

## CITY NATIONAL BANK STOCKHOLDERS SELECT THOMPSON PRESIDENT

Annual Session Featured By The Resignation of T. W. Stoneroad; D. H. Snyder Is New Director

Election of C. C. Thompson as president to succeed T. W. Stoneroad, Jr., resigned, featured the annual stockholders' meeting of the City National bank Tuesday morning.

Stoneroad's resignation came as a surprise to all except his closest associates. He said that he was resigning to "enter another line of business, the exact nature of which I am not at liberty to disclose at present." He is to continue as a member of the board of directors and will still hold his interest in the bank's stock. He had been president since the death of C. H. Lasky in June, 1932, and served as active vice-president for 21 years prior to that time.

Thompson, long identified with financial enterprises in Mitchell county, will continue his other duties, among them that of being secretary-treasurer of the Colorado National Farm Loan association. Directors elected Joe Smoot as active vice-president and executive officer of the bank. He has been vice-president for a number of years.

Stockholders elected D. H. Snyder, Sr., as a new member of the board of directors. Other members, all re-elected, are C. M. Adams, Stoneroad, Smoot, and Thompson.

All bank officers with the exception of the president were re-elected. George Slaton is vice-president. J. C. Pritchett, cashier, H. E. Granland and Charles Moecker assistant cashiers.

## NEW PRESIDENT

C. C. Thompson, who was elected Tuesday morning as president of the City National bank, succeeding T. W. Stoneroad, resigned.

## CC LUNCHEON CLUB DISCUSSES MEANS OF BOOSTING ATTENDANCE

Ways and means of increasing interest and boosting attendance were discussed at the regular meeting of the Colorado chamber of commerce luncheon club at the Colorado hotel Tuesday.

As an incentive to better attendance at the next luncheon meeting, it was promised that three prizes contributed respectively by J. Ralph Lee, "Doc" Wimberley, and Truett Barber will be drawn for during the meeting.

Truett Barber, president of the Colorado chamber of commerce, presided at the Tuesday meeting in the absence of "Doc" Wimberley. The program of work for the coming year was discussed.

Walter Wilson of Big Spring, a former member, was a visitor. Joe Earnest and J. V. Glover were present as new members.

## ARCHDEACON HEYES CONDUCTS MISSION

Archdeacon J. W. Heyes, minister of All Saints' Episcopal church, returned home Monday night after conducting a teaching mission at Coleman last week and after holding services at various points Sunday.

He was at the Sweetwater church Sunday morning, and at Albany Sunday night. Mrs. Heyes and Lou joined him for a visit in the Webb home at Albany Sunday night and Monday.

## CITY CLEAN-UP NETS 140 LOADS OF TRASH

One hundred and forty loads of trash had been hauled out of Colorado alleys as the city-wide clean-up campaign ended last week, according to Mayor J. A. Sadler.

The campaign was begun the Monday after Christmas, two trucks and twelve men working each sunshine day thereafter until the town was covered.

## Gala Day For C. A. Jordan As His 90th Birthday Marked By Childrens' Reunion

A gala day in the life of C. A. Jordan of Colorado was his 90th birthday last Friday, the day being marked with a gathering of his seven living children at the L. E. Jordan home here.

For the past 10 years Mr. Jordan has made his home in Colorado with Mr. and Mrs. L. E. Jordan, but for 28 years prior to that time he lived in Nolan county, which makes him a West Texas pioneer.

Mr. Jordan was born in Bradley county, Arkansas, on Jan. 7, 1848, and was reared there. One of the disappointments of his younger years was the fact that the Civil war ended just as he had his "clothes ready to go." He lost two brothers in the war, one being killed at Shiloh and one dying of measles at Corinth.

One of his most vivid memories of the war days is of the time that Southern soldiers marched 1,300 Yankee prisoners by his home. The prisoners were being taken to prison camps and stockades in Texas. They had been captured in a battle near Little Rock, Arkansas.

## RATLIFF COMPLETES APPOINTMENTS FOR BIRTHDAY AFFAIRS

Bridge And Forty-Two Will Be Arranged At Hotel, To Dance At Hut

Appointments for the President's Birthday celebrations here on Jan. 29 have been completed by Harry Ratliff, local chairman.

Appointment of Mrs. R. J. Wallace as vice-chairman for the county was announced last week by Ratliff. Mrs. W. R. Oswald has been named executive secretary, Charles Moecker treasurer, and Jewel Barrett publicity chairman.

Included on the executive committee are Earl Gunn, Mrs. Pink Wade Hodge, W. W. Whipkey, Jack Helton, Mrs. C. C. Thompson, Mrs. Jim Ferguson, Floyd Quinney, and D. M. Merritt.

Tickets are to be sold at \$1 per couple, a ticket entitling its holder to either or both of the celebrations which Colorado is planning. Marvin Majors is chairman of the ticket-selling committee.

Bridge and forty-two are to be arranged at the Colorado hotel by Mrs. Thompson, Mrs. Ferguson, and Mrs. Hodge. The other entertainment will be a dance at the Legion hut. Dance arrangements will be made by Floyd Quinney, Jack Helton, and Jake Merritt. An out-of-town orchestra is to be secured.

Proceeds from the two affairs will go to the Warm Springs foundation for benefit of crippled children after local expenses are paid.

## PIPELINE TAX RULING WILL MEAN \$5,530 IN TAXES TO THIS COUNTY

Taxes of Mitchell county will be boosted \$5,530 by the recent ruling of the Texas supreme court that the intangible assets tax on pipeline is legal, according to information received at the office of Roy Warren, tax assessor-collector.

The above figures do not include states taxes collected here. Three companies, Gulf, Magnolia, and Shell, have pipelines crossing Mitchell county.

If courts force the pipeline companies to pay interest and penalties on that part of their intangible assets tax not paid during litigation, the county will receive an additional \$656, according to Jack Helton, deputy in the county tax office.

## WPA PROJECT FOR NEW DIP ACROSS CHAMPION CREEK OK'D BY COUNTY

Approval of the county for a WPA project to build a new dip across Champion creek south of Loraine was voted at the regular meeting of Mitchell county commissioners' court Monday.

The proposed dip would cost about \$3,300.00. It lies in Precinct 4. WPA approval of the county-sanctioned project is yet to be secured.

## 'NEW' RECORD MAKES ITS BOW THIS WEEK

A "new" Record makes its bow to the reading public of Colorado and Mitchell county this week.

Everything's new—the body type, the headline type, the advertising type, the make-up style.

All these changes were made possible by the installation of a new typesetting machine of the finest and latest model and the addition of a new style of body type.

The body type is one of the linotype company's new legibility groups—7½ point Ionic, if that means anything to you. The head letter is the new face Erbar.

Equipped to handle various phases of work, the new typesetting machine is known as the "Blue Streak."

Publishers of The Record hope that this improved type will make it more than ever a newspaper that Coloradans and Mitchell countians will read and enjoy.

## FORMER COLORADO WOMEN KILLED IN CRASH AT ODESSA

Mrs. Leonard Hargrove and Mrs. Lum Sellers Crossing Victims

Two former Colorado women, Mrs. Leonard Hargrove, 24, and Mrs. Lum Sellers, 32, were instantly killed when the car in which they were riding was struck by a freight train at a railroad crossing in Odessa Wednesday evening about 7 o'clock.

Mrs. Hargrove was driving the automobile. The two women were going home from the laundry where they were employed. The train carried their car about 30 yards down the track, witnesses said, throwing the bodies from the machine and mangling them badly.

Before her marriage Mrs. Hargrove was Thelma Blackerby, daughter of Mr. and Mrs. J. D. Blackerby of Colorado. Mr. Blackerby is employed at the Lambeth gin. Mrs. Hargrove worked at the Colorado Steam laundry before her marriage and again last summer before moving to Odessa. She is survived by her husband and a 7-year-old son.

Mrs. Sellers is the daughter of Mrs. G. P. Reeder, who lives on Oak street north of the Colorado Steam laundry. She also formerly worked at the laundry here. Mr. Sellers was employed as a carpenter here before going to work in Odessa a few months ago. Mrs. Sellers is survived by her husband and five children.

Plans Thursday noon were to bring both bodies here for burial some time Friday. Kiker & Son are to be in charge of arrangements.

## TERRACES AT RUDDICK PARK AMPHITHEATER TO BE EXTENDED BY CITY

Extension of the terraces in Ruddick park amphitheater was authorized by the city council in regular session Monday night.

Work on the extension is to be started in February. Mayor J. A. Sadler says. The terraces will be built southward where benches were placed last summer. The planned extensions will increase the seating capacity of the amphitheater by about 50%.

## MOORE CHILD HURT WHEN HIT BY CAR

Minor injuries were sustained by Thurmond Udell Moore, about 10, son of Mr. and Mrs. Udell Moore, when he was struck by a car on the East Hill late Tuesday afternoon.

Thurmond was going from his home near the Hutchinson school to visit a friend in East Colorado when the accident occurred. The car which struck him was driven by an El Paso group en route to Abilene. They stopped and rendered aid, spending the night here and then returning to El Paso without continuing their trip to Abilene. Thurmond sustained a facial cut and a leg wound, but is expected to be back in school by Monday.

## LOCAL EPISCOPALIANS PLANNING TO ATTEND DISTRICT GATHERING

Members of All Saints' Are Slated For Active Part At District Conclave

Members of All Saints' Episcopal church are making plans to be well-represented at the twenty-eighth annual convocation of the North Texas Missionary district of the Protestant Episcopal church opening Sunday in Abilene and continuing through Tuesday.

Among those planning to attend are Archdeacon J. W. Heyes, rector of All Saints' and the Episcopal churches at Albany, Coleman, Sweetwater, Stamford, and other places in this district, and his wife and daughter, Lou.

