Editor Eagle:

In my last article I requested our Legislators in Mills and Brown counties to let their constituents know where they stood as Democrats on the anti free pass and did they favor the granting the sisters of charity of the Roman Catholic church free passes on the railroads while other religious denominations have to pay full fare doing the same kind of work. Up to the present none of them have given us any light on this important subject. We may adopt the language of the poet and apply it to them "the oyster is mud and you are as well." Why don't you speak and come out of your shell. Our friend H. H. Brown Santa Anna, in the Bulletin, says Jenkins and Grinnan fought for true Democracy. I don't want to take one laurel from their brows. Our legislators did well but the people, a great many of them, without exception fail to see any true Democracy in granting the sisters of charity of the Roman Catholic church free passes on the railroads and sisters of other denominations on the same business have to pay full fare. To see Democracy in this would require a terrible strong magnifying glass.

When the Joe Bailey matter was before the people our representatives almost run over one another to rush to the papers and let the good people know which side they were on and they made it so plain the wayfaring man though a fool need not err therein. Why can't they be equally plain on the anti free pass bill. It is reported one legislator went up to Austin instructed to vote for Joe Bailey and he was a Simon pure Democrat but it was so repugnant to his nasal organs that he put a clothes pin on his nose while performing that highly favored duty, but his constituents have a right to call on him to lay aside his clothes pin and breathe free and tell the same parties why he voted to let the sisters of charity of the Roman Catholic church ride free and others on the same business have to pay 3 cents a mile or stay at home. Please explain so all men may know where you stood. The anti free pass law may be some benefit to the great State of Texas, but after seeing all the parties that are exempt under the free pass bill, then add to that list all the sisters of charity of the Roman Catholic church and the number of free riders on the railroad will no be diminished, but they will likely add to their force a great many more, so the railroads will be taxed to their utmost to accommodate those industrious sisters of charity.

One of our prominent senators did not know that the sisters of charity were exempt until he saw it so stated in the Baptist Standard. Could that have been our Senator from Brownwood. I hope not. What makes it more strange the Constitution (and I suppose our Legislators have read the constitution and if they have not it would be time well spent if they would read it). It says in Article 3 section 32 "No bill has the force of a law until it has been read on three several days in each house and free discussion allowed there on. How could this talented Senator sit there and hear the anti pass bill discussed pro and con and not know what the provisions of the anti free pass bill were. He could not have been asleep three days. P. H. CLEMENTS.

Mr. Clements announces as a candidate for re-election to the office of representative to the legislature for the district of Hamilton and Mills counties. He has served the district one term and those who are familiar with the work done by the last legislature know that he was one of the hardest workers and most influential members of that body and his record is one of which he may well be proud. He is one of the leading men of this county and he has equally as high standing in Hamilton county. He has filled a number of the county offices here and was a member of the legislature when this county was in the district with San Saba, McCulloch and Concho counties. He is well informed on all public questions and his intimate acquaintance with public men gives him a wide influence, which makes his services of especial value to the district. Mr. Clements is a broad-gaged man who always does his duty as he sees it and is one of the best men we have ever known.

MEETING OF CITIZENS

A DEMONSTRATION OF OPPOSITION TO BAILEYISM.

Some Strong Resolutions Adopted and Interesting Speeches Made. Delegates Elected.

A mass meeting of citizens opposed to Baileyism was called to convene in the court house at 8 o'clock Wednesday evening and at the appointed time a large audience assembled. A number of ladies were in the audience and they appeared to take a deep interest in the proceedings. The Goldthwaite Concert Band played several selections while the people were assembling.

Hon. Phil H. Clements called the meeting to order and stated that the call should have announced that this was to be a meeting of Democrats and while all citizens were welcome, none but Democrats would be expected to take part in it.

Organization was perfected by the election of J. T. Prater chairman and L. E. Miller secretary, after which a committee was appointed on resolutions and to select a list of citizens for delegates to the Democratic conference at Waco. The committee was composed of Dr. M. L. Brown, Jas. Rahl, Dr. J. D. Calaway, B. F. Geeslin and J. R. Cooke.

While awaiting the committee's report Mr. Leonard Doughty was invited to address the meeting and he made a forceful and logical talk. His comparison of J. W. Bailey to great men who have lived made a bad showing for the junior senator from Texas and was fully appreciated by the audience. His prediction that the state executive committee would be forced to submit the selection of delegates at large to the Democracy of Texas was no doubt the wish of his hearers.

