

### LOCAL OBSERVANCE OF BOY SCOUT WEEK TO INCLUDE BANQUET

Plans for Colorado's observance of National Boy Scout week, Feb. 6-13, are being put into final shape this week, according to local scouting authorities.

Outstanding on the week program will be the Lion-Scout banquet to be given at Colorado hotel on Friday night, Feb. 10. Scout leaders from all scouts and their mothers usually attend some local church service in a body, will probably be observed on Feb. 12.

Members of the Lions club, which sponsors scouting activities in Colorado, have drawn names for the banquet and each Lion is attending with a Boy Scout as its guest. Dr. W. B. May, one of the district leaders, is to preside at the banquet. Charles Paxton of Buffalo, president of the Buffalo district of Boy Scouts, has been designated to be the principal speaker.

Arrangements for the banquet are in charge of Dr. May, M. K. Kell, James Heron, W. W. Porter, members of the executive committee of the club. Prof. J. A. Sadler is to be the featured speaker.

A banquet of recognition for the banquet. At the banquet, a number of awards may be presented to the 35 Scouts. Parents and friends who do not wish to attend the banquet may come in later for the court of honor. Dr. May says.

A handkerchief and medal will be awarded by the Lions club in connection with the banquet.

### COUNTY HAS POPULATION WORRIES—BIRTHS LESS, DEATHS MORE IN 1938

If there are true indications, county could lose 2,000 more people in 1939 than it gained in 1938, according to a report from the 1937 census.

The 1937 census showed that the county had a net gain of 1,200 people in 1937, but a net loss of 1,000 in 1938.

The 1937 figures showed that the county had a net gain of 1,200 people, but a net loss of 1,000 in 1938.

**MR. AND MRS. W. A. CROWDER ARE HONORED BY CHURCH ON 60TH WEDDING ANNIVERSARY**

The sixtieth wedding anniversary of Mr. and Mrs. W. A. Crowder, pioneer Coloradans, was marked with a church supper arranged Wednesday night by members of First Christian church. Mr. and Mrs. Crowder are the church's only surviving charter members.

Arrangements for the supper, which was combined with a brotherhood dinner, were made by Mrs. R. P. Tandy, Mrs. R. L. Wigley, and Mrs. Ed Jones, Sr. Tribute was paid to Mr. and Mrs. Crowder by W. W. Porter, who presented them with a white bridal cake as a gift from the church.

Mr. and Mrs. Crowder came to Colorado on July 15, 1885 nearly 54 years ago. Nearly 19 years ago, when he was 70, Mr. Crowder was retired by the Texas & Pacific railroad after having served there for 35 years as freight and passenger agent in Colorado.

The marriage of W. A. Crowder and Mary Elizabeth Lucas took place in Allen, Texas, on February 2, 1879. That was before the beginning of Mr. Crowder's railroad career. At that time he was in the oil business, studying telegraphy on the side. He had been born in Maco county, Missouri, on Oct. 25, 1850 and had come to Texas with his parents in 1872 via covered wagon. They settled near McKinney in Collin county, and four years later Mr. Crowder went to Allen, also in Collin county. Mrs. Crowder was born a McKinney on April 4, 1860, but spent most of her childhood in Missouri.

Days when Colorado was the biggest cattle shipping point in West Texas are vivid memories to Mr. Crowder, for he was in the midst of that activity. He can recall times when he ordered as many as 200

**FANNIE FAE PORTER IS FACULTY'S CHOICE FOR DAR PILGRIMAGE**

Selection of Fannie Fae Porter as the senior girl who will represent Colorado High school in drawings for the annual D.A.R. Good Citizenship Pilgrimage to Washington, D. C., was announced this week by the high school faculty.

Miss Porter, daughter of Mr. and Mrs. W. W. Porter, is president of the senior class. She has always taken a leading part in student activities.

Geneva Campbell was second choice of the faculty and Aleene Bodine was third. Selections were made from the 45 girls in the senior class. Qualifications considered by the faculty in making the selections were dependability, service, leadership, patriotism, and scholarship.

Name of Miss Porter has been certified to R. N. Sandlin, deputy state superintendent at Abilene. The first drawing will be held there, and the name of the lucky girl or girls will be forwarded to Austin. Other district superintendents will also send their names to Austin, and there another drawing will be held.

The four lucky girls will receive a trip to Washington, D. C., with all expenses paid.