Thos. R. Smith, local attorney, will attend the meeting as a member of the council of advice for the district. Smith will also report to the convocation as district lay delegate to the general convocation in Cincinnati in October.

Church delegate from All Saints' to the convocation will be Joe Earnest. Mrs. R. D. Buchanan and Mrs. Frank Lupton are accredited delegates from the woman's auxiliary, with Mrs. Ledger Smith, Mrs. Lois Prude Bennett, and Mrs. Heyes as alternates.

## ROSE BUSH TOTAL AT CC OFFICE NEAR 700

Nearly 700 rose bushes have been bought for home-owners of Colorado and vicinity through the Colorado chamber of commerce this year, according to Carl A. Blasig, manager.

Another order for the bushes is being off this week, Blasig says, there being about 300 bushes in this order. The bushes should be on hand early next week.

In addition to the 700 rose bushes the chamber office has about 100 trees and shrubs with which Coloradans are beautifying their premises.

## NEW BARBER AT BOYD DOZIER'S SHOP

Charles White, formerly of Cleburne, is now associated with the Boyd Dozier barber shop here.

White was formerly with the most modern shop in Cleburne. His family is to join him here as soon as he is established.

## Resignation of T. W. Stoneroad Ends 37 Years' Association With Banking Business

Resignation of T. W. Stoneroad, Jr., as president of the City National bank Tuesday morning closed one phase of a business career that has been prominently identified with banking interests of Colorado for the past 37 years.

Mr. Stoneroad came to Colorado in 1898, fresh from the University of Texas, and went to work as bookkeeper in the store of A. J. Payne, now of Slaton. Stoneroad was born in Las Vegas, New Mexico, but had lived in Sweetwater from the time he was two years old until he entered the university at the age of 17.

Starting as a bookkeeper under the late H. B. Smoot, pioneer banker of Colorado, Mr. Stoneroad began his banking career in the Colorado National bank in 1901. A few years later he was elected assistant cashier and a director of that bank.

In June, 1915, he and the late C. H. Lasky gained control of the City National bank. Lasky became president with Stoneroad as active vice-president. They retained these offices when the City National bank and the Colorado National bank merged in 1931.

On the death of Mr. Lasky in June, 1932, Mr. Stoneroad became president of the bank.

"I am resigning," Mr. Stoneroad explained "to devote my time to another line of business, the nature of which I am not at liberty just now to disclose." He later expressed his appreciation of the cooperation which he has received from citizens of Colorado and Mitchell county during his years of banking service. He is retaining his place on the board of directors and his interest in the bank stock.

## NEW DIRECTOR

D. H. Snyder, pioneer cattleman, who was added Tuesday to the board of directors of the City National bank.

## CITY TO FENCE PERMANENT SITE FOR ROUND-UP

Mayor Sadler Says Work Of Building Fence To Start Soon

Work is to start within the next few days on the erection of a fence around the permanent site which the city is donating for the Colorado City Frontier Round-Up. Mayor J. A. Sadler announced after the city council meeting Monday night.

Wire fencing will be used to enclose the 27.23-acre site lying across Lone Wolf creek just east of the Ruddick park amphitheater.

When the fence is completed the city will turn the site over to the Frontier Round-Up organization, and it will be used for the first time when the second Round-Up is held in September.

## IMPROVEMENTS BEING MADE IN FRONT PART OF PIGGLY WIGGLY

Work was begun Tuesday morning on several improvements in the front part of the Earnest building which is occupied by J. W. Randle's Piggly Wiggly store.

The balcony of the store is being torn away, and the door recess is to be built out even with the remainder of the store front. All interior wood-work is to be repainted.

## RETIRES

T. W. Stoneroad, Jr., who ended 37 years of service, when he resigned as president of City National bank.

## LOANS TOTALING OVER \$2,000,000 REPORTED AT ANNUAL NFLA MEET

Officers Reelected; Judge A. S. Mauzey Is Principal Speaker; 104 Members And 34 Visitors Attend

Loans handled through the Colorado National Farm Loan association have reached a total of approximately \$2,000,000, according to figures quoted at the 20th annual stockholders' meeting in the district courtroom Tuesday afternoon at 2 o'clock.

D. H. Snyder, Sr., president of the association, was in charge as 104 member-borrowers and 34 visitors went into the annual session. The annual report was read by C. C. Thompson, secretary-treasurer-manager. Judge A. S. Mauzey of Sweetwater, district judge, was the principal speaker.

Thompson reported that there was a total of 514 Federal Land Bank loans in the county at the close of business on December 31, 1932, these loans aggregating \$1,423,430.00. Land Bank Commissioner loans in the county number 286 and total \$452,300.00.

Directors were elected as follows: Two for three years—D. H. Snyder, Sr., and P. K. Mackey; two for two years—U. D. Wulfin and J. R. Oglesby; one for one year—A. K. McCarty. McCarty is a new member of the board, taking the place of Allen Kuykendall, who has sold his farm and is therefore no longer eligible to serve.

D. H. Snyder, Sr. was re-elected president, Mackey vice-president, and Thompson secretary-treasurer-manager.

A program presented during the afternoon included numbers by an accordion trio composed of Mrs. Kirk Taylor of Loraine and two of her pupils, Earlene Brown and Jona Callahan, both of Loraine, and numbers by the Lone Star string band, composed of A. Bennett, "Judge" Richburg, and Allen Richburg.

Judge Mauzey's talk dealt with details of the operation of the Farm Credit administration.

## LIONS RECEIVE ONE NEW MEMBER, ELECT ANOTHER AT MEETING

One new member was received and another one elected at the luncheon of the Colorado Lions club last Friday noon.

The new member received was Dr. J. P. Johnson, who was installed by Joe Pond of Big Spring, governor of District 2-T, Lions International, and a guest at the luncheon.

The one elected was Charles Root, son of the late Dr. C. L. Root, a former member of the Lions club.

Aubrey Legge of Sweetwater, district manager of Texas Electric Service company, was a visitor.

## ROOT HOSPITAL IS TO REMAIN OPEN, MANAGER STATES

Charles Root, manager of Root hospital here, said Thursday morning that the hospital will continue to remain in operation. He pointed out that, contrary to certain rumors, the hospital has never been closed, nor has the possibility of closing ever been considered.

Root said that the staff of the hospital is open, and that any person desiring to have a surgeon or physician, from this or any surrounding town to do work in the hospital will be welcome to do so.

## CHS WOLVES WALLOP SWEETWATER 27-12; MERKEL MEET FRIDAY

The losing streak which the Colorado Wolves have seemed to run in recently was broken, at least for the time being, when they walloped Sweetwater's quintet 27-12 Tuesday night on the Sweetwater court.

The next scheduled game for the Wolves in the double round robin series for district 6-B will be with Merkel here Friday night. Merkel recently beat Sweetwater by a close score on their home court.

## MEXICAN FOUND DEAD IN PASTURE NEAR HERE ON MONDAY AFTERNOON

Apparently dead from natural causes, a Mexican laborer was found in a pasture on the Benton Templeton farm in the Conaway community about 5 o'clock Monday afternoon.

The man, Andrew Medina, 40, had been grubbing in the pasture. He was found by Benton Templeton of Colorado and his brother, J. M. Templeton of near Westbrook, H. A. Lassetter, justice of the peace at Westbrook, rendered a verdict of death from natural causes. He said the man had been dead about an hour when found.

Body of the Mexican was taken to Sterling City by a Jones & Russell ambulance Tuesday afternoon for burial on Wednesday. He leaves a wife and several children.

## JONES & RUSSELL HOST TO FARMERS ON FRIDAY

Host to some 250 farm people of Mitchell county for a free barbecue dinner and picture show last Friday was Jones, Russell & Company, assisted by representatives of the John Deere farm implement company.

The picture show, "Friendly Valley," was given in the Jones & Russell building after the barbecue had been held in the shed room at rear of building. Pictures dealing with John Deere tractors and farm implements were also shown.

## FRED H. CRAVY TAKES OVER CONOCO STATION

Fred H. Cravy, formerly of Post, has taken over the Conoco Service station on East Second street, leasing it from the Conoco company.

Cravy, who was with the Connell Chevrolet company in Post for a number of years, is a brother of Bill Cravy, Conoco agent here.

## PRESBYTERIAN MEN ARE ENTERTAINED

Men of the First Presbyterian church were entertained in the home of Mr. and Mrs. Jerold Riordan Wednesday night.

The monthly program was studied, topic being "Significant World Events of 1932."

## Bridgettes Are Entertained By Mrs. Richardson

Four tables of players were entertained by Mrs. Jake Richardson when she was hostess to the Bridgettes last Thursday at her country home.

Mrs. Dick Carter of Fort Worth made high score, Mrs. Bob Fee second high, and Mrs. Charles Wyatt low. A salad course was served to: Mesdames Austin Bush, R. D. Bridgford, Randolph McEntire, Bill Dorn, Charles Mann, Jr., Jenks Powell, Wyatt, Lester Mannering, Ed Jones, Jr., Fee, Carter, Charles Moe-ser, Truett Barber, Frank Kelley, Ford Merritt, Ace McShan, and J. D. Williams, Jr., the last-named being present only at tea time.

Mrs. M. L. Hardin of Houston is visiting her sister, Mrs. P. S. Moore of Colorado.

## DAR Meeting Has Book Shower For Buford Library

A book shower for the Buford school library was featured when the D. A. R. meeting was held with Mrs. W. M. Elliott Saturday afternoon.

In a business session held at the meeting opened, Mrs. Catherine Morgan of Sweetwater was elected delegate to the state meeting in Temple in March. It was announced that Mrs. Morgan had also been appointed as organizing regent for district three by the state regent.