Mr. Clements followed Mr. Doughty in a short talk, after which the committee reported the following resolutions and list of delegates:

RESOLUTIONS.

Resolved, That it is undemocratic, and is subversive of the good of the people as citizens, and of the purity of government, for a public official of the state or nation to accept employment in any capacity, or to receive money or any favor, upon any necessity or subterfuge, from any public service corporation, and that there is and that there can be no defense to or excuse for any deviation from this plain rule of common honesty and common sense.

We condemn and deplore the conduct of J. W. Bailey, U. S. Senator, in connection with corporations and their captains, as admitted by him, (since proof thereof became procurable,) and we heartily condemn and denounce him for undignified utterances in public speech, tending to bring the high office he occupies into disgrace and contempt for all future time, as having once been filled by such a would be dictator.

We also condemn the action of those members of the State Democratic Executive committee who are attempting to prevent the Democratic voters of Texas from electing delegates to the National Democratic convention.

We unqualifiedly endorse the administration of Mr. R. V. Davidson, our attorney general, and especially his prosecution of trusts, and we pledge him our hearty support in his candidacy for re-election.

We commend the call for a meeting of Democrats at Waco, Texas, March 7, made by Mr. G. W. Riddle, chairman of the Democratic club of Texas, and we recommend the following delegates from Mills county:

LIST OF DELEGATES.

Dr. J. L. Herrington F. M. Long
R. M. Thompson R. W. Garrett
O. W. Lindsey L. Doughty
Rev. D. I. Haralson B. K. Brown

To this list the committee was added by a vote of the meeting. The report of the committee was adopted and after several short talks by citizens the meeting adjourned.

Junior League Entertained.

On last Friday evening Dr. and Mrs. H. E. Brown entertained the members of the Junior Epworth League in their pleasant home from 8 to 10 o'clock.

Mrs. Brown spared no effort to make it a happy occasion for the little folks, but was careful in her arrangements as though it had been for the grown ups, and they repaid her by conducting themselves as little ladies and gentlemen and enjoying every minute of the time.

When the guests arrived they were met by Little Miss Gladys Templin, who presented each of them with a little bunch of violets to be worn during the evening. They were then escorted to a corner in the hall where they were served to delicious punch by Misses Leila Brown and Abel Sullivan. After being served here they were shown into the parlors which soon became a joyous scene as they played games, dominoes, forty-two, finch, etc., while Dr. Brown's Graphophone furnished sweet music for them.

When all had assembled the following program was rendered: Piano solo..... Leila Brown. Reading..... Estelle Grundy. Piano duet..... Mrs. H. E. Brown and Lawrence Bowles. Reading..... Sophia Martin. Reading..... Herbert Street.

These were all rendered in a manner which would have done credit to older people.

At nine o'clock each guest was given a little white card tied with an orange colored ribbon, on one side of each card was a number, boys' and girls' corresponding,—and on the other side, "Good for one meal at Dr. and Mrs. H. E. Brown's." The youngsters found much merriment in matching their cards and when it was done those who had corresponding numbers marched into the dining room together, where they were served to a dainty luncheon of vanilla wafers, fruit salad with whipped cream and chocolate bon bons.

After some more games they reluctantly said good night with many, many thanks to Dr. and Mrs. Brown. Those present were: Misses Leila Brown, Lucile Conro, Gladys Templin, Gladys Brown, Mabel Sullivan, Estelle Grundy, Blanche Priddy, Mary Sullivan, Hallie Crawford, Wilmay Butz, Mary Lou Rahl, Janie Hester, Baisy Butz, Willie Rahl, Cars Ashly, Pauline Harris, Sophia Martin, Olga Harris, Masters Lawrence Bowles, Carroll Lowrie, Freddie Martin, Wilbur Faith, Earl Fairman, Russell Mullan, Celah Faith, Mark Fairman, Alvin Street, Vallie Ogle, Alvin Priddy, Herbert Street, Lilburn Ogle, Marshal Butz, Ben Brown, Cecil Ashley, Paul Power, Alec Brown. A LEAGUER.

Birthday Party.

On Friday afternoon, February 23, Master Alvin Street celebrated his fourteenth birthday, by entertaining fourteen of his boy friends, from four to six. After engaging in a game of ball, we were invited to the dining room to partake of some delightful refreshments. We found the dining room prettily decorated in colors of red, white and blue, fourteen candles were placed around the table encased in holders of the same decorations. When all had been bountifully served we passed into the parlor, and progressive forty-two was next on the programme. Freddie Martin won the first prize, a post card album, and Dow Hudson the consolation prize, a white rabbit. It is generally supposed that boys do not enjoy being entertained but that is a wrong impression. When it came time for us to depart for our homes, we all agreed that was the best treat we had enjoyed this year. A GUEST.

