GOLDTHWAITE, MILLS COUNTY, TEXAS, SATURDAY, MAY 26, 1923.

NUMBER THIRTY-EIGHT

CHAMBER OF COMMERCE MEETING MONDAY NIGHT

Last Monday night was regular meeting night of the Mills County Chamber of Commerce. On account of the great interest in the Baptist revival meeting quite a number were absent, and those present quickly disposed of business in order to reach the tabernacle in time for the sermon.

Reports of the action taken by the Board of Directors were accepted by the body.

On request from the Texas Highway Commission, a vote was taken as to whether or not the Mills County Chamber of Commerce would endorse the proposed law vesting the power of road building in a state commission, on motion of L. B. Walters it was unanimously voted not to endorse the proposed law.

W. P. McCullough addressed the body concerning ways and means of placing the Goldthwaite-Priddy road in passable condition for the grain crop in order that those citizens living in that section of the county might get to town. Mr. McCullough stated that he intended taking Mr. L. B. Burnham and Mr. Bedford Renfro the two commissioners in whose precinct the road lies, over the road the following day, and asked that several business men go with him. A committee, composed of W. P. McCullough, Frank McDermott and Santa Fe Agent G. S. Schwartz was appointed to go over the road and report concerning it.

A report of the trip will be found elsewhere in this paper.

Especial thanks are due Commissioners Burnham and Renfro for their quick relief when they became acquainted with the condition of the road. Mr. Burnham began work on his section, which extends out about 6 miles from Goldthwaite, Thursday morning. Mr. Renfro will begin work on his portion Monday morning.

It was brought out in the course of discussion that practically no work had been done on this road for 6 or 7 years, money which by all rights should have been spent on this road having been spent elsewhere. The action of Mr. Renfro in seeing the justice of the requests and his prompt action will receive the commendation of every fair-minded citizen in Mills county.

A WARNING.

A man who would not take his home paper sent his little boy to borrow the copy taken by a neighbor. In his haste the boy ran over a hive of bees and in ten minutes he looked like a warty squash. His cries reached his father who ran to his assistance, failing to note a barb wire fence, which he ran into, breaking it down, tearing a handful of flesh from his anatomy, and ruining a \$5 pair of pants. The cow took advantage of the gap in the fence and got into the corn. Hearing the racket his wife ran out, upsetting a four gallon churn of rich cream into a basket of kittens and drowned them. In her haste, she lost a \$17 set of teeth. The baby, left alone, crawled through the cream into the parlor and ruined a brand new \$20 carpet. During the excitement the oldest daughter ran away with the hired man, the dog broke up eleven settings of eggs and the calves chewed the tails off four nightshirts. Cheaper by far to have the paper delivered, says a South Dakota newspaper.

SCALLORN.

Editor Eagle:

How is every one enjoying this warm weather? Fine, we hope.

Mr. and Mrs. F. R. Hines visited friends and relatives at Adamsville Sunday.

Mr. and Mrs. J. P. Crawford and son and Mrs. D. J. Smith took dinner with Mrs. Jesse Reese Sunday.

Flemming Ford happened to a bad accident last week, when falling from a plow. Cut his heel nearly off.

Mr. and Mrs. J. W. Morgan and Miss Carlotta Black and Earl Blake attended church at the ranch Sunday.

Miss Rena Harris and Jack and Bill Harris attended singing at the Colony Sunday.

The party at Elzie Laughlin's Saturday night was enjoyed by all.

The farmers are about through shearing sheep, and will soon begin chopping cotton and harvesting grain.

Mr. and Mrs. L. D. McLean visited with T. J. Laughlin and family Saturday night and part of Sunday.

Mr. and Mrs. C. H. Black and family, David Smith, Dutch Smith, Aline Ford and Mr. A. H. Bradley were dinner guests at Elzie Laughlin's Sunday.

The baseball game at Scallorn Saturday evening between Scallorn and the Bend was very interesting. The scallorn boys did some good playing, 3 to 0 the first four innings. Then the Bend began to pour it on them when they put Ben Lively to pitch. On account of darkness, they only played 7 innings. Scallorn will soon give them the same dope only a little more pep.

Mrs. T. J. Laughlin, Mr. and Mrs. Fred Laughlin, Vonnie Laughlin and Cecil Bradley attended church at Lometa Tuesday night. BLUE EYES.

WORLD'S NEWS IN BRIEF.

