### GOOD ROADS.

Road builders are benefactors to humanity.

Good roads promote prosperity; bad ones produce profanity.

Permanent highways are essential to the advancement of any community.

Good roads rid farm life of the dread and seclusion of rural loneliness.

Good roads, schools and churches, are the fundamentals in rural development.

Improved highways are better advertisements than electric signs for a community.

The wheels of education, morality and civilization must have good highways to roll on.

The sooner a town or community realizes the importance of good roads, the quicker it will become a city.

When the public becomes fully awakened to the benefits of improved highways bad roads will fade into oblivion.  
HOMER D. WADE.

### CITY COUNCIL.

The city council held its regular monthly meeting Monday night and transacted routine business, also ordered an election to be held the first Tuesday in April, which will be the seventh day of the month, for the election of a mayor, recorder, and two aldermen. The officers whose terms expire at this time are Mayor Jas. Rahl, Recorder J. B. Brinson, Aldermen W. H. Trent and H. G. Bodkin. These gentlemen have all served the city faithfully and well and the citizens will undoubtedly be glad to elect them to succeed themselves if they will be willing to serve.

Judge Allen made a business trip to Jack county the first of the week.

John Tippen was here from Ebony the first of the week, meeting his friends.

Floyd Jackson was here this week from Temple, visiting his home folks and friends.

J. T. Cook was one of the prominent men of Mullin who had business in this city Monday.

Dr. M. L. Brown was a visitor from Brownwood last Saturday, looking after telephone business.

Misses Leila and Lo's Allen returned to their studies in Howard Payne college this week, after a short visit to home folks.

Miss Effie Puett, daughter of T. E. Puett of Robert Lee, has accepted a position as operator in the Rural Telephone exchange.

Mrs. J. B. Whiteman and baby and Mrs. Edward Geeslin left Monday for Fort Worth to spend a few days with relatives.

F. W. Schwenker, proprietor of the Brady Standard, was in the city Monday in the interests of a wholesale paper house in Dallas.

Earl Fairman came home Sunday night from Brownwood, where he had been for some days, having undergone an operation in the sanitarium there for appendicitis.

W. T. Little and family came over from Hamilton this week to visit relatives. He purchased his father's Ford car and returned with it to Hamilton Wednesday, while Mrs. Little and son remained for a longer visit with relatives.

This is confidential: The new vice president of the sixth district, Texas Bankers Association is named W. C. Dew. He comes from Goldthwaite and is a fine gentleman. Bud wanted to know his name. We told him we didn't know. Bud said if it was Past Dew (due) he was personally acquainted with him. We also said we might be. —Cornish's Monthly, San Angelo.

### COMMERCIAL CLUB.

Good Attendance and Interesting Meeting—Plans for Fair.

The Goldthwaite Commercial club met Tuesday night with a good attendance and much interest was taken in the subjects discussed.

The Fair committee was requested to meet with the Confederate camp and discuss the matter of holding the fair at the same time as the reunion and agree upon a date that will be mutually agreeable.

The committee appointed to secure subscriptions for paying the night watchman's salary reported good progress and a committee composed of T. F. Toland and R. M. Thompson was appointed to confer with the city council relative to a monthly appropriation by the council to help pay the salary. On motion President Dew was added to the committee.

The matter of building an exhibit hall at the fair grounds was discussed and the matter referred to the fair committee.

A plan for securing a city park was brought before the meeting and after some discussion was referred to the entertainment committee.

Six new members were received into the club.

### RADFORD'S FARM FACTS.

The telephone is the greatest social asset in the rural home.

The most serious enemies to country life are isolation and drudgery. The evolution of farm machinery is a continued story of human ingenuity.

The problem of organizing and systematizing agriculture is one which the farmers invite the assistance of all lines of industry friendly to their interests.

The selfish days of the independent farmer are rapidly passing and we are beginning to catch the vision and share the profits of organized efforts.

PETER RADFORD.

