GOLDTHWAITE, MILLS COUNTY, TEXAS, SATURDAY, APRIL 21, 1923.

NUMBER THIRTY-THREE

## MERCHANTS MAKING BIG PREPARATIONS FOR TRADES DAY, MAY 7, 1923

The merchants of Goldthwaite are making preparations for a big day on May 7, Goldthwaite's first Trades Day. Sponsored by the Mills County Chamber of Commerce and enthusiastically backed by the business men of the city, this day is being extensively advertised and it is expected that many people who heretofore have been doing their trading at other points will be here that day and take advantage of the many bargains offered and share in the many dollars worth of premiums offered.

Make preparations to be here on that day—remember the Saturday that Dyanshine did his death-defying stunts, and also remember that this Trades Day will offer possibly as many amusements and far greater values to the shoppers and visitors, besides entitling holders of tickets to participate in the drawing for prizes, ranging from a costly kitchen cabinet, art square, etc., down to cash prizes of \$5, \$3, \$1, etc.—something over a hundred dollars in prizes.

At the regular third Monday evening meeting of the Chamber of Commerce Monday night plans were discussed for systematically working the county roads, advertising the next trades day, etc. Since the last report several new members have been added to the organization, some of whom joined at the last meeting night.

Darroch & Clements.  
City Meat Market.

For the success of this organization, which was organized for the benefit of all Mills county, every progressive farmer or stockman should belong. A special invitation is extended every citizen in the county to join. The matter of good roads alone touches intimately every citizen in the county and the number of members belonging to the organization who are willing and eager to help on their roads will naturally call the attention and efforts of this body towards their individual road which is in need of repair.

## MRS. GILLESPIE'S EXPRESSION CLASS GIVE RECITAL

Mrs. J. A. Gillespie will present her Expression Class in recital at the Dixie Theatre, Tuesday, May 1. The proceeds will be given to the Cemetery association.

## LIVESTOCK MEETINGS AT GOLDTHWAITE AND STAR

The Livestock Shipping Association will hold two meetings Wednesday, April 25. One at Goldthwaite at 2 p. m. and one at Star at 8 p. m. G. W. Barnes, beef cattle specialist, and Arthur L. Smith, district agent A. & M. College, will address both meetings. These men desire to know if it would be well to send a feeder buyer to this county. Come out and discuss this problem with these specialists.

At the Star meeting the economy of infertile egg production will be discussed and a boys' and girls' club meeting held. Judge Patterson will discuss two of the greatest questions confronting the public today—the schools and the roads.

## SCHOOL NOTES.

The Science class killed a fish in an unusual way. To demonstrate the effect of nicotine on the heart, cigarette smoke was forced through water in which the fish was swimming. After seven cigarettes had been consumed for the benefit of the ventricle, a stupor took possession of the poor animal from which he never recovered. Some of the teachers came into the room after class and were horrified by the tobacco fumes that greeted them. They started investigations, but were quieted upon learning of the source of the odors.

Faye Cockrum has made a new application of the Diet of Worms. She eats 'em.

The Senior Class has been invited to Howard-Payne College for the Friday night prom. The class members are very enthusiastic over the invitation. A number are planning to attend the prom and are expecting a great time.

The District Track Meet, postponed on account of bad weather, will meet at Comanche on Friday and Saturday. We are expecting our entries to be great winners.

The two rival ball teams that baseball fans have organized are the "Dragons" and the "Little Potatoes." Mr. Cave remarked to a Little Potato: "The dragon is a vicious animal. They are hard to go against." The Little Potato replied, "Yes, but little potatoes are hard to peel."

Mr. Cantrell contributed a rare new specimen to the Science department. We don't know the name or classification of the thing, but it was an awful looking bug, and if Mr. Cave has his Biology students to analyze this specimen, it will be a credit to the class courage as well as class intelligence.

Today and next week, fair.

## THE TEXAS VETERAN.

(From Cactus Blossoms.)

I'm nearing now the outer bar,  
And soon will be upon the ocean  
Of silent waters, drifting far;  
I turn to you in wrapped devotion  
Beloved state—my joy and pride,  
Whose path has been the path of glory,  
Whos deeds sublime are echoed wide,  
And sung in verse and told in story.

Proud Texas; may her sons rever  
And emulate the high example  
Set by her sires who builded here,  
To liberty her noblest temple.  
(I was of them) At Freedom's shrine,  
Thy bowed, and without stint or measure,  
They offered up in faith sublime  
The sacrifice of life and treasure.

