

Goldthwaite Eagle.

BEGIN NOW TO PREPARE FOR NEXT YEAR'S PUREBRED LIVESTOCK SHOW

GOLDTHWAITE, MILLS COUNTY, TEXAS, MAY 28, 1921.

NO. 38

REVIVAL SERVICES AT BAPTIST CHURCH SUNDAY, JUNE 13

Revival services will be held at the Baptist church on Sunday, June 13, at the tabernacle. Although the church is under the direction of the church of Goldthwaite, everybody is cordially invited to attend and help us. We are having the services of Rev. Woodwin, a strong pastoral minister of Waco, to do the preaching. Brother M. H. Keith, also, one of our very best preachers, will lead the

A. DARBY, Pastor.

FALL POULTRY SHOW TO BE HELD ON SEPTEMBER 30 AND OCTOBER 1

The Mills County Poultry Association held a meeting at the court house Saturday evening for the purpose of fixing a date for a fall poultry show. It was decided to hold the show on September 30 and October 1. The February show consisted of one day and that one day is not considered satisfactory. F. W. Kazemeyer, poultryman, A. & M. College, will be in charge of the birds on the first day and Mr. Kazemeyer and Mrs. Mamy Hazel, husbandryman, A. & M. College, will hold a poultry show for market will be held on the second day. Lectures on feeding and marketing will also be given.

Eric Miller offers a special prize of five dollars for the best bird bred. Other special prizes for sure, will be offered for high priced birds brought into the county for purposes this year, and this exhibit will show improvement in the quality of our poultry.

CONFEDERATE MEETING AT MEETING HOUSE SATURDAY

A meeting of Jeff Davis Chapter 177, United Confederate Veterans, in the court house last afternoon, the date for the reunion was set for Wednesday and Friday, June 23 and 25. Arrangements were made by D. A. Hopwood and P. G. Palmer at the previous meeting. The probabilities will be appointed for regular meeting. The soldiers and their families will be expected to make this reunion the best ever held in Goldthwaite.

Managers have had the painting done on the engine house and other improvements made. They have built an enclosed stairway for lady bathers in the water. The stairs which were installed last season are in fine shape. Merritt now takes its place of the beautiful lakes. L. E. Miller has recently built a boat house and boat at

SCHOOL NOTES.

As some of the reports from teachers have been misplaced, no honor roll of the Goldthwaite schools will be published for the last six weeks, but the honor pupils may be said to be about the same as for the last report published. Graduates desiring to enter college this fall should see the writer, who will be pleased to prepare their certificates of work done. These are necessary in order to gain admission to college.

Pupils who failed in one or more subjects and desire to make it up and teachers and prospective teachers desiring to attend the Howard Payne College summer normal can get any information desired relative to either class of work from ISAAC H. HUGHES, Supt.

The following are the names of the graduates of the Goldthwaite High School the last term: Misses Jané Archer, Anna Cline, Margaret Geddes, Rose Gross, Clara Karnes, Muriel Linkenhogger, Cassye Potter, Mildred Street, Alta Webb, Maggie Webb, Zaleme Williamson, Clyde Bayley, Claude Hearne, Charlie Hicks, John Jackson, Sammie Thompson, Eric Williamson.

The following prizes were awarded to pupils of the Goldthwaite High School at the commencement exercises last Friday night:

Eric Williamson, highest honors in Senior class, gold medal by W. E. Miller; \$100 in cash by City Federation of Women's Clubs; scholarship in University of Texas; Muriel Linkenhogger, 2nd highest average grade in Senior class, gold medal by Mrs. J. N. Weatherby; Zaleme Williamson, scholarship to Southwestern University; Stella Brinson, highest average 10th grade pupil, gold medal by Prof. Isaac H. Hughes; Howell E. Cobb, highest average pupil in 9th grade, gold medal by faculty and friends; Earl Priddy, highest average pupil in seventh grade, gold medal by Art and Civic Club; Leta Simpson, of the 8th grade, highest grade made in mathematics by examination in contest of pupils from 7th to 11th grades, inclusive, gold medal by Dr. J. L. Williamson.

Prof. Isaac H. Hughes the latter part of this week received the following letter from S. M. N. Marrs, chief supervisor of public high schools, at Austin: The letter reads:

"This is to give you official notice that the supervisors, who examined the material submitted by your high school for credits, have made the following report: Approved; Solid Geometry, one-half unit.