Wilbur Fairman spent Sunday in Brownwood.

Dr. Fowler and family were here from Hamilton Tuesday.

W. C. Dew was a business visitor to San Saba Wednesday.

Gus Fisk has accepted a position with McKinley-Corrigan Co. in their hardware department.

A Nieman was one of the good men of Priddy who had business in this city the first of the week.

O. S. Page, who is a student in a business college at Houston, came home Sunday for a short visit.

Claude Eacott has accepted a position with Ware Bros. at their C-ranch and will move there next week.

Rev. Gay, the new pastor of the Presbyterian church, called this week and entered his name for the county paper, in order to keep informed on local subjects. He will preach three Sundays in each month at this place and one Sunday at Star.

Next Tuesday is the day designated as "clean-up day" in Texas and many cities, clubs and societies are preparing for the occasion. Goldthwaite is in line with the movement. The mayor has issued his proclamation on the subject and the Self Culture Club is also taking active part in the effort to make this one of the cleanest towns in Texas. Every citizen should give assistance and encouragement to the movement.

J. D. Harris, in writing to renew his subscription for the paper, says in part: "It is indeed a delight to get the old Eagle every Monday morning and its contents are read very closely, for we are all interested in our old home town and in our many good friends there." Mr. Harris has retired from business at Plano and has moved back to Dallas. No family ever lived here that was more universally esteemed than Mr. Harris and family and their friends here are legion.

### CITY ELECTION

An error appears in the report of the city council, wherein it is stated that two aldermen are to be elected to take the places of Will H. Trent and H. G. Bodkin. This mistake was made by the council by reason of the fact that J. H. Randolph and J. D. Urquhart were elected last year, but these gentlemen were elected to fill the unexpired terms of T. A. Gardner and J. H. Burnett, therefore, their terms expire in April, 1914, while W. H. Trent and F. N. Hubbert were elected last year to succeed themselves, thereby making their terms expire in 1915. The proclamation of Mayor Rahl corrects the error, but this explanation is given that all may understand the cause of the error and know the places to be filled by the election April 7.

### MRS DENSON DEAD.

Mrs. Rosa Denson wife of Mr. Arthur Denson died at the family home in Lampasas Tuesday afternoon, after a long and painful illness. Mrs. Denson's condition had been serious for a long time and she had undergone several operations in the hope of securing relief, but to no avail. Mrs. Denson was a daughter of Mr. and Mrs. S. G. Kuykendall of Antelope Gap and a sister of Mrs. W. L. Burks of this city. She lived at Antelope Gap for a number of years, when her husband was foreman of the railroad section at this place. They moved from there to this place and then to Zephyr, finally locating at Lampasas. She leaves her husband and five children besides other relatives and they all have the sympathy of many friends.

### CONTESTS TODAY.

The declamation and spelling contests arranged for by Judge Allen, are to take place in this city today. It is likely the exercises will be held in the court house and a large crowd is expected.

### LOST PIN.

### A RUSH OF BUSINESS.

It is doubtful if there has ever been a busier week in this office than this one and every one of the attaches of the office feels the effect of the strain. Aside from the regular run of work—job printing and advertising—we have issued business directories for Goldthwaite, Lometz and Mullin. These directories were prepared by Mr. W. B. Vann, a traveling man, and each one contained a large number of advertisements of the business men of the towns mentioned. These directories would have been a good week's work for our force of four printers to turn out, to say nothing of the regular work. Our customers who have been lenient with us this week can be sure of our appreciation of their kindness and we assure them we will endeavor to keep up with the work in future, even if we have to increase the force in the office.

### CLUB ENTERTAINED

The especial pleasure of Mrs. W. A. Fisk for Tuesday afternoon was to welcome the Merry Maids and Matrons and a few invited guests for the regular club meeting. This proved to be one of the merriest meetings of the season. Laughter and good cheer pervaded the room and contrasted the outer gloom.

