

FFA CHAPTER'S HORSE AND MULE EXPOSITION WILL BE HELD ON NOVEMBER 21ST

Vocational Agriculture Boys Sponsor Attraction With CC Cooperating; 'Turkey Day' Also Be Staged Then

Mitchell county's initial horse and mule exposition, to be sponsored by boys of the high school vocational agriculture department, is to be staged at Colorado on Saturday, November 21, Doyle Williams, director of the class, has announced.

That the FFA chapter, organization with membership exclusively in the vocational department, expects to hold a livestock show to reflect credit to the county as well as the boys, is being advanced by Williams and officials of the chamber of commerce. The chamber has announced that full cooperation will be extended the boys in staging the show.

Details having to do with the show along with defining classes under which mules, draft and saddle horses are to be entered, were outlined by Ben J. Baskin at the chamber of commerce luncheon club Tuesday noon.

To add interest to the exposition, which is to include all of Mitchell county, the chamber of commerce announces that annual "Turkey Day" is to be observed on date of the show. Cooperating business men will, as in other years, turn a turkey or other bird loose in the downtown section on a given signal. The person fortunate in capturing the turkey will be privileged to claim him for Thanksgiving.

President C. C. Thompson of the chamber of commerce has announced the following committee to enlist cooperation of Colorado business and professional interests in the feature: Jack Parker, W. L. Doss, Jr., R. H. Barber, Harold Bennett, Truett Barber, Wade Scott, Wayne Ground and Joe Jackson.

WOLVES PROMISE LOCAL FANS A BETTER RECORD

A harder fighting Wolf squad, a better school spirit and the subsequent more pleasing record in the district was promised given members of the Lions Club Friday by three boys on the team. Those to speak were Captain Walter Rankin, playing a fullback position; Joe Cox, playing at half, and Dockrey, holding a tackle position.

MITCHELL COUNTIANS TO ATTEND 'PARENT'S DAY'

Several Mitchell countians plan attending annual "Parent's Day" at Texas Technological college, Lubbock, on November 6, date for the Matadors and Oklahoma Aggies to play scheduled conference game. Along with parents of the students there will be others to attend the football clash from here.

Permit Required In Order To Get Drouth Feed Rate

County Agent Offers Ranch And Farm Buyers Help In Obtaining These Benefits

Farmers and cattlemen wishing to ship feed into Mitchell county under provisions of the recently authorized reduced freight rate may do so only after obtaining regulation permit signed by a member of the county drouth committee, Ben J. Baskin, county farm agent, recalled Tuesday. In all cases the feed must be shipped direct to the county committee, Baskin continued.

Citizens ordering feed and wishing to receive the benefits of the reduced freight rates should keep this fact in mind or lose the special saving offered through the drouth designation.

EVERY OBLIGATION PAID BY BUFORD METHODISTS

Buford Methodists have paid every financial obligation assessed for the conference year to close early next month, along with the creditable achievement of erecting a modern, well equipped house of worship, the Rev. Albert Click, pastor, noted while in Colorado Monday.

COLORADO PEOPLE SPEAK HIGHLY OF GIPSY SMITH

A number of Coloradans have attended revival services being conducted in Abilene by Gypsy Smith, famous English preacher. Local ministers and other leaders in religious thought here are referring to the speaker as among the great evangelists of his day.

RIBBONS AND NOT CASH AS STOCK SHOW PRIZES

Suggestion advanced at the chamber of commerce luncheon club Tuesday noon that cash prizes be offered winners in the FFA chapter horse and mule show was not sustained a short time later as directors of the chamber went into session. The body adopted resolution in favor of issuing ribbons to winners instead.

COUNTY COTTON YIELD FIFTY PER CENT PICKED

T. Johnson, local farmer and ginmer who recently made an inspection tour over the county.

RED CROSS TO STAY ON ANGELO POST 30 DAYS

The American Red Cross will not have completed its task of rehabilitation and looking to personal needs of flood victims at San Angelo before the second week in November, directing official of the organization there stated Saturday. A total of 712 have been registered as being entitled to receive flood aid.

District Title Defenders To Encounter An Inspired Wolf Eleven Friday Night

Coach Dalton Hill and his aggregation of Plowboys are making no bones about their plans to converge at Cantrell Field Friday night with the definite expectation of taking victory from the Wolves, as the two clubs meet in scheduled conference battle.

The invaders, however, are to meet an inspired and determined Wolf eleven—a team that will enter the game and play through the four periods under different stamina than has characterized some of the previous gridiron contests here during the season. The Christianmen are out to stop the Farmers in their parade toward another district pennant. Roscoe won first place in this district last year.

Advance ticket sales for the game indicate the largest fan aggregation at the local stadium this season. Colorado people are looking to their hometown football club under closer focus than at any time during the year. The spirit to win that prevailed with such preponderous weight

FLOYD HILL CONVICTED ON LORAIN POSTAL ROBBERY CHARGE BY ABILENE COURT

Fort Worth Youth Charged With Looting Office Safe On Sept. 4th, Held In Jail Here Several Days

Floyd A. Hill of Fort Worth was found guilty by a jury in U. S. district court at Abilene Tuesday afternoon of entering and burglarizing a Federal postoffice, and was assessed a term of eight years in the penitentiary.

The case went to the jury in mid-afternoon and the verdict was reported to Judge T. Whit Davidson, presiding, at 5 o'clock. Hill was tried in connection with the Loraine postoffice robbery on September 4. He took the stand in his own behalf to deny any connection with the burglary.

The case was called Monday and after empanelling of the jury introduction of evidence was begun. Several Mitchell county citizens, including Sheriff R. E. Gregory, were brought into the case.

Hill was charged with taking \$83.76 in money and stamps and \$6,810 in postal savings certificates from safe in the postoffice after blowing the strong box with explosives. He was placed under arrest several hours later in Fort Worth and returned to Colorado. The accused remained in jail here several days when he was delivered to a deputy United States marshal.

Witnesses for the government heard Monday included R. B. Cope, Loraine postmaster, who testified that the amount of money and the certificates as listed by the government were missing from the office. He also identified a 10-cent piece of early date that was taken in the robbery.

The prosecution also presented three Sweetwater police officers—Lester Turner, D. C. Fulkerson and J. A. Bland, who told of seeing in Sweetwater an automobile registered in the defendant's name on the night of the burglary.

Baptists To Start Week's Revival On Sunday, Oct. 25

Preaching Will Be Done By The Pastor With Singing Led By Chester Thomas

Plans to hold a week's revival campaign beginning Sunday, October 25, are being made by the First Baptist church.

Preaching for the revival will be done by the Rev. P. D. O'Brien, pastor, and song services will be directed by Chester Thomas. The meeting will close November 1.

A special invitation is being issued to singers and musicians to assist in the services. The community as a whole is cordially invited to attend.

This revival will be the first held under the Baptist church's recently adopted plan to hold a week's revival each fall with the pastor preaching and a two-weeks revival each spring or early summer with an out-of-town preacher in charge.

'CRAZY' PEAR TREES FLAUNT FULL BLOOM WITH FROST AT HAND

"Crazy" is the only fitting description for the behaviour of some heretofore well-behaved pear trees in the R. B. Terrell and John T. Howell yards.

There they stand in full bloom with frost just around the corner. Two are in the Howell yard, one in the Terrell yard. If there are others they'll come to light soon.

The Terrell tree is around 20 years old and never acted this way before. It bloomed well in the spring but the late cold snap killed the fruit. Apparently it's determined to try again—maybe it knows there won't be another Centennial year for a long time.

CHEMIST RECENTLY WITH COL-TEX REFINERY DEAD

P. L. Bonney, until a few weeks ago associated with Col-Tex refinery as a chemist in the asphalt division, died recently in a veteran's hospital in San Francisco. He left here a month ago for his home in California after being overtaken with ill health. Bonney died after rallying from major surgery for relief of a brain tumor.

COUNTY GINNING AHEAD OF TOTAL FOR YEAR AGO

Cotton gin receipts in Mitchell county during the present season continue well ahead of these figures for the same period in 1935. The Department of Commerce at Washington reports that for the present year a total of 3,439 bales had been ginned prior to October 1, as compared with 256 bales on that date a year ago.

County home demonstration agents from Nolan and Fisher counties will also attend. Miss Kate Adele Hill, district agent, will be in charge of the meeting.

SCOUTING INCREASES IN THIS AND OTHER AREAS

That Scouting is increasing in the Buffalo Trail Council and other area divisions in this part of Texas was indicated in reports heard at Sweetwater Sunday by leaders in four councils. The Chisholm Trail, Concho and Comanche were other districts represented. The Mitchell county district was represented by W. W. Porter.

ARTILLERY UNIT PASSES THROUGH TOWN SUNDAY

A motorized artillery unit of the U. S. Army passed through Colorado Sunday en route to Marfa for the Southwest Texas maneuvers. There were 72 cars and trucks bearing heavy field pieces and several motorcycles in the outfit. The unit will return to its home post at Covington, Kentucky, within the next few days.

COLORADO C-C INTERESTED IN HEARING AT AUSTIN ON PROPOSED FLOOD CONTROL

Recent Heavy Toll In Texas Cited As Sufficient Cause To Expedite Construction Of Coke County Dam

The citizenry of this and other counties in this section of Central West Texas should be more concerned than ever in the projected Upper Colorado River Project, since millions of dollars in property losses have been taken as toll of floods along the Colorado Brazos and other streams, the chamber of commerce suggested Thursday morning.

The chamber was prompted to make that statement after recalling that on the following Monday a public hearing looking to development of the project between Colorado and Robert Lee would be conducted in Austin by the War Department. Information on flood control along reaches of the river above the proposed dam site will be gathered.

Lieut.-Col. E. H. Marks of the army corps of engineers issued call several weeks ago for the hearing. Interested citizens in the territory affected will be given opportunity to be heard. Oral statements will be considered but for accuracy written records should be filed with the presiding army official.

The recent flood on the Brazos river and its principal tributaries claimed one life and damaged property an estimated \$7,882,650, an official of the chamber of commerce pointed out. Flood damage in McLennan county alone was placed at \$4,570,000.

Colorado is vitally interested in the proposed Robert Lee dam and should extend every cooperation with other organized units and the government in obtaining the data sought. "The building of this project would mean more to this immediate part of Texas than most of us have ever believed."

COTTON GINNING LEAP TO NEAR 10,000 MARK AS SUNSHINE CONTINUES

Staple Improves; Corrected Totals From China Grove And Valley View Plants Are Obtained

With sunshine continuing through another week Mitchell county's ginning total leaped to near the 10,000 bale mark this week, according to tabulations made Thursday noon. The correct total was 9,801 bales. The figure was said by buyers to be definitely improved over that of a few days ago after the rains.

This increase included the first accurate report from the China Grove and Valley View gins, the China Grove gin reporting 720 bales and the Valley View 721 bales. Heretofore the totals for these gins have been estimated.