Jealousy prompts the commission of a great many unkind deeds in this world and then it also may cause you a great deal of unpleasantness; so if you are possessed of that trait you will destroy a great deal of pleasure that might be yours as well as making it disagreeable for others.—Ex.

There was an Irish undertaker down "at the yards" some years ago who had an unidentified body brought to his rooms. During the day a well dressed man came in and identified the remains as those of his father, and ordered an expensive casket and a first class funeral, but just as he was leaving the lower jaw of the corpse dropped, and observing a set of false teeth, the stranger said: "Why that is not my father after all," and of course countermanded the order for the funeral. After he had gone the undertaker yanked the dead body off the expensive pier roughly and said: "There ye old fool, if ye's had kept yer mouth shut ye's would hev had a fine funeral, and now ye's got to go to the morgue." The same way with a great many people of today. The trouble is they will not keep their mouth shut.—Ex.

Remember that when the stomach nerves fail or weaken, Dyspepsia or indigestion must follow. But, strengthen these same weak inside nerves with Dr. Shoop's Restorative, and then see how quickly health will again return. Weak heart and kidney nerves can also be strengthened with the Restorative, where heart pains, palpitation, or kidney weakness is found. Don't drug the stomach, nor stimulate the heart or kidneys. That is wrong. Go to the cause of these ailments. Strengthen these weak inside nerves with Dr. Shoop's Restorative and get well. A simple, single test will surely tell. R. E. Clements, Goldthwaite, and Mullin, Texas.

County court was convened Monday, but there were no cases ready for trial and Judge Patterson dismissed the jury for the week. He has also given notice that jurors summoned for next week need not appear.

Ticking or dry coughs will quickly loosen when using Dr. Shoop's Cough Cure. And it is so thoroughly harmless, that Dr. Shoop tells mothers to use nothing else, even for very young babies. The wholesome green leaves and tender stems of a lung healing mountainous shrub give the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sensitive bronchial membrane. No opium, no chloroform, nothing harsh used to injure or suppress. Demand Dr. Shoop's. Take no other. R. E. Clements, Goldthwaite and Mullin, Texas.

EXECUTIVE COMMITTEE MEETING.

A Large Attendance and Important Business Transacted.

A well attended meeting of the Democratic Executive committee of Mills county was held in the court house Monday afternoon.

Chairman Whit Smith announced the object of the meeting to be to fill vacancies on the committee and transact such other business as might be necessary.

The members at Rock Springs and Payne having moved from the precincts their places on the committee were declared vacant. J. W. Roberts was elected to membership from Rock Springs and W. V. Sullivan from Payne.

The report having been made to the committee that Dr. Townsend of Star desired to retire from the committee on account of his inability to attend its meetings, his resignation was accepted and R. W. Barr was elected to fill the vacancy.

The resignation of Whit Smith as chairman was accepted and D. R. McCormick was elected to the position.

The matter of declaring vacant the positions of members who had failed to attend the meetings was deferred until the next meeting.

Dr. Herrington was elected to membership from Mullin, to fill the vacancy caused by the election of Mr. McCormick county chairman.

After some discussion it was decided to have only one primary election and allow a plurality vote to nominate the candidates for precinct and county offices.

A committee composed of Capt. J. D. Sexton, R. W. Barr and Dr. Herrington was appointed to draft resolutions of thanks to the retiring chairman. The meeting adjourned subject to the call of the chairman.

Plain Facts.

The Eagle editor knows that people who do not owe subscription to a paper get painfully tired of reading the publisher's pleading with subscribers to pay up, but when they understand the serious condition that confronts the publishers they will undoubtedly be willing to bear with us until we get our business in proper shape. These are the facts: The postoffice department at Washington has made an order forbidding the papers being sent at second class mail rate to parties who are due more than one year's subscription. This is clearly in the interest of the people and most of them appreciate it, for papers they do not want can not now be forced upon them by publishers. This law became effective Jan. 1, but publishers were allowed until April 1 to get their business in shape for the new order. After that date the paper can not be sent to subscribers who are due for more than one year's subscription. This law applies to every paper in the United States.