An hour of needle work gave the guests opportunity for a personal word with every one present, thus giving the members the privilege of assisting the hostess in welcoming the guests. Every provision for pleasure was made on an acceptable scale and every one present found Mrs. Fisk cordial and attentive.

Delicious banana ice and jam cake were served to Miss Lillie Martin, Mesdames L. R. Conroy, Walter Fairman, Will Trent, J. A. Gillespie, J. H. Randolph, M. E. Ebers, M. J. Thorpe, W. K. Marshall, J. F. Geeshin, L. A. Skaggs. REPORTER.

### NOTICE OF ELECTION

Notice is hereby given that an election will be held in the city of Goldthwaite on Tuesday, April 7, 1914, for the purpose of voting for a mayor to take the place of Jas. Rahl, a city recorder to take the place of J. B. Brinson, and three aldermen to take the places of H. G. Bodkin, J. D. Urquhart and J. H. Randolph, whose terms expire in April, 1914.

G. H. Denison is hereby appointed to hold said election and he is given authority to select his assistants.

Said election is to be held in the Mills County court house, in city of Goldthwaite, Texas, and is to be held in accordance with the general laws of the state of Texas governing the holding of elections. JAS. RAHL, Mayor of the City of Goldthwaite.

Attest: L. E. MILLER,  
Secretary of the City of Goldthwaite, Texas.  
This March 6, 1914.

### PROCLAMATION.

Whereas, the health of the community is dependent to a considerable extent upon the sanitary conditions and the appearance of the city is made much more attractive by cleanliness. And, whereas, the ladies of the Self Culture club and others have determined to co-operate with the civic improvement societies of the state in observing a state "clean-up" day on March 10:

Therefore, I, as mayor of Goldthwaite, do hereby designate March 10, 1914, as Clean Up Day in the said city. On that day all citizens are requested to co-operate in the good and beneficial work by clearing their premises and vacant lots of all trash, tin cans, etc. Those who place scrapings from their premises in some convenient receptacle can have the same removed by the city wagon upon application to the scavenger, the city marshal or myself. Rocks and scrapings from stables and cow lots will not be hauled free, but trash that can not be burned will be hauled free.

Immediately after the date designated as clean up day the city marshal will be required to make an inspection of all premises, cow lots, stables and vacant lots and report to the recorder the names of all persons whose premises are not in proper sanitary condition.

If every citizen will co-operate in this work we will continue to have a clean and healthy town and will thereby be well repaid for the labor and expense.

JAS. RAHL,  
Mayor.

The woman's suffrage amendment which has been before the federal senate for some time bids fair to be enacted into law at an early date.

A political leader and an architect were arrested in Oklahoma City Monday on information charging them with attempting to bribe the commission appointed to contract for a state capitol building in that city.

The new prohibition law in Tennessee went into effect Saturday night and hereafter the possession of a revenue license will be taken as prima facie evidence of violation of the local option law.

A Brownsville bank has sufficient confidence in the Mexican rebels to accept their currency at 30 cents on the dollar. This is the first bank to accept the "money" of the constitutionalists, so far as the press has been advised.

A "go to church" movement inaugurated in San Antonio last week resulted in the churches of that city being over-crowded Sunday morning and many were turned away from the houses of worship because of the lack of room. It is said that perhaps 20,000 who were not churchgoers were present at the services in the forenoon.

Announcement has been made that Hon. Tom Ball will open his campaign for governor in Brownwood and while the date has not been definitely fixed it will likely be on April 21. Arrangements are being made for special trains and other accommodations for the vast crowds that will go there from all parts of Texas to hear his opening speech.

A report has been made by the statistician for thirty-one of the railroads in Texas, showing that there was a decrease in the earning of the roads of about four millions of dollars for the last six months of 1913 as compared with the earnings of the same months of the previous year. This showing may mean that the railroads are having a hard time to make expenses and it may mean that they have made too much in previous years.

