

Lake, Pipe Line Projects To Be Considered At The Polls

PWA Ready To Proceed With Construction If Bonds Are Authorized In Election Set For Tuesday Of Next Week

The Public Works Administration is ready to proceed with construction on the proposed lake and pipe line projects and will have plans and specifications completed in detail by November 15, dead line set by the administration, Julian Montgomery of Fort Worth, chief of the Texas PWA set-up, has informed R. D. Buchanan, engineer.

Buchanan returned from Fort Worth Tuesday night after conferring with Mr. Montgomery on the improvement projects. The government will advertise for construction bids not later than the dead-line date already mentioned, "and we will be ready with engineering preliminaries by that time," Mr. Buchanan said.

Construction of the dual project depends, however, on verdict to be written in ballots during a special election next Tuesday. If the bonds are authorized as Colorado's share of the improvement cost, work is to be started within the near future. If the issue is declined, the projects are to be cancelled. The proposed issue is for \$110,000.

With voting of the bonds the government plans advertising for bids on construction of the dam at once. Contracts on the pipe line and other items entering into the proposed water system expansion are to be considered at a later date.

The project, to cost an estimated \$183,636, would be financed by the revenue bonds, if authorized at the polls, and a direct grant from the government of \$82,636. The proposed bonds would mature after thirty-five years and bear interest at the rate of four percent per annum.

Business To Close Monday In Tribute American Soldiers

Traditions Of American Flag And American Ideals To Be Reflected In Observance

As a rule Colorado business and professional interests are to join with veterans of the World War to fittingly commemorate Armistice Day next Monday. Managers of several of the larger stores announced early in the week their places would be closed for the day.

"Colorado could not offer stronger tribute to the men of Mitchell county, who, when their country called, left home and all to follow the Stars and Stripes to sustain a principle they believed to be right," is slogan under which Legionnaires are sponsoring the general closing pact.

Post Commander Floyd Quinney stated to The Record Tuesday morning that in so far as he knew business would be suspended during the patriotic holiday. "Such a gesture, in recognition of the unstinted patriotism of Mitchell county men, some of whom paid with their lives to sustain their convictions, is right and will be generally appreciated," John Howell, past commander of the local post, declared.

COUNTY GINNINGS BOOSTED OVER 1,200 BALES DURING PERIOD CLOSING THURSDAY

Rain And Cold Snap Serve To Retard Picking; Prices On Seed Lower, Cotton Up 5 Cents On Colorado Market

County gin total was boosted 1,249 bales during the week closing Thursday noon. The Record's tabulated report shows. Total receipts at all plants of the county had reached 6,739 bales for the season.

Light rains during latter part of last week, followed by lower temperatures as the present week opened served to retard picking in practically all communities. Weather reports received here early Thursday afternoon indicated that clouded skies and probable showers were scheduled for remainder of the week.

Cotton seed, after pushing gradually upward several days ago to command a price of \$36 a ton at the gin, slipped back to the original quotation of \$34 during the week. Cotton, however, registering a gradual upward trend in price since opening of the season, picked up a nickel and Thursday at noon was selling at \$11.70 for the better grades. A price of \$11.65 was posted at the same time last week.

Colorado gin plants continue to push ahead in receipt totals and are now leading Lorraine by 364 bales. Ginnings here were shown to have reached 2,819 bales, compared with 2,455 bales at Lorraine.

Westbrook continues to hold third place in the number of bales reported with a total of 605. Buford had ginned an even 400 bales, Valley View report was 348 bales and Hyman 112. Valley View and Hyman totals are estimates, based on unconfirmed information, but are believed to be near correct.

Santa Claus With Spectacular Array Of Attendants To Visit Colorado Dec. 3rd

Santa Claus is going to make another personal visit to Colorado to bring gladness to the hearts of his thousands of warm friends in Mitchell county. Plans for bringing the jolly old fellow here on December 3 were mapped at meeting of Colorado business men at the chamber of commerce Tuesday afternoon.

Arrival of Santa and his large company of attendants in town will herald one of the most spectacular occasions Colorado and Mitchell county have ever known. Cooperation of certain progressive merchants made possible contract to stage the colorful parade and pageant of the Gainesville Community Circus, a pre-Christmas attraction that heretofore

has only been shown in the larger cities.

Included in personnel of the company will be 85 persons. Eleven decorated floats and a funny Ford, a driverless freak with many comical devices will be in the line of march. There will be clowns depicting such characters as the Captain and the Kids, Barney Google and others, ten Mother Goose characters and a number of beautifully gowned girl sponsors.

"Easily the greatest Christmas spectacle that ever came to Colorado and an attraction that in recent seasons has attracted thousands of West

Snyder Dance Hall Operator Spends 2 Hours On Stand Thursday; Case Expected Reach Jury Late Thursday

C. W. (Chicken) Green, on trial in 32nd district court for the murder of Erwin Woellert, fatally shot at dance hall operated in Snyder by Green on the night of March 30, this year, Thursday morning took the witness stand in his own behalf and through two hours painted a vivid mental picture of one citizen protecting his life against attack of another.

That Woellert came to the dance hall looking for trouble was testified to by Green. Previous declarations from the witness chair by defense testimony sought to establish contention that the dead man attacked Green, his son-in-law John Etheridge, and others present before being ejected from the place.

"I shot only after Woellert had attacked me with a knife, inflicting a wound in the stomach, had cut a deep wound in the neck of John Etheridge, and knocked two or three women down," the defendant said under questioning by Judge J. D. Brookerson of Benjamin, chief counsel.

The defendant withstood withering cross examination directed by District Attorney George Outlaw and County Attorney Dell Barber, who the day before in introduction of direct testimony had built up a strong case for the State. The defense rested at 11 o'clock.

Mrs. Etheridge, among the star defense witnesses, related Wednesday afternoon that her father shot Woellert after he had knocked her down two or three times. That morning Etheridge spent some time in the chair to recount his theory of the killing and incidents leading up to the shooting.

"Woellert knocked Mr. Green down three times after he had been taken from the dance floor into an adjoining room," Etheridge said. "He was ejected from the building the third time: He entered the building once with a knife in his hand. The witness told of having been cut with a knife and exhibited a long scar behind his ear.

A number of State witnesses depicted, under examination by the district attorney.

Schmidt-Wright Marriage Rites Said At Methodist Church At High Noon Sunday

With members of her father's church and a number of other friends as witnesses, Miss Fern Wright, daughter of the Rev. and Mrs. Cal C. Wright of First Methodist church, was married to Mr. F. J. Schmidt of Oklahoma City, at the First Methodist church at high noon Sunday.

Simplicity marked the setting and the ceremony. Baskets of yucca of fern and yellow chrysanthemums had been arranged in the church for the occasion.

Preceding the ceremony Miss Gladys Miller sang as a pre-nuptial solo, "O Promise Me," with Mrs. Ray Womack at the piano. The wedding group entered to wedding music played by Mrs. Womack.

The bride's two attendants, Ruth Wright and Hettie Adele Hutchinson, entered first. Miss Wright wore a crepe dress of winter green with matching hat and accessories. Her shoulder corsage was of white chrysanthemums. Miss Hutchinson wore elegant crepe with matching ac-

cessories and a corsage of yellow chrysanthemums.

The bride entered with her brother, Bill Wright of Terrell, who gave her in marriage. She wore a black crepe ensemble with a quilted satin trim and black accessories. Sunburst rosebuds formed her shoulder corsage.

Approaching her father, the bride was met by Mr. Schmidt and his brother, Lamar Schmidt of Oklahoma City. The Rev. Mr. Wright said the impressively simple ring ceremony.

Following the ceremony members of the wedding party and out-of-town friends of the bride and groom were guests at an informal buffet luncheon in the Wright home. Present were the Rev. and Mrs. Wright, Mr. and Mrs. F. H. Schmidt of Oklahoma City, Mr. and Mrs. Lamar Schmidt of Oklahoma City, Bill Wright of Terrell; Mrs. Wright's brother, J. A. Clements and daughter, Evelyn; Perry Elizabeth Lewis of Stanton; Miss Iris Graham and Miss Josephine Nevins of Abilene.

Immediately afterward Mr. and Mrs. Schmidt went on a brief wedding trip to Abilene. They are at home at the Barcroft hotel.

Mrs. Schmidt, the second daughter of the Wrights, was a graduate of Abilene High school and attended McMurry college in Abilene. She

Monte Carlo Party At Hotel Thursday Was Novel And Colorful Entertainment

One of the most novel entertainments in Colorado in recent years was the Monte Carlo party given in the Colorado hotel ballroom last Thursday night by Mrs. Wade Scott and Mrs. Harry Lindley. Over 100 people were guests.

Halloween features, colored lights, and women's evening dresses added gaiety to the setting for games of roulette, blackjack, dice throwing, and poker, all played with "bogus" money of which \$300 was given each guest.

Winners in the games were Miss Virgie Powell among the women and Dr. R. D. Bridgford among the men. Miss Powell increased her \$300 to around \$1500. Dr. Bridgford had around \$4,800.

One end of the ballroom was filled with tables to represent a supper club. Refreshments of stuffed potato chips, minced chicken sandwiches, coconut macaroons, and punch were served there during the evening at the guests' convenience.

Punch was served to players over a "bar" with an authentic-looking background of mirrors and famous brandied whiskey bottles—all empty. The Jenkins Twins, Loyse and Louise, were barmaids.

Piano music during the evening was played by Miss Reta Mae Arnold. A floor show was a feature of the evening. It was presented as a broadcast from Station HICK with derby-hatted James Logan as announcer and master of ceremonies.

Floor show numbers included tap dances by Craig Porter and Phyllis Berman, with Joe Earnest at the piano; piano numbers by Miss Arnold; song and dance numbers by the Jenkins Twins; taps and shuffles by two negro boys.

The guest list included: Messrs. and Mrs. J. W. Randle, Bill Broadbent, Chester Jones, Wylie Kinard, E. J. DeuFree, Bill Oswald, Ace McShan, Joe Mills, Austin Bush, Dick Carter, John Deffebach, R. D. Marriage Of Miss Welch And Mr. Avera Solemnized At Baptist Church Sunday

The marriage of Miss Virginia Welch, daughter of Mr. and Mrs. L. Welch of Colorado, and Mr. James T. Avera of Littlefield, son of Mr. and Mrs. Ewing Avera of San Angelo, was solemnized in a candlelight setting at the First Baptist church Sunday afternoon at 5 o'clock.

Ivy-colored lattice-work and trelises formed the background for the wedding group. On either side of the rostrum were baskets of purple pineapple thistle and tall floor candelabra, each holding five lavender tapers. An arched candelabrum holding ten lavender tapers centered the background. Baskets of sage grass stood in each window.

The pre-nuptial solo was "All For You," sung by Mrs. Lula Mae Carlton with Mrs. J. H. Guitler at the piano. Mrs. Carlton wore cream lace, unornamented.

Mrs. Guitler also played for the entrance of the wedding party. First to enter, coming down opposite aisles, were the matron of honor, Mrs. C. P. Gary, and the best man, Mr. Scottie Johnson of San Angelo. Mrs. Gary, sister of the bride, wore eggplant transparent velvet with a gold metallic hat. Her shoulder corsage was of sweet peas and orchid chrysanthemums.

Entering next were Miss Lois Burdine, niece of the bride, and Mr. E. H. Clark of Pampa and Littlefield. Miss Burdine wore wood violet transparent velvet and a gold hat. She carried a gold colored muff with a corsage ornament of lavender and gold chrysanthemums. Miss Evelyn Curb of Merkel and Mr. George Woodward of Lubbock and Oklahoma City entered preceding the

bride and groom. Miss Curb's dress of tyrol violet transparent velvet was gathered at the throat. Like Miss Burdine, she wore a gold hat and carried a gold-colored muff with a corsage.

The bride and groom also came down separate aisles, each entering alone. Her dress was of white satin, made simply with long close-fitting sleeves and a straight skirt with a width of fullness below the knees. She wore a halo half-veil held in place by a band of orange blossoms which was worn by her matron of honor twenty-five years ago. Her shower bouquet was of lilies of the valley and cream-colored roses.

With the couple facing the audience the ring ceremony was said by the Rev. P. D. O'Brien, pastor First Baptist church. Immediately afterwards Mr. and Mrs. Avera left on a short wedding trip to points south.

Mrs. Avera's going away suit was of green wool with black velvet trimming and matching accessories.

Mr. and Mrs. Avera are to be at home after November 17 in Littlefield, where Mr. Avera is stationed as an engineer with the Texas company.

The bride was born and reared in Mitchell county. She was graduated from Colorado High school and attended Hardin-Simmons university and Sul Ross college, where she received her degree. She taught at Hyman, then at Merkel for several years, and last year and this at Seagraves.

Mr. Avera is a graduate of San Angelo High school and the school of engineering at the University of Texas.