Colorado gins had received 4,373 bales, distributed as follows: Farmers Cooperative, 637; Farmers No. Three, 1,225; Lambeth, 440; Concrete, 1130; Williams-Miller, 941.

The Buford gin, already closed down, has a total of 330 bales. Westbrook gins had received 1,403 bales, those at Loraine 2,248 bales. The Hyman gin has been closed down for some time.

The staple was bringing from 9 1/2 to 12 cents and the seed \$30 a ton.

NEW SUPERINTENDENT ARRIVES AND TAKES CHARGE OF HOSPITAL

Miss Ella Simmons, registered nurse of Tyler town, Mississippi, arrived in Colorado Wednesday night to assume her duties as superintendent of C. L. Root hospital.

Miss Simmons was graduated from the Providence Hospital and training school at New Orleans with the class of 1919. In 1929 she took a special six-months course in the administration of anaesthetics at the post-graduate school of Tulane and Charity hospital at New Orleans. She has been identified with some of the largest hospitals in Louisiana and Mississippi.

Dr. C. L. Root, owner of the hospital plant here, announces that she will have complete charge of the management of the hospital and of the administration of anaesthetics. Mrs. Nell Scott will be retained as supervisor of the operating room. Mrs. Hoyt Roberts, better known in Colorado as Elsie Walker Roberts, will be held in reserve for patients requiring special nursing.

The new hospital superintendent expressed herself Thursday morning as being pleased with the appearance of West Texas and of the Root hospital. She is a member of the Baptist church and expects to affiliate with that body soon.

Bess Adamson And Mr. Moseley Wed Quietly Wednesday

The marriage of Miss Bess Adamson and Mr. W. M. Moseley, both well-known in Colorado, took place quietly Wednesday afternoon at 5:30 o'clock at the home of Dr. and Mrs. R. F. Dulaney.

The ring ceremony was said by the Rev. P. D. O'Brien, pastor of First Baptist church. The only witnesses were Miss Zella Adamson, Miss Mattie Pearl Adamson of Marlin, Mrs. O'Brien, and Dr. and Mrs. Dulaney. Immediately after the ceremony the couple left for a week's wedding trip to San Antonio, Corpus Christi, Galveston, Houston, Dallas and other points.

The bride has made Colorado her home during the past seven years, being employed for over five years in the dental office of Dr. Dulaney and later in the office of Dr. W. B. May, his successor. She was reared in Coolidge, Texas, attending school there.

Mr. Moseley came to Colorado from San Angelo some two years ago. He was transferred here as manager of the Hicks Rubber company, a position which he still holds.

Mr. and Mrs. Moseley will be at home after Tuesday at 105 East Eighth street.

MISS LIPPS MOVED HOME

Miss Bertie Thelma Lipps, who was an appendectomy patient in Root hospital, was moved to her home Tuesday and is making satisfactory improvement.

Contract Club Entertained In Autumn Setting

Flowers of autumn and symbols of Halloween were used to form a seasonal setting for the Contract club's party with Mrs. Ed Jones, Jr., at her Butler Camp home Tuesday afternoon.

Book ends were prizes awarded to Mrs. Dudley Snyder for high score and to Mrs. Bill Dorn for high cut.

Sunshine cake and coffee were served with candy plate favors to Mesdames Charles Wyatt, Mary Lee Brown, G. V. Harrison, John Sumners, Jack Wilder, Joe Pond, Earl Cramer, Fred Brown, Dudley Snyder, Truett Barber, Lester Manning, Austin Bush, Bill Dorn, Charles Parler, and Randolph McEntire.

GLEANNERS SUNDAY SCHOOL CLASS

The Gleaners S. S. class met Tuesday, Oct. 13, in social and business meeting in the hospitable home of Mrs. Earl Brown of Valley View, with Mrs. Chester Beights assisting as hostess.

Mrs. Arlie Martin, president, called the meeting to order and devotion-al service was opened with the class song, "Blessed Assurance." Mrs. Wright offered prayer.

Class business was transacted. The class pledged \$25.00 on church conference collections.

Treasurer, Mrs. John Marshall, reported the class in good financial condition. Social Service chairman, Mrs. Manly reported 14 trays, 27 floral offerings, 24 visits. The class donated liberally, food and money, to the Missionary Society "bake sale" which will be held Saturday, Oct. 17. Our Bible study, Exodus 25 to 27 chapters, was ably presented by Mrs. Arlie Martin, Mrs. J. M. Manly and Mrs. C. W. Palmer.

Mrs. Roy Edwards, superintendent of study, assigned the lesson for November Exodus 20 to 25 chapters—and urged members and all who will to be with the class each month as the class is very much in earnest in their effort to know more about the Bible.

Mrs. Hamilton Wright, Mrs. J. H. T. Johnson and Mrs. Earnest Meadows will conduct the Bible lesson next month when Mrs. James Manly and Mrs. W. W. Rowland will be associate hostesses.

A most delightful social hour and delicious salad plate with hot chocolate and layer cake was served to 18 members and a guest Mrs. Max Martin.

The splendid hostesses were assisted by their charming daughters, Misses Earline and Juanita Brown and Miss Ruth Beights.

Members are urged to be present at class Sunday.

SHOWER FOR MR. AND MRS. HAROLD BENNETT

Shortly after their return from their wedding trip to the Centennial cities, Mr. and Mrs. Harold Bennett were honored with a reception and shower given in the home of Mrs. Jarratt, Misses Annie and Fannie Jarratt and Mrs. Annie Taylor acting as hostesses.

Guests were served punch as they entered the reception rooms that were profusely decorated with roses of every hue.

Arnold Marshall sang two love songs, "Rendezvous With a Dream" and "My Kingdom For a Kiss." Opal Martin played Second Waltz; Mrs. W. R. Martin sang "There is No Greater Love" and "The Glory of Love." "Forever Blowing Bubbles," a duet by Douglas Taylor and James Jarratt with accompaniment by Mrs. K. L. Taylor completed the musical program. Highly entertaining and novel was the mock trial of Harold Bennett in Charlie Thompson's court with the Misses Truett and Dell Barber arguing the case. Harold was convicted of "Two Timing" and seriously implicated Bill Martin.

The traffic was so dense as result of this sensational trial the U. S. mail was held up for a few minutes, but with the help of National Guards a big delivery was made addressed to Mr. and Mrs. Harold Bennett.

The delighted couple shared their surprise with the other guests and the many lovely and useful gifts were passed around and greatly admired.

Fitting expressions of appreciation were given by both the happy young people to their many friends and relatives who held them in such high esteem in their respective communities—Colorado and Loraine. The newlyweds will live in Colorado and have announced the latchstring hangs on the outside.

CLASSIFICATION OF FORD USED CARS IS GOOD BUYING GUIDE

Ford "R and G" used cars and trucks, now being offered to the public through the nation-wide Ford dealers' Used Car Clearance Sale, furnish a definite guide to buying quality, according to John Arnett, of the Arnett-McLarty Motor Company.

"This merchandising policy means that every used car and truck offered at our clearance sale under the 'R and G' emblem has been renewed and bears our guarantee," said Mr. Arnett.

"The policy is recognition of the fact that few used car buyers consider themselves sufficiently expert to judge the mechanical condition of a car offered for sale. Our plan provides a reliable guide to quality backed by the integrity of our organization. The emblem is permitted to be affixed only to cars which are guaranteed to meet definite specifications. The emblem means that the car has passed a rigid inspection and measures up to standards set by the Ford Motor company."

BROADWAY OF AMERICA IS ACTIVELY SUPPORTING RED CROSS IN DRIVE CAMPAIGN

First Aid Stations Will Be Boon To Traffic Business Organization Declares In Open Letter To Public

The Broadway of America association, of which Colorado is an active unit, is actively supporting the American Red Cross in annual roll call to open on Armistice Day throughout the country. Henry Stanley of Dallas, president of the road organization, states in letter to this newspaper.

Quoting from statement credited to Admiral Cary T. Grayson, prominent American physician and ranking official of the Red Cross, Stanley said:

"True to its traditions the American Red Cross attempts to be where there is the greatest human need. We cannot fail to recognize the gravity of the situation that has developed on our highways. We are convinced of the practical value of the effort now being made to establish Highway First Aid Stations with Red Cross trained personnel at places not near to immediate medical and hospital care. Eventually we hope all the states will be covered."

"Our aim is two-fold: first, by giving intelligent emergency first aid to the accident victims, to reduce the appalling total of deaths and crippling injuries on the highways; second, by marking our highways with Red Cross Emergency First Aid Station signs to convey a visual warning to the careless and negligent motorist."

"I ask of all chapters and their branches full cooperation in this program, vital to the welfare of our people."

Advancing the urge in a personal way that citizens of this area support the Red Cross, Mr. Stanley urged that every reader of "this bulletin contact the chairman of the Red Cross Chapter with the request that personnel be trained and stations established along the highway in Mitchell county."

"We made the Broadway the first all-paved transcontinental highway, now . . . Let's make it the first highway in America to have a First Aid Red Cross Station at all convenient locations from New York to San Diego," he continued.

"In the opinion of many, such a thing would be quite as attractive in developing tourist traffic as the fact that the highway is all paved."

"After the accident, efficient first-aid quickly given may save a life. Of course, the better way is to avoid accident in the first place; and here again the Red Cross aims to be helpful, as it has helped the industries. As Admiral Cary T. Grayson, national chairman, pointed out last fall, the very presence of Red Cross Stations, conspicuously marked, along highways constantly will remind motorists to drive carefully."

Self Culture
Walt Whitman was studied by the Self Culture club during its meeting with Mrs. L. B. Elliott Friday afternoon. Mrs. Henry Pond was leader. A sketch of Whitman's life was given by Mrs. Dell Barber. Mrs. A. F. King told of "Whitman's Themes," "Whitman and the Civil War" was Mrs. John Brown's topic. Mrs. H. G. Whitmore told of "Contradictions in Whitman's Character."

A sandwich course was served at the refreshment hour. Mrs. C. P. Gary is hostess this week.

Zetaganian
Plans to have a benefit bridge party in the near-future were discussed during the business session of the Zetaganian club when it met Friday with Mrs. Fred Brown at Butler camp. Mrs. Wade Scott, Mrs. Bill Oswald, and Mrs. Randolph McEntire were named on a committee to arrange the affair.

Mrs. Truett Barber and Mrs. Charles Wyatt were appointed to assist Mrs. J. A. Sadler, county federation president, in the Red Cross Roll Call. The club's study of Mexico was continued with Mrs. Truett Barber leading and with highly interesting papers by Mrs. Joe Pond and Mrs. Neal Prichard.

Surprising the club members, Mrs. Brown served refreshments of ice box cake and coffee before they started back to Colorado. She had as guests during the afternoon Mrs. Earl Cramer and Mrs. Ed Jones, Jr.

1921 Study
Members of the 1921 Study club launched into their year's study of recent American poetry and fiction when they held their first regular study meeting Friday afternoon at the home of Mrs. J. M. Doss with Mrs. C. C. Thompson as leader.