A mass meeting attended by 3000 people was held at Shreveport, La., Monday night to protest against the miscarriage of justice in the courts in the past and especially in reference to the acquittal of a man and his wife there charged with murder. A resolution was adopted by the meeting calling upon the courts to inscribe upon the record the names of the jurors who acquitted the couple and forever debar them from jury service.

It is announced that W. P. Lane, present state comptroller and lately eliminated candidate for governor, will offer as a candidate for congressman-at-large. He states that he will make a red hot campaign in his own interest and in the interest of Col. Tom Ball. He knows well how to "put fire on the stump" and it will not be a surprise if he is elected. The way in which Mr. Lane took his defeat by the prohibition democrats made him many friends and will be of benefit to him in his campaign.

The United States Senate has given recognition to the work of the Texas Farm Life Commission. The pamphlet of Chairman Lindsey of the Commission, entitled "The Building of a State" has been incorporated into the official records of the senate on motion of Hon. Morris Shepard, of Texas, and will be distributed throughout the country among those interested in the advancement of agriculture, as well as all questions of an economic nature. The Texas Farm Life Commission is a live, practical working organization that stands midway between the Texas business men and farmers, linking the progress of both interests.—T.B. Association.

## CITATION.

The State of Texas.

To the Sheriff or any Constable of Mills County—GREETING:

M. Allen is plaintiff and J. B. Baker is defendant, said petition alleging that defendant on Dec. 14, 1910, executed and delivered to the plaintiff his promissory note for One Hundred and Twenty-five dollars (\$125.00), due Nov. 11, 1911, bearing 10 per cent interest per annum, all past due interest to bear 10 per cent interest from maturity, and providing for 10 per cent attorney's fees if placed in the hands of an attorney for collection or collected by suit and for foreclosure of his vendor's lien on two (2) acres of land out of the W.C. Cowart survey in Mills county Texas, patented to D. C. Ashley, assignee, and more fully described in the deed from J. M. Allen to J. B. Baker, dated Dec. 14, 1910, in which a vendor's lien was expressly retained to secure the payment of said note, and which deed is in the possession of the defendant and notice is hereby given to him to produce the same on the trial hereof.

## CARD OF THANKS.

Mr. T. D. Perry and children desire the Eagle to express their sincere thanks to their neighbors and their other friends in other communities for the great kindness shown them and the care and attention given Mr. Perry during his last illness. Every care was given him and every kindness was shown the family, both before and after his death, and the members of the family are deeply grateful to all who aided in any way. They feel that their bereavement was made less severe by having so many good friends to sympathize and help them.

## MULLIN

Uncle John Dan Chesser, one of our most highly esteemed citizens, died Tuesday, Feb. 24, 1914, in his 72nd year. He was a man whose quiet, peaceful Christian life impressed all who came in touch with him. He was not only ripe in years but in experience and hope of an endless life.

The Mullin hotel has changed hands again and Mrs. Lucy Eickner is the present proprietress. As she is well known as a landlady those wanting good meals will find her table well laden with cooked eatables.

Uncle Tom Christian, after an illness of several days, is up again and planning for an extended visit to his brother at Big Springs, Texas.

Old Bro. Tillman is also going away on an indefinite visit to his daughters.

Cobbsville and the little town of Mullin are being united by an aqueduct on Bralley avenue. Mr. Joe Burkett the Central-west Texas architect and contractor has the work in hand and thinks it will be completed and ready for travel in the early spring.

This is a week of shows, with the medicine man the most prominent in the ring who is expecting to hear the ring of the hard earned dollars of the public.

