Sidney Hocks had a narrow escape from jail at Thunderation a few days ago. Wanting a drink of water during the night, he quietly left the jail unbeknownst to the jailor and made his way down to the pond and when he returned he found the jail door had blown to and fastened. He found it impossible to get in without violence, so he went to the blacksmith shop, and after procuring a hammer and chisel, he soon had the door open. He entered without the jailer being any the wiser.

From Six to Ten Cars a Week

Some one asked this week what the crowd he was in, estimated the amount of ears of grain Terry county was loading per week, and some one suggested five, but the majority of the crowd hooted the idea, and especially those of the crowd who had been freighting and meeting the wagons going and coming. Most of these place the amount as high as eight and ten cars a week. We heard a reliable freighter this week say that as he returned from Tahoka that he must have met at least 35 wagons in one day and he thought a low estimate would be 50 bushels to the wagon. Now, it is estimated that a car will not hold but about 500 bushels, so you see that one day's business was at least three and one half cars.

We believe that a low estimate of the feed that will be shipped out of Terry county this year will be 100 cars, and when you take into consideration that there are only about 250 farms in the county, and that we have more than 40,000 head of live stock in the county, this will mean that Terry is among the very best grain counties in the State, if not in the United States.

Every mail though, brings letters from the blackland counties of the State quoting prices for our feed, and wanting from five to ten cars of corn and maize.

Beautiful Home Destroyed by Fire.

Monday morning about 9:30 a. m., the beautiful home of Dick Brownfield was found to be on fire, and the citizens responded in cars, buggies, bikes and horse back, but too late except to save the barns, silo and other out buildings.

This home was by far the most costly and expensively furnished in town, was situated on a natural elevation about a quarter from the square and overlooking the surrounding country. On the second floor was Dick's private den, furnished in up-to-date club style, and contained his billiard table and his most valuable relics, books and papers that no price can replace. The parlor was furnished in solid mahogany and in fact the whole place was furnished in the best and was the acme for convenience.

The flames started in the kitchen where some paint boiled over and took fire. In the excitement Mrs. Brownfield thought of nothing but help, the men being out at the silo, feeding, and before they could reach the house, the flames were beyond control. A very small amount of bedding and furniture was saved.

The thirty men and boy bucket brigade, fought hard and saved the garage, hen house and small graineries, which if they had burned, would have meant the destruction of the main barn an silo.

Loss \$5000; insurance \$1000. He will build a temporary house to live in till summer, or till he gets ready to rebuild. Freighters of Gomez and vicinity, who are hauling corn, have kindly volunteered to haul his lumber free of charge.

Park for Brownfield

Yesterday morning, M. V. Brownfield and hands begin to fence the 250 acres laying just north of the town section, with strong net wire and doubling the post all the way around.

In conversation with Mr. Brownfield, he informed us that he was going to stock it with buffalo, deer and other Western Texas animals, that future generations might see specimen of animals that once roamed these Plains. He will put in a nice artificial lake where the animals may come and drink at will.

We believe in time this will be the prettiest and most interesting spot in the country, as the natural lay of the ground is such that splendid lakes of water, surrounded with trees, can be made into a pleasure ground, with the water full of fish and covered with gasoline boats, where our picnics and fairs can be held.

Time only, will see what will be made of these grounds, and their use to Mr. Brownfield as a financial proposition and a private pleasure, and something to be appreciated by everybody.

Married

Last Sunday morning at 11 a. m., Mr. Hugh Snodgrass and Miss Dolorus Hill were quietly married at the Courthouse, Judge Geo. W. Neill, officiating.

Mrs. Snodgrass is the eldest daughter of Mr. and Mrs. J. R. Hill, and was raised in Brownfield, her parents being being about the first people in what is now know as Brownfield, and received her education here. She is of a quiet, lovable disposition and numbers her friends by her acquaintance, and we are sure she will make the bride-groom a true helpmeet.

Hugh is the youngest son of Mr. and Mrs. W. B. Snodgrass of the west side, and came from another old and highly respected family. Hugh is a splendid young man of exemplary habits, and one of our coming stockmen.

Herald joins the many friends of the young couple in wishing them a smooth journey through life.

weeks. The boy or girl who preserves are the ones that gains toe top of the ladder, and are always in demand. Parents should always be interested enough in their schools to keep the children going regular.

Some of our subscribers have suggested that we take orders for corn and maize for the relief of the Belgian people, and forward same through the National Red Cross Association. We wrote them about the matter and received the following reply, which is self explanatory:

Washington, D. C., 23, '15
Mr. A. J. Stricklin,
Editor, Terry County Herald,
Brownfield, Texas,

Dear Sir:—Acknowledging your letter of January 28th, concerning the appeal for grain for the Belgians, I beg to advise you that we are not forwarding any food supplies to any of the belligerents or non-combatants of the countries involved in war, and from the recent circular of information from the Belgian Relief Commission, they have ceased to do the same.

I am taking the liberty at this time to bring to your attention the situation that has been brought to our notice by Gov. Ferguson, of your own State, and that is the condition of distress existing in Matgorda county, Texas. May I suggest that you correspond with the Governor with a view to seeing whether the pros-

perity of your own county can be shared by your less fortunate neighbors at that point.