Winners in the games were Miss Virgie Powell among the women and Dr. R. D. Bridgford among the men. Miss Powell increased her \$300 to around \$1500. Dr. Bridgford had around \$4,800.

One end of the ballroom was filled with tables to represent a supper club. Refreshments of stuffed potato chips, minced chicken sandwiches, coconut macaroons, and punch were served there during the evening at the guests' convenience.

Punch was served to players over a "bar" with an authentic-looking background of mirrors and famous brandied whiskey bottles—all empty. The Jenkins Twins, Loyse and Louise, were barmaids.

Piano music during the evening was played by Miss Reta Mae Arnold. A floor show was a feature of the evening. It was presented as a broadcast from Station HICK with derby-hatted James Logan as announcer and master of ceremonies.

Floor show numbers included tap dances by Craig Porter and Phyllis Berman, with Joe Earnest at the piano; piano numbers by Miss Arnold; song and dance numbers by the Jenkins Twins; taps and shuffles by two negro boys.

The guest list included: Messrs. and Mrs. J. W. Randle, Bill Broadbent, Chester Jones, Wylie Kinard, E. J. DeuFree, Bill Oswald, Ace McShan, Joe Mills, Austin Bush, Dick Carter, John Deffebach, R. D. Massed Thanksgiving Choir Is Planned At Music Club Meeting

Plans for the massed Thanksgiving choir which will be sponsored by the Colorado Music club on the Sunday evening preceding Thanksgiving were discussed at the club's regular study meeting at the home of Mrs. E. L. Latham Wednesday afternoon. Mrs. Latham and Mrs. W. L. Doss, Jr., were hostesses.

The choir, it was decided, will be directed by Thomas Dawes. Its program will be presented at the First Baptist church Sunday evening, November 24.

The club program included a Spanish waltz song, "Carmena," by Mrs. W. R. Martin, with Mrs. Latham at the piano, and the playing of Liszt's "Liebestraum" as a piano duet by Mrs. Doss and Mrs. Ray Womack.

Mrs. Martin read state and district federation news, following which there was a round table discussion of the individual benefits derived from federation.

The hostesses served a salad course, fudge cake, and coffee.

Surprise Party For Ronny Fee

A surprise party arranged by his mother, Mrs. Bob Fee, complimented Ronny Fee on his fifth birthday Monday.

Cellophane packages of candy were guest favors. The birthday cake was served with jello and whipped cream to about twenty.

Supper Club Plays At Whipkey Home

After eating at the Round Top, members of the Supper club played bridge at the home of Mr. and Mrs. W. W. Whipkey Tuesday evening. Mr. and Mrs. C. A. Wilkins were high score winners.

Present were Messrs. and Mrs. E. L. Latham, C. A. Wilkins, Oscar Price, B. J. Baskin, J. W. Randle, Joe Mills, R. J. Wallace, and Whipkey.

Eastern Stars And Husbands Have Party

Members of the Eastern Star and their husbands had an old-fashioned Halloween party with fortune-tellers and chambers of horror and other features at the home of Mr. and Mrs. J. T. Howell Thursday night.

A large number was in attendance. Violin and guitar numbers by Ed Jones, Sr., and W. R. Charters were entertainment features. Stunts were given and bingo played. Pumpkin pie, whipped cream, and coffee were refreshments.

Two Tables Of Evening Bridge Play At Hopkins

Two tables of bridge were entertained by Mr. and Mrs. V. Hopkins Friday evening. Guests were Mr. and Mrs. Hugh Millington, Mr. and Mrs. Lee Lavendera, and Mr. and Mrs. Bryan Porter.

Mrs. Porter made high score. A salad course was served with coffee after the games.

Using Autumn leaves and Thanksgiving symbols for decorations, Mrs. Luke Thomas, Mrs. Coy Harris, and Mrs. Brice Webb were hostesses to the Gleaners' class of the Baptist church at the home of Mrs. Thomas Tuesday evening.

After the business session a "pumpkin pie" game was played. Pumpkin pie, whipped cream, nuts and coffee were served to seventeen including two guests, Miss Violet Mosser and Mrs. Green Delaney.

1921 Study

"Some Bits of Early Texas History" was the subject for the 1921 Study club meeting with Mrs. Ray Womack Friday afternoon.

Mrs. J. M. Doss was leader, with papers given by the following:

"The Missions," Mrs. W. C. Hooks; "Early Days in San Antonio," Mrs. H. B. Broadus; "Jean LaFite," read by Mrs. Van Boston for Mrs. Ace McShan.

A poem, "Texas," was read by Mrs. A. C. Anderson. The poem was written by Mrs. Anderson's mother, Mrs. J. M. Tucker, who lived in Strawn until her death.

Two other poems were read, "Bluebonnet" by Mrs. J. E. McCleary. With Mrs. Womack at the piano, the club sang, "The Old Chish Trail."

The meeting this week will be with Miss Mabel Smith with Mrs. J. T. Pritchett leading.

Self Culture

Topics given in the second division of the Self Culture club's study of Edgar Allan Poe at the home of Mrs. Henry Pond Friday afternoon were as follows:

"Influences Under Which Poe Wrote," Mrs. A. F. King; "Echoes of Poe's Early Life in His Poems and Their Worth," Mrs. A. C. Melton; "Analysis of Poe's Character," Mrs. L. B. Elliott; "History and Meaning of Israel," Mrs. H. G. Whitmore. Mrs. Benton Templeton was leader.

The club discussed plans for placing a set of books in one of the adapted schools.

Incidents of Armistice are to be given during roll call Friday, when the club will meet with Mrs. A. C. Melton. The study of Poe will be concluded.

Two Week Of Prayer Programs Held By Methodist Women Monday And Tuesday

Devoting Monday afternoon to the study of foreign missions and Tuesday afternoon to home missions, women of the Methodist church observed two weeks of prayer programs early this week.

Twenty-five women were present Monday afternoon at 2 o'clock to hear Mrs. R. H. Looney lead the foreign mission program. Mrs. J. G. Merritt explained the beginning of the week of prayer and self denial and told where the offerings for the week go.

"The Impartiality of Service" was the program theme. With Mrs. Ray Womack at the piano, Mrs. N. H. White sang "The Light Along the Ages." Scriptures on service were given by Mrs. J. W. Shepperd, Mrs. Clarence Cook, and Mrs. H. H. Winn. Mrs. J. T. Pritchett and Mrs. Chester Jones gave service poems and Mrs. Ray Womack read from Second Timothy.

Proceeding a talk by Mrs. R. H. Looney on service, Mrs. White sang again. Mrs. W. H. Lupton prayed, words of the Laura Ingalls school in China and of the evangelistic center in Korea were told. Mrs. W. L. Doss, Mrs. J. E. McCleary, Mrs. Pritchett gave a reading on prayer. An offering of \$10.00 was taken, following which Mrs. H. N. Arnett gave the dismissal prayer.

Mrs. Cal Wright opened the service on home work Tuesday at 2:30. Mrs. Womack played. Taking part in the devotional on "The Contagion of Service" were Mrs. Merritt, Mrs. Shepperd, Mrs. J. E. McCleary, Mrs. Looney, and Mrs. Arnett.

After Mrs. Lulu Ann Carlton had sang "Teach Me to Pray," Mrs. McCleary talked on "The Contagion of Service" and Mrs. White sang "One More Day's Work for Jesus." A period of silent prayer closed.

Mrs. White read about the Episcopalian community house in Birmingham, Alabama, where the Episcopalian offering was to go. The offering amounted to \$12.00 and fourteen women present.

Saturday morning at 10:00 High school girls opened the devotional, according to a card received this week from J. F. Williams, director of the extension department of Texas Tech, through which the course is taught.

The next meeting of the class will be Saturday morning, November 9, at 2 o'clock.

TEXAS CENTENNIAL COINS AT CITY NATIONAL BANK

Texas Centennial coins are now being distributed through the City National Bank.

Funds to be derived from this distribution at \$1.00 each are to go into a fund to build a Texas Memorial Museum. The material is to be in honor of the men and women who built Texas. Distribution may be advanced by calling your bank and purchasing one of these silver pieces. Two cents have been added to their services free.

The American Legion Texas Centennial Committee secured the passage of the Texas Centennial Act, and sponsored a measure in the 44th session of the legislature, by which \$225,000.00 was allotted out of the Texas Centennial Three Million Dollar Fund for the Memorial Museum. P. T. A. Hallowe'en Party
The P. T. A. contest ended the 29 with Miss Gressett's room, the first and second grades, winners. As a reward they were given a Hallowe'en party Thursday afternoon at the home of Mrs. Van Boston. After several delightful and interesting games, refreshments of apples, decorated with marshmallows to resemble Jack-o'-lanterns and popcorn were served. Favors were Hallowe'en paper whistles.

Hallowe'en Entertainment
Last Thursday afternoon Miss Kent entertained her room with a Hallowe'en party. It was held in the school cafeteria. The guests entered the darkened room to shake the clammy hand of a ghost. Then all joined in several contests and games. Don Landers won the big prize. At the close of these games, refreshments of apples and popcorn balls were served. Everyone enjoyed a nice time.

Senior Party
The Seniors and their invited guests were entertained last Wednesday night with a party given by Sue Haynes. Those present were: Jimona Taylor, Elton Donelson, Renne Hines, Wayne Gilliam, Virginia Bell, Ruthie Miller, Dennis Leach, Flonelle Davis, Jack Haynes, Jo Nelle Anderson, Chester Anderson and the hostess.

On arriving we were given several mysteries to solve. Then we went

from room to room in which were located different games. Points were given to winners of these games. The couple getting the most points got a prize. The lucky couple was Jo Nelle Anderson and Elton Donelson.

We then were sent on a "scavenger hunt." The ones bringing the articles sent for first, got a prize. I wish to know why anyone didn't have oranges in their homes Wednesday night. We couldn't find any. Several couples tied in this contest. Refreshments were candy and popcorn.

Everyone reported a nice time and many thanks to Sue, Jack, Jimana and Mrs. Haynes. They really know how to entertain. This isn't a hint, Sue, but if you want to take it that way you may.

Sports

Last Monday Coach Lauderdale issued basketball suits to Earl Bullock, Slick Bell, Elton Donelson, E. G. Rogers, Reeves Plummer, and Harris Wilson in preparation for the first game of the season. Westbrook won this game by a score of 26-12 when Westbrook met Rogers on the local court Thursday.

We have two games scheduled for this week. The return game with Rogers will be played Thursday. The Junior girls will go to Conaway to play Wednesday afternoon.

Ask Juanita Harrison if basketball isn't hard on the knees and hose.

Covering The News

Well, here I am back again. It's certainly cold weather around these parts, so I'm afraid I won't be able to "snoop" about very much.

Well, well, what greets my ears first, but stories of Hallowe'en escapades. It seems that several "spooks" and "goblins" had a spite to be taken out on some of the Westbrook-ites. In fact I believe the king goblin himself took a hand. Learned a hint that I might pass on to you all. Beware of water buckets that might turn over and bestow their contents upon you. Him! Seems like the trees are growing buckets of water instead of leaves.

Notice several ex-students are coming back to school and taking post-graduate courses. Welcome back to the fold, ex-seniors.

The carnival at Colorado this week seems to be the center of interest among the students. I happened to be just around the corner when a certain Senior girl heaved a heavy sigh and voiced her wish that she could go to the carnival. Wonder if a birdie couldn't whisper to a certain man?

Heavy sighs and disgusted "oh shoots," greet my ears at 3:40 when the high school has to march out the east door and go around the school-house to reach the west side, instead of cutting through the hall. Worry not, my girls! The walk is as good as a reducing exercise! Please! No rotten eggs or mushy tomatoes.

I see several of the faculty spent the week-end away from Westbrook. Mr. Hood was in Canyon and Miss Gressett in Lubbock. Last week the fact that Mr. Patterson spent the week-end in Austin was overlooked. I'm very sorry for this and will try not to let my ears fall down on their job again.

Miss Cook and Miss Kent were seen in Colorado Hallowe'en looking nervously behind them at every dark corner. But the spooks and goblins left them unmolested (?).

Hearsay: The Senior choral club is very exclusive. My, sounds interesting, doesn't it? You might try to become a member—good duck to you.

Senior News
The ghosts, witches and goblins have come and gone and done everything that is wrong. I'm not kidding. I think I had better change the subject before I make another rhyme unintentionally.

I would like to ask a few questions if no one objects. I am striving for knowledge.

Three Historic Markers To Be Built In County With \$260 Centennial Funds

Three centennial markers will be erected on historic spots in Mitchell county in the next few months, according to information received this week by J. H. Greene and Mrs. J. G. Merritt of the county Centennial committee.

The information was contained in letters from Walter F. Woodul, lieutenant governor and chairman of the Centennial celebration, to the committee. The cost of the markers will be \$260, coming from the Texas Centennial fund.