It is astonishingly, yea astoundingly strange how determined men and boys are to cling to booze—their health, brain and soul destroying enemy. Men of families and boys are seen taking refuge in cess pools too indecent for a respectable hog to drink slop in, to hide from the world to drink eternal damnation to their own souls. Some may say this picture is overdrawn and condemn those who stand out for manhood, but alas! alas! the story is true and has been so often told that the words are ineffaceably written in glaring letters so that he who will can read as he runs. God the Father, Son and Holy Ghost, the Angels of Light the Bible and all other truths, your own dear mother who gave you birth, all reason, the very commonest of common sense your own offspring in their innocence, your own better judgment warns you to let the stuff alone. Honest men of every political party and every religious belief as well as sinners have helped to make the laws on our statutes against the sale of intoxicating liquors and he who violates said laws is guilty and as much amenable to these laws as the man who steals a sheep and if caught will be tried in the same court, by the same kind of jurymen, out of the same statute that the seducer, thief, murderer, house breaker and common disturber of the peace and dignity of good society are tried. And when it is all over neither father, mother, sister, brother, respectable neighbor, nor even the demon clothed in human garb, who unlawfully sold it to you will compliment you on your respectability, good looks or behavior while under the influence of the vile stuff. There are young men in Mills county treading very slippery paths and will awake some day (when perhaps it will be too late) to their awful sad undoing, and men of maturer years who are setting the example and urging young men on

# BODKIN, HURDLE & CO.

In these perilous paths will quake and tremble before the bar of justice as the condemnations of an ill-spent life are rolled before them, and it will not every time be other men's boys who will condemn you, but your own may come with burning chains, drifting flames, and eternal agonies, and accuse you of your example, influence and determination to do wrong, even at the peril of your own life and your posterity, possibly four generations away. For it is unmistakably and positively declared by God Himself that "the iniquities of the fathers will be visited on their children to the fourth generation." Men may make false statements. God never does. Men may wink at what they call little sins. God never does. The responsibilities of an ill-spent life will come as heavy on the man in the lower walks of life as on him who may think his education, money brilliancy over men will cool the fires, make it easier to blow the fiery flames of a lost soul; but we are taught differently and we must keep silent while God unfurls the fiery indignation of his wrath upon a disobedient soul, whether rich or poor, high or low. "The soul that sinneth, it must die." No excuse can or will avail, for conscience warns and until it is tampered with until it becomes seared as with a hot iron man is left without excuse. Your money, whether legally or illegally gained, won't be worth a grain of sand to you when called to the judgment. Your preconceived ideas of personal liberty will fall like leaden weights when He who spake as never

man spake says, "It's enough you must come to judgment." If these thoughts, randomly expressed, will cause one young man or young lady to seriously consider what life means to a human being and get the vision so forcibly impressed on their minds as to determine to make the very best man or woman it is possible to make, the writer will feel amply paid for his time and thought. Nothing but the good of humanity has caused this article. We know some will criticize and condemn and like others who have done likewise will some day walk the floor and wring their hands on account of these very sins bringing trouble to their own doors. A well wisher to all. H. C. COBB.

## COUNTY COURT.

County court has been in session this week, although there has been very little business transacted. There were only four cases on the docket to begin with.

The case of State vs. Andy Allen, charged with aggravated assault, was tried by jury Thursday and a verdict of acquittal resulted. In this case Judge Allen was legally disqualified to sit and Mr. F. P. Bowman was named as special judge to try the case.

The case of State vs. Theodore Dinklage, charged with disturbing religious worship, was on trial when the Eagle was put to press. This case comes from the Priddy community.

It was expected the court would adjourn for the term last night.

## COTTON STATISTICS.

Mr. W. H. Oglesby has completed the report of the cotton ginned in this county for the crop of 1913 and has forwarded it to the department at Washington. This report shows 8988 bales ginned in this county for last year. The report for the previous year was 14,380 and for 1911 the amount ginned in the county was 8888.

H. C. Carothers has traded his wagon yard in Belton to Shelton & Tubb for the pool hall here and has already taken charge of the business. Mr. Carothers formerly lived near San Saba peak and has lived in Belton for several years, but found it necessary to return to this place on account of the condition of his wife's health.

