

First Wedding In 11-Year-Old Hyman Church Took Place Sunday Afternoon

The first wedding ever held in Hyman's 11-year-old church took place Sunday afternoon at 3:30 when Loreen Andrews, oldest daughter of Mr. and Mrs. Frank Andrews of Hyman, was married to Martin Jackson, son of Mr. and Mrs. W. E. Jackson. Both the Andrews and Jackson families are pioneers of the Hyman section.

The Record is indebted to Mrs. Harry Hyman of Hyman and San Antonio for the following account of the wedding:

"Martin Jackson is one of our most prosperous and successful young men being in partnership in the cattle and sheep industry and farming with his father and brothers.

"Miss Loreen was reared here in Hyman from a child and spent her girlhood here. After finishing the grade school here she graduated from the Colorado High school a few years ago. For years she has been the secretary of the Sunday school and has always been one of our most popular girls.

"The marriage ceremony was performed by the Rev. D. A. Ross of Coahoma and the church was filled with one of the most representative crowds that was ever witnessed in Hyman.

"Proceeding the bride and groom up the aisle of the church were Mr. and Mrs. Perry Mathews, Mrs. Mathews having been Floris Andrews, the sister of the bride. Following them were Mr. and Mrs. Walter Howard of Chalk, relatives of the groom. The bridesmaid was Ruth Andrews, the sister of the bride, and her escort was Otis Jackson, brother of the groom.

"The bride and groom marched down the aisle to the old, but ever new wedding march. Here Comes the Bride, played by Myra Brown of Colorado. Rev. Mr. Ross used the ring ceremony.

"Ushers were Terrell Minor, Lee Minor and Herman Minor, all cousins of the bride. They escorted the wedding guests to their seats. The families of both bride and groom were ushered into the seats reserved for them and tied off with white satin ribbon.

"The bride and groom were both very popular in the community and both grew up from girlhood and young manhood in Hyman. All the people of this place were happy over the marriage and the church was filled with flowers from nearly every home, attesting to the popularity of this young couple.

"After the ceremony all the guests were invited to the home of Mrs. Hyman. She stood in the line of greeting and next to her were the bride, the groom, Mrs. Andrews, Mrs. Jackson, Ruth Andrews, Otis Jackson, Mr. and Mrs. Walter Howard of Chalk, and Mr. and Mrs. Perry Mathews.

"The bride was dressed in royal blue crepe with accessories to match. Her bouquet was of rich red roses and ferns, with streamers of white satin ribbons. Mrs. Perry Mathews wore rust colored crepe with blue accessories. Mrs. Walter Howard's dress was of black crepe with rhinestone trimmings. The maid of honor, Ruth Andrews, was gowned in gray.

"Assisting Mrs. Hyman were Mrs.

H. BOSSE, WELL-KNOWN COTTON BUYER, DROPPED DEAD TUESDAY EVENING

Death came without warning to H. Bosse, 54, well-known Colorado cotton buyer, Tuesday evening about 7:30.

Mr. Bosse was found lying on the sidewalk between the J. L. Pidgeon home and Dr. J. P. Johnson's office shortly after 7:30. He had apparently started to his room at the home of Miss Nelle Riordan after his day's work. A passing negro found the body and summoned officers. A physician said that death had apparently been instantaneous, although Mr. Bosse had been dead but a few minutes when found.

The body was removed to the Kiker & Son funeral home pending word from relatives, the nearest of whom is in New York. In accordance with their instructions, funeral was held at Kiker chapel Wednesday afternoon at 4:30. The Rev. C. E. Jameson of First Methodist church and Dr. W. M. Elliott of First Presbyterian church officiated.

Burial was in the Colorado cemetery, pallbearers being Vivian Shropshire, P. E. Harkins, Louis Chaplin, Louis Latham, a Mr. Moore of Sweetwater, and Joe Smoot.

Born in Germany on June 18, 1884, Mr. Bosse had been stationed in Colorado as cotton buyer for J. Kahn & Co. of Dallas for the past 14 years. He was in Longview before coming here.

He was never married. His only immediate survivors are a sister in Bremen, Germany, and a brother in Singapore, India. An uncle, S. Gobie, lives in New York.

Kiker & Son had charge of arrangements.

LARGER RED CROSS MEMBERSHIP IS AIM

"A larger Red Cross membership in proportion to the population of Texas is necessary for expansion of services within the state this coming year." Dr. W. B. May, chairman of the Mitchell county chapter, said today. He pointed out that the Red Cross membership in Texas now represents 2.9 per cent of the population while nationally the enrollment has risen to 4.38 per cent.

Dr. May expressed confidence that an increase of more than 50,000 members will result when the 239 Texas chapters offer residents in every community an opportunity to join the Red Cross this coming Roll Call, from Armistice Day to Thanksgiving. Last year, 172,067 Texans answered the Roll Call of their local chapters, an increase of 36,000 over the preceding year.

"Local chapters are dependent upon their membership enrolled each year for volunteers as well as for funds to carry on disaster relief and other Red Cross safety, health, educational and welfare services in their respective communities." Dr. May said. "The greater portion of membership funds are retained by the

chapter for use locally in its community and only fifty cents, not fifty per cent of each membership, is paid to the National Organization for administration of Red Cross work throughout the nation.

"This national allotment also reverts back to Red Cross work in individual communities," Dr. May explained. "In the last three and one-half years to date, for example, the National Organization made \$253,773 available to supplement the \$172,146 raised within Texas for emergency relief and rehabilitation of Texas families stricken by disasters occurring in this state."

BAUMAN GIRLS 4-H CLUB HAS MEETING

Gathering at the school house, Bauman 4-H club girls met on Tuesday, Oct. 11, at 10 a.m.

Vera Crippen, county home demonstration agent, explained the new apron patterns and materials.

Those present were Letrice Bassham, Nadine Walker, Alma Ruth Collier, Betty Jo Lee, Mavis Webb, Mary Landers, Jeanine Stubblefield, and Jean Brown.

'PRESCRIPTION' DRUNK OK, LORINE MAN SAYS

From Sweetwater Daily Reporter

Because a Lorraine man was drunk on prescription whisky he thought he should be exempt from paying a fine on a charge of drunkenness!

He was arrested Thursday night by city patrolmen when they found him staggering around the streets. Arraigned before City Recorder John Ford Friday morning he was asked: "Guilty or not guilty?"

"Not guilty," said the defendant.

"You mean to tell me the officers picked you up for drunkenness and you were not drunk?" asked the judge.

"Well, your honor I was drunk all right—but I had been drinking prescription whiskey—and I thought that was 'legal.'"

"It doesn't make any difference," said Judge Ford, "whether you were drunk on prescription whisky, or white mule—if you were drunk in a public place you were drunk, and violating a city statute."

"Well, I was drunk, judge," said the defendant meekly.

"I fine you \$14," replied the judge.

MARIONETTES ARE DEMONSTRATED HERE

The making and manipulation of marionettes were demonstrated by Janet Pilcher, director of the WPA recreational program in San Angelo, while she was in Colorado last week conferring with Truett Fulcher, WPA recreational director here.

Miss Pilcher conducted her demonstrations before several members of the school faculty and the local recreational staff. It is planned to make marionette shows a part of the WPA recreational program here later on. Anyone interested in marionette making is invited to contact Fulcher at his high school office.

VISIT IN JONES HOME

Mr. and Mrs. Ed Jones, Sr., have as their guest this week Mrs. Jones' sister, Mrs. A. D. Mengle, who arrived Wednesday night from Ontario, California.

VISIT IN WYATT HOME

Guests in the home of Mr. and Mrs. Chas. Wyatt Tuesday were Mrs. Wyatt's brother, Henry Cook, Jr., and wife of Santa Anna.

A. L. HALEY, Pastor.

RETURNS HOME
Mrs. A. B. Erwin has returned home after spending several weeks in Brown's sanatorium at Cisco.

RULES FOR SAFE RIDING OF BICYCLES OUTLINED BY LIONS SAFETY GROUP

In line with their campaign for greater traffic safety in Colorado, the safety committee of the Lions club sponsors the following rules for safe bicycle riding, as worked out by the state department of public safety:

1. Obey all traffic laws, signs, and signals.
2. Display a white head lamp and a red tail light when riding between one-half hour after sunset and one-half hour before sunrise.
3. Be alert for traffic from all directions.
4. Give both pedestrians and motor vehicles the right-of-way.
5. Before leaving a driveway or crossing a street or highway, look both ways and wait for approaching traffic.
6. Do not ride on streets where there is considerable traffic.
7. Do not ride alongside other cyclists. Ride in single file.
8. Do not ride double nor do trick riding on streets or highways.
9. Do not hitch to motor vehicles or street cars.
10. Do not play riding games in the streets or highways.
11. Always keep your bicycle in good condition.
12. RIDE NEAR THE RIGHT HAND PAVEMENT EDGE.

The Lions safety committee includes Jerold Riordan as chairman; P. C. Shillingburg, Charles Root, Fred Cravy, and Dick Hickman.

RESOLUTIONS OF RESPECT FOR MRS. J. W. SHEPPERD

Whereas, it has pleased our Heavenly Father to call from our midst our friend and co-worker Mrs. J. W. Shepperd and knowing that He doeth all things well we humbly submit to His will.

Therefore, be it resolved that we, the Federated Clubs of Mitchell County do extend to her bereaved family our sincerest sympathy and commend them to Him who doeth all things well.

Mrs. Shepperd has taught her many friends what service is, she was always found willing and ready at her post of duty to help her fellowman.

She was trustworthy in the office of treasurer of the federated clubs and was an ardent and faithful worker in all activities of her church. Her loving deeds and sterling character will always remain in our memory.

Resolved, that a copy of these resolutions be sent to her bereaved family, a copy printed in the Colorado Record and a copy spread on the minutes of the Federated Clubs.

At home in the beautiful hill of God In the valley of rest so fair, Some day, some time, when our task is done With joy we shall meet her there.

Respectfully submitted,
MRS. J. T. HOWELL,
Committee.

INTERMEDIATE RA'S

The intermediate R.A.'s met at First Baptist church on Monday of last week with eight present. After a short business meeting, new officers were installed. A supper was served at the park, new members being initiated before the supper. Byron Wren supervised the meeting in the absence of Mrs. T. A. Patterson. Royce Smith, chapter reporter.

LORAINNE NEWS

MRS. ZORA DEAN, Editor

Mrs. Dean is also authorized to receive and receipt for subscriptions for the Colorado Record and to transact other business for Whipkey Printing Company. See her and take your county paper.

L. B. WALKER, MANAGER OF LORAINNE GIN CO., PASSES AWAY
L. B. (Lee) Walker, Lorainne citizen for the past 37 years, passed away at his home here at 11:30 Wednesday morning following an illness of several weeks.

Deceased, 60, was born in Tarrant county, Texas. Known as a Lorainne gin man for the past 29 years, Mr. Walker was widely known, well-liked and highly respected. He had been manager of the Lorainne Gin Co. for the past several years.

Funeral rites will be held at the Methodist church at 2:30 Thursday, Oct. 27. Arrangements are not complete at this hour.

Deceased was a member of the Presbyterian church. He is survived by his wife and three sons, Wiley and Virgil Walker of Lorainne and Jack Walker of Lubbock. Four grandchildren and a sister, Mrs. J. M. Morrow of Ft. Worth, also survive.

LOCAL CIRCLE MEETS
The regular monthly meeting of

the Local Circle of the Methodist church was held Monday afternoon with Mrs. J. A. Scoggins and Mrs. Earnest Meadows as hostesses.

In opening the meeting the song, "Work For The Night Is Coming," was sung. A splendid devotional using Matthew 7:1-6, "Judge not that ye be not judged," as her subject was given by Mrs. Edd Williams. Mrs. Scoggins led in prayer. All joined in singing, "If I Have Wounded Any Soul Today." Two songs, "Sing and Smile and Play," and "A Child's Prayer," were sung by Jeannine and Patricia Martin. Mrs. Arlie Martin read "The Elder's Predicament." A beautiful piano solo, variations of "Rock Of Ages," was rendered by Mrs. Kirk Taylor.

Twenty-two visits, three trays and one bouquet were reported by the social service committee. Improvements made in the parsonage were reported by Mrs. Scoggins. Mrs. J. M. Bruce was appointed to head a committee for investigating the advisability of serving a banquet to a group of business men. At the social hour the hostesses served delicious refreshments of hot punch with sandwiches, pickles, cherry tarts, and salted nuts to 15 members and three visitors. Mrs. Johnson and Mrs. Blackwell of Highland and Mrs. Finley.

November meeting will be with Mrs. T. A. Martin and Mrs. Harold Martin.

RELATIVES FROM CALIFORNIA TO VISIT HERE

Mrs. R. E. Bennett expects her sister and brother-in-law, Mr. and Mrs. Earnest Phillips and a couple of friends of California to arrive Wednesday or Thursday for a visit in the Earl Jackson and Mrs. Bennett home. Mrs. Bennett received a telegram Tuesday telling her they were leaving for Texas from Los Angeles on that date.