Program topics were given as follows: "Historical Events Recorded on United States Postage Stamps," by Mrs. Hubert Smith; "What are Fascists and Nazis, and What is Socialism?" by Mrs. Fred Lyon of Lorraine; "Colonial Preaching Days," by Mrs. R. B. Terrell.

Mrs. J. D. Sandefer of Abilene, a first vice-regent of the state organization, was a guest. At the social hour tea was served from a lace-covered table centered with holiday flowers flanked by red candles in silver holders. Tea guests were Miss Caroline Chambers, Mrs. H. B. Broadhus, Mrs. R. H. Looney, and Mrs. J. E. McCleary.

Mrs. R. B. McEntire, Sr., returned home late last week after two weeks in Sterling City with Mrs. Fowler McEntire.

## Ship Theme Used In Shower Honoring Mrs. Lewis Rhodes At Price Home Friday Night

Carrying out a "when my ship comes in" motif, Mrs. J. H. Greene of Big Spring and Mrs. Oscar B. Price of Colorado entertained with a shower for Mrs. Lewis Rhodes of Colorado at the Price home here Friday evening.

Guests were met at the door of the ivy-decorated living room by Mrs. Price and Mrs. Greene. The receiving line included Mrs. L. R. Pond, mother of the honoree; Mrs. Rhodes; and Mrs. I. J. Pierce, sister of Mrs. Rhodes. Mrs. Benton Templeton played piano numbers as guests assembled.

Wraps were taken by Mrs. Henry Pond and Mrs. Hope Herrington. Miss Lois Pond presided at the registry. Mrs. Bert Robinson and Mrs. M. J. Dawson conducted guests into the dining room, where punch, cookies, and mints were served by Nancy and Mary Price and Sara Pond.

Silver and blue were featured in the dining table arrangement. The table was covered with white lace over blue and centered with a circular reflector on which two slender silver ships "sailed." Clusters of blue grapes and leaves alternated with silver clusters and leaves around the mirror, while from the chandelier above it hung a shower of blue and silver wedding bells. Blue candles burned in silver holders at each of the four corners of the table.

Included on the program which preceded the opening of the gifts were a saxophone solo by Nancy Price and a vocal solo by Mrs. N. H. White, both accompanied by Mrs. Price. Mrs. Jewel Barrett then read a poem on ships coming in and at the close of the poem led the honoree to the buffet, where a large ship model was surrounded by gifts. Other gifts were carried in by members of the house party.

## Four Tables Of Bridge At E. S. McCord Home

Entertaining Tuesday afternoon, Mrs. E. S. McCord was hostess to four tables of bridge at her home.

High score prize went to Mrs. Ledger Smith, low to Mrs. J. W. Randle. A salad course was served to the following:

Mesdames Smith, Randle, Harry Ratliff, A. R. Norred, A. C. Anderson, J. M. Doss, Will Doss, Jr., Earl Cramer, James Herrington, Vivian Shropshire, C. C. Thompson, Joe Mills, B. J. Baskin, R. J. Wallace, Bun Pritchett, and Ace McShan.

## Mrs. Ellwood Honors Her Visiting Mother

To compliment her mother, Mrs. Wm. Riach of Evanston, Ill., Mrs. I. L. Ellwood entertained two tables of guests at her Renderbrook ranch home Tuesday afternoon.

In bridge games Mrs. Austin Bush won high score, Mrs. Randolph McEntire second high.

Playing guests were Mesdames R. D. Bridgford, Bill Dorn, Jake Richardson, Raymond Gary, Jenks Powell, Bush, McEntire, and Riach. Guests at the refreshment hour were Mrs. Otto Jones, Frances Jones, and Mrs. E. P. Ellwood.

Mrs. Riach is leaving Friday to return home after spending the holidays on the ranch.

## Study Course Begun By Methodist Women

Beginning their study course on "Out of Aldersgate," 42 women of the First Methodist Missionary society gathered in the Sunday school rooms at the church Monday afternoon with Mrs. C. C. Thompson, study superintendent, in charge.

The first chapter, "Youth and Early Influences of Wesley," was outlined by Mrs. J. G. Merritt. The second, "Making of a Prophet," was discussed by Mrs. C. E. Jameson. "Birth of Methodism" was the topic of Mrs. Hubert Smith.

At a meeting held after the study course the Arnett-Wulfjen circle elected Mrs. F. C. Shillingburg as chairman in the place of Mrs. J. L. Pidgeon, who has resigned.

## Combined Meeting For Presbyterian Women

The inspirational and business meetings of the Presbyterian auxiliary were combined in a meeting Monday afternoon at the home of Mrs. P. C. Coleman.

Leader of the foreign mission program was Mrs. Lee Carter, who assigned topics to Mrs. L. M. Guest, Mrs. Arlie Taylor, Mrs. R. D. Coles, Mrs. John Brown, Miss Nelle Riordan, Mrs. W. M. Elliott, Mrs. Moore, and Mrs. B. T. Daugherty.

Mrs. R. P. Rose read a letter from Miss Janey McCaughey of Atlanta, Ga., president of women's work in the south.

## CC DIRECTORS GIVE ATTENTION TO VARIED MATTERS OF BUSINESS

Need Of \$5,000 Budget Reported By Manager Carl Blasig

Turning their attention to a variety of business matters, directors of the Colorado chamber of commerce met in regular session Tuesday evening at the chamber office. Consideration of a \$5,000 budget asked by Manager Carl A. Blasig was one of the most important items of the evening. Blasig told the directors that a \$5,000 budget will be required to efficiently carry on the chamber's 1938 work, including the 14-point program adopted at the annual banquet in November.

Raising such a budget will necessitate an increase of approximately \$500 over the present income, Blasig said. Directors expressed the belief that this increase can be effected. Blasig was authorized by the directors to take a committee to the soil erosion and water conservation meeting scheduled in Big Spring Jan. 25 for this portion of the Colorado river watershed. Truett Barber, president of the chamber was authorized to appoint a committee to investigate legislative matters of special interest to Colorado and Mitchell county and report on such matters to the board of directors.

It was voted to continue giving office space to as many governmental agencies as are of benefit to the local citizenship. The chamber of commerce office is already used, it was pointed out, by representatives of the Farm Credit Administration, the Texas State Reemployment Service, the collector of internal revenue (including social service payments), and the district manager of the social security board.

Cleopatra was the regular name of the queens of Egypt in the Ptolemaic dynasty.

## HD COUNCIL MEETS WITH NEW CHAIRMAN NAMING COMMITTEES

By Mrs. Jahew Jamison, Acting Rep. With the new chairman, Mrs. J. C. Franklin in charge and naming her committees, the county home demonstration council held its first 1938 meeting in the county courtroom Saturday afternoon at 2 o'clock.

Mrs. Franklin's committee appointments were as follows: Exhibits—President of the Fair-view club (yet to be elected); Gladys Merket and Mrs. Otto Shuster; Finance—Mrs. Chester Berry, Mrs. J. C. Sheppard, and Mrs. Earl Chitty; Yearbook—Roselle McKenney, Mrs. Ed Roach, Mrs. Allen Jameson; Education—Mrs. Frank Andrews, Mrs. Claude Willis, Mrs. B. D. Moore, Mrs. A. E. Lowery, Mrs. J. A. Merket, and Mrs. C. M. Dalton; Recreation—Mrs. Jahew Jameson, chairman, with all recreation chairmen as members; Expansion—Mrs. Tom Daughtrey, chairman. The women voted to pay \$10 on their year books. Each club took pan holders to sell. Standing rules for 1938 were read and amended.

## LOCAL METHODISTS TO OBSERVE McMURRY DAY ON FEBRUARY THE 6TH

Although a number of Methodist churches over the Northwest Texas Methodist conference observed McMurry day Sunday, local Methodists will have their McMurry day on the evening of Sunday, Feb. 6, it has been announced.

The pastor, the Rev. C. E. Jameson, will have returned from General Council at Savannah, Ga., by that time. Dr. Thos. W. Brabham, president of McMurry, is slated to be the principal speaker at the service, which will also include several numbers by the McMurry mixed chorus of 35 voices.

## FOUR CONSERVATION HEARINGS SCHEDULED

Hearings on soil and water conservation on the Colorado river watershed have been scheduled at San Angelo, Big Spring, Brady and Austin by the soil conservation service, department of agriculture.

The hearings will be held in connection with the preparation of a report on a preliminary examination of the river and will cover the entire upper portion of the watershed, according to Louis P. Merrill of Fort Worth, regional conservator.

The hearing at San Angelo will be held January 26, beginning at 10 a.m. in the courthouse. Included in this hearing will be Taylor, Coke, Concho, Crockett, Irion, Nolan, Reagan, Runtless, Schleicher, Sterling, Sutton, Tom Green and Upton counties.

The Big Spring meeting will be held January 25 for citizens of Midland, Glasscock, Upton, Martin, Howard, Mitchell, Borden and Scurry counties.

The question of run-off and water-flow retardation and soil erosion prevention will be considered. Merrill said that oral statements would be heard, but for accuracy of record important facts and arguments should be submitted in writing. All written briefs must be submitted in quintuplicate.

FIFTEEN HOLIDAYS ARE CARDED FOR THE YEAR

AUSTIN.—To those who bemoan the end of the holiday period and return to work and school, 1938 is not as gloomy as it might appear at first glance.

Statute books list 15 legal holidays, some of them peculiar to Texas, which will vary in observance from a shut-down of all save necessary commercial activity and closing of schools to more or less casual speech making.

In addition, the new year holds three election days, July 23 and Aug. 27 for the Democratic primary and run-off primary, and Nov. 8 for the general election. These bring a holiday to state workers and banks.