No description could adequately tell in advance all the details that go to make "The Virginian" a play that takes high rank among the worthy plays that endure. That it amply deserves the fine patronage accorded it is evident from the fact that it attracts theatre goers time and time again. A play that bears successful repetition must possess merit and artistic worth. Jones and Crane's production of this famous story is said to be far the most pretentious yet put forth by this firm of producers. It will be the attraction at the Page Opera House on March 12. (ad)

**STAR.**

Quarterly Conference was held at Knox school house last Saturday. Several Star people attended. Presiding Elder Cowan intended to preach there that morning, but was unable to be there till evening. He also intended to deliver a sermon at Star Sunday night, but circumstances would not permit. Rev. L. N. Myers, accompanied him to Lampasas Sunday morning.

Messrs. Cyrus Fields and C. H. Springer recently built new picket fences to their front yards.

There was a small fire in the high school last Monday morning. The fire was caused by a defective flue. Luckily there was plenty of drinking water on hand and the fire was soon extinguished. The fire was in Prof. Jeter's room and was caused by the stove in Mrs. Hawkins' room below, the heat from the flue in the wall setting fire to the floor.

J. M. Adams is having some land cleared. He intends to move his house up close to the road. This will be a decided improvement.

A play, "Under the Laurels," was given here last Saturday by the Evant people. The play was well patronized and thoroughly enjoyed by all present. The Star String Band rendered some interesting music for the occasion. Receipts were \$28.70. The musicians, of course, got in free and that cut down the receipts considerably—there were lots of them!

B. L. Nance and Mills County Farm Demonstrator Robbins were here last Monday and delivered lectures to a large and interested audience. Mr. Nance's lecture was highly appreciated and especially by the children.

Several farmers took advantage of the opportunity to try the demonstration work. After a while I guess we will quit saying farmers' and say "Agriculturists." Of course we will have to advance with the times and it is not so very long ago when the scientific farmer was unheard of.

Four names were added to our Sunday school list last Sunday. Interest in our Sunday school is still increasing and all are delighted.

The rain last Friday was just in time and was gladly welcomed by all who had oats.

The Music Club did not meet last Friday on account of the rain. The club meets on the second and fourth Friday nights of each month.

The next regular meeting of the W.O.W. here will be Saturday, March 14. The Woodmen have changed the time of meeting in order not to conflict with the Masons. They now meet on the first Saturday night after the full moon in each month, and two weeks hence, instead of before the full moon as heretofore.

Elvis Morris, one of our prosperous merchants, made a trip to Goldthwaite one day this week.

**INTERESTING PROGRAM**

**Successful Meeting of Mills County Sunday School Association.**

The above named Association was called to order by Chairman S. H. Allen at 10:30 o'clock last Sunday morning, in the Baptist church house at Center City. The program, as previously announced, was carried out in an interesting manner. The principal discussions in their order were by F. P. Bowman, Prof. A. H. Daniels, Rev. J. C. Newman and Judge S. H. Allen. Mr. Pete Burks led in the singing, which was pronounced by all present as being of the best type. At noon tables were made, benches being used for this purpose. They were then loaded with things to eat that all who know how Center City feeds, were expecting. The stranger there was wide-eyed with astonishment that such a feast should be spread for an ordinary occasion. After dinner the Association met in the Methodist church. All available space in the house was filled and many had to remain on the outside. Great interest was shown in the work by all present. The discussions were practical and dealt with every day problems confronting the average Sunday school.

Mt. Olive Sunday school was chosen as the place for holding the next meeting, which will be held on the first Sunday in June.

The officers chosen for the next year were: S. H. Allen, president; F. P. Bowman, vice president; August King, secretary. Rev. J. C. Newman, F. P. Bowman and Prof. A. H. Daniel were selected as a program committee for the year. It is the plan of the body to have a local committee at the place of holding the meeting to suggest to the general program committee such subjects for discussion as will meet the peculiar needs of that place. All Sunday schools in the county of whatever denomination, should, we believe, become members of this Association and co-operate with us to make Mills county the banner Sunday school county in Texas. We suggest that each Sunday school discuss, at home, the advisability of having delegates represent it in the next meeting. Come and be with us. Let's have a good and profitable time.

