### COMMUNITY CO-OPERATION

(Copyrighted Farm and Ranch-Holland's Magazine)

Do you fully realize what the community in which you live means to you individually?

You hear of wonderful commercial, social, educational and religious advantages or fine stores, beautiful parks and good roads in other localities, all of which mean little or nothing to you compared to advantages and conveniences offered you at home.

Every one is more or less proud of the community in which he or she lives, and justly so. However to me, the height of inconsistency is perceived in people who pride themselves on being interested in local conditions, and at the same time do those things that tend to retard the development of their home communities.

Those people who proudly boast of the advantages offered by their home towns, as desirable places in which to live, and then refuse to extend local merchants their patronage, are as ridiculous as the restaurant proprietor who eats "out."

### FARM WORK FURLONGHS

County Farm Demonstration Agent, McDaniel has received forms on which applications can be made for furloughs of men called into military service who are needed for farm work. It is understood, of course, that the applications will not be granted where the men are required for duty at once, but where they can be spared the application will be available. Those interested in the subject can see Mr. McDaniel or members of the exemption board of the county.

J. P. Goodwin of Mullin was a business visitor to this city the first of the week.

G. H. Frizzell looked after business interests in San Saba the early part of the week.

Dr. M. L. Brown was here the first of the week from Brownwood, meeting with his friends and looking after business matters.

Mrs. G. M. Pollard of McGirk boarded the train Sunday night to go to Dallas, where she was called on account of the illness of her daughter.

Hugh Kirkpatrick of Mullin was a passenger on Tuesday morning's train enroute to Dallas where he was to receive assignment to duty in the navy at some place.

When you have visitors, go on a trip or know any other local item, tell the Eagle and help to make the paper more interesting for your friends and neighbors.

Friends and relatives of Jim Tom Fox have received cards from him this week announcing his safe arrival in Europe. He is one of Mills county's best boys and we are all trusting that he will distinguish himself on the field of battle and return safely after the terrible conflict is over and the world is at peace.

Martin Barnes and Frank Pollard returned the first of the week from Abilene, where they were called to attend the funeral of Mr. Barnes' brother Frank, who died at Tuscola Friday of heart trouble. The deceased was a son of Malory Barnes and was reared in this county, where he had many friends who were grieved when they heard of his death and sympathize greatly with his bereaved relatives.

### RIDGE

Editor Eagle:

Health in our community is still improving.

Mr. George Churchwell is right sick at this writing.

Master Vance Cornelius was seriously hurt by a calf kicking him in the head, but is doing as well as could be expected.

Mr. C. C. Barrows and daughter Neva made a business trip to Goldthwaite last week.

Miss Mary Edmonson spent Sunday at the home of Mrs. Mason Beshars.

Miss Sallie Hollis and Miss Vera Atkinson spent Sunday afternoon with Mr. and Mrs. William Churchwell.

Miss Pearl Edmonson spent a joyful afternoon with Miss Alva Dee Griffy Sunday.

Mrs. Eva Hodnett will leave in a few days for Lowell, Arizona, where her husband is employed.

Ms. Andy Hollis is able to sit up.

The farmers sure are proud of the good rains and think they will make a good crop this year.

Mrs. D. L. Lanford visited in Brownwood the first of the week.

Charley Taylor of Temple visited in this city the first of the week.

Mrs. W. H. Thompson of Sealy arrived in the city Sunday for a visit to relatives.

W. S. Miller of Big Valley returned Monday from a visit to relatives in Brownwood and reported a good rain at that place.

W. G. Welch and R. T. Lucas two of the prominent and prosperous citizens of the Center City county were transacting business in the big town Monday.

F. H. and William Lippe, two good men of the Indian Gap country, were looking after business in the city Tuesday and the first named entered his subscription for the Eagle.

Rev. W. G. Callihan, who is the county chairman for the next Red Cross drive which begins in May, spent the first of the week in Dallas, where he attended a convention of county chairmen for this district.

Attorney DeWitt Bowmer was here from Temple the first of the week, attending to legal business. He was district attorney in this district some years ago and is now a candidate for the senate from his home district and his friends in this county are hoping for his success.