"I wish to compliment you upon this evidence of improvement in your high school and to assure you of our appreciation of your efforts to comply with the requirements of the committee."

This gives the school a total of 15 1-2 units. The school is trying for three and one-half more units on the work of the last term, and a report will be received from this within a few weeks.

Born to Mr. and Mrs. R. F. McDermott on Wednesday, May 25, a fine girl.

IN FLANDERS FIELDS.

"In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks still bravely singing fly,
Scarce heard amidst the guns below.
We are the dead,
Short days ago we lived, felt dawn,
Saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe,
To you from falling hands we throw the torch—
Be yours to hold it high;
If ye break faith with us who die,
We shall not sleep, though poppies grow
In Flanders fields."

The American Legion has chosen the poppy of Flanders as Memorial flower to be worn on May 30th, Memorial Day. It has requested that the emblem be not commercialized; therefore the flowers are being made in the very places where the boys fought and won and where—so many sleep. The profits will be given to the relief of children in devastated France.

Let every true American man, woman and child, consider it a sacred obligation to wear the red poppy on that day.

When in 1917 the honor of the flag and the safety of the country were assailed by the foe, unheeding of danger, brave men rushed to the defense of American traditions. They went ready to give their all; some went across the seas, some stayed in camps at home; but all did a "man's work" and when victory had been achieved, they came home, but not all. Many are lying in Flanders fields, forming the cornerstone of the peace of the world.

For these heroes, for their sorrowing mothers, and in gratitude today, thanks to their sacrifice, let us keep in a sacred and reverent manner Memorial Day, May 30, 1921.

There are three kinds of poppies coming from Flanders fields:

Poppies to be worn on Memorial Day, 10c each, or more as one feels generously inclined; decorative poppies (stems 12 inches long, flowers 6 to 8 inches in diameter), 25c each, 5 for \$1.00. Poppies will be on sale today, Saturday. We must not fail.

GLEN ROSE.

Copyright 1921, by Genie Griffin DeWolfe.

GLEN ROSE is set among the hills
Like emerald in a pocket;
Every breeze fans its rills
No storm of plain can rock it!

Repeated springs are bursting out
Of Mother Nature's fountain,
So drink a toast from them and shout
Enchanting vale and mountain!

Hon. P. H. Clements returned home last Saturday night from the Temple sanitarium and is getting along nicely after the operation he recently underwent. Mr. Clements was able to be on the streets the latter part of this week.

Mr. and Mrs. J. L. Ervin and Mr. and Mrs. L. R. Hendry and little daughter and Mrs. J. R. Eudy of Center City left Tuesday morning of this week overland for a visit to Ranger.

SENIORS ENTERTAINED.

Following the baccalaureate sermon Sunday, Mr. and Mrs. G. W. Jackson gave a dinner in honor of the Senior class, having as guests the Seniors, the high school teachers and Rev. and Mrs. Daniel. The occasion was one that the Seniors, as well as the other guests will not soon forget. Mr. and Mrs. Jackson and their family have the priceless gift of making every one feel "at home" and the Seniors expressed the wish that baccalaureate days come several times a year. The dinner was largely responsible for this wish. It was the kind one remembers pleasantly for a long time. After the last dish of berries and cream had disappeared, interest was centered in sweet peas, the gold fish, and Chinese fortune telling. The latter was very absorbing and when the home-going which the class planned is staged, the Seniors will get to tell just how the wishes came out "to a dot."

Later several well known "connections" of the Senior class came to share in the fun, and every one had just the jolliest afternoon possible. However, time to go came around, as it generally does, and every one left talking of the dinner, the day, and of Mr. and Mrs. Jackson's kindness. X.

PERSONAL ITEMS.

Mrs. W. M. Johnston boarded the train here Thursday night to visit her daughter, Mrs. Sam Peebles, at Lexington, Tex. Mr. Johnston got a telegram Friday morning that he had a new grandson at Lexington.

Reports received in this city this week brought the information that the home of J. V. Stewart at Seallorn was destroyed by fire Tuesday afternoon. The fire is thought to have originated in the kitchen.