The most elaborate marker will be one costing \$260. It is to be placed on a "battlefield" near Colorado City where a large number of Indians were killed. Efforts to learn just where this place is have so far been unavailing.

Another marker, costing \$60, is to be placed at Seven Wells on Champion creek. The third marker will be put up by the state highway department somewhere in Colorado. It is to bear the history of the county and sketches of Asa and Eli Mitchell, for whom the county was named.

No reason for choosing the particular places mentioned above for markers in this county was given in Mr. Woodul's letter. He stated, however, that the Advisory Board of Historians of the Centennial commission will appreciate any historical data as to places and events to be commemorated. It is hoped that some old-timer of the county or someone familiar with the county's early history can supply this data. The Record will appreciate any such information.

1. What was the name of the man who was shot last Tuesday night?
2. Why does Coach like to argue?
3. Did Mr. Hood ever box or play football?
4. What was Earl doing last Wednesday night?
5. Does Marcus think everyone is deaf but himself?
6. How many gray hairs has Mr. Patterson?
7. Can anyone compare with Earl in barking as a dog would? "Bow, wow."
8. Who killed Cock Robin?
9. Is Jim Anna's melodious voice due to a bad cold?
10. Who broke the lock on the hen house door?

Anyone wishing to answer these questions, please write them out and hand to the Senior reporter and they will be published next week.

P. S. For all who may be concerned, Rennis and I shall chew gum until gum ceases to exist.

Junior News
The Junior class entertained with a program in assembly last Wednesday. The play was entitled "Baby Show." We hope that every one enjoyed it and was not annoyed by the crying of the babies. The Seventh grade also helped us in the play by contributing one of its precious little tots, John Bob Taylor.

YOUTHFUL THIEVES

Three boys, aged 12, 14 and 15, were arrested in Sweetwater the other night on the charge of stealing an automobile in Gatesville. They gave their homes as San Saba. The youngsters admitted the theft, it was reported.

PECOS PRIDES IN WATER EXTENSION, MAYOR SAYS IN WIRE TO LOCAL C OF C

The recently completed extension to the Pecos water system was voted without a dissenting ballot and is the pride of every citizen, according to information given the chamber of commerce by Mayor B. A. Toliver Thursday morning.

Quoting from the wire: "Bonds issued two hundred forty two thousand, grant sixty six thousand, total three hundred eight thousand dollars Pecos City water works. Bond strictly revenue bearing. No increase in taxes."

SAM SMITHS LEAVE

Mr. and Mrs. Sam Smith will probably be out of town until the first of the year. Mrs. Smith left Thursday morning for McAllen to supervise the marketing of the Smiths' fruit crop. Mr. Smith left Thursday noon by train for Gatesville, where he will spend two or three months supervising his brother's grain business.

MARTHA LEE BEAUTY AUTHORITY AT MODEL SHOP ALL NEXT WEEK

Announcement was made this week by the management of the Model Shop that Miss Mabel Eddleman, personal representative of the Martha Lee beauty products, will be at the Model Shop from Tuesday morning, November 12, until Saturday night, November 16.

Miss Eddleman, who filled a similar engagement at the Model Shop several months ago, will give her services free to Model Shop customers. She analyzes skin problems and gives advice about their treatment with special Martha Lee preparations.

Mitchell county women are invited to make appointments with Miss Eddleman at their convenience.

Mr. and Mrs. Lee Cresswell of Abilene were week-end visitors in the Marvin Gary home.

Mrs. Dannie Stark was honored with a handkerchief shower Tuesday afternoon.

corated the rooms in which guests were received. Mrs. Thompson, wearing black crepe with a beaded design in crystal, greeted guests at the door, where they registered. The receiving line was headed by Mrs. Smith, whose gown was of black all-over lace with a white lace yoke. Others in the line were Mrs. L. L. Welch, who wore brown; the honoree, who wore brown shot with silver; Mrs. C. P. Gary, gowned in green with gold trimmings; Miss Lois Burdine, whose blue crepe dress was belted with a gold cord; Mrs. R. H. Bennett of Loraine, who wore brown; and Miss Evelyn Curb of Merkel, who chose flowered chiffon for the occasion.

Mrs. Templeton, wearing wine velvet with gold accessories, cared for guests after they had passed the receiving line. Miss Margaret Cook played at the piano while guests were arriving.

A program which included two songs, "I Love You Truly" and "The Second Minute," by Mrs. W. R. Martin with Mrs. B. H. Meskimen accompanying, and two readings by Mrs. D. W. Haralson of Loraine was presented.

At the program's close Billy True Templeton, wearing red taffeta with gold slippers, gave a reading about how to find the pot of gold at the foot of the rainbow to introduce the gifts to the honoree.

Guests were then shown to the dining room where the gifts were found in a rainbow setting. Streamers of tulle in rainbow colors extended from the chandelier above the dining table to the table's corners, where they were held by packages wrapped in rainbow-colored cellophane. Centering the lace-covered table was the "pot of gold," filled with packages wrapped in gold paper.

Pink, blue, and green sandwiches were served with sand tarts and tea. Favors were tulle bags filled with colored mints and tied with ribbon in which tiny sprays of flowers were caught. The tulle had a bly-of-the-valley design.

Assisting in serving were Mesdames M. J. Dawson, L. B. Elliott, Charles Donaldson, and Joe Pond and Miss Lena Smith. About fifty guests were served.

COLORADO'S SAVINGS & LOAN ASSOCIATION

Colorado has a loan association with Federal charter, established on time tested principles of the most successful association in America. It is so designed to provide a safe secure place for the investment of funds and for making first lien real estate loans, principally on homes in Colorado.

The benefits to Colorado and surrounding territory will depend upon the realization of the people that such an association can mean much to them individually, as a safe place to invest their savings, comparable in safety with postal deposits or government bonds, but where a better return can be earned on their investment.

The purpose of an association is to serve its community in both the savings and borrowing features of its operations. Although the United States Treasury is authorized to subscribe for shares in the association to the extent of three times the private subscriptions, the association is privately and locally managed under uniform and proven rules and regulations of the Federal Home Loan Bank Board. The local association is a member of the Federal Home Loan Bank system.

Safety of the investment of each and every investor is fully insured up to \$5000.00. This safety feature is not optional, nor a temporary measure, every Federal Savings and Loan Association is compelled by law to provide this insurance against loss for its investors.

It is estimated by those familiar with the subject that Colorado is sufficiently large to maintain and adequately support an association of from \$100,000.00 to \$300,000.00 in resources, or even larger, but the plan under which it is organized makes it possible to successfully operate from the beginning.

Colorado should feel proud of the opportunity to welcome into its midst, this association which can if properly supported become an institution of service and great value to the town and community.

Murder Trial

trict attorney, a different trend of events connected with the killing. Miss Mary Arnett of Snyder, one of them and with whom Woellert was dancing, testified that Etheridge came to Woellert and told him to leave the place, and that when he did not Green came over and grabbed him by the neck and knocked him down with knucks. She testified that Woellert had been orderly throughout the night.

Euna Paulk, another chief State witness testified that she saw the defendant hit Woellert outside the dance hall. She said she saw Green go into the house, come back with a gun and shoot Woellert as he stood with his hands at his sides. Last witness to be introduced by the State before the noon recess Thursday offered damaging evidence for the State.

"I was standing just outside the building near Green and Woellert was out near the gate, some ten feet away," he said. "I saw Green open a gun from his pocket and open fire, as Woellert stood there alone with his hands down at his side. I assisted in placing the injured man in a car after he had been shot down."

The case was expected to reach the jury late Thursday. At the noon recess both the State and defense announced to the court they were about through with the introduction of testimony. Charge of the court would

then be heard after which argument by counsel would be in order.

Selection of the jury was taken up Tuesday morning at 9 o'clock after Judge A. S. Mauzey, presiding, announced that the court would overrule defense motion for continuance. Such a petition was entered Monday morning as the case was called, defense attorneys alleging that two important witnesses, Bill Pitts and Albert Smith, had not been reached with court summons. Court was recessed until the following morning pending consideration of the motion.

The twelve men trying the case were selected after the State and defense had examined 68 out of a special venire of 108. The last juror was taken at 2:40 Tuesday afternoon and introduction of testimony begun. The jurors are C. N. Stubblefield, J. H. McCullough, J. A. Ferguson, D. C. Stubblefield, B. S. Cooper, C. M. Vest, L. A. Strain, R. E. Beal, W. C. Farrar, John McGuire, Foy Webb and W. J. Wooster.

Bond Election

(Continued From First Page)
Election order to determine whether or not the bonds should be authorized was passed by unanimous vote of the city council in called session Monday night, October 7, after more than 100 qualified electors of the city had signed petition requesting opportunity to vote on the proposal.

Only resident property tax paying voters within corporate limits of Colorado will be entitled to vote in the election, City Attorney R. H. Ratliff has outlined in report to the city council. Under the classification of property tax payer the law specifies that such voter must have actually rendered either real or personal property for taxes and be otherwise qualified as an elector under the general election laws.

Actual cost of the project will be considerably less than the estimated total, due to lesser figures now available on land purchases and other contingencies to enter into the lake and pipe line easements, together with other items that engineers believe will be trimmed under the original total. Such part of the proposed revenue bonds not actually required in financing the city's share will be cancelled.

Under no condition is there to be a tax levy entailed in event the bonds are authorized at the polls. Contract with the government provides that security for the loan shall be pre-

scribed as revenue warrants to accrue from income of the extended water system. A part of income from operation of the system will be set aside annually to retire the issue.

MRS. GEORGE PLASTER'S BROTHER DEATH VICTIM

Mrs. George Plaster returned Friday night from Killeen, where she was called Wednesday morning by the sudden death of her only brother, R. L. Garrett of near Killeen. She was accompanied on the trip by Mr. Plaster and their daughters, Mrs. Bill Dorn of Colorado and Mrs. Harold Foney of Clyde.

Mr. Garrett, who was 54 years of age, was a member of a pioneer Bell county family and lived near Temple all his life until moving to Killeen about fourteen years ago. He is survived by his wife and two sons, Alton Garrett of Killeen and Roy Garrett, sophomore at A. & M. college. Two sisters also survive, in addition to Mrs. Plaster. They are Mrs. W. H. Winnett of Temple and Mrs. T. W. Jacobs of Rogers, near Temple.

Masons had charge of the funeral services with burial in the old family burial grounds near Temple Thursday.

FFA EMBLEM
This information is being printed in this column in the hope that it will benefit the farmers of Mitchell county in solving their farm problems.

MAINTAINING SOIL FERTILITY BY TERRACING
For a number of years maintaining soil fertility in West Texas consisted of terracing only but during the next few months other factors of soil management will be discussed in this column that will make terracing more effective soil erosion control. Terracing is of prime importance in

Mitchell county. Since Spring millions of dollars damage has been brought by erosion due to the heavy rains. Not only will terracing help control erosion but it will hold moisture which is of great importance at present time in heavy crop production in Mitchell county.

Colorado Future Farmers wishes to render service in terracing farms of the county therefore if interested in terracing your farms during the current season list your place with us at an early date.

CHANGED HIS LOAD
"I came in after ice but am loading out with coal," announced M. L. Campbell, Buford merchant, Monday morning as he parked his car at the curb in Walnut street and began to button his coat around his neck to ward off the cold as a typical norther arrived to displace the ideal Indian Summer weather that had prevailed for several days.

OUTSTANDING PROGRESS TO BE REFLECTED IN REPORTS AT ANNUAL M. E. MEETING

Sweetwater District Will Go 'Over The Top,' Pastors Of Area Pledge At Gathering Held In Colorado Monday

Prospects of the Sweetwater district, North Texas Methodist conference, going "over the top" 100 percent in conference benevolences were voiced at a session of approximately thirty ministers of the denomination held at the Methodist church Monday morning. The meeting, the second in the last thirty days to be held at Colorado, was presided over by Dr. C. A. Long, presiding elder of the district. Another record—this time from a spiritual standpoint—was the general report of the district which shows that 1,406 accessions to the Methodist church were made during the last eleven months.

Ministers will leave for Plainview next week to attend the annual conference of the denomination which convenes November 13 and continues through November 17, when the assignment of preachers for the ensuing year will be announced by Bishop Hiram Abiff Boaz.

The Monday institute opened with a brief devotional led by Dr. Long, who stressed the importance of manifesting faith in God to remove "mountains of opposition" especially as they pertain to the finances of the church. Dr. Long spoke feelingly of his desire to go to annual conference and report the benevolences 100 percent. If this is done it will probably be the first time in the history of the Sweetwater district that the entire area has reported 100 percent. A barrage of old-time prayer on the part of ministers to preface twelfth-hour efforts to raise the remainder of the benevolences pledged was suggested by the elder.

Several points in the district have already raised their benevolences. Most of the preachers reported that salaries were well up and expressed the view that they would all be paid. Dr. C. A. Bickley, pastor of First Church, Big Spring, reported that his church had paid in full. Rev. Mark M. Beavers, pastor of the First Church, Sweetwater, rejoiced in the fact that his church had paid its benevolences in full this year for the first time in five years. The task of raising them he assumed personally.

