday.

Everyone is well in our community, and we have fine prospects for good crops.

### Harris

By Sand Bur

We received the March number of The Ladies Home Journal last Saturday. That was our first copy and after perusing some of its pages, we feel like thanking the editor again for our prize.

Brit Clare spent last Wednesday night with Walter Frazier, and while there looked at all of his good stock.

Thelma Latham and Gertrude Wingo, visited Fern Harris last Thursday night.

The younger set were royally entertained at the hospitable of Mr. and Mrs. Alexander, last Friday night, and by the way, Walter Frazier is an honorary member of the said younger set.

Mr. and Mrs. Latham of Bronco are here visiting their

daughters, Misses Mabel, Jewel and Thelma.

Floyd Ellington brought his mother down Thursday to visit her son, F. M. Ellington and wife. Floyd carried his sister, Miss Grace, home with him, as she had finished her school at the Alexander School House.

Born to F. M. Ellington and wife on last Sunday morning a fine girl. Dr. Treadaway was in attendance. Mother and babe are both doing well and the father acts so self important his friends would become estranged from him if they didn't know the reason why.

J. W. Spear and wife went down to their south place Saturday and returned Sunday afternoon.

We are sorry to hear of Mrs. Christenson having another stroke of paralysis last Friday night, but she seems to have fully recovered from the effects of it.

Jim Wright and wife came up to visit with the home folks last Monday.

Two Vernon pastors have arranged to exchange pulpits; one a Methodist, the other a Disciple. This is true co-operation. Only a few years ago, one preacher would have been afraid to risk his flock with a preacher of a different denomination. The world moves.—Hereford Brand.

Its a colossal joke, this nomination of Tom Ball. In a progressive state an ultra reactionary has been chosen by the prohibition democrats for Governor. He is one of the biggest corporation lawyers in Texas, attorney for John H. Kirby, helped to nominate Alton B. Parker against Bryan, fought Hogg to a queen's taste and opposed Tom Campbell for second term. No wonder he was kept in the background—his political record in Texas represents the check-board. Do the prohibitionist of Texas think Texas Democrats are going to elect this sort of man governor? Nay verily. We think now we can hear James Stephens Hogg turning over in his grave with a sigh. Elect Tom Ball governor of Texas—we think not. To place an avowed representative of corporate greed

in the governor's office in Texas is extreme folly.—Lockney Beacon.

The Lynn County News took us to task last week for opposing Thomas Ball. Well, we thought this was a free country, and a man could favor any candidate he wanted. He said we were the only anti paper around. It is a fact we did vote against State-wide prohibition three years ago, and let every man in the county do just as we did; vote just as he pleased, and we have no apologies to make. The fact is, Crie, we don't shape our editorial policy to suit public sentiment; neither do we try to shape public sentiment to our editorial policy. The only difference between the whiskey drinking of the Herald and the News is, not in quantity consumed, but in the manner of consuming it. The Herald gets a little whiskey, say about once a year—not so often now—calls in its friends and makes an old fashioned egg-nog, and we have a nice, quiet time. The News don't buy any, but gets around behind some old building with some other good fellow; consumes the raw stuff, and tells his wife that he had some work at the office that detained him, in order for the cloves to have time to get in their work. The Herald is open in its cussedness and the News is sneaking. He also takes cognizance of our moral and religious standing. Say, brother we don't claim to be very religious, but we are willing for a committee of six, three from your town and three from mine, to be named by you, to investigate our moral characters, and if we don't stand as well in our community as you in yours, then we will leave the State. He goes on to say that all antis are political prophets; when did the pros quit, Mister? We were merely basing our prediction on the the election two years ago, when one of the strongest pros in the State was snowed under by an unpopular anti, and the Herald believes to this date that Will H. Mayes would be a better runner than Ball. If Mayes had stayed in the race, the pros would have received our hearty support; but Ball, never; we had as soon support Jake Walters, and that isn't to be thought of. Crie, if you will kindly look around you, you will find that several dyed in the wool pro papers are not going to support Mr. Ball just simply because he happens to be a pro.

Some people look for men as we as measures, but even the continued harping on any measure gets dumed old sometime. Broaden your mind some, ma!

A Chicago woman, who desire to set the world an example of brotherly love and convince mankind that all races can dwell together in peace and unity has decided to adopt fifteen children of the same age representing all races and nationalities, and raise all under the same roof. This woman is a good woman of philanthropic impulses, but she is courting trouble and will get more than her share. The Mexican will start an insurrection before the family is out of kilts. The Jew will soon have all the money, which may turn the other fourteen into anarchists, crying for equal division. The American will fool away all his time talking politics, and then insist that the negro do all the chores. The frolicsome Irishman will cut off the Chinaman's queue and the German will consume more than his share of beer, and all the other nationalities will pound the Englishman because he can't see the point to their jokes. The good woman will land in the asylum, and most of her adopted family will probably find the way to the penitentiary.—Honey Grove Signal.