Here are 1938's red letter days in Texas:

- Jan. 1—New Year's.
Jan. 19—Robert E. Lee's birthday.
Feb. 22—Washington's birthday.
March 2—Texas Independence Day. (Texas only).
April 21—San Jacinto Day. (Texas only).
June 1—Jefferson Davis' birthday.
July 4—Independence day.
Aug. 12—Texas Pioneer's day. (Texas only).
Sept. 5—Labor day.
Oct. 11—General Pulaski day. (Honoring the Polish militarist who aided the American Revolutionary army).
Oct. 12—Columbus day.
Nov. 3—Stephen F. Austin day. (Texas only).
Nov. 11—Armistice day.
Nov. 24—Thanksgiving.
Dec. 25—Christmas.

NAMES OF CRIPPLED OR BLIND DEPENDENTS WANTED THIS MONTH

Names of any blind dependent persons over 21 or any crippled dependent persons over 18 in Mitchell county are being sought by the Mitchell county welfare office.

Anyone knowing the names of any such persons should contact Mrs. Bonnie Burt of the welfare office by Wednesday, Jan. 26. These names are being sought so that dependent and needy persons who are blind or crippled and within the specified age limits may receive social security benefits.

Winner in Paralysis Fight Is Buyer of First Ticket to Ball

Doris Harrell, restored to normalcy from an infantile paralysis attack, which left her apparently a hopeless cripple ten years ago, started the campaign for the President's Birthday Celebration in Texas this week by buying the first ticket in Chairman Jesse H. Jones' State organization from George Waverley Briggs, vice chairman. Miss Harrell, freshman at Denton's Texas College for Women, now plays tennis, rides horseback, shoots a rifle, and plays the piano. "I wish the new foundation to fight infantile paralysis every success," Doris Harrell says, "I know that without the skilled treatment given to me without cost I would still be unable to walk or use my right arm." President's Birthday celebrations will be held in every county and city in Texas January 29.

Washington And Your Business

Guesses on what Congress will do in the regular session are quoted at a dime a dozen and no sales. Too many unpredictable factors are involved. If the people "back home" take pen in hand, as they did during the fight against the Supreme Court bill, anything may happen. But here is a guess that might be watched because of the identity of the guesser: Congress will spend a good part of its time in amending some of the legislation it enacted while the pass-word was "whoops." It will do a lot of stalling. Those opposed to the more radical measures will stall rather than come out where they can be shot at. Radical members will stall rather than openly oppose some of the measures proposed to aid business in the hope that there will be a business revival and the aid will not be needed.

There will be no enthusiastic rush toward economy, he says. But Congress has been frightened by the business recession. Back home things are going "boom" at night. The prophet quoted is a senator who was recently classified as "a coat tail sitter." His aim in life is to be reelected to the Senate when the time comes and he says so to his intimates. He has supported all of the important measures of the New Deal: "My people wanted them."

What he would like to do is to vote a lot more spending money to his state and at the same time lower taxes so that business can get under way again.

He can hear a popular trend farther than a coon dog on a clear night. Half a dozen leaders of finance and industry have recently urged business men to take a more active interest in government. The idea probably antedates King Ahasuerus. But an expert of the U. S. Tariff Commission has given it a practical twist:

We are trying to work out reciprocal trade agreements with other nations. The last thing we want to do is to injure American business. If we—meaning the Commission's experts—are wrong in our figures we are the immediate losers, for if we are incompetent we would lose our jobs. Do we get any help from business?

He answered himself with a qualified negative. "Business would like to help, but it doesn't seem to know how."

If an interested industry—and every industry is interested—would send two men to meet with the Commission's experts instead of a committee, complete with lawyers and bell-ringers, the industry would fare better, he said.

The two men must know their business, have the facts at their tongue's ends, talk straight, and be reasonable. It isn't necessary to hire a suite in a hotel and sit up all night in a cloud of tobacco smoke.

This is not theory, he said. It has been proven time after time. In two days the Commission's experts can get the whole truth about any industry from two men who know the business, for the experts have books full of facts at hand. About 300 men are at work for the Commission, and the other government departments are cooperating freely.

"We have nothing to do with the policy," he emphasized. "All we touch is the fact. If an industry can show us that it will be injured by a proposed agreement, that fact will be made clear to Congress when the hearings are called."

The expert bore down hard that only facts are taken over the Tariff Commission counter. When the trade agreement is all wrapped up in Cellophane and sent to Congress something else happens:

If I were the head of an industry, I would then pick out a 200-pound lawyer who is accustomed to wearing four-and-one-half-dollar ties and send him before the congressional committee. He should be very full of words and gestures.

Sometimes a lawyer can get away with it by doing what the movies call a dummy act. The expert said he knows one lawyer who knew nothing whatever about the industry except what a clerk had been able to tell him before the committee session began.

He frowned silently at the committee all of one day, took the train back to New York, and got what the racketeers call five grand for doing it. He had not opened his mouth.

Suspicious have been voiced that the Rural Electrification Administration's plan to provide every farmer with an electric milking machine and a 40-watt lamp, even if he has neither a cow nor a book, is running into the actuaries.

"The scheme," said a senator who

has been prowling the R.E.A. premises, "would get the vote of the seraphim but is likely to drive a taxpayer mad."

He told of one southwestern cooperative which reported that it had not been able to pay anything on the debt it owed the municipality from which it buys its power: We were barely able to discharge our debt to the federal government.

Kid Ideals vs. Cold Facts will be the antagonists in the R.E.A. bout. Morris L. Cooke was the first R.E.A. Administrator. He was a critic of the Progressive limb as Senator Norris himself, but he is also a competent engineer. When he refused to spend government money to extend lines to remote communities which could never pay the cost he lost his job. R.E.A. Chief Carmody, who succeeded Cooke, has operated on the theory that the money is in hand to be spent over the widest area possible. Some of the R.E.A. co-ops built such faulty lines that they have interfered with farm telephone service and nowadays a telephone is to a farm what gas is to a motor. The telephone using farmers have won decisions against the co-ops in several states. Recently Carmody refused a \$330,000 loan to a co-op because the municipal plant at Brady City, Texas, has doubled its rates. Brady City says it cannot afford to sell current at the halibut prices.

Collectors of legal curios are invited to inspect the whale-oil situation. To protect an American industry a tariff was put on whale oil which, if paid, would make it rank in price with a good Burgundy. The protected American industry is regretfully informed, however, that no tariff is being paid. Norwegians do all whaling that is done. Americans will not touch an industry filled with grease and stench. Their vessels are at least ostensibly owned by Americans. They fly the American flag. They are met off the American coast by American tankers, flying the American flag, which bring them fuel oil and take off their whale oil. As the tankers have not touched anything but an American bottom or visited anything but an American port the oil is an American product and not to be taxed. No one has figured out a way to do anything about it. A man who knows as much about conditions in Brazil as any man in this country said: We tried to control coffee. We failed. Now we have a "corporative state" because we have such a sour taste in our mouths. You are trying to control crops. You will learn your lesson too. —By Herbert Corey in "Nation's Business."

## BIRTHS AND DEATHS SHOULD BE REPORTED WHY!

1. BECAUSE they are the TWO SUPREME EVENTS in the history of every human being.

2. BECAUSE Texas needs these records. She wants to keep, for ages to come, a record of each of her children, just as you keep your own family records in your old family Bible.

3. BECAUSE your Federal Government needs these records. Your own Uncle Sam wants the facts and figures that are recorded on these birth and death certificates to complete his own records of his children's health and welfare.

4. BECAUSE your baby has as much right to registration papers as your neighbor's Jersey calf, hog, or horse. Your baby's birth certificate is the first and most essential of its CITIZENSHIP PAPERS and will be of inestimable value all through its future life.

5. BECAUSE these records are PERMANENT. Even the record on your granite tombstone will weather out, but in the archives of your State Capitol your children's children will find your record for hundreds of years to come.

6. BECAUSE these birth and death certificates—these so-called "Vital Statistics"—are the "BOOKKEEPING RECORDS OF HUMANITY," and just as the bookkeeping department of a bank determines its dividends in dollars and cents, so the bookkeeping department of public health determines the dividends to humanity in better health and longer life.

7. BECAUSE the facts and figures recorded on these birth and death certificates form the very FOUNDATION of all intelligent public health work. Without them public health workers would still be groping in the dark, and the great advance that has in recent years been made by medical science in safeguarding health and prolonging life would not otherwise have been possible.

## Unusual Accident Results In Serious Burns To Mrs. J. D. Williams, Sr., At Home Here

Although she is still in a serious condition from burns over a large area of her body, Mrs. J. D. Williams, Sr., was given a "still improving" report from Root hospital Thursday morning.

Found unconscious in a room of her home on Walnut street last Friday about 12:30 with her clothing ablaze, Mrs. Williams, 58, was able to talk with members of her family about the accident for the first time Wednesday. What she can remember, however, throws little light on what really happened.

Mrs. Williams told her family that she last recalled being conscious about 9 or 10 o'clock Friday morning. When she came in the bedroom after having cared for her milk she was cold, she recalled, and sat down in a chair in front of the two-burner gas plate where she had placed a tub of clothes to boil. The plate stood on the floor.

She remembers that she began turning blind and dizzy. She got up to go to the phone and call someone, then decided that it would probably wear off and went back to her chair in front of the gas plate. She remembers nothing else.

About 12:30 a neighbor, Mrs. W. E. Wirtz, went to the back door of the Williams home and called Mrs. Williams to ask about using her clothes-line. She had called once before and received no answer. The second time she phoned Mrs. Williams' husband at the veterinary hospital where he spends each day helping his son, Dr. J. D. Williams, Jr., and Mr. Williams advised her to force the door open. Mr. Williams had taken his lunch to work, and had therefore not been home since morning.

Going back to the Williams home Mrs. Wirtz found smoke seeping from around the door, and called her father-in-law, E. W. Wirtz, who happened to be visiting in the Wirtz home from Sterling City. While he forced the door open Mrs. Wirtz turned in the fire alarm.

