Mrs. R. M. Thompson visited in Brownwood the early part of the week.

Miss Willie Ince of the Mullin country was a pleasant caller at the Eagle office Wednesday.

J. S. Chesser and F. Leinweber were two of the prominent men of Mullin who transacted business in this city Monday.

S. T. Wells came over from Brownwood this week to make sure he could still claim Goldthwaite as his home. We are always glad to have him with us.

E. A. Hill, a prominent and wealthy citizen of the Democrat community, was here Tuesday and ordered the Eagle sent to his son, William, who is with the American forces in France.

Miss Vangie Kauhs returned to her duties as trained nurse in the sanitarium at Temple the first of the week, after spending a few weeks at home recuperating after an operation for appendicitis.

Elder I. A. Dyches and family left the first of the week for Hunt county, to spend some time. We know they will return to Mills county for he said he would come back if he failed to find a better country.

Miss Velma Reid left Tuesday night for Quincy, Ill., to visit her brother and family and attend business college. Her mother, Mrs. T. P. Reid of Big Valley, accompanied her as far as Temple.

### District Convention.

A convention for the 94th representative district, composed of Hamilton and Mills counties, was held in this city Saturday for the purpose of nominating a candidate for representative, in conformity with the will of the Democratic voters of the district, as expressed in the July primary.

Jno. W. Roberts called the meeting to order and was made chairman.

The result of the primary reported to the convention showed that Hon. J. C. Darroch received a majority of all votes cast for the office and he was duly declared the Democratic nominee for the place.

Mr. Roberts was re-elected district chairman, which position he has held for a number of years.

### Are You A Member.

Are you a member of the federated charities—the organization to take care of the poor here at home? If not, why not? It is the one way to look after the poor in a business like manner. We have a good membership, yet there are at least 100 who should be members. Some simply refuse which means they want the other fellow to do it all. Winter will soon be here and you know what that will mean this year, so join this company and help take care of the poor and needy in our midst. You can pay any amount from 10 cents up. I am a member of it, paying far more than some who are worth twice as much, and am doing all the work besides. Is that not enough to give me a right to ask you to become a member? So come in and help create a fund large enough before winter to do the work. In this way it will not all fall on a few. I am sure you want in, so see me at once.

W. G. CALLIHAN.

Mrs. D. S. Smith returned Sunday from a visit to her sons in Smithville.

Dr. Smith of Priddy looked after business matters in this city the first of the week.

Considerable cotton has been brought to this market this week and the price has been decidedly satisfactory.

Mrs. Russell Mullan and little daughter left for Houston the first of the week to make their home, her husband being employed with Swift & Co. in that city.

Lieut. B. B. McBride came in from the training camp at Camp Pike, Ark., Wednesday for a visit to his wife and parents. He expects to be stationed at Alexandria, La., for the winter.

Rev. J. E. Isenhour of Birmingham, Ala., was here this week visiting relatives and friends. He had been to San Antonio to visit his parents who live there and his son, who is in military training in Camp Travis.

D. S. Smith's two sons, J. C. and Ezra, both of whom are in the employ of the M. K. & T. railroad as firemen, met with serious accidents a few days ago. The first named was firing on a passenger train and a freight train ran into the engine head on. The engine crews both jumped and Smith was badly bruised. No passengers were injured. Just one week from that time Ezra was on a freight engine which turned over and he was pinned beneath it for three hours before he was rescued. His leg was broken and he was otherwise injured. A peculiar coincidence connected with the accidents was that their mother arrived in Smithville for a visit to them the day of the first accident and left for her home the day the second occurred.

### Rock Springs.

Editor Eagle:

As I have been absent for some time, I will try and send in some of the happenings of this community.

Health of our community is good, so far as the writer knows.

The Baptist protracted meeting closed on Wednesday night. We had some fine sermons and the Christian people were all revived.

We have organized prayer meeting here which meets every Sunday night. Every one come. Let's have a good prayer meeting and don't forget our Sunday school every Sunday morning. Altho we have a good Sunday school, let's make it better and better.

Rev. Davis has gone to Oklahoma to conduct a meeting. His wife accompanied him.

The young folks enjoyed singing at the Chas. Stark home Saturday night.

Friends here were somewhat surprised to learn of the marriage of Earl Davis and Miss Era Daily.

Messrs. Charlie and J. T. Stark and Warren Davis have gone to Dallas to work.

Ray Davis and Otis Taylor left one day this week to find work.

Joe Roberts happened to quite an accident when some doors fell on him while employed in Dallas. He returned home one day last week.