T. W. Cryer was here from Mullin Tuesday looking after business matters and informed the Eagle that he had contracted for an oil well to be sunk on his ranch in the Ridge country. Work is to begin soon and it will be pushed to a finish. Many people feel confident that oil prospecting will result in many wells being brought in at no far distant date.

### FOOD AND FEED

It is of the utmost importance to Texans in particular and to the country in general that an intensified effort be made to increase the food and feed production of this state. It is the part not alone of farmers but also of the business men to give this increased production careful consideration and active co-operation. Abnormal conditions prevent the usual balance of supply and demand. Therefore it devolves upon Texans to aid in meeting an emergency that is quite as pressing as that presented by the military needs of the country.

Certainly Texas should food and fodder itself and there should be a wholesome surplus to aid in provisioning those gallant Americans in the armed service; those Frenchmen whose valor is admired by all free people; those Brits whose courage forms one bright spot in the war's blackness and those unfortunate races, Armenians, Serbians and others, who are starving.

Farmers are receiving greatly enhanced prices for their products the soil of Texas is most prolific; the planting area is large; the seasons are long; the demand great and growing; encouragement is offered by state and government. Therefore it is necessary, and crying so, that Texans till their fields their vacant lots and back yards with an intensiveness and vigor such as will assure bountiful crops of food for men and feed for beast.

It is an opportunity to aid in winning the war and to assist in making the "world safe for democracy."—United States Food Administration.

The rains have put a smile on the faces of the people of western Texas and everybody looks to the future with increased hope.

**Rev. Templin Dead.**

Rev. G. W. Templin died Wednesday in San Antonio, where he had been for some time under treatment for paragra and complications. His remains were shipped to Mullin, where funeral services were held yesterday morning at 11 o'clock, an immense congregation being present to pay respects to the good man's memory and extend sympathy to his bereaved family.

Brother Templin was one of the most universally beloved men this country ever knew. He was a pioneer of the ministry in this section and doubtless officiated at more marriage ceremonies and conducted more funeral services than any other preacher who ever lived in this part of Texas. He was a member of the Methodist church, but the sphere of his Christian influence and the circle of his friendship extended far beyond denominational lines. Everybody had confidence in him and all who knew him were grieved when the announcement of his death reached them.

While the greater part of his life was devoted to the ministry, he was forced to give up the work some years ago on account of losing his voice. He did not lose interest in the great cause, however, but continued active in the service as far as his influence reached. He served the county as treasurer four years and later engaged in other lines of activity until failing health forced his retirement. He spent some months in Galveston under special treatment and was later moved to San Antonio, but without benefit and he continued to decline until the end came.

His wife and eight children, besides other relatives, are left to mourn his death and in their sorrow they have the sympathy of a host of friends. His children are Mesdames A. J. Cockrum, McAlister, McDavid and Ivy and Messrs. Bascom, Marvin, George and Sam Templin.

**HONOR FOR ALL**

There is honor enough for us all in the career of our splendid young men who have entered the great struggle for freedom and to preserve the integrity of civilization. The following taken from the Houston Chronicle refers to a young man who was born in Goldthwaite and spent several years of his childhood here. We are willing that Houston should claim an interest in him, for after all he is like the other splendid young men who have gone from this and other counties.—he is an American citizen. The Chronicle says: Leonard Doughty, a young Houstonian, has probably arrived in England, from which point he will soon go to chase submarines in the North Sea. Young Doughty attended the Houston High school for a period of three years, when, at the age of sixteen, he was appointed to West Point, as second alternate, and passed the examination, winning over the principal and first alternate. After one year in West Point, he was transferred to Annapolis, from where he graduated in 1917, as an ensign. He graduated from Annapolis holding the intercollegiate fencing championship of America. In July, 1917, he was promoted to the rank of lieutenant and in November he was placed at the head of the department of naval regulations at Harvard University where he remained, training commissioner, until March, 1918, when he was promoted to the rank of lieutenant commander. He went to Liverpool recently to take command of an American destroyer in the North Sea. Mr. Doughty lived in Houston for the greater part of his life, before going to Annapolis, having attended the public High School here. His sister, Miss Edith May Doughty, lives in Houston.