The Wirtzes found the house filled with smoke and discovered Mrs. Williams in the chair with her clothing ablaze. Mr. Wirtz received hand burns as he tore the clothing from Mrs. Williams and smothered the flames with a wet towel. An ambulance was called and Mrs. Williams was rushed to Root hospital, where her life was despaired of for a time.

Mr. Williams, husband of the injured woman, said Thursday morning that the tub of clothes had boiled dry on the gas plate and that several sheets in the tub were burned to a crisp. A hole had been burned through a plank which he had placed beneath the gas plate and then through the floor of the room. The intense heat from the dry tub had apparently melted the rubber hose from the stove connection and the gas there had blazed up, catching fire to Mrs. Williams' clothes. She could not have been burning many minutes when found, witnesses said.

All the Williams children were at Mrs. Williams' bedside during the week-end. Doyle Williams, formerly of Colorado, and his family came from Denison, Mrs. Jack Lampkin from Brownwood, Mrs. Albert Porter from Granbury, Claudia Williams

from John Tarleton at Stephenville, and Miss Bobbie Williams from Loraine, where she teaches. Dr. Williams was, of course, already here. All the children, with the exception of Mrs. Lampkin, had gone back to their homes and their work by Thursday, since Mrs. Williams' recovery, if she recovers, will be a long-drawn-out process.

Mr. Williams expressed the belief Thursday morning that Mrs. Williams had not suffered a stroke, as was at first thought. Mr. and Mrs. Williams moved here last spring from Granbury and bought the Bupa Pritchett place.

## HUNTER BRANNON IS MEMBER COWBOY BAND

Name of Hunter Brannon appears in the completed personnel of the Hardin-Simmons Cowboy band as released from Abilene recently. Brannon plays alto sax in the band.

The band, now in its fifteenth year, is widely traveled, covering almost 300,000 miles the past decade, during which it has toured Europe, played for royalty, and has been in demand for conventions, inaugurations, concerts and expositions.

The Cowboy Band was the official band for the Pan-American Exposition at Dallas, in 1936 and 1937, and is the designated band of the Confederacy. It has been featured at Madison Square Garden, New York's Ziegfeld Theatre, and the London Palladium.

Will Rogers was one of its admirers, was a generous contributor of funds for the H-SU band's musical library, and was made an honorary member. To honor him as a friend the band returned from an engagement in the Republic of Mexico to play at the dedication of the Will Rogers Memorial Shrine, at Colorado Springs, Colo., this fall.

## SCHOOLS BEING INVITED TO ATTEND PUPPET SHOW

Through cooperation of Roy Davis Coles, county superintendent, all schools of Mitchell county are being sent invitations to attend one of the four showings of the famous dental health puppet show in Mitchell county on Jan. 31.

The show, sponsored by the state department of health in cooperation with Dr. R. D. Bridgford and other Colorado dentists, is to be staged twice in Colorado schools, once each in Westbrook, Loraine, and Buford schools on the above-named date.

Times for the showings will be announced later. Dr. Bridgford says. Rural schools are being urged to send their pupils to the showing nearest them.

## WOMEN IN THE STUDY CLUBS

### Officers Elected

Officers who will serve during the 1938-39 club term beginning next October were elected at the first meetings of Colorado's four federated study clubs Friday afternoon.

### Hesperian

With their main officers reelected for another year, the Hesperians had time for a comical "take-off" on the "proper" way to hold a club meeting when they met Friday at the home of Mrs. Farris Bass.

In the "take-off" Mrs. S. H. Mill- wee read a paper on "Do's and Don'ts of Being a Mother-in-law," and Mrs. Nat Thomas also read a paper. Both papers were comedy satire. Mrs. Jimmy Payne, the club's newest member, was credited with catching the most "mistakes" and received a stick of candy wrapped in newspaper and tied with twine.

The club voted to cooperate with the move of Mrs. J. E. McCleary, librarian, to have book reviews for benefit of the library.

Officers for this club during the coming year will be: President, Mrs. J. W. Randle; first vice-president,

### Zetagalhian

Heading the Zetagalhian club next year will be Mrs. Jack Cox, whose election took place when the club met at the home of Mrs. Dudley Snyder.

Working with Mrs. Cox will be the following: Vice-president, Mrs. Charles Wyatt; recording secretary, Mrs. Truett Barber; corresponding secretary, Mrs. D. W. Haralson; treasurer, Mrs. Snyder; parliamentarian, Mrs. Wylie Kinard; critic, Mrs. Thompson; historian and librarian, Mrs. Sherrod Smith.

The club will continue to have reviews of current books and plays as its study course next year. A salad course was served with coffee. The next meeting will be with Mrs. Mary Lee Brown.

### Self Culture

Work of the Self Culture club next year will be guided by Mrs. John T. Howell as president. She and other officers were elected at a meeting with Mrs. Roy Dozier, Mrs. H. G. Whitmore, parliamentarian, presided during the election.

Other officers elected were: First vice-president, Mrs. Roy Dozier; second vice-president, Mrs. Henry Pond; recording secretary, Mrs. C. B. Shell; corresponding secretary, Mrs. J. V. Glover; treasurer, Mrs. John Brown.

Original programs submitted by each member will be continued next year, the new course to deal with a travelogue. The president will be delegate, the recording secretary alternate, to all district and state federation meetings.

At the next meeting of the club with Mrs. Lee Lavender Mrs. Dell Barber's prize-winning program on child welfare will be presented. The program won first place in its division at the state federation meeting in November.

Ossood pie and coffee were served at the meeting closed.

### 1921 Study Club

With Mrs. N. H. White as hostess and Mrs. P. K. Mackey as leader, the 1921 Study club elected the following officers:

President, Mrs. A. R. Norred; vice-president, Mrs. Harry Ratliff; recording secretary, Mrs. U. G. Hardison; corresponding secretary, Mrs. C. C. Thompson; treasurer, Mrs. J. M. Doss.

It was decided that the president and vice-president will be delegate and alternate to district and state club meetings during the year. Mrs. Ed Jones, Sr., read a paper on "Don'ts for Club Speakers" and Mrs. H. B. Broadbent conducted a parliamentary drill.

### Standard

Election of Mrs. H. L. Hutchinson, Jr., to active rather than honorary membership took place at the meeting of the Standard club with Mrs. L. W. Sandusky Friday afternoon. Mrs. Hutchinson takes the place of the late Mrs. S. N. Sherwin, a charter member of the club.

Mrs. C. M. Adams led the study of Shakespeare's "Merry Wives of Windsor," the principal paper being on "Argument of the Plot" by Mrs. R. D. Buchanan.

Refreshments were served to Mesdames Adams, R. D. Buchanan, J. A. Buchanan, Hubert Smith, R. B. Terrell, Lee Jones, L. W. Sandusky, and P. C. Coleman. The club will meet next with Mrs. Y. D. McMurry.

### Shakespeare

First hostess of the New Year to the Shakespeare club was Mrs. R. O. Pearson, and first leader was Mrs. John Arnet, substituting for Mrs. T. W. Stoneroad.

New Year greetings by telegraph were read by Mrs. Pearson from Mrs. D. H. Snyder and Mrs. J. M. Thomas in Fort Worth. Mrs. Thomas being the guest of Mrs. Snyder, a former member, there.

Guests at the refreshment hour were Miss Mabel Smith and Mrs. Raymond Johnson of Pharr. Mrs. Frank Lupton will be the next hostess.

### BACK TO FORT WORTH

Mrs. Carl Moore and children returned to their home in Fort Worth Sunday after a visit here during the holidays.

## Com. Griffith Sets The Standards For Athletics

With the football season Commissioner John L. Griffith's responsibilities are greatly increased. As Midwest Athletic Commissioner, a job he has held since 1922, it is his duty to superintend all football activities. He investigates charges of professionalism, defends sports activities in the schools, checks rumors and checks eligibility rules. It is due in considerable measure to the efforts of Commissioner Griffith that football is today the popular sport that it is and also that it is self-supporting. Major Griffith has attempted to make football a safe, sane sport and has greatly reduced the number of accidents to players.

Commissioner Griffith, ever interested in preserving good health and in setting good standards, chooses the breakfast of Great Americans, Quaker Oats. Quaker Oats, with plenty of sugar and cream, is a wonderful source of food energy and vitamin B for bracing up nerves and digestion, a fact which athletes cannot afford to overlook.

## RETURNS TO STANTON

Of interest to Colorado friends of Mr. and Mrs. J. A. Wilson and Corinne Wilson, formerly of Colorado and now of Stanton, will be the following item which appeared in last week's Stanton Reporter:

"Mrs. J. A. Wilson and daughter Corinne, returned from the Carroll-Driver-Ghirard Clinic in Dallas, New Year's Day. They will remain here for six weeks period before returning for examination. If the X-ray shows that the fractured bone is knitting no further operation will be necessary.

"The cast in which Corinne is inclosed this time is heavier than ever before; her entire body almost to the arm pits is encased, the fractured limb all covered and the other limb with a half cast. A hospital bed is being prepared to facilitate the taking care of the patient and make her more comfortable.

"According to Mrs. Wilson the step where her daughter fell and caused this last fracture while attending C. I. A., was very low and the fall a very short distance to have done all this damage."

## The Most Powerful Driving Force

—in business is individual initiative

THERE is no substitute for the ambition and determination of men to achieve success for themselves and their families. From these personal qualities spring the steadfast purposes which have for generations kept the United States far out in front in the march of progress. They have created in America the greatest industrial and commercial systems in history.

Individual initiative has been the creative force in all successful enterprises that compose these systems, whether modest local concerns or large-scale corporations.