Mrs. Ann Northington and son and Mrs. Terrell Warburton and daughter have been visiting Mrs. Chas. Stark for the last two weeks.

We were grieved to learn of the serious illness of Miss Chloe Stark, who is visiting in Douglas, Ariz. We hope ere this is printed we will hear of her recovery.

Mrs. Harley Davis returned to her home in Coleman one day last week, after a visit to Rev. Davis and family.

Several of the Rock Springs people attended the Baptist association at Big Valley last Sunday.

Miss Carrie Oglesby and Miss Grace Jenkins have been visiting in the Nickols home.

I will ring off for this time.  
The same old JENNIE LIND.

### Brownwood Presbytery.

The Brownwood Presbytery of the Presbyterian church U.S.A., will meet at Goldthwaite Tuesday and Wednesday, Sept. 3 and 4. The full program is not at hand, but at 11 o'clock a. m. and 8:30 p. m. of each day there will be preaching services. Among those who preach will be the retiring moderator, L. D. Grafton, who will preach on the text, "Thou shalt do no murder" in the light of the present war.

Perhaps of greatest interest to all people, but especially to Sunday school workers of all the churches, will be a conference on Sunday school work Wednesday afternoon and night, led by Rev. B. L. Rice of Waco. For some years Rev. Rice has been Synodical superintendent of Sunday schools of the Presbyterian church and is well prepared to make the conference of worth to all.

All are invited to attend the entire presbytery, both business and devotional sessions. Come.

### In Memory of Joe Tumlinson

(By the Boy Scouts of Star)

The Boy Scouts stood in lonely number  
When the message came to hand,  
That their loved and loyal leader  
Was dead in a lonely land.

Strange and sad and strangely mythic  
Was the message surely true?  
Can it be that Joe is gone?  
Oh, if we only knew!

Slowly dropped the fading sun,  
Soft the words "Miss Lizzie" said  
To the scouts in lonely number,  
That their leader "Joe is dead."

Joe was faithful, true and honest,  
With a heart to do what's right.  
But no more will his patrol  
Hear him call "Bob White! Bob White!"

We will sadly, sadly miss him,  
When we wander out to camp,  
Miss his wit and quaint old laughter  
In the evening dews and damps.

But our thoughts go out up yonder,  
Out beyond the stary dome,  
And as we count the stars of Orion,  
We think of Joe as gone on home.  
BOY SCOUTS.

### A Farewell Social.

The hospitable and beautiful home of Mr. and Mrs. S. T. Weathers was opened Friday evening for a farewell party in honor of Miss Brownie Graves and Ruyel Keese.

The guests were met at the door by the hostess Miss Florene and were ushered into the beautiful sitting room where chatting and music were heard.

When all were gathered the game "The Picture Gallery" was played, which caused much merriment. The hostess then led the way into the beautiful dining room which was decorated with cut flowers and we were served to delicious punch and wafers.

Progressive Bunco was then played until the hour grew late and we realized it was time we young folks were strolling home, and wishing Brownie and Ruyel happiness in their new home we bid the hostess good night and tried to tell her what a delightful evening we had spent and hoping to meet in her home again.

Those present were:—Brownie Graves, Ruyel Keese, Sue Nora and Vera Berry, Myrna and Lois Miller, Eloise Wilson, Eloise Anderson, Mary Evans, Minnie Weathers, Shellye Mayberry, Normalee Frizzell, Laura Street and Brazzie Clements; Emmet Mohler, Allen Thompson, Kenney Graves, Herbert Henderson, Burgess Rudd, Earl Wilson, Joe Evans, Jimmie White, George Clements, Lewis McElroy, William Thompson, Frank Cave, J. D. Low.

An out of town guest was Miss Christine Donaho, of Comanche.  
A GUEST.

### Resolutions of Respect.

With feelings of sincere sorrow we announce the death of our beloved Sunday school pupil, Joe Tumlinson. There is a vacant place that can not be filled. Joe was a prompt, punctual student. His friends were many and he was a true and devout member of the Sunday school and church. Therefore, be it resolved,

1. That in Joe's death we lost a true and faithful member, his parents a loving son and his sister a dear brother.

2. That a copy of these resolutions be spread upon the minutes of Star M. E. Sunday school and a copy be delivered to the bereaved family.

R. H. PATTERSON,  
Assistant Supt.  
MISS HATTIE BARR,  
Secretary.

### Card of Thanks.

Having decided to enter another line of business, I wish to express to my friends my sincere appreciation of the liberal patronage given me in the years I have spent in teaching music.

