

The Goldthwaite Eagle.

VOL. 24.

GOLDTHWAITE, MILLS COUNTY, TEXAS, JUNE 8, 1918.

NO. 42

Mrs. W. W. Queen left Monday for Brownwood to attend the normal.

Roy Clements, telegraph operator for the Santa Fe at Lometa, visited his home folk in this city Sunday.

Rev. A. C. Searcy, Methodist pastor at Star, visited in this city the first of this week.

The good rains have made a corn crop almost a certainty and some small grain crops have been benefitted.

The city council held a regular monthly session Monday evening and transacted business of a routine nature.

Miss Laura Petsick of Caradan boarded the train here Monday to go to Brownwood to attend the summer normal.

Dr. I. L. Vaughn and W. D. Holland made a trip to southern Texas this week, looking after professional business.

J. M. Spinks of Miller Grove, one of the Eagle's most appreciated friends, transacted business in this city the early part of the week.

Miss Earle Jenkins is now employed as a clerk on route No. 2 and it is sincerely hoped by everybody that her appointment will be permanent.

It is a patriotic duty as well as good investment to buy War Savings Stamps. You can get them at any postoffice or banks and at many other business places.

J. D. Lowe, who is employed as bookkeeper for Higginbotham Co. at Stephenville, came over the first of the week to register with the county military exemption board and visit his parents.

Miss Dora Alice King of Paint Rock, visited Dr. Lowrie and family and other relatives in this city the first of the week. She left Tuesday morning for Sam Houston normal summer school.

Harmot Lowrie came in Monday night from Stamford, where he has been engaged in school work, and is awaiting orders from the military authorities to proceed to a training camp.

J. H. Allen is preparing to move to Belton and is closing out his shoe shop in Comanche. We regret to see Mr. Allen leave our city, but we wish him and his family all possible success in their new home. —Comanche Chief.

M. F. Wallace was here from Mullin Monday, looking after business matters. His daughter, Miss Mamie, left a few days since for Durant, Okla., to take part in the normal being held there and will teach school in that state the coming session.

Postmaster P. H. Clements is taking a month's vacation and left Sunday for San Antonio to visit J. B. Murrah and family and view the scenes of the Alamo city. Mrs. Ira Harvey is assisting in the postoffice during his absence.

D. S. Smith of North Brown, who had the misfortune to get his arm broken some weeks ago, was in town this week and gave his friends the pleasing information that he was recovering from the injury and hoped to soon be fully recovered.

According to astronomers or somebody else equally as well informed the sun will be 93 per cent eclipsed this evening at 6:30 o'clock. The cause of the eclipse is the moon passing between the earth and sun. The darkness will last about an hour and then the sun will shine for some time before night. The last eclipse of the sun occurred in 1908 and it will not happen again for many years, the statement being that 1945 will be the next time of an occurrence of this kind.

COMMUNITY CO-OPERATION.

(Copyrighted by Farm and Ranch and Holland's Magazine.)

It may be a fact that your local stores are not as large, or as handsomely equipped as some of the big stores, but you will agree with me that your merchants can not possibly enlarge or improve their business beyond the extent justified by the amount of patronage accorded them.

If you are interested in bringing about better local shopping facilities, it is squarely up to you, and other residents of your community, to patronize home merchants, thus keeping your money at home, insofar as possible, where it will circulate in various channels for the improvement of the community.

There are only two possible reasons why a person should remain in any certain town or community: their duties demand it, or they simply like to live there. Isn't this true in your case?

In either event, it is to your distinct advantage to do everything in your power to assist in improving local conditions. The community belongs to you and your neighbors, and you are necessarily governed by conditions as they exist.

A prosperous community is in every instance a desirable place in which to live, as it affords its residents advantages and conveniences to the extent of its prosperity, which invariably is limited to and controlled by the amount of local commercial activity.

Mrs. Maxwell, wife of Lieut. Maxwell, was here the first of the week visiting her aunt, Mrs. Mollie Lowrie, and other relatives and left Tuesday for Camp Travis where her husband is located.