It is the primary function of business and financial cooperation to sound, progressive business men. It is the obligation of this bank to supply this cooperation in the business life of this Community.

**GEO. OUTLAW TO BE IN RACE AGAIN FOR DISTRICT ATTORNEY**

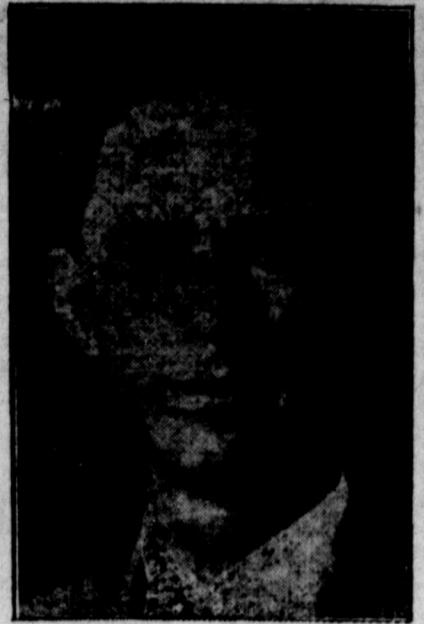

**Sweetwater Man Will Let Past Record Be Basis For Campaign**

With the simple statement that his campaign will rest "on his past record and experience" George W. Outlaw of Sweetwater this week authorized The Record to announce his candidacy for reelection to the office of district attorney for the 32nd judicial district.

"In announcing my candidacy to this office," Mr. Outlaw said, "I wish to express my appreciation for the support which my friends have given me in the past. If returned to the office I shall continue to try to handle the affairs in a fair and impartial manner. As to my qualifications, I refer you to my past record and experience in the office."

Mr. Outlaw has been identified with courts of this section for several years. He was county attorney of Nolan county before being elected district attorney.

**ASKS REELECTION**

Geo. Outlaw, Sweetwater, announces this week to succeed himself as district attorney of the 32nd judicial district.

**BRUCE HART TO BE CANDIDATE FOR TAX ASSESSOR COLLECTOR**

**Resident of Valley View To Again Seek Office He Wanted In 1934**

The candidacy of Bruce Hart, native Mitchell countian, for the office of tax assessor-collector of Mitchell county was announced Tuesday afternoon.

Hart is a resident of the Valley View section, where he was born and reared. He is the son of Mr. and Mrs. S. H. Hart, who have lived in the Valley View community for nearly 40 years.

It is Hart's belief that his experience as a bookkeeper and as a deputy assessor-collector make him qualified to fill the important county office which he seeks. "I was a candidate for this office four years ago," Hart said in making his announcement, "and I enjoyed meeting the people. I hope again this year to contact every voter in the county."

**BALLARD SEEKS TO BE DISTRICT CLERK FOR ANOTHER TERM**

**He Appreciates Favors Of Mitchell County Voters In The Past**

In announcing that he will again be a candidate for reelection to the office of district clerk, J. H. Ballard authorized The Record to publish the following statement:

"To the voters of Mitchell county, "First, I wish to thank you for past consideration. You have very kindly favored me with your votes. My appreciation is all I can make it. My motto and practice has been courtesy, service and efficiency. I have tried to remain faithful.

"Now I am asking for another term as your district clerk. I hope you will give me the same consideration as heretofore. My motto and practice will be the same, courtesy, service and efficiency.

"If possible I will see you during the campaign. But as we have two terms of the district court before the primary I will necessarily be detained at the office rather closely. For that reason I may be unable to see you in person. Whether I see you or not I will greatly appreciate your vote and influence for another term as district clerk."

**HERRINGTON WILL BE COUNTY CLERK CANDIDATE AGAIN**

**Office-Seeker Believes That Experience Important In His Job**

The following statement of his candidacy to succeed himself as county clerk was issued Wednesday by James M. Herrington:

"I deem it unnecessary for me to enumerate my life history or my standing in any capacity as I have been in the office of County Clerk for the past three years and the people of Mitchell county probably know me better than I know myself. Anyway, I would likely fall far short of any standard that I might boast of.

"However, in making this my announcement to succeed myself as County Clerk of Mitchell county I want to express to you my sincere gratitude for the confidence placed in me by the voters of this county three years ago. Realizing that I was elected by only a small margin has never seemed to alter the confidence or the kind and courteous consideration from any one of whom I have had a pleasure to serve; this, I am deeply grateful to you.

"I have no outstanding record to boast of. I believe, however, I have in a measure fulfilled to you my promise when I said that if I were elected to this office that I would give you of the best that I possessed as to honest, courteous and efficient service to the best of my ability. This I have tried my best to do.

"Since the duties of County Clerk are so numerous and technical, and since it requires some time to become familiar with the duties of this office I will add this further promise to those already cited that if I am re-elected that I will take care of the interests of the people of Mitchell county in a more efficient manner and will guard the interests placed in my hands of every person regardless of color, creed or station in life.

"I earnestly solicit your vote and influence subject to the action of the Democratic primary of July 23, 1938.

**CARTER IS CANDIDATE TO SUCCEED HIMSELF AS COUNTY ATTORNEY**

**Campaign Statement Made On Tuesday Afternoon By Coloradoan**

In announcing for the office of County Attorney again, after having served you one year, I am not un-mindful of the friendly support you gave me when I ran for the office last year, and I shall always esteem you as each my personal friend because of your loyalty while I was running for the office of county attorney, and because of the faithful support you have given me through the year 1937 and I assure you that your confidence in me as your servant in the court house has gone a long ways in helping me to carry on and do for you what my judgment told me was the right thing to do in all the matters I have handled wherein the State and the County had an interest. What success I have had as your prosecuting attorney is to be passed on by you and your judgment on same is to govern you when you cast your vote in 1938.

I have no special promises to make as to how I will attend to the duties of the office more than to say to one and all of the voters of Mitchell county that, if you are pleased with the way I have handled the office thus far and make me your county attorney for a second term, I shall endeavor to give you the best possible service without showing any special favoritism to anyone, and here and now promise you that I shall continue to do my duty fearlessly, treating all alike regardless of color, race or conditions of life.

If it be the wish of the voters of this county that I be reelected for a second term, I want to thank you in advance for this consideration.

B. N. CARTER.

**Incumbent's Candidacy For Sheriff's Office Pushed By Friends**

Names of 60 Mitchell county voters were signed to a statement submitted to The Record this week authorizing announcement of the candidacy of R. E. (Dick) Gregory to succeed himself again as sheriff of Mitchell county.

The statement to which the names were signed read:

"We the undersigned citizens and voters of Mitchell county, after due consideration do hereby earnestly solicit Sheriff Dick Gregory of Mitchell county to become a candidate to succeed himself in the office of sheriff.

"We do this because Sheriff Gregory is an excellent peace officer and he has an enviable record for keeping the peace in this county. We wish to further state that we feel that Mr. Gregory will be doing this county and its citizenship a great favor by continuing in the office of sheriff."

**Pioneer Mitchell Countian Once Again Pledges Fair Administration**

A continuation of his "fair and just" administration of past years is promised to citizens of Precinct One by the Rev. A. D. Leach in announcing his candidacy for reelection as justice of the peace in the precinct.

The Rev. Mr. Leach is widely known in Mitchell county because of his years of service as a minister all over the county. He has lived in the county for many years.

When the first candidacy of the Rev. Mr. Leach was announced four years ago he made the simple statement, "I want the office because I need it." He says that still holds true.

**CARL LOWRY IN RACE FOR HYMAN COMMISSIONER**

**Resident Of Hyman For 12 Years Candidate For The First Time**

Becoming a candidate for public office for the first time, Carl Lowry of Hyman has announced that he is seeking the office of commissioner from Precinct 3.

Mr. Lowry has been living in the Hyman section of Mitchell county for 12 years and feels that he is familiar with the people and needs of that section.

"If I am elected I promise to give my time and best efforts to the office," Mr. Lowry said in making his announcement. "I shall appreciate any consideration given my candidacy."

A lady reader of The Record came in this week to tell, she said: Thursday I lost a gold watch which I valued very highly. Immediately I inserted an ad in your lost and found column and waited. Yesterday I went home and found the watch in the pocket of another suit. IT PAYS TO ADVERTISE.

We often hear the remark, "I wonder what the New Year will bring me." Worthier thought would be "I wonder what I can bring the New Year."

In talking with Oscar Price at the bank he said, "It is my observation that most people are less concerned with the terms on which they borrow than with the terms on which they must pay back."

But few of my readers can remember the breaking up of the old Southern plantations in the South after the war. War between the States is one of the saddest chapters in the social and economic history of America. The era of the lovely old Louisiana, Mississippi, Alabama and Georgia plantation days was the Golden Age of the Southland, an age that has passed, never to return again. The few that remain today serve only to intensify the nostalgia that surrounds the idyllic life of the old days in the aristocratic south.

It was David Harum who said: "A reasonable amount of fleas is good for a dog. One of the reasons for this observation, they keep him from brooding over the fact that he is a dog." We know of some people whom a few fleas would help to keep from brooding over the kind of men they are.

The science teacher at the Colorado High school as a scientist was instructing his class and among other things said, "Dogs have memories and can do a little feeble thinking, but they cannot make plans for the future." One of the class said, "I had to differ with you as a scientist, but at the same time I don't believe dogs bury food today to dig up and eat yesterday."

Sheriff Gregory was quizzing a man who had been in an auto wreck and asked, "How did it happen?" The fellow said, "My wife fell asleep in the back seat."

A woman traveling by train was talking with the man in the next seat. In describing her holiday, she said that she had visited San Jose. You pronounce that wrong said the man. It is San Hosay. In California you should pronounce all J's as H's. When were you there? The woman thought a minute, then answered, In Hune and Huly.