... has been many a season since, and may be many more seasons after "The Virginian" has played here. Goldthwaite has had so virile a play, check full of interesting moments, skillfully interspersed by touches of brilliant wit and laughable situations. "The Virginian" is essentially the American's play, appealing to free and independent men and women with the love of life coursing swiftly in their veins. Page Opera House, March 12. (Adv)

**"Cured"**

Mrs. Jay McGee, of Stephenville, Texas, writes: "For nine (9) years, I suffered with womanly trouble. I had terrible headaches, and pains in my back, etc. It seemed as if I would die, I suffered so. At last, I decided to try Cardui, the woman's tonic, and it helped me right away. The full treatment not only helped me, but it cured me."

### IN MEMORY OF BRO. JAS. W. COLLINS.

Bro. Jas. W. Collins, aged 17 years, 5 months and twenty days, departed this life Jan. 14, 1914. Bro. James was an amiable, kind-hearted boy, loved by all—a boy of very few words, who possessed many qualities of character which endeared him to all. Last, but not least, he was a follower of the meek and lowly Jesus. Bro. James professed faith in Christ at the age of 15 and joined the Baggett Creek Missionary Baptist church. Later, with his parents, he removed to the Rock Springs community and was a member of this church at death.

About Nov. 1, 1912, he was stricken with that dread disease—meningitis. From that time till his death he was a helpless invalid, almost constantly suffering. Yet he bore his sufferings with patience and meekness that only the Christian can possess. Many times he was told that he must soon die and as many times he replied that he was prepared to meet death, that he had made his "peace, calling and election sure."

It would be cruel to say to the mourning loved ones, "weep not," but we do say weep not as those who have no hope, for we have the blessed assurance in our hearts that we shall some day meet Bro. James in mansions of endless glory, bliss and joy.

In the Rock Springs cemetery we laid his mortal remains to await the morning of the resurrection, "when the dead in Christ shall rise," and we hear the voice of the Master say, "Come, ye blessed."

To the heartbroken father and mother, brothers and sisters, we can only say, look to Jesus the author and finisher of our faith. He and He alone can heal our broken hearts and turn our sorrow to gladness. His grace is sufficient for us. "And I heard a voice from heaven saying unto me, write, blessed are the dead that die in the Lord from henceforth; yea saith the spirit, that they may rest from their labors and their works do follow them." A FRIEND.

(Mullin Enterprise and Comanche Chief-Exponent please copy.)

We will trade vehicles for anything from a rooster and whetrock to a \$200 mule.—Cockrum & Rudd.

Dan Weston made a trip to Star one day this week.

R. F. Dyer of Ebony was among th visitors to this city this week.

J. M. Valentine has returned from Pleasant Grove where he completed a modern residence for J. H. Benningfield.

Miss Eva Evans left yesterday for her home in Talpa, after a visit to her sister, Mrs. S. A. Lowrie, and family in this city.

Dick Page left yesterday for Fort Worth, where he will likely locate permanently. He has many friends here who wish him success wherever he goes.

In a card of thanks printed on another page, the name "Mr. Perry" appears when it should be "Mrs. Perry." The page was printed before the omission of the "s" was noticed, hence this correction.

The last word in perfume is La Valliere Sweet Olive Perfume, the imprisoned fragrance of the sweet olive flower. The scent brings back tales of Arabian love to the modern man. When one lifts the stopper, disagreeable scenes vanish, gardens arise and the southern sun picks out the yellow-white sweet olive blossom from amid the riotous enflourage. For sale at Brown & Lowrie's. (Adv)

Miss Bina Renfro, one of the courteous and efficient operators at the Rural exchange, has resigned her position, effective April 1. By her devotion to duty and her accommodating manner she has added largely to her list of friends while she has been in the phone office and all of the patrons of the company regret her resignation and wish for her a long and happy life.