Rev. B. L. Nance, conference evangelist, but resident at Phoenix, Ariz., has been engaged to state a number of preachers in the district in the matter of raising the conference collections. He is said to be one of the greatest personal workers in church work that the church has. For a number of years he was conference superintendent of Sunday Schools.

Midland church has granted a leave of absence to its pastor, Rev. Mr. Minter, who has been under treatment of physicians at San Angelo. The congregation is paying his medical bills, salary and providing a substitute in the pulpit.

Colorado Teachers Attended Curriculum Conference Held In Lubbock Saturday

A group of Colorado teachers, headed by Superintendent John E. Watson, were in Lubbock Saturday to attend a curriculum conference at Lubbock High school auditorium. More than 450 persons from over this section and the South Plains area were in attendance.

Attending from here in addition to Supt. Watson were Mrs. Watson and the Watson daughters; C. A. Wilkins, high school principal, and Mrs. Wilkins, Hutchinson school teacher; Hayes Holman, Junior high principal. The meeting was of special interest to Colorado teachers because of the curriculum study group being conducted here by means of a Texas Tech extension course and because of the introduction of curriculum revision principles into teaching methods here this year.

The local curriculum group is studying Curriculum Production this year, with classes held every other Saturday morning at 9 o'clock at the

high school. Last year Colorado and Mitchell county teachers took an extension course in curriculum orientation. Colorado school authorities have been among the first in this section to recognize the importance of curriculum revision and to prepare for its coming.

Speakers on the Lubbock program included Dr. Bradford Knapp, president of Texas Tech; K. E. Oberholzer, curriculum study chairman of a district composed of 15 South Plains counties; G. D. Holbrook, deputy state superintendent of the South Plains district; Superintendent W. C. Blankenship of Big Spring; Dr. A. W. Evans, district curriculum revision advisor.

Principal addresses of the afternoon were by W. A. Stigler of Austin, state director of curriculum revision, and Dr. Ellsworth Collings, noted curriculum authority and dean of the school of education in the University of Oklahoma.

One Of WPA Road Projects Is Oked By Administration

Precinct 2 Improvement To Cost \$16,073; Additional Applications Are Pending

One of the four lateral road improvement projects sought by county commissioners' court was given approval at Washington Saturday by the Works Progress Administration. County Judge Templeton Tuesday expressed hope that the others, still pending, would be given approval at an early date.

An estimated cost of \$16,073 is to be expended by the county and Federal government on the project authorized. The improvement work is in precinct two. \$13,198 of the amount is to be furnished by the government and the remainder of \$2,875 by the county.

Lateral road improvement affecting all parts of the county and to cost \$75,000 was sought in original application filed several weeks ago

circuit, is leaving the district. At the West Texas Annual Conference which closed Sunday at San Antonio, he was transferred to the New Mexico conference. Mitchell filed on a government land claim in that state and will reside on it while serving a charge.

Rev. Bruce Meador, pastor of the Loraine church, will be superannuated at the annual conference at Plainview. He has served in the Northwest Texas Conference for more than thirty years, both in the pastorate and in the evangelistic field. Meador is still young as far as youth and agility is concerned. Bruce confides to a Record reporter that he will go to his five-acre tract a few miles south of McMurry College at Abilene, stock the place with several hundred white Leghorn chickens—and watch the increase.

Colorado To Play Sweetwater Club On Latter's Field

Bout Slated For Night Affair Here Changed After School Officials Hold Conference

The Colorado-Sweetwater non-conference game, originally slated for Friday night at Cantrill Field, is to be played at Newman Field, Sweetwater Friday afternoon. The game was transferred to Sweetwater during the conference attended by officials of the two schools.

Reason for changing the schedule was due to uncertainty of the weather, C. A. Wilkins, principal here, stated Monday morning. "We have had two unfavorable night games and indications are that such might be repeated this week-end," he said.

The game will be called at 3:30. Plans are being mapped for taking a representative fan delegation to Sweetwater.

'YOU HAVE OUTSTANDING PAPER,' C-C EXECUTIVE SAYS ANENT THE RECORD

"I have just finished reading your newspaper and wish to make the statement that, in my candid opinion, it is among the outstanding weekly publications in this country. In fact, I do not know of another weekly in Texas that is deserving of higher merit."

So reflected I. R. Lines, field secretary for the Fort Worth chamber of commerce Friday morning as he entered The Record office. Mr. Lines was a visitor in Colorado Thursday and Friday.

FREE COAT OF PAINT ON TERRY'S STOLEN TRAILER

The loser turned out to be the winner in the case of Les Terry's stolen trailer.

The trailer was in good shape but unpainted when thieves took it from Terry's back yard in South Colorado one night over three weeks ago. When it was recovered by officers in Odessa last week the body had been painted a bright red, the wheels a gleaming silver.

Terry went to Odessa after the trailer Saturday. Now he is the winner by a coat of paint—whether he likes the color scheme or not.

The parties who took the vehicle were not caught at the time it was recovered but were reported to have been apprehended later in Oklahoma.

IMPORTANT MEETING OF HD COUNCIL SATURDAY

Important business, including the election of council officers for 1936, will be taken up at the regular meeting of the County Home Demonstration council in the office of Miss Emma Gunter, county home demonstration agent, Saturday afternoon at 2 o'clock.

Year books will be discussed and plans made for compiling annual reports. Every home demonstration club in the county is expected to have at least one representative present.

AGED CITIZEN WEAKER

Condition of S. P. Wilson, aged Coloradan who during the past several days has been ill at the home of his daughter and family, Rev. and Mrs. A. D. Leach, is not encouraging. Mr. Wilson, in his eightieth year, is reported to be gradually growing weaker.

MERITS OF AMERICAN RED CROSS HEARD IN STIRRING ADDRESSES BEFORE RALLY

Enthusiasm Prevails At Pep Gathering Held on Tuesday Eve At Hotel Colorado; Another Meeting Planned

The American Red Cross has never commanded a more universal support in Mitchell county and reports coming into Colorado from every community add for stronger enthusiasm in plans of the roll call drive committee to conclude membership campaign within three days.

One of the truly colorful gatherings in Colorado within recent months was that held Tuesday evening at the Colorado Hotel by Hayes Holman, roll call chairman, and several other citizens grafted by him to aid in carrying appeal of the American Red Cross to the Mitchell county public. Spirited addresses in which benevolences of the organization were extolled and reception given appeal for financial support recounted, were heard.

Mr. Holman presided at the meeting. The Rev. Albert F. Click, Methodist minister, told his auditors that the Spade school was already 100 percent on the roster of honor and that, in his opinion, south half of the county was then one-half enrolled.

One hundred percent enrollment in the Colorado schools was pledged in an address by Superintendent John E. Watson. Mayor J. A. Sadler assured that officials and employees of the city would be found standing solidly behind the Red Cross in its annual membership campaign. Colorado grocers could be depended upon to support such a creditable record, according to statement given by Jack Parker.

Due to plans for closing business in Colorado on Armistice Day, the drive is not to be formally opened until Tuesday morning. Under leadership of John Deffebach, enlistment chairman, all personal solicitors are called to meet at the chamber of commerce on that date at 9 o'clock. From there they will go out to give Coloradans opportunity to renew their affiliation with the organization.

On Tuesday evening a county-wide rally is to be given in auditorium of the high school building. At this assemblage, described by active champions of the Red Cross as a patriotic gathering, the public of this and other communities are requested to be present. J. H. Greene is to preside as master of ceremonies.

On the program will be band music directed by R. P. Rose. The Rev. W. M. Elliott of First Presbyterian church is to offer the invocation and Tommy Daves will lead in congregational singing. Lange Brothers and Virgil Morgan are to be heard in special musical numbers, as are pupils of Mrs. Bill Martin of Loraine. "Red Cross Skip" will be title of novelty feature to be given by pupils of junior high school, accompanied by Mrs. N. H. White, Jr., at the piano.

Additional music, including vocal solos, a feature by the Business and Professional Womens club and another by the Lions club will conclude the entertainment bill.

An admission price of 25 cents will obtain for all persons not presenting current Red Cross membership card or button.

DRIVER ARRESTED AFTER AGED TEXAS IS FATALLY HURT IN TRAFFIC CRASH

One man was instantly killed and two others painfully injured when two automobiles side-swiped on Highway 80 a few miles east of Sweetwater Monday morning.

The dead man, Wiley E. Smith of Caddo Mills, was 78 years of age. He was traveling in a car driven by Robert Harper, also of Caddo Mills.

Jeff Holloway of Merkel was arrested in Sweetwater later as driver of the other machine. Officers reported having found two cases of whiskey in the Holloway car.

REV. CHAS. PICKENS TO PASTORATE IN COLORADO

Rev. Chas. Pickens who during the past two years has been pastor of a circuit in Hood county, was transferred last week to the New Mexico conference, Methodist Church, South, and will be located near Pueblo, Colorado.

He and Mrs. Pickens were visitors with his parents, Mr. and Mrs. J. R. Pickens, and other relatives here during the week-end. Sunday night he preached at First Methodist church. Mrs. Lurline McCress, a sister of the minister, plans making her home with them in Southern Colorado.

RELATIVE OF COLORADO MAN IS SERIOUSLY ILL

W. M. Mosley, manager of the Hicks Rubber company, returned Saturday from Houston where he had gone to attend his brother-in-law, S. G. Wright, seriously ill with pneumonia. Mosley stated Wednesday night that little hope was entertained for recovery of his relative.

MITCHELL TEACHERS TO SUPPORT OF RED CROSS

Teachers of Mitchell county are rallying to support of the American Red Cross as date for formal opening of the Roll Call drive nears.

Several rural schools already report a one hundred percent enlistment. Along with their financial support scores of the teachers will do personal work in carrying appeal of the organization to citizens of their respective communities.

ONE MINUTE

Only sixty seconds. No more than is spent before a shop window, and less than is wasted each day in waiting.

Only sixty seconds. No one can miss it. Yet racing minds bring a host of pictures, reminds us of scores of incidents half forgotten in that time.

Only sixty seconds. But a short time to give all that that minute on November 11 must signify to each of us. But in that minute let us remember, and in remembering honor those to whom that minute is dedicated. No less can be expected of each of us, and of most, no more need be asked.

Sunday Bride Honored At Seagraves Affairs

Several affairs in Seagraves last week honored Miss Virginia Welch, who taught in the Seagraves school until her resignation last week to become the bride of James T. Averara of San Angelo and Littlefield in a ceremony here Sunday.

In addition to a handkerchief holder given by one of Miss Welch's classes last Wednesday morning before she left the school, she was honored with a surprise shower on Tuesday afternoon by teachers of the school. The Seagraves paper carried the following account of the affair:

"One of the most delightful affairs of the season was a surprise shower Tuesday afternoon, given by the teachers of the Seagraves school, complimenting Miss Virginia Welch, bride-elect of Jimmy Averara of San Angelo, at the home of Miss Allyne Jones in West Seagraves.

"The Halloween motif was used as decorations in the house. Forty-two and bridge were enjoyed and a delicious salad course was served. Mrs. D. J. Hicks gave a toast to the honoree, after which she presented her a beautiful silver grill, a gift from the school hostesses. Miss Betty Joe Hudson, impersonating a witch, brought in a very large pumpkin, containing many lovely gifts."

Christian WMS Meeting Draws One New Member

A new member, Mrs. S. G. May, was present at the business meeting of the women's missionary society of First Christian church with Mrs. J. E. Pond Monday afternoon.

Reading, Thanksgiving passages from the 25th and 100th Psalms, Mrs. W. W. Porter had the program part following the devotional, which was led by Mrs. Ed Jones, Sr. Mrs. P. K. Maskey brought a report on the recent national convention of Christian churches in San Antonio.

Sandwiches, cookies, and coffee were served to Mesdames Porter,

WOMEN IN THE STUDY CLUBS

Hesperian

The third act of Shakespeare's "Merchant of Venice" was studied at the meeting of the Hesperian club with Mrs. John E. Watson Friday afternoon.

With Mrs. Doyle Williams as leader, the following topics were given: "Synopsis of Act Three," Mrs. Ed Majors; "Shakespeare's Use of Location of Portia," Mrs. A. L. Whipkey; "Types of Mind Presented by the Several Suitors," Mrs. Otto Jones.

Mrs. S. H. Millwee was in charge of the business session, due to the absence of Mrs. Sam Wulfjen, president, and the tardiness of Mrs. Ed Majors, vice-president.

A letter was read from Mrs. George Tate, Big Spring woman who is in a Dallas hospital, thanking the club for a recent gift. Mrs. Tate is the daughter-in-law of the club's president of last year, Mrs. S. H. Millwee.