**SOCIAL SECURITY QUESTION NO. 3**  
(Editor's Note: This is one of a series of questions and answers being published by this newspaper for the benefit of employers, workers and others affected by the Social Security Act.)  
QUESTION: If an employer has less than eight employees must he file any reports under the Social Security Act?  
ANSWER: All employers of one or more workers under the age of 65 in covered occupations are subject to the tax provisions of Title VIII of the Social Security Act. Their employees are required to obtain account numbers and will be entitled to federal old-age insurance. All employers of one or more are also required to make one original report to the Texas Unemployment Compensation Commission, Austin, Texas; although only those employers who employ eight or more must make monthly reports and pay taxes on wages of their employees to the Texas Unemployment Compensation Commission. Quarterly pay-roll reports are also required from each subject employer.

Employers of eight or more, in addition, are required to pay a tax under Title IX of the Act, to the Collector of Internal Revenue. Ninety per cent of this tax on employers of eight or more may be credited against the amount that such employers pay the Texas Unemployment Compensation Commission. In the case of Texas, the ninety per cent credited to employers of eight or more equals the amount of the contribution to the State Unemployment Compensation Commission.

(Further inquiries should be directed to the office of the Social Security Board, Rust Building, San Angelo, Texas.)

to start quicker

Here's right smart footwork for right smart starting in the cold: Down with your clutch pedal before you do anything else.

Now don't let up on the clutch, but pull out the choke (unless automatic) and then spin your starter, leaving ignition OFF.

Conoco Bronze always lets you do a cocksure "professional" job of starting. For that matter the way Conoco Bronze is specially winter-blended you could purposely give it the worst handling in the worst cold just for a test.

### BIRTHS AND DEATHS SHOULD BE REPORTED WHY?

- BECAUSE they are the TWO SUPREME EVENTS in the history of every human being.
- BECAUSE Texas needs these records. She wants to keep, for ages to come, a record of each of her children. Just as you keep your own family records in your old family Bible.
- BECAUSE your Federal Government needs these records. Your own Uncle Sam wants the facts and figures that are recorded on these birth and death certificates to complete his own records of his children's health and welfare.
- BECAUSE your baby has as much right to registration papers as your neighbor's Jersey calf, hog, or horse. Your baby's birth certificate is the first and most essential of its CITIZENSHIP PAPERS and will be of inestimable value all through its future life.
- BECAUSE these records are PERMANENT. Even the record on your granite tombstone will weather out, but in the archives of your State Capitol your children's children will find your record for hundreds of years to come.
- BECAUSE these birth and death certificates—these so-called "Vital Statistics"—are the "BOOKKEEPING RECORDS OF HUMANITY," and just as the bookkeeping department of a bank determines its dividends in dollars and cents, so the bookkeeping department of public health determines the dividends to humanity in better health and longer life.
- BECAUSE the facts and figures recorded on these birth and death certificates form the very FOUNDATION of all intelligent public health work. Without them public health workers would still be groping in the dark, and the great advance that has in recent years been made by medical science in safeguarding health and prolonging life would not otherwise have been possible.
- BECAUSE IT IS THE LAW. Not only Texas but every one of our

forty-eight states has a similar law requiring the reporting of births and deaths. This means that ninety-six different legislative bodies have passed this law and forty-eight governors have approved it. No state has ever repealed a vital statistics law. Moreover, every civilized nation on the globe has a similar law. IT MUST BE A GOOD LAW!

**HOW?**  
1. BIRTHS: The law requires that the doctor, mid-wife, or parent must, WITHIN FIVE DAYS after birth, file a birth certificate with the local registrar of the district in which the birth occurred.

2. DEATHS: The law requires that the undertaker or person in charge of the burial must file with the local registrar of the district in which the death occurred a certificate of death and must secure a burial or removal permit BEFORE THE BODY CAN BE LEGALLY BURIED OR REMOVED from the registration district.

**FAMILIES**  
Should see that deaths are legally recorded. A DEATH CERTIFICATE will be needed in settling estates, proving family rights in inheritance, insurance and pensions, and it is frequently the means of settling or voiding lawsuits.

**PARENTS**  
You should see that your baby's future is protected by a BIRTH CERTIFICATE—the only legal paper that will always prove his age, identity, parentage, and citizenship. He will need it when he enters school; he will need it when he goes into business; he will need it when he needs to draw his OLD AGE PENSION.

See your doctor or your local registrar at once. DON'T FORGET IT! GEO. W. COX, M. D. STATE HEALTH OFFICER AUSTIN, TEXAS.

MID-TERM—A NEW BEGINNING  
Mid-term is here and with it a chance to make a new start in this old school year. As we again make a resolution to improve the appearance of our school, Colorado High school belongs to the student body and it is the duty as well as the privilege of the students to help keep it as pretty and as clean as possible. We students spend one-third of our day in school and we should take as much pride in its appearance as we would the appearance of our homes. Spring is coming and special care should be taken in keeping the grounds beautiful and clean.

**MY IDEAL LIBRARY**  
I had a dream the other day of an ideal library. The place was in the second floor study hall with large reading tables so shiny I could see my reflection on them. The floor was carpeted with thick plush rugs, so thick that the imprint of my feet was left as I walked. On the ivory colored walls, hung pictures that made me think of many heroic men and women and their deeds passed down through history. At one end of the room was the librarian's desk. It was neat, and the librarian was a great help to students who didn't quite understand how to find everything they wanted. Reference books were on shelves around the walls, where I could get them anytime I desired to do so.

There was a great variety of books I could choose from. I could pick out my own books, without being told not to. The room was so quiet my mind could stay on the article or story I was reading.

Large windows let streams of sunshine in. Over the windows hung heavy velvet drapes, so long they touched the thick rug. Many different species of flowers turned their faces to catch the morning and afternoon sun.

The library was filled with courteous students carefully preparing their lessons for the next day. Every one seemed content and happy.

**IN AND OUT OF C. H. S.**  
The girls of Colorado High find that the basketball boys of the teams that visited here last week-end have unbounded romantic instincts. The boys are realizing that you don't just have to be a football hero to go along with these charming girls, you can also have basketball initiative and have their admiration.

It has been said that Meta Hudson has an opinion of John Colson's cars. Do you Meta?

Miss Barrett: Of course Zora Lee has not read Macbeth since she has not been here.

Joe Lee: Who, me? Oh, Miss Barrett I have. (Sounds like a case of guilty conscience to me.)

Mrs. Elliott gave a surprise party for Ruth Elliott and Ruth Harrison last Monday evening. Loraine enjoyed herself immensely and I can say the same for Colorado.

Say, Sam, where did you pick up that shiner. I could have sworn you didn't have it Sunday afternoon. Catherine must have gotten pretty "peevish" to give you one like that.

The most amusing tale was related to me as I hurried to an exam. This is how it ran: John Colson was caught sleeping in Mr. Cline's American History class the other day. Mr. Cline cautioned everyone kindly to let John continue his nap. But the uproar of the class caused him to wake up.

**FRESHMAN NEWS**  
The Junior Basketball team, consisting of several Freshmen, played Westbrook Thursday night, January 6th. They played a good game, and everyone was glad that they won by a large score.

The Freshmen, belonging to the Home Economics club were disappointed in not being able to have the Twelfth Night party, when planned. The business meeting on Tuesday made up for some of the loss.

Mary Price.

**SOPHOMORE NEWS**  
The sophomore picnic was scheduled for Wednesday afternoon soon after school at the Park. . . . The tournament drew many sophomores to every game. . . . Cora May is currently wearing an almost black eye. She got it over the week-end from someone who had just finished reading "How to Win Friends and Influence People." . . . The tear in the pants of a certain Roscoe player inspired a spectator at one of the ball games to yell, "Is there a Home Ec. girl in the crowd?" . . . Harvey Cook missed only one game of all those played in the tourney. . . . The sophomore Chamber of Commas or English Departments to you) have been studying, examining, and meditating upon "Silas Marner" for the past week. . . . Ann Axtell was practically swimming in cokes Saturday night. Several boys had to pay her off later

a certain hot game between Conahama and Ira. . . . Overheard: She: "Where in the world did you get that awful necktie?" He: "You gave it to me for Christmas." . . . Harry Etta and Dook had a "misunderstanding" over the week-end, with Dook threatening to do dire things . . . which he didn't. . . . Beulah, Harriet Ann, and Harry Etta spent Saturday night at the Bodine homestead. . . . In China girls like their rice with chopsticks. Over here they prefer it thrown at them. . . . Definition: operetta—girl who works for the telephone company. . . . Our sponsors are deploring the lack of class spirit at present. We admit that it has become weak and wobbly of late, but "them days are gone forever!" We are backing our candidate for Band Sweetheart to the limit! . . . The weather: Yesterday: dew; Today: dew; Tomorrow: The collector will get the radio. . . . Jo Walding is back in school after an appendectomy. . . . Buzz had a gay time Saturday night—or did he? . . . Where's your class spirit? Why isn't our class the best instead of just one of the best? . . . What have you spilt on your necktie? . . .

**JUNIOR NEWS**  
The Junior class president, Fannie Fae Porter, received a letter from the secretary of the Junior class in Rotan. The Rotan class requested some suggestions in regard to making money. The president would like to write and tell them some good ways to make money therefore suggestions from anyone are in order. The Colorado Junior class is planning several social events in the near future in preparation of cooperation for the best Junior-Senior banquet of the past fifteen years.

Several students of the Junior class were seen at the basketball tournament this past week-end and it seems most of them were accompanied. Sam Richardson, Bob Lacey, Dick Jones, Virginia Whipkey, Theda Howell, Ruth Harrison, Virgil East, Erwood and many others seem not to have missed but very few games of the entire tournament.

Virginia Whipkey.