H. L. Kelly spent the first few days of this week in Fort Worth.

Information received from Rev. L. L. Hays, who several weeks ago took Mrs. Hays to the Baylor Sanitarium at Dallas for an operation, brings the pleasing news that she stood the operation exceedingly well and is doing nicely. It is expected that she will be brought home some time next week.

John Bratton and two little daughters went to Ranger Wednesday overland, where they will make their home. Mrs. Bratton will accompany her sister to the Temple sanitarium and join her husband and children in Ranger the first of next week.

At a meeting of the Mullin school board this week, Prof. Stockburger and all the teachers were re-elected for the next term, with the exception of one, and this place will be filled by Miss Irene Atkinson of Goldthwaite.

Mr. and Mrs. G. L. Bates motored over from San Angelo the first of the week. Mr. Bates returned home to his business Sunday night, while Mrs. Bates will visit her parents, Dr. and Mrs. Em. Wilson, and family and other relatives and friends.

Mrs. Walter Stuck, who underwent a serious operation in a Temple sanitarium a few weeks ago, was brought to Goldthwaite last Sunday night and was carried to her home in the North Brown community in Bodkin-Fairman company's ambulance. Mrs. Stuck is getting along nicely.

Miss Grace Weems left Thursday morning of this week for Ballinger to attend summer school.

REVIVAL MEETING ATTENDED BY VAST CROWDS—INTEREST INCREASING DAILY

The revival meeting which started last Sunday morning at the Methodist tabernacle and which is being conducted by Rev. L. D. Patterson, general evangelist of the Methodist church, and Rev. A. J. Notestine, soloist and choir leader, has been attended all week by overflow crowds. Interest in the services has increased each day and people have been in attendance from all portions of the county.

All the different denominations of the county are taking part in the meeting and much and lasting good is being done. There is every indication of a great Christian awakening as the meeting progresses.

The sermons preached by Rev. Patterson are powerfully delivered and the speaker receives close attention from the large congregations. His utterances have the ring of utmost sincerity and he tells the gospel story in a way that touches the hearts of his hearers.

A special feature of the meeting is the excellent song services led by Rev. Notestine. The choir is composed of many of the best voices of the city, assisted by two excellent musicians at the piano and the choir orchestra. The solos by Rev. Notestine are sermons in themselves and add no small part to the attractiveness of the meeting.

There will be no services at the tabernacle today, Saturday, but on Sunday services will be resumed as usual. The meeting will be continued through all next week.

It is not often that two such men as Revs. Patterson and Notestine can be secured as leaders in revival services for such a small city as Goldthwaite, and the people of the county are taking advantage of the opportunity to hear them.

EPWORTH LEAGUE PROGRAM

Subject—Personal Work.
Leader—Lois Fuller.
Scripture Reading.
Prayer by Prof. Hughes, concluded by Auda Williams and Mrs. McGirk.
Who Should Do Personal Work—Edward Geeslin.

League Benediction.

FISHING PARTY.

A considerable number of ladies and gentlemen enjoyed a fishing party at the lake early Saturday morning, followed by breakfast on the beautiful shores. L. E. Miller was champion fisherman of the party, he having caught a bass weighing 4 pounds and 7 ounces, which lacked only 5 ounces of being the largest bass ever caught from the lake. I. O. Harvey caught the largest number of bass. A large string of perch was caught by the ladies of the party.

**DR. J. C. HARDY,
BAYLOR COLLEGE
SPEAK HERE**

Dr. J. C. Hardy, of Baylor College, spoke in the meeting of the First Baptist Church, Goldthwaite, Sunday, May 13, at 7:30 p. m. Dr. Hardy is one of the most educators of the county and do not fail to hear him when he speaks. He is an ambitious forerunner of this great era and we are sure able to help you. Baylor College is a school for the young ladies and the county invitation to come. Remember the doctor. Come; a hearty you. M. A. I.

WEAK, WEARY WOMEN.

Learn the Cause of Daily Woes And End Them.

When the back aches and throbs When the housework is torture When night brings no rests nor sleep,

When urinary disorders set in, Women's lot is a weary one. Doan's Kidney Pills are for weak kidneys.

