Gum-Dipped Cords Gaining New Fame for Service 194% Sales Increase in Last Six Months **Shows Trend Toward Firestone**

The public has emphatically spoken. The popular preference in all territories is unmistakably the Firestone Gum-Dipped Cord.

A standard of service has been set by these famous tires without parallel in the past. It has brought a sales increase of 194% for the past six months over the same period of a year ago-the greatest gain in all Firestone history.

The Firestone Gum-Dippe. Cord is the mighty achievement which has enabled Firestone to break the tremendous record of past Firestone success.

The tire buying public has been aroused to the

results in economical mileage of the Firestone process of double gum-dipping. The buying-swing toward Firestone shows how it has advanced the public's standard of tire value.

As's owners about Firestone performance on their cars. Note the big taxicab fleets Firestone-equipped. Watch the new cars you see—just from the fac-tories; Firestone Gum-Dipped Cords are seen everywhere in fast increasing numbers.

Get the maximum extra mileage that only the Firestone name assures you. Only by insisting on this name can you be sure of getting the genuine gum-dipped construction.

Entre Nous Club.

· The Chas. Frizzell home on South Parker street gave the setting on Tuesday afternoon, May the eighth, for a beautiful hospitality in the form of a "42" party, when Mrs. Frizzell and Mrs. Virgil Jackson were joint hostesses to the members of the Entre Nous Club and a number of their friends. It was with pleasant anticipation that the invitations were responded to for Mrs. Jackson and Mrs. Frizzell are each regarded as very charming and to have them entertain together was an assurance that this would prove an unusually happy occasion. The artistic arrangement of baskets of wisteria and roses suspended from the chandeliers with vases of roses and maiden hair fern neatly placed, used for decorations, provided a beautiful environment for the ten enthusiastic games which followed the exchange of greetings and few minutes spent in conversation upon arrival. At the close of the games Mrs. T. F. Toland was awarded a very pretty hand made vanity parasol shaped for high score. The score cards and score pads, decorated with dainty maidens earrying pink parasols, handpainted by the hostess themselves, deserve special mention. Napkins bordered with pink rose buds, preceded refreshment plates containing strawberry ice cream and delicious white cake with pink icing, which were served on the game tables in the center of which had been placed cut glass bud vases containing pink parasols.

The personnel included the fol-

lowing guests, who declared this to have been a party charming in every detail: Misses Schultz, Ruby Hayes, Lucille Gartman, Ruyel Keese, and Georgia Frizzell and Mesdames Frank Taylor, John M.