The Eagle has sent statements to nearly all who were in arrears and those who have not received statement will receive them this month and we hope they will remit promptly, for to delay frequently means to forget and we will not have time to send a second reminder. We do not send these statements because of a fear that the patrons will not pay, but the law must be obeyed and no patron of the Eagle would want the publisher to make a false affidavit or violate the postal law, and this would be the only way in which the paper could be continued to those who are due for more than one year's subscription.

After April 1 all unpaid subscription accounts will have to be placed in the hands of the Collecting Agency.

While I am not yet permanently located, any orders I may receive will have prompt and careful attention.

Poll Tax Payments.

By reference to the road law of Mills county it will be seen that those who fail to pay their poll tax are subject to three days work on the public roads, regardless of whether or not they are over the road working age. The law makes it the collector's duty to deliver a list of the delinquent poll tax payers to the commissioners on or before March 31 of each year, in order that such delinquents may be summoned to work on the public roads. If they do not care to do this work they will have to pay the poll tax together with costs. Those who have paid their poll tax are requested to pay before the close of March, in order that I may not be forced to place their names on the list of delinquents. H. O. Batesville, Texas.

Zavalla county, Feb. 28.

Editor Eagle:

As I am sending in my \$ on arrears, will give you a short account of myself since I left Mills county.

I left Goldthwaite January 25, 1907, with a car load of bees and landed at Uvalde ten days later, thence by wagon I conveyed my bees and belongings eighteen miles to my present location on the Leona river, three miles above Batesville, in Zavalla county.

After getting my bees on their location and opening them up I found them in pretty bad shape, owing to their long confinement in shipping. They had smothered to death by the thousands and I thought I would get very little if any honey from them that year. However, I gave them very careful attention and at the close of the season (the last of June) from 79 hives I had taken 6,300 pounds of honey, which brought me a little over \$575.00. I had very little swarming in the spring, but after the honey season I practiced artificial swarming and increased my bees to 110 hives, bought 100 more and now have 210 hives, all in one yard.

E. R. Root of Medina, Ohio, editor of Gleanings in bee culture, visited this county a few years ago and pronounced this the 'Bee paradise of Texas' and I think he made no mistake. You may ask from whence the bees gather their honey. Well nearly every thing that grows here is honey producing. At this date, February 28, the bees are gathering honey from the hackberry and Mexican persimmon bloom. Next come the cat claw and wabeia about the first of April, and this is where we get our big surplus honey crops. It is claimed that the honey from the cat claw and wabeia is the finest in the world, and I certainly believe it. Its only fault is that it granulates or turns to sugar in a very short time.

Perhaps some of your readers would like to know something of this county, aside from bee keeping, to such I would say if you expect to farm for a living you had better stay in old Mills county or go the other way.

For stock raising this county is all right, tho' lands are getting too high for grazing purposes, prices ranging from \$5 to \$20 per acre for unimproved.

I am aware that this country, or parts of it at least, is being very extensively advertised, but to those who may become interested by those advertisements I would say come and see and after seeing then interview the old settlers who have no land for sale and ask them about this as a dependable farming country. Above all, don't get off the train as some do and be hustled into an automobile and run out in the country to some ranch that is being put up into small tracts and sold at \$20 per acre, when you can duplicate any acre on said ranch at half that price within ten miles or less.

I see that some of my old Big Valley friends are candidates and I wish I could be there to vote for them, but as that is impossible the best I can do is to recommend and submit them to the mercies of the good people of Mills county.

Very respectfully, J. M. REED.

Vital statistics for the month of February show 25 births and 6 deaths in Mills county.

Full Rendition.

It is believed by some that the tax board will have no authority under the law to reduce the school tax, and for their information I publish the following letter.

Respectfully, JOE H. FRIZZELL.

EXECUTIVE OFFICE, Austin, Feb. 26, 1908.

Mr. Joe H. Frizzell, Goldthwaite, Texas.

MY DEAR SIR:—I have been intending for some time to write you in reply to your letter of inquiry relative to the State School Tax rate for the present year, but have been so busy with the duties incident to the sessions of the State Text-Book Board for the past month, that I have been unable to give any personal attention to my correspondence.