Three pictures of President Roosevelt to be given by the club to its adopted schools, Seven Wells and Dorn, were presented by Mrs. Millwee. The club voted a note of cheer to its ill president.

The meeting Friday will be with Mrs. Walter Wilson.

Shakespeare

"The Lone Star," a book by Eugene T. Lyle, Jr., was reviewed by Mrs. J. Max Thomas at the meeting of the Shakespeare club with Mrs. T. W. Stonerod, Jr., Friday.

Mrs. R. S. Brennan led the lesson, which opened with the giving of current events in response to roll call. Quotations and questions from the Shakespeare lesson in Julius Caesar followed Mrs. Thomas' book review.

A salad course, angel food cake, and coffee were served after the lesson. Mrs. Brennan is this week's hostess in the place of Mrs. Jack Smith, who is out of town.

Standard

With Mrs. C. E. Way leading the study of Shakespeare's "Coriolanus," the Standard club met Friday with Mrs. L. W. Sandusky.

Roll call was on Texas history and geography. Mrs. Way read a paper on "The Corn Laws" in England at the time of Shakespeare and Mrs. C. M. Adams a paper on "Shakespeare, the Boy."

A two-course luncheon was served to Mesdames Adams, P. C. Coleman, H. L. Hutchinson, Jr., L. W. Sandusky, J. E. Pond, S. N. Sherwin, Way, and R. D. Buchanan. Mrs. R. B. Terrell will be hostess Friday.

Zetagathian

Observing their Armistice Day program a week before it was originally scheduled, members of the Zetagathian club met Friday with Mrs. Bob May as hostess and Mrs. James Logan as leader.

League of Nations leaders were named during roll call. Mrs. Logan told of "The Steps By Which We Marched Unaware to War." Mrs. Joe Pond's topic was "The Expense and Tragedy of the World War." Mrs. Neal Prichard recounted "the Signing of the Armistice."

Mrs. Joe Pond led the drill on word pronunciation.

During the business session the club granted a month's leave of absence to Mrs. Bob May, who plans to be in Hamlin for that length of time. Mrs. Logan explained the use of the new professional reference library at the city hall library.

Interesting committee reports were given. The club went on record as approving the closing of business houses on Armistice.

SAFETY DRIVE FEATURED AT JUNIOR HI ASSEMBLY

A program devoted to the furtherance of the traffic safety drive recently launched by school officials in cooperation with the Mothers' club was presented during the Junior High school assembly period Tuesday afternoon.

Freddie Watson, acting as chairman, introduced Mayor J. A. Sadler, who pointed out to the children the importance of their work in the safety drive. Mrs. Bob Fee, who represented the Mothers' club, expressed the club's pleasure over cooperation offered by the children in the drive thus far.

Representatives from the three Junior High grades and from the Hutchinson and Coleman schools were presented on the program as follows: Catherine Slagel, seventh grade; Carl Moore, sixth grade; Kenneth Connell, fifth grade; Audra Carey, Coleman school; Thelma Jo Doekey, Hutchinson school. Carl Moore's distribution of "pep" over the audience caused much merriment.

Jack Smith, chief of the schoolboy patrol in the safety drive, talked on the safety drive, as did J. H. Greene, secretary of the Chamber of Commerce.

SWAFFORD-SMITH

L. C. (Rutch) Swafford and Mrs. Anna Smith, daughter of Mr. and Mrs. Coleman Smith of Colorado, were united in marriage last week. L. C. is the son of Mr. and Mrs. W. L. Swafford of Lorraine. He was a member of the football team last year.—Mitchell County News, Lorraine.

BACK TO BIG SPRING

Mrs. T. J. Coffee returned to her home in Big Spring Sunday. She had been in the home of Mrs. Boyd Dozier convalescing from major surgery administered at Root hospital several weeks ago.

Mr. and Mrs. Odell Fuller of Longfellow were week-end visitors in his parents home.

MORE THAN 60 PIGS TO BE FED BY FFA BOYS OF COLORADO HIGH SCHOOL

More than sixty pigs will be fed for marketing by Future Farmers of Colorado High school this winter.

About twenty of this number have already been placed on feed, and the remainder will be started within the next few days, according to Doyle Williams, FFA sponsor and head of the vocational agriculture department.

Top pigs of this number will be

shown at the San Angelo and Sweetwater fat stock shows next spring. Members of the club also plan to start a number of pigs on feed in May for showing at the Texas Centennial exposition.

TO BE HERE FRIDAY NIGHT

Mrs. E. W. Anderson of Big Spring, chairman of the 19th district of the American Legion auxiliary, has written Mrs. J. G. Merritt that she will be here for the Legion banquet Friday night, bringing with her several Big Spring auxiliary members.

A CHRISTIAN

So few of my column readers ever read the Bible and many who do read it do not understand it. So we give this sermonette.

The word Christian in the New Testament always applied to the saved individual. The word occurs only three times in the whole Bible all in the New Testament.

The first instance is in Acts 11:26: "The disciples were called Christians first in Antioch." It matters not whether they were so called in decision by their enemies, or in brotherly kindness by their friends. The term is used in the New Testament by the divine approval; it is therefore a sacred term. The disciples were called Christians. They were disciples of Christ. A disciple is a learner; one who has been taught. A disciple of Christ, then, is a learner of Christ, having been taught of Him; that is, a Christian.

To be thus taught of Christ, is to know Christ. To know Him is also to know the Father: "If ye had known me ye would have known the Father also" (Jn. XIV-7). To know the Father and the Son whom He hath sent is to have eternal life (Jn. xvii-3). To have eternal life is to be saved. Therefore a Christian is a disciple of Christ, a learner of Christ, knows the Father and the Son, has eternal life, is saved.

Second use of the word is in Acts xxvi:28 where Agrippa said to Paul, "Almost thou persuadest me to be a Christian." Paul had just told Agrippa of his conversion, and had preached Christ to him as set forth in the prophets, explaining that he (Paul) had been chosen of Christ and sent forth to preach that through his ministry others might hear the gospel, "repent and turn to God, receive forgiveness of sins and an inheritance among them that are sanctified by faith in Christ." These are wonderful words of gospel truth. Agrippa had all this in mind when he said to Paul, "Almost thou persuadest me to be a Christian." He was almost ready to repent and turn to God by faith in Christ, as preached by Paul, receive the forgiveness of sins, and the assurance of an inheritance among the sanctified. This was to be saved. The forgiveness of sins is received only by those who are saved. The assurance of an inheritance among the sanctified can be vouchsafed only to those who are saved. Hence to be a Christian is to be saved.

Third and last use of the word is in 1 Peter iv: 16: "If any man suffer as a Christian let him not be ashamed, but let him glorify God on that behalf." Reading on through the next two verses we find that Peter speaks of the Christian as one who is saved. "For the time is come," says he, "for judgment to begin at the house of God; and if it begin first at us, what shall be the end of them that obey not the gospel of God?" The house of God here, which he calls "us," consists of those who "obey the gospel of God," and is in contrast with those who do not obey. And then he adds that "if the righteous (that is, the justified, the one who obeys) is scarcely saved (present and singular), where shall the ungodly and sinner appear?" (The ungodly and sinner, describe not two different persons, but one person. The "righteous," or justified one, is in contrast with the "ungodly and sinner," the saved with the unsaved. The "righteous," or the justified one, "is scarcely saved," but he is saved, as Peter testifies, and his salvation is sufficient for the present. He has enough oil in his vessel for his own use, but none to spare. Peter's theme here is the individual Christian whom he represents as righteous, justified, saved. Hence to be a Christian is to be saved.

God: and if it begin first at us, what shall be the end of them that obey not the gospel of God? And then he adds that "if the righteous (that is, the justified, the one who obeys) is scarcely saved (present and singular), where shall the ungodly and sinner appear?" Must one be baptized in order to be a Christian?

Bear in mind that disciples of Christ were called Christians. None else were so called. A disciple of Christ, then, is a Christian.

Now notice: "When therefore the Lord knew how the Pharisees had heard that Jesus made and baptized more disciples than John (though Jesus Himself baptized not, but His disciples), He left Judea and departed into Galilee" (Jn. iv: 1-3).

What did John do? He "made and baptized disciples." He made disciples by preaching Christ to those who were not disciples, and then baptized the disciples he had made. Which is to say that he made Christians by preaching Christ, and then baptized the Christians he had made. That is, John Baptized only the saved. And Christ did the same thing: He "made and baptized more disciples than John." He made disciples and then baptized them: made Christians and then baptized them. John and Jesus baptized only those who were Christian.

SICK COLUMNIST

This columnist has been sick the past week and in fact is sick now. We consulted Dr. Root and after a diagnosis he said I was suffering from a paranoial type of dementia praecox and living in a world of delusions and unreality. You imagine you can tear the invisible atom into component electronic parts, you can understand and explain Einstein to the man in the street. You have at your fingertips the development of civilization from the settlement of the Nile Valley from prehistoric times, and are familiar with all governmental tendencies and developments that have been in vogue since men left the state of savagery.

From Dock's diagnosis above I imagined there was something serious the matter so went home to see if I could find out what it was.

I searched the medical dictionary and quite a number of medical journals, even the pharmaceutical expositorys and could gain no knowledge as to I went to consult Dr. Ratliff solution of the problem without getting the solvent. The Dock said you are suffering with a spasmodic manifestation induced by titillation of the membranes lining the facial protuberance. It is difficult to control such a manifestation when the membranous equipment as the nerve ganglia demands self-expression.

After this diagnosis I decided there was something seriously the matter so I went home and took a dose of salts and have been feeling better ever since.

STILL AT SEA

The Lord is my shepherd, I shall not want. It's time for the harvest yields. Does he Who promised the perfect care

Know of the barren fields? Our President has recently been "at sea" in more ways than one. He went on a \$400,000 fishing trip. Our President is also "at sea" as to how he is going to fulfill his unemployment program after promising to put 3,500,000 to work with his \$4,880,000,000 (billions) appropriation by Nov. 1, in which he has failed by about 2,300,000. He is now "at sea" as to how he is going to get these 2,300,000 on the pay roll in the remaining few days.

Our President promised economy in his administration, but giving his Secretary of Labor a \$15,000 bathroom and his Congressmen \$6.50 elevator rides and himself \$400,000

fishing trips does not look much like economy. He has exhausted his brain trust in seeking advice, likewise the tankers, Wall street controllers and the captains of industry, and is still at sea as he now beseeches the preachers to help him out.

Now, if our President will only go to Chicago and attend the Townsends' national convention on Oct. 24 to 29, he will then receive the light which will enable him to sail our ship of State from out the gathering storm of high taxes, unemployment and starvation, into the harbor of peace, prosperity and plenty.

TEXAS IS GREAT

A few weeks ago we had in this column a few charms of Texas enumerating the crops, climate, schools, churches, etc. to which State Press of the Dallas News adds:

Texas has all the things Editor Whiskey enumerates, all and then some. And our people in the main are living and letting live. Yet something seems to be the matter, something difficult to account for, a disease that has not been adequately diagnosed. Some call it "improper distribution" and seem satisfied with that. They don't tell how to improve the distribution. They agree that the farmer is entitled to use or sell his own grain at his own discretion. They admit that the cattleman is entitled to do as he sees fitting with his own beef. The merchant, it is conceded, must retain authority over his own goods. Then how is distribution to be reformed? It can be made better only by improving employment, employment that pays and allows the employee to supply his needs. What has happened to employment that so much can be produced with so few people in production? The answer is that machines are doing the work of men, not only in factories but on farms. It is the latter factor that strikes deepest. There is room and sustenance on the land if the present unemployed could be transferred from idleness to land cultivation. Instead of feeding the workless in town, they could feed themselves on the farms. A vast error was made when it was established by law that acreage in cultivation should be reduced, that every acre that was left out of an AAA crop, by rule and subsidy, was not required to be planted to some home-support crop, a crop capable of canning and of supporting a family.

Bragging on Texas and extolling its wonderful resources commenced away back yonder 100 years ago when Stephen F. Austin wrote in a letter for help in which he says: "Citizens of the United States of the North, we are but one people. Our fathers side by side fought the battles of the Revolution. We side by side fought the battles of the War of 1812. We were born under the same Government, taught the same political creed and we have wandered where dangers and tyranny threaten us. You are united to us all by the most sacred ties that can bind one people to another. You are, many of you, our fathers and brothers, and among us dwell your brothers and sisters. We are aliens to you only in country. Our principles, both moral

Ghosts, Goblins, Gnomes In Possession Of Colorado Streets Thursday Evening

Ghosts, goblins, gnomes and other eerie creatures prowled the streets of Colorado Thursday night for it was Hallowe'en.

In holiday mood, hundreds of children, wearing fantastic false faces and creating a deafening din by noise making devices of all sizes and shapes, were to be seen on every hand as one essayed to pass along the sidewalk.

