## CARPENTERS KNOCK BECAUSE THAT IS THEIR BUSINESS

A Grouch will Knock because that is his nature. Some good people Knock because they think they have the opportunity. We are knocking to make an opportunity to build more business with you and for you to make Terry bigger and better. Help us knock to build up. Don't knock to destroy.

#### Brownfield Girl Wins Norton \$50. Diamond

We take this method of letting you all know who won the Diamond. I am sorry that you all could not have won it, but of course that was impossible as only one out of the number of names received was to get it. We put all the names on little cards and put them in a box and shook them all together and drew out one card. The first card drawn out bore the name of Dealva Whisenant.

We wish to thank you all for the interest taken in this contest and will have something else for you to be interested in, in the near future.

You will kindly keep a lookout for our advertisement.

W. S. NORTON, Jeweler,  
Lubbock, Texas

**LOR EXCHANGE:** 200 acres fine farm 2 1/2 miles south of Eastland, county site of Eastland county; 110 acres in cultivation, balance good with fine timber and fine grass; extra well improved. Will exchange for a few sections of school land near Brownfield or Plains. Will pay difference if necessary. Address J. N. McCaghren, Matador, Texas.

Last Thursday afternoon, Rev. M. D. Williams invited us over to the model farm after work hours. We went and found a half dozen blue quail in a trap, and they were larapin. He says more than 200 are around the barn seeking protection from hawks.

Judge Neill has just about closed a deal for two business lots, on block west of the bank.

#### Resolutions of Respect

Whereas, God has seen fit to remove from our midst our fellow-laborer, Chas. S. Cardwell. We most keenly feel the loss sustained by his death and will sorely miss his cheery presence and wise counsel in our church work, but we bow in submission to the will of the Heavenly Father who we believe to be too wise to err and too good to do wrong; therefore be it

Resolved, by the Board of Stewards of the Brownfield M. E. Church, South, that we have sustained a great loss in his death and willing to bear testimony to his many virtues and sterling worth while among us, and that we record our appreciation for the faithful services he rendered us as a member of the Board of Stewards.

Resolved, that we extend to his bereaved widow and children our heartfelt sympathy and will remember them in our devotion to Almighty God.

Resolved, that a copy of these resolutions be sent the family, a copy be furnished the Terry County Herald for publication and a copy be spread upon the Journal of the Quarterly Conference.

#### Basket Ball Game

The high school girls of this place are entitled to the praise of every loyal Brownfielder for the game of basket ball they put up against the Tahoka team. Now Tahoka has the best known team on the South Plains, and has beaten every team in this part of the world, therefore they were very much surprised when our girls held them to a score of 16 to 19. They frankly admit that it was the hardest contest for them this season.

The next game between them will be at Brownfield in the near future. Watch for the date.

#### Gin Location.

In conversation this week with Mr. Brownfield, at the head of the location committee for the gin bonus, he informed us that he had two sites in view for their approval, one just west of R. H. Banowsky's residence, and the other on the west side of the Claud Criswell ten acre tract, and running back to the cemetery. This is at the juncture of two public roads, one running north, south, east and west, and will be on the Gomez, Plains, New Mexico road, and we should not be surprised that this will be the site selected by the gin men.

Brownfield has now complied with all the requirements of the gin men with the exception of putting down the well, and that will be done as soon as the gin men designate the site they want.

Let the good work of building up go on.

Mr. Hunter carried his daughter to Post City, last week for an operation for appendicitis. The operation was successful. Will and Oral Adams carried them down.

**MULES FOR SALE:** Farmers needing good young mules apply now. Can see the mules at Geo. McWhorter's, south of Gomez.

S. A. Shepherd came in this week and had us send the Herald to his cousin of the same initials and name, at Cuthbert, Ga. Bert said he had just had a letter from his cousin, stating he was sure coming to Texas and would bring others with him. He was out here this fall and fell hopelessly in love with Terry.

#### Band Boys to Entertain.

February 5th is the day set for the big band boys play to be pulled off, and you can just depend on seeing one of the best ever put on at Brownfield, and it is a roar from start to finish. The Brownfield Band will give a free concert on the streets in the afternoon, and before the play starts that night and they will have several pieces where they can handle them very well indeed, for their practice.

Now this is going to be a rare treat for Terry county people, for they will get to hear the first band ever organized in the county, which is some history, and at night will get to see as fine a play as ever come down the pike.

Come bring the family and friends, and help out in this worthy cause. You will not regret the price after the entertainment, as it will do you good for a month.

**LOST**—A brindle gray hound dog pup, 8 months old, in Brownfield January 13. Finder please notify O. R. Billings, Brownfield Texas.

The Mothers Club is called to meet at the school house, Friday, January 28th, for the purpose of transacting some very important business. All members are urged to be on hand that day. By order of the president, Mrs. W. A. Bell.

