R. A. SOWDER.

We take pleasure in announcing to the voters of Terry county that Hon. R. A. Sowder is a candidate for the office of District Attorney of the 72nd Judicial District, subject to the action of the Democratic primaries in July.

Mr. Sowder, is yet a young man when it comes to years, but is old in that experience that tends to make a good and efficient attorney. His morals are the best, and he asks that the voters thoroughly investigate his character and reputation as an attorney in his home county (Lubbock.)

He is a native Texan, was graduated from the law department of the University of Texas, and was admitted to the bar in 1901. Practiced his profession at Canyon seven years and removed to Lubbock county, where he has been the past four and one half years. Has served almost three years as County Attorney of Lubbock county, and the records show that he has won a majority of contested cases. During his law practice in Lubbock, he has handled all sorts of litigations, and has no doubt been successful above the average.

He believes in the fearless, but just enforcement of the laws, and that such is demanded by the State and the defendant; that no man is not amenable to

the law, and none so poor and humble as not to be entitled to its protection.

We ask the voters of Terry county to give his candidacy their careful consideration before making their ballots.

Mouse Did You Sav?

We men folks are always ready to laugh at the ladies for being scared of little old mice, but sometimes they can give even a man a very uneasy feeling. For some few days, Bro. B. F. Dixon has been complaining of something like grippe, and one day recently he complained to Mrs. Dixon of having an uneasy, fluttering feeling about the waist, kind of moved about once in a while, then stopped and begin to quiver. Finally the trouble was located and found to be only a half dead mouse, made so by having 225 pounds of avoirdupoise rolled over him. Poor little mouse.

We understand that the Dramatic Club took in nearly \$50 last Friday night at the play.

S. C. Arnett and wife have returned from the Stockmen's Convention, which was held at Oklahoma City.

You may say what you please, but the silo and the cream separator has come to stay. Of all the men that have ever purchased either, you may interview them, and you will find nine out of ten enthusiastic about them

All the big ranchmen in Terry and adjoining counties are making way with Mr. Prairie Dog. They are hiring big crews of professional poisoners to oust the little rodents. In the good old times when it was a good days travel between fences, and there was more grass than cattle, ranchmen paid the little varmint no mind, but the time has come when they must grow every blade of grass possible on their land, and it is an admitted fact that it don't take many dogs to consume as much grass as a cow. They are of no earthly use in the world, and must go in spite of all the humane societies in Boston.

If you go to any new country with the intention of becoming

discouraged the first ill wind that blows, then you are on the edge of a volcano all the time. The man that has made a success at anything of consequence, has done so in the face of almost unsurmountable obstacles. If Washington had kept his warm tent instead of facing the raw wind that turned every spray into icicles, we would probably still be under British rule. It is the same way in this country; when a man comes here with the intention of making a success, he will do so; if he comes with intention of becoming discouraged, and to knock the country, he had better drag it back where he came from; these hearty pioneers don't need him a little bit.

The Herald has no candidate for governor since Mayes was eliminated, and so far there has no one entered big enough for us to vote for, but when some business man gets in who can advocate something besides prohibition or anti-prohibition as the case may be, we are for him. The man who is trying to ride into office upon a platform that the governor has mighty little to do with, will be a poor excuse for a governor. The fact of the business is, the pros. have got more good solid regulatory legislation under Colquitt's administration than they ever got before, because for one thing they had a majority in both houses of the legislature, and another, because that no governor worthy of that name, is going right counter to the demands of the majority of citizens. Personally, we would be proud to support a man of Peter Radford's caliber; he is a statewider but not a fanatic. He is broad enough to recognize the fact that there are other issues before the people, that are a sight more vital than pro or anti. Most of the announced candidates are so small that you have to examine them twice with a magnifying glass to tell whether they are living germs or just a fungus growth. Let's elect a great man.

Of course there is little hope for the election of Mr. Ball to the governorship of Texas, as Jack Stricklin of the Brownfield Herald, Ben Smith of the Lockney Beacon, Frank White of the Crosbyton Review and the Houston Post are against him. Poor Ball! No doubt he will get an inkling of this pitiful state of affairs and withdraw from the

race, posthaste.—Lubbock Avalanche.

