Fleming enjoys the distinction of being the only box in the county not to cast a single socialist vote.

In the county election Tuesday the vote cast was about 2,100, which is the lightest vote in many election years past. 2,300 votes were cast in the democratic primary in July. There were no surprises unless the Socialists were surprised that they got such a small vote. The Socialist vote of the county was a little less than 400. The Republicans polled about 150.

The right of way committee advertised the sale of all houses and other improvements on the right of way in town, to be sold at auction to the highest bidder for cash, on the ground where the improvements were located, at 2 o'clock Thursday. There was a large attendance of prospective buyers and the sales realized as well as expected. Total amount realized from the sale, \$4262.

Four miles east of Proctor on Monday, Uncle Jimmie Thompson took a dose of carbolic acid and died from the effect. He went to Proctor and made the purchase, and after reaching home went out to the barn. His wife, becoming suspicious of his intentions, soon went to look for him and found that he had already committed the deed and was dead. He was 55 years old. —Chief.

### LOMETA

Mr. and Mrs. L. W. Stephens visited in the home of C. L. Stephens at Goldthwaite Sunday.

Baylor Lewis has been in Coleman, Brownwood and Santa Anna the past few days buying mules.

The Santa Fe started a large crew laying steel on this end of the San Saba extension Monday, and as we print (Thursday afternoon) steel has been laid several hundred yards beyond the first trestle in Longfield's pasture.

The remains of Reuben Senterfit, one of the pioneers of this country, which have been at rest in the old Senterfit cemetery for twenty-three years, were removed to Lampasas Tuesday and placed beside his wife who died about a year ago.

Rev. W. B. Moon, the new pastor of the Methodist church, with his family came in from Mullin Wednesday afternoon, and were met at the parsonage by a large number of his members who had spent a greater part of the day in collecting good things to eat. A sumptuous supper was spread by the Methodist ladies, and the new pastor and family were made to feel that they were indeed among friends. It will be remembered that Bro. Moon assisted in a revival meeting here during Rev. Allen's pastorate, and he has a large number of admirers to begin with.—Reporter.

William Looker, aged 85, died Wednesday night at his home on School Street, some ten miles north of Lampasas. He was stricken with paralysis Friday night of last week and did not regain consciousness.

Rev. H. B. Woodward, who has been pastor of the Baptist church since February, 1909, gave notice

of his resignation from this charge at the Sunday morning service, giving as his reason that he thought he could accomplish more good at some other point.

E. N. Talbot and Mes Capitola Pittman were married last week by Rev. T. F. Sessions. Mr. Talbot is well known by all the people here, having been the agent of the Waters-Pierce Oil Company at this place up to a few years ago. The bride is a sister of Mrs. Early Rodgers, who lives some three miles northwest of Lampasas.—Leader.

The ladies of the Central Chris-

tian Church took in \$48.85 at the dinner served last Saturday.

Ausley Lookey and Miss Ova Harkey were married at San Angelo Sunday and returned home Tuesday.

Information came Monday that the laying of the steel rails had begun that morning at Lometa on the San Saba line.

F. J. Boehmer, a merchant of Jonesburg, Mo., is here to visit his old friend, Rev. J. S. Bowles, and also to prospect.

### HAMILTON

John R. Eidsen was quite seriously injured last Saturday night in an altercation with City Marshal Lee Taylor.

Mrs. R. C. Cornelius recently returned from Temple where she took her little daughter, Lillian, to be operated on for appendicitis. The operation was entirely successful.

On Wednesday night, Nov. 2, at the home of J. J. Young, Judge R. Q. Murphee performed in a solemn and expressive manner the marriage ceremony between T. H. Young and Miss Emma Temples.

Little Kathleen, the precious child of Mr. and Mrs. J. H. Scott, after a lingering illness, died last Friday morning at 3 o'clock and was buried at 5 p. m. in the old cemetery.—Herald.

### BROWNWOOD

Rev. J. T. Weems and family were spending the day in Brownwood yesterday attending the carnival.

Walter Featherstone, a well known young man from Goldthwaite, has moved to Brownwood with his family and will at once enter school for the purpose of preparing himself for the ministry.

Mrs. T. J. Hamilton and son, Jim, of Star in Mills county, are here for a week's visit to Mr. and Mrs. Parm Childre. Mrs. Hamilton is the mother of Mrs. Childre.