ENTERTAINED WITH SHOWER

On Tuesday evening, Oct. 25th, Mrs. Floyd Griffin entertained at the home of Mr. and Mrs. T. R. Bennett honoring Mr. and Mrs. Leonard Davis of Sweetwater with a miscellaneous kitchen shower. Guests numbering 65 arrived at 8 o'clock.

Mrs. Harold Bennett presided at the registration. House decorations of pot plants and cut flowers were beautifully arranged.

Punch was poured by Mrs. Stanton Hutchins. A very entertaining short program was given. A reading each by Douglas Smith and Gloria Martin and several accordion selections by Mrs. K. L. Taylor were enjoyed.

At the close of the program Charles Lee and Mattie Ewel Griffin made announcement of the arrival of a wagon load of groceries for the honorees, Mr. and Mrs. Leonard Davis. Sideboards of the wagon bore the name of "Pace Brothers."

BAPTIST W. M. S. REPORT

Mewshaw Circle No. 4 met in the home of Mrs. Jackson and Mrs. R. E. Bennett Tuesday afternoon. Mrs. Gray Taylor led the devotional after which a business meeting was held.

The president, Mrs. M. H. Godfrey, assisted in the election of some new officers. The piecing of the second quilt for Buckner Orphans Home was finished. These quilts will be quilted in Mrs. Oren Coon's home Thursday of this week. During the social hour Mrs. Godfrey was led to the dining room where a birthday surprise greeted her. A decorated birthday cake in the center of the table surrounded by various other gifts. The room was candle lighted. Members received a thrill to see that it was a complete surprise to Mrs. Godfrey as they sang "Happy Birthday" to her.

Refreshments of hot chocolate with whipped cream and cake were served to 13 members and two visitors.

PURCHASED TROTT'S LAUNDRY

Edd Preston has bought the Helpy Sely, known at Trott's Laundry to take possession of same Thursday.

LORAINNE P.-T. A. TO SPONSOR SCHOOL GARNIVAL

Sponsored by the P.-T. A. room representatives and teachers are working out plans for a school Halloween carnival to be held on the school property north of the bus station Saturday afternoon and night.

At 8 o'clock p.m. a program featuring entertainment in connection of a regular carnival will be held. Mrs. Johnson, chairman of finance committee, stated there would be cakes and pies for Sunday dinner.

LOCALS

Missionary Rally Meet held at Highland Methodist church Tuesday was attended by Mrs. Marshall Bruce, Mrs. J. M. Bruce and Miss Isla.

Reported ill this week are: Grandfather J. F. Pine, Virgil Henderson, Mrs. Annie Taylor, Mrs. B. A. Parker, Mother Jarratt, and Mrs. J. J. Land. Mr. J. M. Neeley, recently home from Scott & White sanitarium at Temple is reported able to be up.

G. L. Crowner left for El Paso Monday due to message he received of his brother and sister-in-law being injured in an automobile accident. No further word had been received here Wednesday morning.

Mr. and Mrs. Gallan Hardin have been visiting at Cheyenne with her parents, Mr. and Mrs. C. H. Sipes.

Mr. and Mrs. J. C. Hooker and Mrs. Allen of Colorado were visiting in Lorainne at the home of Mrs. J. L.

Plans For Sponsoring Musical Art Series Made By County Federation

Additional plans for its sponsorship of the musical art program series at the Colorado High school auditorium this winter were made by the Mitchell County Federation of Women's clubs during its meeting Tuesday afternoon.

First program in the series will be on December 6, it was announced. Two outstanding musicians of the nation will be presented at that time. Season tickets are to be sold for \$1.50. There will be four programs in all.

Mrs. L. B. Elliott was secretary for the meeting in Mrs. Truett Barber's place. Mrs. J. A. Ferguson, president, appointed Mrs. H. G. Whitmore as American citizenship chairman and Mrs. Mary Lee Brown as chairman of home decorations. Mrs. Roy Dozier was elected treasurer to succeed the late Mrs. J. W. Shepperd. Mrs. Dell Barber was made chairman of junior clubs.

Appointment of Mrs. J. T. Howell to draw up resolutions of respect for Mrs. Shepperd was voted. Mrs. Elliott was made delegate to the state meeting in Austin in November, with

Mrs. Ferguson as alternate.

Plans of the Art club for an exhibit were outlined by Mrs. L. A. Costin in her report for that club. Mrs. Bennett Scott, health chairman, reported the distribution of tuberculosis literature in the county and outlined plans for the Christmas seal sale. The 1921 Study club report was given by Mrs. J. T. Pritchett, the Hesperian by Mrs. E. H. Winn, the Zetaganian by Mrs. Lawrence Christian, the Self Culture by Mrs. Howell, and the Daughters of the King by Mrs. Jeff Dobbs.

Mrs. Ferguson reported having attended three rural club meetings recently, and told of her hopes that these clubs will soon come into the federation.

Mrs. J. G. Merritt read the federation history.

An annual report was made by Mrs. J. E. McCleary, librarian, who is resigning to go to Lubbock after a year's service. Her report showed 116 books added to the library during the year, 155 members on the roll, \$192 taken in.

County-Wide School Health Program Of Self Culture Club Launched This Week

Launching a school health program which is to be county-wide in scope, members of the Self Culture club are sponsoring eye, ear, nose, and throat examinations for all of Colorado's nearly 1,200 students this week.

First and second grade children were examined Monday. Three physicians donated their services, these being Dr. T. J. Ratliff, Dr. H. G. Whitmore, and Dr. Oscar Rhode. They were assisted by Mrs. H. G. Whitmore, health chairman of the sponsoring club; Mrs. J. T. Howell, president of the club; Mrs. Jim White and Mrs. Edison Wilson, club members.

Half of the junior high school student body was examined Monday, and the remainder was examined on Tuesday. Doctors serving Tuesday were Dr. W. S. Rhode and Dr. Harry A. Logsdon. Assistants were Mrs. Wilson, Mrs. Henry Pond, Mrs. Howell, and Mrs. Whitmore.

Students of the Hutchinson school and the high school are to be examined before the week is over, according to members of the sponsoring club. Later on the children will be given dental examinations.

The club plans to carry on health and dental examinations in every

school of the county before the year is over. Last year this club sponsored examinations for all Colorado school children. The city and county are each donating funds to help in carrying on this work. Physicians and dentists cooperate by making the examinations free of charge whenever able to get away from their work.

Supper Club Meets With The Wallaces

Arranging a dinner at the Colorado hotel coffee shop to open the evening, Mr. and Mrs. R. J. Wallace were hosts to the Supper club last Friday evening.

The dinner table was centered with orchid and white chrysanthemums. Places were marked for Mr. and Mrs. Walter Whiskey, Mr. and Mrs. E. L. Latham, Mrs. B. J. Baskin, Mrs. C. A. Wilkins, Mr. and Mrs. J. W. Randle, Mr. and Mrs. Oscar Price, and Mr. and Mrs. Wallace. The Lathams made high score in games at the Wallace home after the dinner.

Let the advertisements help you make your shopping plans.

Study, Business For Methodist WMS Monday

Both study and business were given the attention of the Methodist women's missionary society Monday afternoon.

Mrs. J. G. Merritt led the study of chapters four and five in "The City and Its Churches." The special topic was "What the City Does to the Church and What the Church Does for the City."

Both chapters were outlined by Mrs. F. H. Looney. Mrs. Jeff Dobbs told of work in the Wesley community house in Houston and among foreigners in Kansas City, as well as work among the Mexicans in El Paso. Mrs. Merritt described St. Martin's hall in New Orleans and other work-

ship houses, including the beautiful Repton Avenue Methodist church in Tulsa.

Mrs. W. W. Rhode, president, was in charge of the business session which followed the study. Mrs. Looney, treasurer, reported all dues paid in full. Mrs. Merritt read news from the bulletin and reported Christian social relations work. Mrs. Tom Glover reported for the Workers circle. Mrs. J. A. Ferguson for the Rainbow circle, Mrs. F. C. Shillingburg for the Arnett-Wulfjen circle.

HUMBLE TO BROADCAST FOOTBALL GAMES

Four football games featuring Southwest Conference teams are scheduled for broadcasting by the Humble Oil & Refining Company Saturday.

Topping the day's list is the broadcast of the game between two undefeated teams, Texas Christian University and Baylor University. With five straight victories, both inter-sectional and conference, to their credit, the Horned Frogs are one of the nation's outstanding teams, and Baylor, with one tie, with Texas A. & M., to mar an otherwise perfect record, is doped by experts to give the Christians the hardest battle they have had this season. The game may be heard over stations WBAP-WFAA, Fort Worth-Dallas; KPRC, Houston; WOAI, San Antonio. Kern Tips will handle the play-by-play description of the game and Hal Thompson the color. The Humble Company's broadcast begins at 1:50 p.m.

Two other conference games are scheduled for broadcasting. Of wide interest to fans is the game between the University of Arkansas and Texas A. & M. which Humble will broadcast from College Station. The broadcast begins at 2:20 p.m. with Cy Leland handling play-by-play and Harfield Weedon color. This game may be heard over stations KGKO, Fort Worth; KXYZ, Houston; KTSA, San Antonio; KRIS, Corpus Christi; and KRGV, Weslaco.

Texas University's rapidly improving Longhorns meet Southern Methodist's Mustangs in the third conference game of the day at Austin. The Humble Company will broadcast this game over stations KRLD, Dallas; KNOW, Austin, with Eddie Dunn handling play-by-play and Bob Tonge color. The broadcast begins at 2:20.

Completing the schedule for the day is the Intersectional game between the Rice Institute and Alabama Polytechnic Institute (Auburn) to be played at Houston. The Owls found themselves last Saturday with a hard-fought victory over the Longhorns; the Auburn Plainsmen, according to reports, have one of the strong teams of the Southeastern Conference, having tied Tulane and barely losing to Georgia Tech by one point. This game will be broadcast by the Humble Company over KTRH, Houston, with Ves Box handling play-by-play and Gene Cagle color. The broadcast begins at 2:20 p.m.

PROMINENT LORAIN MAN'S BURIAL TODAY

A long illness claimed the life of L. B. Walker, 60, pioneer gin man of Fortine, at his home in Loraine Wednesday. Mr. Walker recently had a foot amputated in a Sweetwater hospital.

A more detailed account of Mr. Walker's life and death will be found in the Loraine news.

Read Record want-ads.

A SCENE NOT IN THE SCRIPT

Myrna Loy had Clark Gable to thank the other day for a real-life rescue from a flaming airplane, where the titian-haired favorite of the screen faced loss of her beauty and even death during the filming of a movie sequence. In this photo the camera caught Clark Gable actually rescuing Miss Loy from the plane when "controlled fire" got out of control and set the plane afire during a scene for "Too Hot to Handle." 2-Col. GUS BERTNER HERE VISITING FRIENDS

Gus Bertner, who rates as one of Colorado's real pioneers, was in town Thursday visiting old friends. He made headquarters in the Joe Szymanski home.

Mr. Bertner's home is now in Little Rock, Arkansas. He stopped over here enroute home after a business trip to Grand Falls, Monahans, and Odessa.

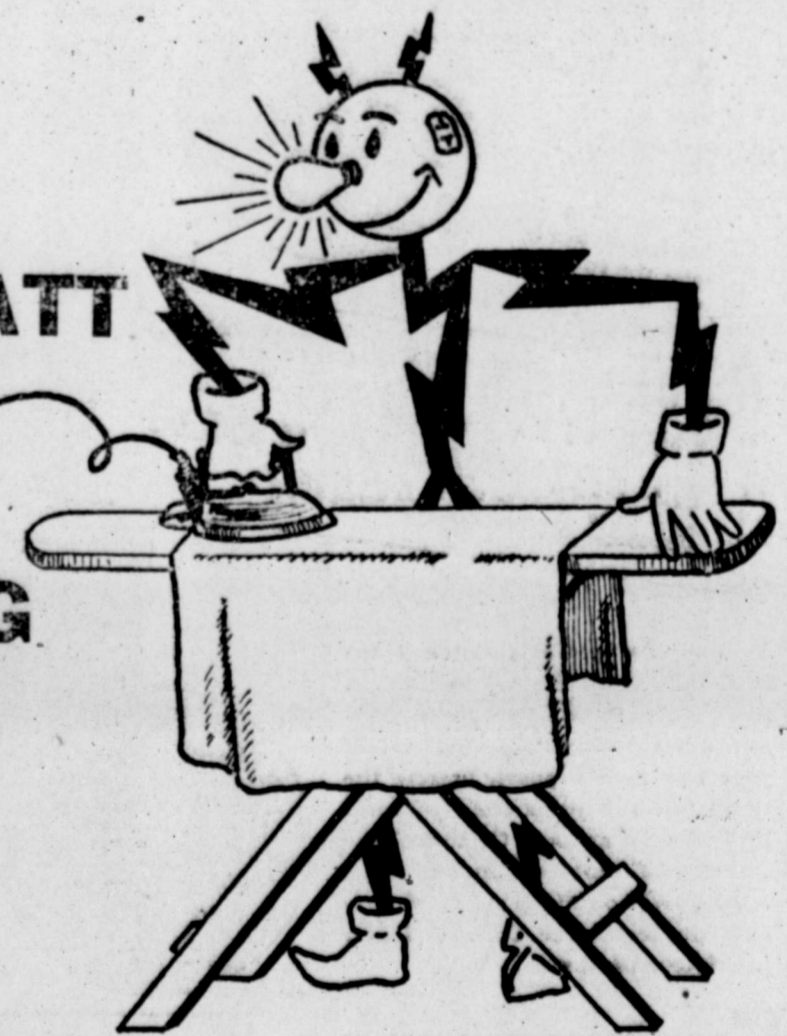

Coming to Colorado in 1885, Bertner remained here until 1908. He has been with the New York Life Insurance company for 40 years.