Miss Lucile Trizzell left for Brownwood Monday to attend the normal.

J. M. Edwards came in from Fort Worth the first of the week for a visit to his wife and to look after business matters.

Mrs. J. S. Seely left Saturday night for San Francisco to join her husband who is employed in government work at that place.

E. M. Thompson, who has been engaged in the hotel business at Abilene for some time, has been here this week, looking after business matters.

Mrs. W. R. Milton of Arlington and her daughters, little Christine and Queen Katharine, are visiting her sister, Mrs. B. F. Geeslin, and family.

J. W. O. Aldredge left Tuesday night for Denton, to attend the summer school in the normal. He has been employed as superintendent of the Wingate school the coming session. The people of that community can be sure they have a good man for the place. They have a good school of five teachers and a modern building.

Mrs. James Campbell of Star was called to Mineral Wells last Friday night by a message announcing the serious illness of her brother, Hon. Jack Love, chairman of the railroad commission of Oklahoma, who had been in ill health for a long time. The gentleman died before she reached his bedside and his remains were carried to Oklahoma City for burial by request of the governor of the state. Mr. Love was reared in Washington county and his mother now lives at Somerville. He taught school at Star about thirty years ago and is kindly remembered by many of the people of that community and in other parts of the county and his death was sincerely regretted by them all.

Democratic Call.

The members of the Democratic Executive committee of Mills county are hereby called to meet in the court house in Goldthwaite at 1:30 p. m. Monday, June 17, for the purpose of arranging for holding the primary election, determining the position of names of candidates on the ticket, making assessments to cover the expense of said primary election and transacting such other business as may properly come before said committee.

The members of the executive committee are: A. T. Pribble, Goldthwaite; R. C. Johnson, Nabors Creek; F. R. Hines, Antelope Gap; T. A. Gardner, Center City; W. J. Benningfield, Payne; Joe Peck, Star; W. H. Leverett, Caradan; E. F. Casey, Mullin; J. M. Smith, Fisher; T. R. Priddy, Priddy; Wm. Dennard, Big Valley; J. M. Traylor, Rock Springs; W. H. McFarland, Ratler; M. H. Reed, Regency; John W. Tippen, Buffalo; R. J. Edmondson, Ridge; Wm. Byrd, Rye Valley; J. M. Poer, Mount Olive.

Saturday, June 15, will be the last day on which candidates for county and precinct offices can file their applications for a place on the ticket. Applications can be filed with W. B. Summy at the County Clerk's office or R. M. Thompson at the Eagle office as well as with me.

REUNION PRIVILEGES

Jno. W. Roberts and others have taken the contract to sell the privileges for the Confederate reunion grounds for the three days of the reunion, guaranteeing the veterans \$500 and agreeing to give them all over that amount the concessions bring. A number of citizens have joined in making up the guarantee.

A PUBLIC TRUST

As private citizens we may possess the right to so conduct our private affairs as to invite suspicion upon the office we privately own, or we occupy. It may not be best that we should still, in dealings in which our own good name, only, is concerned, the world is apt to wink at irregularities. Our friends and neighbors may learn to distrust us,—may question our methods, but—what of that? They are not compelled to deal either with us or our office. In public life, however, we may claim no such privilege. The public office belongs to the people. In public matters they are compelled to deal with and through it. For the transaction of public business it is but trusted, temporarily to the charge of the public officer. He becomes sponsor for its good name. As for the purity of the public service, the world judges the service itself by the conduct of the official in charge. That some of his acts may be private in character, matters little,—the rule prevails. Like officer—like state. Virtue and vice abide not together save at the cost of virtue's good name.

There is no such thing as individual privileges when, in the exercise of such privileges, the honor of the state is involved. No matter how legitimate the action, nor how person to person, the temporary character of an office which belongs to the people has not the right to bring reproach upon the people. Secret relations with a public officer and private citizens may be, but no price of the public trust is personal business consideration. The acts of men, not the state, are not to be paramount to the state to a clean bill of—Farm and Ranch.