Since the recent death of S. R. Coggin, president of the Coggin National Bank of this city, no one, prior to yesterday, had been chosen to succeed him. At a meeting of the board of directors in this city yesterday the position of president was tendered to Mrs. S. R. Coggin. She very reluctantly agreed to accept it and serve out the unexpired term of Mr. Coggin.—Bulletin.

The 10-year old daughter of Mrs. Jim Stewart at Abilene died of burns received by the explosion of a gasoline iron her mother was using in ironing.

**Mullin.**

A change in the weather calls for overcoats for the aged and thin; so far the Rambler hasn't needed one.

Uncle Joe Fletcher was here Wednesday and, as usual, carrying that smiling face. It is useless to think of wearing a long face because we realize old age is on our track.

The new Moon on the Mullin charge preached two fine sermons last Sunday and Sunday night to good attentive congregations. If you don't believe that old man can preach, come out and hear him.

One Mr. Stubblefield from Runnels county is here hunting pasture for 300 head of cattle. He says if he can't find pasture here he will have to feed them, as there is no grass.

Hello, Bill; what is a scrap? Bill—It is where you crawl out of your wagon and the other fellow puts a face on you before you can do much.

A certain man and his wife who belonged to the church and both used tobacco, caught their oldest child dipping snuff and they at once covenanted together to quit the filthy habit. If parents chew and dip it is not fair to punish their children for wanting to do the same. If you who use the stuff, especially the ladies, will suffer yourselves to "see yourselves as others see you" the mop would soon be a thing of the past. There is more money chewed up, spit away and burnt up for tobacco than is used in giving the gospel to the world, and yet people are constantly growling about the church wanting money.

Considerable preparations are being made for the dedication of the new school building on Thanksgiving Day. The ladies of the Eastern Star will give an entertainment that night.

There was a Fox in the Mullin neighborhood last week looking for land. We think he was sly and cunning enough to get away from all the real estate men without making a purchase.

Some persons broke into the parsonage while the pastor and family were at church Wednesday night and left a lot of useful articles for the preacher and family, who had no hint of it until they entered the parsonage after prayer meeting.

**Your Friends Prefer Jewelry To Any Other Gift In The World**

For thousands of years—as far back as historical records go—the universal token of love and friendship has been precious stones and jewels.

Every achievement in life is associated with gifts of beautiful jewels—a diminutive ring for the baby; bracelets and neck-chains for birthday remembrances; at graduation, perhaps, a fine watch; a diamond ring announces the marriage engagement; and at wedding, the crowning event of all, a multitude of precious gems and jewels.

Search the gamut of human wants and you will find no gift so acceptable as jewelry. Good jewelry is a heritage that is handed down from generation to generation and an enduring remembrance of the giver.

When you wish to select jewelry for your friends come to this store. You cannot find more dependable jewelry any place, you cannot find so large a line or so many novelties elsewhere; nor are the prices we ask in any case unreasonable. In many instances a comparison will demonstrate that to trade here means a considerable cash saving. If you are unfamiliar with jewelry we will be glad to help you make tasteful selections.

Needless to say every article of merchandise we sell is warranted to be exactly as represented. Our line is particularly interesting in Rings, Brooches, Bracelets, Necklaces, Locketts, Pins, Watches and late novelties. Come visit our store, whether or not you are ready to purchase jewelry. Bring your friends along. We take pleasure in showing the many beautiful gems and jewels that we have.

**L. E. MILLER, Jeweler.**

**Birthday Party.**

The lovely home of Mr. and Mrs. Henry Martin was entirely turned over to about 35 children Wednesday afternoon from 4 to 6 o'clock, the occasion being the twelfth birthday of their youngest daughter, Sophia.

A word contest was engaged in by the larger boys and girls, while the smaller ones were told to find pecans that had been hidden in two rooms. Miss Ruby Keese scored highest in the word contest and received a lovely box of candy and Sammy Thompson was given the prize for finding the largest number of pecans.

After lots of fun over the games the children were invited into the dining room, where the table was the most attractive feature, being beautifully draped with white and yellow ribbons, and set with dainty cups of chocolate, delicious cakes, dishes of candies and pyramids of fruit. After partaking of the refreshments the children assembled on the lawn and engaged in jolly outdoor games until time to say goodbye, thanking the hostess for such a good time.

