Ninety Percent of Orders For Chevrolet Master Series Cars Specify Knee-Action

Approximately ninety per cent of the orders from Chevrolet dealers for the new 1935 Master De Luxe line of cars specify knee-action, which is offered this year as optional equipment at \$20 additional cost, according to information released in Detroit by William E. Holler, general sales manager of Chevrolet Motor Company.

"Not only are the advance orders from dealers for delivery from the factory showing this high percentage of knee-action cars specified," said Mr. Holler, "but orders for retail delivery to customers are showing approximately the same ratio."

"These advance orders and projections from our dealers bear out the statement, made when we announced knee-action as optional equipment on the Master De Luxe series earlier in January, that knee-action had proved so popular on our cars during 1934, and was considered such an important feature by the public, that nearly all Master De Luxe sales in 1935 would be cars with knee-action."

"Public acceptance of both lines of Chevrolets is more enthusiastic than ever before, according to telegraphic reports from hundreds of our larger dealers."

"This fact was quite apparent to visitors in the Chevrolet exhibit at the New York and Detroit automobile shows. Three things registered themselves with auto show guests—first, the new beauty of exterior and interior appearance, together with the wealth of comfort and convenience features of the new Master De Luxe cars; second, the spirited performance of the New Standard Six; and third, that despite the host of new features and obvious high quality of both new Chevrolets, 1935 prices are at the same level as 1934 on the Master De Luxe and lower on the Standard line."

QUIT SMOKING
Some time in 1934 this writer decided to quit smoking and that flat-headed Cooper down at the office got hold of it and put it in the Record.

Pa's quit smoking poor old duffer
Just for that we all must suffer
Be as careful as you're able
Don't spill water on the table

TO OLD TIMERS
Think back some fifty years ago and think how we used to live.
In these days men have high blood pressure, wear ho hats, and some no hair, shave their whiskers, shoot golf, bathe every day, drink poison, play the stock market, ride in airplanes, go to bed the same day they get up.

A PROPHECY

In 1842, nearly a hundred years ago Ralph Waldo Emerson wrote this prophecy, read what he says:

"The harvest will be better preserved and go farther, laid up in private bins, in each farmer's corn barn, and each woman's basket, than if it were kept in national graneries. In like manner, an amount of money will go farther if expended by each man and woman for their own wants, and in feeling that this is their all, than if expended by a great steward or national commissioners of the Treasury. Take away from me the feeling that I must depend upon myself, give me the least hint that I have good friends and backers there in reserve who will gladly help me, and instantly I relax my diligence. I obey the first impulse of generosity that is to cost me nothing, and a certain slackness will creep over my conduct of my affairs. Here is a bank note found of \$100. Let it fall into the hands of an easy man who never earned the estate he spends, and see how little difference it will make in his affairs. At the end of the year he is just as much behind-hand as ever, and could not have done at all without that hundred. Let it fall into the hands of a poor and prudent woman, and every shilling and every cent of it tells, goes to reduce debt, or add to instant and constant comfort, mends a window, buys a blanket or a pelisse, gets a stove instead of the old cavernous fireplace, all chimney."

Today we have thousands on the relief rolls who have lost their independence and have relaxed their diligence. They have become dependents on the government and are no better off now than they were a year ago and will never be self-supporting because they have been bereft of that feeling that they must depend on themselves.

CRIME COMMITTEE

The 43rd legislature about a year ago appointed a crime committee and after working (?) nearly a year at \$10.00 per day and expenses they made a report and that was the end of it.

Mr. I. H. Osborne who lives in Austin writes a letter in which he says: "They reported that they had found that even drug stores in Austin were selling whisky and in some instances girls even not over 16 years old were working in places where it was being sold."

Emerson was indeed a prophet as he wrote in 1842. F. B. W.