Have proved their worth in Goldthwaite. This is one Goldthwaite woman's testimony:

Mrs. H. E. Moreland, S. Parker St., says: "A good many years ago I was troubled with my kidneys and bladder. At times I could hardly rest, as the pains across my back were so severe. I was also troubled with headaches and had such spells of nervousness that I couldn't rest at night. The action of my kidneys was irregular and mornings I had a tired, languid feeling and hardly felt like doing anything. I heard of Doan's Kidney Pills and got some at Clements' Drug Store. I can highly recommend Doan's, for they took all the pain out of my back and regulated my kidneys. I am glad to say I haven't had the least return of the trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Moreland had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv. 6-4

HEALTH HINTS.

The battle against tuberculosis seems to be succeeding to a degree not dreamed of by the advocates of the work 10 years ago, states D. E. Breed, executive secretary of the Texas Public Health Association.

From the Public Health Reports it is shown that the death rate from tuberculosis has declined over 49 per cent since 1911. The tuberculosis death rate for white males between 25 and 40 years of age in 1911 in the group referred to was 224.6 per 100,000, as compared to 135 per 100,000 in 1920. Tuberculosis caused at least 6,299 deaths in Texas in 1920.

A big reduction on our entire shoe stock.—Henry Martin.

WORLD'S NEWS IN BRIEF.

Significance.—Great significance is placed on the movement of four battalions to British troops to Upper Silesia, although high British officials have protested that they are only replacements, says a dispatch from London, which states it goes without saying that the troops will be received by Germany and viewed by France as allies of the Germans against Poland. There will be no action, continues the dispatch, unless the Poles stage an attack, which would bring about something approaching real warfare.

Profiteering.—Druggists profiteering on whisky sold for medicinal purposes are to receive the attention of the Federal prohibition agents when the full force is again in the field in July, Commissioner Kramer has announced.

Trial of War Criminals.—A dispatch from Paris Monday says Germany has begun compliance with another of the demands made by the allies in the London ultimatum of May 5—the trial of war criminals.

Business.—Facilitation of business without participation or intrusion in private enterprise; justice for agriculture, and fair dealing for labor were laid down as essentials of American political and business success by President Harding in his address before business men who gathered in New York Monday to celebrate the 125th anniversary of the founding of the New York Commercial.

Mexico.—A dispatch from Washington Monday stated it has been learned in official circles that the long pending difficulties between Mexico and the United States are about to be settled, and recognition of the Obregon government is in contemplation.

Cost of Living.—A report made public Monday by the National Industrial Conference board shows that the total cost of living has fallen 17.5 per cent since July, 1920, but in March, 1921, was 68.7 per cent higher than in July, 1914.

HOME AND AID SOCIETY FOR CHILDREN OF TEXAS WANTS HOMES FOR 32 LITTLE BOYS.

A letter received by the Eagle this week from Mrs. B. E. Green, field superintendent of the Texas Children's Home and Aid Society says: "We have 32 little boys from two days to fourteen years for whom we want good selected homes where people will love them as their own children. We are finding considerable difficulty also in financing our work in securing good homes for our children." Those interested should address Texas Children's Home and Aid Society, Fort Worth, Texas.

Get a Fordson to prepare your land.—Weatherby Auto Co.

Paint Your House With

One gallon of SWP house paint covers 360 square feet of surface, two coats. Ordinary paint covers from 200 to 250 square feet. That is the first saving. SWP, though heavy-bodied, flows easily and evenly, thus cutting down the time required to apply it. That is the second saving.

SWP outlasts two or three paintings with ordinary paint, saving

the cost of materials for painting and also saving the labor which is 75 per cent of the expense.

In buying paint it's the gallon covers, not the cost per gallon, that determines economy.

We carry a complete line of SWP. If you plan to paint your house, let us help you.

BAYLEY

FROM THE EAGLE TWENTY-FIVE YEARS AGO.

Vol 2. MAY 30, 1896. No. 39.
Jeff Davis Camp No. 117, United Confederate Veterans, will long remember the reunion at Center City last Thursday and Friday, for it was one of the most enjoyable occasions in the history of that organization.

J. J. Mills this week purchased an interest in the general merchandise store of Bowden & Vickers and the firm name changed to Bowden, Vickers & Co. Mr. Mills still retains his interest in the hardware house of Mills & Bass.

Judge A. V. Patterson was in town Monday.

Uncle Jimmie Tving made us a pleasant call Tuesday.

Gen. W. L. Martin of Antelope Gap was here one day this week.