Shot Through Mistake.—Cliff Hazel farmer, residing south of Mt. Pleasant, was fired upon through mistake last Saturday night near Mt. Pleasant and shot through the right hip. He was shot by local officers.

New Premier.—Chancellor of the Exchequer Stanley Baldwin was designated Tuesday afternoon by King George as premier of England in succession to Andrew Bonar Law who resigned because of ill health.

Drive on Fakes.—The drive on Smackover (Ark.) and Dallas oil promoters for alleged use of the mails to defraud was launched Saturday by United States District Attorney Henry Zweifel with the filing of complaints against five men.

Ultimatum.—A dispatch from Dusseldorf, Germany, May 20, states French military authorities had that day issued an ultimatum to striking German workers to resume their duties in 48 hours upon penalty of expulsion from the Ruhr with their families. Serious trouble was threatened when unemployed Germans held a demonstration at Dortmund to protest against French occupation. Strikes were spreading throughout the eastern part of the Ruhr, the miners demanding a 50 per cent increase in wages. Communists are taking advantage of the labor unrest to further their red propaganda.

Ends Search.—A Texas sheriff who traveled 15,000 miles on the trail of a man wanted in connection with six brutal murders has ended a search of 17 months with the arrest of P. W. Howard, 35, and his companion by Sheriff H. J. Wade of Ward County, Texas, in Norwalk, Calif.

Robbed.—Mrs. F. G. Smith, wife of an Oak Park attorney of Chicago, was gagged, beaten and robbed of her fur coat and jewelry valued at \$60,000 by three men who overpowered her chauffeur and kidnaped her in her own automobile, she told the police after she was found lying on a sidewalk.

Killed by Train.—W. C. Heath, 73, and E. F. White, 63, inmates of the Masonic Home for the Aged near Arlington were killed at 8:05 a. m. Tuesday when hit by a Texas and Pacific passenger train as they walked on the tracks near the home. One of the men was blind.

Float Loan.—Willingness of the allies and their war sympathizers to float a loan for Austria indicates a healthy trend for European unity, J. P. Morgan, international banker, believes. He announced from New York that leading American bankers are preparing to float \$25,000,000 as America's share of the international loan of \$130,000,000 to Austria.

8 BOOTLEGGING CASES TRIED UP TO WEDNESDAY

Up to Wednesday afternoon of this week district court had tried eight cases for making or selling "moonshine," six resulting in convictions, and two in mistrials. The cases as they came to trial were:

T. C. Williams, selling whiskey, result 2 1-2 years in penitentiary.

Henry Brister, selling whiskey, result 2 1-2 years in penitentiary.

Clifford Doggett, plead guilty to selling whiskey, result 1 year in penitentiary.

The two Jones boys and Nat Bynum, tried here Wednesday, punishment was assessed at 3 years, suspended sentence, all three being under 21 years of age and thus entitled to plead for suspension.

In Carl Sexton's case, the jury after about 42 hours' deliberation, was discharged, having failed to come to an agreement.

The case of Tom Seabolt, which was tried Tuesday, resulted in a hung jury. This jury was discharged Wednesday, after reporting that they could not agree.

The case of Lewis Atkinson was set for yesterday morning.

Motion for a new trial in the case of T. C. Williams was argued Thursday.

The May term of the District Court adjourned today. There are three weeks under the law that can be held in this county twice a year, and this is the first time in many years that the court has taken all three of the weeks. In fact the present term of court has been a record breaker in many ways. It is not amiss at this time to say that this is the first time that the present district Judge, Hon. Lewis H. Jones, and the District Attorney, Honorable Few Brewster have come to this part of the district in their present official positions. Mr. Jones has for the past three years been District Attorney, and Mr. Brewster County Attorney at Belton. They are both excellent gentlemen and work together like veterans. Judge Jones handles the court like one who has graced the bench many years. He is dignified, courteous, and firm and shows in the conduct and dispatch of the court's business that he knows his work and takes it seriously. He property rights will be secure.

Mr. Brewster has also won the hearts of the people by his strong prosecution of the cases tried here, some eight in number during this term. He is fair in the conduct of cases and their presentation to the jury. When he goes to the jury with a case he goes strong. He is a fine District Attorney, a fine lawyer, and the fear of bootleggers and law violators. This district is to be congratulated on having the above gentlemen to constitute the court. They are young men and have great futures before them. As

REVIVAL AT BAPTIST TAB- ERNACLE HAS BEEN AT- TRACTING HUGE CROWDS

The revival meeting, which has been running for the last two weeks, is now at the height of interest and the crowds attending are record-breaking ones. Despite the additions to the size of the tabernacle, which will now seat easily 1,000 people, practically every available seat is being used at the night services.