A "gas shell" exploded at sun-down Sunday eve between the Soules' store and the Star Drug Co. The fumes floated through the still night air in every direction even as far as Fulton Henry's home. This gas is always obnoxious more or less, but this was very highly concentrated and we can guess the effect it had on the ladies and especially those attending a sick bedside not more than a hundred feet distant. The gas might be called "Inferno-swearine cuss-em and is easily produced more often by young boys afflicted with adult age. After the stink cleared away we learned it was a "pin feather chick" disturbance between a "Bantam" rooster and a Longshank.

**HOME SERVICE SECTION, A. R. C.—WHAT IT IS AND WHAT IT IS NOT**  
The home service is a branch of Red Cross work which takes care of the allotments, allowances and insurance. It looks after a soldier's wife, mother, father or sister in case of sickness or trouble of any kind. If you fail to receive your allotment report it to me and I will see to it for you. It is to see that no soldier at the front has any reason for worry because of conditions at home.  
To do this it will take funds and I am making an appeal to the people of Mills county to help me. I am giving my time so it free of charge and do it gladly, but it can not be carried on without help, that is some money. Will you not send me your check today so that I can do the most important work? President Wilson tells us it is most important work. So talk to me about it and give of some of your means to its support. I am doing my best, but will be compelled to have help in this way. I am to relieve him of this worry so as to make him the best soldier.  
This is not a fund for the needy here at home only, as they are the wife, mother, father, or sister of our boys are to make the best soldiers they must be without worry concerning the things at home. Help me do this work by mailing the check today or hand the same to me.  
If your boy is in a prison camp in Germany and you want to send him money or letter, come to me. If you want to know how he was killed, if such should be the case, come to me.  
Yours in the service,  
W. G. CALLIHAN.

**WITH THE COLORS**  
San Diego, Cal., Aug 25.  
Editor Eagle:  
I will try to relate some of my experiences as a sailor boy in detention camp.  
I enlisted at Dallas, Texas, May 14th, as a naval reserve and was called out for service August 6. I was called from Lindsay, Oklahoma. I arrived at Dallas August 8 and left for the training station August 10 at 8:30 p. m. by the way of the M. K. and T. railroad to San Antonio, where we laid over for five hours, then we caught the S. P. line to Los Angeles, Cal., and from there we came on the Santa Fe to San Diego, where we are in training. There were six boys in our company. We divided at Los Angeles, four of the company going to San Pedro, Cal., and Robert Boney from Dallas and myself came to San Diego.  
We had a very pleasant trip all the way, for all the country after we left Dallas was new to all of us. From Del Rio, Texas, on until we reached the line of California the country afforded us lots of wild scenery.  
We crossed some deep canyons and gorges and at the same time viewing the mountains of old Mexico. Some of the country in New Mexico through which we passed is a barren waste of sage brush and cactus. Very seldom you would see any stock at all. After we got into Arizona the way leads through the Yuma desert, which is a waste land of blowing white sand and alkali. It is a very hot place, but the day we passed thru the people said that it was the coolest day they had had for several months.  
We also went through some of the irrigated districts in and around such places as Tucson and Tempe. The country looks like a sandy desert, but owing to the fact that they have good water supply from the rivers and also good wells, they carry on intensive farming. It looks like a garden spot in a desert. After we reached the California line we beheld the great forests and all kinds of orchards.  
I've been here twelve days. Of course I haven't learned much about the navy yet, for I've been in a detention camp and will be in it until August 29th. The next day after I arrived I was examined and vaccinated. We have been drilling some every day except on Wednesday, Saturday evening and Sunday.  
The Y. M. C. A. people are certainly good to us. They bring us all kinds of things.  
I will soon be in the barracks, where the real training will begin. We should all be anxious to get there so we can soon become ready for active service in the world's great battle for Democracy. I'm proud to have the opportunity of writing to the Eagle which stands for liberty and to the people of old Mills county, the grandest place in the whole world to me, for I have never lived any where else. I have seen only one boy here in the navy from Mills county and that is Mr. Kirkpatrick of Mullin. He told me that Leonard Audredge was here, but I have not seen him yet. Most of the boys in my company are from Texas and Oklahoma.  
With best wishes to all of old Mills county, I would like to have

a letter from every one of the Eagle's readers.

**BAPTIST ASSOCIATION**  
The annual association held with the Big Valley church the 23-25 inst. was a good and helpful meeting. The attendance was not near so good as at other times when conditions of the county were normal, but the brethren and sisters who came were there to do what they could to make the occasion a success.  
Times were such that the county missionary work was not continued. It was unanimously voted to meet with the Goldthwaite church next year.  
The minutes of the recent association will be published as soon as can be prepared. The churches not having sent in the money to pay for said minutes will do well to send a dollar or two each to D. D. Kemper, Goldthwaite, and designate same as minutes money. Sincerely,  
L. L. HAYS.