On Friday evening, February 27, 1914, the S. D. Club was very pleasantly entertained at the home of Mr. and Mrs. Andrew Graves with Miss Myrtle Randles as hostess. In the announcement column appears the name of Mr. A. R. Kelley, who is a candidate for commissioner for precinct No. 4 and justice of the peace in precinct No. 5. He is a resident of the Ebony community and is well acquainted with the needs of his precinct and the county in general. He is very highly recommended by those who know him best and his friends say that if he is elected he will make one of the best officers ever elected in the county.

### T. G. PRESTON.

Mr. Preston announces as a candidate for constable at Goldthwaite, which position he is fully capable of filling to the satisfaction of the public. He served in that office for the Center City precinct several years and his careful attention to his official duties made many friends for him in that part of the county and elsewhere. ### CALOMEL IS A FORM OF DEADLY MERCURY.

Instead of Such Dangerous Stuff, it is Recommended That You Take **Dodson's Liver Tone** for Constipation.

Dodson's Liver Tone was made to take the place of calomel.

Calomel is a form of mercury, a mineral and a poison. Dodson's Liver Tone is an all-vegetable liquid—never harmful.

What calomel does unpleasantly and often with danger for constipation and sluggish liver, Dodson's Liver Tone does for you safely and pleasantly, with no pain and no grip. It does not interfere in any way with your regular business, habits or diet. You feel good after taking it.

The great success and wide sale of Dodson's Liver Tone are the result of what it does for people. Its merit is backed up by a guarantee of "satisfaction or your money back," as Clements Drug store will tell you.

Dodson's Liver Tone was intended from the first to take the place of calomel. The label on the bottle always has said so, beginning with the first bottle sold.

Dodson's Liver Tone "liven's the liver" overcomes constipation agreeably and makes you feel good, and if you are not satisfied completely with it Clements Drug store, will hand back the purchase price (50c.) to you with a smile.

When you go to buy a family remedy, don't fail to judge between the simple, plain truth about Dodson's and the loud claims of its imitators. That the public does so accounts for the enormous increase in the sales of Dodson's Liver Tone month after month. (adv.)

### FOR SALE.

S. C. B. Leghorn eggs for sale \$1.00 per setting of fifteen; also some fine young cockrels. Send orders to McDermott's Live Oak Valley Poultry Farm, Route 2.

Chamberlains Tablets for Constipation For Constipation, Chamberlain's Tablets are excellent. Easy to take, mild and gentle in effect. Give them a trial. For sale by all dealers. (adv)

### HORSE OWNERS.

The horse is the principal motive power of the farm and therefore requires the best attention. If he does not thrive or eat well, have his teeth attended to. Bad teeth and improper mastication causes more disturbance than any other trouble; causes acute indigestion, colic and diseases of the alimentaries and many other troubles. A stitch in time may save the worth of your horse. Spend a few dollars on your horse before he gets down or is disabled. Bring your horse to me and have him examined and treated. I will be in Goldthwaite the second Saturday in each month to do all classes of veterinary work. Examination free.—Dr. O. M. Walters, Veterinary Surgeon and Dentist, San Saba, Texas.

### Kickapoo Worm Killer Expels Worms.

The cause of your child's ill—the foul fetid, offensive breath—the starting up with terror and grinding of teeth while asleep—the sallow complexion—the dark circles under the eyes—all are indications of worms. Kickapoo Worm Killer is what your child needs; it expels the worms, the cause of the child's unhealthy condition. For the removal of seat, stomach and pin worms, Kickapoo Worm Killer gives sure relief. Its laxative effect adds tone to the general system. Supplied as a candy confection—children like it. Buy box today. Price 25c. All drug stores or by mail.—Kickapoo Indian Medicine Co., Phila. or St. Louis. (Adv)