REGISTRANTS.

Young Men Who Became Twenty-One In the Last Year.

Wednesday of this week was the date fixed for the registration of the young men of America who reached 21 years of age between that date and the time of registration last year. There were 77 Mills county boys subject to this requirement, as shown by the following list, the last four having sent in their registration cards from other places, being temporarily absent from the county.

These registrants will now have questionnaires submitted to them and will be given a physical examination, after which a decision will be reached by the board as to their liability for military service.

A call has been made for 280,000 men to go into training on June 24, but it is not likely any of these young men will be included in the number. There are yet twenty men in class No. 1 in this county who would have to be called ahead of the last registrants and it is believed that number will supply the county's quota.

It is thought another call for registration will be made in perhaps three months and every three months thereafter, but this is not certain.

It is well for registrants to remember that their order number governs rather than their classification. The fact that one is in class A does not indicate that he will be called before one in class B C or D, but is simply a classification as to occupation, etc.

Taylor-Little

A wedding of decided interest was that celebrated Thursday evening, June 6, at 8:30 o'clock at the home of Mr. and Mrs. L. H. Little, their daughter Adeline being wedded to Mr. Chas. H. Taylor of Temple, Texas.

A genuine love is felt for the sweet, attractive bride by all who know her, and her unfailing courtesy, graciousness and many additional characteristics of charm and worth have thoroughly endeared her to a large circle of friends, whose affection and regard have been hers throughout her childhood, her college days at Baylor university and her young ladyhood. Mr. Taylor is a son of Mr. and Mrs. Wm. Taylor of Temple. He is one of Temple's most popular young men and during his visits to Goldthwaite has made many friends.

The Little home was prettily adorned in keeping with a motif of simplicity. The impressive ring ceremony was performed by Rev. W. R. White of the First Baptist church in the presence of immediate relatives. The bride wore her going-away gown of tan baronet satin with blue trimmings and hat in harmony, and carried a bouquet of pink roses caught with tulle streamers.

Mr. and Mrs. Taylor left on the evening train for Galveston and Houston for a stay of several days and will be at home in Temple after June 20, 1918. The bride's bouquet, thrown from the steps of the train, was caught by Miss Nina Burks of El Paso. X.

Fine Rains

Good rains have fallen in all parts of the county the past week and farming prospects have been greatly improved thereby. Some farmers say they have had better rains this week than in fifteen years before and the corn and cotton crops are doing fine. The small grain crop was not materially benefitted by these last rains, but will turn out much better than was expected thirty days ago. Some oats have already been cut, but no threshing has been done, as far as the Eagle has been able to learn.

A BAD ACCIDENT

Tommie Malone, the little son of Mr. and Mrs. John Malone, had his foot badly crushed in a hay press at Mrs. Rives farm, a short distance north of this city Thursday afternoon. The little fellow was helping his father with the hay and in some manner his foot was caught in the machine. At first it was thought he would lose the member, but prompt and careful attention by physicians prevented that misfortune and it is now hoped there will be very little permanent injury as a result of the accident. The heroic action of the child at the time of the accident occasioned much admiration for him and it is sincerely hoped by everybody that he will soon be entirely recovered.