No, Dow, Ball will be elected just because the Avalanche and the Lynn County News are for him, just like they elected Judge Ramsey two years ago, if you will please pardon us for using that splendid gentleman's name in connection with that of Ball. We have often wondered why Bro. Dow didn't sell the Avalanche or lease it, and join Bro Rankin on Home and State, as Dow is already familiar with all those sanctimonious phrases, such as "For God and the Right" and when Bro. Rankin would have to leave Dow with the office to make a trip to Frog Creek to fleece the good brethren out of enough dough to build a new mission in Asia Minor, Dow could push the great work forward. The only thing Dow would have to watch himself on, would be to always say "On with the Battle" instead of "Come to Lubbock."

HELPLESS AS BABY

Down in Mind Unable to Work,
and What Helped Her.

Summit Point, W. Va.—Mrs. Anna Belle Emey, of this place, says: "I suffered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but without success. I suffered so very much, that I became down in mind, and as helpless as a baby. I was in the worst kind of shape. Was unable to do any work. I began taking Cardui, the woman's tonic, and got relief from the very first dose. By the time I had taken 12 bottles, my health was completely restored. I am now 48 years years old, but feel as good as I did when only 16."

Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do them."

If you suffer from any of the ailments peculiar to women, it will certainly be worth your while to give Cardui a trial. It has been helping weak women for more than 50 years, and will help you, too.

Try Cardui. Your druggist sells it.

FARMERS' DAY.

Low Rates and Interesting Program Have Been Arranged.

Mr. Barrett, president of the National Farmers' Union, will be one of the principal speakers at the State Fair of Texas at Dallas on Wednesday, October 22nd. Mr. L. M. Rhodes of Tennessee will also talk on the problems of the farmers. A program of unusual interest has been arranged and the lowest rates of the Fair will be on Farmers' Day.

The Fair is a good place for the farmers to meet, extend and renew acquaintances and to exchange experiences in agricultural work. The Farmers' Union and Texas Farm Life Commission will keep open house during the Fair and all farmers are invited to make their headquarters home while attending the Fair.

The farmers can get more out of the Fair than any other class of people. The Fair has many educational advantages to the farmer, while to the city man it is largely an entertainment. The exhibits in the agricultural, implement and machinery departments will bring together in easy comparison the latest and most improved farm machinery and implements and points of merit will be demonstrated so that a farmer can select those best adapted to his needs. The Fair will also afford many facilities for economy as competitive prices can be secured and models most serviceable selected.

There is much to be learned from the livestock exhibits. The droves of blooded animals on exhibition remind us of the value of improving our livestock and bring us face to face with unanswerable arguments in favor of better grades. The farmer knows all this, but he needs to be reminded.

The Fair should be made to accurately reflect the agricultural achievements of the State and all farmers should co-operate in making the exhibits creditable and worthy of the reputation of the greatest agricultural state in the Union. An exhibition and comparison of the most perfect specimens of products profitably farmed for the market is educational and inspiring and excites interest and study and affords many practical lessons in agriculture by giving high ideals of practical value. Inquiry into the methods of production will reflect credit upon our colleges, universities and agricultural departments of state and nation.

Bob Glover was over this week to find out how much Brownfield people were worth, or rather in our case, to find how little they were worth.

Bert Shepherd stayed here Monday night on his way to the railroad.

Jack Drinkard accompanied Jim Green to Lubbock, last week. Jack said he got lost a time or two, but found people who set him right.

Sam Walker came in last week to renew a couple of his subscriptions that he is sending relatives back east.

We are sorry to report that Harry Braidfoot has lost all his mules, five in number, and one horse at last account. The general opinion is that they were poisoned by eating spoiled ensilage. We hope it is no contagious disease among the stock. This loss falls very heavily on Harry, as he had some very fine mules.

Dick Brownfield came in early Monday morning to put up his Herald a year in advance.

Will Black came through with his calves Tuesday, headed for Tahoka, and Dick Brownfield started with his Wednesday. These two gentlemen will consolidate with a train load at Tahoka, and will ship to Kansas City.

John Burnett came in last Friday to square his account with the Herald, and said he was not hurt on his silo experiment, as he realized about \$800 out of the feed, and has not sold his hogs yet. Of course that is way short of the amount he was once offered for the feed, but what he will finally realize, will beat the price of dry feed all hollow.

We understand that our two pupils in Simmon's college at Abilene, Thomas Brooks and Miss Ivy Green, will each receive a first grade four year State certificate, at the end of the Spring term.