J. F. Peck left Monday for a trip through the northern part of the state. He expects to be absent a month or more.

County Attorney E. B. Anderson has returned from a week's visit to relatives and friends in Bosque county.

John Grundy and Ollie Sexton went to Zephyr this week with some of the machinery for Carter Mohler's new gin.

N. J. Oquin has accepted a position with Bowden, Vickers & Co. and will begin work on the first of the month.

G. M. Pollard of Center City made us a pleasant visit Tuesday. He reports crop prospects in his neighborhood fine.

J. J. Wilcox, one of the Eagle's prosperous farmer friends, a substantial citizen of the county, had his figures set forward another year on our subscription books Saturday.

In speaking of S. L. McCasland's fine colt several weeks ago we stated that it was of the Norman breed. This was a mistake. It is Clydesdale.

J. D. Vuguhart, the artistic house and sign painter, dropped \$1 in the Eagle's bill this week to set his subscription another year hence.

Mrs. Jesse Lowe returned Saturday afternoon from a visit to her brothers at Rockdale.

Judge Head spent a portion of this week among his Goldthwaite friends.

J. S. Livingston was here the first of the week looking hale and hearty.

J. E. Brinson has been out assessing taxes this week.

The primary election will take place next Saturday and the polls will be open from 9 o'clock a. m. to 5 o'clock p. m.

A man sent this letter to a seller of books who sent his account for a book for which he had received no pay: "I never ordered the book; if I did you never sent it; if you sent it, I never got it; if I got it I paid for it; if I didn't, I won't."

The tornado which passed through St. Louis Wednesday evening was terrible in its details. Houses were blown down and it is estimated that 1,000 people were killed.

Farmers state that crop prospects are better than they have been for many years.

All Populists who wear socks are permitted to bathe in some tubs at Democrats at my shop. W. E. James, Messrs. J. H. Allen and W. E. Grisham have opened a saddle shop in the building lately occupied by Hugh Armstrong on Fisher street.

Goldthwaite is the best business town of its size in Texas.

A new bridge is being built across the San Saba river near the Beverage crossing.

At the residence of Mr. and Mrs. W. H. Trent last Monday night was enjoyed one of the most pleasant socials of the season.

Dr. M. C. Brockenbrough has received an appointment to the coast light house service at Velasco and left Thursday to assume the duties of the position. He has lived in the county a long time and has always enjoyed the highest confidence and esteem of the people.

The Bicycle riders should organize a club.

Dr. Logan was sick several days the first of the week.

The Goldthwaite Gun Club has accepted an invitation to take part in a competitive shooting tournament at Lampasas on June 10.

Dr. Sharp and wife visited Goldthwaite Monday. * * D. R. McCormick is having a well drilled, says he is tired carrying water. * * Mrs. Childress, mother of D. Y. Childress, is visiting him in San Saba county.—Mullen Letter.

Mrs. R. M. Thompson has recovered from her late serious illness.

Mrs. F. N. Irwin of Pleasant Grove was visiting in the city Thursday.

Mrs. John K. Davis has returned to her home five miles north of town, after a month's visit to relatives at McGregor.

W. H. Trent and wife leave tonight for Brownwood to spend a few days with relatives.

Lon Patterson and Wilbur Wood heeded the advice of the older members of the bar and took the "Royal Arch Degrees" Wednesday night.

Jim Harris, Joe Swindle and J. H. Stephenson were in from their Indian Gap farms Thursday with corn and oats for the market.

The crazy Mexican is the only inmate of the jail now.

Lon Patterson, after spending some time with homefolks at Center City, has returned to his studies.

Several of the bicycle riders of Goldthwaite will go to Brownwood on their wheel today and return Sunday.

Assessor Yarborough has about completed his rolls for this year.

"QUALITY LUMBER."

THE BRIGHT SIDE.

Sure Sign—A soldier was being examined for a compound depressed fracture of the skull. The doctor placed his finger in the healed depression, and while doing so asked the man numerous questions. Finally he asked, "Are you married?" "No, sir," was the reply, "I was kicked by a mule."

Short Notice—Father (to Sammy coming home in a bedraggled condition) Great Scott! How you look!

Sammy—Yes, pa, I fell in a mudhole.

Father—What! And with your new pants on?

Sammy—Yes. I didn't have time to take them off.