It was voted during the business meeting that those failing to respond to roll call in the assigned manner shall be fined.

"Plan of the Year's Program on Recent American Poetry and Fiction" was the topic of Mrs. W. L. Doss, Jr. Mrs. W. C. Hooks gave "A Brief Survey of American Poetry Since 1900." Recent American fiction was surveyed by Mrs. J. T. Pritchett.

The next meeting is to be with Mrs. H. B. Broadus, who is substituting for Mrs. Harry Ratliff in the latter's absence.

Hesperian
Hesperian women began their study of Shakespeare's "Hamlet" at a meeting with Mrs. J. E. Watson Friday afternoon.

Substituting for Mrs. J. Ralph Lee, who was out of town, Mrs. Bill Coffey told of the pronunciation of proper names in the play. Other topics were as follows: "Shakespeare's Fame Since His Death—Is It On the Wane?" Mrs. J. G. Merritt; "Story of Hamlet," Mrs. S. H. Millwee; "The Theater in Which Hamlet Was First Played," Mrs. J. E. Watson; "Famous Critics' Comments on Hamlet," Mrs. A. L. Whipkey.

The club adopted Seven Wells and Longfellow as its schools for the year. The resignation of Mrs. Arlie Martin of Lorraine was accepted.

Refreshments of sandwiches and salads with accompaniments were served buffet style. Mrs. Jas. T. Johnson was present after a long absence. The next meeting will be with Mrs. Otto Jones, Mrs. Merritt leading.

WOMEN IN THE STUDY CLUBS

Shakespeare
With Mrs. John L. Doss leading a program on Japan the Shakespeare club met Friday with Mrs. Thos. R. Smith.

Topics were as follows: "Geography and History of Japan," Mrs. Frank Lupton; "The Picturesque Side of Japan," Mrs. W. R. Motley.

After the "Anthony and Cleopatra" lesson Mrs. Smith served refreshments to the members and two guests, Miss Mabel Smith and Mrs. Ledger Smith.

The club voted a leave of absence to Mrs. Jack Smith, who is in Fort Worth with her ill parents. This week's hostess will be Mrs. Joe Smoot.

Continuing their study of Shakespeare's "Julius Caesar," members of the Standard club met Friday afternoon with Mrs. Roy Buchanan at the home of Mrs. C. M. Adams.

Those responding to roll call were Mesdames Adams, Roy Buchanan, Lee Jones, Y. D. McMurry, L. W. Sandusky, S. N. Sherwin, R. B. Terrell, and C. E. Way. Mrs. Buchanan was lesson leader.

Feature of the lesson hour was a paper by Mrs. Jones on "The Fifty Years of Rome Preceding the Assassination of Caesar."

Lunch was served after the lesson. Mrs. J. A. Buchanan will be hostess for the study of Act One, Scene Two this Friday.

Texas Cotton Has Depreciated With Damaging Effect
Crop Is Made In Practically All Sections Of State, The Dallas News Reports

The final general cotton condition report of the season issued by The Dallas News for the week ended Friday finds the Texas cotton crop made in all sections except in a few localities of Northwest and North Texas, where, with favorable weather from now on and a late frost, a light top crop might be made. From two to four weeks of warm, sunny days are needed to properly mature small bolls now on plants.

A serious drought and extremely high temperatures during July and August in the upper half of the State matured the crop two to three weeks earlier than average, forced premature opening of small bolls and reduced the promising prospects on August 1 for a crop of 3,850,000 bales, largest since 1933, to 3,036,000 bales on Sept. 1, according to official forecasts.

Heavy September rains broke the drought but came too late to aid the crop and have been more harmful than beneficial. During the current week excessive rainfall in the western two thirds of the State, reaching torrential proportions in some sections, and unseasonably low temperatures which followed were unfavorable for late cotton. Stems, swollen by the downpours, overflowing, flooding lowlands and causing heavy loss to bottom land crops in West, West Central and Central Texas. On the uplands lint grad's were lowered and much open cotton damaged. In some portions seeds are sprouting in opened bolls and insect damage is increasing in North and Central Texas, giving any late fruit little chance to make.

Harvest in all portions, except in South Texas, where the crop is all picked and stored, has been interrupted from one to two weeks. In Northwest Texas 50 per cent of bolls are open, less than 30 per cent are open in the north. 35 per cent are open and two-thirds of the North-

Mitchell County Included In Soil Projects By NYA

Conservation Work To Start Within Few Days, Director Johnson States

Soil conservation projects to be participated in by the National Youth Administration are to be started in Mitchell and eight other counties in this section of the State, Lyndon B. Johnson, State NYA director, announced at Austin Saturday.

Selection of this county as one of the areas in which this work is to be launched was due to strong interest expressed by farmers and land owners in terracing, Johnson stated. Many of the requests for terrace improvement were filed with the office of Ben J. Baskin, county farm agent.

The other counties included in the initial schedule are Callahan, Shackelford, Nolan, Scurry, Jones, Stephens, Taylor and Eastland. About 170 young men will be employed on the nine surveying crews.

MITCHELL COUNTY TO FURNISH TWO NUMBERS AT SWEETWATER SHOW

With Mitchell county furnishing two of the 20 numbers on Sweetwater's first amateur contest Saturday night, a total of 37 contestants will participate, it was announced yesterday by the Sweetwater Board of City Development, sponsoring the organization. The two numbers from Mitchell county are A. R. (Mocking Bird) Miles playing and singing his own composition and W. A. Miles and father playing and singing a duet. They are from Loraine.

Eight communities in this section of West Texas are to be represented on the first program, the board secretary stated. They are Loraine, Hermleigh, Fluvanna, Snyder, Rotan, Roby, Matador and Sweetwater.

Scurry county leads with fifteen entrants, seven of them from Snyder. The 15 amateurs are to give six of the 20 numbers on the first program.

The three winners, to receive the \$15, \$10 and \$5 cash prizes, are to be selected by a representative of Station KRBC at Abilene. He is to judge contestants strictly on their merits. In addition to receiving the cash prizes, the three winners will take part in a 30-minute broadcast program over Station KRBC on November 5th.

Following the broadcast of the last six winners on Dec. 3rd, four of the best out of the twelve will be selected for an all-expense trip to Dallas and a 15-minute broadcast over Station WFAA.

The contests are to be staged in the Sweetwater municipal auditorium with Zollie C. Steakley, Jr., as master of ceremonies. An admission price is to be charged all, except contestants and those who have secured tickets in advance from Sweetwater merchants.

NEW WAYS OF COOKING VEGETABLES ARE URGED

By Mrs. O. L. Simpson, Reporter

"Try cooking your common vegetables a new way and make them look attractive," said Miss Emma Guter, county home demonstration agent, as she gave a vegetable cookery demonstration on beets, turnips, eggplant and spinach at a meeting of the Fairview Home Demonstration club held Friday, Oct. 9th at the home of Mrs. O. L. Simpson.

Several articles were read to help the women in selecting their subject matter for another year as we are taking up "the kitchen" as our study.

The salad team was appointed for the next meeting as follows: Mrs. W. W. Jenkins, demonstrator, and Mrs. Will C. Berry, co-worker. The date of achievement day was changed to Thursday, Oct. 29th instead of Friday, Oct. 30th.

Ten members were present with Mrs. W. H. Badgett, Mrs. Claude Willis, and Mrs. Ray Young as new members. At the next meeting on Oct. 23rd with Mrs. Will C. Berry the club will make plans for their club family party.

CONAWAY ORGANIZES P. T. A.

PICKED UP ALONG THE NEWS PATH

Much as we'd like to pretend to be "on the inside" we must make this confession: It wasn't the Majors-Barber wedding that was predicted in this column several weeks ago when we mentioned that the marriage of "two well-known young Colorado people" was in the offing. Truth to tell, the Majors-Barber wedding took us as much by surprise as it did anybody—maybe more. For the benefit of those who guessed wrong it was the Bennett-Burdine wedding that was forecast here.

Can anybody think of a more aristocratic and beautiful name than that of the John Deffebachs' youngster—Carol Alexander Deffebach?

Apparently, a lady of many talents has come to Colorado in the person of Mrs. Ferris Bass who is the wife of the new teacher in Junior High school and who is one of the new women we've been wanting to introduce in this column. From one person you hear that she does marvelous knitting and is crocheting a bedspread. From another that she's very well-read, keeping up with the newest books and that she's very interested in dramatics, having worked with the Little Theatre in Amarillo and having majored in expression when she went to school in Canyon. And from still another you hear comments on the "wonderful" paper which she read at a Monday afternoon meeting of the Methodist Missionary society. Yes, she's making quite a name for herself. She was born Dalma Fry and was reared in Canyon, attending West Texas State Teachers' college there. Last year she and Mr. Bass taught at Claude, near Amarillo. They are at home here at 543 East Seventh street.

Met Thos. R. Smith carrying what appeared to be a new best-seller—one of the thick kind like "Anthony Adverse" and "Gone With the Wind". But a peek at the cover revealed that it was a new book on stamp collecting. I should have known.

Two much-talked-of new babies in Colorado this week and both "school" babies. Coach and Mrs. Christian's young daughter, of course, is definitely "school". Not quite so definite but still "school" is young David Sanders Merritt. His mamma, as Jean Sanders, was teaching very young ideas how to shoot in the Coleman school when she met and married ord Merritt.

Long-sleeping memories were stirred last week when some news notes were handed into the Record office on the back of some business stationery once used by W. H. Moeser. Mr. Moeser has been dead since 1914—twenty-two years ago. The sheet bore Mr. Moeser's name and the words, "Hardware, Tinning, and Plumbing, Colorado, Texas." It was lined for writing by hand and had an advertisement of Majestic Ranges in bright colors along one side.

P. S. The Logan heir arrived too late to get into the above paragraph on "talked about" babies. This newest comer doesn't qualify as a "school" baby but will surely come in for his share of local fame, nevertheless.

You'll read a story elsewhere in the Record this week about 35 Colorado High school EPA boys who spent Tuesday in the cotton patch earning money for EPA week at the Dallas Centennial. And if you read it without wanting to shout Bravo and Three Rousing Cheers and so forth for those boys—well, in our humble opinion, there's something wrong with you.

For us stay-at-homes a certain aura surrounds those who have seen or lived in the "far places" of the earth. A man who has both seen and lived in those places arrived in Colorado this week. He's Garrard Hargrove, son of Mrs. R. F. Hargrove. He lives in Shanghai, China, and for 20 years before settling there sailed the high seas with the United States navy. Definitely, he has that certain aura.

LEES FROM CENTENNIAL
Mrs. J. Ralph Lee and children returned Tuesday night from their Centennial trip to Fort Worth and Dallas. They left here last Friday morning.

MRS. JACK SMITH HOME
Leaving her mother somewhat improved but her father growing gradually weaker, Mrs. Jack Smith returned last Thursday night from Ft. Worth, where she had been at the bedside of Mr. and Mrs. E. W. Bounds for several weeks. She plans returning to Fort Worth as soon as she has rested awhile.