Miss Elma Seitz, of near Gomez, was visiting Miss Robena Hargett, Saturday night and Sunday.

It has been reported here that Mrs. Mary McCarmick, (nee) Duffau, formerly of this place, was dead, but Mrs. M. D. Williams received a letter from her last week and she was still very much alive.

A party composed of S. H. Weaver and Miss Lotta Cruikshank, J. J. Kendrick and Miss Mattie Stanford, A. J. Bursleson and Miss Luella Pulliam, Prof. Baucum and Miss Ruth Hudson and Pete Beal and wife, attend a play over at Brownfield last night, but on the stage by home talent.—Yoakum County News.

And again Gomez defeated Brownfield in a basket ball game last Saturday, 10 to 12, and of course, being a resident of this town, we feel it our painful duty to chronicle same. However, we hope the Brownfield team will turn out like an Irishman of whom we once heard. He and an American were having a scrap, Pat being just "noo come over" and unused to American terms of speech, during the fight would now and then yell "hooray." Of course the American kept pounding away, but at last seeing Pat possessed that remarkable gift, continuance—shouted enough! Poor Pat emerged from the fray, looking the worse for wear, and showing a bruised and battered countenance, exclaimed, Begora! and that is what I was trying to think of all the time."

So Brownfield boys and girls by taking hooray for your watch word, you may be able to make Gomez say "enough," some time.

The Maids and Matrons Club met with Mrs. J. L. Randal last Tuesday evening and despite the inclemency of the weather a good crowd was out.

Mr. Leonard Nichols, of Hamilton county, came in last Friday and will make his home in Terry, in the future. He is now visiting his sister, Mrs. Geo. McWhirter.

Matt McPherson moved to A. M. Brownfield's place, one mile east of Brownfield, Monday. He will make a crop there this year.

Prof. Speed received a phone message Friday evening, that his mother was seriously sick, and he left on the mail car Saturday morning for his home in Hamilton county; Mr. Marcey making the trip on to Lubbock; arriving there a few minutes after eleven a. m., returning to Plains that afternoon, making a run of 175 miles that day.

Miss Knox is teaching in Prof. Speed's room, and Miss Willis Black has the primary dept.

J. M. and Mrs. W. B. Hays, were in trading last Saturday.

E. E. Simms has gone to Lubbock for freight this week, and Miss Mary Simms is visiting Mrs. Herring, at Meadow, for a few days.

Or last Saturday evening Mr. Roy Cardwell was visiting—no, calling on—Oh, pshaw! he was just here in town; we didn't start to tell any more than that.

It was Bert Shepherd's father who went to Sinton last week, instead of Bert.

Rev. M. D. Williams and wife visited out at R. W. Rambo's on Saturday night and at A. P. Moore's on Sunday.

S. H. Key and wife left for Lubbock in M. V. Brownfield's car, Tuesday. They will go on to Arkansas City, Kans. where Mrs. Key will take a course of treatment. She requests us to tender her sincere thanks to her many friends here for their kindness to her during her sickness. We all hope that she will soon be well.

Mrs. Alvin Duke and children are spending the week here at her parent's.

Those who went from here to the Cattleman's Convention at Oklahoma City, returned Saturday and report a grand time. We interviewed Mr. Booth Hays, (his car is new) and he said every body had a good time, but instead of being Mr. they just called them "old Terry."

Ben Brannon received a phone message Monday afternoon, stating that his father in Hamilton county was seriously sick, and requesting him to come immediately. He left Tuesday.

Quite a lot of pupils who were out of school last week are in again, but there are yet quite a lot of people here sick with colds

Some peach and plum trees are blooming here now, but many trees have no bloom buds and present prospects are that the fruit crop here will be short.

Mr. Will Black and others left Tuesday morning for the railroad with their silo fed calves. This time they are driving them and will go through without failure. The calves sure are fat, and more than 100 of them.

Oral Adams and Jay McPhaul left Monday for a weeks trip to New Mexico.

R. W. Glover left Monday for Brownfield and east Terry to assess taxes. He will be gone all this week.

Mrs. Simon Holgate and Misses Zellica Knox, Phylis Holgate, Nora Wolffarth, Prof. Speed and Tom Glover attended the play at Brownfield, Friday night.

Aunt Lou DeShazo visited at Robert Holgates last Sunday.

Plowing gardens is the correct job here now, and everybody is calling for onions sets and none to be found. Is there any in Brownfield?—Nope, and hasn't been this year.—Ed. If so do tell us in the Herald; all west Terry reads it.