Scout—Is a chicken big enough to eat when it is three weeks old?

Rookie—Why, of course not.

Scout—Then how does it live?

Miss Smart—Have you ever been through algebra?

Yes; but it was in the night and I didn't see much of the place.

"I'm quite a near neighbor of yours now," said Mr. Bore. "I'm living just across the river."

"Indeed," replied Miss Smart. "I hope you'll drop in some day."

Teacher—Some one please tell me the answer to this: What is it that you can put in your left hand that you can not put in your right hand?

(Intense silence.)—**Teacher**: Can no one tell me? Why, it's so easy. Your right elbow.

An Englishman was once persuaded to see a game of baseball, and during the play when he happened to look away for the moment, a foul tip caught him on the ear and knocked him senseless. On coming to himself, he exclaimed, faintly, "What was it?"

"A foul—only a foul."

"A foul!" he exclaimed. "A foul! I thought it was a mule."

"Walter Jones," said the teacher sternly, "you are not attending to the lesson. Did you hear Jessie Smith's description of the American product, hominy?"

"Yes'm," replied the small boy, glibly.

"All right, then. Give me a sentence in which you bring in the word correctly."

With the courage of despair Walter replied: "Hominy marbles have you!"

A widely known Highland drover sold a horse to an Englishman. A few days afterward the Britisher returned to him. "You said that horse had no faults," he accused.

"Well, no mair had he."

"He's nearly blind," said the indignant Englishman.

"Why mon, that's no' his fault—that's his misfortune."

Behind Your Telephone—

Back of that telephone on your wall or your desk are miles and miles of wire; huge cables in the air or underground; the wonderfully intricate mechanism of switchboards; a complete plant plus a trained organization of people whose business it is to provide for and make your telephone service.

The telephone instrument itself is the smallest part of the telephone exchange; it represents hardly one-tenth the investment the company has made to provide a line for your own special use; its maintenance is but an insignificant fraction of the cost of the management, upkeep and operation of the plant behind it.

It is but representative of the plant and organization behind it, all of which must be organized, maintained and operated in readiness, day or night, to serve you.

When you lift your receiver, you have all this at your command!

The NEW EDISON

"The Phonograph with a Soul"

The Price of the NEW EDISON

has increased less than 15% since 1914. Mr. Edison has sacrificed millions in order to keep his favorite invention within the reach of everyone.

Would you like to know Mr. Edison's Favorite Tunes?

YOU know Mr. Edison, the scientist — now meet Mr. Edison, the music lover. Almost every day, Mr. Edison sits close to his Official Laboratory Model, hand cupped to ear, and enjoys his favorite RE-CREATIONS.

Mr. Edison has his own private collection of RE-CREATIONS. He has built it up with the discrimination of a confirmed collector.

We have just received a booklet containing 25 of his favorite tunes. This booklet is entitled "What Edison Likes in Music", and interestingly describes Mr. Edison, the Music Lover.

If you would like a copy of this booklet, together with a 12" x 19" proof of Franklin Booth's etching of Mr. Edison, please fill out this ballot and mail or bring it to us.

What other well-known person's favorite tunes would you like to know? Please write his or her name on the ballot.

Mr. Edison's love of music has made the phonograph his favorite invention. He spent over three million dollars in research work to perfect the New Edison.

Then, to prove its perfect realism, he stood the New Edison side by side with the living artist and matched its performance with the actual performance of the living artist. No one was able to detect any difference between the two. This is the only true way to prove the realism of a phonograph or talking machine — and the New Edison is the *only* phonograph which sustains this acid-test of direct comparison.

A Gentleman's Agreement

IF you love music, your credit is good here. Pay cash or suit your own convenience. Ask us about our Budget Plan.

FREE — In addition to "What Edison Likes in Music", you can obtain a copy of the bulletin, "What Did Edison Do During the War?" and a proof of Booth's famous etching of Edison, suitable for framing. Just use the coupon.

BALLOT

Bring or send this coupon. Mark the items you want. No charge or obligation.

CLEMENTS' Drug and Jewelry Store

"THE REXALL STORE."

FARM BUREAU NEWS.