**SENIORS SELECT MEMORY BOOK**  
Mr. Watson presided at the Senior class meeting Wednesday and described a type of memory book the seniors might have. It was accepted one hundred per cent by the class. There will be a great deal of picture space, so the class will get ready to pose for pictures. Favorites of the class are to be elected in the near future and their pictures will be put in the memory book. Committees for different duties, such as naming the book, are to be chosen and the work will begin soon.

Doris Wynne.

**A SWEETHEART WANTED**  
A contest is now in progress sponsored by the C. H. S. band. This contest is for the purpose of selecting a sweetheart for the band. Each class is to maintain some beautiful girl and support her with as many votes as possible.

This band has never had a sweetheart before and that is why it wants one now. The band members expect to take her along on the trips that are being planned for this summer. In a few days, the band will all know more about the contest.

It looks as if the band is having to work hard these days since its holidays are gone. The members have to march beginning Tuesday and learn to do fancy turning at corners. They expect to win high honors during the convention at Wichita Falls.

Frances Watson.

**FUTURE HOMEMAKERS THE HOME EC. CLASS IA**  
The Home Economics class IA is now having experience on luncheons. Friday the class planned and cooked meals and came through with flags flying. However, while one group was preparing steak, they were surprised to see a flame leap from the stove about three feet high. Cause? Some grease on the outside of the skillet became a trifle hot. Some of the girls since then have secretly wanted miniature fire extinguishers with which to combat the unknown.

The H. E. IA class has had an extensive study of pastry. The six weeks test will be the making of a pie on the principles that they have been studying.

Plans have been made by the Home Economics club to go to Sweetwater Saturday for the district meeting. Many of the members have expressed their desire to go.

Freddie Watson.

**PUBLIC SPEAKING**  
There was much trembling of voice and shaking of knees as the examination of the public speaking class consisted of a few minutes talk which seemed like five hours. The students were seated in chairs on the platform in the order that they were to give their talks. Sometimes they were so nervous that one could see them shaking before they got up, but somehow they managed to get to the

front of the stage where she stuttering and stammering began. Their outline seemed to delight in getting in the wrong place causing them to er-a-an while trying to find out what to say next. All this time their knees felt as if they might give away any minute and their hearts were about to choke them. At times it almost pushed their tongues out. Their eyes wanted to wander off and the speakers were kept busy pulling their eyes back to the audience. After they said all that they knew, they couldn't get back to their seat fast enough to suit them.

Nevertheless, all in all the public speaking class did well and showed much improvement.

Marie Phillips.

**LA TERTULIA**  
The Spanish club met Monday, January 10, in Miss Smith's room. The club members answered roll call with a current event.

Betty Hodge translated a Spanish comedy, "A La Luz de La Luna" by Agnes Brady.

The Spanish club members are planning to have their annual Spanish banquet in the spring and they have been collecting money for that.

Betty Hodge.

**STAFF MEETING POSTPONED**  
The Howl staff meeting, which was to have been held Friday morning, was postponed because of Miss Barrett's illness; however a meeting is scheduled for this coming Friday at 8:30 in Mr. Cline's room, in which plans for the week will be discussed.

Louise Dockery.

**CAGERS PLAY SWEETWATER AND MERKEL**  
Tuesday night both teams of Colorado High engaged Sweetwater team at Sweetwater. The Wolves-Mustang melee was one of the games in the race for district championship.

Thursday night the Wolves are scheduled to meet Merkel on the home court in another of the games in the double round robin played by teams of this district.

Catherine Slagle.

**TROPHY PRESENTED**  
Monday afternoon at the assembly period, Coach Pratt presented to Colorado High school the trophy won ADD HOWL THREE . . . by the Colorado Jackrabbits at the Highland in it's tournament. The Jackrabbits defeated Highland to win first place in the tourney. Two Jackrabbits, Watson and Henderson were selected on the all-tournament team, and received gold baseballs.

Catherine Slagle.

**F. F. A. NEWS**  
The future farmers and future home makers are at work again. A committee of two from each club went down to see about getting a benefit picture shown on January 21st. With a few smiles, that cannot be equaled anywhere, from Virginia Gurney, Sherman Hart just couldn't say "no." Boy be careful, that's only one thing a smile will do for you.

It's the same old story, the band boys were still unable to interest the Aggies in a basketball game last Wednesday night. With a perfect record of no tie, no losses, the Aggies, in search of stiffer competition, matched a game with the Jackrabbits, which played Sweetwater such a thrilling game last Friday. For a thrill of your life come to see this game which is to be played in the near future.

Quinton Hamrick.

**THE CHORAL CLUB VIBRATIONS**  
Well, the songsters of the Choral club are back from the Christmas holidays with a bang. Everyone seems to be feeling very spry and happy. One member was feeling so peppy the other day after a good workout, that she came dashing out of music room and fell from third floor only to make a spectacular three point landing on second and can she put yumph in her dives.

The Choral Club is learning two new songs this week. The songs are "Who is Sylvia?" and "Drink to Me Only With Thine Eyes." Mrs. Moeber, the director, says that the club is progressing very rapidly with each of these.

Louise Pritchett.

**EXAM SCHEDULE**  
Notice: All pupils who are still waiting to study before the six weeks' exams so they can pass, had better get started for this is the week in which they will begin. Everyone should be studying not only for six weeks exams but also midterm, which is just around the corner. There will be a three days' review and the exams will be given Thursday and Friday, the 20th and 21st. As far as any one knows they will be given by the following schedule:  
Thursday 8:00—English I, II, III, and IV.  
Thursday 10:00—Spanish I, II, III, Secretarial Training, Texas History.  
Thursday 1:00—History I, II, Civics, American History, and Public Speaking.

Mrs. W. F. Robinson Regrets Chances For Becoming 'Great' That Town Missed

There are many regrets in the life of Mrs. W. F. Robinson, 68, resident of Colorado since 1884. But very few of them have anything to do with her personal life. Most of them are for the opportunities which Mrs. Robinson thinks Colorado passed up in its early years.

McCall, Sr. Mr. Harrison managed the ranch, though there was little to do because most of the cattle had been shipped away.

It was while living there that Mary Harrison was married to W. F. Robinson, whom she had met while in Colorado. Robinson was a "blacksmith" on a big scale, owning not only a huge blacksmith shop where from four to six blacksmiths were always employed, but also a plant for building "ranch wagons" and "double buggies" for the ranchmen.

The marriage ceremony was said by "Parson" O. P. Rogers, Colorado's first preacher, on Sept. 5, 1885. Mr. Robinson died on January 13, 1913.

There are five Robinson children: Homer Robinson of Big Spring, Mrs. G. V. Harrison of Fabens, Mrs. J. B. Pritchett of Colorado, Frank Robinson of Santa Fe, N. M., and J. M. (Hob) Robinson of Philadelphia, Penna.

Mrs. Robinson belongs to the Eastern Star and is a member of the Baptist church. During the lifetime of Mrs. M. B. Smoot she was interested in club work.

Strength During MIDDLE LIFE. Strength is extra-important for women going through the change of life. Then the body needs the very best nourishment to fortify it against the changes that are taking place.

BUICK OUTPUT VOLUME LARGEST IN 10 YEARS

FLINT, Mich.—World production of Buick motor cars during December totaled 18,360 cars, bringing output for the year to 239,923 units, the largest volume in 10 years, according to figures released today by Harlow H. Curtice, president.

This compared with 184,255 cars produced in 1936, an increase of 49,668 cars or 26.9 per cent. At the same time, reports of sales for the first 20 days of December, with estimates of retail deliveries for the remainder of the month, show a total domestic sales volume for the year of 203,739 cars.

Exports during 1937, including Canadian shipments, reached a new high of 22,106 cars. Mr. Curtice said, as against 16,152 in the previous year, an increase of 5,945 cars or 36.8 per cent.

According to sales department figures, domestic retail deliveries of Buick cars during the second 10 days of December totaled 4,685 cars, a gain over the first 10 days of the month, when 4,633 cars were retailed in the United States.

A \$32,000,000 Flint payroll, representing an increase of more than \$6,000,000 over last year, is the 1937 record of the Buick division as a result of the increased volume. This huge sum, averaging more than \$2,600,000 a month, was paid to

16,399 employees, the average on the Buick rolls throughout the year. In the past four years this manufacturer has paid a total of nearly \$95,000,000 to its employees and has boosted its employment 44 per cent.

Throughout 1937 there were 2,500 more men on the rolls than in 1936, an increase of 18 per cent.

Mr. Curtice said that Buick's payroll for 1937 totals \$32,176,304, compared with \$25,504,736 for the 1936 calendar year, an increase of \$6,671,568 or 22.2 per cent.

With 1936 and 1937 two outstanding years from the standpoint of volume, Buick's steady rise is accurately charted in employment and payroll disbursements over the past four years.

Average employment in 1934 stood at 11,409 with payrolls totaling \$16,504,321. In 1935 employment was maintained at an average of 11,377, but payrolls rose to \$20,709,861, an increase of 25.5 per cent.

During the four year period, Buick employment rose from an average of 11,393 in 1934 and 35 to 16,399 in 1937, an increase of 5,006 men or 43.8 per cent.

MONEY talks — so take a turn up and down Automobile Row and see what it says about Buick. You get comfort of a new kind, with Knee-Action on the front, and the scoop of the year—BuiCoil TORQUE-FREE SPRINGING — on the rear. First off you discover that this sparkling stepper is the lowest-priced of all the straight-eights of its size. Next — it lists at lower figures, even than some sixes do, and it's within a dollar or two a week of several others. But the story isn't told in the bare prices — it's told in the astonishing amount those modest figures cover! In the SPECIAL, for instance, you get 122-inch wheelbase, 107 horsepower with straight-eight smoothness, valve-in-head efficiency, and the exclusive new DYNALASH brilliance and thrift.