By Being Constantly Supplied With Theford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble.

Ten years ago a friend told me to try Theford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught."

Theford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Quite an enlivening incident occurred last Wednesday evening when the authorities received phone calls from Sheriff Edwards, of Tahoka, to apprehend a party who had escaped from him in an automobile. Sheriff Edwards soon arrived and took his man back.

The Brownfield Merc. are now handling the famous Sharples line of cream separators, and will buy cream from those who purchase a separator. The farmer has a few cows, a cream separator and a silo, don't have to mortgage his wife and kids to get supplies; he don't need credit, as he has the cash all the time.

Mesdames Spear and Wrotan, were in Tokio shopping, Saturday eve.

Mrs. Christianson was taken ill last week, but is getting along fine now.

To set and ordinary column of type requires 10,000 pieces of type. There are seven positions in which each letter may be placed, and there are 70,000 chances to make errors, besides millions of chances to make transpositions. In the sentence, "To be or not to be" by transposition alone it is possible to make 5,759,022 errors. After reading the above statement from a printers magazine, do you wonder why you sometimes see an error in the newspapers? —The Wellington Leader.

The Herald prints from 12 to 15 columns of type per week,

therefore we stand 1,050,000 chances to make errors per week. If your merchant, lawyer or doctor had that many against them, what would happen to you, and if a farmer had a one-thousandth part as many against them the world would starve to death. If you find a few errors in a newspaper from now on, just reason that they are only one in a million chances, and then ask yourself if you do that well.

### Notice.

All old Confederate Soldiers and others that are interested in their cause, are requested to meet at the Court House in Brownfield, Saturday March 14, to elect delegates to the National Reunion, to be held at Jacksonville, Fla., and to collect and send in our dues. It is to be hoped that we will have a good crowd of old Vets out at this meeting. By order of William Howard, Commander

J. A. Russing and two of his boys came in this week from Tahoka, where that family has temporarily stopped, and went on over to their place near Tokio, where they will begin preparations to put in a crop. Mr. Russing is negotiating the rent of old Harris residence, where he will move his family until he can build a suitable residence on his place. We certainly welcome this splendid family to old Terry.

Messrs. Joe Lane, Will Arnet, Jay McPhaul and Oral Adams, of Terry county, and Joe Doss and Top Head of Gaines, left here Saturday for the Stockmen's Convention at Oklahoma City. Joe said he would be "Mr. Lane" when he got there.

Quite a lot of people here are sick with severe colds this week. Lois Reeves, Houston Shepherd, Hosey Key and ten others are out of the Prof's. room to day. Lois has been sick since last week and is quite seriously ill.

Mrs. Carrie, not Currier clerk at the Merc. last week.

Mrs. Vernon Seits returned to Lubbock last Saturday, after a two week's visit here at A. P. Seits's.

Mrs. J. M. Currier and children visited ye scribe Saturday afternoon.

Church services here last Sunday at the Methodist church at 11 a. m. by the pastor, and at the Baptist church at 3 p. m. by Rev. Nielson of Post City. Quite a good crowd at both services.

Mat McPherson came in last week, as the man he was working for failed to close the trade for the ranch, so Mat is out of a job. Geo. McPherson and family visited out at Mr. Tom Yates' Sunday, returning Monday.

Mart Key came in from Ariz last week to visit home folks.

Jim Key and family are in town this week. There does not seem to be any definite change in the condition of Mrs. S. H. Key for the past several weeks, and Mr. Key will leave with her this week for Arkansas City, Kans. where she will take a course of treatment.

"Best laid plans of mice or men go astray." I. H. Hudson and Will Black were going to ship their fat calves at the same time, and last week I. H. drove his to the railroad, but Will Black decided to save time and shrinkage by hauling them, so last Saturday they loaded them into wagons and passed through here near noon. An hour later their wagons came back, and Walter Gainer reported that some of the calves got down, and some broke through the bottom of the wagon beds, and they unloaded the wagons. It was then too late to drive through and ship with the others, and the calves were driven back to the feed pens. Old time methods are slow but seldom result in entire failure.

Gay Taylor left for the railroad Monday morning.

The Tokio school is out, and the young folks here gladly welcome Miss Rena Lewis, the

teacher back home, for though they live two miles east of here, Miss Rena is always counted a Gomez girl.