Trusting that you will accept this suggestion in the spirit in which it is offered—that of deepest interest in your your splendid State and its estimable people and a desire to be of help to you—I am

Yours very truly,

United We Stand—

United, there is a new rural civilization rising in the eastern horizon, lighting the lives and cheering the hearts of a million farmers, and its warm rays are melting the shackles that enslave the toiling masses. This great orb of opportunity sparkles like a new-born world as it lights new-found pathways of prosperity, and the buds of hope burst into the joy of home ownership and gladden human life with the rich blooms of power and shed luster upon the hearts of the poor as the skyline of industry expands, revealing a new hemisphere of human endeavor.

—Divided We Fall.

Divided, we face a world of hopeless gloom and bondage saddened with the dawn of each new day as the scorching rays of strife parch our lives and blister opportunity, or indifference, rising like an impossible mountain, hems us in pits of helplessness. Power decays and fills the air with its stench. Hope dries up, and the atmosphere is filled with the blinding ashes of failure. Turmoil, like a wreath of adders, crawls around our efforts and stings us into insensibility, while the iron moan of unrest echoes through the corridors of our empty lives.

Will the farmers of Texas rally around the Union or will they writhe in dissension while opportunity hisses like a serpent as it slides into the dead sea of a lost destiny? The count of the ballots will tell.

D. 1915, in a suit numbered on the docket of said court, No. 215, wherein J. W. Templeton is plaintiff and Edwin C. Rallins, J. W. Knox, W. F. Turner and J. F. Turner & Company and J. R. Lanier are defendants, said petition alleging that heretofore, to-wit, on or about the 1st day of January, A. D. 1915, plaintiff was lawfully seized and possessed of the following described land and premises, situated in the County of Terry, State of Texas, and known as the west one-half of Survey No. 9, Block D14, Certificate No. 218, issued to the C. & M. Railway Company, containing 320 acres of land, holding and claiming the same in fee simple.

That on the day and year last aforesaid, defendants unlawfully entered upon said premises and ejected plaintiff therefrom, and unlawfully withholds from him the possession thereof, to his damage (\$1,000.00); that the reasonable annual rental value of said land and premises is (\$100.00).

That heretofore, to-wit, on or about the 10th day of August, A. D. 1909, the above described land and premises was conveyed by G. E. Lockhart and J. R. Lanier, to Nick Alley, in consideration, among other things, of two notes of even date therewith, for the sum of (\$100.00) each, due and payable twelve months after date, and that thereafter, the said Nick Alley

conveyed said land and premises to J. W. Knox, and the said J. W. Knox, in consideration among other things, executed two notes for (\$200.00) each, payable to Nick Alley, due two and three years from the 31st day of August, 1909, and the said Nick Alley retained a vendor's lien against said land and premises to secure the payment of said notes; and that thereafter, to-wit, on the 4th day of October, 1909, the said J. W. Knox conveyed the above described land and premises, to W. F. Turner, and as a part of the consideration of the said conveyance, the said W. F. Turner executed two notes, one for the sum of (\$130.00) and one for the sum of (\$125.00), payable to the order of J. F. Turner & Company, one and two years after date, and a vendor's lien was retained in said deed to secure the payment of said two notes.

That on or about the 25th day of October, 1910, J. R. Lanier recovered judgment against Nick Alley and W. F. Turner in the District Court of Terry County, Texas, on the two notes first described in the preceding paragraph, and foreclosed the vendor's lien against the land and premises herein described; that on the 3rd day of January, 1911, said land was sold by the sheriff of Terry county, to satisfy said judgment, and was bought in at said sale by J. R. Lanier.

That the two notes sued on in the case of J. R. Lanier vs. Nick Alley, et al., in the District Court of Terry County, Texas, were superior to the said notes executed by J. W. Knox in favor of Nick Alley and were superior to the notes executed by W. F. Turner, and payable to the order of J. F. Turner & Company, and that by reason of the lapse of time, the holders of said notes should now be estopped from claiming any equity of redemption.

That on or about the 10th day of August, 1909, G. E. Lockhart and J. R. Lanier made, executed and delivered to Ira H. Wilson a certain mortgage against the land and premises herein described to secure the payment of one note for the sum of (\$200.00), executed by G. E. Lockhart and J. R. Lanier, and payable to the order of Ira H. Wilson, which mortgage was at that time the only lien against said land, and which was at any time thereafter, the superior lien to any that was created by virtue of the vendor's lien notes hereinbefore described.

That on the 21st day of March, 1911, J. R. Lanier conveyed said land and premises to Edwin C. Rallins, and as part of the consideration therefor, the said Rallins executed two promissory notes, one for the sum of (\$750.00) due November 21, 1911, and one for the sum of (\$370.00) due Nov. 21, 1912, which notes, however, was made subject to the outstanding mortgage lien and not for (\$200.00) in favor of Ira H. Wilson.