"Tell the Colorado people I still love them and their town," Mr. Bertner said while visiting at The Record office.

VISIT IN ABILENE

Mrs. Harriett Kennedy and sons, David and Fred, spent the week-end in Abilene. They are making their home here with Mrs. Kennedy's mother, Mrs. C. P. Conaway. They formerly lived in Houston.

REDDY KILOWATT MAKES YOUR IRONING Easier!

REDDY KILOWATT is the fellow who keeps your electric iron hot when you're ironing clothes, saving you time and trouble. His wage for heating your iron while you do an entire week's laundry is only a few pennies.

By the way, if your iron or iron cord isn't working properly, it doesn't cost much to have them repaired. Take your iron or cord to any electric shop for quick repairs. And if you need a new iron, see the automatic irons which heat faster and maintain an even temperature to make ironing easier.

THREE CITY OFFICIALS LEAVE FOR CONVENTION

Three of Colorado's city officials are in Port Arthur this week attending a convention of the Texas League of Municipalities. Mayor J. A. Sadler, City Secretary Ford Merritt, and City Attorney Harry Ratliff left here at noon Tuesday, planning to stop by Dallas on business for the city before going on to Port Arthur.

GEORGE MAHON IN NEW 'WHO'S WHO'

Name of George Mahon of Colorado, congressman from the 19th district, appears in the 1938-39 edition of Who's Who in America, according to those who have seen copies of the book. This is the twentieth biennial volume of the "dictionary" of notable men and women in the United States.

HOSPITAL NEWS

Mrs. J. W. Bird of Westbrook was moved home Monday after having been a medical patient in the hospital since the 12th. J. S. Curry of Buford went home Monday. He was admitted on the 18th as a medical patient. A son, Walter William, was born to Mr. and Mrs. J. H. Wylie of Colorado last Friday at 1 a.m. Mrs. Wylie and baby remained in the hospital until Wednesday. Bradford Landers was readmitted to the hospital Sunday for medical treatment and was dismissed on Wednesday. Mr. and Mrs. E. E. Bussey of Silver are the parents of a son born at 4:20 a.m. on Tuesday. His name is Everett Earnest, Jr. A daughter was born to Mr. and Mrs. J. H. Fryor of Westbrook at 9:25 Thursday morning. Mr. and Mrs. G. W. Dodd of Colorado are the parents of a daughter born at the hospital at 1 p.m. Wednesday. Her name is Barbara Jean. John Stenholm of Westbrook was admitted Saturday as a medical patient and is somewhat improved at this time. Simon Galindo, Mexican, was

THOMPSONS RETURN

Mr. and Mrs. Chas. C. Thompson returned home Tuesday after having been away from home since Sunday morning. Mrs. Thompson stayed with Mrs. George Mahon in Lubbock while Mr. Thompson and Congressman Mahon made a business trip to Dallas.

SOCIAL SECURITY CARDS IN TEXAS NUMBER 1,683,619

A total of 1,683,619 social security account numbers had been issued to employees of Texas up to September 1. W. O. King, manager of the San Angelo office of the Social Security board, says. The total number issued for August was 31,780, of which 1,155 were issued through the San Angelo office. As of September 1, 40,690,192 account numbers, used in the maintenance of wage earners' old-age insurance records, had been issued by the board, King said. In filing claims for lump-sum payments, which are now being made by the board, claimants use their account numbers for identification purposes. Such payments amount to 3 1/2 per cent of the wages received by a worker from covered employment since January 1, 1937, with a limit of \$3,000 from each employer during a year. Claims are being paid to wage earners who reach the age of 65 and do not qualify for monthly benefits, and to estates of deceased workers. Monthly retirement benefits will not become payable until January, 1942. If a worker loses his account card, he should report the loss immediately to the Social Security board, 412 Rust building, San Angelo, Texas, and a duplicate card will be issued to him. The advertisements are printed for your convenience. They inform and save your time, energy and money.

HARLEY SADLER TO SHOW HERE EARLY NEXT MONTH

Harley Sadler, well-known West Texas showman, will play a two-night stand in Colorado some time during the first half of November. Dates for the show will be announced in the near future. Reports indicate that Sadler's show is having a successful season this year.

COMPRESSOR EXPLODES

Explosion of an air compressor at the Colorado Machine shop last Thursday afternoon startled the town but did no damage, either to property or persons. The compressor had been brought to the shop for repairs, but no work had been done on it when it exploded. No one was near it at the time. The explosion was heard by persons as far away as the East Hill.

ON BUSINESS TRIP

Ross Daniels of Omaha, Neb., accompanied by O. B. Trulock, Sr., and Harry Ratliff, made a business trip to Dallas, Austin, and San Antonio last week, returning here Friday night.

VISITING IN MIDLAND

Mrs. C. H. Earnest has been in Midland for nearly two weeks "visiting" Mr. and Mrs. Don Sivalls. Mrs. Sivalls is the former Fannie Bess Earnest.

5 YEARS AGO

A do-your-Christmas-shopping-early campaign had already been launched by Colorado merchants... Plans were being made to unveil show windows with an elaborate night-time ceremony on December 1... A. K. McCarley continued to take first prize at the Dallas fair with his grain... Key Lions were to be recognized, these including C. L. Gray, Benton Templeton, C. H. Earnest, E. V. Grantland, Dr. R. D. Bridgford, E. O. Elliott, J. Ralph Lee, and W. S. Cooper... Katie Buchanan had been called to Albuquerque, N. M., by the illness of Garner Hammock, her brother-in-law, who had suffered a stroke... The Ritz Theatre was reopening after several months of idleness... Over 10,000 bales of cotton had been received in the county... The Tri-Contract club had met on Friday with Mrs. Bob Thompson... The Standard club had met with Mrs. H. B. Smoot... Mrs. Don Wallace, a recent bride, had been honored by Mrs. R. J. Wallace and Mrs. D. H. Snyder at the country club... In the houseparty were Mesdames T. W. Stonerod, E. B. Dubois, Joe B. Mills, Frank Kelley, A. B. Blanks, R. F. Fee, Dick Carter, John Deffebach, L. G. Mackey, and Frank Mackey... Mrs. Lloyd Blackard had been honored as a bride at the home of Mrs. J. A. Sadler... Chas. Farris was home from Dallas, where he had been working in a drug store... Mr. and Mrs. Leonard Spoons had visited the State Fair... The Jim Cantrills and the Joe Mills had gone to the T.C.U.-Aggie game... Mrs. J. T. Pritchett was recovering from major surgery in Dallas... Mr. and Mrs. W. W. Hatcher had been visiting in Sweetwater on Saturday... Seeking medical advice for Mrs. Johnson, Mr. and Mrs. Jas. T. Johnson had gone to Dallas... Nawl Boatler, principal of Fairview school, had been in town on Saturday... John Ellis Smith had entered a linotype school in New Orleans... Virginia Stonerod had returned from a visit with Dell Hatcher in Wichita Falls... C. W. Simpson of Palacios was visiting here... Jim Cantrill's Wolves had defeated Midland 54-6 at Midland... The Wolves had scored 119 points that season to only 25 for their opponents.

DISCOVERY WELL NEAR IRA TO BE GIVEN TEST

Twenty-four hour potential of Coffield & Guthrie's No. 1 Spears & Brownfield, discovery well for an indicated new pool west of Ira in Scurry county, will be established in the next few days, it was said by Colorado oil men this week. The well made 32 barrels in an 8-hour test and was still swabbing at the end of the eight hours. Located 330 feet from the north and west lines of the SW quarter of section 130-98, H&TC, this well has encountered considerable shooting and tool trouble since drilling was stopped. A bit is lodged near the bottom of the hole, cutting off over 10 feet of the best pay. Three offsets were spudded in last week. One of these, W. L. Callahan's No. 1 First National bank of Snyder, is drilling below 300 feet.

IN FORT WORTH

Mrs. W. W. Hatcher left Monday to spend this week in Fort Worth with her daughter, Mrs. Larry Seamon.

HOLDENS TO FUNERAL

Mr. and Mrs. Woodie Holden of the Church of Christ were called to Hamlin Tuesday morning for the funeral of a close friend, Mrs. Othel Sipes, and her infant daughter.

GO TO BROWNWOOD

Mr. and Mrs. H. B. Spence spent Sunday with relatives in Brownwood.

10 YEARS AGO

From The Record for October 26, 1928... A style show given on Friday night by the women of First Baptist church had cleared \$251.65 for the church... Mary Broadus was "Miss Autumn" in "Miss Autumn Presents"... Dr. C. L. Root was in New Orleans doing post-graduate work... Jim Cantrill's Wolves had been swamped by Sweetwater's Mustangs, 25-0... Clifton Yater, Hoyt May, Porter, and Pete Smith had carried on for Colorado... Ten wolf pelts were brought back from a hunt in Martin county by Nona Womack, Dave Womack, Lee Strain, Earnest Uzzell, and Roy Davis Coles... Mrs. Mattie Meriwether and Hennie Meriwether were visiting in Fort Worth... The luncheon club had met with Mrs. T. W. Stonerod... Raymond Gary and Charla Humphrey of Stamford had been married on

WESTBROOK CINCHEs SECOND PLACE IN PSAA SIX-MAN DISTRICT BY DEFEATING GARNER

Practically cinching second place in the PSAA six-man football league, Westbrook's Wildcats defeated Garner 31 to 21 in a hard fought game at Westbrook Friday afternoon.

The Wildcats, coached by R. G. Crouch, came from behind a 14-point Garner lead in the first quarter. The Garner boys made two touchdowns in rapid succession in the first quarter before the Wildcats could get started.

During the last three quarters the Wildcats put on an aerial circus that could not be stopped. Redwine's passes to Claxton accounted for two touchdowns, and his passes to Jones brought in two more. His forward pass to Oglesby accounted for the last one. The only extra point was made by a bumper pass to Jones.

Board and Claxton were credited with outstanding work in tackling and line backing during the game.

Other first-string players were Jones, Moody, Redwine, and Oglesby. Substitutes were Hines, Davenport, and Anderson.

This victory gave the Wildcats five wins to one defeat, having a total of 156 points for 46 for their opponents during the season.

The Wildcats still have a chance at first place in the league, since they are yet to play both their games with Forsan, top-notcher in the league at present. The Westbrook-Forsan games will be on Nov. 11 and Nov. 18.

This week the Wildcats are to play the Garden City team at Westbrook. Westbrook defeated Garden City early in the season, but the latter has developed a strong team since that time. The game will be called between 2:30 and 3 o'clock.

An extra game for the Wildcats has been scheduled for Nov. 8 with Sylvester at Sylvester, according to Coach Crouch.

ROGERS RAMBLINGS

By Irene Howell
COMMUNITY NEWS

Well here we are again to tell you all about Rogers community and what we have been doing. The weather has been so pretty all the Fall that the farmers are about through harvesting their crops and will be ready for old Mr. Jack Frost to come, which we feel like won't be long now as we already have had a cool snap that put everyone to work putting up heaters and taking out the heavy blankets.

Our Sunday school and singing class is still progressing fine and our welcome sign is still out for everyone to come and attend both and be one of us.

Rogers school is to have a pie supper Friday night, Oct. 28.

Everyone is urged to come and bring a pie, and a pocket full of money. The proceeds is for school equipment.

Those that were visitors in the Ernest Lightfoot home last Sunday were Stacy Chaney and sister, Miss Lois Chaney, Frank Brills and Miss Evelyn Liggett, all of Snyder. Also J. F. Jones and Mr. Daugherty of Colorado, Mr. Beights and four sons of Valley View.

Miss Willie Ruth Howell spent last Monday night with Miss Jean Morrison.

Miss Irene Barber was a Saturday afternoon visitor in the T. A. Howell home.

Mrs. I. Smallwood and son Johnny have returned to Decatur, Ala., with Mrs. Smallwood's parents, Mr. and Mrs. Summerford, and Mr. Smallwood's mother, Mrs. Smallwood, also of Decatur, Ala., for a few days visit with them.

Mrs. Will Morrison spent last Tuesday afternoon in the E. Lightfoot home.

We are glad to report that C. M. Burford is able to be up after being very ill in Root hospital week before last.

SCHOOL NEWS

Did you ever see such workers? No. Did you ever see such carpenters? No. Have you ever seen Snow White and the Seven Dwarfs? No? Yes? Well anyway you should read this news each time and see just when the Marionettes are to be at Rogers again. Yes, indeed! They're on their way to see the show if they want to. Why? Well the dolls are over two feet high, and are they dressed? Well Dopey has on a tailor-made suit and wiggles his ears just as you've known him to do. You can see the little dwarfs as they "dump Grumpy" into the trough to make him wash himself. You see the old Witch as she prepares the poison apple for Snow White. You see in her magic tower room and even Snow White is seen as she takes the apple and falls into her sleeping death.