They marked her foe with flag unfurled  
And chilled his heart with death or terror;  
They forced the nations of the world  
To recognize her voice and hear her;  
They saw the flame in anger burst  
Midst savage yell, from cabin rafter,  
In those old days, 'was Texas first  
And party's claim was reckoned after.

O, Texas' sons, unbowed with age,  
See that no stain e'er falls upon her,  
The ballot free, blest heritage,  
Is yours to guard her sacred honor;  
Should party raise, with impious zeal  
The golden calf, Oh, do not falter,  
But keep the faith, and only kneel  
To freedom's God at honor's altar.

The partisan may roll his eye  
And flash and feign indignant passion;  
The simple minded may decry,  
Because he thinks it is the fashion;  
The politician may condemn,  
But heed his jeers and hisses—never!  
The best and truest, vote for them,  
And Texas will be First forever.

## Art and Civic Club.

It was with enthusiasm and pleasant anticipation that the members of the Art and Civic Club issued invitations to a number of the mothers and grandmothers of our little city to attend a club meeting in the L. R. Conro home, on Wednesday afternoon, April 19. The beautiful weather of the day, after the cloudy rainy weather of the past few weeks, was a great incentive to these "Dear Ones" to spend a social afternoon with daughters, neighbors and friends. So when the hour of 3:30 arrived almost every one who had been invited came. The greeting given by Mrs. Conro upon arrival was so hearty and sincere that not one doubted that this occasion would prove to be a very happy one. Mrs. Walter Fairman was next to greet them, and after presenting them with the emblem of Mothers' Day, a white flower, she conducted them to the table, where Mrs. Kelly Saylor presided over the pretty register book, thence to the dining room, where Mesdames Fred Martin, Edward Geeslin and Roy Conro served refreshments of veal loaf and pimento sandwiches, iced tea and wafers, after which they repaired to the living room where chairs had been arranged in rows facing the piano, and in this way the large number of guests shared equally in the program, which had been arranged by the club in honor of "Mother." Mrs. Edward Geeslin, a very loyal member of the club, who is especially kind and loving to the older mothers, was chosen as leader, and she started the program with Kipling's poem "Mother o' Mine." Roll call was responded to with a tribute to "Mother" by each member of the club, with Mesdames M. A. Bridgforth, E. A. Walker, Joe A. Palmer, Fred E. Martin, Roy Conro and Clyde Hudson rendering solos, poems and papers on "Mother." At the conclusion of the program, Mrs. Robt. Robertson started "Mother" music on the Edison, then each club member vied with the other in expressing their pleasure to the mothers that they had so honored the club and Mrs. Conro by meeting with us.

Those present were Mesdames Fred E. Martin, Roy Conro, Hammond G. Bodkin, E. A. Walker, Kelly Saylor, J. C. Hudson, D. H. Trent, L. H. Little, D. T. Bush, G. H. Frizzell, Joe Frizzell, F. D. Webb, D. ## GOLDTHWAITE CITY GARAGE CHANGES HANDS

The Goldthwaite City Garage is under new management, beginning with today. Roy Conro, the former owner, sold the first of this week to Messrs. Kelly Saylor and Burl Parks. Mr. Conro had been in the garage business here since its infancy in this country, has always enjoyed a good trade and is a mechanic of no mean ability. While he has made no arrangements for future business connections, it is probable that he will engage in the same line of business at some other place, possibly in west Texas. The people of Goldthwaite, and especially the car owners, will regret to see Mr. Conro remove from here. Messrs. Saylor and Parks, the new owners, need no introduction to the people of Mills county. Mr. Saylor has for a number of years been the Chevrolet sales agent for this territory and before engaging in that line was in business here and before the public. He will retain both the Chevrolet agency and his battery station, removing them to the City Garage location.

Mr. Parks is a mechanic of exceptional ability, and is known in that respect by a great many people here, he having been employed at various times by the City Garage. For the past few years he had been engaged in the garage business at Stephenville and other points. The success of the new firm is assured.

THE "special discount" is tempting, but not when you understand who pays for it. The tire dealer doesn't pay for it. The manufacturer cannot afford to. Chances are it comes out of the quality of the tire, so, after all, you pay for it. None of the quality of Goodyear Tires ever is sacrificed to "special discounts" or anything else.

As Goodyear Service Station Dealers we sell and recommend Goodyear Tires and back them up with standard Goodyear Service.

