THE Enormous Demand

FOR GOOD MERCHANDISE

Increasing daily and it has not been a surprise to us, but it has been a positive proof that our goods are popular and that we have hit a responsive chord among the people throughout Goldthwaite and Mills county. It is our motto at all times to give the best goods for the least money. When buying goods you want something that has value in it, this we give you, for we handle only dependable goods. We have no "Fake schemes" to offer you, neither do we make false representations in order to sell you. We have no premiums to give you, but instead we give you values. We are willing to compare our goods and prices with anybody, and if you will do this we have no fears in saying that we will get your trade. We are cutting the prices in every department in the house. You will not find a better variety or larger stock to pick from, and you cannot find goods cheaper than we will sell you.

Some people advertise the "cheapest" goods on earth, but we don't sell that cheap kind. If you will consider, you will conclude that it is better to buy goods that have a value to them than to buy trashy, cheap stuff.

MULLIN.
 Editor Eagle: Nature has been playing strange freaks in the weather the past week; autumn, spring and summer have each performed a part. First the winds moan and sigh like the dying summer; then suddenly spring comes boisterously forth as though March was with us again; then falls the gentle April showers, making the farmers smile with delight at the vision of fine crops. "Old Sol" then makes his appearance, illuminating the earth and making the heat oppressive. These atmospheric changes have been taking place daily for a week or more.

Quite a number of young people met a few Sundays previous to this writing and organized a singing class at Indian Gap. They decided to sing on the first and third Sunday evenings of each month. Everybody come.

The Baptist revival is to begin at the Gap on Saturday before the third Sunday in July. All who are interested in this meeting have a hearty invitation to be with us. We are greatly interested in the building of a new Baptist church at Priddy, and hope it will soon be erected.

PRIDDY.
 Editor Eagle: Several showers have fallen this week, and at this writing it looks as though it would rain some more. The thresher is in our community now and farmers will be kept very busy for a few days. The picnic Saturday seemed to be an enjoyable affair. A large crowd attended. There was plenty of everything nice to eat and drink. Beautiful shades, good music and interesting speaking. TUCUMCARI, N. M.
 Editor Eagle: If you have the space to put this letter in I will give you a few dots from Tucumcari. This is a fine little town, located on the Rock Island railroad. Has about 1500 inhabitants. This is a fine cattle and sheep country. Not very much farming only in spots. Nice climate. The country is settling up fast. Claims are getting scarce close to town. There are a good many Mexicans here. They have some sheep and cattle. Some are very neighborly and others are not. Crops look well here now. Mr. Crabtree of Big Valley is here; he has a right smart property here. He has just returned from a visit to Oklahoma; spent the winter there with his daughter, Mrs. Dora Elliott. Come to this country if you want to enjoy fresh air and mountain scenery, and while you are here have Phillips & Nowell to photograph you. We are the sole photographers of this place. R. A. THE DIAMOND CURE.
 The latest news from Paris is, that they have discovered a diamond cure for consumption. If you fear consumption or pneumonia, it will, however, be best for you to take that great remedy mentioned by W. T. McGee of Vanleer, Tenn. "I had a cough for fourteen years. Nothing helped me until I took Dr. King's New Discovery for consumption, coughs and colds, which gave instant relief and effected a permanent cure." Unqualified quick cure for throat and lung troubles. At R. E. Clements' drug store; price 50c and \$1.00 guaranteed. Trial bottle free.

CONSUMPTION'S WARNING
 The aid of scientific inventions is not needed to determine whether your lungs are affected. The first symptoms can be readily noted by anyone of average intelligence. There is no disease known that gives so many plain warnings of its approach as consumption, and no serious disease that can be so quickly reached and checked, if the medicine used is Dr. Boschee's German Syrup, which is made to cure consumption. It is in the early stages that German Syrup should be taken, when warnings are given in the cough that won't quit, the congestion of the bronchial tubes and the gradual weakening of the lungs, accompanied by frequent expectoration. But no matter how deep-seated your cough, even if dread consumption has already attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c. Regular size, 75c. At all druggists.

FORCED TO STARVE.
 R. F. Leek of Concord, Ky., says: "For 20 years I suffered agonies with a sore on my upper lip, so painful sometimes that I could not eat. After vainly trying everything else, I cured it with Bucklen's Arnica salve." It's sure relief and cure for headaches, dizziness and constipation. 25c at R. E. Clements' drug store.

A SURPRISE PARTY.
 A pleasant surprise party may be given to your stomach and liver by taking a medicine which will relieve their pain and discomfort, viz: Dr. King's New Life Pills. They are a most wonderful remedy, affording sure relief and cure for headaches, dizziness and constipation. 25c at R. E. Clements' drug store.

CONFEDERATE REUNION.

A LARGE CROWD EXPECTED. GREAT PREPARATION.