OIL PROSPECTS

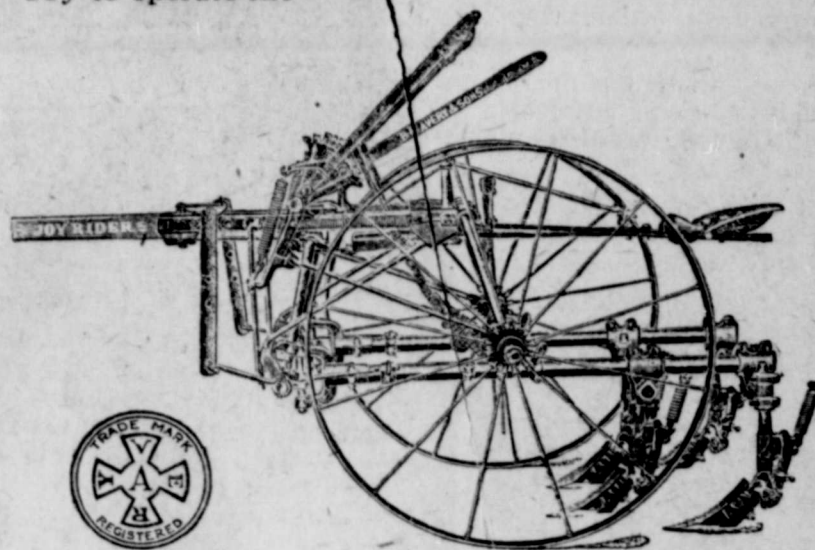

Oil operators continue to come to Mills county and all who are acquainted with the local situation are very hopeful. It is understood several deep well contracts were made here this week and operations are to begin at a number of locations in a few weeks. Progress is reported in preparing for sinking the wells where the rigs are on the ground and the time is not far distant, most of us believe, when Mills county will be recognized as one of the best paying oil fields.

W. E. MILLER, President

CLARENCE E. GILMORE FOR RAILROAD COMMISSIONER

Clarence E. Gilmore, of Wills Point, Van Zandt County, announcing his candidacy for Railroad Commissioner of Texas at the Democratic primary, says he is entitled to be considered as a candidate for reelection. That the Supreme Court of Texas held in the injunction proceedings instituted by him that the name of his opponent had no lawful place on the ticket as the nominee of the Democratic party, the committee had no authority to make the nomination and that he had the lawful right to make the race as a Democrat opposed by such unlawful conduct. He calls attention to the fact that the opinion of the Supreme Court was not rendered until Saturday before the general election on Tuesday and that in contempt of the injunction his opponent's name had been certified to the various counties as the Democratic nominee, the tickets printed and distributed. Since but two days intervened, only fifty-two counties corrected the error, giving the voters a legal ballot and in these he received nearly two votes to his opponent's one, carrying practically all of them. He says he is sure the Democracy of Texas will not stand for such unlawful conduct and such contempt for the constituted authorities.

Mr. Gilmore is forty-five years of age, born and reared on the farm, owned and edited the Wills Point Chronicle for eighteen years and for the last six years has been actively engaged in the practice of law. He served three terms in the Legislature, during which time he was chairman of the penitentiary investigating committee, which made a searching investigation of the penal institutions of the state and aided in the enactment of wholesome prison reforms.

His practical business experience, his untiring energy and thorough study and understanding of every problem he deals with, and his study of problems which confront the Railroad Commission, equip him, he says, for the duties of this position.

His home people, who have known him longest, vouch for him absolutely.

Contributions made to the Red Cross during the drive were liberal in all communities and the chairman of the drive has each community credited with the full amount of their subscriptions, both cash and pledges. A few errors appeared in the list prepared for publication, notably the amounts credited to North Brown and Cryer, but the books show the credits for amounts received on the first day and at subsequent times.

For sale—On account of my son having gone to the army and having no one to operate the machinery I will sell my tractor, big plow and thresher at the low price of \$3200. I also have a binder good as new to sell for \$150.—J. W. Hill.

The canned fruit and preserves contributed for the soldiers and left in the care of Mr. McDaniel, was accepted by the authorities and was sold last Saturday at a public auction for the benefit of the Red Cross. Quite a neat sum was realized.

Onions—Bermuda Onions—valued at \$5,000,000 are soon to move in great quantities from the Rio Grande Valley, where they are being produced upon 18,000 acres. If the movement is a success the truck growers will take their profits and put in 36,000 acres of other food stuffs; and if the crop is not consumed, then these 36,000 acres will lay fallow.

Bermuda onions are being sold to the jobber on the ground at 1½ cents a pound; and one of the biggest jobbers in the State informs Administrator Peden that no consumer should be asked to pay at the most 3½ cents a pound; and that all prices above 3½ cents a pound is excessive and speculative.