Uncle Horace Adams and wife returned last week from Brownwood, where they have been spending the fall. Their many friends are glad to see them back.

### The Recital.

Those who missed the recital at the school house last Saturday night, missed a rare treat, as there was a few numbers on the program that was worth the price of admission, and there was not a draggy, or uninteresting piece in the whole make up. Applaud that fairly made the house roar, was given every member of the program, and several were encored. Uncle Tom DeShazo with his fiddle and Jno. S. Powell with his violin came in for their full share of this.

All that could possibly mar

the occasion, was a few smart Elexs with more whiskey than decency, that tried to get the attention of the audience. We wish some of these young men could realize that no one thinks this is smart of them, and that all that keeps them from paying fines and serving jail sentences is the respect the people and officers have for their good old parents. But the people of the town are getting very, very sore of this business, and a halt is going to be called, and its going to be a very sudden halt too.

This bunch of devoted women, we call the Mothers Club, is doing a great thing for the town, and should have the help of every individual, that has the interest of the town at heart. The proceeds amounted to nearly \$16.00.

Buster Allmon, and sisters, Misses Ruby and Carmen, are all here from Floydada, to visit their sister, Mrs. Walter Gracey, and friends and former playmates. They seem tickled to get back to old Brownfield.

There was a gentleman here this week from east Texas, trying to get places for fifteen families, from his country Well the only shot he has is to buy the land and build the houses.

Another family moved into the big house this week, making four, and another is trying to get in somewhere.

Home Talent, Triss, or Beyond the Rockies, a Comedy Drama in four acts of Western Life under auspices of Brownfield Band.

Several of our subscribers have come forward and presented their dollar to make it a go in 1916, but there are several on our books that might do likewise and not insult us. The fact of the business is, we are preparing to build a new home, and every dollar we receive on subscription right away will look like two to us. Come in and help us on this building.

See Triss, or Beyond the Rockies Saturday night, Feb. 5th. This is one of the strongest plays ever presented to the people of Brownfield by home talent.

We learn that Mr. Burgess, of Russellville Ark., has bargained

for one of the Walker sections of land. He is at present State Senator in that state, but is making preparation to come west some of these days, as he already owns a half section of Terry county dirt. He, like Mr. Downing of Lubbock, is a son-in-law of J. T. May, and of course, the latter has been using his influence to get his children to the best country on earth.

See Triss, Saturday night, Feb. 5th. Hear the Brownfield Band play, free concert on streets, Saturday evening and night, Feb. 5th.

The year and half old baby of Mr. and Mrs. Jack Bryan died Monday night at ten o'clock of Membrane croupe. Funeral services were conducted at the Methodist church at five o'clock, Tuesday afternoon, and it was laid to rest in the Brownfield cemetery, an hour later. Herald extends sympathy to the bereaved parents and brothers.

W. B. Downing, of Lubbock, has purchased the Harper section, adjoining the town on the northwest. We understand that Mr. Downing will close out or sell his business and home in Lubbock, come down and build on his splendid section, and lead the simple life, but at the same time the most free and independent life to live.

Help the Band boys by attending the play Triss, or Beyond the Rockies, Saturday night Feb. 5th.

Chester Walters reports that seven migrant cars came into Tahoka one day this week for Terry county.

Moore Bros. are drilling a well just south of town for Mr. Condra. Mr. Moore will buy property in or near Brownfield, as Mr. D. J. Broughton has sold the place he has been living on north of Gomez.

We call your attention to Jno. P. Lewis' ad in this issue. Read every word of it; it is worth while.

LOST:—A black bull dog, about nine months old. Finder will please notify John Waltrip, Brownfield, Texas.

Mr. Haston, one of the heads of the families living in the old Brownfield house, paid the Herald a pleasant call this week. Mr. Haston is a victim of asthma and sold out in Cottle county, and came here for his health. He said he had not definitely decided to locate here yet, but thought he would, as he was getting much better.

Catarrhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Cure acts thru the blood on the mucous surfaces of the system.

### MISS ANNIE HAMILTON.

It is with great pleasure that we are able to present the name of Miss Hamilton to the voters of Terry county, for the Democratic nomination to the office of County and District Clerk. Miss Hamilton, when a small girl, settled just northeast of town with her father, Uncle Joe Hamilton, and has received the bulk of her education and business training here, having clerked some in the stores, and was for several years assistant manager and bookkeeper for the Terry County Telephone Co. Therefore, she is thoroughly a business girl, and is every way fully qualified to fill this office she asks of the voters. Miss Annie, as just "Ann" as she is more generally known among the older settlers, is one of the smoothest tempered girls, we ever knew. Many, many times has she been "balled out" over the phone for something over

which she had nothing to do, but her civil answers usually put to shame and routed the man or woman, who started in to insult her. With these words of introduction, we leave her to the earnest consideration of the voters.