In this issue will be found the statement of the Brownfield State Bank. This is a good statement for the time of year, and Cashier Bill is to be congratulated for same.

We have had some severe northerly lately, accompanied by considerable dust, but we look forward to the lovely summer and fall, in Terry.

Mrs J. C. Green paid the Herald a pleasant call one day this week.

Regular Habits.

It is a good plan to have a regular time for reading. One accomplishes so much more in this way, and besides establishes a kind of intellectual habit that is a good thing in itself. In an hour, or even half an hour given regularly each day to reading, a great deal may be accomplished. Do not confine yourself to serious books. Alternate light with heavy reading, and do not attempt heavy reading when you are tired. Do not read merely to be amused. Treat your books as friend. Do not follow blindly the teachings of any book.

Cleaning Glass Vases.

Flower vases which have become cloudy and discolored should be cleaned with a mixture of vinegar and salt, poured in and well shaken about. A long piece of stiff wire, upon the end of which is a little pad of soft rag, should be poked into all the corners and crevices, and the vase then rinsed in warm water and dried with a good polishing cloth. Fly marks upon the gilt frames of pictures should be rubbed with half a lemon and then polished with a chamois leather.

To the Sheriff or any Constable of Terry County, Texas,—Greeting:

You are hereby commanded to summon the Unknown Heirs of E. E. Buffington, deceased; E. E. Buffington; The Unknown Heirs of J. P. Kindred, deceased; J. P. Kindred; the Unknown Heirs of D. Theo. Ayres, deceased; D. Theo. Ayres; the Unknown Heirs of Jno. H. Gibson, deceased; Jno. H. Gibson; the Unknown Heirs of Leopold Fellman, deceased; Leopold Fellman; the Unknown Heirs of Bernard Tierman, deceased; Bernard Tierman, by making publication of this writ in some newspaper published in your county for eight consecutive weeks prior to the return day hereof, commanding said defendants to appear before the Honorable District Court of Terry County, Texas, at the next regular term thereof, to be holden at the court house in Brownfield, Texas, on the fourth Monday in April, A. D. 1914, same being the 27th day of April, 1914, then and there to answer the plaintiff's petition, filed in a suit in said court on the 24th day of February, A. D. 1914, wherein E. S. Buffington is plaintiff and the above named parties, together with A. J. Beardsley, are defendants; file number of said suit being 211. The nature of plaintiff's demands are as follows, to-wit:

That the plaintiff is the owner in fee simple, and has possession of the following described lands, situated in Terry county, Texas; being 640 acres, known as Survey No. 35, in Block 4-X, about 13 miles N., 27 E. from the center of the county, located by virtue of Certificate No. 318, issued to the Central & Montgomery Ry. Co. and patented to A. J. Beardsley, with field notes as follows: Beginning at stake the N. E. cor. of Survey No. 34, this Block for the S. E. cor. of this survey; thence north 19°0 vrs. to stake for N. E. cor. this survey; thence west 1900 vrs. to stake for N. W. cor.; thence south 1'00 vrs. to stake for S. W. cor.; thence east 1900 vrs. to the beginning.

That plaintiff purchased said land from defendant A. J. Beardsley, paying valuable consideration therefor, and receiving deed of conveyance thereto which instrument was duly recorded in Vol. 1, page 403, of Terry County Deed Records, which now appear in the name of E. E. Buffington; that this name is an error, either of the draftsman of said conveyance, or the clerk in recording, which of the two plaintiff does not know. That the other defendants are setting up some claims, or title to said land, to plaintiff unknown, in that they have transferred certificate to lands, of the same number as to this plaintiff's land. That these claims constitute a cloud on plaintiff's title to said land, and plaintiff pleads the three, five and ten years' limitation to same, and prays that all claims, right and title of each of the defendants be divested out of them and vested in plaintiff; that he be quieted in the title and possession of said land, and that the error in his deed be corrected and remedied.

Herein fail not, but have you before said court on the first day of the next term thereof, with your return thereon, showing how you have executed the same.

Witness, D. J. Broughton, Clerk of the District Court of Terry County, Texas.

Given under my hand and seal of said court, at office in Brownfield, Texas, this 24th day of February 1914, (SEAL) D. J. BROUGHTON, Clerk of the District Court of Terry County, Texas.