**FIRST AND SECOND CLASS BOY SCOUTS WILL BE REVIEWED**

A board of review for first and second class Boy Scouts of the Colorado district is to be held at the scout hall Friday night, according to W. W. Porter, district commissioner.

**COLORADO CONTRIBUTED \$556 TO SCOUTING IN BUFFALO TRAILS COUNCIL DURING 1938**

A total of \$556 was paid from the Colorado Boy Scout district to the Buffalo Trails council to carry on scouting activities in this area during 1938, according to a report recently issued from council headquarters at Sweetwater.

The Sweetwater district led in donations, having a total of \$2,600. Big Spring was second with \$2,003.50. Midland's district gave a total of \$2,445.50, with Midland proper giving \$1,500 and Odessa giving \$945. The Pecos district, including Pecos, Monahans, Kermit, Wink, and Grandfalls, gave \$1,480.84. Colorado's donation was fifth, and that for Snyder sixth with \$434.75.

Excerpts from the report are as follows:

"Through the efforts of more than 300 men, the Buffalo Trails Council was able to show a substantial gain in boys served in 1938 and continue onward toward its final objectives of the Ten Year Program. During 1938 ten new troops were organized and five were dropped, increasing our enrollment from 54 troops in 1937 to 59 troops at the close of 1938, making a net gain of five troops.

"During the year 548 new Scouts joined and 440 Scouts were dropped due to failure to pay registration fees, moving, age, and various other reasons. Our enrollment on December 31, 1938, was 1326 Scouts compared with 1218 Scouts the previous year. This represents a net gain of 108 Scouts.

"During the year 2 new Cub Packs were added; 1 was dropped, making a total enrollment now of 7 Packs.

"The Cub enrollment for the year increased from 135 on December 31, 1937, to 151 on December 31, 1938. 62 new Cubs were enrolled and 47 were dropped. Most of the 47, however, became Scouts.

"Troops are located at Big Spring, Midland, Sweetwater, Colorado, Coahoma, Stanton, Snyder, Roscoe, Odessa, Pecos, Rotan, Roby, Sylvester, Forsan, Westbrook, Loraine, Spade, Conaway, Pyron, Ira, McCaulley, Dunn, Hermleigh, Turner, Fluvanna, Blackwell, Penwell, Andrews, Grand Falls, Barstow, Monahans, Wink, Kermit, Aspermont, Hobbs School, Lenora School, Valley View School, and Merrick School.

"Six District organizations administer Scouting. These are Pecos, Midland, Big Spring, Colorado, Snyder and Sweetwater.

"During the year, a total of 1766 Scouts were on the rolls with 198 Cubs making a total membership for the year of 1964 compared with 1759 for 1937.

"During the year, 62 court of honor sessions were held. One hundred ninety-eight scouts became second class, 106 advanced to first class, 73 became star, 51 advanced to life and 14 gained the coveted Eagle award. Six scouts received eagle palms. Eight hundred eighty-seven Merit badges were awarded. Fourteen sea scout awards were made and 30 Cub awards were presented. A special court of honor was held at camp."

**RENDERBROOK'S FAMOUS HERD OF PALOMINO HORSES WRITTEN UP IN ABILENE NEWSPAPER**

The famous herd of "Palomino" horses which the Renderbrook ranch has developed during recent years was written up as follows in the special Hereford edition of the Abilene Reporter-News on Sunday:

If you name Palomino horses to a Mitchell coutian, or to many a West Texan outside Mitchell county, for that matter, the chances are great that he will think immediately of the Renderbrook ranch, which has headquarters in southern Mitchell county.

Horses are the special hobby of E. P. Ellwood, who owns the Renderbrook. This is the fact behind the development of the Palomino herd which now roams the Renderbrook ranges.

Whenever the Renderbrook—call it Spade if you prefer—rides abroad officially, it rides on Palomino horses. This goes for the Ellwoods, Manager Otto F. Jones, the various ranch bosses, their wives and daughters, and the cowhands. The ranch now has a herd of about 30 of these horses.

The horses are not yet true Palominos, it is pointed out, but Mr. Ellwood intends for them to be some day. Most of those now on the ranch are quarter-bred Arabians.

Only the fact that there's an occasional horse with a dark mane and tail gives this away, however. Most of the horses have the cream-colored body and the white mane and tail of the true Palomino.