Texans are urged to eat potatoes, onions and spinach. Potatoes, because they are abundant and are being sold at reasonable prices; onions, because if the Bermudas from the Rio Grande are not absorbed in large quantities by Texas, 5,000 carloads will spoil and decay; and spinach, because it is the frailest of all truck crops and is to be had in abundance. The spinach crop in Central Texas alone requires 700 cars for movement. Because of freight congestion much of this spinach should be consumed in Texas, if it is not to become a drag on the market.

If the potatoes now being brought into Texas from the Northwest and constituting a fraction of the 90,000,000 bushel surplus, are not consumed before the new potatoes of Texas are brought on, it will result in a loss to the Texas producer.

If the Bermuda onion surplus of 5,000 cars is not taken care of by Texas, her camps and cantonments, her hotels and restaurants, her homes, the planters will not be encouraged to plant additional crops.

If the surplus of spinach is not absorbed by the Texas public—the producer will be discouraged and not disposed to plant other foods and feeds. **TEXANS ARE THEREFORE OBLIGATED TO EAT DURING APRIL THEIR FULL COMPLEMENT OF POTATOES, ONIONS AND SPINACH** if they want to render the nation a real service.

FLOUR USE TO BE CUT 50 PER CENT IN CAKE MAKING

Bakers of Texas Patriotically Meet Problem of Stretching Flour Supply; Future Meetings to Be Held Here.

Effective at once, the bakers of Texas will cut down the use of flour in cakes and pastries to 50 per cent, using only 50 per cent of wheat flour. Not only have the bakers agreed to do this, but they have also gone on record for cutting out the making of all sweet breads and cakes, such as crullers and doughnuts, which call for considerable shortening.

These two important steps were the outgrowth of the final session of the Master Bakers' Association of Texas in Houston, and indicative of their desire to assist the food administration in its conservation of wheat flour.

On April 14 all bakers in Texas and all bakers in America will increase their percentage of wheat substitutes from 20 to 25 per cent, and the conference on bakers in Houston resulted in working out many interesting and beneficial formulae.

T. G. Marks, assistant organizer of Farmers Institutes for the state department of agriculture, will hold an institute in Goldthwaite on next Monday at 2 p. m. He will give special emphasis to the need of more food and feed, the destruction of pests and the fixing of the price of cotton by the government.

Mrs. B. B. McBride has been appointed emergency demonstrator of domestic art for this county and will be glad to meet with ladies' clubs and ladies individually who desire instruction and demonstrations in canning, preserving and pickling. She expects to visit every community in the county, but will be pleased to give special attention where possible if application is made to her at Goldthwaite, either by mail or phone. Her first work was at Mullin, where the ladies were greatly interested and a large number attended the demonstrations.

Women!

Here is a message to suffering women, from Mrs. W. T. Price, of Public, Ky.: "I suffered with painful...," she writes. "I got down with a weakness in my back and limbs...I felt helpless and discouraged...I had about given up hopes of ever being well again, when a friend insisted I

CAMPAIGN NOTES

The campaign is gaining some warmth and local politics are becoming more interesting as the days go by. Those who keep an eye on the Eagle's announcement column are likely to see some developments from time to time—watch and see. There have been very few picnics so far and likely will not be many this year owing to conditions, but the candidates will have opportunities to meet with the voters at other public gatherings as well as by private interviews. The votes of women add a considerable interest to the campaign, for nobody knows just how these "new voters" will cast their first ballots and whether or not any considerable number will vote at all. It will be necessary to await developments for most of this information.

L. B. BURNHAM

In the announcement column appears the name of Mr. L. B. Burnham of the southern portion of the county as a candidate for commissioner for this precinct. Mr. Burnham is a farmer and stockman and one of the best men in the county claims as a "citizen." He is an enthusiastic advocate of good roads and road improvement is one of the main planks in his platform. The strong solicitations he has had from every part of the precinct proves his personal popularity and also shows the people have confidence in his ability and integrity. Those who do not know him can be sure they will make no mistake by voting for him, for there is no better man anywhere than Lt. Burnham.