A match Basket Ball game here last Saturday between Gomez and Brownfield resulted in a score of 5 to 17 in favor of Gomez girls, and the game between the boys of each town stood 9 to 12 in favor of Gomez.

There was quite a large crowd over from Brownfield and the ball team stayed over and attended an entertainment that night, given by Miss Wolfarth to both Gomez and Brownfield teams. There were twenty eight guests, and games were played and all had a good time until a late hour, when delicious refreshments were served, consisting of cake, ham sandwiches, pickles and ambrosia. The occasion was one of the most delightful of the many of this season, and all presene hope for another like it in the near future.

Mrs. Ed Moore came in from her school last Saturday and returned Sunday. Ed is now drilling a well for W. A. Bell six miles south of Brownfield.

Messrs. Ed Spear and Roy Harris were in town Monday, and visited here that night.

There was a moving picture show herethree nights last week. There was a good attendance throughout. Mr. Houston, of Mexico spent several days here last week.

Miss Mary Simms visited Mrs Grover Lewis several days last week. Grover and wife went to his father's Saturday night and and Grover took sick and has not been able to go home.

Mr. Myer from near Plain view stayed several days here last week selling soap recipes.

Bert Shepherds left Lubbock Monday morning for Sinton, Texas, to visit Mr. Allen Shepherd's family.

Miss Jewel Nichols, of Hamilton county, is here on a visit to her sister, Mrs. Geo. McWhirter.

Miss Robena Hargett visited Mrs. Will Snodgrass Saturday night and Sunday.

Well, we are sick with cold and feel tough, and its quite likely have violated all the rules of etymology, orthography, syntax and prosody, but don't bother to correct, we will try to stand the criticism.

You are hereby commanded to summon the Unknown Heirs of E. E. Buffington, deceased; E. E. Buffington; The Unknown Heirs of J. P. Kindred, deceased; J. P. Kindred; the Unknown Heirs of D. Theo. Ayres, deceased; D. Theo. Ayres; the Unknown Heirs of Jno. H. Gibson, deceased; Jno. H. Gibson; the Unknown Heirs of Leopold Fellman, deceased; Leopold Fellman; the Unknown Heirs of Bernard Tierman, deceased; Bernard Tierman, by making publication of this writ in some newspaper published in your county for eight consecutive weeks prior to the return day hereof, commanding said defendants to appear before the Honorable District Court of Terry County, Texas, at the next regular term thereof, to be holden at the court house in Brownfield, Texas, on the fourth Monday in April, A. D. 1914, same being the 27th day of April, 1914, then and there to answer the plaintiff's petition, filed in a suit in said court on the 24th day of February, A. D. 1914, wherein E. S. Buffington is plaintiff and the above named parties, together with A. J. Beardsley, are defendants; file number of said suit being 211. The nature of plaintiff's demands are as follows, to-wit:

That the plaintiff is the owner in fee simple, and has possession of the following described lands, situated in Terry county, Texas; being 640 acres, known as Survey No. 35, in Block 4-X, about 13 miles N., 27 E. from the center of the county, located by virtue of Certificate No. 318, issued to the Central & Montgomery Ry. Co., and patented to A. J. Beardsley, with field notes as follows:

Beginning at stake the N. E. cor. or Survey No. 34, this Block for the S. E. cor. of this survey; thence north 1900 vrs. to stake for N. E. cor. this survey; thence west 1900 vrs. to stake for N. W. cor.; thence south 1900 vrs. to stake for S. W. cor.; thence east 1900 vrs. to the beginning.

That plaintiff purchased said land from defendant A. J. Beardsley, paying valuable consideration therefor, and receiving deed of conveyance thereto which instrument was duly recorded in Vol. 1, page 403, of Terry County Deed Records, which now appear in the name of E. E. Buffington; that this name is an error, either of the draftsman of said conveyance, or the clerk in recording, which of the two plaintiff does not know. That the other defendants are setting up some claims, or title to said land, to plaintiff unknown, in that they have transferred certificate to lands, of the same number as to this plaintiff's land. That these claims constitute a cloud on plaintiff's title to said land, and plaintiff pleads the three, five and ten years' limitation to same, and prays that all claims, right and title of each of the defendants be divested out of them and vested in plaintiff; that he be quieted in the title and possession of said land, and that the error in his deed be corrected and remedied.

Herein fail not, but have you before said court on the first day of the next term thereof, with your return thereon, showing how you have executed the same.

Witness, D. J. Broughton, Clerk of the District Court of Terry County, Texas.

Given under my hand and seal of said court, at office in Brownfield, Texas, this 24th day of February 1914, (SEAL) D. J. BROUGHTON, Clerk of the District Court of Terry County, Texas.