Poiks, this is sensational; something big. Something good to see, and something to really laugh at. Watch for the date because it's coming next month. Ten marionettes over two feet high—What could be better—unless it's a set for this show? Come on!

J. P. thinks that if Mrs. Byrd keeps insisting on furniture for the doll show for next month he will become a carpenter.

Poor Linden delights in bringing huge boxes to school, especially on the bus.

"We should at least know how to make little brother's clothes when we get the dwarfs dressed," says Bessie Mae.

Ina Lee is having a terrible time in Music Memory because she thinks "Swing Low Sweet Chariot" makes her miss a hundred each day because it sounds like "Swing Low Sweet Cherry Tree."

THE HYMAN HOME DEMONSTRATION CLUB

By Mrs. Carl Lowry, Reporter
The Hyman Home Demonstration club met Oct. 21 at the home of Mrs. VOLLIE JOHNSON. "Social Security" was to have been the subject of this meeting, however it was carried over until the first meeting in November when it will be carried out. The Achievement Day party was given for the entertainment of the community and their enjoyment as well as for the members and their families. There were 41 present at this party. There were three members and one visitor present. Mrs. Stewart joined the club. The club adjourned to meet Nov. 4.

SHIFTING PIPE CRUSHES LEGS OF TRANSIENTS IN FREIGHT CAR AT LORRAINE

Shifting pipe in an open car on a westbound freight train crushed the legs of two transients at Lorraine early Saturday morning and held the men in conscious torture for an hour while rescuers worked frantically to free them.

The men were caught by the pipe when it shifted as the train started after a stop in Lorraine. Before they could be freed a locomotive had to

jerk the car and shift the pipe to the other end.

A physician was on hand to administer sedatives to the men while rescuers tried to move the pipe. Nick Narrell, night officer at Lorraine, and Eddie Pyland, driver of the Jones, Russell ambulance, assisted in rescue efforts.

A Colorado ambulance belonging to Jones and Russell rushed the men to a Sweetwater hospital. Roy McConnell of Ohio suffered one crushed leg. His companion, Calvert Johnson of Cement, Oklahoma, had both legs crushed badly. Both men were about 30. They said they were en-

route to Phoenix, Arizona. They had boarded the freight at Sweetwater.

COLORADO, TEXAS, FRIDAY, OCTOBER 28, 1938

WHIPKEY PRINTING CO.

LAYING OF CALICHE BASE COMPLETED ON SHORT FEEDER ROAD

CONSTRUCTION WORK ON 4.8 MILES OF ROBERT LEE ROAD IS NEARLY FINISHED

Laying of caliche base on 4.8 miles of feeder road branching off Highway One east of Colorado and leading toward Robert Lee has been completed.

Completion of the road construction with asphalt topping will depend on weather conditions, according to members of the state highway department's local engineering force. The completed road, extending from a point on Highway One a short distance east of Colorado to the North Champion creek crossing.

Culverts and bridges along the road were completed some time ago. R. W. McKinney of Nacogdoches is contractor. It is expected that he will move equipment from the road within the next 30 days. Traffic is already going over the road. Work of smoothing and leveling the caliche is now in progress.

The work was begun in June. The state highway department approved funds for work on 9.6 miles of the road early in the year, but has not let contract on the remaining 4.8 miles as yet.

TWO IMPRESSIVE SERVICES SUNDAY CLOSED LONG PASTORATE OF DR. W. M. ELLIOTT AT PRESBYTERIAN CHURCH

Two impressive services attended by capacity congregations marked Sunday as the close of Dr. W. M. Elliott's long ministry in First Presbyterian church.

Dr. Elliott has resigned as pastor of the church to accept a call to the Presbyterian church in Saluda, North Carolina. He and Mrs. Elliott and Mrs. Elliott's sister, Miss Hennie Merriwether, will leave early this week for Saluda.

Other churches of the town dismissed their services Sunday evening to attend the Presbyterian church and hear Dr. Elliott's final sermon, which he insisted was not a "farewell." Topic for this sermon was "The More Abundant Life." The church was packed to capacity, and many visitors were present. A group of about 40 came from the Coahoma Presbyterian church, where Dr. Elliott preached several times during a period when the church was pastorless.

The morning service was marked by five baptisms. W. R. McEntire, III, infant son of Mr. and Mrs. Randolph McEntire, was baptized, as were the three children of Mr. and Mrs. A. H. Shadday of Dallas, formerly of Colorado. The Shadday children are Richard, Dorothy Fae, and Betty Louise, the last being an infant.

Randolph McEntire joined the church at the close of the morning sermon and was baptized.

Dr. Elliott's final sermon Sunday night came more than 30 years after he preached his first sermon as the church's pastor. No other pastor has ever served any Colorado church as long as Dr. Elliott. With the exception of ten years he has been pastor continuously since he first came here in 1908. The thirtieth anniversary of his coming was observed by the church on the first Sunday of last May.

Because of his health, Dr. Elliott tried to resign from his pastorate over a year ago, but the church would not accept his resignation. It was only at his insistence that his resignation was accepted recently. The church and its friends, including other pastors of the town and their wives, honored the Elliotts with a picnic last week.

Dr. Elliott came to Colorado on May 1, 1908, to succeed the Rev. R. M. Hammock as pastor of the First Presbyterian church. At that time the church was a brown frame building on east main street. The church organization is the oldest in Colorado, having been formed under the guidance of the late Rev. O. F. Rogers in the early eighties. The first services were held in a dugout.

At that time Dr. Elliott remained with the church four years, being forced to leave at the end of that time because of ill health of his wife. They left in 1912, going first to a church in Neosho, Mo., and from there to Sarcoxie, Mo. From there they moved to Weatherford, Texas, where Mrs. Elliott died in 1920. Two years later, while pastoring the Presbyterian church in Clovis, N. M., Dr. Elliott married Mary Lou Merriwether. Soon afterward the Elliotts and Dr. Elliott's two sons, Marion and John, came back to Colorado, and have been here ever since.

In those days Dr. Elliott was the Rev. Mr. Elliott. He received an honorary doctor's degree from Austin college, Sherman, two years ago, in recognition of his work on the special Presbyterian synod committee for the college. The youngest Elliott son, John, received his degree from the college at the same time. He is now studying for the ministry in the Presbyterian theological seminary in Louisville, Ky. The older Elliott son is also a Presbyterian minister. He

SCHOOL PROGRAMS FOR LIONS CLUB CONTINUED FRIDAY

HARMONICA BAND AND GIRLS' SEXTET ARE PRESENTED

Continuing its October series of programs featuring talent in Colorado schools, the Lions club had a program directed by Mrs. Farris Lipps, musical director for the school system, at its luncheon Friday.

The program was introduced by W. L. Doss, Jr. A number by the Junior High school harmonica band came first.

This band includes Jack Towery, Juanice Elliott, Frank Leslie King, Fern Gurney, Gloria Davidson, Audra Carey, Berna Jean Beach, Edward Towery, Herbert Almond, Kenneth Cranfill, Jimmie Jenkins, Dorothy Nell Push, and Sylvia Morgan.

Two numbers were sung by the girls' sextet from the Colorado High school choral club. This sextet includes Dorothy Thompson, Fannie Fae Porter, Letisha Crabtree, Doris Kidd, Gladys Jane Brannon, and Mary Jo Pickens.

Tribute was paid to Dr. W. M. Elliott, who is resigning as pastor of First Presbyterian church to accept a pastorate in Saluda, North Carolina. It was Dr. Elliott's last meeting with the club before leaving Colorado. The Rev. C. E. Jameson, pastor of First Methodist church, paid tribute to him as a minister, a citizen, and a Lion.

Dr. Elliott told the club how thankful he is for the association he has had with the club all these years.

Guests included Mrs. Lipps, B. W. Stewart, and T. C. Lerner of the soil conservation service. Stewart was with Jack Christian and Lerner with H. B. Spence. W. W. Porter introduced Lester Short as a returning member of the club. Short is moving his membership back here from Monahans.

THREE MORE CCC BOYS FROM MITCHELL COUNTY

Three more Mitchell county boys were delivered at Lamesa for CCC service by Mrs. Bonnie Burt last week.

They were Thos. George Brown of Lorraine, Earnest Milton Stephens of Colorado, and George Lewis Mahoney of Lorraine.

FREIGHT RATES IN THIS AREA ARE DRAWING FIRE FROM WTCC LEADERS

Freight rates in a West Texas area which includes Colorado are coming in for considerable discussion and criticism from West Texas chamber of commerce officials.

Judged by population and quantity of production, West Texas has the nation's highest freight rate level, according to a statement made by D. A. Bandy, manager of the West Texas chamber, at a meeting of the organization's traffic committeemen in Abilene last week. Bandy stated further that rates in West Texas have increased while those in other parts of the nation have decreased.

A report worked out by Bandy and E. R. Tanner of El Paso, WTCC traffic manager, showed that West Texas west of Abilene has a freight rate of 185 per cent. This percentage is based on the rate for the Ohio-Indiana freight zone, which is conceded to be the official zone with a rating of 100%.

Excerpts from Bandy's report follows:

"Freight on agricultural implements from Midland to St. Louis, a distance of 954 miles, costs \$1.11 per hundredweight. Shipping the same implements from Philadelphia to St. Louis, a distance of 961 miles, costs only 70 cents per hundred pounds.

"Cotton shipped from Ballinger to Houston, a distance of 375 miles, bears 44 cents freight. The same cotton shipped from Hope, Ark., to New Orleans costs 36 cents.

"An average percentage increase in rates (from various eastern points) to Amarillo of 26.8 per cent; to Big Spring 40.1 per cent; to Fort Worth 18.9 per cent; and to El Paso 46.8 per cent has been compiled.

"Others can ship into our territory on lower levels of rates than shippers residing in our territory have to pay for shipping wholly within our territory.

"Cotton, grain and livestock producers are paying higher freight rates for equal haul than similar producers are paying in any other section of the United States.

"The result is that producers in other parts of the United States can reach the WTCC territory at less transportation cost even though they are farther away from export markets than are local producers. High freight rates also are hurting the domestic market as cotton can be shipped from Dallas to Japan for \$2.60 per bale while it costs \$3.65 per bale to ship the same cotton to our southern and eastern mills, the tentative report charged.

"The reason for undeveloped resources of West Texas, such as gypsum and potash, is the disadvantage in freight rates."

FIRST ISSUE OF 'THE SAGE' DISTRIBUTED BY HIGH SCHOOL STUDENTS LAST FRIDAY

First issue of "The Sage," a magazine which is to be published each term by students of Colorado High school, was distributed Friday.

Twelve mimeographed pages of student short stories, poems, reviews, editorials, jokes, interviews and sketches are included in the magazine. Pages are full letter-size, 8 1/2 by 11 inches. All the writing, editing, typing, and mimeographing were done by high school students. Juan P. Mason of the high school English faculty is sponsor.

Nancy Price, a junior, is editor-in-chief. Other members of the staff are as follows: Assistant editor, Freddie Watson; business manager, Harvey Cook; advertising manager, Beulah Robinson; art editors, Alice Womack and Doris Richardson; book review editor, Lucille Dockrey; poetry editor, Sara Guitart.

The fiction division includes the first installment of a serial, "The Professor's Mistake," by M. A. Webb, and three short stories by

Toby Dearen, Mary Beth Gilpin and Earnest Porter.

Illustrations include a page drawing by Alice Womack and a half-page drawing by Orabell Forbes. Loretta Martin, Lorraine High school junior, is author of the guest editorial.

Among the short features are paragraph interviews on "What Do You Think About Poetry?," a word and numeral puzzle, an article on Edna Coe Majors as "Colorado's Poet," an interview with Evelyn Oppenheimer by Theda Howell.

Poems in the magazine are by Sara Guitart and Rowena Autry. Lucille Dockrey has a review of Sophie A. Poe's "Buckboard Days." More than a page is devoted to jokes.

The staff of the magazine acknowledges the help of Mary Price and Theda Howell in cutting stencils.

VISIT IN LUBBOCK

Mr. and Mrs. R. J. Wallace and Mr. and Mrs. R. J. Wallace and Mr. Rod Merritt visited in Lubbock during the week-end.

COLORADOANS AT OES GRAND CHAPTER MEET

Several Coloradoans are in Houston this week for the grand chapter meeting of the Eastern Star.

Among those attending from here are Mrs. A. F. King, worthy matron of the local chapter; Judge A. P. King, worthy patron; Mrs. N. J. Phenix and Mrs. W. W. Porter.

Mrs. Phenix plans to go on to Galveston to spend the winter when the meeting is over. The Colorado group will return about Friday.

IN CHRISTIAN HOME

Mrs. C. D. Hall and daughter, Coral, are visiting this week in the home of Mrs. Hall's sister, Mrs. Jack Christian. The Halls formerly lived in Fort Worth and are now moving to Amarillo.