"Cyclone" Crimm, the evangelist, has an interest getting and interest retaining style of preaching and the force with which he drives home his points and his frankness in calling "a dog a dog" has convinced many of his hearers of the error of their ways. Rev. Crimm, to judge from his sermons, is not a compromiser. He is either for or against. If for it, he approves, if against it he does not hesitate to denounce it. The majority of his sermons so far have dealt with moral questions.

The music under the direction of Elton Roth, has been especially good. The choir has the pick of the town's singing ability.

The revival will last all next week, probably closing next Sunday night.

The business houses of the city have been closing one hour, from 10 to eleven o'clock each morning to attend the day services. Special prayer meetings have been held in different business houses of the city for the men, and at different residences for the ladies.

long as they constitute the court the people may be assured that the lives of the people as well as property rights will be secure.

Special credit should be given Sheriff A. D. Karnes, Deputy Sheriff H. C. Ezzell, Constable Lawrence Jones, and other members of that department, as well as to Mayor R. V. Littlepage and others, for the efforts to put a stop to the illicit manufacture and sale of liquor.

That the ring-leaders of the bootlegging gang have been yet apprehended is not the opinion of Sheriff Karnes and others who have been instrumental in endeavoring to stop it, and it is probable that by the time of the next session of court there will be bills against several others who will have been found to be implicated.

Just who are guilty and who are innocent, it is for the courts to decide, but it is manifest that some action had to be taken and the result should be that this bootlegging business, which seemed to have been flourishing, will die.

CRIMM REVIVAL MEETING RESULTS AT BRADY

(Brady Sentinel.)

The revival conducted by Evangelist B. B. Crimm, under the auspices of the local Baptist church at the Methodist tabernacle, was brought to a close with the Sunday night's service, after running three full weeks, during which time a total of 212 additions to the different churches of the city was made. This is the greatest religious revival ever held in Brady with the possible exception of the Lockett Adair revival in 1911 when 452 conversions were recorded. Of the 212 additions the number is divided among the local churches as follows:

- Baptist, 114. (68 by baptism.)
- Methodist, 89.
- Christian, 16.
- Presbyterian, 5.

The cash offerings during the revival amounted to \$1764.00, this being the largest cash offering ever taken at a revival in this city. Of this collection \$902.00 was taken in the nightly collections which went to defray the expenses of Mr. Crimm's assistants, incidental expenses and railroad fare of the evangelistic party. \$862.00 was given Rev. Crimm as a free will offering in token of appreciation for his services in the meeting.

Klansmen Appear Sunday Night.

Quite a little interest was occasioned Sunday night when the largest crowd during the entire revival witnessed the visitation of 11 robed klansmen who made a cash offering of \$50.00 to Mr. Crimm. Just after the conclusion of the song service and before the sermon, 11 klansmen entered the tabernacle from the east door and in single file marched down the aisle to the rostrum. Three of the number mounted the platform and handed Rev. Crimm a letter containing a check for \$50.00. The letter, afterwards read by Rev. Crimm, stated that they endorsed his preaching during the revival, and also gave the principles of the Klan, in which were included: "Sanctity of the Home," "Protection of Women," "Love of Country," and "Religious Freedom."

Before retiring the spokesman for the Klansmen made a short talk on the principles of the organization, prayed a short prayer and led by Mr. Roth, "America" was sung.

After the Klansmen had filed out Rev. Crimm expressed his appreciation of the gift and stated that he stood for all the principles enumerated, after which he began his evening sermon. This was the first public appearance of robed klansmen in the city.

Messrs. Roth and Christiansen, of the evangelistic party, left Monday for Goldthwaite and Rev. Crimm, wife and daughter, left Tuesday for Goldthwaite, where a revival was begun last Sunday.

The AMERICAN TOBACCO CO.

REP. McDANIEL IS OPPOSED TO INCOME TAX BILL

Editor Goldthwaite Eagle,
Goldthwaite, Texas.

Dear Sir:—

To my constituency I wish to state that I am unalterably opposed to the Dinkle Income Tax Bill and the bill creating a Board of Equalization. These bills were both killed in the second called session, but the Board of Equalization Bill was introduced again shortly after the beginning of the third called session, and this morning, May 18, the Dinkle Income Tax Bill, being House Bill No. 30, after having been re-drafted, was placed on first reading.