SHERIFF'S SALE

State of Texas—County of Mills: By virtue of an order of sale issued out of the honorable district court of Mills county, Texas, by the clerk thereof on the first day of June, 1918, in the case of J. N. Jepson vs. August Braker and E. B. Simmons and to me as sheriff directed and delivered, I will proceed to sell for cash within the hours prescribed by law for sheriff's sales, on the first Tuesday in July, 1918, the same being the second day of said month, before the court house door in said Mills county, in the city of Goldthwaite, Texas, the following described property: 12 acres of land in Mills county, Texas, being a part of the Texas Central R. R. Co. survey No. 333, bounded as follows: Beginning at the S. E. cor. of said survey No. 333, thence N 19 E. 914 9-10 vrs. to the S. E. cor. of a subdivision of said survey owned by A. D. Allen; thence N 71 W. 740 vrs. to S. W. cor. of said 40 acre tract; thence S. 19 W. 914 9-10 vrs. to S line of said survey No. 333; thence S. 71 E. 740 vrs to place of beginning, levied upon as the property of August Braker, Emma Braker, E. B. Simmons and Mrs. Laura Hill, to satisfy a judgment for eleven hundred twenty-seven and 78-100 dollars together with interest and costs of suit and foreclosure.

Given under my hand and seal this 5th day of June, A. D. 1918.

J. H. BURNETT,

Sheriff of Mills Co. Texas

WAR SAVINGS STAMPS

It is a good plan to lay aside a certain per cent of your income or earnings each week for the purchase of War Savings Stamps. The government is offering the citizens these excellent revenue producing securities and surely the offerings should be taken as readily as the citizens can procure the funds with which to buy. There are few investments that can be made with safety that will pay as well and there is nothing as secure as a government obligation. The possession of a certificate of War Savings Stamps is an indication of good business judgment as well as loyalty.

A number of the ladies of the North Brown community are making a quilt for the Red Cross. A number of them prepared the squares and met yesterday to put the quilt together.

The appearance and operation of German submarines off the American coast, in the Atlantic, was the occasion of surprise. A number of freight carrying vessels were sunk by the assassins of the sea, but very few lives were lost. As soon as the American destroyers reached the section infested by the submarines the pirates made their getaway.

Mills county's quota of War Savings Stamps is \$220,780. The government expects these stamps to be purchased on the basis of \$20 per capita. This is not simply for the head of the family, the business man or the farmer, but it is \$20 each for every man, woman and child, big, little, old and young.

The German drive on the western battle front in France has been halted by the allied forces. The German loss of men was very heavy and they gained absolutely nothing except a few miles of space which they can not hope to hold.

The American soldiers have distinguished themselves on the battle front in France this week, but nobody is surprised at their action for we knew their spirit. As the war continues our soldiers will distinguish themselves more and more.

Are You A 1918 Model?

If you are a model husband—1918 model—you are equipped with all the modern improvements. Your home will be lookable and livable, with sleeping porch, covered veranda, furnace heat, bath, light and water fixtures, a tight roof, and ornamented with a loving wife. All the other buildings on your place will be substantial and storm-proof, suited to their various uses, and fences and gates will be hog tight and in repair.

If you lack any of these things, see us. We cannot supply you with all, maybe, but we can supply the best of **GOOD LUMBER**—Southern Pine or other sorts—exactly suited to your every building need and at surprisingly low prices. We have valuable plans and other building helps that, with our service, are free to you.

BE A SELF STARTER—see us NOW! We have made over many a one-cylinder, tin wheeze of a husband into an up-to-date, high-power Super-Six.

EVERLY'S

THEO FARR, Singer

REV. R. E. DAY

These gentlemen will assist Pastor W. R. White in conducting a revival meeting at the Baptist Tabernacle in this city, beginning Monday, June 10.