**FURLOUGH BLANKS**

Furlough blanks for agricultural claims have been received by me and have been turned over to the local exemption board for Mills county, where furloughs are sought for soldiers to assist in planting crops. Parties desiring to make application for furloughs should go direct to the office of the board, where the chief clerk will give them all necessary assistance. The office of the board is in the court house building, third floor. Registrants and their relatives who write letters concerning the business of the board should address same to the Local Exemption Board of Mills county, Goldthwaite, Texas, and not to individual members of board, as mail addressed to members is often misplaced and always requires more time to answer. GEO. W. McDANIEL, Emergency Demonstration Agent.

**DEMONSTRATION IN COOKING**

In order to help win the war we are urged to conserve food. If we conserve food and use the substitutes to save wheat, sugar and fats, we must know how to prepare these different kinds of food. Every lady in Mills county is invited to attend a public demonstration on April 27, 1918, at Lanford Mercantile Company's store. The booth will be in charge of Mrs. C. M. Burch. Mrs. Burch will call on some of the ladies to prepare substitutes for this demonstration and I am sure every lady in this county is willing and anxious to assist in this great cause. D. L. Senator Stone, the veteran representative of Missouri in the upper house of the federal congress, died Sunday as a result of a stroke of apoplexy. He was chairman of the senate's foreign relations committee and at the beginning of the war was a pronounced pacifist and his opposition to President Wilson's plans caused him to lose considerable prestige with his colleagues and the general public.

The supreme court of the United States this week rendered a decision in favor of the city of Palestine against the International and Great Northern railroad. This was a case wherein the railroad company had contracted to maintain the general offices of the company, together with shops and roundhouses at Palestine and later attempted to move these headquarters to Houston. The case has been in court many years and this final determination was a victory for the right as well as for the city of Palestine.

Women voters must be careful to prepare for the primary by registering at the tax collector's office fifteen days before the election, which will be held July 27. They can not register before June 27, as the law granting female suffrage does not become effective until that date, therefore they will have but fifteen days in which to register and secure a certificate allowing them to vote. The qualifications for suffrage are: The voter must be 21 years of age, a resident of the state a year and the county six months prior to the date on which the vote is cast, must have a registration certificate from the tax collector for 1918. No poll tax payment is necessary for the ladies this year but after this year those who expect to vote will have to provide themselves with a poll tax receipt dated prior to Jan. 31 of the year in which they desire to vote.

Owing to the enormous amount of work the governmental departments at Washington are being flooded with letters of inquiry on every conceivable subject concerning the war, and it has been found a physical impossibility for the clerks, though they number an army in themselves now, to give many of these letters proper attention and reply. There is published daily at Washington, under authority and by direction of the President, a government newspaper—The Official United States Bulletin. This newspaper prints every day all of the more important government decisions, regulations, proclamations, orders, etc., as they are promulgated by the several departments and the many special committees and agencies now in operation at the National Capital. This official journal is posted daily in every postoffice in the United States, more than 56,000 in number and may also be found on file at all the libraries, boards of trade and chambers of commerce the offices of mayors, governors and other federal officials. By consulting these files most questions will be found readily answered; there will be little necessity for letter writing; the unnecessary congestion of the mails will be appreciably relieved; the railroads will be called upon to move fewer correspondence sacks and the mass of business that is piling up in the National Capitol will be eased considerably. Hundreds of clerks now answering correspondence will be enabled to give their time to essentially important war work, and a fundamental patriotic service will have been performed by the public.

## PATRIOTIC RALLY

### Citizens Hold Meeting and Discuss Liberty Loan.—Speeches and Music

There was a patriotic rally in the district court room Monday afternoon in the interest of the third Liberty Loan and to give expression to the patriotic sentiment of the people.

The meeting was presided over by Judge Weaver, county chairman for the sale of the bonds, and Rev. W. R. White, pastor of the Baptist church, was the main speaker of the occasion. His speech was full of patriotic feeling and historical facts and he held the closest attention of the audience by his oratory and logic.

Prof. T. L. Price superintendent of the Goldthwaite schools, also made an interesting talk, full of patriotic utterances, in which he told of the liberality and patriotism of the pupils of the high school, who had contributed a sufficient sum to buy a bond and the grammar school pupils giving of their funds to buy Thrift Stamps. The unselfishness of the pupils was shown in the fact that they designated that the money, when collected from the government, was to be used in buying books for the school library, therefore their contributions to the funds were as absolute donations.

