CITY COUNCIL.

The city council met in regular monthly session Monday night and transacted routine business. Nothing of public importance was done at this meeting, further than to discuss the advisability of adopting a "Curfew Law" for the city.

Other towns have found this law to be beneficial and Goldthwaite should have it.

SINGING CONVENTION.

The singing convention will convene at Star the second Sunday and Saturday before in November. All classes should have delegates at this convention.

S. A. WEAVER, President.

SPECIAL PLACES.

Rev. R. D. Moon closed his work here last Sunday and left Tuesday for San Angelo, accompanied by his wife and youngest son, to attend conference. He has the kind feelings of the people of Goldthwaite, as was evidenced by the large congregations that attended his services last Sunday. The house was crowded at both services. In the morning he preached to the Odd Fellows and at night he preached to the Masons. Quite a number of citizens have asked for his return to this charge and several have requested that he be made presiding elder.

I saw a man pile mountains to the sky, up which he climbed towards fame's alluring heights and I saw the coffers bulging with bonds and stocks and stacks of gold and precious stones. I saw him unfold the columned inventory of his fabulous wealth and leave and steep his soul in gloating contemplation. I heard the clamor of the crowded streets and the shouts and plaudits of the fawning throng as he passed proudly by, and I saw him pass on and up toward the zenith of renown and seek his place among the great, supremely satisfied with himself, finding consolation in the thought that "envy assails the noblest; and the winds howl about the highest peak." And then saw him look for a moment into his own soul and blanch in affrighted terror at the black stain sin had made, and I saw a cloud of remorse settle upon his brow and the writhing twinges of sore regret wrench it into frowns and I heard his heart cry out in its anguish, "Oh that I had risen to this height by fairer means." — Bob Taylor.

MULLIN.

From the Enterprise.
As we go to press the gin at this place has ginned 1216 bales of cotton.

J. L. Farmer is holding a position with Z. D. Kemp's grocery store this week.

Sheriff R. J. Atkinson came up from Goldthwaite Saturday to collect taxes.

Mrs. Tinkle of Lampasas, who has been visiting her friend, Mrs. White and family, left Monday evening for her home.

Quite a large crowd of Mullin citizens attended the unveiling of the W. O. W. monument in the Democrat cemetery Sunday.

Mr. Randolph and Mr. Hester took change of

of Goldthwaite the lumber yard here.

Spending the greater part of Monday and Tuesday in the stock.

A fire was soon put to the lumber yard. Some one had carelessly laid down on the work bench while smoking a cigar, which fell from the sleeper's hand into a pile of loose shavings which soon ignited and started to blaze, but fortunately some one passing saw the danger and soon put it out.

Last Saturday evening during the stillness of the night, the beautiful little Baptist church of this community was burned to the ground; it was indeed a great loss to our little town.

How the fire originated was not learned, as there had not been any fire in the building since last winter. The organ was all that was saved from the burning building. The ladies of the Baptist church gave a box supper in the church Saturday night, and it was late when this broke up. Two young men who escorted two young ladies to their home a short distance from town, on their return were the first to give the alarm, but before more help could reach the building the fire was beyond control, and the citizens busied themselves saving nearby property. The building and fixtures were valued at \$1,500, which was a total loss. As soon as the board of trustees meet arrangements will be made to rebuild the church.

How the fire originated was not learned, as there had not been any fire in the building since last winter. The organ was all that was saved from the burning building. The ladies of the Baptist church gave a box supper in the church Saturday night, and it was late when this broke up. Two young men who escorted two young ladies to their home a short distance from town, on their return were the first to give the alarm, but before more help could reach the building the fire was beyond control, and the citizens busied themselves saving nearby property. The building and fixtures were valued at \$1,500, which was a total loss. As soon as the board of trustees meet arrangements will be made to rebuild the church.

CHURCH BURNED. The Baptist church was burned at Mullin last Saturday night. The fire started from a cigar or cigarette being thrown into a trash pile near the front of the church, it is thought. ...R. S. CRAIN, Goldthwaite, Texas. You are tired tonight. You expected this morning to have an easy day, but you have listened to the call of "mother" until the sun is set and its departing glory almost makes you long for the beyond. Now there are the children to be put to bed. Your limited circumstances may not permit you to have a nurse, but remember, you do not keep them with you long and your patient service will be richly rewarded. Go lovingly, prayerfully; you know not when the last time may come. Death wounds deeply even if we have been kind to our friends. Comb the golden tangle carefully; smooth the pillow and straighten the dress and lay your cheek close by your little darling. Listen to "Now I lay me" and then wait patiently for the ruby lips to slowly say God for some wished-for toy. Kiss a fond "good-night." In short, look the good of the day gently and leave the child heart happy. Let none of the shadows that come with ripper years slant athwart the youthful threshold of the soul; the weary foot that rocks the cradle may be lulling a future president or governor. Rock on, fond mother; sing your lullaby. God has use for the frail humanity that smiles in its dreaming. Never let discontent enter your happy home. Keep a cheerful tone and a helpful hand and answer to the call of "mother."--Rx.