The law fixes the maximum tax rate for State school purposes at 20 cents and provides that whenever the property values assessed for taxes will produce as much as \$4.00 per capita of the school children within the scholastic age at a lower rate than 20 cents, then the rate shall be reduced. In other words, the rate can not be more than is necessary to yield \$4.00 per capita and I look for a material reduction in the school rate for the present year. For 1908 the property tax-payers paid in ad valorem taxes for the support of the government about \$2,450,000. Under the new laws the people will pay approximately \$1,200,000, according to the estimates of the tax officials, which is approximately one-half as much as they paid under the old laws for the support of the government for year preceding the enactment of the new laws. I confidently expect that with a reasonable compliance with the full rendition law, a tax rate somewhere in the neighborhood of 5 or 6 cents for State purposes, and it will be the duty of your County Commissioners' Court to reduce the rate of taxation for county purposes in proportion to the increased of values upon the tax rolls of the county. Of course, this depends upon the financial condition of your county, and the county's necessities. There seems to be a disposition throughout the State to comply with the law, and the people generally approve these laws when they are no longer deceived by the representatives of selfish interests. The laws have for their objects equality and uniformity and result in shifting a large portion of the unjust burdens that have been borne by the people to the corporations and other interests that

have not heretofore been paying their share.

I commend you for your manifest purpose to perform your full duty under the law.

With best wishes, I beg to remain, Your friend, T. M. CAMPBELL.

Editor Eagle:

Farmers are busy planting corn this week. School is progressing nicely under the able management of Miss Joan Powers.

Josh Johnson is on the sick list this week.

Most everybody in this community has had lagrippe.

The Sunday school is still going on. There was a good many out last Sunday. Rev. French preached after Sunday school.

Unless more people comes out to Sunday school than has been for the last few Sundays it will soon die out. Now come on help out all you can. We notice some go visiting on Sunday evening instead of going to Sunday school.

It isn't as good as has been but we can make it better by the help of God. The Superintendent is one of the best Christian men in the world and is doing all he can for the cause of Christ. He is sacrificing more than any one else just to make the Sunday school a blessing to everybody that will come. Suppose we all wake up and shake off the laziness and help to make it a success.

Brother and sister French made a business trip to Goldthwaite Monday.

We all want to work the grave yard-aunt, but we are waiting for Aunt Rene Williams to set the time.

Mullin.

ditor Eagle:
Since my last writing, Old Father Time has ushered in spring with all her grandeur and beauty and as I write I can feel the sweet essence in every breath of the air.
The recital given by the Elocution class of Mullin high school on February 21, was a decided success. We note with pleasure the rapid advancement of each one of the class.

Quite a number of the farmers are planting corn this week.
J. Q. Raney, an old resident of Mullin, but now of Heidenheimer, spent last week here with relatives and friends.

Bolon Tyson visited C. L. Summy, who is in the hospital at Temple last week.

T. P. Epley is having his home remodeled and other wise renovated, which adds greatly to its appearance.

E. C. Curtis has accepted a position in H. F. Butts dry goods store.

Clem Hancock has returned from a prospecting trip to New Mexico.

Carpenters are at work on W. F. Kemp's new home in the heart of the city. It is a neat cottage and when completed will be an ornament to that part of our city.

Rev. A. R. Watson was unable to fill his appointment at the Baptist church last Sunday. Station of Brownwood preached in his stead Sunday morning and evening to the edification of a large crowd.

Very sorry to report that there is still a great deal of sickness prevailing among our people.

The ladies of Mullin, met at the Methodist church and organized a cemetery association. This has been needed here for a long time.

Prof. S. J. Bross, who is surveying in west Texas, is in the city visiting his parents, Mr. and Mrs. A. S. Bross.

Mrs. W. W. Fowler of Hamilton is spending the week here with Mrs. Jeffords.

Since my last communication, two of Mullin's fair young ladies have been led to the hymenal altar. On Friday night February 21, as the holy stars of heaven had come peeping out one by one, Henry Cobb, Jr., and Miss Carrie Pickens were united in marriage by Rev. Bowles of Goldthwaite.

A pretty home wedding was that of Will Fisher and Miss Rose Moore on March 1, at high noon by Rev. Vann.

Both these young couples are residents of Mullin, and as they number their friends by the legion, we deem it unnecessary to speak any words of praise. However Zenith joins others in hoping that their married life may be one of everlasting bliss.

As it is time that all "good people" were in dreamland, I close.

Best wishes to all. ZENITH.

That on the day and date first aforesaid, the defendants unlawfully entered upon said premises and ejected plaintiff therefrom, and unlawfully withheld from plaintiff the possession of said premises to his damage in the sum of five hundred dollars. And plaintiff further avers that he and those whose estate he is claiming to have good and perfect title to the above described two tracts of land, now has, and has had peaceably the land claimed, and open notorious and adverse possession of the same, cultivating, using and enjoying the same, and by actual enclosure for a period of more than ten years after the defendants cause of so on accrued, and before the commencement of this suit and this he is ready to verify.