Sophia was the recipient of many pretty and dainty gifts.

A GUEST.

**Mr. Patterson Dead.**

Mr. John W. Patterson died at the home of his daughter, Mrs. A. L. Hill, in the Rock Springs community Wednesday and his remains were laid to rest in the cemetery at this place. He leaves three daughters in this county. They are Mrs. R. L. Cozort, Mrs. John Cline and Mrs. A. L. Hill. He had only lived here a short time, having come here from Limestone county. He was 76 years of age and was the father of 16 children, 13 of whom survive. He was an ex-Confederate soldier and a member of the Baptist church. The bereaved ones have the sympathy of many friends.

His home was in the Priddy community and his remains were carried to that place for burial Tuesday. The bank of Texline was dynamited Sunday night, but the explosions aroused the population and the robbers were driven away before getting into the bank.

The water famine at Dallas grows worse. They are now using water wagons to carry water to places where the pressure will no longer carry it through pipes. The water for these wagons is being secured at many different places.

Hon. Champ Clark of Missouri will likely be elected speaker of the next congress. He was the leader of the democratic side in the last congress and he has the support of most of the prominent members of the lower house.

Packers and wholesale meat dealers say the price of meat is going down. The prices have been so high for the last few months that sales were materially decreased, especially in the large cities where poor people could not afford to buy any amount of meat.

The Texas Commercial Secretaries will meet in annual convention in Waco Nov. 18-19. One of the subjects to be discussed at this meeting is a state public road commission. The organization has always taken great interest in public roads and it is hoped that the increased interest engendered by the forthcoming meeting will result in much good road building during the next year.

The rioting in Mexico and the anti-American demonstrations, because the Mexican who shot and killed a white woman was burned at the stake in Edwards county, created some alarm at first, but the developments have proved that the lawless people who took part in the demonstration were under a false impression, as the greaser was an American citizen, having been born in New Mexico, and the Mexican government and people had no more right to protest than they would have had because of the similar punishment of a negro.

The liquor dealers and the express companies apparently believe the law enacted by the recent session of the legislature requiring the keeping of a record of shipments of liquor into prohibition territory is constitutional for they have made no move toward contesting it. The law provides for a record to be kept of each shipment of liquor and to whom consigned. The party receiving the liquor must sign for it and the amount and quality of the "booze" must be stated. This record must be submitted to any officer upon request of any citizen.

W. J. Bryan and his family will spend the winter at his ranch in southwestern Texas. He says he has no idea of making this state his permanent home, but will continue to reside in Nebraska.

A number of the volunteer soldiers met in Dallas last Saturday and protested against the conviction of the young fellow who killed a citizen in that city last year. The soldier was given a life sentence and the meeting Saturday raised money to appeal the case and a strong effort will be made to get him out of prison.

Tuesday morning a verdict of not guilty was returned in the case of Robin Cooper, charged with the murder of ex-Senator Carmack in Nashville, Tenn., in November, 1908. It will be remembered that old man Cooper and his son were indicted for the murder of Senator Carmack and were both found guilty of murder in the first degree. The governor of the state pardoned the elder Cooper as soon as the supreme court affirmed the sentence. The court reversed and remanded the case of young Cooper and when it was called for trial this week the state's attorney asked for a verdict of not guilty without taking any testimony.

There is too much of hero worship. It degrades men and does not elevate the object. We need no kings, no princes, no royal blood and no aristocracy; but so long as men are hero-worshippers we are no better off than if we had these evils. Our Caesars are too numerous and too obstreperous, and men crawl to kiss the hems of their garments. Whenever any man becomes so great that he cannot be spared, it will be well if we take Jefferson's advice and spare him at once. There are good men, strong men, and men who can fill any and every position as well as it is filled by the man who occupies "The king is dead—long live the king"—the new king, who tomorrow will be flattered and made to believe that the sun rises because he commands it to rise. Hero worship is vile, ignoble, contemptible, unmanly and wholly degrading. It is unworthy of manhood.—Exchange.

### COMFORTING WORDS.

Many a Goldthwaite Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Goldthwaite readers.