That on or about the 30th day of April, 1912, Ira H. Wilson recovered a judgment in the District Court, Terry County, against G. E. Lockhart and J. R. Lanier, on said (\$200.00) note, hereinbefore described, together with the foreclosure of his mortgage lien, and that thereafter, to-wit, on the 7th day of January, 1913, said land was sold by the sheriff of Terry County, Texas, to L. B. Minor, by virtue of an order of sale to satisfy said judgment.

That said (\$200.00) note held by Ira H. Wilson, and the mortgage securing the payment of same, was first lien against said land, and was superior to any lien, claim, equity or right held by any other person. That since the sale of said land to L. B. Minor by the Sheriff of Terry County, neither of the defendants herein have or offered to exercise, their equity of redemption, if any they have, and should now be estopped from claiming any right, title or interest in and to said land by virtue of any of said notes, or said deeds herein referred to.

That by virtue of the deed from J. W. Knox to W. F. Turner, and by virtue of the notes executed by W. F. Turner, in favor of J. F. Turner & Company, and by virtue of the deed from J. R. Lanier to Edwin C. Rallins, and the notes executed by Edwin C. Rallins to J. R. Lanier, there is a cloud cast upon plaintiff's title, and he is, and should be entitled to have the same removed.

Wherefore, plaintiff prays the court that the defendants be cited to appear and answer this petition, and that plaintiff have judgment for title and possession, of the above described land and premises, that the cloud cast upon plaintiff's title hereto be removed, and that writ of restitution issue, for this rents, damages and cost of suit, and for such other and further relief, special and general, in law or in equity that he may be entitled to receive.

Herein fall not, but have before said Court on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

That heretofore, to-wit, on the first day of January, A. D. 1915, plaintiff was lawfully seized and possessed of the following described land and premises, situated in Yoakum County Tex., holding and claiming the same in fee simple to-wit: all of section No. 7, in Block D, located by virtue of Certificate No. 20, issued to John H. The Tahoka Basket Ball team is booked to play a match game here with the Gomez team next Saturday afternoon. Well, its a fact some team is going to get beat and we are mighty afraid it won't be Tahoka.

The thresher is at Mr. Green's north of town, this week and we understand that quite a lot of maize, kaffir and feterita will be threshed in this community.

Most every one that could rustle wagons and teams started to Tahoka Monday, with corn or small grain. And those who had to go horseback went to Brownfield to Commissioners Court and the rest just simply footed it to the Gomez Hardware and read newspapers, talked war news, and whether grain would go any higher and the price of pigs and calves. We have not seen as many men in town on a fair day since last summer, surely the crops are gathered.

Arvin Duke and wife and A. E. Moore left last Saturday for their home in New Mexico, after a visit to relatives here.

Mr. Yeiser from the U— ranch spent Saturday night at the hotel here.

Mrs. Bob Snodgrass and children spent last week down at Dee Hunter's and came here Sunday to visit at Tom Glover's. Bob carried them home Monday.

Mrs. Earley Key and Jewel visited out at Hosey Key's last Friday night and Saturday.

Mr. Duke of Brownfield was here Monday, also Mr. Whisenant of south Terry. Elmo Ware, Chris Timms, Floyd Greathouse and Moury Lewis were here. Chris says that since Hugh Snodgrass' marriage he (Chris) is going to be a constant visitor in Brownfield with the hope that a similar fate will fall to him

We learned over the phone Monday that J. T. Gainer of Plains is yet quite sick, can only sit up a few minutes at a time.

Mrs. Wolfarth came in from the ranch last Friday and stayed over until Saturday afternoon. She reports that Miss Nora is improving rapidly and plans to come home in June. She is staying in Arizona for the benefit of the warm climate for lung trouble.

Jim Moore and wife visited here Sunday night and part of Monday.

The street workers filled up the mud holes or part of them and cut some ditches so we hope for better streets in wet weather.

The many friends here of Mr. and Mrs. Hugh Snodgrass extend congratulations and good wishes to them. May their journey down the road of life be ever attended by the sunshine and flowers of prosperity and happiness.

Mr. and Mrs. Horace Adams, of Brownfield, visited at Oral Adams' and Dr. Maddux's last Friday.

Cricket, we are sorry the "quality" of the news from this village don't come up to your standard, but we can't promise any marked improvement for we only have the common items of a country village and community to report and the "Sallie Jones and Susie Smiths" are all the people here, we mean the only class, no State or National officials. As for the price of land and grain, we are neither a real estate agent or a farmer but if either class wants an ad of their goods in these items, we will certainly insert it if they will pay for the ad. Every notice of any-

thing for sale that appears in the Gomez locals is paid for by the advertiser. Your last statement, "All can't get a first prize" ought to read won't, instead of can't, for its just the number of letters written and not the length of the letters. (Quite right.—Ed)

Mrs. Hugh Williams and children left last week for a visit to her relatives at Blanket, after which she will join Mr. Williams in their new home in south-west New Mexico.

Mrs. W. B. Hays and little Edna left last week for Ft. Bayard New Mex., where Booth now is. They will make their home there.

Miss Nancy Dumas and Mrs. Robert Holgate visited Mr. and Mrs. DeShazo in Brownfield last Saturday, returning home Sunday evening.

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell.

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it."

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlasting tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.