The fun contrary to suspicious usually accompanying thoughts of Hallowe'en, did not turn to mischief of the kind that would injure the person or property of others. Of course, there were a few signs missing from their accustomed place and some chalk marks here and there in wake of the passing weird throng of joy makers. It would not have been Hallowe'en otherwise.

The observance at about this time of the year long antedates Christianity, some branches of which observed All Saints' Day, Friday, November 1. Hallowe'en is the vigil of All Saints' Day.

Thirteen centuries ago Pagans celebrated November 1 as All Spirits' Day. The evening before All Spirits' Day was the one night in the year when all ghosts and witches were

and political, are the same. Our interest is one, and we require and ask your aid, and appeal to your patriotism and generosity. We invite you to our country. We have land in abundance and it will be liberally bestowed on you. We have the finest country on the face of the globe."

FARMERS LIKE THIS BANK

FARMERS NEED THE SPECIALIZED SERVICES OF A GOOD BANK MORE THAN ANY OTHER GROUP OF PEOPLE. THEY HAVE MANY SPECIALIZED PROBLEMS AND LITTLE TIME TO DEAL WITH THEM. AND SO WE'RE ESPECIALLY PROUD OF THE FACT THAT A GREAT MANY OF OUR DEPOSITORS ARE FARMERS.

We appreciate a farmer's problems. Hardly a day goes by that we're not called upon to discuss them. With our complete range of banking services we stand ready to further agricultural progress, and through it, general prosperity.

Chevrolet Lines For 1936 Introduced To Local Public Saturday By Mills Company

The new Master de luxe and Standard Chevrolets for 1936, embodying marked advances in styling, engineering and performance, were introduced here Saturday by Mills Chevrolet company and throughout the nation by Chevrolet dealers.

Completeness in equipment, in appointments and in convenience is stressed in the company's announcement.

The Master de luxe, offered with either knee action or conventional springing, has been restyled in its more important appearance elements, notably by the adoption of higher and narrower grille of distinctively original design, in combination with a new treatment of the hood louvers, new style headlamps mounted on the sides of the radiator shell, and new interior trim.

The lower priced Standard models have been completely redesigned in chassis and bodies. Last year the Standards differed materially both in appearance and in construction from the Masters; this year, the two lines are identical in all major features of styling, engineering, and performance, the chief difference being only a matter of wheelbase.

Outstanding among the many new features of both Master and Standard models for 1936 are perfected hydraulic brakes; improved engines having higher compression ratio (6 to 1), balanced carburetor, full-length water jacketing, and other changes resulting in better cooling and improved gasoline and oil economy; and aerodynamic rust-prevention of fenders and running boards.

Front doors of all models of both lines are now hinged at the front.

The solid steel turret top, exclusive last year with the Master models, has been adopted this year for the Standard line also. Spoke-type pressed steel wheels, instead of wire wheels, are used on all Standard models.

Body interiors of Master models show marked changes in comfort and style. An important innovation is found in the design of the front seating arrangement of the Master coach and town-sedan. Instead of the usual divided and hinged front seat of two-door models, a single seat cushion extends the full width of the car, permitting three passengers to ride comfortably. The seatback is divided, the right side section being hinged to fold forward over the seat cushion to open a passageway to the rear compartment.

Chevrolet's Standard models for 1936, besides incorporating features that appear for the first time on the Masters, take their place in the line as entirely new models, with new box girder chassis frame, more powerful engine, longer wheelbase and larger bodies. The line of body types has been increased to seven by the addition of three models—the four-door sport sedan with built-in trunk, the two-door town sedan with built-in trunk, and the cabriolet.

The Standard model wheelbase, formerly 107 inches, is now 109, while its overall length last year 170 1/2 inches, is 12 to 13 inches greater. Bodies are longer and wider, with more leg room, wider seats and additional head room. Car weight is increased 135 pounds. Springing has been improved by the use of longer front and shorter rear springs, which possess more nearly equal frequencies and so minimize pitching.

Side rails and cross members of the new Standard frame are all of rigid box section, a type of construction that has appeared on costly European cars but never before in the low price field in this country. Although greatly increased in strength and in stiffness, the box girder members add so greatly to the rigidity of the structure that only three cross members are required. The extreme simplicity of the frame greatly facilitates access to chassis units for lubrication and service operations.

horsepower of the Standard, formerly 74, has been increased to 79 at 3200 r. p. m. by changes in combustion chamber design, valve operation, and carburetion in combination with an increase in compression ratio from 5.6 to 1 to 6 to 1.

Clutch improvements include the use of a new "shot-blast" process of treating cushion springs of the disc and a more accurate alignment of the release levers. A rail-type shifting mechanism on the transmission with positive interlock, has been substituted for the plate type formerly used. Fuel tank capacity, formerly 11 gallons, is now 14. A ventilated generator has been adopted.

SENIOR'S PARTY A BIG SUCCESS

The Senior class, celebrated Halloween last Wednesday night at the school house. Even though all the Seniors are practically grown and have long ago ceased being frightened by Halloween spooks, the witch who attended the party made cold chills run down the spine of every one who saw her, and that is no joke. The games were a great deal of fun. It seemed as if the dignified Seniors were enjoying their second childhood when several boys ran a stick horse race and played hopscotch holding a glass of water. The most unusual game, and one that almost ruined everyone's feet and legs, was the balloon race. The winner was never decided, but it was very exciting.

Bobbing for apples was also a great deal of fun, and though many never got an apple, others were quite successful in getting as many as six and seven. Mr. Foster was most amusing after he had been ducked while trying to get an apple.

The refreshments were sandwiches, potato chips, olives, cookies and punch. They were delicious and it is the first time anyone of the class had ever attended a party and had enough punch, and judging from the nightmares told about at school the next morning, everyone ate a little bit too much.

A HINT FROM THE HOSTESS

With all these social events clamoring around, we find time and spare to give you a few hints about parties. "Please," say the hosts, "don't come around unless you're invited. Not even to peep in at the windows. Maybe you'll be invited next time." But in all seriousness, don't bob up where you aren't invited and prepared for. It should make you uncomfortable and, of course, it does the host.

If you are one of those who is invited, remember your manners, for you may want to come again. Don't carry off the decorations with you. Don't do all the talking. In general, be a good sport and have lots of fun in the right way.

THE WARBLERS

The Choral Club has been practicing hard this week on the selection by Felix Mendelssohn, Bartholdy, "On the Wings of Song." The members of the club enjoy this selection very much and they are planning to learn more songs of this type.

HIKING

"What do we have here?" is the question asked by many who see a group of girls walking down the paved streets of Colorado. It's just some "gals" from our own "Colorado High school." So what? Well, every Tuesday and Friday the members of the "Hiking Club" get out to get a little fresh air.

Last Friday they walked nearly to the Park, getting back just in time for the eighth period class. The club wishes to thank Edna Earle Cox for her leadership in progressive walking.

COMMERCIAL LAW CLUB HAS CASE IN COURT—HUNG JURY

Scott and Company brought suit against Mr. Francis Connell for the sum of two hundred fifty dollars and fifty cents for merchandise purchased by Mr. Connell from Scott and Company in 1901. The case was brought before the thirty-second Judicial District Court of Judge Chas. Brazil, October 23, 1935, at Colorado.

The lawyers for Scott and Company were Mr. Roy Miller and Mr. Regal Porter. The defendant lawyers were Mr. Key Will Palmer and Mr. Joe Lee. Heated arguments followed the questioning of the witnesses.

The jury retired from the courtroom under the direction of Bill Galey, the foreman. They returned within thirty minutes. The foreman stated to the judge that the vote was eight not-guilty, and four guilty. The result was a hung jury. The case will be taken to the Court of Civil Appeals. The date is not set yet but it will be some time within the next two weeks.

COMMERCIAL LAW OFFICERS GUESTS AT LION'S CLUB

The officers of the Commercial Law Club, as it appears, have been wearing a smile on their faces since Friday. Mr. Brazil told them that the Lion's Club wished to have them present at their next meeting which will be November 8. The officers of the club are Regal Porter, president, Ruth Wright, vice-president, Key Will Palmer, reporter, Willie Jameson, secretary and treasurer.

BAND TO GIVE INTERESTING PROGRAM

Mr. Rose, director of the Colorado High school band, will preside over a concert next Tuesday, November 12, in the High school auditorium, from 2:30 until 3:15, the seventh period. The concert will consist of several numbers, including marches, overtures, and waltzes. The band will play the full forty-five minutes of the program.

The band has been invited to play for several P. T. A. meetings in some of the rural schools. The director has not decided when and at what meetings the band will attend.

YOU'RE OUT OF ORDER

How trying to be called to order about every third time one rises to make a motion. It's plenty hard to remember whether a motion may interrupt a speaker or not, and rather embarrassing to interrupt when you shouldn't. Do you know, the chair-

man must be just plain "smart." Oh, but perhaps he only bluffs when he doesn't know.

Another embarrassing act is seconding a motion that requires no second, or making a motion without being recognized. It seems as if the words "You're out of order" are used more in public speaking class this month than any other four words in the English language.

Still another hard thing to do is to keep all remarks relevant to the question. Oh, well, perhaps some day in the far future there will be a Supreme Court Judge who learned the fundamental principles of parliamentary law in this very class.

CHASING TENNIS BALLS

Tennis is underway! The girl's are getting the "swing" of it. So they think! But just interview Sarah who has been trying to teach some of the girls how to serve.

De Vada wishes that the fifth period tennis girls would quit knocking so many balls over as she has to climb over the fence after them. The girls think it is very discouraging to have to look for a ball for about half of the period, but maybe they will learn to hit them in the right place after a while.

CIVICS CLUB RECEIVES FAMOUS PAINTING

A famous painting of "The Signing of the Constitution," by the great artist Hintermeister was donated to the Civics Club recently by Lovine Conaway. This picture represents the foundation of the American government. George Washington sits as chairman of the convention. Governor Morris is at the act of signing the document. Robert Morris, James Madison, Edmund Randolph and Alexander Hamilton are seated in the foreground, while William Livingston, George Clymer, Benjamin Franklin, James Wilson and Roger Sherman stand nearby. The Civics Club is very proud of this piece of art and expect soon to have it framed and hanging in the Civics room.

OFFICE TRAINING

The pupils taking office training find it one of their most interesting subjects. They have made several visits and have planned several more in the near future.

The class has been studying cotton the last week. They visited the gin Tuesday. Friday a report was given on planting and harvesting cotton and Monday a report was given on the history of cotton. There will be two more reports given Tuesday and Wednesday, one on the bookkeeping of cotton and one on the exportation of cotton. Monday of next week, Mr. Williams will explain about the gin and Tuesday Mrs. McCleary will show the class how to keep books and Wednesday Miss Gunter will explain and illustrate the uses of cotton.

When the study of cotton is completed the class will visit the telephone office and the bank.

PEP SQUAD

In all sorts of weather, They're always together. It doesn't matter if it rains or shines.

They'll always be in line! That for the Pep Squad—Friday night, the weather was unsettled and cold but the Pep Squad was present, as always, with lots of pep and yell. They made a good formation and then continued yelling until the end of the game.

This week they are to practice an "S" for Sweetwater and a "W" for Wolves. Of course, it will be in top shape by Friday so come on fans and help yell for dear ole C. H. S. and the Wolves.

F. F. A. NEWS

The Vocational Agriculture class has been studying the various makes and types of farm machinery by visiting the warehouses. They find the most interesting type to be the tractor.

SEVILLE, MORE SPANISH THAN SPAIN

"La Tertulia" looks to Seville, the city more Spanish than Spain, this week for their interest. Dorothy Daughtrey gave a most interesting report on the subject.

GEOMETRIC ARTISTS

Each member of the geometry class has to draw five designs, color and make them as they want to, but make them as attractive and neat as possible. The designs may be original or taken from a book. The person that has the most attractive designs wins a prize. The designs are to encourage the pupils in the use of a ruler and a compass, also to develop more interest in the study of geometry.

THE HAPPY HOMEMAKERS

The Happy Homemakers will be delighted to have Mrs. Nell Scott to speak to them at their regular club meeting Tuesday night. She is to choose her own subject, one which will be interesting to the club members.

On November the nineteenth the club will be hostesses to a buffet supper, which is to be given in honor of their mothers.

BASKETEERS BEGIN WORK

Basketball season is here again. The girls are all thrilled and excited. They started practicing Monday, November 4th. The girls playing this year that played last year are Sarah Melton, Loraine Hart, Willie Bell Kelley, Helen Fae Rankin, Lovine Conaway, Eula Bell, Mary Fran-

ces Smith, and Fae Bedford. Some additional players this year are Ruby Pearl Faulkner, Jeannette Simpson, and Mattie Bell Hall.

The sextet plans to surpass even the team of two years ago making

Cleo Shepherd, Mirl Garner, Iva Lee Rankin, Iva Lee Pennington, Helen Andrews, Christine Bolin, Elsie Vandant, Claudine Fowler, Grace Callan and all the others of that team look on with envy.