IN JACK SMITH HOME

Mr. and Mrs. Sam Brewer of Taft were guests last week in the home of their niece, Mrs. Jack Smith. Mrs. Smith's sister, Mrs. Earl Powell of Stanton, was also here part of the week. The Brewers left Saturday.

"I'LL NEVER DO ANOTHER WASHING"

There's no need to---when your laundry conveniently, economically, does your washday work. Scores of women daily are giving up their washers---their washtubs---leaving behind another menial weekly task.

There's one less worry in your life when we magically change your hours of toil into a day of care-free pleasure--- your washday worries are safely in our hands. There's no need to ever return to the carpet beater, the kerosene lamp, the stove heater---or to the washtub.

Read these authentic figures on the TRUE COST OF HOME WASHING
(For a Family of Five)

Visible Costs	Washing Survey Figures	Woman's Magazine Cost Figures
Soap, bluing, starch and water softener	.23	.25
Electricity for washer and lights	.05	.05
Gas for heating water	.14	.139
Water	.05	.048
HIDDEN COSTS*		
Depreciation on washer, tubs, wash board, boiler, clothes line, basket, etc.	.18	.21
Interest on equipment investment	.09	.13
Cost of supplies and equipment	\$.74	\$.827
ADD housewife's time or cost of laundress		

*It is impossible to estimate the amount spent for medical care, made necessary by washday colds, accidents and fatigue.

And remember---one year out of ever seven is lost to you forever when one day weekly is spent over a washtub.

The HOWL

Edited By Pupils Of Colorado High School

THE HOWL STAFF

Editor—Harvey Cook.
 Assistant—Virginia Whipkey.
 Sponsor—Juan P. Mason.
 Reporters—Mary Pickens, Hardison Allmond, Jimmie Harrison, Clayton Henderson, Beulah Robinson, Sara Guitar, Lucille Dockrey, Freddie Watson, Willie Grace Doss, Fay Porter, Annie Louise Shoemaker.
 Typists—Alice Womack, Lucille Dockery, Earnest Porter, Frances Watson, Ruth Hardison.

DO WE LIKE IT?

An Editorial
 Do we like it? The answer is a unanimous yes! Everybody likes school spirit. It's that certain thing that spurs the Wolves on! It's that something that the teachers all enjoy! It's that the students all like! To gain school spirit we have to work together, think alike and act alike. The band and the pep squad cannot make a school spirit by themselves, they have to have the help of the bashful Freshman down to the bold Senior. There is a quotation somewhere like this, "If you work hard enough for a thing, you'll get it." That holds true about enthusiasm in the school. We all like to have a good time at school, why shouldn't we? We spend most of our time there and it should be made as enjoyable as possible, we can make it enjoyable by cooperation in creating a school spirit as well as cooperating in anything else. So let's all work toward the thing we like—School Spirit!

WHO'S WHO ON THE CAMPUS

Miss Velma Barrett
 Miss Velma Barrett's birthplace is Nacogdoches, that historical old town in East Texas. She received most of her schooling in San Antonio where she graduated from high school in 1921. She then attended A. C. C. for four years finishing there in 1927. She went to summer school, preparing for her English career, at U.S.C. Colorado U., Peabody, and T.S.C.W. Miss Barrett had taught English in Colorado High school for several years. She is now in the library where she was transferred the first of this year.
 She likes to roam for a hobby. Likes to sew and cook when the motion strikes. She likes to watch all sports and like all good English teachers should, she lives to read and travel. But best of all, she likes dogs.
 Miss Barrett is well liked by all students for her humorous outlook on life, her gentle charm, and for her friendliness. She takes an active part in student affairs and is always willing to help.
 Ruth Elliott
 With her dark shining curls and cheerful smile, Ruth Elliott presents a personality which is both unique and refreshing. Her soft cultured voice and willing gracefulness contribute further to her girlish charm.
 Ruth is one of the most outstanding members of the Senior class. And surely we could not have chosen a more appropriate editor for the C. H. S. Annual for 1938. Already Ruth's journalistic work for The Howl has attracted quite a bit of attention, for this the second year in which she has been editor-in-chief.
 A good student, a favorite on the campus; the pride of C. H. S.'s literary department.

WOLVES MEET POST ANTELOPES HERE FRIDAY NIGHT

The Wolves looked good this week in practice as they prepared to defend the den against the invading Post Antelopes.
 In district 6-B there was little

change. Snyder moved out of the cellar by defeating Loraine in the only conference game in the district. The Roby Lions saw their chances of beating Rotan fade as they suffered an 84-0 defeat at the hands of Haskell. Merkel lost to Baird while Colorado and Rotan stood idle. And with only two games left to be played District 6-B looks like this:

	W	L	Pct.
Rotan	3	0	1.000
Roby	2	0	1.000
Colorado	2	1	.667
Snyder	1	2	.333
Merkel	0	2	.000
Loraine	0	3	.000

Taking four out of their first six games, the Wolves have piled up 113 points while their opponents have worked hard for 44.

The race has been hot for individual scoring honors and in the number one slot we find Jack Smith, husky fullback of the Wolves who has been across the double stripe 8 times to score 46 points. His running teammate Tommy Chadwick has carried the ball for 36 points. Ross Glover substitute back has found pay dirt twice. His 90-yard run stands good for the best one man performance of the season. Close to Ross we find "Squirt" Wood our candidate for all-district center with 11 points to his credit, kicking 11 out of 17 chances for extra points.

Duff Chesney and Rudel Glover have each tallied once this season, and incidentally Rudel, Duff and "Squirt" were coached by Weidon Skinner, now of Post, and they are out to show him they can still play football.

LA TERTULIA

La Tertulia is now studying the customs, cities, and people of Spain. The reports are varied, including an interesting study of the Moors, Spanish gypsies, sports, and amusements of inland towns and villages.
 As soon as we finish the study of Spain, we will study Peru. As the Pan American Union will meet in December in Lima, Peru, we are planning to make an interesting study of that country.

"SAGE" COMMENTS

J. E. Watson—A noteworthy undertaking—painstakingly done. An attractive format—representative content.
 Miss Barrett—I certainly do like it. It was pretty. It was nice.
 Virginia Whipkey—I think "The Sage" contained the most superior literary works of C. H. S. It was very good.
 James Wulfjen—One of the best things in C. H. S.
 Tom Corley Rogers—it was swell. Something different.
 Mildred Feaster—I enjoyed "The Sage" and I'll be looking for the next issue.
 Mr. Foster—I enjoyed reading it.
 Harry Etta Landers—Thought it was pretty good.
 Delmer Thompson—The jokes were o. k.
 Kathryn Conaway—I think all schools should have a "Sage."
 Ann Axtell—I think that the magazine is good but it doesn't have enough life to make it outstanding.
 Mr. Brazil—Thought it was a very nice magazine. Enjoyed reading it.
 Mildred Henderson—I think "The Sage" is swell and I'm for it a hundred per cent and looking forward for the next issue.
 Percy Morgan—it was very interesting and I enjoyed it a lot.
 Alfred Rhode—it was good.
 Mr. Cline—I thought it was very interesting. I enjoyed most the article about the locker because it expressed my sentiments exactly.
 Bruce Nuckolls—it has some good

stories and good articles in it.
 John Latham—I thought "The Sage" was a good book for the high school students to read. It had most interesting stories in it, and told about our school.
 Nell Ruth Henderson—I thought it was a nice magazine.

NEW EDITOR FOR THE HOWL
 Harvey Cook, beginning this week, is to be editor-in-chief of the "Howl." Harvey, who is an "A" student is very much interested in journalism and newspaper work. Ruth Elliott, former editor, is now editor of the forthcoming annual.
 So, with this, his first edition, we introduce to our readers the new editor of the "Howl."

RECREATION PROGRAM
 A new recreation program has been started in Colorado under the direction of Truett Fulcher of Abilene. The students of high school are interested because the program includes them. It is a WPA project and is carried on in all of the schools. Truett Fulcher is a graduate of Hardin-Simmons University and having won the Golden Gloves championship and lettering three years in football, we believe he knows all there is to be known about recreation for school children.

The program includes all games, such as tennis, boxing, basketball, gymnastics, bally ball, and everything that comes in the field of recreation. Truett is assisted by the following assistants:
 Coleman: Miss Theda Tye.
 Hutchinson and Junior High: Mrs. Dora Ward, Mr. Billie Joe Lindsey.
 High school: Mrs. Pearl Creek, Mr. John E. Crow, Miss Velda McDearmon.
 The program covers especially the physical education period which the school allows the students. We expect big things from Truett Fulcher and his assistants.

DR. W. M. ELLIOTT IN ASSEMBLY
 Last Wednesday Dr. W. M. Elliott of the Presbyterian church gave his last address to Colorado High school before he moves to North Carolina. His subject was "Building A Character."

Dr. Elliott has been in Colorado for many years. During that time he has conducted many assembly programs. The students of Colorado High school have always enjoyed his talks. They are very sorry to see him go, but wish him success in his new pastorate.

THE HOME ECONOMICS NEWS
 Miss Coles received a letter from the Area Supervisor saying that the next Area meeting would be in San Angelo, November 5th. We are to have one person from our club to serve on the nominating committee. The club hopes to have at least one car of representatives to go from here.

SECOND YEAR CLASS HONORS

THIRD YEAR CLASS
 Wednesday afternoon the Second Year class is to honor the Third Year girls by giving a tea. Class III girls are to act as hostess, and style their dresses also. The faculty, guests, and judges will be present. The Autumn theme will be carried out. Autumn salad, bread and butter sandwiches, cheese cubes and tea or coffee is to be served.

THE AGGIES AT WORK

The first four days of last week the second year Aggies studied their record books. Because Mr. Shillingsburg thinks we haven't changed much from last year, we are making a dummy record under his supervision so we won't have to ask so many questions this year. See, he is getting lazy. He doesn't like to answer questions, but he certainly enjoys asking them.

Friday the second year boys borrowed the high school bus and went to Buford to see Johnny Hook's litter of Duroc Jersey pigs. We came back by Oscar Robert's house to see his calf. When we got ready to leave, the ole C.H.S. bus wouldn't budge. She was out of gas. Thanks to Buster and his pickup we didn't have to walk to school. He went after some gas.

Ross Glover, the F.F.A. president, came back to school Friday after having attended the National Future Farmers' Convention and American Royal Fat Stock show at Kansas City, Missouri. We expect to hear some of his experiences this week.
 The Aggies regret the loss of one of the most popular members of the class—A. G. Furlow, the chapter reporter, who moved to Corpus Christi last week.

ADDITIONS TO HONOR ROLL

It is with great regret that several names were omitted from the honor roll. We congratulate the following and regret that there are not more names to be added:

"A" Roll	
Sue Landers	92
"B" Roll	
Harold Bernan	87
Ethyl Bodzin	89
Doris Lynn Brown	86
Wanda Hanson	91
Louis Latham	88

WHAT DO YOU NEED, SENIORS?

Now listen, if you have anything extra-special that you wish to keep "tab on," don't give these Seniors an inkling. Next time they've another scavenger hunt, watch your chickens! Someone had to massacre a chicken for it's liver last Friday night. These "daffy" Seniors went on a scavenger hunt last Friday night and did they have fun! And didn't

JANE GRACEY NOMINEE FOR QUEEN AT H-SU
 Among nominees for the throne of queen at Hardin-Simmons university at Abilene is Jane Gracey, whose address is given as Colorado.
 Jane is a sister of Sid Gracey, who manages the John Deere agency here. Her father is R. E. Gracey of Sweetwater. Her mother, who died several years ago, was the former Fanny Farmer of Colorado.

DANCE
 And enjoy the evening. Get aching corns off your mind. GREAT CHRISTOPHER Corn Remedy removes the corn, roots and all. It never fails. 35c at Osward's Pharmacy.

they have the cutest things to get! A spark plug, a horse collar, a lady's high-top shoe, a white hair from a horse's tail, among other things.
 Where did they get them? Can't say that I know. But I do know that they gave our fair city and country-side the once-over.
 The speediest of all were the girls with Annie Louise Shoemaker. For their ability and speed they received a "simply marvelous" box of candy. Rudel Glover's car ran a close second (including Rudel and his group).
 And to think they wound up with a Wimpy supper at the Broadway! What could be gooder?
 A "super-diving" time was had by all. Don'tcha wish you were a high and mighty Senior? Man, it's sumpin'. I tell ya, when you can look for such queer things without being thought "nutty."

ROBY TAKES WHAMMING OF 84-0 AT HASKELL
 A sickening defeat, 84-0, was administered to the Roby Lions in Haskell last Friday.
 The game was non-conference, and the Lions still share with Rotan's Yellowhammers the distinction of being so far undefeated in district 6-B play. The Colorado Wolves, beaten only by Rotan in the district, are to play Roby on November 18.

A Three Days' Cough Is Your Danger Signal
 No matter how many medicines you have tried for your common cough, chest cold, or bronchial irritation, you may get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel germ-laden phlegm. Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

THAT HOME OF YOURS—
 Is it as comfortable and convenient as you would like it?
 If not, modernization and other improvements offer complete remedy. We know that the cost of such work is uppermost in your mind, but, at your invitation, we will show you how, with accurate plans and our years of experience and quality building materials, you can have a completely modernized home at a reasonable cost.