The ranch started its so-called Palomino herd back in 1920 when Mr. Ellwood bought about 10 dun-colored buckskin mares which came from the Garden City country. Later he bought a registered Arabian horse from "up north." This horse was bred to the buckskin mares, and only

**HIGH PRAISE WON BY ARTISTS APPEARING HERE FRIDAY UNDER CLUBS' SPONSORSHIP**

Winning high praise for their good sportsmanship and gracious generosity as well as for their unusual talents, Ho-Te-Ma-We, Indian mezzo-soprano, and Cleo Allen Hibbs, composer-pianist-tenor, appeared in a concert at the high school auditorium Friday evening under sponsorship of the Mitchell County Federation of Women's clubs.

Less than 30 persons attended, but these came away so enthusiastic that the town has probably heard more about the concert than it might have heard from a less appreciative audience of 10 times that size.

Although they were given the opportunity to call the concert off after it became apparent that the audience was to be so small, the two artists insisted that they would not disappoint the few who had wanted to hear them, and for those few they went through their entire program. They even added four encores.

Ho-Te-Ma-We's rich voice, flexible on the lighter notes, combined with her dark and graceful charm and her expressive gestures to captivate the audience from the beginning. She wore a dress of deep red lace in her first two groups of numbers, the first group being in French, the second in Spanish. Her readings were as well-received as her songs.

For her third group of numbers, she wore the colorful costume of her race. Included in this group were two songs by Troyer, one by Jeancon, and one by Cadman. Cadman is known to have often praised Ho-Te-Ma-We's interpretations of his songs.

With one exception, all of Mr. Hibbs' numbers were original compositions. An especially exquisite one picture was his "Autumn in the Woods." He played and sang one composition, "God Made a Rose," which is appearing in the new Etude, leading national music magazine.

Mr. Hibbs' closed his group of numbers with "Dreams," one of his original compositions which Nelson Eddy recently sang on the radio.

Mrs. S. H. Millwee, local clubswoman, had this to say of the concert:

"The coming of Ho-Te-Ma-We and Cleo Allen Hibbs was indeed a treat for the people of Colorado. They are truly artists of outstanding talents. . . . The songs and interpreted poems of the princess held us breathless. Her charm, beauty, simplicity and ability were the greatest we have ever seen. We wished that every child in Mitchell county might see and hear her so that his dreams of an Indian princess might be realized. . . . Mr. Hibbs was enthusiastically received in his renditions of his own compositions. We recognized his competency as a performer as well as a composer. These artists afforded an evening of the highest type of entertainment."

Reaction of a school girl to the

concert is outlined in this paragraph by Juanice Elliott:

"Ho-Te-Ma-We and Mr. Hibbs gave the best concert I have ever heard. . . . Her Indian costume was made by Chief Big Tree and his wife, and Chief Big Tree is the Indian who posed for the picture. At the End of the Trail. . . . I was thrilled most when Ho-Te-Ma-We dedicated a number about the Brownies to my little sister, Shirley Anne. She was so friendly a child felt free to talk to her. . . . The things I liked best about Mr. Hibbs and his compositions were 'Drums,' which Nelson Eddy has sung several times, and 'God Made a Rose,' which is in the January issue of Etude."

**CARR NEWS**

The last of the Carr patients, Mr. T. R. Haggard, left the hospital Sunday. He came home and is reported doing nicely. Not so fortunate, however, is Mr. Hugh Daniels, who was removed Friday to the home of his brother-in-law, Dick Gregory, with the intention of spending the night and coming home Saturday. He was not feeling well enough to be moved Saturday, however.

Mrs. B. L. Chaffer of California visited her brother, Angelo Davenport, over the week-end.

Mr. and Mrs. Lynn Halbert spent Sunday with Mr. and Mrs. Albert Smith and Margaret Jackson of Gay Hill. It was Mrs. Halbert's birthday and they had prepared a birthday dinner in honor of the occasion.

Next Sunday is Quarterly Conference day at the Carr Methodist church. There will be "dinner on the ground."

Mr. and Mrs. Charlie Parrish and children spent Friday night with his parents near Vincent.

Mr. and Mrs. Elmo Daniels are driving a new car.

Mrs. W. M. Turner, Dewey and Myrtle Turner spent Monday with Mrs. Turner's sister in Big Springs. Dewey Turner spent part of the week-end visiting in the Lightfoot home at Rogers.

Visitors in the W. O. Jackson home Sunday were the Tom Jackson family, the Avin Ruffin family of Chaik, and Mr. and Mrs. Elmo Daniels.