### FORD MOTOR COMPANY BEGINS WEEKLY PAY PLAN

Detroit Mich., April 14, 1923: The Ford Motor Company has just made a nation-wide announcement of the new Ford Weekly Purchase Plan, which is accepted here as a characteristically Ford action and a new and forward-looking move in the marketing of automobiles, to be carried on by the company's dealer organization, numbering over 9,000.

That it will benefit millions of families and have a most salutary effect upon the auto buying public goes almost without saying, as places something of a new light upon motor-car ownership where in the purchaser is able to avail himself of this motor necessity.

For some time past Ford dealer have been selling Cars and Trucks upon what is known as the deferred payment plan in which the purchaser makes a substantial initial payment, secures his car and completes the payment for it in regular installments.

This has been and will continue to be of immense benefit to numerous auto buyers whose means do not permit the full outlay for a car at the purchase time, but who can easily make the required regular payments.

Now come the Ford Weekly Purchase Plan which will make it possible for additional millions to own and operate motor cars. Under the terms of the plan, as little as \$5.00 will start anyone toward the ownership of a Ford Car, Ford Truck or Fordson Tractor. This initial payment, as well as all subsequent payments, will be deposited to the customers credit in a local bank.

It extends to the whole family an opportunity to participate in the car purchase by permitting each member to contribute a small amount weekly to the plan with the wholesome effect of inculcating thrift and also demonstrating the benefits to be received from regular and consistent accumulation of funds to spend for things desired.

The price reduction of Ford Cars and Trucks which went into effect last October, bringing them to the lowest level in the history of the Ford Motor Company,

opened a market of unusual proportions and with the inauguration of the Ford weekly purchase plan this market now becomes even more comprehensive. See our "Kiddies Kone Krisper"—keeps ice cream cones clean and crisp.—Hudson Bros.

Berlin, April 17.—Germany has made the first definite "peace offer" since the French and Belgian troops marched into the Ruhr Valley over three months ago. The terms of Germany's reparations proposals, made public in a speech by Dr. Hugo Stressemann, chairman of the Foreign Relations Committee of the Reichstag, before the members of the Reichstag on Tuesday, follow:  
1. Temporary fixation of the indemnity at 20,000,000,000 gold marks.  
2. A committee of international experts, as suggested by Secretary Hughes, to study Germany's ability to pay, after which the final reparations figure is to be set.  
3. The reparations to be guaranteed by pledges of the German industrialists.  
4. Restoration of German credit through the co-operation of the allies.

# Firestone

will not increase prices until May 1st

**Firestone Prices on Fabric and Cord Passenger Car Tires and Tubes, also Solid and Pneumatic Truck Tires Will Advance May 1st**

The postponement of this price revision is possible only because of our realization of the price danger in the British Crude Rubber Restriction Act which became effective November 1, 1922. We were fortunate in our rubber purchases before the Restriction Act increased the price of crude rubber 150%.

We have always endeavored to champion the cause of better made tires delivered at lowest cost to the tire user by economic manufacturing and distribution. And we are glad of the opportunity to give the car-owner the additional saving at this time.

Firestone Cords embody certain special processes which result in their producing

mileage records, heretofore unheard-of in the industry. Among the more important of these superior methods are blending, tempering, air-bag cure and double gum-dipping.

Firestone Dealers are co-operating with us in our movement to supply your needs at present prices as long as their stock lasts and we have advised our dealers that we will supply them with additional tires this month only so far as our output will permit.

See the nearest Firestone Dealer. Purchase a set of these Gum-Dipped Cords. Prove for yourself their remarkable mileage advantages and easy riding qualities.

Esteemed Fort Worth Resident Declares Tanlac Made Life Worth Living For Her

Among the thousands of Texas people who are praising the Tanlac treatment for the return of their health, strength and happiness is Mrs. W. T. Cooper, highly esteemed resident of 2517 Ross Ave., Fort Worth, who says:

Tanlac made life worth living and gratitude makes me want to let every one know about it. I came out of the dengue fever with a loss of twenty pounds in weight and so weak and nervous I couldn't go. My nerves were so bad I couldn't even stand to have my grandchildren around. My appetite left me and sleep was almost impossible for me.

"As a matter of fact, when I began taking Tanlac I was in such a bad condition that I didn't think I could ever be well again. But, here I am able to do all my housework, look after my chickens and work my garden and flowers the same as if I had never been sick. I have gained twenty-five pounds and have never felt better in my life. I couldn't do otherwise than praise Tanlac."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37-million bottles sold.