Next week the Confederate reunion will be held in this city. The veterans and their friends from other counties will begin to arrive Monday and it is to be hoped that they will remain all three days. Preparations have been made for the entertainment of the visitors and special care will be taken by the people here to see that the old soldiers enjoy the occasion of their reunion. Judge H. T. White is in charge of the arrangements for the dinner on July 5, which will be the last day of the reunion. This is not to be a regular barbecue, but arrangements have been made to have some barbecue and coffee to supplement the basket dinners. Johnnie Allen has succeeded in raising the money to employ a band to come the night of July 3 and remain until the morning of July 5. The Brownwood band has been secured at a cost of \$50 and expenses. Col. Jas. L. Slayden will be here Monday morning and will remain until Tuesday morning. He will speak Monday night and it is hoped that most of the visitors will be here by that time, for Col. Slayden is a good speaker and will be sure to interest and entertain his hearers. Prof. G. H. Hogan of San Saba is to speak at about 11 o'clock July 4 and Rev. J. T. Fariss of this city will deliver an address at 2 o'clock in the afternoon of the same day. Prof. Hogan is said to be a very fine talker and we all know that whether Fariss is a man of learning and an orator who holds the attention of his audience. Hon. C. K. Bell has written the committee that he will not be here to speak on July 4. He has decided to accept a similar invitation to be at Meridian on that date and offered to come here July 3, but the committee wrote him declining his offer, knowing that the people would not and could not segregate here Monday to hear him speak. Other speakers will be placed on the program to fill the vacancy. Some of the business men agreed to close their places of business for several hours during July 4, but as all would not agree to it there will be no cessation of action in the matter. Some will close a part of the day, no doubt, but those who do not care to do so are under no obligation to close at all. At night the young people will take charge of the program and will render recitations and songs, along with a play of two acts that will be decidedly interesting. The play was written by Mr. Leonard Doughty of this city and will be presented by local talent. Dr. Taylor is in charge of the program for vocal music and one of the best singers in the town enlisted in the service. Solos, duets, quartets and choruses will be on the program for the three days. Hon. C. H. Jenkins of Brownwood will be here July 5 and will speak at 11 o'clock in the morning and after his speech dinner will be served. A number of business men contemplate placing tents on the reunion grounds to be used for rest rooms and for an advertisement of their goods. This is a good idea and the Eagle hopes to see it adopted by a large number.

TRAINS CHANGE.

The train that has heretofore run between Brownwood and Temple will run through to San Angelo hereafter, and there will be a slight change in the schedule. The early morning train will hereafter be due here at 4:05 instead of 7:50 and returning will be due here at 7:50 instead of 7:05 in the evening. The train from Temple in the evening will reach here at 7:50 and will go through to San Angelo. Leaving San Angelo at 10:15 in the morning it will reach Brownwood at 3:10 in the afternoon and will remain there until the following morning, when it will go to Temple, passing Goldthwaite at 5:45 in the morning.

WELTY ACQUITTED.

In a report of the Welty trial at Brownwood the Pecon Valley News says: "The famous Will Welty murder case came to a close Monday at 3:05 o'clock and the judge delivered his charge to the jury. Exactly one minute elapsed from the time the jury began its balloting until a verdict was reached, which read as follows: "We the jury find the defendant not guilty as charged." "Most of our readers are familiar with the details of the case, how Henry Smith, a young man who lived near Mullin, was found murdered near a gate in a lonely lane on the morning of July 13, 1903. Three days later, Will Welty, who had been an intimate friend of the murdered man, was arrested, charged with the crime. In the trial held at Goldthwaite the jury declared Welty guilty and gave him a life sentence. A change of venue was granted and the case transferred to this place resulting in a mistrial last fall."

SCHOLASTIC CENSUS.

Judge Patterson has completed the work of compiling a list of the different school districts in the county, together with the number of pupils, their age, sex and other information required by the state superintendent. This roll shows a total of 1744 children in the scholastic age in this county, outside of Goldthwaite and Mullin. This is an increase of 80 over last year. Of this number there are 897 boys and 847 girls. In Mullin the total number is 117 against 105 last year. There are 69 girls and 48 boys on the Mullin list. At Goldthwaite the total is 305 against 303 last year and of these 153 are boys and 152 girls.

CHRISTIAN REVIVAL.

A revival has been in progress in the Christian church here for two weeks and it will continue over Sunday. Services are held every night and large congregations are attracted. Elder O. M. Thomason, pastor of the church, is doing the preaching and Miss Tommie Cehand of Marble Falls is leading the song service. Already six converts have united with the church and been baptized and it is hoped that more conversions will result from the services before the meeting closes. Elder Thomason announces that he will preach his farewell sermon Sunday night.