Mr. and Mrs. Fred Eikenberg and family visited relatives at Snyder Monday night.

**FARM GAIN IS SOUGHT**

COLLEGE STATION. — Cotton farmers must do everything possible to get the utmost return from their 1939 crop, E. A. Miller, agronomist of the Texas A. and M. College Extension Service, said in listing points that would help to increase income. The biggest gain, Miller believes,

can be made through improvement in quality. He urged community, county, and area organization along the one-variety line. "This is important not only because quality and uniformity will bring in more cash per acre, but we need improvement if we are to develop our cotton markets and meet foreign competition," he pointed out.

Soil and water conservation will bring results, the agronomist stated, and quoted increased annual net returns of \$6.51 an acre obtained at the Spur Agricultural Experiment Substation from terraced land farmed on the contour over land farmed with the rows running down hill in a 12 year test.

"It is a good crop insurance to treat cottonseed with 2 per cent ceresan at the rate of three ounces per bushel," Miller said. Increases in yield through this practice were 25 per cent at College Station; 15 per cent at Temple, 9 per cent in the Brazos Bottom, and 4 per cent at Lubbock, recent experiment tests show.

Commercial fertilizer and manure on sandy and sandy loam soils have proved profitable, and he urged farmers to consult county agricultural agents for local recommendations as to amounts to use.

"Insect control is going to be important in 1939, and no farmer should forget seedbed preparation and cultivation," Miller concluded.

**DAUGHTER TO POLKS**

A daughter who is to be called Edelweiss Ann was born to Mr. and Mrs. James K. Polk in Hendrick Memorial hospital at Abilene on Saturday morning. Mr. Polk is a member of the faculty of Colorado Junior High school. Mrs. Polk is a daughter of Dr. and Mrs. Millard A. Jenkins of the First Baptist church at Abilene.

**SERVE WAFFLES FOR BREAKFAST**

• Why not surprise the family with golden brown waffles at breakfast tomorrow? They are easy and inexpensive to make, for Reddy Kilowatt, your electrical servant, will bake five waffles for one penny, so low are his wages. The electricity costs less than the butter spread over the waffles.

Enjoy waffles at other meals, too, for there are many kinds of waffles that can be served at lunch or at dinner. And if you need a new waffle iron, you'll find that the new automatic heat-indicating irons sold in most stores make waffle baking easier than ever.

RECOGNITION IS BEING WON BY NEW FIRESTONE TIRES

MANAGER OF LOCAL STORE OUTLINES MERITS OF NEW PRODUCT

Introduced to the motoring public a few weeks ago, the new Firestone Champion tire, a product of years of speedway experience and laboratory research, has already won the recognition of American motorists as one of the truly great safety contributions in the history of the motor car.

Although smartly streamlined and ultra-modern in appearance, with a revolutionary new Gear Grip tread pattern, most of the major structural advantages of the new Firestone Champion tire are not outwardly apparent.

IT'S HERE! The NEW Firestone CHAMPION TIRE

FLOYD ROBERTS 1938 National Race Champion... whose very lives and chances of victory depend on tire safety.

FIRESTONE triumphs again! This time with the new Firestone Champion, the tire that sets the safety standard for 1939.

From the experience gained on the speedways of the world and in the Firestone laboratories, Firestone engineers have developed a revolutionary new type of cord body called Safety-Lock, which provides amazingly greater strength.

The Firestone Champion Tire embodies the famous Firestone Triple-Safe construction — you get the exclusive and patented Firestone construction features of Gum-Dipping, two extra layers of Safety-Lock cords under the tread and Gear-Grip tread edge.

Come in today and equip your car with a set of new Firestone Champion Tires — the only tires made which are safety proved on the speedway for your protection on the highway.

PICKED UP ALONG THE NEWS PATH

You've heard the old crack about doctors burying their mistakes. It's quite unfair, in our estimation, but if there be any truth in it, we'd like to be a doctor for a little while in order to bury some portions of last week's paper.

Still, we do appreciate having errors brought to our attention. When a correction is indicated, we are glad to make it.

STOP Coughing and Stop It NOW

"Because of the stronger cord body, tread thickness has been increased without danger of separation. This feature, aided by the use of a new and tougher tread stock provides a substantial increase in non-skid mileage.

"Even after thousands of miles of tread wear, Firestone Champion tires retain their superior non-skid qualities, insuring maximum protection against skidding.