THE BIBLE AND BILLY SUNDAY
"Twenty-seven years ago, with the Holy Spirit for my guide, I entered this wonderful temple that we call Christianity. I entered through the portico of Genesis and walked down through the Old Testament's art gallery, where I saw the portraits of Joseph, Jacob, Daniel, Moses, Isaiah, Solomon and David hanging on the wall; I entered the music room of the Psalms and the Spirit of God struck the key-board of my nature until it seemed to me that every reed and pipe in God's great organ of nature responded to the harp of David, and the charm of King Solomon in his moods.

"I walked into the business house of Proverbs. "I walked into the observatory of the prophets and there saw photographs of various sizes, some pointing to far-off stars or events—all concentrated upon one great Star which was to rise as an atonement for sin.

"Then I went into the audience room of the King of Kings, and got a vision from four different points—from Matthew, Mark, Luke, and John. I went into the correspondence room, and saw Peter, James, Paul, and Jude, penning their epistles to the world. I went into the Acts of the Apostles and saw the Holy Spirit forming the Holy Church, and then I walked into the throne room and saw a door at the foot of a tower and, going up, I saw One standing there, fair as the morning, Jesus Christ, the Son of God, and I found this truest friend who man ever knew; when all were false I found him true.

"In teaching me the way of life, the Bible has taught me the way to live, it taught me how to die. "So that is why I am here, sober and a Christian, instead of a booze-hoisting infidel." F. B. W.

Boy Scouts To Celebrate Their 25th Anniversary

With a program of activities on a nation-wide scale, the Boy Scouts of America will open the celebration of its TWENTY-FIFTH ANNIVERSARY on February 8th. The program of celebration continues through to February 14th, with a schedule of events at other times throughout the year.

The Scout Movement was incorporated on February 8, 1910, in Wash-

ington, D. C., formally launching the Movement in the United States.

All Scout Troops in the United States, numbering 30,904, will meet on the evening of February 8th, to renew again their Scout pledge, by repeating with their leaders the Scout Oath and Law. This ceremony will be synchronized by a nationwide radio program.

On Scout Sunday, February 10th, services for Scout groups will be held in churches of all religious bodies. Scouts will attend as Troop and Patrol units and as individuals.

Local Scout organizations in all parts of the country will have special exercises, and activities including pilgrimages, hikes, Father and Son dinners and other similar events to commemorate the quarter century Anniversary and these will take place at various times during Boy Scout Week.

The celebration of the Anniversary will continue after Boy Scout Week with a number of events dur-

ing the year, reaching a high point in the First National Boy Scout Jamboree to be held at Washington, D. C., August 21-30. This Jamboree will bring 30,000 boys together in the greatest boy encampment ever held in America.

Several outstanding events will mark the Jamboree a Grand Opening Review, in which all the 30,000 Scouts at the Jamboree will participate, an American Youth Congress, and a mammoth Sunday afternoon meeting and a grand closing pageant and camp fire.

The Anniversary of the first publication of BOY'S LIFE by the Boy Scouts of America will be celebrated in March. Sunday, May 12th, is Mother's Day and Scouts plan an outstanding ceremony on that occasion, when mothers of Scouts will be decorated with a miniature Scout pin denoting the rank held by their Scout son. Mrs. James Roosevelt, mother of the President, was recently decorated as a Scout Mother by Dr. James E. West, the Chief Scout Executive.

An elaborate program is being arranged for the Silver Anniversary meeting of the National Council of the Boy Scouts, which will be held in May.

On Flag Day, June 14th, the National flag to be flown at the Jamboree will be formally presented at Independence Hall, Philadelphia, with local presentation, at many points, to contingents which are to attend the Jamboree of the flags they are to carry to Washington.

Groups of Scouts will be invited to participate in all local Fourth of July celebrations wherever held and

the program will include an expression of loyalty to American ideals by groups of Eagle Scouts.

Scout Pilgrimages will be arranged to the grave of Theodore Roosevelt, the first "Scout Citizen" of the Boy Scouts of America, at Oyster Bay and elsewhere to public buildings and scenes, connected with his life and activities. These will take place on Saturdays adjacent to the birthday of Theodore Roosevelt, which falls on October 27th.