"We know the difficulties of carrying on work with lessened supply of labor, for with a large proportion of our young men out of our office now in the army and the navy, with a shortage of printers which makes printing a difficulty such as to bring gray hairs to the managers of all printing work, we can fully appreciate the struggles of other papers to find labor for editorial and reportorial work and even for work in the circulation and business departments. And yet our work must go on more vigorously and more aggressively than ever because of the tremendous evil upon the newspapers to do their share. This means a greatly increased strain upon the endurance of every man in the newspaper and printing work. In many parts of the country newspapers are seriously suffering from these conditions and the local business men in every community could largely strengthen the work of the papers for the war and at the same time benefit the community and their own individual interests by a spirit of hearty co-operation with their local newspaper, recognizing that the newspapers are an absolute war essential."—Manufacturer's Record.

## CALOMEL SALIVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tonic—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tonic, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tonic instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tonic sets better than horrible calomel your money is waiting for you.

### CURE FOR DYSENTERY

"While I was in Ashland, Kansas, a gentleman overheard me speaking of Chamberlain's Colic and Diarrhoea Remedy," writes William Whitelaw, of Des Moines Iowa. "He told me in detail of what it had done for his family, but more especially his daughter who was lying at the point of death with a violent attack of dysentery and had been given up by the family physician. Some of his neighbors advised him to give Chamberlain's Colic and Diarrhoea Remedy, which he did and fully believes that by doing so saved the life of his child. He stated that he had also used this remedy himself with equally gratifying results." For sale by L. E. Miller & Son. (adv)

### A BILIOUS ATTACK

When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take three of Chamberlain's tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter. For sale by L. E. Miller & Son. (Advertisement)

### TO IMPROVE YOUR DIGESTION

"For years my digestion was so poor that I could only eat the lightest foods. I tried everything that I heard of to get relief, but not until about a year ago when I saw Chamberlain's Tablets advertised and got a bottle of them did I find a right treatment. Since taking them my digestion is fine."—Mrs. Blanche Powers, Indiana, Pa. For sale by L. E. Miller & Son. (adv)

### TO AILING WOMEN

#### A Little Sound Advice Many Sufferer in G

No woman should consider herself healthy and well if her days are weak. Poisons are off in the secretions of the kidneys are well, and are the body when the kidneys are disordered. If the kidneys are swollen worse troubles may follow. This is often the cause of bearing-down pains, backache, etc. Urine is also frequently cause of dizzy spells, languor, and rheumatic pains.

When suffering so, take Kidney Pills, a remedy proven effective in thousands of cases. Let a Goldthwaite man tell of her experience.

Mrs. Claude Dickerson "I have great confidence in Doan's Kidney Pills, as I have used them and they have benefited me greatly. I gladly recommend Doan's Kidney Pills as I believe they will give good results to anyone who needs a kidney medicine."

The Industrial Workers of the World organization has been anarchistic in temper and tendency. It differs from the more orthodox anarchist organizations of which we have had some experience in being more covert and insidious in its methods. It has been a challenge to the government, not as anarchy is, but has adopted a more subtle strategy than anarchy has had the patience to practice. It has been making war on the government for years with a steadily increasing boldness, encouraged by the rather lethargic opposition which from a sense of tolerance, it has encountered from the government if at last the government has proceeded against it with vigor and something like adequate sternness, it is because the circumstances of war have made the government more sensitive to the injury done and increased the gravity of the crimes committed. These convictions will undoubtedly have a wholesome effect. They should convince all other members of this organization that it is, after all, a painfully puny force compared with that which stands behind the laws and institutions of the country.—Dallas News.

## COULD HARDLY STAND ALONE

Terrible Suffering From Headache, Sideache, Backache, and Weakness, Relieved by Cardui, Says This Texas Lady.

Gonzales, Tex.—Mrs. Minnie Philpot, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and extend up into my left shoulder and on down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days. I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go. I suffered awful with a pain in my back and I had the headache all the time. I just was unable to do a thing. My life was a misery, my stomach got in an awful condition, caused from taking so much medicine. I suffered so much pain. I had just about given up all hopes of our getting anything to help me.

One day a Birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did, for I began to improve when on the second bottle. I am now a well woman and feeling fine and the cure has been permanent for it has been two years since my awful bad health. I will always praise and recommend Cardui." Try Cardui today. E 78