ROCK SPRINGS, Editor Eagle:

After an absence of a month I will now make my appearance to reveal the few items of news to the Eagle readers. This section has been blessed with nice showers of late, and the farmers are calculating on fine crops. Earl Cooke, the little son of J. R. Cooke, had his tonsils taken out this week. He is getting along nicely. C. H. Harrell and daughters, Misses Lizzie and Ethel, attended church at Hanna Valley the first Sunday. The second Sunday was a very pleasant day at this place. Rev. Gartman preached to an attentive audience at 11 o'clock. The young people attended singing at the school house in the afternoon; then at the home of W. J. Stark at night. Our singing is generally good, but we hope to have a school here in the near future. Oh, just listen at the wedding bells in nearly every direction. We think I can almost hear them at Rock Springs. Miss Beadie Lindsey, daughter of Charley Lindsey, who has been attending school at San Saba, spent a few days with home folks this month. She has returned to San Saba and expects to attend the normal at that place. Quite a crowd of the Rock Springs people spent last Saturday on the bayou fishing. They report a nice time, having caught plenty of fish. W. J. Stark and family have been enjoying the fine gospel sermons preached at the Christian church at Goldthwaite the past two weeks. Dr. Fowler of Goldthwaite and Elder Aldredge of Hanna Valley occupied the pulpit at Rock Springs the third Sunday. Eld. O. M. Thomason and wife, Miss Tommie Cehand of Bertram and Miss Lula Faulkner were the welcome visitors of W. J. Stark and family last week. Messrs. Charlie Lindsey and W. J. Stark are having their houses painted, which adds very much to their appearance. Walter Weathers of Goldthwaite is doing the work. What has become of the News Boy? I hope the Book Agent and G. V. M. will have the opportunity to come often. Their items prove quite interesting. SAME WRITER.

WITTIG-REED.

At the home of the bride's parents, Mr. and Mrs. M. B. Reed of Brown Creek, on June 22, Mr. Albert E. Wittig of Biebee, Arizona, and Miss Willie May Reed were united in the holy bonds of matrimony by Elder Hays. A large assembly of relatives and friends were present to witness one of the prettiest private weddings that has been recorded in quite a while. The bride grew up to womanhood right in our midst and the writer can truly say she is one of Mills county's most noble and charming young ladies. The groom is a very promising young man. After the ceremony was performed refreshments of the nicest kind and in abundance were served and all enjoyed themselves very much for hours. The young couple will leave in a few days for their future home in Arizona. They have the best wishes of the entire community.

A FRIEND.

The Eagle joins in extending congratulations and good wishes to this young couple.

COPPERFIELD.
ONE DOLLAR SAVED REPRESENTS TEN DOLLARS EARNED.

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he cannot be too careful about unnecessary expenses.

Very often a few cents properly invested, like buying seeds for his garden, will save several dollars cut later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by all druggists.

Witness my hand at Brownwood, this 28th day of June, A. D. 1905.

Jacksonville, Texas, Feb. 2, 1903.—Dr. E. W. Hall, St. Louis, Mo. Dear Sir—My wife was cured of kidney and bladder trouble in 1903 by the use of one bottle of your Texas Wonder, Hall's Great Discovery, and I can cheerfully recommend it to others suffering in some manner. Yours respectfully, A. M. DUKER.

It's Your Kidneys.

DO NOT MISTAKE THE CAUSE OF YOUR TROUBLES—A GOLDTHWAITE CITIZEN SHOWS YOU HOW TO CURE THEM.

Many people never suspect their kidneys. When they have a lame, weak or aching back they think it is only a muscular weakness. When urinary troubles sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disease. That is just where the danger lies. You must cure these troubles because they are certain to lead to more serious life.

Doan's Kidney Pills is the remedy to use. It cures all troubles caused by weak or diseased kidneys.

Leon Evans, farmer, living nine miles west of Goldthwaite, Texas, at Pecan Bayou, says: "Both myself and wife have used Doan's Kidney Pills with excellent results. I have suffered off and on for several years, with a constant misery in my back, and at times it was so bad that I could scarcely get around. Seeing Doan's Kidney Pills advertised at R. E. Clements' drug store, I procured a box. I had not used over half of it when the pain disappeared and the secretions, which had been too frequent, became regular. Seeing how they had benefited me, my wife started using them. The bearing down pain across the small of the back from which she suffered soon disappeared. We cannot recommend Doan's Kidney Pills too highly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

STATE LANDS.
Austin, Texas, June 15, 1905.

I have delivered to the State Printer a list of the tracts of land that will be on the market for sale September 1. With the list is included all necessary information how to proceed to buy the land. It amounts to about six million acres, and ranges in price per acre from \$1 up, one-fortieth cash, balance on forty years' time, with three per cent interest. It is all the land in many of the counties, but is only about one-third of what the state has remaining unsold. In many of the extreme western counties, where much is leased, that only is given which is thought to more probably be first in demand. The printing company promises to deliver the printed list by July 1. Then it will be ready for free distribution to every one who will ask for it.