An opportunity for local Scout organizations to make public expression of their gratitude to the organiza-

tions which cooperate to sponsor and support the Scout Movement, such as the churches, schools and service organizations, will be offered on Thanksgiving Day.

Special programs of Winter Camping, relative to the Anniversary, will be conducted during the Christmas holidays, 1935.

YOU ARE HEREBY COMMANDED

TO SUMMON James E. Mitchell by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published there, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Mitchell County, to be held at the Court House thereof, in Colorado, Texas, on the 4th Monday in February A. D. 1935, the same being the 25th day of February A. D. 1935, then and there to answer a petition filed in said Court on the 16th day of January A. D. 1935, in a suit, numbered on the docket of said Court as No. 5490, wherein Mabel Mitchell is Plaintiff, and James E. Mitchell is Defendant, and said petition alleging Now comes Mable Mitchell, hereinafter styled plaintiff, who resides in Mitchell County, Texas, and who has been a bonifide inhabitant and resident citizen of said county, and of the State of Texas for more than one year, next preceding the filing of this suit, complaining of James E. Mitchell, hereinafter styled defendant, whose residence is, to this plaintiff unknown, and for cause of action and complaint, says;

1. That plaintiff and defendant were duly and lawfully married to each other on the first day of June, A. D. 1933, and lived together as husband and wife until on or about the 26th day of Jan. A. D. 1934, when, on account of the defendants excessive cruelties and outrages hereinafter more specifically alleged, living with him longer as his wife was rendered insupportable and that she, therefore separated from him, and they have not since lived together as husband and wife.

Plaintiff says that, a no time since their marriage to the defendant, he has made any effort to provide a living for her, though he has, at all times, been a strong, able-bodied man, able and capable of providing a living for her he has hitherto, at all times failed and refused and still refuses to do so.

Plaintiff alleges that, on or about August 15th, 1933, the defendant left her pretending that he was going to find work, when he would send her money with which to provide a living for her, when they would be together as husband and wife, but that, though he was away until on or about January 26, 1934, he failed and refused to send her one dollar toward her support, though he well knew she was without a home and wholly without means upon which to subsist; that, for a while after he left her, as aforesaid, he wrote her occasionally, but that, since about the first day of April, 1934, he has not written her, thus evidencing utter disregard for her welfare, and a lack of interest in or love for her.

Plaintiff says that, immediately after her marriage to the defendant he compelled her to live in the home of her aunt, Mrs. R. D. Neel, because he failed and refused to provide any other place for her to live, and that he failed and refused to pay her said aunt and her husband, anything toward the expenses of their keep, thus greatly humiliating and embarrassing her; that, on or about the 15 day of April A. D. 1934, not being able to hear anything from the defendant, and having received nothing from him in the way of support, she was compelled to take employment in the home of another party, and to perform the labor of a common servant in such home, in order to earn a living.

Plaintiff says that the defendant has known at all times she has been without means upon which to subsist, nor has he cared, as evidenced by his attitude toward her, as aforesaid and that, on account of his said cruelties toward her and of his lack of interest in her, she has lost all love and respect for him and that living with him further, as his wife, has been rendered insupportable. Plaintiff says she has been to the defendant a true, loving and dutiful wife, and has never given him cause to treat her as aforesaid.

Plaintiff says that, before her marriage to the defendant, her name was Mabel Baber; that she has no child or children by the defendant, and that she desires the restoration of her maiden name, viz: Mabel Baber.

WHEREFORE, premises considered, plaintiff prays that the defendant be cited to appear and answer this petition in terms of law and that, on final trial hereof, she have judgment of the court, dissolving the bonds of matrimony heretofore existing between her and the defendant, for the restoration of her former name, and for general and special relief, and in duty bound, she ever prays.

MABEL MITCHELL, Herein Fall Not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

GIVEN UNDER MY HAND and the Seal of said Court, at office in Colorado, Texas, this 21 day of January A. D. 1935.

J. H. BALLARD, Clerk, Dist. Court, Mitchell County.