Plane Starts Burning Too Soon For Star's Safety

Not once, but thrice, Clark Gable dragged Myrna Loy from a blazing plane during a spectacular scene that was not written in the script of "Too Hot to Handle," coming attraction at the Palace theatre, Saturday prelude and Sunday and Monday.

The sequence was to depict Myrna Loy, famed aviatrix, crashing her airplane at a Shanghai airport. Gable, clinging to his newsreel camera atop a speeding ambulance, was racing beside the plane.

The plane had already been crashed on a sixty-acre lot adjoining the studio. For the scene, Miss Loy was

within the plane, which was to appear as burning immediately after the crash. The plane, however, was to be burned by "controlled fire" for Miss Loy's safety.

When Gable leaped to the ground and raced toward the plane, plans had gone amiss. The paint on the ship caught fire and the silver ship flashed into a pillar of flames.

As Gable pulled Miss Loy from the plane, flames licked around their flying suits and the cellophane cowlings caught fire. After the scene when Gable was told the flames had come dangerously near him, he remarked to Director Jack Conway:

"If I had known that, I would have quit acting and got away from there."

Twice again, for the same scene, the plane burst into flames from propeller to rudder, but the studio fire department was on hand to immediately extinguish the blaze. Aside from becoming groggy from smoke, Gable and Miss Loy suffered no injuries.

"Too Hot To Handle," based on a story by Len Hammond, and a screen play by Lawrence Stallings, author of "What Price Glory," and John Lee Mahin, is an adventure-packed drama of the thrilling experiences of a newsreel cameraman and a famous aviatrix.

Featured in a strong supporting cast are Walter Pidgeon, Walter Connolly and Leo Carrillo. The picture follows the joint triumph of Gable and Myrna Loy in their recent co-starring success, "Test Pilot."

"VACATION FROM LOVE"

Ritz—Sunday and Monday
October 30 and 31

A rowdy romantic farce, this measures well up to Leo Lion's program standard and provides plenty of fast-moving entertainment. As a well-balanced mixture of comic capers and sentimental drama, it should send theatre patrons away well satisfied that they have received their money's worth. Dennis O'Keefe, steadily improving as an actor, turns in an engaging performance in his co-featured role, sharing the honors with the dependable Florence Rice, while Reginald Owen has a telling comedy part to which he does full justice. Story gets off to a flying

start when O'Keefe, who has fallen for Miss Rice although he has never met her, crashes in just as she is about to be married at a fashionable society wedding and throws the proceedings into an uproar by objecting to the marriage. George Fitzmaurice directed.

Players are Dennis O'Keefe, Florence Rice, Reginald Owen, Edward S. Brophy, Herman Bing, George Zucco, Truman Bradley.

"A MAN TO REMEMBER"

Ritz—Tuesday and Wednesday
November 1 and 2

Down-to-earth tale of a country doctor, this feature of universal appeal will bear its share of the box-office burden in all situations and is eminently suitable for bookings in subsequent run houses. Edward Ellis

SNYDER GOES ON LOOSE TO ROUT LORAIN 26-0

The "cellar" battle of district 6-B was won by Snyder Friday night when the Tigers defeated Loraine's Bulldogs 26-0 on the Snyder field.

Losing this game put Loraine definitely in the cellar in 6-B. Snyder had been held to nine points in losing five previous games of the season but went on the loose Friday night to defeat Loraine by almost as big a score as the Colorado Wolves did two weeks ago.

DULANEYS LEAVE
Dr. and Mrs. B. F. Dulaney are vacationing in Brownsville and other South Texas points. They left here on Wednesday of last week, accompanied by their daughter, Mrs. Francis Jacobs of Brownfield, who had been visiting them. They stopped in Dallas to get medical attention for Mrs. Dulaney, who has recently been ill. Mr. and Mrs. W. M. Moseley are staying at their home during their absence.

INFLATION THREAT

Present estimate places the population of the United States at about 130,000,000. About 60,000,000 of these are below voting age. Of the remaining 70,000,000, some 13,000,000 are over 60 years old, that is, they are either past usual retiring age or have so nearly approached it as to make the question of retirement an acute one. There are then about 57,000,000 Americans between 21 and 60. Average number gainfully employed in 1929 was slightly above 47,000,000. No one estimates as many on pay rolls now. But in any event, there are at least 10,000,000 unemployed Americans.

So there you have some 23,000,000 of us who as a bloc are not receiving much pay, if any against the most 47,000,000 who are being paid more or less regularly. The majority are probably not very well paid.

The figures are interesting because they must be counted in all consideration of government gratuities whether in the form of pensions for unemployment, for old age, for being unemployable, for being a veteran, for being a supernannuated civil servant, for anything. Today the national pension bill is being overshadowed by demands for higher state pensions—\$30 every Thursday, \$200 every first of the month, etc.

Every economist knows that the higher pension demands that are granted reach, the closer the nation comes to bankruptcy and its blood brother, inflation of the currency into stage money. Most economists—those who are not crackpot economists—know that the California and Townsend plans will create that condition. Oddly enough, no few California and Townsend planners know it, too.

But if you are one of the 23,000,000 Americans getting no pay at all and any of the crackpot plans will pay you \$30 a week or \$200 a month for the even shorter period that may intervene before inflation or repudiation of the stage money sets in, you are better off by the one week or two weeks or one month that you got money while it counted, than if you got nothing at all.

That is not difficult to figure out, is it? How many of the 23,000,000 unpaid Americans are figuring that way? That is the reason why the crackpot pension is a serious threat. It is also the reason why there is basic common sense in the demand of the New Jersey ladies of the Woman's Rebellion that persons on relief be denied the vote.

—Editorial in Dallas News.

ALL GAMBLING HURTS BUSINESS

An editorial from the Chicago Daily News entitled gambling hurts business has been widely copied by newspapers. On which we comment:

From it people should take a second sober thought about gambling. There is a proposal to bring race track gambling back to Texas. Most of us believe that the Texas Legislature and the new Governor will think several times before they give countenance to any such proposal. As the Chicago News most aptly says, it is not the rich or the idle rich who support gambling. The District Attorney's investigations in New York have shown plainly enough what kind of money it is. It is wrung from heartache and poverty. Baby never got those new shoes that the gambler is always calling on the dice or the roulette wheel, or the lottery to bring home.

It would be a godsend for Texas if every businessman, in any line, devoted to moral code, would say, "Gambling rackets in business must stop, and I will begin by stopping all chance and lottery schemes that might be in mine." Curiously, picture shows in New York, picked up in attendance when many of the bookie and other gambling joints were closed. They and all other business had been suffering. Gambling is gambling, and must be paid for by the gamblers in some sort of manner, no matter under what guise a lottery is conducted, or a chance is given on some so-called free premium in a merchandising business.

If lotteries of any character are permitted to run, we should not try to outlaw the companies that guarantee you will win whether present or not. Gambling is gambling whether it comes through the agency of a slot machine, or any other method, such as policy, roulette, bank night or what not. The elimination of it all would add materially to the economic power of the state, and money would flow into legitimate channels. Men who have civic betterment at heart could do no better than to put an immediate stop to all forms of gambling in their community.

In letters to readers this letter comes:

THINKS THEY FORGOT TO REMEMBER THE SABBATH

Our local paper announced that Sunday, Oct. 16, would be Texas Federation of Women's Clubs Day at the Dallas State Fair and that Mrs. R. J. Turrentine, president of the federation, invited clubwomen from over the state to attend the fair on that day. I do not know how many Texas clubwomen attend Sunday school, but those of them who do know that at present church schools throughout the land are studying the Ten Commandments and that on Oct. 23 the commandment under consideration will be the one which says, "Remember the Sabbath day to keep it holy."

What individuals may do in regard to Sunday observance is nobody's business but their own, though the results of their choices may be very evident in a gradual lessening of the public's feeling of reverence for the Sabbath. But when a large and respected organization such as the State Federation of Women's Clubs made up as it is of Christian women, chooses to use the Lord's holy day for a holiday—then indeed we sit up and take notice and begin to ask ourselves if it is really true after all that the Ten Commandments are outmoded.

Most people in thinking of the fourth commandment think only of its negative side—"But the seventh day is the Sabbath of the Lord thy God. In it thou shalt not do any work." They forget that the first sentence in the commandment is a positive statement—"Remember the Sabbath day to keep it holy." I am sure that the clubwomen of Texas are sincere. Those who went to the fair Sunday did not pretend to be keeping God's day holy. They went to have a good time. And no doubt they did not stop to think that their good time means work for many people. Most church members today allow a certain amount of recreation on Sunday to be wholly in keeping with the Lord's intent—but recreation that is commercialized and entails long hours of labor for a host of employees is a wholly different thing.

Only a few weeks ago Governor Alred designated a certain Sunday to be observed in Texas as a day of prayer for world peace. The Christian women of our commonwealth, their hearts grieved for the mothers of Europe, went to church and prayed! We prayed because we believed that God is supreme in His universe, in spite of dictators and potentates. Do not these same women need to pause now and consider the words, "If ye love me, keep my commandments?"

Denton, Texas.

MRS. ARTHUR C. EVANS.

WHAT DOES "CROSSING THE RUBICON" MEAN?

Crossing the Rubicon means committing oneself to a dangerous course from which there is no retreat. In ancient times the Rubicon was a small stream forming the

boundary between Italy proper and Cisalpine Gaul, the province allotted to Julius Caesar. When the Senate voted to recall Caesar in 49 B. C. he decided to march on Rome in violation of a law of the republic which forbade a general to enter Italy with his troops under arms. This act was tantamount to a declaration of war.

The Roman historian Suetonius, who wrote early in the second century A. D., says of Caesar:

"Coming up with his troops on the banks of the Rubicon, which was the boundary of his province, he halted a while, and revolving in his mind the importance of the step he was about to take, he turned to those about him and said: 'We may still retreat; but if we pass this little bridge, nothing is left for us but to fight it out in arms.' While he was thus hesitating a person remarkable for his noble mien and graceful aspect appeared playing upon a pipe. When not only the shepherds but also a number of soldiers flocked from their posts to listen to him, and some trumpeters among them, he snatched a trumpet from one of them, ran to the river with it, and sounding the advance with a piercing blast, crossed to the other side. 'Whereupon Caesar exclaimed: 'Let us go whither the omens of the gods and the iniquity of our enemies call us. The die is now cast.'"

Caesar's crossing the Rubicon with his troops precipitated civil war and made him master of Rome. The river in question cannot now be identified positively. It is supposed, however, that the Rubicon's upper course is represented by the modern Pisciatello and its lower course by the modern Finicino, which flows into the Adriatic near Rimini. These streams, geological evidence shows, were once united.

Uncle Dick McCarty of the Albany News, one of our 80-year-old West Texas editors, some time ago wrote:

NOT OVERLY RELIGIOUS

We attended a banquet over at Abilene the other night. Had a special invitation from Judge Jas. P. Stinson to be his guest at this banquet. It was an annual affair of the Victory Bible Class, of the First Baptist Church, of which Judge Stinson is president and head. It has the distinction of being one among the largest adult Bible classes in the West. Looked to us like some four or five hundred members. So big they had to take out to the Arts building of West Texas Fair Park. We sat next to Judge Charley Combes, ex-mayor of Abilene, now a resident of Stamford, and the president of the West Texas Chamber of Commerce. Charley Combes is a noted lawyer out here in West Texas, and an after dinner speaker of state-wide reputation. Charley said to us, Mack, what are you going to say tonight, we answered him right off the bat, blast it, Uncle Charley. Then we in turn handed the same questionnaire back to Charley, and a like answer he returned. For years the editors of the News and Charley Combes have been speaking to this Bible class, and each of us have said, over and over again all the nice things that we know to say, and told all the funny stories that we know about—and you know, less a fellow is deep like, has a fund of knowledge stored away, like unto the ancient philosophers of old, a fellows think tank runs dry. That was the condition of McCarty-Combes on this occasion.

Then to make it still harder, Judge Jas. P. Stinson said in introducing us to the banquet—McCarty is not overly religious. Now Judge Stinson has been reading the Albany News for the past twenty-five or thirty years, hence he knows all of our shortcomings and gains, knows our weakness, knows our philosophy of life if we have any. Fact of the business is, we change our mind so often that it's hard to understand just where we stand, believe things today, that we did not believe yesterday, and haven't got any better sense than to just blab it out in the meeting. We have a habit of losing our periods every once and awhile, and when we do, we just add an exclamatory damn at the end of the sentence. Now like a country newspaper man would be overly religious—Why doggone your time Judge Stinson, if there had been any newspapers in the days of the Prophets, when the plan of Salvation was being laid, and had Moses, Elijah, Dan or John, and especially Peter had broken into the news-paper business, the plan of Salvation would have gone on the rocks. Run a newspaper, country newspaper and be strictly orthodox is a matter of impossibility. You know George Washington said he could not tell a lie, well be it said that George was never in the country newspaper business, had he been, he would have lied to his Daddy about cutting of that cherry tree. The newspaper man who don't lie about his subscription list, and don't fabricate when he writes up a wedding, the prominence of the groom and the beauty of the bride, or when a prominent politician comes along and slips twenty-five dollars in our vest pocket and says Dick, give us a good boost—Tell the truth, eh? He ain't been born yet boy. Not overly religious, eh? But it's said that Saint Peter is good to the country newspaper boys, meets 'em at the golden gate, hands them a harp, crown and wings. You know while down here on earth, Saint Peter heard the cock crow three times, and he ain't never forgotten the weakness of the flesh. Yes, swapping horses and putting the rotten apples in the bottom of the basket is the failing of the human race—Not Overly Religious, eh?

