VOL. 15.

BROWNFIELD, TERRY COUNTY, TEXAS, FRIDAY MAY 14, 1920

NO. 43

TERRY HAS BRAND NEW COUNTY JUDGE

In the rush of other matters last week we clean forgot to tell the readers that Terry now has a brand new County Judge in the office, and if the old Judge should snob us for our neglect, and the new Judge was to turn the county printing elsewhere because of our neglect, we could say very little.

We mentioned some time ago that Judge W. W. Price had decided to turn in his resignation, and that a successor would be appointed until the general election this fall, and as one of the candidates was an applicant for the office, he was appointed by the commissioners court to fill out the unexpired term of Judge W. W. Price.

R. L. Graves, one of the most prominent stockman and farmer in the county, as well as a graduate attorney, was the appointee to fill the vacancy created by the resignation of Judge Price. Judge Graves is a candidate for the office for the regular term also, is a man of great energy, is in every way a booster for the advancement of old Terry, and we are quite sure will fill the office to the entire satisfaction of the citizens of Terry county.

We hope for Judge Price much success in whatever avocation he should choose for the future.

CAR JERSEY COWS: Have just returned from east Texas where I secured another car of fine Jersey milk cows, and they may be seen at the O. K. Wagon Yard. Come around and get the first pick.

We are authorized to say that W. W. Price has sold his abstract business to Clint Rambo, and you will note the change in the ad.

BROWNFIELD HAS CHANCE FOR A SANITARIUM

Dr. Lemmon Sr., arrived here from Dallas, last week, and this brought on more talk of the proposed sanitarium that was under consideration when he was here some two months ago the guest of his son, Dr. J. R. Lemmon.

A meeting of a few of the interested citizens of the town last week one night at the court house, was called for a discussion of the proposition, and at which the doctors gave a brief outline of what would be required to start a good institution of the kind on a small scale.

The fact that Dr. Lemmon Sr. spent more than ten years in one of the largest hospitals in Manilla, P. I., as surgeon, is evidence enough that he is a good one, and should have the encouragement of the citizens of the town.

A petition is being circulated this week to see how much can be raised toward purchasing sterilizing apparatus and other accessories that are needed in an institution of this kind.

We hope to be able to report before long that the matter is well under way, for it is a well known fact that between \$10,000 and \$15,000 of Terry county money goes to other places annually for such purposes.

GOVERNOR HOBBY CALLS EXTRA SESSION

Austin, May 8.—Governor W. P. Hobby issued a proclamation late today calling a special session of the thirty-sixth legislature to convene on Thursday, May 20th, at 10 o'clock a. m.

BE SURE TO SEE the car of Jersey cows at the O. K. Wagon Yard. They are a good herd and the early man gets the pick of the flock.

C. Sears was a passenger to Lubbock last Thursday, and had hopes that he would be able to bring his wife home from the sanitarium.

ASA PROCTOR HAS SERIOUS ACCIDENT

While working around the air filling tank at the Bradley Brownfield Garage Monday afternoon, some how or other, the belt flew off and caught Asa Proctor, one of the workmen in this garage, and dragged him into the fly wheel of the engine, which resulted in the crushing and bruising of one leg below the knee to such an extent that local physicians decided it was best to amputate the leg below the knee.

The operation was performed late that afternoon by the Drs. Lemmons assisted by Dr. T. L. Treadaway, and on Tuesday morning he was resting as well as could be expected, and hopes are high for his ultimate recovery.

Later: As we get ready to go to press we learn that Asa is still resting well, and the good citizens of the town have subscribed \$624.10 to help pay medical expenses and to buy him an artificial limb when he is ready for one. The list is not complete yet, and may reach many more dollars. The list was headed by the Bradley-Brownfield Auto Co., by whom he was employed with the sum of \$125.00. The operation was \$110.00, we understand.

BAPTIST PROTRACTED MEETING CLOSES

The Baptist Protracted Meeting closed Sunday with twenty-four additions, fifteen of them for baptism. The meeting was held by the local pastor Rev. J. E. Anderson.

The Magnolia Petroleum Co., received another car of gas last week. This big company will begin work right away on their second gasoline tank and thereby hope to keep the people supplied from this on all the time.