Mr. W. E. Miller and others made short talks in a patriotic vein and in the interest of the bonds, after which some of the pupils of the High school sang patriotic songs and delivered patriotic speeches and readings and the boy scouts were also represented with a rice paper, all of which were immensely enjoyed by the audience.

Mayor Will H. Trent, member of the executive committee for the county in the sale of the bonds, was the last speaker on the list. He gave a comprehensive statement of the manner in which the bonds were to be sold, their value as a commercial asset and as revenue producing property. He announced the appointment of a committee of ladies to assist in the sale of the bonds and urged his hearers to do their full duty in the matter.

Music for the occasion was furnished by the Goldthwaite orchestra and during the exercises several patriotic songs were sung by the audience. The meeting was well arranged, well timed and was productive of much good in inspiring the people.

## CAMP TRAVIS

"There has been no ground glass found in the food served to Camp Travis soldiers. No Menonite preachers are under arrest at Camp Travis on charge of disloyalty." This is the statement of Major General Henry T. Allen, commanding the Ninetieth Division at Camp Travis.

Every instance reported to the Ninetieth Division Headquarters has been thoroughly investigated. Every report was carefully traced down, but absolutely no grounds were found to warrant belief that ground glass had been placed in foods, nor has there been any case of illness that could be attributed to such a cause.

Parents of the thousands of soldiers at Camp Travis have been misled in believing that the soldiers were being fed food that contained ground glass. As a result numerous letters and telegrams have been received asking confirmation of rumors. In order to put at ease the minds of all persons interested in men at Camp Travis, General Allen has issued a flat denial of any of the statements made either as to ground glass or the detention of Menonite preachers within the camp on the grounds of disloyalty. The officer responsible for rumor is now in the hospital. He is suffering from a nervous break down.

## For Mills County Boys and Girls

That the production of food and feed in Mills County may be stimulated to its utmost this year and the sale of Thrift Stamps increased, the Trent State Bank will give as under—

### \$25.00 in Thrift Stamps

In Amounts of \$15.00, \$7.50 and \$2.50 respectively

To the Three Boys in Mills county, under 18 years of age, who can show the best returns from One Acre of land planted in any kind of food or feed products (watermelons and cucumbers debarred), with the restriction that the land cultivated must be "dry farmed" and a record of sales kept. If the products of the acre are sold to anyone related by blood or marriage to the contestant, the regular market price only can be paid, and no gifts will be considered. This bank will also give

### \$25.00 in Thrift Stamps

In Amounts of \$15.00, \$7.50 and \$2.50 respectively

To the Three Girls in Mills county showing the largest returns from a Half Acre planted in a garden, on the same basis as the offer made to the boys.

### RULES GOVERNING CONTESTS

All earnings must be, in both cases, invested in Thrift Stamps and a record kept of all sales.

All contestants are required to enter their names at this bank that we may keep a record of such. The plot of ground worked by contestants will be measured and approved by G. W. McDaniel, the county demonstrator.

Contests will close on Dec. 15 of this year. All that will be necessary to be judged will be to exhibit the Thrift Cards and Records of Sales.

No boy or girl living in town need be debarred from these contests, for we can show a record where \$280.00 was made by a girl from the sale of tomatoes raised on a city lot.

### \$10.00 in Thrift Stamps

On the above named date we will give to any boy or girl, under 15 years of age, having the greatest amount invested in Thrift Stamps, earned by their own efforts, a prize of \$10.00 in Thrift Stamps. The only stipulation is that the contestants must earn the money the stamps are bought with and show a record of how it was earned.

# WILL YOU HELP?

Only twelve more working days in which to make subscriptions to the Third Liberty Loan! Have you done your duty? Have you sacrificed in any degree compared with the brave boys who are giving their lives for the cause of freedom and the protection of everything a free people hold dear and sacred. Have you helped to properly arm and equip our boys in this gigantic struggle? This is your opportunity. Will you do it---or shall Mills county be one to fail in the duty? It is up to you, citizen! Sell a horse or a cow and BUY A BOND. Borrow the money if necessary, but BUY A BOND. It is your duty---it is necessary.