VENISON AND PORK

Greenville Herald: And about this time of year there are a lot of things to look forward to—not only for football games, but for the huntsman. Local nimrods who get their annual recreation from deer hunting, already are oiling their guns and their boots, getting ready for the opening date on Nov. 16. We have already heard several deer hunters who make the trips every year making their plans to take off a day or so ahead of the opening date. Personally, we will be glad to see the cold weather and hog-killing time—do you know anything that tastes better than the first real country sausage? Unless it is backbone and spareribs!

Tennyson visioned in his Locksley Hall by: "The parliament of man, the federation of the world. And the kindly earth shall slumber lapped in universal law." Now when it comes to this writer: We are unlike Joshua, the Son of Nun Who always stopped when his work was done.

LONE STAR SYSTEM ALWAYS A STEP AHEAD

For the past five years Lone Star Gas System has been a step ahead of the appeal to utilities to loosen up and spend money for expansion and improvement attributed to President Roosevelt, according to M. O. Chapman, manager of Community Natural Gas company who has just returned from the annual meeting of gas company managers and foremen in Dallas.

"Engineering records discussed at the meeting show that we have spent many millions of dollars since 1932 in expansion and improvements to reach new sources of supply, new markets, and to keep gas service rendered by our system to 1,000,000 Texas and Oklahoma customers abreast of modern practices," he said.

"In the past six years, Lone Star Gas Company, the system unit which produces and transports natural gas to the local distribution company constructed and acquired more than 4,000,000 feet of main transmission lines. Since 1932 the system has increased its available supply of natural gas 54 percent. A 20 percent increase in number of gas wells and 13 new gas fields have been added to our more than 4,000 miles of interconnected lines, necessitating large expenditures for labor and materials."

More than 75 miles of street mains were laid last year alone by local distribution companies to serve new additions and expanding populations, he said.

"The implication that public service organizations have held up expansion and rehabilitation expenditures cannot apply to us," the local manager stated.

Other topics discussed at the meeting were: 1939 Certified Performance gas ranges which must have 22 scientific improvements and conveniences to be approved by the American Gas Association; wage-hour law; government regulation and taxation which requires the company to file 27,000 reports annually.

ELIMINATION CONTESTS IN ASSOCIATIONAL BTU TO BE HELD AT BUFORD

Elimination contests in the Baptist Training union of the Mitchell-Scurry Baptist association will be held at Buford Baptist church Sunday afternoon at 2:30.

Mrs. D. V. Merritt, associational B.T.U. director, will have charge. C. A. Burgess of Colorado will lead the opening song service, and the Rev. Mr. Elrod will have the devotional. Business will be taken up between 2:45 and 3 o'clock. Contests will be held from 3 o'clock until 4 o'clock. Miss singing by the juniors and intermedialtes will take place from 4 o'clock until 4:10, and then will come an address by the Rev. E. L. Redden of the Buford Baptist church.

Reba Franklin will have charge of groups and rooms. Mrs. Brunson, of Westbrook will work with the juniors.

Reads the ads as carefully as you read the news articles.

WESTBROOK M. E. CHURCH

Calling all members, calling all members, come see what great things might be done if all would come take a part in the Sunday school—your Sunday school. We are on the up and up and have been now for some time, but we cannot do all that is to be done without your help. That is if you have not been attending. Come on and let's make it the best Sunday school that has been at this church for a long time, but it will take all to do it, and you can have just as good school as you want. So let's set our mark high and then do our best to go to it. We are so glad that you were here last Sunday, but sorry if you were not there. So let's do big things for Him who has done so much for us. Won't you make a try of it with us. Come, meet your friends for some of them may be there. Don't be content just for the children to come. Of course that helps but it would mean so much for the kiddies if you would come with them and train them to stay for the preaching—preaching days.

Your friend and pastor,
R. B. WALDEN.

We invite all of the folks of that community to come be with us for a good day at Dorn church.
Your friend and pastor,
R. B. WALDEN.

BAPTIST CHURCH

Sunday school at 9:45 a.m.
Preaching service at 11 a.m.
B. Y. P. U. at 6:45 p.m.
Preaching service at 7:45 p.m.
Prayer meeting Wednesday at 7:45. Everyone is invited to attend all of these services.

HARVEY LEACH, Supt.
E. L. REDDEN, Pastor.

THE G. A. NEWS

The G. A. girls met at Mrs. Brunson's Monday afternoon, Oct. 17. We organized and adopted "Lucille Ragan" as the name of our G. A. Mrs. Anderson is our counselor and Mrs. Redden is our superintendent.

Those attending the meeting were Mary Helen Blakeney, Helen Rudderick, Irene Alvis, Irene Schaefer, Ida Davenport, Doris Goodrich, Melba Ruth Leach. There were also two visitors: Mrs. Brook and Mrs. Brunson.

The following officers were elected: President, Mary Helen Blakeney; vice-president, Helen Rudderick; secretary-treasurer, Melba Ruth Leach.

We also appointed the committees and chairmen of each: Membership committee, Ida Davenport; program committee, Irene Alvis; stewardship committee, Irene Schaefer; mission study committee, Doris Goodrich.

We had our second meeting at Mrs. Brunson's Oct. 23 and quitted. Our next meeting will be at Ida Davenport's on Oct. 31. We would be glad for all the girls from 10 to 16 to come and join our organization.

MELBA RUTH LEACH.

FOLLOW THE
HUMBLE ROUTE
TO FOOTBALL
GAMES THIS FALL

On your way to and from high school and college football games this fall, stop for service where you see the Humble sign. Humble Service Stations have been expressly designed and carefully maintained to make you more comfortable when you travel by car. Restrooms are spotless, driveways scrubbed, brightwork shines. There is free ice water for yourself, free air and water for your car. Even first aid kits and fire extinguishers have been provided.

The Humble Station salesmen you meet are friendly, prompt, genuinely interested in rendering a helpful service. They know what your car needs to keep it running right and looking good; they know how to speed you on your way.

Follow the Humble route to football games this fall!

HUMBLE

HUMBLE OIL & REFINING CO

A Texas Institution manned by Texans

met Monday with ten members present. Mrs. Jake Reese and Mrs. Van Boston gave the fourth lesson in our study. Mrs. Ganey and Mrs. Lauderdale will give the last study in the book next Monday.

BUILDERS CLASS MEETS

The Builders class met with Mrs. Leroy Gressett last Thursday afternoon with twenty present. After the business meeting Mrs. W. B. Lovelace and Mrs. Van Boston gave the entertainment.

Refreshments of chicken salad, coffee and cake was served to 20 members.

LIBRARY NEWS

Mrs. Rosa Rudderick reports that 1040 books and magazines have been issued during the past week from the high school library.

If the magazines, books and other literature issued aren't returned when due at the end of ten days a small fee of a cent a day is charged. This fine goes into the fund to buy mending materials for the repairing of the books.

R. G. CROUCH CALLED HOME

R. G. Crouch was called to Plainview Saturday by the death of his mother, Mrs. Crouch. Mrs. Crouch has been in bad health for the past year. She died Saturday evening and the funeral services were held Sunday afternoon in Plainview.

Mr. Crouch's many friends are in sympathy with the bereaved family.

LOCALS

Mr. and Mrs. R. B. Walden and daughter of Lubbock visited his parents, Mr. and Mrs. R. B. Walden Sunday.

Mr. and Mrs. S. P. Gates, of Chase, Kansas, were visiting in the home of Mr. and Mrs. C. H. Moore last week. Mrs. Gates and Mrs. Moore are sisters.

Mr. R. L. Terry left Thursday for Albuquerque, N. M., where he will enter the veterans hospital for treatment.

Mrs. Rhode Clawson and daughter of Fluvanna and Mr. and Mrs. Bob Odum and son of Chalk spent the week-end here with Mrs. A. J. Leach. Mr. and Mrs. Byron Terrell and Jam of Lubbock and Mr. C. C. Terry of Lamsey spent Sunday visiting Mr. and Mrs. I. W. Ramsey and Mrs. Ross Terry and daughter.

Mr. and Mrs. Van Boston had as their guests Sunday Mr. and Mrs. Wildman of Roscoe. Mr. and Mrs. Wildman are Mrs. Boston's parents.

Mrs. R. P. Lee of Throckmorton and Mrs. Robert Calvin of Big Spring spent a few days in the Ira D. Lauderdale home this past week. Mrs. Lee is Mrs. Lauderdale's mother.

Tip Gressett of Kermit visited his parents, Mr. and Mrs. E. P. Gressett Sunday.

Mr. and Mrs. Calbert Vain of Big Spring visited in the E. P. Gressett home Sunday.

Mrs. J. W. Bird came home Sunday from the hospital. Mrs. Bird is much improved at this writing.

Miss Hester Cline left Tuesday for Littlefield where she teaches school.

Mrs. Melie Van Horne and Miss Imogene Sheppard left Monday for Odessa where Mrs. Van Horne is opening a new rooming house.

Mrs. Hattie Berry and Harold spent Saturday in Abilene.

Miss Lena Lee Bird, student of McMurry, spent the week-end here with her parents, Mr. and Mrs. O. T. Bird. Miss Bird's roommate, Miss Evelyn Barton of Clyde, accompanied her as far as Westbrook before going to Big Spring.

QUEEN TO BE CROWNED AT SENIOR CARNIVAL

The race for high school football

Marjorie Hardcastle.
CARD OF THANKS
I wish to thank the faculty, Boy Scouts, Freshman class, and many friends for the kind words, sympathy cards, and beautiful floral offerings given me during the sickness and death of my mother.
R. G. Crouch.

JUNIOR NEWS

The Junior class were surprised at some of their grades this month. We all hope they will be better next time. The contest for football queen will close Saturday night at the Senior carnival at 8:30, and she will be crowned at 9:00. Everybody come to see the King and Queen, the princesses and their escorts. We are planning the coronation now and it is going to be very pretty. All the Juniors bring your pennies and vote for Ruby Jo. The Junior girls that play basketball are rather

DISAPPOINTED IN THEIR BASKETBALL PLAYING

(so is coach). Maybe we will do better next time. We wonder why Hazel got her hair fixed so pretty. Could it be because of a certain Sophomore boy? We are proud of the Junior boys that play football, because they're really good, especially Byrl.

The Grassbur came out last week. It was a huge success, and we hope that we will do even better next time. Ruth and Gerald.

FRESHMAN NEWS

Well, here we come again with the news. The latest seems to be that Maxine has turned to a certain Freshman boy. Who could it be, if it is not Perry? With Halloween just around the corner the Fish seem to want a Halloween party. We are expecting Mrs. Cope to give us a party.

From the looks of those report cards the Freshmen will have to get to work. We hope we do better next time. In music class we are making Chinese chimes and other musical instruments.

Say, Virginia and Maxine, reserve the rest of us a place upstairs in which to skip study hall. We like a little meanness too. We are very sorry that Ruthalma Coleman has scarlet fever. We hope she will be back to school soon.

SEVENTH GRADE NEWS

Next week our Library club meets. Our library is progressing nicely. We are planning to buy two new books soon. Everyone seems to be wearing coats as Indian summer is about to change to winter. Hospital News! Trudell Carlisle has bruised her hand. Harold Ganey has a boil on his hand and Nellie Wilson has cut her hand. We hope they are all well in time to take six weeks exams again.
Mary Beth Butler.

TWO IMPRESSIVE--

(Continued from Page One)

queen will be climaxed Saturday night at the Senior carnival with the grand coronation. Whether the queen be of the House of Shelton, Brock, Fortune, McKenney or Maine will be decided by 8:30 Saturday evening and she will be crowned at 9:00. The selected queen will "kick-off" at the Forsan football game here the 18th of November. Don't forget the Senior carnival, Oct. 29. We will offer you any form of amusement you may choose. You can play Bingo or many other games, venture into side-shows and besides all of this we are going to present a main feature different from anything ever seen at the previous carnivals. Come and see if you don't like our carnival better than any professional one you have ever seen. The only thing we lack is a Ferris Wheel and a spill-way but we have enough to make you forget them. There is to be a Physics booth. It is educational, interesting and very new. Let the rest be a surprise to you and bring everyone you can as a surprise for us.