T. P. Puckett, Chestnut & First sts., Lampasas, Texas, says: "I have had no occasion to use Doan's Kidney Pills in over three years, as the cure they made in my case was permanent. For nearly thirty years I was troubled by a lame back, and sometimes when I stooped a pain seized me in the small of my back, keeping me in misery for weeks. During one of these spells Doan's Kidney Pills were brought to my notice and I obtained a box. They gave me more relief than any other remedy I had ever taken and I was led to continue taking them until they had entirely disposed of my trouble. I believe that Doan's Kidney Pills will do just as much for other persons afflicted in a similar way."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

**Here Is Something For You To Think About**

WHY IS IT that you always insist on knowing all about the food you eat—then neglect and even jeopardize the health and happiness of the family by selecting a medicine, the formula of which is unknown to you? But still there are times, no doubt, when you would like to know all about the medicine you are going to take or perhaps give the baby. But again it may be that the druggist can not tell you for the simple reason that the manufacturer won't tell him—but yet you take it. Can you afford to subject members of your family—children in particular—to this "guess-work" treatment? When it comes to taking a medicine you are doubtful of—and giving it to children—wouldn't it be much better, safer, to secure a remedy that has an "open formula"—one that the druggist can tell you about and conscientiously recommend? And right here let us emphasize this point:  
 When you come to this store for a family remedy we advise you to ask for a Nyal remedy for that particular ailment—and not a "cure-all." We will gladly tell you all about the formula. We can do this because the New York & London Drug Co. believe in telling us—they give us the formula of each of their hundred or more preparations and from our knowledge of drugs we know that each and every one of them will do as represented. In fact our confidence in Nyal is so strong that our guarantee goes with every preparation sold and that in itself should convince you that we must have made a thorough investigation of Nyal remedies.

This Guarantee Slip Accompanies Each Preparation.	<b>NYAL Remedy</b>
We agree to refund the full retail price paid for Nyal's.....\$..... in the event that having used half of the contents of the package you are not entirely satisfied with it. To get your money back, simply return the unused portion of the medicine to Clements' Drug Store.

CHAPTER 34

An Ordinance of the City of Goldthwaite, providing for a volunteer fire company for the said city, stating the number and qualifications of the members thereof; the manner in which the said company shall be organized; stating what officers shall be elected for said company; the length of their term and the manner of their election; and providing that said officers shall be commissioned by the mayor; defining the duties of such officers; and providing for the tearing down or destruction of certain buildings, in case of fire, by order of the mayor and chief engineer or assistant engineer.

Be it ordained by the City Council of the City of Goldthwaite:

SEC. 1. That there is hereby provided for a Volunteer Fire Company for the City of Goldthwaite; which said company shall be composed of able bodied men between the ages of 18 and 50 years; and shall be composed of as many members as the City Council may from time to time allow, not to exceed 30, unless by ordinance otherwise provided.

SEC. 2. Any able bodied man desiring to become a member of such fire company shall file an application for membership therein with the City Council, which said application shall be dated and signed by said applicant and shall state his full name and age; and when such application shall be accepted by the City Council, and a note of such acceptance entered upon the minutes thereof, such applicant shall be deemed a duly constituted member of the volunteer fire company herein provided for, and shall be subject to such regulations as are or may be provided by ordinance of the City Council or by the constitution and by-laws of the said volunteer fire company, for the government thereof.

SEC. 3. When any number of men, not less than 15, shall have made application for membership in the aforesaid fire company, and are accepted as members thereof in the manner set out in the preceding section, they shall meet in common council and elect officers for such company as follows, to-wit: A chief engineer, who shall also be chief of the fire department, and three assistant engineers, who shall also be assistant chiefs of the fire department and shall certify the names of such officers so chosen, together with date of their election, to the City Council for approval; and when the election of said officers shall have been approved by the City Council the same shall be commissioned as such by the mayor.

SEC. 4. After the election and commissioning of the aforesaid officers in the manner set out in the preceding section, the volunteer fire company herein provided for shall be deemed to be duly organized, and shall thereafter have the right to elect its own officers, and its own members, not to exceed 30 in number; provided, that when any new member is elected and accepted into said fire company, his name and date of his election shall be certified to the City Council and shall be entered on the minutes thereof. Provided further, that the chief and the assistant engineers of the said fire company shall be elected subject to the approval of the City Council. And the said fire company shall also have the right, and it is hereby made its duty to adopt a constitution and by-laws not inconsistent with the ordinances of the City of Goldthwaite and the laws of the State of Texas.