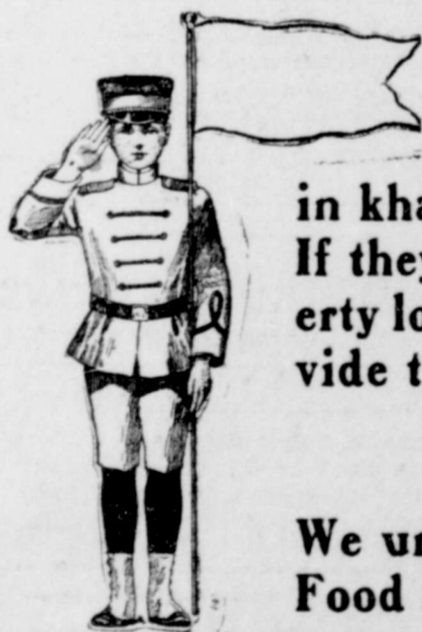

## BUY STAMPS!

All citizens---no matter how rich or how poor---should invest in War Savings Stamps and Certificates. You can get them at banks, post-offices and authorized business places. You can invest from 25c to \$1000 in these Stamps and Certificates and thereby show your willingness to back the government to the best of your ability---be that much or little. Everybody can help some.

## SAVE THE FOOD!

Save Wheat Products of every kind by using the prescribed substitutes. Ask your Grocer about them. They are healthful, appetizing, economical and at the same time you help feed the boys in khaki, who are fighting for the protection of the nations of the earth. If they can put their lives into this struggle, surely we of the great liberty loving American nation should be anxious as well as willing to provide the Finances and Food required.

### A CALL TO DUTY

We urge you to Buy Liberty Bonds and W. S. Stamps and Conserve the Food supply in order that our armies may be properly equipped and fed.

## A FAMILY MEDICINE

**... Says This ...  
...ing Black-  
...ener From Head-  
...e, Malaria, Chills, Etc.**

...ggold, Ga.—Mrs. Chas. Gaston, in this place, writes: "I am a user of Theford's Black-Draught; in fact, was one of our family medicines. Also in my mother's home, when I was a child. When any of us children complained of headache, usually caused by constipation, she gave us a dose of Black-Draught, which would rectify the trouble. Often in the Spring, we would have malaria and chills, or troubles of this kind, we would take Black-Draught pretty regular until the liver acted well, and we would soon be up and around again. We would not be without it, for it certainly has saved us lots of doctor bills. Just a dose of Black-Draught when not so well saves a lot of days in bed."

Theford's Black-Draught has been in use for many years in the treatment of stomach, liver and bowel troubles, and the popularity which it now enjoys is proof of its merit.

If your liver is not doing its duty, you will suffer from such disagreeable symptoms as headache, biliousness, constipation, indigestion, etc., and unless you take Theford's Black-Draught, serious trouble may result.

Theford's Black-Draught has been found a valuable remedy for these troubles. It is purely vegetable, and acts in a prompt and natural way, regulating the liver to its proper functions and cleansing the bowels of impurities. Try it. Insist on Theford's the original and genuine. 23

## POLITICAL POINTERS

The campaign is becoming more interesting as the days and weeks go by and soon there will be political discussions in almost every gathering. Eagle readers will be especially glad to see the addition to the announcement column this week.

J. T. BLEDSOE

Friends of Mr. J. T. Bledsoe have secured his consent to serve as commissioner for precinct No. 4 and he submits his name this week. It is scarcely necessary to speak in commendation of him to those who know him, for he will receive their hearty and undivided support. To those who do not know him the Eagle has no hesitancy in saying he will make a splendid representative for his precinct. He will give all parts of the precinct and the county at large justice and their fair share of the road money and the other attentions due them. He will not be under the control or domination of any other member of the court, but will have a head of his own and will always be found doing the right and looking after the interest of the people. He is a farmer of the Big Valley community, where he has lived a long time and where everybody holds him in the highest esteem. His part of the precinct has not been represented in the commissioners court for many years and the citizens of that section feel that it is but fair that their part of the precinct furnish the commissioner a part of the time and it is certain that the citizens of other parts of the precinct feel the same way about it and will give Mr. Bledsoe a big majority of the votes.