RETURN FROM DALLAS
Miss Katie Buchanan and Mrs. J. A. Buchanan returned Monday afternoon from Dallas, where they spent last week seeing the Texas Centennial exposition.

Hill Convicted
(Continued From Page One)
A. V. Crowder, last witness before court recessed Monday afternoon told of an attempted burglary of a Sweetwater bottling plant, of which he is manager, on the night of Sept. 3-4. He identified a pair of gloves taken from the plant the night of the attempted burglary, and allegedly found in the defendant's possession.

Fort Worth police who made the arrest testified Tuesday that when Hill was taken into custody he had \$123.10—the ten cents an 1838 dime. Gloves, identified by A. V. Crowder of Sweetwater as those taken from a bottling works there the same night of the Loraine burglary; a U. S. mail sack and boxes and drawers from the Loraine postoffice were also presented by the government as circumstantial evidence.

Fifteen exhibits were presented by

the government, including the gloves, an official postoffice mail bag, and boxes and drawers belonging in the Loraine postoffice.

Attorney for the defendant was Dave Miller of Fort Worth. Clyde Eastus of Fort Worth, U. S. district attorney headed counsel for the prosecution.

Rites Wednesday
For A. A. Daniels,
Pioneer Of County

Citizen of New Hope Stricken
While Working In His Field
Saturday Afternoon

A SUNDAY DINNER
AT THE
BROADWAY CAFE

Combines the pleasures of enjoying really good food and having it served to you as you like it.

P. A. BURNETT & SON

Rites were held Wednesday afternoon at the graveside in Iatan cemetery for A. A. Daniels, prominent citizen of New Hope community and a resident of Mitchell county forty years. Mr. Daniels died at his farm home early Monday night following a heart attack of two days before.

A native of Tennessee, the late pioneer came to Texas at an early age. He settled in New Hope community in 1896 and had since resided there. He had been an active member of the Church of Christ through many years.

Saturday afternoon Mr. Daniels was heading maize in his field when stricken with a heart ailment. He was using a large box on slides in which to place the feed. He climbed into the container and his mules pulled him to the house where he was found and medical attention summoned.

The Rev. E. O. Stewart of Sweetwater, assisted by Rev. Jim Fields of New Hope, officiated at the funeral services. Pall bearers were F. E. York, C. A. Self, Ellis Grant, T. A. Reese, F. A. Langley and R. E. Bassham. Jones, Russell Company of Colorado was in charge of funeral arrangements.

Surviving are his widow, two daughters, Mrs. Fay Dupree of Dallas and Mrs. C. N. Adams of Westbrook, and two sons, Hugh Daniels of Westbrook and Carl Daniels of Eunice, New Mexico.

PLANS FOR DISTRICT
YWA HOUSEPARTY HERE
THIS MONTH ARRANGED

Featuring a chili feed, a slumber party, an afro fresco breakfast, and a Halloween party as social highlights, plans are going forward for the district Baptist YWA "houseparty" here the week-end of October 31.

Around 50 young women from churches in three Baptist associations—the Mitchell-Scurry, the Lamesa, and the Big Spring—are expected to attend. Mrs. Dell Barber and Mrs. Lewis Fitzgerald, local YWA counselors, are working with Mrs. Dick O'Brien, district young people's leader, in making plans for the week-end.

It is planned to have the "houseparty" open with a chili feed in the Baptist church basement Saturday evening. After that church services will be held and then the girls will attend a Halloween party in the garage at the John T. Howell home. They will have a slumber party that night, sleeping on cots in the church basement. Sunday morning breakfast will be at Ruddick park.

After church and Sunday school a basket lunch for the visitors will be served in the church basement. The YWA business session will follow, closing the "houseparty."

**RE-VAMPED SCHOOL SPIRIT
IS CREDITED WITH VICTORY
FOR WOLVES FRIDAY NIGHT**

**Hamlin Fied Pipers Defeated
20-12 In Sensational Tilt
At Cantrill Field; Both
Squads Fight Doggedly**

The Wolves scored a hard won victory Friday night after coming from behind to win over the Hamlin Fied Pipers 20-12.

It was among the sensational grid contests staged at Cantrill Field since the stadium was opened a few years ago. It was a new Wolf squad that met and defeated their antagonists, due, in large measure, to influences of an enthused school spirit originating during rally at high school auditorium the Monday morning before and spreading as if by magic to embrace practically every student and adult citizen of the community.

It was a different pep squad and fan aggregation—in spirit—too, that entered into the game from the kick-off until the final gun. It was evident that Colorado had accepted the proposition that their Wolves were at the end of a losing record and from that point out were to pluck some laurels of victory.

The locals made ten first downs to nine by Hamlin. In the first quarter Burdine blocked Foster's kick and recovered behind the goal line for the original score. Burdine converted for the extra point. Hamlin pushed over the second score on a pass, Johnson to Martin for 16 yards, and in the same quarter Johnson passed 12 yards to Nichols for another touchdown for the visitors. Neither tries for goal were successful.

Billy Miller pushed through the Hamlin line for three-yard gain to make the score 13-12 in favor of Colorado in the third frame. Attempt to pass behind the goal line for the extra point failed.

Johnson's pass was intercepted by Miller in the fourth period who ran 12 yards for Colorado's clinching score. Burdine kicked for the extra point.

Spectators were better enabled to keep up with the game, play by play as announcements were made by use of a public address system with Rev. Dick O'Brien at the mike. Officials were Sellers (H-S-U); Hill (ACC), and Robertson (Trinity).

**FLOODS EXACERBATED HEAVY
TOLL TO ROADS, BRIDGES**

The floods in Tom Green county last month damaged roads and bridges \$78,000, a survey just completed by Bill Banks, county engineer, discloses. Every precinct in the county shared in the damage toll.

**Proposed Highway Extending South To Be
Urged By Executives Of Colorado C of C**

Proposed highway extending to the southeast is to be given every possible support by executives of the chamber of commerce, under provisions of resolution passed by the chamber's board of directors Monday afternoon. The organization maintains an optimistic hope that the road, designated several weeks ago by the State highway commission, is to be built.

Motion that the chamber push plea for favorable consideration of the project was offered by W. J. Wooster and seconded by P. K. Mackey. Jim Greene, organization secretary, was instructed to again take the question up with W. A. French of Abilene, divisional engineer for the commission, and press claims that this section is entitled to the improvement.

The resolution suggested that the engineer be requested to prepare for submission to proper State and Federal authorities application for an NRWR allocation to finance construction of the road.

Mitchell county commissioners' court has pledged to furnish 100-foot right-of-way for the road to the county line. The courts in other counties to be affected by the highway have passed similar resolutions.

**Roscoe Delegation
To Attend Bout At
Colorado Stadium**

**Hundreds Of Enthused Plow
Boy Fans Will Journey To
Battle Scene Friday**

Roscoe fans are concluding plans to send large delegation to Colorado Friday night for the Wolf-Plowboy contest, according to statements credited to several citizens of that Nolan county town. And the Plowboys fan aggregation is to move into Cantrill Field expecting their team to win.

Principal C. A. Wilkins of high school was in Roscoe Sunday to deliver a block of 100 adult tickets to school officials. "Why you did not bring near enough," he was informed after stating that he hoped they would be able to place the ducaats. "Send us some more tickets. Roscoe plans witnessing that game," was concluding suggestion.

The urge that Colorado get into spirit of the game in earnest and support the Wolves as never before was made during addresses delivered at the chamber of commerce luncheon club meeting Tuesday by Ben J. Baskin and Bill Cooper.

**PROUD DAD EXPECTED
SUPPLY CIGARS TO CLUB**

Members of the Lions Club will be looking for a choice cigar Friday as they meet at the Colorado hotel. Fact that Jack Christian, Wolf mentor, recently became the father of a charming baby girl, is the reason. And, it is taken that Christian will be wearing an unusually long smile as he passes the smokes. His Wolves have also occasioned a feeling that tends for a pleased countenance.

**'Boost Your City,'
Speaker Urges In
Luncheon Address**

Colorado Should Go Ahead, Rev. Elliott Declares As Opportunities Listed

"There is not one of you who is ashamed of Colorado and there should not be one of you who is not an incessant booster for this city and county," Rev. W. M. Elliott of First Presbyterian church, told members of the chamber of commerce luncheon club Tuesday.

"Some of the greatest men to ever have identification with development in West Texas were citizens of Colorado and we should strive to repeat in that respect," the speaker continued. "Our opportunities for progress are at par with those offered in other communities of West Texas. Why not bring profit unto ourselves through that asset?"

The church as a balancing influence in building stable citizenship should ever be considered, the minister stated. "Our school system is second to none in this part of the State, a factor that alone should be heralded in our ambition to attract new citizens to Colorado."

**ELLIOTT'S RETURN FROM
STATE CHURCH MEETINGS**

The Rev. and Mrs. W. M. Elliott of First Presbyterian church returned Friday night from Dallas, where they spent four days last week attending the synods and synodicals of both the U. A. and U. S. A. Presbyterian churches in Texas.

The Rev. Mr. Elliott was retained on the stewardship committee of the synod and was placed on a special committee which is to confer with a special finance committee from Austin College, Sherman, in Waco this week. Mrs. Elliott was reappointed as secretary of literature in the synodical and was made chairman of the synodical nominating committee.

The Rev. and Mrs. Elliott's son, John, a ministerial student in Austin college, was stage manager for and took a leading part in a mammoth pageant presented before the massed convention groups to portray the history of Austin and Trinity colleges.

**EX-MAYOR ASSESSED 25
YEARS IN SON'S DEATH**

Charles S. Richardson, former mayor of Olney, was convicted and given 25 years in the State penitentiary by a district court jury at Abilene, on the charge that he shot and killed his son, Edna Richardson, during a quarrel at Olney January 1, 1934. This was the fourth time that Richardson had been tried and convicted in the case. Notice of appeal was filed.

**WILSON TO CONTINUE AS
ACTIVE CLUB SUPPORTER**

"I may be leaving Colorado to reside in an adjoining city but I am not severing my relationship with this luncheon club," Walter Wilson, insurance agent, stated Tuesday as he addressed the C-C luncheon club. Wilson is to leave soon for Big Spring. "It is only a short distance between these two cities and I will be coming back," he concluded. Wilson is a charter member of the club.

**COUNTY CHAPTER EFFECTS
ORGANIZED FRONT TO OPEN
ANNUAL RED CROSS DRIVE**

**Committees Will Carry Plea
For Support Into All Parts
Of County As Roll Call Is
Opened November 12**

Under leadership of R. H. Barber, chairman, the Mitchell county Red Cross roll call committee has effected an organized front to carry appeal for continued financial assistance into every community of the county, as its campaign opens on November 12.

Barber announced recently the enthusiasm that has dominated each of several conferences held by these special committee workers indicated conclusively that Mitchell county will accept with pride in a duty well done, its quota of 500 members, and the citizenship is given opportunity to have part in an organization rightfully holding the universal commendation credited to the American Red Cross.