ISSURANCE AGENTS VISIT Chas. Dean and Orville Shore, district agency managers for two of Texas' old line life insurance companies, were here Monday from their offices in Sweetwater.

DAUGHTER TO ARRIVE Mrs. E. S. McCord is expecting her daughter, Mrs. H. A. Pendleton, Jr., to arrive from Wichita Falls Saturday for a visit in the McCord home.

Armistice And End Of World War Hailed With Joy In Record Seventeen Years Ago

"The world war ended at 5 o'clock Monday morning, November 11, with red revolution in Germany and with William Hohenzollern a fugitive from his native land. The armistice was signed by the German representatives at midnight and hostilities cease at once. . . . Thus ends the greatest war in the world's history, with right conquering might. . . . These simple words, printed in large type under a black headline, were the Colorado Record's story of the first Armistice Day seventeen years ago next Monday. They appeared in the Record for Friday, November 15, 1918.

On an inside page of the paper was the story of how Colorado celebrated the news of the Armistice. There was the premature celebration on Thursday before the Armistice was actually signed. "The school children started the ball rolling," the Record said. "The fire bell rang, people came running, some laughing, some crying, some hollering. . . . The band boys appeared. . . . and music was the thing of the hour. . . . 'The spirit of marching possessed

the people, and as the band played a procession formed. . . . Up and down the street they marched, big and little, old and young. . . . Someone suggested that all go to the Baptist church for a thanksgiving service to God, and immediately the line turned that way. . . . Pastor W. C. Garrett welcomed them and Mayor C. M. Adams took charge of the program. . . .

Speakers in addition to these two were E. F. King, superintendent of school; Capt. R. A. Jeffress; L. W. Sandusky, and others.

On Monday, when news came that peace had really been declared beyond a question, the mayor proclaimed an evening celebration, which was recounted as follows:

"The school came in a torch procession, headed by two of their number carrying the Kaiser in effigy. . . . They marched to the center of main street and there Mr. Kaiser was burned with all due enjoyment by the crowd. . . . From a hastily built speakers' stand the following made addresses: Capt. Miller, an aviator who is recuperating from service

abroad; Dr. P. C. Coleman, Dr. T. J. Ratliff, the Rev. Guy B. Duff, Thomas Dawes, J. Max Thomas, L. W. Sandusky, W. P. Leslie, and others."

Sharing the front page with the Armistice news was an account by F. B. Whipkey of his California tour and an article headed, "West Texas Coming Into Her Own; Optimism Everywhere."

An Honor Roll of "Uncle Sam's Boys From Mitchell County" was published.

Letters from boys in the service made separate news items. Mrs. H. P. Slagel had received a letter from her captain husband in France. . . . B. Dobbs had one from his son, Roscoe, who had been wounded in the arm. . . .

In a letter to his mother, Mrs. J. W. Nunn, Tom Nunn told about the way New York was receiving Armistice news—"mad with joy, every bell ringing, whistles blowing." Tom was on a mine sweeper, as was his brother Jim.

Will Schroeder had written his mother from France about the furor caused by some "real sure enough American girls" passing through their village.

Miss, Pauline Vaughn, registered nurse at a Sweetwater hospital, spent the week-end with her cousin, Miss Lois Pond, and other relatives.

Churches At Spade, Bailey's Chapel In Drive To Pay Debt

'Every Obligation To Be Paid By Conference,' Is Slogan Announced By Members

Methodist congregations at Spade and Bailey's Chapel, assisted by church folk of other denominations of those communities, announce that they will send their pastor, Rev. Albert F. Click, to annual conference in Plainview next week with everything paid in full.

Box suppers are to be sponsored by the two communities this week-end as means of raising deficits in the church finances. The Bailey's Chapel program will be on Friday evening and the Spade program Saturday evening.

MIDLAND BUILDING FAST CITY PERMITS INDICATE

Midland is in the midst of the largest building program since boom days of 1928-29, the Daily Reporter-Telegram of that city reports. Since July 1 of this year building permits for residence construction alone have totaled over \$100,000, the paper stated in its edition for Sunday morning.

LARGEST SHOE EVER IN TOWN HOLDS INTEREST

The largest shoe to ever be on display in Colorado, so it is said, is on display at The Model Shop. The mammoth shoe is a 42-C and measures two feet in length. It was manufactured by the makers of Friendly Five shoes for advertising purposes and is attracting considerable interest.

Colorado 'City' Of Half Century Ago Was Leading Mart

Wool From Wide Territory In Central-West Texas Hauled To Booming Metropolis

"That 'Colorado City' of half a century ago was assuming an important place as a wool market along with other commodities is recalled in reprint story carried in the Dallas Morning News for Monday. Advent of the sheep man into this territory in the early eighties was bitterly opposed by cattle ranch barons, old timers here recall.

The story, dated at Colorado City on November 4, 1885, follows: "The town of Colorado is gaining constantly as an important wool market. Many sheepmen northeast and southeast of town who previously sold at Abilene now sell at Colorado. A large lot of wool brought 18c per pound here last week. Cannon & Shear and Crowder Brothers are having all the wool they can handle. Many of the best Eastern wool dealers have had buyers here for the last six months.

'HOUSEBREAKERS' POUND NEW MINISTER'S FAMILY

"Housebreakers" entered the home of Minister and Mrs. Willis Kreager of the Church of Christ during their absence Friday evening and surprised them on their return with a "pounding."

G. D. Foster headed the house-breaking group, which included between forty and fifty members of the church. The Kreagers received many groceries and useful house-keeping articles.

Minister and Mrs. Kreager came here from Burkburnett several weeks ago when Minister Kreager accepted the pastorate of the Church of Christ, succeeding J. D. Harvey, who resigned to move to New London.

Heat Experts Find 'That Huddling Has Bad Health Factor

Use Proper Equipment And Proper Ventilation Is To Be Realized, Are Warnings

Are you a "huddler"? This question has become of prime importance with the coming of cold weather. It is being answered in an educational campaign by the gas company to instruct gas customers in proper methods of heating and ventilating their homes to protect their health.

Huddling is described as the habit of families to huddle in 1 or 2 rooms around small heaters with the doors and windows tightly closed during the cold weather, and it has become prevalent during the recent depression. Gas company advertising appearing in this paper shows the dangers of huddling and gives advice on heating with a view of protecting customers from winter colds and similar illnesses, many of which may be attributed to improperly heated homes.

The latest advertisement in the series states that "fifty percent of all disabling diseases start with a common cold. Thus the cold germ becomes America's public health enemy number one." The hibernating habit called huddling is said by doctors to be contrary to all rules of good health. Sitting in a stuffy overheated room and then passing from this hot room into a cold hallway or an unheated room is said to be an invitation for the cold germs to attack.

"If your home is inadequately heated," says the ad, "if you huddle in one room during winter, sudden temperature changes are unavoidable. Even the brief time that it takes to answer the telephone in an unheated hall is sufficient to bring on a cold. This happens many times a day in the average home in this territory and each time it happens the occupants of the home have made themselves susceptible to highly communicable winter diseases."

In an effort to assist its customers to protect their health, the gas company has enlisted doctors, public health authorities and others in the educational program. They are advocating proper ventilation and uniform temperatures throughout the home in every room. A booklet entitled "America's Public Health Enemy Number One," gives vital facts on heating.

Baptist Church At Buford Gets Cash For Building Fund

Receipts From Auction Sale Totaling \$134 Reported At Affair Held Friday Night

The Buford Baptist church building fund was augmented \$134 Friday evening as cash received in sale of boxes at a community program were accounted for. The program was held in the church building with W. S. Cooper of Colorado officiating on the auction block.

Due to rain and muddy roads attendance was reduced, according to Mrs. Tessie Blackard, chairman of committee directing the program. A number of items brought to the church for sale were not placed on the block.

Music was furnished by Travis and Bob Bedford. Chas. Woodward called the meeting to order and addressed the gathering briefly on purposes of the sale. Miss Madine Hammonds was elected as the most beautiful young lady attending.

DUNN DOINGS

School will reopen Monday after three weeks recess for cotton harvesting.

Guy Stark, Jr., superintendent of schools here passed away Friday afternoon in a Lubbock hospital. He had been ill for the past 12 days with pneumonia.

Mr. Stark was a graduate of Seminole High school, took his degree from Texas Technological college, Lubbock, and was nearing completion on his Masters degree. He had taught here for the past 8 years, the last four as superintendent. He is survived by his wife, three-year-old daughter, his mother and father and 13 brothers and sisters and a host of friends who mourn his untimely passing. Funeral services were conducted at the Methodist church at Seminole and interment was in the Seminole cemetery. A host of friends from here attended the funeral.

Paul Johnson and Miss Pansy Moon were united in marriage Saturday evening at 10 o'clock at the Methodist parsonage, Rev. Grady Anderson performing the ceremony. Their only attendants were Mr. and Mrs. L. A. Scott. The bride wore a becoming brown swaggar suit and yellow satin blouse and the groom the conventional grey. They left immediately after the ceremony for a brief wedding trip. Both are graduates of Dunn High school and have lived here practically all their lives. The bride is the only child of Mr. and Mrs. Charlie Moon and the groom the only child of Nute Johnson. Paul is employed at the Red & White store and the young couple will be at home at the Welch apartments.

R. D. Sherrod and sons Robert Lee of Snyder and Buck visited relatives in Sweetwater Sunday.

Misses Bonnie Bess Sayer and Mildred Holt of Hamlin are visiting friends here.

Gilbert Mize of Fluvanna is visiting friends here.

Rev. Grady Anderson and family were business visitors in Colorado Monday.

Ross Crabtree of Seagraves was a Dunn visitor Sunday.

W. S. Goodlett and Wilson Ross, students of John Tarleton, Stephenville, were home for the week-end.

W. H. Richardson accompanied by Rev. Grady Anderson and wife and J. C. Beakley were business visitors in Abilene Friday.

John Hill and family of Little Sulphur visited in the Jim Welch home Sunday.

"Grandma" Brown who has been visiting relatives here since last summer has returned to her home in Tencha.

Dunn School Head Dies Friday After Pneumonia Attack

Guy Stark, Jr., Stricken As He Visited Parents Of Near Seminole During Holiday

Guy Stark, Jr., superintendent of the Dunn school, died in a Lubbock hospital Friday afternoon. Death resulted from pneumonia and complications, from which he had been ill 12 days.

Mr. Stark became ill at the home of his parents, Mr. and Mrs. Guy Stark of Seminole, where he and Mrs. Stark and their three-year-old daughter had gone for a visit during time his school was in recess a few weeks during the cotton harvest. Five days before his death he was removed to the hospital.

A graduate of Texas Technological college, Lubbock, Mr. Stark had been associated with the Dunn school eight years, four years as principal and four as superintendent.

Besides his wife and child and parents, the late school man is survived by 13 brothers and sisters.

THEATRE NEWS

By SHERMAN HART
"COWBOY MILLIONAIRE"

Palace—Friday-Saturday, Nov. 8-9
While there is plenty of typical western action and scenes to satisfy the cowboy fans, this one takes an entirely fresh slant, combining novelty, comedy and romance—all done in a very enjoyable manner.

Formula combines a breezy and sophisticated element with the best qualities of the standard outdoor dramas. Production and performances are top-notch. Geo. O'Brien and Edgar Kennedy, small-time miners, are engaged by a dude ranch to put on a fake stagecoach holdup act for new guests as a thrill. In one party is an English girl who falls for O'Brien and the heavy of the picture, who immediately attempts to buy out the boys' mine in a phoney way. Everything then shifts to England where O'Brien pops up just in time to save the mine and the girl.

"ACCENT ON YOUTH"

Palace—Saturday Midnight, Nov. 9
Sunday-Monday, Nov. 10-11

Sticking closely to the stage play this proves delightful light comedy entertainment. A middle-aged author writes a play about a young girl falling in love with an older man, and finds himself exactly in the same situation with his secretary. After youth has its fling and proves too inclined toward the athletic, the secretary returns to the older man to settle down. Marshall is splendid in the role of the playwright, and Astrid Allwyn steps out of bit roles completely with a superb performance in this picture. Phillip Reed is excellent as the athletic hubby, and Ernest Cassart, in the butler role he created in the play, clicks in a big way. Sylvia Sidney is excellent as the heroine.

"39 STEPS"

Palace—Tuesday-Wednesday
November 12-13

Exciting, amusing and thrilling, this mystery melodrama has the added virtues of unusually fine direction and clever acting to make it an outstanding piece of film entertainment.

To Director Alfred Hitchcock belongs the credit for maintaining the suspense and keeping the interest at a high pitch in addition to injecting many humorous touches and achieving romance to give the film an entirely engaging quality.

Robt. Donat gives his best screen performance as a Londoner hurled into a web of intrigue and adventure when he innocently befriends a woman spy. When she is murdered, he takes up her cause which forces him to bide the police and become involved in many amazing adventures before he succeeds in capturing the leader of the spy ring and clearing himself. The hero of "The Count of Monte Cristo" again gives an excellent performance.