## CLUB MEETING

Mrs. L. R. Couro was hostess to the Art and Civic Club on Wednesday, April 17. A very enjoyable afternoon being spent.

In the business session, the club showed its patriotism by voting to put the balance of the money in the treasury into War Saving Stamps.

As a club, we wish to acknowledge with thanks, receipt of eighteen quilts from Star. We appreciate the co-operative work of all the ladies, but especially that of Mrs. Brooking and Mrs. Henry Morris. When our club took up the task of collecting old clothes for the Belgians, the people so readily rallied to our support, and we do sincerely thank them for every donation that was made for this cause.

Program rendered as follows: Subject—Immigration. Suit thyself to the estate on which thy lot is cast.

Hostess—Mrs. L. R. Couro. Leader—Mrs. Edward Geeslin. Roll Call—Current events.

## CALOMEL DYNAMITES A SLUGGISH LIVER

Crashes into sour bile, making you sick and you lose a day's work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

J. C. Carlock, farmer, Fisher St., says: I was doing some heavy work and I strained my back. At first I had pains in my back and mornings couldn't straighten up. The pains extended into my hips and limbs. My kidneys became weak and I had to pass the kidney secretions frequently. I used a kidney medicine and it did me no good and finally I began taking Doan's Kidney Pills. Soon the pain in my back left and my kidneys were regulated. I have had no need of a kidney medicine since."

## PRIDDY

Editor Eagle:

Are you a patriotic citizen?

Priddy is now a very busy center. Money is flowing in from all sides for Bonds, W. S. S. and Thrift Stamps. All are wide-awake and ready to help Uncle Sam with all they can spare. Some are even borrowing money to lend it to the nation. Such was never expected, considering the financial conditions.

I am sure that I am not judging unjustly or rashly in saying that there is very little money in this part of the country, as crops have not yielded satisfactorily for several years, and besides, the high cost of living has been a theme very much discussed by the farmers. But now it has rained about two inches and everybody is feeling just right and ready to help where it is in any way possible.

The news that the sale of flour has been suspended was cheerfully accepted and will be complied with. Our people have eaten corn-bread before and all say it is just splendid for a farmer—a good, wholesome food in every respect. And oatmeal! Why, it is cherished by everyone, as it has been one of the most important foodstuffs of these people.

Recently this community delivered a large sum of money to the Lutheran soldier mission of the U. S., more than was asked for, and nearly all of our citizens are members of the Red Cross and have already done their part. Those who are not yet members will surely make up for what has been neglected.

A meeting of the Priddy Red Cross has been called for Saturday, April 20, at 5 p.m. in the new school house. Everybody is cordially invited to come, as we are going to organize an auxiliary and co-operate with the other Mills county organizations. Come! Come! The boys in the trenches are needing YOU! They have only what is imperatively necessary—they have not what you enjoy at home. Give them just a little more.

The Women's Association of this place will send their surplus to the United States. So will the Lutheran League. What more can they do? Time will show and they will be right there when they are needed.

"So nigh is grandeur to our dust,  
So near is God to man;  
When duty whispers low—"thou must,  
The youth replies—"I can."

Not forgetting the little school children of this place. They have nearly all purchased Thrift Stamps—have sacrificed their ice-cream money for their Uncle Sam.

As time is rare, I will continue as soon as possible. A. G.

### OLD IRON

Iron 50c per hundred, \$10 per ton. G. S. CLARK, At Baker's Store.

A tornado did great damage in some north Texas counties Sunday night. Wise and Denton counties being the greatest sufferers. Many houses were destroyed, a number of lives were lost and the total property loss runs high. Railroad traffic was crippled badly, because of washouts and destroyed telegraph and telephone lines. One of the freaks of the tornado was the blowing over of several freight cars in a train near Baird, on the Texas and Pacific road.

Every citizen should endeavor to get the County's quota of the Third Liberty Loan "over the top" and be ready for the Red Cross drive. Patriotism "must take the place of selfishness and a desire for gain until this war is over. This may not be the last Liberty loan and this may not be the last Red Cross drive, but we may not have another opportunity to help in the great cause. Better get in while the opportunity offers