The several community committee chairman already completing organization of their forces for the drive, follow:

Cuthbert, Mrs. O. L. Simpson, chairman, J. L. Strain and Dave Womack; Spade, O. F. Jones, chairman, Miss Hilma Joyce, E. Barber, Mrs. L. O. Fry, Mrs. W. B. Mier and R. B. Hood; Horn's Chapel, J. H. Humphrey, chairman, Gordon Coles, Luther Hammond and Mrs. Pat Morrison; Longfellow, A. K. McCarley, chairman, Mrs. Miles, and Mrs. Ezell; Bauman, O. W. Bauman, chairman; Mrs. Ivan Barber, Mrs. Gus Bauman, and Mrs. Lester Webb.

Valley View, Chester Beakts, chairman, Bruce Hart; Lone Star, Roy McPherson, chairman, Mrs. James Bennett and Mrs. Clyde Latham; Landers, Mrs. Byron Byrne, chairman, Mrs. Bradford Landers and Mrs. M. L. Adrian; Silver, T. F. Finley, chairman, Mrs. Henry Cook; Lorraine, E. E. Jackson, chairman, Frank Crownover, Kirk Taylor, Edd Williams, Mrs. W. H. Hester, Mrs. Lillie Bennett, Mrs. Fern Cook, Mrs. Tennis Wilson and Mrs. Woodrow Pratt; Westbrook, Van Boston, chairman, A. L. Young, Ira D. Lauderdale and M. E. Lasseter.

Communities in which the drive chairman had not announced personnel of their committees included Carr, Mrs. W. H. Gregory, chairman; Conaway, Mrs. J. M. Byrd, chairman; Butler Camp, Mrs. Frank Shannon, chairman.

The Mitchell County Federation of Women's Clubs is to take an active part in the roll call drive, Mrs. J. A. Sadler, chairwoman of the organization's committee, has outlined. Personnel of this committee includes Mrs. Lee Lavender, Mrs. John Watson and Mrs. J. L. Howell.

Earl Jackson, chairman of the drive organization for Eastern Mitchell county, writes that he is finding wonderful response on part of committeemen there. "While I have not contacted all members of our committee I believe that each one of them will serve," he stated.

**Lions From Three Countries Gather At
Dallas Saturday For Anniversary Fete**

Men prominent in affairs of Lions International representing three countries were among delegates gathering at Dallas last week to commemorate seventeenth anniversary of the service organization. Lionism was founded on October 10, 1919, and to Texas is given credit for launching the brotherhood that has since carried its benevolent and influences for international understanding around the world.

Walter W. Whipkey, president of the Colorado club, represented that unit in the International organization at the meeting. Edward R. Kingsley of West Virginia, president, and Melvin Jones of Chicago, secretary, respectively, of Lions International, were among men prominent in the organization to deliver addresses.

Eight Lions journeyed from Mexico City to attend the jubilee, while from Canada came other Lions, Texas and other States of this republic registered delegates. Governor Allred of Texas was one of the speakers.

On Thursday night the Lions were guests of the Frontier Centennial at Fort Worth, visiting the Casa Manana and other attractions. Friday night at the Dallas Country Club they were honored at a banquet, said to have been one of the most elaborate and highly pleasing of such functions in that city during the season.

A part of the anniversary program was held at the Adolphus Hotel. Saturday the meeting was moved to the Hall of State building on the Texas Centennial grounds.

Harold Bennett, a recent newlywed, was all smiles Tuesday noon as he entered main dining room at the Colorado hotel with a box of cigars under an arm. He passed the smokes among the men present to indicate that their expressions of interest in his most recent estate were appreciated.

Dedicator services for Snyder's new \$25,000 school gymnasium building were held Friday night. The attractive plant is 92 by 112 feet in size. The court is large enough for two basketball games to be played at a time.

**BOX SUPPER BE HELD AT
CONAWAY OCTOBER 23**

Conaway school announces that a box supper program is to be given at the school building on Friday night, October 23. Proceeds from the subscription are to go into fund being raised to purchase equipment needed by the standardization department. The public is invited.

Texas Electric Service Will Offer Cash Prizes, District Manager Has Announced

An essay writing contest on "Better Light—Better Sight," with 37 prizes totaling \$525.00 has been announced by L. J. Geer, District Manager of the company. The subject of the essay is "Why I Need Good Lighting at Home and at School," and the contest may be entered by any school student in towns served by the Texas Electric Service Company, except children of company employees.

The contest is free and all needed reference material and entry blanks containing the contest rules are available at the company office. The contest opened October 15 and continues through December 14, when the best essays will be selected and the winners announced as promptly as possible.

FAIRVIEW PTA HOLDS ITS FIRST MEETING

By Mrs. O. L. Simpson, Reporter
The executive board of the Fairview P. T. A. had its first meeting Tuesday, Oct. 13 at the home of the president, Mrs. E. T. Strain.

The following committees were appointed: To work with Mrs. C. C. Berry, first vice-president, Mrs. Mary Boatler and Mrs. J. L. Strain; to work with Mrs. E. R. Uzzie, Mrs. Ed Womack and Mrs. W. W. Jenkins. Mrs. W. C. Berry is third vice president, Mrs. J. L. Strain is chairman of hospitality committee, and Mrs. E. S. Womack is parliamentarian. The first regular meeting will be Thursday, Oct. 15 at 3:30 at the school.

Later on a third monument marking the site of an Indian battle is to be built southeast of Colorado. A highway monument commemorating the men for whom Mitchell county was named was completed several months ago on the highway between Colorado and Loraine.

EXACT LOCATION FOR CENTENNIAL MARKER AT SEVEN WELLS SOUGHT

A request that the exact site for a Centennial monument to be erected at Seven Wells by the Texas Centennial Board of Control be determined immediately by the Mitchell County Centennial board was made in a letter received this week by Mrs. J. G. Merritt, chairman of the county board.

The letter was from Rodriguez Bros., Memorial, in San Antonio. This firm has a state-wide contract for the erection of these Centennial monuments. The crew is to visit Mitchell county and erect the monument at Seven Wells in the near future.

Next week The Howl will be under the supervision of the eighth period English IV class.

THE HOWL

EDITED BY STUDENTS OF HIGH SCHOOL

The Howl for this week was written under the supervision of the third period English IV class. Articles were contributed by the following:

Hiram Duffer, editor
Weldon Nuckolls, sports editor
Reporters: Willie Grace Doss, Verda Bohannon, Faye Bedford, Dorothy Aldridge, Mary Elizabeth Pidgeon, Freddie Watson, Frances Merle Cooper, Nancy Price, Dorothy Te-lotte, Weldon Nuckolls, and Mary-bell Crosthwaite.
Typists: Conrad Lantron and Hiram Duffer.

Next week The Howl will be under the supervision of the eighth period English IV class.

SCHOOL SPIRIT PREVAILS
Hoo-ay for the Wolves! Colorado High School is tops. Every single one will know the football boys individually, and also the school song—Colorado. The Colorado High School colors were given to every student and every one wears them. The football boys were introduced in classes by class members, and each boy was heartily cheered. School spirit is now high and the students shall strive to keep the spirit of C. H. S. up to the very top.

MISS BROADDUS ENTERTAINS IN ASSEMBLY

The student body was highly entertained by a dramatic reading, "Ashes and Roses," presented by Miss Mary Broadbudd, Tuesday morning at the assembly hour. She also gave two other readings, which were greatly appreciated. C. H. S. wishes to thank Mr. Coffman and Miss Miller who have charge of the Tuesday morning assembly programs, for presenting this program. Students are looking forward to many other interesting programs in the future.

DETERMINATION URGED BY LOCAL MINISTER

Assembly opened Wednesday morning with a bang. Class yells, rahs for Wolves and coaches, and the school song were given with zest. Reverend Childress, pastor of the Church of Christ, gave a very appropriate talk on determination to put up a fight against all football opponents. Applying the facts of his speech by using power of decision, strength of determination in character, and perseverance, C. H. S. looks prospectively toward the winning goals.

SOPHS SHOW FOOTBALL SPIRIT

Celebrating the spirit of the football season, the Sophomore class, under the supervision of Miss Barrett, will present a play, "Valiant Hector," by Esther E. Olson. This play has for its interest a football captain as the hero who goes through the obstacles of over-confidence and romance, to final victory by sheer work and determination. The class hopes to give to the school and town an appropriate and entertaining comedy.

JUNIOR PLAY ANNOUNCED

Just a hint to let the other classes know that the Juniors are going to work harder this year on their class play than they did last year. The Juniors of '36, the winners of the trophy last year, are very proud to announce that they have for their director again, Miss Gladys Miller. Knowing they have good, keen competition this year they still believe that they are going to win the trophy a second time. The title of the play this year is "Ready-Made Family" by Tobias. They will present their play Tuesday night, November 10.

SENIOR PROSPECTS

The Seniors have selected October 13 for "Kid Day," a day which has become an annual event in the Senior class. However, the real idea of "Kid Day" is to let the Seniors realize that soon they will be thrown out into the turbulent waters of life; that they will soon be men and women. So let us forget the number of years behind us and celebrate our by-gone days on glorious October 13, "Kid Day."

Annetta Lacey, president of the Senior class, says that she is sure that the Seniors of 1936-1937 will astound the lower classmen by their school and class spirit. There will be friendly get togethers, where the entire class will meet and acquire a better friendship. These social gatherings are to bring the class together so that they will be pulling for the same thing. The Seniors hope to set a better example for the future Seniors than has ever been set before.

There has been some talk about a picnic coming in the future. Where it will be held is still rather a dim proposition. Some say Sweetwater Lake, and others the Ruddick Park or Seven Wells, but wherever it is you can bet the Senior class will be there ready for a big time.

PEP SQUAD

The pep squad lives up to its name. Last Thursday evening, October 8th, the pep squad and the band went marching down the street, colors flying, spirits high, boosting the Wolves on toward the goal. They passed around among the crowd the good old school spirit. A remark something like this was heard, "I did not intend to go to that football game, but if those kids believe in it that much there is no reason why I shouldn't." That is what the pep squad does for the school.

The boys that can't play football and wish to do their part, have formed a pep squad of their own, sponsored by Juan Mason, to help the girls. Lead on, pep squad, the school's behind you!

COMMERCIAL DEPT. NEWS

Mr. Brazil states that his new typing students have been doing exceptionally well as shown on a recent test. Some pupils wrote twenty words a minute, which is considered a very good rate for beginners. (It's getting to be an improvement over the hunt-and-peck system, don't you think?)

The bookkeeping pupils have finished their preliminary work and are now almost ready for the commencement of the introductory set. (But notice the expression on a bookkeeping student's face when he cannot give vent to his feelings after he has made a small mistake that has caused his books to be out of balance. Some fun, eh what?)