BASEBALL

Now that all the boys are home from the war, and peace is again settled over the land, the boys in the various parts of the county are going after baseball in earnest, and in nearly every sizable community in old Terry, they have a good baseball team, and they are all playing good, clean ball.

There was two games at Gomez last Wed., one of them between the Gomez and Tokio regular teams, and the other between the Brownfield and Gomez school teams. The fans from this place say that the game between the Gomez and Tokio teams was the best game they have seen this year. There was some good playing and few errors, and the score was close, three to two in favor of Gomez. This was a return game, in which Tokio was the victor on the home diamonds. The game between the Brownfield and Gomez school boys was five to three we believe in favor of Gomez.

The local team went to O'Donell last Thursday and was defeated by a score of 9 to 7. The Brownfield team is reported to have made 27 errors. The Brownfield boys report that the O'Donell boys play absolutely fair ball, and that there was not the least trouble over anything.

The editor of the Lynn County News had considerable to say about our team getting mad and leaving there last week. Our boys say they will play Tahoka any time and anywhere if they will let Temp Skinner, of Tahoka umpire the game, as he is able to see the errors of home folks as well as visitors. Some people are not able to do this.

It is indeed strange that Brownfield has such an unruly bunch to deal with as Editor Haynes charges, when it has had no trouble whatever with any of the other teams it has played this year. Also, we might just mention by way of information to Haynes that Manager Sam Branch of the Ropes team, and the O'Don-

RAIN SHYS OLD TERRY

Most of the adjoining counties in Texas and some portions of eastern New Mexico enjoyed some good old showers the latter part of last week and the first of this week, but old Terry will have to bid its time. Only moderate showers fell in various, and a very small percent of the county.

Some three weeks ago the showers reached as far west as Cisco; this time they came as close as Tahoka, and we hope to be drenched the next call of E. Pluv.

If we can get rains by the first of June we will then beat most of Texas on crops.

LAUNDRY QUEEN Steam Washer. I have taken the agency for the famous washing machine, but not until giving it a thorough trial. If interested, let me know, as I want to demonstrate its merits. Satisfaction guaranteed. Mrs. S. L. Great-house, Brownfield, Texas.

Mrs. and Mrs. J. O. Brown left on Wednesday's train for Post, where they will visit their son, Tilden and family.

nell boys say they have almost had to fight to get a clean game with Tahoka.

The business men that are supporting the Brownfield team say it must play clean ball or they will not support it. They do not care a whit whether they win or not, they must play clean ball, and that is the only kind worth a tinkers dam.

If Editor Haynes has any specific charges to make wherein our boys did not play clean ball, the people of this town will be glad to hear it. We do not want a baseball controversy, and will not have one, but people ought to be careful what they say about their visitors. We are no ball fan, rarely ever attending a game, but we do like to see clean ball even if the home team gets the socks licked off them.

Closing Out Sale

We are closing our store at Brownfield, and for this reason we are marking our goods at about what they cost to put them in the house. You hear talk of lower prices, but every time you go to buy they are higher. We know that goods will be higher this fall and winter and for that reason you ought to take advantage of the values we have to offer. It is staple merchandise we offer. And you will be surprised at the bargains you can secure in shoes, suits, dresses, overalls, shirts, in fact you have not had an opportunity like this in Brownfield before. John Spear and family who recently moved to Snyder, have wrote in for the Herald.

The Gomez school closed for this session last Friday night, and from what we can learn, the patrons were pleased with the results of this term. The teachers that did not get married during or just after the session, left on the train, Saturday morning for their several homes.

1920 CHAUTAUQUA DATES

Program starts May 25th.

BIG ARRAY OF TALENT

The local Chautauqua committee has announced the above date for the big community entertainment week this year. The committee is making extensive preparations to secure the crowd merited by the quality of the program and present indications are for a record breaking attendance.

The Chautauqua movement received a great impetus during the war when it was highly commended by President Wilson, Secretaries McAdoo and Baker, Ex-president Roosevelt, Judge Lindsay and others. It fills a need for clean entertainment, free discussion of public affairs, and united community effort not available elsewhere for rural communities and cities of moderate size.