Quitman, Texas, May 25.—Members of the Wood County Farm Bureau realized a net profit of more than \$2,000 on 217 bales of cotton sold from a pool which had been formed here about a month, according to County Agent M. H. Vandiver and C. S. Vickers, County Farm Bureau treasurer. The members pooled 500 bales but have not offered the other cotton for sale as market conditions are considered unsatisfactory just now. The cotton was classed and stapled and the samples submitted to the Bureau of Markets, through which the sales were made. The cost of grading, weighing, selling and other items was \$1.60 a bale, and the cotton was sold for nearly 50 points above the Dallas quotations in addition to a rise in the market since the pool was formed.

"Pooling is very beneficial to the farmers," Mr. Vandiver said, "but we can see that we might get much more for our cotton if we had the state-wide association going now, because the buyers break the market by playing the local pools against each other. We get

better prices than we could individually and the pool is worth while, but we can very easily see how much better a state association is going to be. If we don't sell our cotton to the buyers, there is a local somewhere else that will, and so it is every day."

Oklahoma City, May 25.—The biggest spot cotton exchange in the country will be located at Dallas, Texas, according to the Oklahoma Cotton Grower, official organ of the Oklahoma Cotton Growers' Association, which has just completed the organization of an association similar to the one now being formed in Texas. The Oklahoma association almost doubled its quota of cotton in organizing and was the first state to complete its organization. In speaking of the national cotton agency to be formed by the various states organizing so that there will be uniformity of action and no conflicts between states, the "Cotton Grower" says:

"It is to be built up by Southern men for Southern farmers. The plan as it now exists provides that, whenever as many as three states have perfected their cotton marketing associations on

a basis of the Oklahoma idea, they may federate into the American Cotton Growers Exchange. The exchange shall be an agency for the sale of cotton from all member states. It will have no capital stock and will not be incorporated.

"It will be managed by a board of trustees, who will be elected by the state associations which are members. Each state association shall have one trustee at large and one additional trustee for each 250,000 bales or major part thereof which it handles and sells. Thus with 400,000 bales, Oklahoma would have three trustees.

"The exchange will operate from the date of its formation until the 1926 crop has been marketed and may be renewed thereafter. The exchange will sell direct to spinners and exporters of cotton."

Dallas, Texas, May 25.—The strongest kind of endorsement for the long term contract for co-operative growers associations is found in the action of the California raisin growers, according to Fred Wilmarth, editor of the Oklahoma Cotton Grower.

"The California growers recently

signed new contracts with their association, the old four year contract having expired, agreeing to sell all raisins produced by them through their association for a period of 15 years," he said. "When more than 15,000 farmers tie up their product for a 15 year period through an iron-clad contract, which the association has been able to enforce in court, thorough confidence is shown in the value of the contract."

"The California growers have been doing business on the long term contract for a good many years. At the start, they had some difficulty because of the other details of their organization which had not been fully worked out. The long term contract, however, was one of the fundamental features of the old plan and it worked so well that the growers have not only increased the term nearly four times, but have signed up over 90 per cent of their production on it. Practically every one of the 12,000 grower members of the association doing business on the four year contract signed the new one for 15 years and over 1,000 new members were signed on the longer term

basis. They have found that the long-term contract is one of the mainstays of their marketing organization."

Dallas, Texas, May 25.—The marketing department of the Farm Bureau Federation has hired additional clerical help to meet the ever increasing volume of contracts which it is receiving to C. O. Moser, executive of the Texas Farm Bureau.

"There are now 100 co-operatively organized and signed long term contracts," Moser said. "The work is just getting started. We are very glad that the cotton association has taken the community problem and the towns and communities are closing up on certain days everybody may go out and buy cotton. Everyone is glad and it is now everywhere as we have always hoped."

The slogan now is, "As we have always hoped," by July First."

R. J. C. HARDY, BAYLOR COLLEGE, SPEAK HERE

Dr. J. C. Hardy, of Baylor College, Belmont, will speak in the meeting of the First Baptist Church, Thwaite, Sunday, May 27, at 7:30 p. m. STUDENT
 Austin, Texas, May 23.—Albert Hughes of Goldthwaite is the winner of the Brown prize in mathematics, according to announcement just made by the committee in charge. This is an annual prize of \$25 awarded on the basis of a competitive examination in calculus. The examination is open to all students who have completed the first course in calculus but who have not yet taken more advanced work.