GARNER OUTSCOROS WESTBROOK

The basketball girls lost their first game of the season to Garner by a margin of 11 points. The beginning six included White, Gladden and Cojin as forwards; Smith, Leach and Davenport as guards. Garner received the ball first but Westbrook was first to score. At the end of the first quarter the score was 7-4 in Westbrook's favor. Moon, Hardcastle, Bolin sisters, were the forwards that were substituted. Schaffer, Waggoner, Dockery, Adams and Taylor were substituting guards. The score at half was 15-13. Garner's favor. The game ended with Garner 26, Westbrook 15. Jannie White acted as captain. Altogether it was a pretty good game but we plan to see a better one here the first of November. Blackwell is to be the opponent.
Nita Bess Daniels.

FOOTBALL NEWS

The Westbrook Wildcats played another picnic game on the home field with Garner Friday. It was the sixth game of this season. Out of the six games played, Westbrook has won five. We all think that is an excellent percentage. If the good work continues, we will have another trophy added to our trophy collection.

In the first quarter Garner made two touchdowns and an extra point with each touchdown. In the second quarter, Garner made one touchdown with an extra point. Westbrook made three touchdowns, Jones 1, no extra point, Jones 1 and extra point. The score at the end of the first half was 21-19 in favor of Garner.

Garner made all of their points in the first half. The third quarter, Westbrook made one touchdown.

Fourth quarter, Westbrook made one touchdown. Claxton 1 no extra point. The scores at the end of the game were 31-21, Westbrook winning.
Nita Bess Daniel.

SENIOR NEWS

The carnival for Saturday, Oct. 29, is getting well underway. The Seniors are trying very diligently to get new plans for the side shows, etc. So be sure and come prepared to do and see plenty.

All "ex" students come on up and get your revenge on all the teachers. We are going to make dolls the very image of each teacher and let you chunk at them to your heart's content. What fun!

The Seniors had a class meeting this morning and discussed what they are going to present to the school this year. They decided on a cement walk from the gym door to the west walk inscribing on a block all members of the class, sponsors and the year in which we "hope" to graduate.

Right after the carnival provided we make enough money we are going to start the walk and not wait until just before our trip.

We are planning on having a big picnic the day we come up here and work on the walk. The boys will do the work while the girls stand around and tell them how and fix dinner.

We are glad Lucille Hart is doing nicely and hope she will soon be with us again.

Marjorie Hardcastle.

Dr. W. M. Elliott, Jr., pastor of the Druid Hills Presbyterian church in Atlanta, Ga.

Born in Johnson county near Cleburne, Dr. Elliott did not begin his study for the ministry until he was 22 because he had the responsibility of supporting his mother and his younger brothers and sisters after his father's death when he was 12. He moved his family with him to Greenville, Tenn., when he started on his ministerial studies in the preparatory school at Tusculum college.

He worked his way through three years in this college, then entered the Presbyterian Theological seminary in Chicago for two years, which were followed by studies in the seminary at Louisville. When he finished he was sent into home mission work in the mountains of North Carolina. He met his first wife, Charlotte Crump, while she was teaching in one of the mountain mission schools.

After his marriage to Charlotte Crump, Dr. Elliott pastored churches at Seymour, Texas, Charleston, Ind., and Albany, Ind., before coming to Colorado in 1908.

Dr. Elliott has filled a number of important posts in the organizations of his church. In addition to being a member of the special Presbyterian synod committee on Austin college, he has served as secretary of stewardship in the El Paso presbytery and is a member of the synod committee on stewardship. He was a commissioner from the El Paso Presbytery to the general assembly of the Presbyterian church in Meridian, Miss., last May.

disappointed in their basketball playing, (so is coach). Maybe we will do better next time.

We wonder why Hazel got her hair fixed so pretty. Could it be because of a certain Sophomore boy? We are proud of the Junior boys that play football, because they're really good, especially Byrl.

The Grassbur came out last week. It was a huge success, and we hope that we will do even better next time. Ruth and Gerald.

SEND PAYMENTS SAFELY
-BY CHECK

Why run the risk of sending cash through the mails? Or why waste time and effort paying bills in person? A checking account will do the job for you more efficiently—with greater speed and safety.

All you need do is draw your checks and mail them. The postman and your bank do the rest. A checking account is really a modern convenience that you cannot afford to be without. The next time you are nearby come in and start an account. It will require but a few brief minutes.

PICKED UP ALONG THE NEWS PATH

In a recent Colorado-that-used-to-column in The Record, it was noted in the 25-year-ago division that Jeannette Roe and the Rev.

Thos. W. Curry were married on Sept. 19, 1913, and several pre-nuptial affairs honoring Miss Roe were mentioned. Sunday night that 25-year-ago bridegroom will return to Colorado to preach at First Presbyterian church. He is now Dr. Thos. W. Curry, president of the Presbyterian Theological seminary at Austin.

reported having heard the bolt hiss and crackle—or whatever it is that lightning bolts do.

Whenever I hear, as I have this week, that Mrs. Brooks Bell is in town, a picture concocted of childhood memories flashes into my mind. Somewhere, sometime I must have seen Mrs. Bell with a broad-brimmed hat of black stiff straw tilted over one eye, for that is the way I always think of her. Women who hold themselves erect and their heads high always remind me of her, although I haven't seen her to know her in years. Friends who have talked to her during this visit—she'll probably be gone by the time this gets in print—say she is centering all her enthusiasm now around her four-month-old grandson, who is the son of Dr. and Mrs. Brooks Bell of Dallas. She came armed with several pictures of him.

If you have a habit of listening to the Early Birds program from WFAA each morning, you have recently heard Eddie Dunn, the master of ceremonies, read two selections by a Rowena Autrey of Colorado. They were good selections, too—not the usual maudlin radio stuff. One was a poem, the other a little piece of prose. We have been inquiring about Rowena, and we learn that she is a senior in Colorado High school—an honor roll senior at that. She is the daughter of Mr. and Mrs. B. L. Autrey of Cuthbert, and last year she went to school in Mountain Air, New Mexico. There she was literary editor of the school paper, and also won a medal for her essay writing. She's quiet, they tell me, and very modest about her writing. Attractive, too, with dark hair and blue eyes. She's reported to have written a number of poems.

There are rumors that a well-known Colorado girl—that is, she's a Colorado girl part of the time—will be one of Colorado's late autumn or early winter brides. The supposed-to-be-bridegroom-elect is not a Colorado man, but he is closely related to a Colorado woman.

You might know that no vacation would be complete for Dale Warren unless he did some fishing. He and Mrs. Warren returned late Monday from a month's vacation trip, and enroute back to Texas they stopped in Pensacola, Florida, where Warren realized a life-long yearning to do some deep-sea fishing. We don't have the details on what he caught, but we do hear tell that the Warrens were busy for hours after their return here distributing fish to their neighbors and friends. Warren had an ice box rigged up in the trunk of his car to bring his

catch home. Although he brought home proof that he caught some mighty big ones (mostly speckled trout) Warren also brought home the one thing that fishermen invariably bring—a story about the "big one that got away."

My, my! After failing to find any matrimonial predictions whatever for so long that we were beginning to be a little ashamed of our snooping ability, here we are this week just running over. It has just been whispered in our ever-eager ear that two of Colorado's fairest "working girls" will be going in for matrimony ere long. Both are going to marry fellows who give Colorado as their home address, although one of the fellows hasn't been giving that address very long, and the other has been away from his home address a lot lately. One of the girls is said to be wearing "the" ring already. P. S. Please don't ask us who. These aren't exactly secrets, but we'll let somebody else do the telling—and we'll do the teasing, sez you.

Those Coloradans who remember Katie Warren, now Mrs. Robin Gould, will be interested in knowing that she and her Methodist preacher husband have been transferred from Clinton, Oklahoma, to the Asbury Methodist church in Washington, D. C. This information came to Mrs. Harry A. Logsdon in a letter this week. Mrs. Gould and her husband visited Colorado for the first time in some 20 years last summer, staying in the Logsdons' home while here.

A desire to see the church where her father was pastor 34 years ago caused Mrs. Jas. O'Hear Sanders of Atlanta, Ga., to come sixty miles out of her way for a visit in Colorado this week. Mrs. Sanders is the former Josie Fields, daughter of the late Rev. C. S. Fields, who was Methodist pastor here 34 years ago. While here she visited Mrs. E. H. Winn and other friends in addition to viewing the church. Her niece, Sara Jane Sharp of Dallas, daughter of the former Clara Fields, was with her, and they had been in West Texas on business. Mrs. Sanders is now a violinist of note, and a leading civic worker in Atlanta, making frequent radio talks. She had made two trips abroad, one as an entertainer during the World War, the other to study violin after the war was over.

MESKIMENS HERE

Mr. and Mrs. B. H. Meskimen and Jane Clare of Lubbock were here late Sunday to visit Mrs. Meskimen's mother, Mrs. C. P. Conway.

CARR NEWS

R. M. Jones is reported improving steadily from his recent illness. He had a surprise visit last week from a half-sister from El Paso that he had not seen for forty years.

One afternoon last week the Carr Girl Scouts visited Mrs. Floyd Langley, Mrs. Dan Smith, and Mr. R. M. Jones and sang and gave a puppet show for them.

Mr. and Mrs. Glen Petree of Stanton, Mr. and Mrs. Wess Henderson and daughters of Big Spring, and Miss Rosie Lee Shaffer and Miss Mary Riddle of Big Spring were visitors in the Bob Anderson home Sunday.

Mr. and Mrs. Alvin Byrd and family and Mr. and Mrs. Lynn Halbert fished at Lake Nasworthy, San Angelo, last week-end.

The W. M. Turners had Sunday supper with the Thomas Hoppers of Coahoma.

Mr. and Mrs. Edward McCain and Jimmie Warren of Dunn spent Sunday with her parents, Mr. and Mrs. W. H. Putman.

Mr. and Mrs. Ray Butler and son of Waxahachie visited his sister, Mrs. W. H. Putman, and family last week.

Roy Davis Coles spoke on School Laws at Carr P. T. A. meeting Friday night, Oct. 21.

We especially appreciated, also, the music by the Carpenter string trio and Velma Howell of Rogers, and the chalk drawing by one of the boys.

Mason Baker of Mexia and a nephew, Bernice Aman, visited Earl Baker enroute to Midland last week.

The Lavelle Murphy family visited the former Erlene Murphy near Hobbs, New Mexico, last week-end.

The girls did various things at the Girl Scout meeting Thursday, Oct. 20. All learned to tie the four knots, worked some on memorizing the Girl Scout laws and promise, and voted to donate \$7.50 to the P. T. A. certain fund for the auditorium. Then some of the girls worked on string marionettes, others on hand puppets, two started the study of correct table settings by setting a supper table, and one girl learned a set of chords on the ukelele. At the next meeting they will take the Tenderfoot test, which consists of the Girl Scout laws, promise, and motto.

Mr. and Mrs. Autive Self and family of Kermit visited Mr. and Mrs. R. M. Jones Sunday.

SCHOOL NEWS
Last Thursday Mr. Seba Jones, Mr. Tom Jackson, and Mr. Fred Eikenberg put the second coat of paint on the walls and ceiling of the auditorium. Due to the damp weather it was all still wet Friday night at P. T. A. program, so many who attended took home souvenirs of paint on their clothing.

of chapel Monday. They had a language play, "The New Neighbors," some songs, and a puppet play, "Rastus and Cindy Go Fishing." Visitors at chapel were Mrs. W. O. Jackson, Mrs. Lillian Byrd and Leon, Mrs. Elmo Daniels, Mrs. Charlie Parrish and children, Mrs. Aubrey Rees and Shirley Ann, Mrs. W. M. Turner, Myrtle Turner, Mrs. Tom Grant, and Mrs. Homer Gregory. We are always glad to have visitors at our chapel exercises each Monday morning at 9 o'clock. Billie Jean Smith started to school last week. We are glad to have her.

SALVATION ARMY'S ANNUAL DRIVE ON

The annual drive of the Salvation Army for funds in the Big Spring district, of which Colorado is a part, is now on, according to Thos. Clark, of Big Spring, drive chairman. Quota for the district is \$3,500, according to a letter from Clark. Those who wish to make contributions are requested to mail them to the Salvation Army's district headquarters in Big Spring.

ALL YOUR CURIOSITY satisfied by Your Mileage Merchant... Ask him exactly how you're sure of fast winter starting and extreme oil economy by changing now to WINTER OIL-PLATING

Is OIL-PLATING just a different name? ...No. OIL-PLATING is what Conoco Germ Processed oil does! The out-and-out difference is this: OIL-PLATING will stay firmly attached—plated—clear to the topmost point in your engine, while any plain mineral oil drains clear down the crankcase at every stop. Exactly where is your gain? Well, in starting up again—next day or next month—the coldest OIL-PLATED engine is always oiled in advance...pre-lubricated before any oil down in the crankcase

could ever stir. OIL-PLATING thus keeps every engine part constantly slippery. The starter speeds...the battery lives and so does the engine, free of fierce starting friction. But is there any oil saving? Why?... Because less engine wear puts more miles between quarts. And OIL-PLATING itself never passes out during the use of Germ Processed oil. Only the Germ Process, patented, creates OIL-PLATING, the sensible reason for you to switch to Your Mileage Merchant today.

CONOCO GERM PROCESSED OIL
OIL-PLATING GUARANTEED to lubricate before any oil can drain