The Cadmean Chautauqua management of Topeka, Kansas, which

furnishes the talent announce a program brimming over with interesting attractions. It will include Uncle Sams Nieces, four singing, banjo playing girls; Thomas J. Kellam, eminent southern song writer; George A. Barker, lecturer on inspirational topics; Ricketts Jazz Band just what the name signifies, and including Kenneth Ricketts, accordion soloist; Edgar S. Kind'cy, well known humorist; The Chicago Entertainers, two lively girls in readings and songs Samuel Justin Sparks, powerful mountaineer college president from Kentucky; and the famous Kenilworth Players. The real feature of the week will be a full evening play by this theatrical company. It is the biggest stunt ever attempted on a small town circuit, but both the management and the local committee believe the public will justify the expense of this program.

Before the Chautauqua starts there will be a drive for the sale of season tickets. A number of progressive local citizens have agreed to sell a block of season tickets in order to bring the Chautauqua here. The season tickets offers many advantages as it admits some member of each family to each of the ten performances at a fraction of the single admission cost. The entire cost of a season ticket is about the same as the price of admission to the best three programs. Full details of the plans will be announced later.

CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadorsville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before.

I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape.

I cannot say too much for Black-Draught for it is the finest laxative one can use."

Thedford's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it. NC-135

Zero Peck has been a close observer of the weather man's forecasts for the past several months and has compared the weather with what he said we would have, and it is hard for him to determine which would have been the better—what we had and what he said we would have.

A stranger was here yesterday and acted rather peculiarly and had a bottle of well known hair tonic in his hip pocket. In less than an hour, Bill Hellwanger, who is as bald as an egg, was seen with two bottles of the same brand of tonic in his hip pockets. THE MAN WHO RODE SEVENTY FIVE MILES TO HEAR JOE BAILEY

Under the above heading, The Gainesville Daily Hesperian of April 4, printed the following, regarding an incident which the Bailey people at first considered of great significance from their viewpoint:

This man is John Pulse, age eighty, an old settler of Jack county, an Indian fighter in the earlier days. He is the strongest Anti-Bailey man in this section.

He rode a stallion to Gainesville,

intending to sell it, and put up with his old friend, A. G. McClure. Mr. Pulse wanted to hear Joe Bailey to get some additional dope on him and he and Mr. McClure conspired for a front seat, as Mr. Pulse can not hear well.

They met J. Z. Keel, the master of ceremonies, and Mr. McClure introduced Mr. Pulse to Mr. Keel as a man who had ridden seventy-five miles to hear Joe Bailey speak.

Keel grabbed his hand and said: "My dear sir, I am glad to see you and will certainly give you a front seat, where you can hear." With

great ostentation he conducted Mr. Pulse to one of the front rows and announced: "Here is a man eighty years of age who has ridden seventy-five miles to hear Joe Bailey speak.

Graves Leeper, the J. Proctor Knot of Oklahoma, with great presence of mind immediately asked: "What did he ride?" To which some other person answered, "He rode a mule." The assembled Baileyites all arose with customary reverence and had Mr. Pulse stand so that they could see him.

Mr. Pulse listened attentively to all of the speech, and then remarked after it was all over: "I am glad I came. I got some new dope on him. He is fixing to jump the Democratic corral and carry his bunch with him."

IT PAYS TO ADVERTISE

Some people think Advertising is simply Spending money But the wise man knows It's the surest way to make more

The only problem is What medium to use. Circulars and hand-bills Cost a lot of money

But you give them away So nobody wants them On their front porches Nor in their morning mail.

The Subscriber Pays real money For his newspaper And that's why he values it

More highly Than a circular. He brings his paper home So that every member

Of the family Can read and enjoy its Breezy, up-to-the-minute news

And profit by heeding. The home town merchants, Bid for their trade

And that's a good reason For advertising In a newspaper. And not only that

But The merchants using handbills And circulars hoping For ten readers

To the hundred bills, If Willie delivers the 100 Whereas the newspaper advertiser

The Campaign Is On

Brownfield is seriously handicapped in growth and development because of a shortage of Homes.

Many families are living in camped quarters or hunting a place to live.

Every patriotic citizen should lend his efforts to this campaign to build more homes. If you are a renter build a home of your own. If you own a vacant lot improve it with a house for rent or for sale.

We cannot hope to attract additional families to Brownfield unless we can provide comfortable housing.

Our modern home plans will help you to decide.