HOMEMAKERS BEGIN WORK

Oh yes, Jane, I was telling you about our Home Economics work. It is most interesting. Why, during this last week we've learned all the parts of a machine, how to thread one and wind the bobbin and do ever so many things. We've discussed good grooming, designs, and fashions, and next week we are to start making a slip. I just can't wait!

C. H. S. GIVES FIRE PREVENTION PROGRAM

C. H. S., along with the other public schools of Texas and of the United States, celebrated Fire Prevention Week, Oct. 4-10. This national observance of Fire Prevention Week is designed to educate the American people, so that they may more efficiently protect themselves and their resources against this public enemy. The program presented touched but one part of the huge educational plan. The Protection of our National Forests.

With Willie Grace Doss as master of ceremonies, the following numbers were given: A poem, "Trees," by Joyce Kilmer—Betty Hodge; a story, "Killing Giants"—J. T. Williamson; a poem, "What Do We Do When We Burn Our Trees"—Blanche McCorley; Some rules for fire prevention—Sam Richardson.

After the program, Mr. Wilkins gave directions for leaving the building during fire drills. On the following day fire prevention was further carried out by a fire drill.

THE C. H. S. BAND FEELS INSPIRED

New uniforms are the main talk of the high school band. The members can hardly wait to prance out in new suits to inspire their new march steps. In a few weeks when the band steps out, it will really be something the school can be proud of. The Glee band has one really enthusiastic person that not only talks to himself but to the complete high school about suits. Billy Henderson can be thanked for putting in a good word for this enterprise before the complete faculty and student body.

Saturday, October 10, the band had its first enthusiastic get together, a weiner roast. There were four cars that met at the High School Saturday to take the group to Seven Wells, chaperoned by Mr. and Mrs. Rose and Mrs. J. L. Pidgeon. After the roast all went to see "San Francisco," a most interesting show. This was surely the best beginning of a good year ever started before.

WOLVES HOWL VICTORY

Friday night, Oct. 9, the Pied Pipers of Hamlin attempted to invade the Colorado Wolves' lair, but as most of you know, they salvaged very little from the wreckage. Although the Colorado Wolves were three times defeated and plagued by injuries they played an inspired game, exposing talent to burn. With this new display of power and Reserve on the shopping list, Friday, Oct. 16, the Wolves promise a revival of last Friday night only with one exception and that is, more score for the Wolves. And do you know what Coaches Clark and Christian are going to do with their Pied Piper loot? They're going to clean a few plops Friday night.

The Wolves went to the post for the first time last Friday night and showed the Colorado people, it was those big, bad Wolves' night to howl. The Colorado Wolves made 10 first downs to Hamlin's 9. In the first period, Burdine, playing a flawless defense, blocked Foster's kick and recovered behind the goal line for the first score. Burdine made an attempt for the extra point but failed to find the pignose between the Golden Poles of Success. Hamlin made the second score by a 16 yard pass from Johnson to Martin but failed to make the extra point. In the same quarter Johnson passed 12 yards to Nichols for a goal making the score 12-6. After battling up and down the field for several minutes, Billy Miller pushed over the mass of Pied Pipers for a touchdown. Burdine accomplished the kick this time, making the score 13-12, favor of the Wolves. After this it seemed that the Wolves rolled over touchdowns almost at will. In the fourth period Johnson's pass was intercepted by the persistent Miller, who reeled off about 35 yards

Livestock, Range Conditions Good, Government Says
Better Times Ahead, Promise Advanced Monday To This Industry In Texas

Loraine Bulldogs And Roby Lions In Scoreless Tie Tilt
Lads of Eastern Mitchell County Continue Threat To Claim District Pennant

Livestock and range conditions in Texas are very favorable, the United States department of agriculture said Monday in its monthly report issued at Austin. September rains were too late, however, to be of much benefit to crops.

Cattle condition on Oct. 1 was reported at 86 points, one point below a year ago but four points above the ten-year average.

Sheep condition of 84 compared with 72 a month earlier, 90 a year ago and 82 the ten-year average. Goats were four points below Oct. 1 but three above the ten-year figure.

Cattle ranges gained 11 points during the month to reach 86, compared to a ten-year average of 80.

"Heavy rains throughout north and northwest Texas," statisticians said, "except in the extreme northern portion of the Panhandle, did much in reviving grass, and if the weather remains favorable long enough this fall, ample growth for winter grazing is virtually assured. Most of the Panhandle has grain fields well started and prospects are splendid for winter grazing in those fields."

Sheep ranges were reported at 86 points, four above the ten-year average.

Cotton yield prospects declined five pounds per acre during September with a hair-raising finish for the touchdown that practically sewed up the game for Colorado. Burdine again made the goal, making the final score 20-19. The Pied Pipers slashed and ripped at the determined Wolf Pack, but they were battling a hopeless cause for they had piped their last pipe in that game.

Chevrolet Spends Millions In Plan For 1937 Models

Greatest Delivery Record In History Is Goal Announced By President

Announcement was made today by M. E. Coyle, president and general manager of the Chevrolet Motor Company, that \$25,000,000 has been expended in retooling, new machinery, and rearranging the plants and assembly lines of Chevrolet for production of the 1937 models that will be announced early in November.

This is one of the largest sums ever appropriated by the automotive industry for the change-over of machinery for the annual new models, and gives an inkling of what the motorists of America may expect when the cars are revealed to the public. Mr. Coyle stated to 1,000 members of the field force of his company now in session in Detroit.

It was said that the usual procedure in automobile manufacture is to make new models with certain changes one year and other changes the following announcement time, but this year Chevrolet has produced an entirely new car for 1937.

It is because of the complete re-designing of the 1937 models that such a large expenditure for retooling and rearrangement was necessary, Mr. Coyle pointed out.

Detroit and Michigan shared largely in the Chevrolet expenditure of \$25,000,000. The plants at Flint expended \$10,000,000, and those in Detroit \$8,000,000. Two million dollars were spent in Saginaw, while in Muncie, Ind., and Indianapolis, a like amount was divided between the parts factories and the commercial body division. Bay City, Mich., factories expended nearly half a million dollars. More than half a million dollars were spent by miscellaneous divisions of manufacture.

It was disclosed to the field forces and newspapermen that Chevrolet is now in production on the new models, and that the 10,000 dealers of the company will have display cars for announcement day and an ample supply for immediate delivery to purchasers. Schedules at the factories are increasing, with heavy volume slated for the latter part of October.

November and December will probably see Chevrolet production increased over the high marks set last year for those two months, said Mr. Coyle, for the interest shown by motorists in Chevrolet plans during the pre-announcement time augurs a large increase in buyer demand for the company's cars.

The field forces received the announcement of Mr. Coyle with enthusiasm and pledged themselves to break the selling records they established in 1936 when practically all of the all-time company records were smashed. They viewed the new models at the proving ground, drove them, and had the mechanical and servicing features illustrated, so that they in turn might bring this information back to their territories and at once begin formulating local sales policies for 1937.

The result of Chevrolet's heavy volume sales in 1936, Mr. Coyle said, will be a 1937 product notable for still greater value. "Quantity production always entails savings," he pointed out, "and as the industry's leader in production and sales, in 1936, Chevrolet will naturally be in position to pass along to the public the savings effected by that volume. So the statement that the company will show its appreciation in this concrete way is more than just words; it is solid fact, with sound economic laws behind it."

On his marriage, the annual grant made to the Duke of Kent under the civil list was increased from \$50,000 to \$125,000.

Mr. and Mrs. Drew Givens and sons, Albert and Pierce, accompanied by Bradford Landers, visited the Centennial at Dallas and also visited relatives at Shreveport, La., over the week-end.

We have three new pupils started to school from Rio Hondo. They are: Verda Lee Fox in the fourth grade, Irene Fox in the second, and Agnes Fox in the first grade.

Mrs. Myrtle Scott was seriously hurt in an automobile accident last week and is improving.

Mr. and Mrs. Kiker of Colorado visited Mr. and Mrs. Ivan Barber Sunday.

School was dismissed Monday in order for the teachers and some pupils to attend the Centennial at Dallas.

There has been a contest started in the sixth grade arithmetic. It will end in about two weeks.

The P. T. A. met last Friday night and elected officers for this year. It was decided to meet once a month for social and business meetings.

Among the social events of this week was a party given Tuesday afternoon by Mrs. Lester Webb, Mrs. Will Watson and Mrs. Weldon Moore at the home of Mrs. Moore. Honoree of the afternoon was Mrs. Buddie Compton who before her marriage Sept. 20th was Miss Ina Bass Lee.

After playing several games the honoree was presented the gifts. After they were unwrapped and admired the many guests were served ice cold "pops" and candy with orange ribbons on at the top was written Lee-Compton with the date of the shower and the names of the hostesses at the bottom.

Mrs. Watson, Margaret Watson, Jester Lee and Miss Lois Sisson visited the Centennial over the week-end.

Total of 23 Boys Enrolled For CCC Posts This Month

Four Communities Of County Have Part In Quota Listed By Chamber of Commerce

A total of twenty-three Mitchell county boys have recently been enrolled for duty in Federal CC camp, Jim Greene, chamber of commerce, secretary, stated Tuesday morning. The boys were recruited from the Colorado, Loraine, Westbrook and Cuthbert communities.

The youths were sent to Sweetwater for employment in CC camp there, Greene stated. Three of the boys were enrolled October 7 and the remaining twenty on October 13.

From Colorado and vicinity were enlisted Johnnie Tiller, Charley D. Barnfield, Glen Gary, Arnold Lee, Malcolm Sorrells, Anthony Nowell, Claude Bearden, and Newton Pope.

Loraine furnished eight boys, as follows: Marlin Creek, Winfred Simmons, George Mahoney, T. G. Brown, Loal Plez Brown, Marvin Murphy, Jim Barkley, and Audie Boyd. C. B. Nowell, Dennis Leach, Owan Rose, Velmer Howard, Ben McCarty and Junior L. Schafer were enlisted from Westbrook. R. J. Cox was enrolled from Cuthbert.

HERE FROM MONAHANS

John Ellis Smith of the Monahans News has been here since Saturday on his vacation. He and his mother, Mrs. Frank Smith, are leaving Friday for the Centennial shows and will swing back via Lubbock and Clovis, New Mexico, early next week to get Frank Smith, Jr., who will meet them in Clovis after attending a school of pharmacy in Denver during the summer. John Ellis will stop off in Monahans as Frank, Jr., and Mrs. Smith come back home about Thursday.

EGGLESTON-SUMMERS

Lee Eggleston, who has the Maytag agency here, and Miss Vada Ellen Summers, teacher in the Big Spring schools, were married in Snyder on Saturday afternoon, October 3. They are now at home in Colorado.

MITCHELL COUNTIANS TO WELFARE MEETING

Mitchell countians who are officially connected with relief work as it is carried on at present were in Abilene last week to attend a public welfare institute. Welfare and relief workers of 12 counties were present.