MEETING TO BEGIN

A revival is to begin at the Baptist tabernacle Monday morning. Rev. R. E. Day, seminary evangelist of Fort Worth, will assist Rev. W. R. White in the meeting and Singing Evangelist Theo. H. Farr of Fort Worth will lead the song service. Rev. White and his church extend a hearty and cordial invitation to the people, regardless of denominational lines to attend this series of services, which will continue perhaps two weeks.

MEETING IN PROGRESS

The revival meeting in progress at the Methodist tabernacle has held the interest of the people of the town and surrounding country thru the week and large congregations assemble at every service. The strong sermons of the pastor, Rev. W. G. Callihan, have been appreciated by his hearers and great and lasting good has been accomplished. There have been a number of conversions already and the continued interest indicates a much larger list of converts before the services come to a close Sunday night.

Christian people of all denominations and of no denominations are taking part in this revival and are giving their presence and influence to the great work.

MUST OBEY LAW

The law requires automobile owners to register with the state highway commission and secure therefrom a seal for the current year and a number plate. This law is being ignored by some of the people and we trust this notice will be all that is necessary to induce all citizens to place the seals for 1918 and their numbers on their cars and thereby avoid unpleasant consequences of disobeying the law.

MAKING GOOD

The following reference from the Corsicana Sun to Prof. M. L. Hays will be read with interest by his many friends in this county, where he was reared and spent his early life. The Sun says:

Mr. M. L. Hays, principal of the Collin Street School for the past two years, left this evening for Washington, D. C., where he takes up his duties as assistant in the Bureau of Markets. This is a signal honor and promotion for Mr. Hays and one which he amply deserves. Mr. Hays made an excellent principal, showing rare executive ability and management and made friends of all of those who were associated with him. He is a graduate of Howard Payne College in 1912, and has had much experience in the marketing business.

Mrs. Hays will spend the summer at Goldthwaite, Texas, after which she will join her husband where he is permanently located. Mr. Hays expects to be placed in charge of the office at Denver, Colorado.

The Doctor Away From Home When Most Needed

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like pain in the stomach and bowels, colic and diarrhoea require prompt treatment and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life. For sale by L. E. Miller & Son. adv

REGULATIONS ON HANDLING PERISHABLE PRODUCTS

In carrying out a plan for marketing, handling, sale, and distribution of all perishable farm crops in this State, the Food

Administration, in co-operation with the Bureau of Markets of the United States Department of Agriculture, the Bureau of Markets of the Texas Department of Agriculture, and the Western Weighing and Inspection Bureau, desires to call the attention of dealers, handlers and shippers of perishable farm products to the necessity of conforming to certain rules and regulations which are necessary to be enforced in minimizing the losses which have heretofore been sustained in handling perishable products.

Dealers and handlers of perishable products are expected to observe the laws, rules and regulations of the Bureau of Markets of the United States Department of Agriculture and of the Texas State Department of Agriculture, regarding grading and packing, and the instructions in bracing and loading in cars of all perishable products, unless exceptions are authorized by the Federal Food Administrator.

Dealers and handlers of perishable farm products at point of origin are required to refuse to handle culls and inferior products when loaded in cars containing superior and standardized products, as these commodities should not cumber our transportation facilities, and thus deprive superior and standardized products of the opportunity of arriving in the market in first-class condition.

All cars of perishable farm products are to be loaded under the directions and instructions of the Western Weighing and Inspection Bureau, and the inspectors of the Bureau of Markets of the State Department of Agriculture are instructed to withhold the issuing of certificates, setting forth grades of the products loaded, until he has satisfied himself that the car of produce certified to has been loaded according to the directions and instructions of the Western Weighing and Inspection Bureau; and when the inspector of the Bureau of Markets of the State Department of Agriculture issues a certificate, setting forth grade and standard of the commodities to be shipped, this certificate shall be accepted by the consignor and consignee as prima facie evidence of proper grade and quality at the time of loading.