These lands are for those wanting homes on them. The terms of sale are easy. Every homeless person with a few dollars will have an equal chance with those of larger possessions. I am determined that this information shall reach those most desirous of taking advantage of the state's liberal terms. To that end you are asked to kindly give this a place in your paper, and suggest that all your exchanges publish it for the benefit of their readers.

In addition to this effort I shall mail copies to every county and precinct officer and postmaster in the state. It has been and is yet my purpose to bring reliable information from the land office as close to the people of the state as possible through every available means. If any reader wants a list, just write me a card or a letter to that effect. As a medium for disseminating reliable information, newspapers have no competitor, hence their co-operation is asked in this effort in behalf of their readers. The public ought to know more about our public lands, how they are disposed of and where located. This

There is a lusty rumor abroad, particularly amongst Santa Fe employees, that a double daily passenger service is to be given San Angelo at an early date. As the rumor goes, the Brownwood train will run through to San Angelo and tie up at Brownwood on return. Going further into particulars the report says that there would be about 7 hours lay-over at Angelo, at eight, about 19 hours at Brownwood, and about 27 hours at Temple. This arrangement would to a considerable extent spoil the good thing run to Brownwood, by putting a man home only one night out of three, but it would still be a well arranged run so far as rest and sleep are concerned. From Temple to San Angelo the public wants a better service, and the giving of same, if this rumor proves true, will be hailed with delight by most everybody.—Temple Tribune.

DEATH AT CENTER CITY.
The 3-year-old son of Mr. C. D. McDonald died at Center City Sunday and was buried Monday in the cemetery at that place. The little one suffered for some time with gangrene of the mouth. The parents and other relatives have the sympathy of many friends in their bereavement.

AGENT'S GLEANINGS. Editor Eagle:— U. C. V's. will have a good time next week. The Urbans supplements of bread, barbecue and coffee—full up.

That dear old Confederate surgeon Dr. S. A. Owens of Center City promised me he'd let them bring him, too, to meet the old comrades here. We promised him a cot, bar and fly sprayer set where he can see and hear.

Misses Mary E. and Johnnie B. Harrison visited their friends Misses Lucy and Sarah Owens and enjoyed their June birthdays of fourteen and fifteen. The edibles were as good as those described by Brother J. A. Biggs at one of his paragon receptions.

The Sunday schools at Center City are good, but those superintendents also need some more teachers. Where are the true and tried teachers? I've found a few of them in every Sunday school and denomination.

Rev. W. B. Moon preached well, from his text, "Stand fast, therefore, in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage." Now isn't that grand? Free from ritualistic bondage, as Bro. Moon illustrated nicely.

Surely the crops are mighty fine. P. M. Long on the Jim Shultz place has fine fruit now from the trees set out there by our moved away friends.

Those good people from Arkansas up the road know how to produce farm and ranch stuff too. Friend Allen walking behind old gray Eagle and friend Scott was stepping it behind that mule. Messrs. Jones and Smith are there too and all of those dear women are the true helpmeets. Owing to the gentle rain several men went fishing, and oh! what a jolly good time their wives and little ones had at Mother Fallon's, ready to fry fish on the return of the fishermen.

Come to the cakewalk at the reunion. I'll take the cake. Center City folks have good crops, too.

A DESPERATE DEED. Last Saturday afternoon when Deputy Sheriff W. G. Welch went into the jail to feed and water the prisoners the two men confined therein made a desperate attempt to escape.

Mr. Welch unlocked the cell door to pass a bucket of water in and as he did so Charley Wesson threw a handful of salt, pepper, tobacco and other things in his face and made a run for the door, passing by the officer and reaching the outer cell or run-around. The officer was blinded for a time by the combination thrown in his eyes, but he knew the location of the outer door and he ran and closed it, at the same time calling for assistance. Several parties responded to his summon and it was found that the men were still in the jail, although one of them had climbed into the ceiling. They were soon replaced in the cell and the officers will hereafter be watchful, lest a repetition of the trick be attempted. Mr. Welch suffered considerably with his eyes for a time, but they are now well again.

BUY AT HOME. A great many arguments could be made on the subject of buying from home dealers in preference to spending away for goods, but the best argument is made when the person who sends away gets the "worst" of the bargain. It is not claimed that all foreign dealers are swindlers or that any considerable number of them wrong their patrons, but it is a fact that most of the goods that are purchased from the mail order houses could be bought for the same money from local dealers. True, on some little novel the price may be less at the mail order house, but the necessities, the standard goods, the staple articles are not cheaper. Investigate and see if it is not a fact that the home dealer is really cheaper on these goods. Therefore, the man who sends away actually pays more for his goods than he who buys at home. Besides, when he sends away he damages his town and county.