Mrs. Bonnie Barr, who has charge of the Texas Relief Commission and county welfare desk here, attended sessions through all three days of the meeting. Mrs. Maurine Reese, old age pension investigator in this county, was at Thursday morning sessions. County officials attending the open meeting Friday night included B. L. Templeton, county judge; Mack Holt, J. E. Skelton, and Frank Crownover, county commissioners; and Jack Smith, commissioner-elect of Precinct One.

THEATRE NEWS

By SHERMAN HART, Asst. Mgr.

"PRIVATE NUMBER"
Palace—Friday and Saturday
October 16 and 17

A well-written and masterfully directed Cinderella yarn, it tells of the trials of Ellen Neal, beautiful domestic in the household of the opulent Winfields. A conniving butler, Wroton, makes advances, but she kills for the seign of the household, who secretly marries her before he returns to college. A baby is born and the butler aids the dotting parents in framing the young mother in an effort to have the marriage annulled. The frameup is exposed in court and the boy denounces his parents to return to his young bride and happiness. Players are Robert Taylor, Loretta Young, Basil Rathbone, Patsy Kelly, Joe Lewis.

"SHOW BOAT"
Palace—Saturday Midnite, Sunday
October 17 and 18

Magnolia, beautiful daughter of Captain Andy, owner of the Mississippi show boat, falls in love with a dashing itinerant gambler, Gaylord Ravenal. He turns actor and they are married, later deserting the floating stage for the cities and a life of ease on his winnings. Hard luck catches up with him, and while broke he deserts his wife and newly-arrived baby daughter. Magnolia becomes a stage star, going higher and higher in her profession. They are reunited years later, when their daughter, Kim, following in the mother's footsteps, makes her debut at a theatre where her father is a down-and-out

doorman. Players are Irene Dunne, Allan Jones, Charles Winninger, Helen Morgan, Paul Robeson.

"SHAKEDOWN"
Palace—Monday only, October 19

Ayres refused an offer of a soft job by Joan's father, Thurston Hall, but agrees to become a messenger boy. Joan, chagrined, agrees to a kidnap hoax, so Ayres can rescue her, proposed by Henry Mollison, Hall's private secretary, who owes a large gambling debt. She becomes suspicious of the gamblers' actions and grabs a pistol. There is a spot and one of them drops to the floor. Joan confesses the killing to police just as her father pays \$50,000 to the kidnapers for keeping their silence. Ayres and the police chase the kidnapers, Mollison finally admitting he is the murderer. Ayres wins the girl and a better job. Players are Lew Ayres, Joan Perry Thurston Hall, Henry Mollison, George McKay, John Gallaudet, Gene Morgan.

"RED RIVER VALLEY"
Ritz—Friday and Saturday
October 16 and 17

Another one of Gene Autry's musical westerns. In this picture you will get plenty of rough riding and shooting. Gene Autry also does some of his masterful singing.

"CHAN AT THE CIRCUS"
Ritz—Tuesday and Wednesday
October 20 and 21

Warner Oland his family of 11 are invited to attend a circus. His oldest son, Keye Luke, whom he is training to be a sleuth, loves Sha Jung, a contortionist. While the performance is under way one of the partner-owners is killed, apparently by an ape. Chan, with the aid of Luke, finally unravels the mystery after many of the performers have been under suspicion. Players are Warner Oland, Keye Luke, George and Olive Brasso, Francis Ford, John McGuire, Shirley Deane, P. Stanton.

Electrified Farms To Be Long Stride For Stability Goal

County School Head Elated In Plans To Bring Better Rural Life Into Being

The goal of 1,000,000 new farm and ranch users of electricity as set by President Roosevelt's rural electrification administration, is one of the most pretentious strides ever taken by the government to bring stability and happiness into the rural home. Roy Davis Coles, county school superintendent, declared Tuesday after reading news report from Washington that added effort would be put into this major farm objective.

"During recent years we have made material strides in progressing life on the farm," Coles declared. "We are today living in an age when educational advantages are offered the rural boy and girl to equal those of their cousins in the larger community centers. Such an objective has been attended with strong merit.

QUESTIONS THAT ARE ASKED ABOUT BANKING 'Could all depositors get their money at once?' IN normal times a bank puts its depositors' money to active business use for the benefit of depositors, the community and the bank. A reasonable amount is kept on hand for customers' daily business needs. A bank is not simply a storage vault for money. Consequently it would ordinarily be impossible for all depositors to withdraw their money at one time, if they desired. It takes time to convert all of the assets of a bank into cash. Electric companies, for instance, would find it difficult to supply the simultaneous demand if every customer turned on all switches at the same time. No theatre could hold all patrons if they decided to go at the same time. This bank, like other banking institutions of the country, is able to serve all customers on the basis of normal daily withdrawals and deposits. The City National Bank

A TRIBUTE TO WOMEN

It appears that the Texas Centennial Celebration might overlook some of the most deserving of honor. These forgotten ones are the women who came to Texas just before and immediately after the winning of independence from Mexico. While the men were away hunting and fighting Indians and Mexicans the women had to remain at home caring for the children. Often they lived on parched corn and frequently were without food. No people on earth ever faced and went through harder conditions than did the early women of Texas. The men went forward to fight or turned turkey and retreated. But the women had to remain daily in dread and provide such protection as she could for her children. She could not abandon them. There was as great heroines at the homes as there were heroes at the Alamo, Goliad and San Jacinto. Something nice could be said about these women.

This was also true of the women of the South during the war from 1861 to 1865. They kept the home-fires burning while the men were far away fighting the enemy. They were forced to go without good clothing, and good food and all the things dear to the woman's heart. Daily she expected to hear of the death of her man and many women received such a message. Still the Southern women did not whimper but did all she could to hearten the soldier and win the war. Adequate honor has never been paid to the women of the Confederacy.

A woman is the greatest institution on earth. She will spend all afternoon on the sidewalks holding a baby and keeping up with those able to walk. A man wouldn't do that. He would start home in 30 minutes after being left with a baby to hold and several others to keep up with. There are places where a woman has been living for 25 years almost covered up with sand. She sticks by her man without prospect of plenty or hope of reward.

Of course there are the Jezebels and the Lady Macbeths that steel the male hand to deal destruction. Also there are the Charlotte Cordays that drive the death dealing steel with their own hands. We have reached a day when they are quite handy with powder and lead. But the number is a mere trifle compared to the many humble women who remain faithful to right, home and children.

"And it fell on a day, that Elisha passed to Shunem, where was a great woman." II Kings 4:8. That is a beautiful reference to a woman, whose name is unknown. We have had great women all along the years. Jane Addams was a great woman. She would have been great in any age. Frances Willard was one of the great women of this country. But since the present-day women brought on the deluge of liquor and promoted the habit of drinking Miss Willard is not appreciated so highly. She is rather taboo.

Women of this age face a great responsibility for abandoning the fight on the enemy of the human race—intoxicating liquor. They first promoted the habit of drinking and after making this habit popular they helped to vote away the restrictions on liquor. But when this paroxysm of delirium passes they will be on hand with water, soap, mop and dust rag to help clean-up. Women will never abandon the plane of their progeny for any great length of time.

For the same reason women are and ought to be against war. They face a tremendous duty and responsibility to maintain the race by producing children. The is a sobering idea. And after rearing a family of children they are sober. And the idea that they are probably rearing children to be shot, gassed, crippled and killed is sufficient to cause women to rebel. To rear sons for cannon fodder is abhorrent. They must rear the sons but should stop the cannonading. And all sane men ought to aid them in this prevention of war. And men ought to lead in the effort to eliminate human enemy number one, to-wit: liquor from their sons.

As women are the one great consideration for human welfare and maintenance of the human race, they are entitled to more consideration from the men than they usually get. Lamaartine said: "There is a woman at the beginning of all great things." Think it over; you will probably conclude that it is true.

They talk about woman's sphere as though it had a limit; There's not a place in earth or heaven,
There's not a task to mankind given
There's not a blessing or a woe,
There's not a whispered yes or no,
There's not a life, or death or birth,
That has a feather's weight of worth—
Without a woman in it.

What shall we say to women:
"Be like the sun that pours its rays to gladden and glorify the day.
Be like the moon that sheds its light to blaze and beautify the night.
Be like the star that sparkles on, although the sun and moon be gone.
Be like the skies that steadfast are, though absent moon, and sun and star.

"O woman! In our hours of ease,
Uncertain, coy and hard to please.

When pain and anguish wring the brow,
A ministering angel thou."

KNOCKS, BOOSTS AND PURE BALONEY

Home according to the real estate men in Colorado is where the taxpayer lives.

One day this week we had a talk with Bro. Dick O'Brien and the conversation turned to golf. O'Brien said I like to play golf because it makes me think. He did not tell me what he thought after a dub shot. Some of us have noticed in his Sunday morning sermons that he had a good game of golf the evening before. Making a dub shot at golf is said to call for the worst that is in the mind of man. Personally we do like golf, I'd rather sit on the sideline and watch two old maids play croquet. Golf never made me think. Perhaps that is why the thoughtless person don't like golf. Golf is an excellent exercise for those who have thinking to do. It is not a talkative game until it is over, then there is no end to the talk that can be made about that hole in one. Golf is particularly to be recommended to preachers. It makes them think, it sunburns them and adds a sort of Robustitude that is desirable. It takes from them the pallid, ascetic look that sometimes subtracts from their pulpit appearance. Pallor and asceticism used to be associated with the clergy. But that was when Saints were in the making.

After I had thus rambled Mr. O'Brien still did not tell me what he thought so I told him this story.

A Dutchman after whipping his boy asked him, "Vot you tink now?" There was a sullen silence, whereupon the old man said: "I know vot you tink, you tink damn. Then O'Brien made another dub shot.

The city council of Dallas, during the Centennial seems to be having some trouble in the worthy cause of muzzling the Frankenstein Gargantuan and horrendous device known euphemistically as the automobile horn. This column suggests a little help. Call it "traffic golf," or whatever name you like. It costs nothing and requires no adversary, or even a score card (if you are good) and if it gets going it can provide as much conversational post-morteming and bragging as real golf or even bridge.

A real pessimist is an optimist trying to live with his second wife

A married man is a fellow who is convinced that troubles never come single.

Misfortunes never come singly. All the summer we had extreme drouth, then followed excessive rains and now have the legislature upon us.

With Federal money being spent faster than ever before, voters in the Seventeenth Congressional District decided that the Treasury needed a new watchdog.

The Literary Digest poll may be wrong in some particulars, but we think it's right in putting Mississippi in the Roosevelt column.

This column writer is subject to what is commonly called a mean headache. We consulted Dr. Ratliff but were not satisfied so we went to see Dr. Root who told us, you have too many cares. All these cares tumbling down in a Niagara upon you, the good doctor avers are quite capable of causing "a congestion of the blood in the vertebra artery which ascends through the foramina in the transverse processes of the uppermost six vertebrae into the basilar artery that supplies the brain with circulation." And then what! By the time he got through telling us all this the headache was gone.

A bore is a man who talks so much about himself that you don't get a chance to talk about yourself.