All licensed dealers and handlers of perishable farm products of this State are expected to co-operate with the Federal Food Administrator in the compliance and enforcement of the above rules and regulations.

It is not the purpose of the above regulations to prevent the shipment of cull fruits or vegetables, but when shipped they must be shipped in separate consignments. E. A. Pfenor, Federal Food Administrator, Texas.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tonic—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and it's not salivating. Children and grown folks can take Dodson's Liver Tonic, because it is perfectly harmless.

Calomel is a dangerous drug. It attacks your bones, a dose of nasty calomel today and you will feel weak, sick and tired tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tonic instead and keep up your strength. No dizziness, constipation, or coated tongue.

Druggist says: "I've used Dodson's Liver Tonic for years. It's the best calomel substitute you can get."

NOTED LECTURER ON TEMPERANCE ENDORSES TANLAC

Mrs. Martha Stone Was For Years Associated With Founder of W. C. T. U.

One of the features that distinguish Tanlac from all other proprietary medicines is the large number of prominent people who everywhere are giving it their unqualified endorsement. Among the statements recently received at the Tanlac office is one in particular that is sure to arouse widespread interest throughout the country, having been made by Mrs. Martha R. Stone, of 7125 Third Ave., North West, Seattle, Wash. noted temperance lecturer who for many years was associated with the late Frances E. Willard, founder of the W.C.T.U. In relating her experience with Tanlac Mrs. Stone said:

"I think it is the duty of everyone who has been relieved as I have to do what they can to help others; therefore it gives me much pleasure to tell of the benefits I have derived from the use of Tanlac.

"I was a great sufferer for many years with nervous trouble, which became so bad that I had to take to my bed, where I lay for six weeks entirely helpless and unable to move. The least little noise would upset me and I was not allowed to see anyone for fear it would excite me and I was told that my entire nervous system had suffered a total collapse. You see I had passed thru the great San Francisco fire in which I lost everything I possessed and the experience was a shock to my already overwrought nerves. When at last I was able to get out of bed I would have such awful dizzy spells that everything in my room seemed to spin around as tho I was in the center of a whirlpool. My stomach was so weak and my appetite so poor that I hardly ate a thing and what little I forced down soured and formed gas that pressed up into my throat and in my chest and made me so hoarse that it was an effort for me to speak. I also suffered much pain in the lower parts of my body from this same gas pressure. My liver, too, was all out of order and my kidneys gave me no end to my trouble.

"When my son-in-law saw that the medicines I was taking were doing me no good, he induced me to try Tanlac, as it had done him so much good he believed it would help me too. To oblige him I got me a bottle and the first few doses soon convinced me that it was just what I needed and my first bottle put me right on my feet. I am now on my second bottle and am in splendid shape, for my nerves are practically in a normal state for the first time in all these years, which I consider a remarkable thing. I have a fine appetite and can eat most anything I want without suffering any unpleasantness afterwards. Tanlac is helping me to overcome my troubles and I feel that I am getting on just fine since I began taking it."

Tanlac is sold in Goldthwaite by L. E. Miller & Son, in Marshall by J. R. Clark, in Regency by Keeling & Keeling, in Priddy by G. H. Spiser and in Star by Star Drug Co. (adv)

"IN A BAD WAY"

Many A Goldthwaite Reader Will Feel Grateful For This Information

If your back gives out; Becomes lame, weak or aching; If bladder troubles set in, Perhaps your kidneys are "in a bad way." Doan's Kidney Pills are for weak kidneys. Local evidence proves their merit.

Mrs. D. G. Womack, South St., Goldthwaite, says: "I suffered a great deal from my back. Sometimes the aches and pains extended into my shoulders and the back of neck. My feet and ankles became badly swollen and frequently specks seemed to float before my eyes. I used Doan's Kidney Pills and in a short time my back was stronger and the dropsical swellings were reduced. I have used Doan's Kidney Pills since then and they have always acted promptly in restoring my kidneys to a normal condition."