"RETURN OF PETER GRIMM"

Thursday—November 14

Excellent entertainment based on Belasco's play of the moot question, spiritualism. Lionel Barrymore, owner of Grimm nurseries, adopts Helen Mack, desirous of her marriage with his nephew, Allen Vincent. She is in love with James Bush. Barrymore's doctor tries to convert him to his belief in communication with the dead and Barrymore returns to earth after death, seeing and hearing everything which makes him realize that his death request of Helen's marriage to Allen was all a mistake.

MISS GUNTER AND TWO CLUBWOMEN TO ANGELO QUILT SPREAD SHOW

Accompanied by two Mitchell county bedroom improvement demonstrators, Miss Emma Gunter, coun-

ty home demonstration agent, left early Thursday morning for San Angelo to attend the district exhibit of candlewick bedspreads and wool comforts.

The two women finally chosen to accompany Miss Gunter were Mrs. E. R. Uzzle of the Fairview Home Demonstration club and Mrs. Albert Orr of the Lone Star club.

A list of Mitchell county club women who will have spreads and quilts among the more than 1000 pieces on exhibit at the twelve county affair was published last week.

The Mitchell county women will be present Friday morning for the judging and scoring of the articles.

Mrs. Bernice Claytor, home improvement specialist of A. & M. college, will be judge, assisted by Miss Kate Adele Hill and Miss Maurine Hearne, district home demonstration agents of Districts 6 and 7.

Probably other Mitchell county women will attend the exhibit before its close Tuesday, November 12. It is being held at Shepperson's Furniture store in San Angelo.

He succeeds in communicating other wishes through his nephew, Geo. Blackstone, who is tottering on the brink of the grave, getting the message to his doctor and the tangle is straightened out.

"GOOSE AND THE GANDER"

Ritz—Sunday-Monday, Nov. 10-11

Snappy farce-comedy loaded with laughs that should register at the boxoffice in any location. Yarn deals with a couple about to elope. They land at a mountain cabin occupied by a woman intent upon breaking up the romance because the cloping female is the present wife of her former hubby. Enter the cops, the husband, a pair of crooks, a detective who manages to tangle everything up, and complications develop fast and furiously until things are finally ironed out to the satisfaction of everyone concerned. The picture is packed solid with funny situations.

"DAR TO MEET"

A meeting of the D. A. R. is to be held at the home of Mrs. J. J. on Saturday afternoon at 3

and Mrs. Nute Johnson visited children at Colorado Sunday.

Tell Your Friends and Help Make Colorado a Better Town

FACTS

This project has been approved by expert water consultants. R. D. Buchanan, an engineer with broad experience, recommends it.

The total cost of the project can be retired with a 20 cent per month per thousand dollars tax, based upon present valuations. Our neighbor city receives \$6,000 annually in recreational revenue alone. We shall surely receive one-third of that amount. The saving effected in operating a one-unit plant is certain to equal \$2,000.

The cash balance now on hand at the bank indicates that a sum of several thousand dollars has been banked yearly by the city. We can get along nicely without laying up any more profits in the bank.

The \$3,100 heretofore placed in the bank each year, together with the recreational income and the saving in operation pointed out above, will fully pay for the soft water system.

THEREFORE WE SAY:

That it will positively not be necessary to increase taxes to finance this project, provided a small amount of the surplus already on hand is used;

That we are paying enough for water to entitle us to good water, especially when it can be had at an actual profit;

That even if building the lake were to mean a small taxation the money invested would come back to us in profits.

VOTE FOR THESE BONDS WATCH COLORADO BEGIN TO GROW INDUSTRIALLY

Give our people a lake for recreational purposes and thereby keep our children and many thousand dollars at home. It will pay.

WHY?

is Colorado so small when it is the oldest town between Weatherford and El Paso?

Has our hard water kept industries from coming here?

Please give this a thought

OUR WATER DEPARTMENT MAKES A CLEAR PROFIT EACH YEAR OF ALMOST TWICE THE AMOUNT REQUIRED TO PAY THE FIRST AND LARGEST PAYMENT. IS IT FAIR TO OUR WATER CONSUMERS TO CHARGE SUCH A HIGH PRICE FOR HARD WATER WHEN WE CAN HAVE SOFT?

YOUR

Hot water Heaters will last longer

YOUR

Automobile Radiators will last longer

YOUR

Steam Heating Units will last longer

WITH SOFT WATER

And at such a small cost per person don't you think it will be worth it?

WHY INVEST IN COLORADO FEDERAL SAVINGS AND LOAN ASSOCIATION

The Colorado Federal Savings and Loan Association is a mutual local thrift institution based upon sound, time-tested financial principles. It operates under Federal charter and is subject to strict federal supervision.

I. It is safe:
 A. Funds are invested in sound, direct reduction first mortgages on real estate, principally homes.
 B. It offers sound repurchase provisions.
 C. Your investment is insured up to \$5000.
 II. It is fair to all:
 A. Every share holder participates equally in proportion to his investment.
 B. There is no watered stock.
 III. It pays a fair rate of return:
 A. The dividend rate of a Federal Savings and Loan Association is not fixed. The rate of interest depends upon earnings but is usually from 3 percent to 5 percent.
 The Federal Savings and Loan Association offers for those who must have safety for their savings, a reasonable dividend with no risk of loss involved.
 It especially offers to the salaried person an opportunity to invest monthly savings that would otherwise be spent. It is a sound business principle to let your small monthly savings work for you while you are saving to buy a home.
 A good savings account in the Colorado Federal Savings and Loan Association is your best assurance that you can always meet your financial obligations.

Four friends of Mrs. E. F. Terrell returned to their El Paso home Saturday after a two-weeks visit in the Terrell home. They were Mrs. S. T. Grimes, Mrs. Esta Longnecker, Mrs. Alice Wetheroth, and Miss Elizabeth Wetheroth.

BAPTIST NOTES
 Our Sunday school is building up some. Let's get in the habit of spending our Sundays in Sunday school and church. A habit that will bring contentment and happiness, with no regrets.

Rev. Hardin's text Sunday morning was found in the 6th chapter of John 18 to 21 verses. He used as his subject, "Be not afraid, it is I." There were three additions to the church at this hour.

Sunday evening the pastor read the 3rd chapter of Phil. 7th to 14th verses. His subject was "Holy Aspirations."

There will be no preaching service at our church next Sunday evening as that is Bro. Meador's last service at the Methodist church before going to conference and we want to visit and worship with them that evening.

The B. T. U. members are urged to meet promptly at the church at 6:15 P. M. for their program each Sunday.

Remember that the Workers Conference will meet with this church next Tuesday. There will be a splendid program and don't forget we are to plan and serve dinner at the basement that day. We are depending upon the ladies of our church and they have never failed us.

A number of visitors worshipped with us both morning and evening last Sunday. We are always so glad to have them and urge them to come back.

The W. M. S. met in the home of Mrs. Edwin Hallmark last Monday afternoon for their regular monthly program.

Teacher's meeting at the church Wednesday evening at 7:30.

METHODIST CHURCH NOTES
 Including four visitors there were 193 present at Sunday school. The pastors subject for the morning hour "Mission To The Church." Text, 19th chapter of Luke.

A good service at the evening hour of their pastor Rev. and Mrs. C. B. Meador and are giving farewell reception in their honor at the church Wednesday night. Next Sunday will be their last Sunday here. Let's have a full house in attendance.

Superannuated the pastor and his wife are leaving the 11th to make their home in Abilene.

COMRADE CLASS MEETING
 The Comrades met in the home of Ouita Richards Tuesday afternoon, Nov. 5. The following program was given: Opening song, "Saviour Like A Shepherd Lead Us"; devotional, Mrs. M. A. Dunn; prayer, Doris Glass.

The president then took charge. Those present decided to give Rev. and Mrs. Meador a small table to be presented at the reception Wednesday night. They also decided to pay five cents dues every month. The meeting was then turned over to the hostesses, Ouita Richards and Maxine Land. Delicious refreshments of ice cream and cookies were served.

RECEPTION GIVEN HONORING MRS. SLOAN
 The Gleaners Sunday school class and Missionary Society of the Methodist church entertained with a reception at the home of Mrs. J. B. Mahon Tuesday afternoon at 2:30 honoring Mrs. F. C. Sloan, member and long-time resident, who is moving to her former home at Sardis, Tenn. Delicious punch, served to a large crowd, was poured by Miss Bessie Nell Johnson, Mrs. F. J. Piguet, and Mrs. Bill Honea.

A lovely handkerchief shower was unexpectedly presented by Mrs. Arlie Martin at the close of a clever monologue "The Wise Virgin Takes A Walk in the Sunshine Prepared For Rain."

The following program was presented: Piano solo, "Auld Lang Syne," Belba Mahon; piano solo, "Isle of Capri," Ruby Jo Marshall; piano solo, "The Dance of the Wild Flowers," Lolita Martin; piano solo, "Second Waltz" by Goddard, Opal Martin; piano solo, "Minuet in G," Wenola Martin; piano solo, "Arkansas Traveler," Billie Marie Rowland; poems by Princess Martin, read by Bessie Nell Johnson.

Expressions of regret and good wishes were extended the honoree who was loved by her many friends here.

W. M. S.
 Womens Missionary Society met at the church in a joint program at 2 o'clock Monday afternoon in observance of the week of prayer and the election of new officers.

Following the opening song, prayer was offered by Mrs. H. J. Askins. Mrs. Homer Richards was elected president to succeed Mrs. Meador; vice-president, Mrs. Marvin J. Martin; secretary, Miss Annie Jarratt; corresponding secretary, Mrs. T. B. Bennett; treasurer, Miss Fannie Jarratt; assistant treasurer, Mrs. Kirk Taylor; superintendent study, Mrs. Tennie Wilson; publicity, Mrs. Brannon; local work, Mrs. Hester; superintendent spiritual life and message, Mrs. Harold Martin; superintendent children's work, Mrs. Honea; superintendent supplies, Mrs. John Mahon; superintendent Christian social

relations, Mrs. Ed Williams.

A nice program on the week of prayer was rendered.

Punch was served to 17 members.

Roscoe Continues Scoring Spree To Smear Wolf Squad

Colorado Defeated 40 To 0
In Conference Game Held
At Cantrill Field Friday

The Roscoe Plowboys continued their wild scoring spree in the west half of District 6-B conference at Cantrill Field Friday night to smear the Wolves from one end of the stadium to the other. The visitors rolled up a scoreboard account of 40 to nothing.

The two teams fought through the four periods on a wet field and a slow mist fell at intervals during the game. Patience was reduced to minimum as the smallest gate receipt total of the season was realized. Large part of the fan delegation was from Roscoe.

The Wolves never seriously threatened. Report Friday afternoon that Ed Morrison would be in the line-up did not pan out. During the last half Coach Dalton Hill of the Plowboys used several of his second string men.

Bill Emerson, whirling, gyrating quarterback again did most of the scoring for the Plowboys. He accounted for three of the tallies, while Fitts, Jones, and Gray counted one time each.

The Plowboys stuck to straight football for their win. The Wolves marked up but two first downs, one of these coming as a result of a penalty.

1936 Master De Luxe and Standard Chevrolets are Replete with New Features

New Master De Luxe and Standard Chevrolets for 1936 show marked advances in appearance and in engineering. Perfected hydraulic brakes, high-compression engines with full-length water jackets, and balanced carburetion are among the mechanical improvements. The solid steel Turret Top Fisher body is now used on the Standard as well as the Master De Luxe models.

Either Knee-Action or conventional springing may be had in the Master models. The illustrations above: Top left, the Master De Luxe sport sedan, with built-in trunk; top right, the re-styled, deeply moulded radiator grille, used on all models; lower left, the simple arrangement of Chevrolet's perfected hydraulic brakes, all models; and, lower right, a Standard sedan.

Today you can use a winter oil which builds itself right into the "innards" of your engine. That is, a certain portion of Conoco Germ Processed Oil really forms a BOND with metals, and stays on continuous duty where all the worst friction used to come.

This uncanny action, created by the patented Conoco Germ Process, automatically wipes out the costliest winter wear...

"Dry," unlubricated, wracking starts? ... Not with the oil that's Germ Processed to stay up on the job every minute, every hour, every day that you park—whatever the weather! ... Not when Germ Processed Oil has become

a part of all metal surfaces... Not with the Hidden Quart, which has enabled many an engine to run with the crankcase absolutely empty—in verified show-down tests.

And this same patented Germ Process means extra protection not only for the conventional babbitt bearings, but for the newest bearings—whether copper-lead, high-lead or cadmium-alloy. Germ Processing also creates the high-durability oil film... hence a light, free-flowing winter oil that's tougher too, for the toughest going of all the year. You and your Conoco man can make this whole Winter "act gentle" to your motor, beginning today. Drive in.