SEC. 5. A chief engineer and three assistant engineers of the fire department shall be elected by the members thereof, each year on first Monday in November, which election shall be by ballot. In case of a vacancy in any of the aforesaid offices, caused by death, resignation or otherwise, the same shall be filled by an election in the same manner.

The State of Texas.  
To the Sheriff or any Constable of Mills county, (greeting):  
Oath having been made as required by law:

You are hereby commanded to summon Chas. E. Carey and J. R. Dezelle by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 35th judicial district; but if there be no newspaper published in said judicial district, then in a newspaper published in the nearest district to said 35th judicial district, to appear at the next regular term of the district court of Mills county, Texas, to be holden in the court house thereof, in the town of Goldthwaite on the fourth Monday in November, A. D. 1910, the same being the 28th day of November, A. D. 1910, then and there to answer a petition filed in said court on the 12th day of September, A. D. 1910, in a suit, numbered on the docket of said court No. 1154, wherein D. T. Bun is plaintiff and J. R. Dezelle, J. N. Weatherly, F. M. Allen, A. T. Roberts and Chas. E. Carey are defendants, and said petition alleging that heretofore on or about the 5th day of December, 1906, one W. J. Anderson and wife, H. O. Anderson, sold and conveyed to the defendant, J. R. Dezelle, the East one-half of Block No. 71, League No. 113, Caldwell County School land in Mills county, Texas, meted and bounded as follows: Beginning at S-E corner of a tract conveyed to E. Z. McDonald, a pile of stone, a L. O. brs, N 20 E, 34 vrs; thence E 610 vrs to S-E corner of this square or tract; thence N with E line of this tract to N-E corner, 698 vrs; thence W 610 vrs to N-E corner of said McDonald tract; thence S 698 vrs to the place of beginning, containing 71 acres of land more or less. And, as a part of the consideration therefor, the said J. R. Dezelle executed and delivered to said W. J. Anderson six promissory notes of even date with said deed, each in the sum of \$100.00 and secured by vendor's lien upon said land, due and payable to said W. J. Anderson one, two, three, four, five and six years after date respectively, said notes bearing interest at 10 per cent per annum from date and containing the usual attorney's fee and forfeiture clauses. Plaintiff further alleges: That on or about the 2nd day of October, 1907, J. R. Dezelle and wife sold and conveyed said land to F. M. Allen, and as part of the consideration for said conveyance the said defendant, F. M. Allen, assumed payment of aforesaid notes; that on or about the 21st day of January, 1910, the defendant, F. M. Allen, and wife sold and conveyed said land to defendant, J. N. Weatherly, and as part of the consideration therefor, said J. N. Weatherly assumed payment of the last five (being Nos. 2 to 6 inclusive) of the above mentioned notes; and that on or about February 12th, 1910, the defendant, J. N. Weatherly, and wife sold and conveyed the aforesaid land to defendant, Chas. E. Carey, and as a part of the consideration for said conveyance, said Carey assumed payment of all indebtedness against said land, including notes Nos. 2 to 6 inclusive of the above described notes. Notice is hereby given to all of the defendants to produce all of the aforesaid deeds of conveyance upon the trial of this cause, or secondary evidence of their contents will be introduced.

Plaintiff alleges that note No. 1, above described, has been paid in full; that the last five of said notes were transferred by W. J. Anderson, the payee therein, to one, A. T. Roberts, and by said A. T. Roberts transferred by endorsement for a valuable consideration to plaintiff, and plaintiff is now the legal owner and holder of said notes, Nos. 2 to 6 inclusive. Plaintiff, by reason of default in payment of notes Nos. 2 and 3 aforesaid, elects to mature all of said notes, and has placed said notes, Nos. 2, 3, 4, 5 and 6, in the hands of an attorney for collection under the usual agreement to pay 10 per cent attorney's fees. Plaintiff alleges that the aforesaid five notes are due and unpaid; wherefore plaintiff asks judgment for his debt, interest, attorney's fees and costs of suit, and for the foreclosure of his lien upon the above described tract of land, and for general an special relief.

Herein Fall Not, but have before said court, at its aforesaid next regular term, this writ, with your return thereon, showing how you have executed the same.  
Witness, R. J. Atkinson, clerk of the District court of Mills county.  
Given under my hand and the seal of said court, at office in Goldthwaite this 27th day of October, A. D. 1910.