In the contest this year the winner made a grade of 98, presenting a paper that was almost perfect. Only 15 of the contestants handed in papers, it was announced.—Houston Chronicle.

Albert Hughes is a son of Prof. Hughes, superintendent of the Goldthwaite schools the past term.

Fordson

TRADE MARK

\$625 f. o. b. Detroit

Power Farming With The FORDSON

The Fordson Tractor is taking care of every power job; it is taking the drudgery out of farm work and solving the labor problem. Power farming with the Fordson reduces the cost of preparing land to almost one half what it would be with horses, and saves a third to a half of the farmer's time. What machinery does for the factory, the Fordson Tractor is accomplishing on the farm—it is increasing production at lower costs and making farm life attractive.

Apply this power farming idea in your threshing. More and more farmers are making themselves independent of unfavorable conditions by using the Fordson tractor linked up with a light thresher. By seizing the right moment and being able to do the job without waiting and in quick time, crop losses are avoided and profits increased.

The Fordson operates with kerosene. When used on belt work, running at full power at 1,000 R. P. M., the fuel consumption does not exceed 2 1/2 gallons per hour. It will run the

electric light plant, operate the milking machines and straw blower—will take care of every kind of belt work.

The Fordson plows 6 to 8 acres in a 10-hour day, handling two plows with ease in the average soil. It requires an average of only 1 1/2 to 2 gallons of kerosene to the acre.

It is the ideal year-round tractor. It will pay for its fall and winter keep in many ways such as road work, hauling grain to the elevator, pumping water and moving granaries.

Weatherby Auto Co.

FIFTH SUNDAY MEETING AT TRIGGER MOUNTAIN.

Elder I. A. Dyches writes announcing a meeting at Trigger Mountain school house or near, on the fifth Sunday in May, beginning Saturday night before and to last over Sunday, including Sunday.

This meeting is to be held under the auspices of the Church of God in Christ Jesus, and three or four speakers are expected; also it is hoped that all the members in the county will be present.

The following subjects will be discussed:
 Nature of Man, Kingdom of God, the Coming of Christ, The Spirit Birth.

Everybody invited to come and investigate the word of God.

J. L. T. S. MOORE DEAD.

Friends and acquaintances of J. L. T. S. Moore were shocked and grieved this week to learn he had died in a Brownwood sanitarium Tuesday night, dropsy being the cause of his death.

His body was shipped to Goldthwaite Thursday morning and funeral services were conducted by Elder L. A. Dyches at the home of Pete Moore in this city Thursday afternoon at 3:30. Interment followed in the Odd Fellows' cemetery.

Mr. Moore for many years had lived just across the river from Mills county and was known by many people here. He is survived by his wife and one son, Pete Moore of Goldthwaite, and several daughters.

The friends and acquaintances of the Moore families will join with the Eagle in extending sympathy.

BABY GARTMAN.

Portice Roper Gartman, the little son of Mr. and Mrs. George Gartman, died at their home in this city Monday morning.

Funeral services were held at the residence Tuesday morning at 10 o'clock by Rev. M. A. Darby. Burial was in Odd Fellows' cemetery. The entire community will join the Eagle in extending condolence and sympathy.

HE COULDN'T DO FULL DAY'S WORK.

Oklahoma Man Is on the Job Every Day And Feels Just Fine Since Taking Tanlac.

"At the time I got Tanlac three years ago I hadn't been able to put in a full day's work for two years; but the medicine fixed me up to where I felt fine and I've not lost a day's work on account of ill-health since," said Charles Hamblen, well-known farmer residing on R. F. D. No. 1, Keefeton, Okla.

"About five years ago my system got out of order and I went down in health until I was so weak I could hardly stand up. As for work, I was scarcely able to do anything. I had no appetite and what little I did eat seemed to do me no good, and I had headaches constantly. I was also troubled with a persistent cough, and it seemed that my old-time strength and energy had gone for good.

"But it didn't take Tanlac but a little while to straighten me out, and I was soon full of new life and energy. Ever since I've been praising Tanlac, and I'm glad to give this statement for what it may be worth to others. Tanlac is the best medicine I ever saw or heard of."

Tanlac is sold in Goldthwaite by L. E. Miller & Son and all leading druggists.—Adv.

Our market is always clean and sanitary and our meats are the best.—Dickerson Bros.