### Church and Sunday School

**At the Methodist Church.**  
**BASEBALL:** The baseball season has opened, and I will preach on the subject of Baseball next Sunday morning. If you play baseball, you should hear this sermon. If you don't play baseball, you should hear this sermon. If you are a baseball fan you should come or if you hate the game you should hear the sermon. Let us "Rally" either be Hitters, Catchers, Fielders or Fans.

Our Children's service last Sunday was great. The Woman's Auxiliaries Nos. 1 and 2 put on a splendid program at the church Monday, 3:30 p. m., and are making some more improvements at the parsonage. God bless the good people; they are workers. You want to look in on our Sunday School some Sunday morning. You will be delighted and feel at home with us. Try it Sunday morning. Yes, the subject Sunday morning will be "Baseball." Nothing sensational, just a real baseball sermon.

JOSEPHUS LEE, Pastor.

### SOCIETY and Club

**Merry Wives Club.**  
Merry Wives Club met Tuesday afternoon with Mrs. Neal Dickerson as hostess. The large living room was made more attractive by potted ferns and huge bouquets of wild flowers. After a short business session, Mesdames Al and Claude Dickerson and L. E. Patterson came in to enjoy the social hour with us. Tables were placed having marker of beautifully hand-painted wild flowers. Eight games of 42 were played. Mrs. O. H. Yarborough won high score for the club members and Mrs. Al Dickerson for the guests. Delightful refreshments of pineapple sherbet and angel food cake were passed. The plate favors were corsages of bluebonnets each containing a four-leaf clover for luck. The next meeting will be with Mrs. Monroe Fletcher May 1.—Reporter.

**The Ladies' Home Missionary Society.**  
The Ladies' Home Missionary Society Number 1 and Number 2 met at the Methodist Church Monday afternoon with a large attendance. A beautiful program was rendered by Number one, with Mrs. Al Dickerson leader. Miss Kate Lowrie, back home from Cuba, made an interesting talk on what our church has done in Cuba. This was very much enjoyed by all, and hope she will come again.

Delicious refreshment plate consisting of sandwiches and ice tea was served by Mrs. Neal Dickerson and Mrs. B. F. Geeslin. Music throughout the social hour was furnished by Mrs. John Berry and Henry Cryer. After the devotional meeting was over, a business meeting was called by our president, Miss Myrna Miller, and it was decided to sell sandwiches, pie, hot coffee and ice tea, on Trades Day, May 7. The proceeds will go to buy things needed for the parsonage.—Asst. Reporter.

## Texas Woman Declares She Didn't Care to Live

MRS. JOHNSON COULD NOT SLEEP FOR THE MISERY IN HER BACK—TAKES STELLA VITAE AND IS NOW HAPPILY RESTORED TO HEALTH.

"I had taken so many different kinds of medicine and treatments without getting anywhere that I became disgusted with them all and though I might as well give up trying to get well," said Mrs. C. G. Johnson, Box 1187, Thrift, Texas.

"I had been sick and all run-down ever since my baby was

born. I couldn't seem to get my strength back or any appetite, and I was so miserable at nights with an awful pain in my back I just couldn't sleep to do any good. The very thought of eating would sicken me, and it was all I could do to force down a little now and then to keep from starving.

"I was all worn out and got so

I didn't care to live. For life was just one day's suffering after another.

"Our grocerman gave us one of the Thatcher almanacs and I read about Stella Vitae, but never gave it much thought; but my husband wanted me to try it and went and got me a bottle. I took it just to please him at first, but by the time I had taken half of it my appetite grew so I just couldn't eat enough to satisfy it.

"Well this encouraged me to keep on taking Stella Vitae and I am now on my fourth bottle and sleep fine at nights, my back never bothers me and I am regular in my periods, a thing I had not been since a girl.

Stella Vitae is Nature's own gift to suffering women, with the exceptional qualities for relieving female disorders brought to the highest state of efficiency by scientific development. Nor is it strange that Stella Vitae is beneficial in so many diseases of women for these numerous troubles are all traced to one cause. And that is why women are so much more a sufferer than man that is why countless women suffer the same troubles throughout their lives.

Note—Stella Vitae may be obtained of any druggist and is sold under the positive guarantee that the purchase price will be refunded if it fails to bring relief.