THE COUNTRY DRUG STORE

Continues to improve and makes itself both in fact and name a part of Goldthwaite and Mills county. If you are not a customer suppose you become one. If you are a stranger and have been advised to not only stay away from the store but to not have anything to do with Drs. Brown & Brown, whose office is there—stop and think a moment and then ask why such conspicuous opposition. This has been recently presented to some of the Doctors' customers urging them to turn their trade—but like all the customers of both the Doctors' and Drug Store they know they are dealing with a reliable house and with honorable and competent men and would not and will not consider suggestions from men who would be used to try and injure men who stand for the right because it is right. When you have cause to complain at any man it is yours to use, but we should be sure of the righteousness of our complaint. The Country Drug Store under its present ownership has prospered and is still growing and improving and is especially proud of the class of customers that continue to grow, and its enemies are hurting because of it but we cannot help that. You are invited to be at home at our store while in town. You want if in the drug line can be supplied and you can rely upon honorable treatment both from the Drug Store and Drs. Brown & Brown, whose standing is attested by customers of from 1 to 15 years, who are still pleased.

CEMETERY WORK.

The ladies of the Cemetery association have been unable to secure a man to do the work in the cemetery for the last few weeks, but they have the promise of a workman for the near future. They have enough money in the treasury to pay several months work, and if the members of the association will continue to pay their dues promptly the work can be continued as long as necessary when it is commenced. The receipts each month would not be sufficient to employ a man regularly, but by creating a reserve fund now there need be no suspension of the work when the party is employed. The money is all in the bank and can not be used for any purpose except the improvement of cemetery. The people of the town and all interested in the work of the cemetery should be very grateful for the unselfish work of the ladies of the association and especially its officers, for they continue to keep up the organization and endeavor to have the work done in the cemetery and have had a great deal of improvement made already.

CONFEDERATE SPEAKING.

The Confederate camp will hold a regular monthly meeting today, at which time Mr. Price and Mr. Sam Allen will address the veterans. It was expected that Mr. Allen would make his address at the December meeting, but since it is likely he will be called home by business before the next meeting the committee has requested him to speak at this time. All the veterans should be present at the meeting, and all their friends who would like to be present will be welcome.

Dear Sir: Here's the difference
between two pure paints; one
strong; the other weak.

C. P. Hanger, Stanton, Va.
painted two new houses, the houses
exactly alike; one another pure
paint, the other Devco. Devco cost
a quarter less for paint and labor.

People generally are paying
twice-over for paint.

Yours truly

MILIGUNNESS AND CONSTIPATION
For years I was troubled with bil-
iousness and constipation, which
made life miserable for me. My ap-
petite failed me. I lost my nasal
force and vitality. Pepsin prepara-
tions and cathartics only made mat-
ters worse. I do not know where I
should have been today had I not
tried Chamberlain's Stomach and
Liver Tablets. The tablets relieve
the ill feeling at once, strengthen the
digestive functions, helping the
system to do its work naturally.—
MISS ROSA PETERS, Birmingham, Ala.

HERBINE

The Popular Liver Medicine
Will Keep You Well

A GUARANTEED CURE for all diseases produced by TOR-
PID LIVER and IMPURE BLOOD. Do not fill your system
with Arsenic, Calomel and Quinine. They act as rank poisons
which irritate the blood, debilitate the system, and leave a trail
of bad symptoms which require years to eradicate. HERBINE
is purely vegetable and contains no mineral or narcotic
poisons, is absolutely harmless and is the simple remedy of
nature. It cleanses all impurities from the system and leaves no
injurious effects.

CURED BY HERBINE AFTER OTHER
REMEDIES FAILED

Mr. L. A. Hicks, Irredell, Texas, says: "I was
sick in bed for eight months with liver trouble, the
doctor seemed to do me no good. I was told to try
Herbine, and it cured me in a short time. I cannot
recommend this wonderful medicine too highly."