And for further cause of action herein plaintiff alleges that he and those whose estate he has, claiming the same under deeds duly registered in the office of the County Clerk of Mills county on the dates hereinbefore alleged, has had peaceable, continuous and adverse possession of the land and tenements claimed and described in plaintiff's petition, cultivating, using and enjoying the same, and paying all taxes due thereon for a period of more than five years next after defendants cause of action accrued if any, and before the commencement of this suit and this he is ready to verify.
Plaintiff further says that the exact nature and extent and character of the defendants claim to the above described two tracts of land is unknown to the plaintiff except that he understands that they claim an undivided one half (1/2) interest therein.
Wherefore premises considered, plaintiff prays that defendants be cited to answer this petition, that upon hearing hereof that he have judgment for title and possession of the above described land, and the cloud cast upon the title of the plaintiff by reason of the claim of the defendants be removed, cancelled and held for naught, that they be perpetually enjoined from claiming or asserting any further claim or title to said land, that plaintiff be quieted in his title and possession thereof and for cost of suit and for such other relief to which he may be entitled in law or equity.

Save Money by Buying Chamberlain's Cough Remedy.
You will pay just as much for a bottle of Chamberlain's Cough Remedy as for any of the other cough medicines, but you save the money in buying it. The saving is in what you get, not what you pay. The sure-to-cure quality is in every bottle of this remedy, and you get good results when you take it. Neglected colds often develop serious conditions, and when you buy a cough medicine you want to be sure you are getting one that will cure your cold. Chamberlain's Cough Remedy always cures. Price 25 and 50 cents a bottle. For sale by R. E. Clement's druggist, Goldthwaite and Mullin, Texas.

Many Sleepless Nights, Owing to a Persistent Cough. Relief Found at Last.
"For several winters past my wife has been troubled with a most persistent and disagreeable cough, which invariably extended over a period of several weeks and caused her many sleepless nights," writes Will J. Hayner, editor of the Burley, Colorado, Bulletin. "Various remedies were tried each year, with no beneficial results. In November last the cough again put in appearance and my wife, acting on the suggestion of a friend, purchased a bottle of Chamberlain's Cough Remedy. The result was indeed marvelous. After three doses the cough entirely disappeared and has not manifested itself since." This remedy is for sale by R. E. Clement's drug store, Goldthwaite and Mullin, Texas.

All persons interested in having a socialist ticket in the field in Mills county for the present campaign are requested to meet in Goldthwaite, Saturday, March 14, for the purpose of discussing the proposition. WHY SO WEAK?
Kidney Troubles May be Sapping Your Life Away. Goldthwaite People Have Learned This Fact.
When a healthy man or woman begins to run down, without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and disorders, look to the kidney for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well.
A. G. Mayers, living near the Santa Fe Depot, Brownwood, Texas, says: "It was about four years ago that I was first bothered with my back. I think it was a heavy cold I caught that settled on my kidneys. When I stooped I could not get up and it was difficult for me to do anything on account of the pain in my back. The kidney secretions became highly colored and rather frequent. I doctored and tried all kinds of remedies without effect. Last summer I got Doan's Kidney Pills and have been using them ever since. They are the only remedy I ever got to do me good, and they make me able to get around. I firmly believe that Doan's Kidney Pills taken in time will cure the worst cases of kidney trouble."

Cough Caution

Never, positively never poison your lungs. If you cough—even from a simple cold only—you should always heal, soothe, and ease the irritated bronchial tubes. Don't blindly suppress it with a stupefying poison. It's strange how some things finally come about. For twenty years Dr. Shoop has constantly warned people not to take cough mixtures or prescriptions containing Opium, Chloroform, or similar poisons. And now—A little late though—Congress says "Put it on the label, if you are in your Cough Mixture." Good! Very good! Hereafter for this very reason cough-mixtures, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's labels—and none in the medicine, else it must by law be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chance then, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and note the difference. No poison marks there! You can always be on the safe side by demanding

\$100.00 paid by Dr. Shoop for any recent case of Grippe or acute cold that a 25 cent box of Preventics will not break. How is this for an offer? The Doctor's supreme confidence in these little Candy Cold Cure Tablets—Preventics—is certainly complete. It's a \$100. against 25 cents—pretty big odds. And Preventics, remember, contain no quinine, no laxative, nothing harsh nor sickening. Pneumonia would never appear if early colds were always broken. Safe and sure for feverish children. 48 Preventics 25c. R. E. Clement's, Goldthwaite and Mullin, Texas.