D. Brownfield and family left this week for their home in the mountains of New Mexico, after a short visit to relatives here. D. said he was real well pleased with his new home, but was tickled to get back to Brownfield occasionally. He will feed a herd of steers here this coming fall and winter.

Will Matthis made an awful quick trip to New Mexico this week after Mrs. McDaniel, grandmother of the little Bryan baby that died this week. He had to burst the ruts going over, and was some three hours at it, but coming back was just a

fraction over two hours making the 75 miles, arriving here several hours before the death of the little one. This trip was made in Will Alf Bell's jitney.

It is variously reported on the streets that William Peters is going to put in a movie show in Brownfield.

### RECIPE FOR GRAY HAIR.

To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and ¼ oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair, and removes dandruff. It is excellent for falling hair and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.

## Gomez

By West Wind

Messrs. Singleton and Perry accompanied by Mr. Perry's family came in from Matador last Saturday. They were en route to their land in southwest Terry, where they will make their home.

Mr. and Mrs. R. E. Cleveland and little daughter, Virginia, came in from their home near Roscoe, last Sunday, and are spending this week here visiting Mrs. Cleveland's mother, Mrs. L. T. Brooks.

On last Tuesday Mr. Ridge-way went into Mr. Moore's store, and coming in from the outside where the snow made the light so bright, he could not see in the dark store and walked into an open cellar door. He seems at this time, Tuesday evening, to be seriously hurt. The hurt seems to be in the body.

Mrs. Watson came in from Plainview Monday afternoon in Mr. McCoy's car. She will visit her daughter, Mrs. Jim Moore and other relatives here.

Mrs. Dee Hunter and little Pauline visited Mrs. Ben Hurst in Lynn county last week.

A letter from Mrs. Alice Stapp (Grandma) at Sydney, Texas brings the news that she is well; also her daughter, whose bad health caused Grandma to go there for the winter.

Mrs. Lemley who visited friends in Gomez last week, left for her home in New Mexico on the Monday mail car.

Mr. Anderson and William Peters of Brownfield were here Monday.

Jim Burnett carried a huge load of lumber out to Dick Brownfield's place two miles west of town, Monday. Billie Crowder is living there now.

Messrs. E. E. and Andrew Simms and Mr. Jones all went to Brownfield Tuesday.

Ed Black has a new Saxon car and he is certainly enjoying the business of running it just now. Go slow while it is new Eddie and it will last longer.

The ladies of Gomez have a crochet club that meets every Friday night. As it is strictly a feminine club the hobbies are left at home in charge of the little folks. But man wasn't created first and given less powers of enjoyment, so the Gomez Forty two Club meets on Friday night also, and hubby takes the kids and goes to the party and when they get sleepy just puts them to bed and plays on. Not votes for women! Oh! no, but just a slight change from the old time way.

Say Mr. Editor, how many issues of the Herald did you print last year? (Fifty-one I think.—Ed.)

prevalence of La grippe in the community these services were not so well attended as they otherwise would have been, but at each service a representative audience was present who enjoyed very much the eloquence and sincerity of this man who is not ashamed of the Gospel of Christ.

Mr. J. M. Baker, a former citizen of Big Springs, has recently made purchase of a fine section of land seven miles north of Plains, and is now on the place for the purpose of improving and occupying it as a home. He will move his family out later.

F. L. Kelley, brother of our townsman, G. W. Kelley, has returned to his home in Throckmorton, Texas, after spending a few months in this county doing carpenter work.

Frank Tomlinson of Ft Worth is spending some time in Plains now in the interest of a large tract of land in this county which he represents and which is being cut up and sold to home-seekers.

Judge Gainer is suffering from a severe case of La grippe, and has been confined to his room for the past three weeks in consequence. He is somewhat improved at this writing, and it is hoped he will soon be out again.

J. S. Webber is off on a visit to his father and family of Pyote, Texas.

W. H. Heath is off on a business trip to San Saba where he will be for the next two weeks.

J. C. Keller and P. G. Stanford made a business trip to Lubbock this week.

W. E. Earnest and family have recently returned from Amarillo where they visited for a few days.

Ed Dumas was on the sick list last week with La grippe.

Judge Bledsoe of Lubbock, was a visitor here last week.

Seminole has complied with all the requirements of O'Donnell and parties for a railroad to be built to that city by Dec 31st, 1916, and they expect the noise of construction to begin at once. If this road is built, you can just bet your bottom socks that the Santa Fe will not be idle, but will put a road through here, as they will not give up this vast territory without a struggle.

Messrs. J. M. Hays, J. J. Lane, Simon Holgate, Rufus Cleve-

and and Eb Ivey were all here Wednesday afternoon in the latters car

### FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With Thedford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Thedford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught."

Thedford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.