The Anti-New Dealers are honing for those good old days when Hoover was at the bat. They are bending every effort to bring about the days of 5 cent cotton, 8 cent wool, 30 cent wheat, busted banks and every man out of a job.

The manufacture of bathing suits is increasing, but that doesn't mean that more material is being used.

The actions of Couzens and Laguardia suggests that Roosevelt will gain more than he loses from walking expeditions.

To vote for anyone but Roosevelt would be to emulate the comedian who, to amuse his audience peeled a banana, threw away the meat saying, "See what a big seed," started to eat the peeling, only to learn his mistake, then he said, "See what a big fool I am."

Some of our column readers are trying to make a Jeffersonian Democrat out of us. We have been trying to be such for the past 56 years. We have voted their straight, brass collar and all and it would be a hard task to make a Jeffersonian Republican out of him, or to make him vote the Republican ticket. It can never be done. We consider the Republican party the greatest enemy Texas ever had during reconstruction days and on down. I consider Republicans to be the hereditary enemies of the people as well as myself. BANK DEPOSITS SOAR TO NATIONAL HIGH FIGURES

The Federal Reserve Board announced Friday that the Nation's bank deposits climbed to \$51,335,000,000 (billions) on June 30, the highest level since June, 1931.

Deposits with mutual savings banks and member banks of the Federal Reserve System were described by the board as close to the largest volume on record.

The increase in total deposits in all of America's 15,752 banks was estimated at 12 per cent, or \$5,569,000,000 (billions) during the year ended June 30.

In its monthly bulletin the board also reported that the 50 per cent increase in reserve requirements, which it put into effect Aug. 15 to prevent a possibly dangerous credit expansion, reduced excess reserves of member banks \$1,250,000,000 (billion) during the last half of August.

Reserves were 42 per cent in excess of requirements after the new regulations went into effect, in comparison with 102 per cent prior to Aug. 15.

Lone Star Gas Co. To Carry Case To Supreme Court

Railroad Commission Order Regulating Gate Rate Will Be Contested

Officials of the Lone Star Gas Company have announced that they expect to appeal to the United States Supreme Court from the decision of the Texas Supreme Court denying the company an appeal in the company's gate rate case. Attorneys for the company will first ask for a rehearing and if this is denied they plan to go to the highest tribunal in the land, they stated.

This case involves an order of the Texas Railroad Commission reducing the city gate rate from 40 cents per thousand cubic feet to 32 cents. The company appealed from this order to the Travis county district court and a jury decided for the company holding that the commission's order was unreasonable. The state then appealed to the Court of Civil Appeals which reversed the jury verdict. The State Supreme Court was then asked to review the case but has declined to do so.

Officials of the company stated they believe the jury verdict was correct and that in order to protect their service to customers they are bound to go on with the case. They also expressed the opinion that because of increasing taxation and regulatory expenses and the increased cost of doing business it is more than ever necessary to maintain present rates.

Goss Maintains Record As First County Taxpayer

This Time, He Settled That Account At Loraine Before Any Other Citizen

Tom Goss, Coloradan who during the past several years has prided in being first citizen of Mitchell county to make payment of his annual tax account, maintains that distinction. He was waiting at office of the tax collector when the place was opened for business on date when collection of taxes became in vogue.

"I was a bit worried this time," Goss told The Record later. "The day before I received a tip that a citizen living out from Colorado a few miles planned getting in ahead of me, but I beat him out and have receipts No. One."

Goss not only paid his city, county, school and State taxes at Colorado before any other citizen, but he was the first property owner to pay school tax for the current year in the Loraine district.

HE IS A BUSY BUG!

The cold germ is a constant threat to your health during winter because leading doctors tell us that fifty per cent of all disabling diseases start with a "common cold." And the invisible but dangerous cold germ finds one of his best opportunities in homes where occupants are most liable to sudden changes of temperature. Therefore, it is a wise precaution to avoid the possibility of sudden changes of temperature in your home this coming winter by providing a constant circulation of pure-warm air throughout the house.

Cotton Certificate Pool Checks Being Delivered Payees

665 Checks Totaling \$4,718 Received By Baskin During The Present Week

The county agent's office recently received 665 checks in the aggregate amount of \$4,718.77, as final payment on the 1934 and 1935 bank-head certificates placed in the National pool.

Notices have been mailed on these checks, Ben J. Baskin, agent, states, and distribution is being made. All farmers receiving notice of their participation in the pool are urged to call at the agent's office without delay.

Feed Agency Hopes To Supply Requests In Drouth Districts

Mitchell Farmers Having A Surplus For Sale Should Register, Baskin Staes

More than 250,000 car lots of surplus hay and other roughages have been listed to date with the Federal Livestock Feed Agency, according to E. J. Baskin, county agricultural agent. This is in excess of the 1934 figures which show the greatest listings for any one month to be 162,000 car lots.

The Livestock Feed Agency reports that 27,000 of these car loads came from Texas.

The agency points out that the winter livestock feeding program will soon get under way in most sections of the drouth area. An effort is being made to keep the listings of roughages up to date so that inquiries for feed may be taken care of as rapidly as possible.

Mitchell county farmers having surplus feed which they want to dispose of in this way are requested to immediately advise the Livestock Agency at 755 Livestock Exchange Building, Kansas City, Missouri.

Ridding Fall Grain Of Smut Infection Outlined By Agent

Baskin Gives Pointers Upon This Problem; Control Will Mean Profit, He States

Ben J. Baskin, county farm agent, Tuesday issued the following statement relative to smut in small grain:

"Farmers attention is called to the fact that all small grain should be treated before planting to prevent damage from smut at harvest time. Oats, wheat and barley may be treated to lessen such damage, but certain precautions should be observed in the use of chemicals in treating the seed.

"Copper Carbonate (testing 52% copper) is recommended as a dust for treating wheat. Two ounces of copper carbonate thoroughly mixed with seed wheat will control smut damage, and will also tend to increase germination of such seed wheat. Such seed wheat may also be stored indefinitely and no loss will be experienced from rust and insect damage. Caution must be practiced by the farmer in using copper carbonate as a dust however due to the fact that copper carbonate is poisonous and very irritating to the mucous membrane of the nose and throat.

"Smut in oats may be controlled by treating seed oats with Formaldehyde. One pint of Formaldehyde to 10 gallons of water will treat 40 bushels of seed oats. The best method of treating seed oats with formaldehyde is to spread the seed oats on a floor, sprinkle with the solution, cut back and forth three or four times, sack the seed and leave over night. Seed drills and sacks holding treated seed should also be treated with the formaldehyde solution.

"Smut in barley may be treated with the same solution as oats."

SHERIFF'S SALE

THE STATE OF TEXAS
COUNTY OF MITCHELL

NOTICE IS HEREBY GIVEN That by virtue of a certain Order of sale issued out of the Honorable District Court in and for the County of Mitchell, Texas, on the 1st day of October, 1936, by Belle Wellborn, Clerk of said Court for the sum of Eight Hundred Fifty and 00/100 (\$850.00) Dollars and costs of said order a Judgment, in favor of Ablette Building & Loan Association, a corporation in a certain cause in said Court, No. 1922-11 and styled Ablette Building & Loan Association, a corporation vs. W. The astonishing story of GULFPRIDE

THE WORLD'S FINEST MOTOR OIL

THE results you get from GULFPRIDE OIL can be obtained from no other motor oil in the world! For only GULFPRIDE is made from choice Pennsylvania crude . . . refined to equal the best motor oils on the market . . . and then further refined by Gulf's exclusive Alchlor process.

This process was developed by Gulf after 15 years of scientific research—the kind of painstaking research that is behind every Gulf product.

Read the facts below. Then replace your summer-worn oil with GULFPRIDE now. At all Gulf dealers.

(Left) BEATING THE BEST. No other process refines oil so thoroughly as Gulf's Alchlor process. When a blend of 6 of the finest Pennsylvania motor oils—already highly refined—was put through this process, 20% waste came out. Proof that the Alchlor process makes GULFPRIDE finer than the finest other Pennsylvania oils.

A GULFPRIDE USER drove from Bennington, Vt. to Portland, Ore., averaging 400 miles a day. He did not add a single drop of oil. An unusual record, yes. But expect GULFPRIDE to take you farther before you need a quart than any other oil you ever used.

EASTERN AIR LINES' Great Silver Fleet uses GULFPRIDE only in every one of its 21 mighty planes. No other oil will do, because no other oil can match GULFPRIDE—the world's finest motor oil—for safety, stamina, and low cost per mile!

SEVENTH GRADE HEARS TALK ON NEWSPAPERS

Mrs. Barrett, reporter for the Colorado Record, gave a talk to the seventh grade Language Arts classes last Friday afternoon. She discussed newspapers, the work of reporters, proof reading, and the machinery used in printing a newspaper.

This talk was very helpful to the pupils because it answered so many questions that had been brought up in the Language Arts class. After reading "Uncle Fred's" story about Mrs. Barrett's work at the office, the pupils decided that reporters didn't

TUESDAY ASSEMBLY PROGRAM

In assembly Tuesday afternoon Miss Rilla Payne demonstrated the teaching of typing to children. Alfred Rhode, Margaret Moore, and Lucene Shaw were the beginners who took part in the demonstration lesson. Ralph Mann, Dorothy Womack, and Mildred Winn were the advanced typists.

FIRE PREVENTION WEEK

The Junior High classes are observing Fire Prevention Week. All of the pupils are writing themes, reports, or making posters. Next week the best theme will be printed.

EDITORIAL

The courteous thing to do is to be quiet and still in assembly. We practice this in our classes. If a pupil is making a talk, his classmates are quiet and attentive. When all of the classes come together for assembly, it is still more important that we try to be courteous. We should give the speaker all of our attention and not look around the room.

If one pupil makes a noise, that disturbs all of those around him. Let us be courteous to our classmates and the speaker in our next assembly.

HERE FROM GARDEN CITY

Mr. and Mrs. George Rinear, who have been in Garden City for the past several weeks while Mr. Rinear drills a well in which he and R. J. Wallace are interested, were here for a few hours last Thursday. They expect to return to their home here in about two weeks.

BOTTLE TOSSED THRU WINDSHIELD OF TOURIST

Mr. and Mrs. M. Healer of Ranger were given treatment at a Sweetwater hospital Sunday night for injuries received when an empty bottle was hurled through windshield of their car by party in a passing machine. Broken glass sprayed their faces and eyes. Officials were investigating the affair. The bottle was believed to have been an empty liquor container.

Miss Laura Pearson plans to return to her teaching duties in the Cross High school next week after being confined to her parents' home here for the past two weeks by illness.

Lady Took Cardui When Weak, Nervous

"I can't say enough for Cardui. I talked all day," enthusiastically writes Mrs. L. H. Caldwell, of Statesville, N. C. "I have used Cardui at intervals for twenty-five years," she adds. "My trouble in the beginning was weakness and nervousness. I read of Cardui in a newspaper and decided right then to try it. It seemed before I had taken half a bottle of Cardui I was stronger and was soon up and around."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.