I consider the Dinkle Income Tax Bill, if enacted into law, will impose a double taxation, which is unfair and unjust; and my reason for opposing the creation of a Board of Equalization is that it would take the power of equalizing taxes out of the County Board of Equalization and place it in the hands of a State Board which would have supervisory control over the County Boards and the equalization of taxes on all property within the state. This, to my mind, not only incurs an unnecessary expense, thereby placing an extra burden on the taxpayer, but is contrary to a real Democratic form of government by not allowing us local self-government.

Very truly yours,
A. L. McDANIEL.

P. S.—Another reason of mine for opposing the creation of a State Board of Equalization is that if one wanted to contest the decision of the local board they would have to come to Austin for redress against the board, which would entail a lot of trouble and expense; whereas, if the authority is kept within the county in which the property in question is located one could have redress within his own county.

CARTER RAHL DIES OF INJURIES.

The following item, taken from a Wichita Falls paper, will be of interest to many in Mills county. Carter Rahl was a nephew of Messrs. Jas. P. H. Sam and Will Rahl of this place:

Carter B. Rahl, aged 27, local oil operator and former soldier, died at the local hospital at 9 a. m., Monday following injuries sustained on the Henrietta road when he and several other men drove into the ditch at dead man's curve Friday night. Mr. Rahl suffered a fractured skull and an operation was necessary to remove clotted blood from his brain. There was little hope for his recovery from the time of the incident, the injured man never regaining consciousness.

The deceased is survived by his widow, formerly Miss Loretta Garrison of this city; a brother, O. L. Rahl, 2014 Elizabeth street; his mother, Mrs. H. Gordon Cross, 802 Brook street; and a sister of this city.

Funeral services will be held this afternoon at 1 o'clock from the home of Mrs. Cross on Brook street with Dr. C. M. Simpson officiating. Burial will be in the Riverside cemetery with the Pat Carrigan post having charge of the services at that place, the deceased having served two years in the local company, 142nd, 36th division, during the war and seeing service overseas.

All pall bearers and members of the gun squad who are to attend the funeral are to meet at the Legion hall at 12:30 this afternoon, from where they will go in a body to the service.

A. J. HARRISON IS APPOINTED POSTMASTER

A. J. Harrison will take over the duties of postmaster at Goldthwaite June 1, R. F. McDermott having sent in his resignation some time ago.

Mr. McDermott stated that his farming and stock raising interests demanded all of his attention, and that while holding his present position he did not have sufficient time to take care of them. He has made an exceptionally good postmaster, treating every patron with courtesy and consideration.

Mr. Harrison is thoroughly familiar with the duties of the Goldthwaite postoffice, having held the position as postmaster for several years heretofore, and the people may with assurance expect the same dispatch and service they received when he held the position before.

D. E. HOPKINS DEAD.

Last Friday night, May 18, at about 11 o'clock, D. E. Hopkins, one of the pioneer citizens of Mills county, passed away. Mr. Hopkins had been suffering for some time with blood poison, contracted while attending the U. C. V. reunion at New Orleans, which finally caused his death. The funeral services were at the Baptist church last Saturday afternoon at 3 o'clock, Rev. F. A. Tippen and Rev. D. I. Haralson conducting them. At the grave side Hon. P. H. Clements made a short address.

"Dad" Hopkins was at Goldthwaite when there was only one store and three residences here, and he had lived here continuously ever since. He was the first carpenter in Goldthwaite, having erected the first building here, and followed the carpenter trade until some months ago, when he retired and spent the remainder of his life living with his daughter, Mrs. W. L. Brinson, and family. He was a member of the Baptist church, a man of strong upright convictions, and one who lived up to his ideals.

He leaves three daughters, Mrs. J. R. Bodenhamer, Mrs. Willie Albright, and Mrs. W. L. Brinson, and two sons, J. B. and Lev Hopkins, besides other relatives.

The Eagle joins the many friends of the bereaved ones in offering condolence and sympathy on account of the bereavement.

A TRIP TO PRIDDY—RICH COUNTRY — CROPS BEST THAN IN RECENT YEARS

Tuesday morning of this week, Messrs. W. P. McCullough and R. P. McDermott, representing the Mills County Chamber of Commerce, County Commissioners L. B. Burnham and J. B. Renfro J. C. Street and C. T. Wilson left in Mr. McCullough's Buick for Priddy to inspect the roads between Goldthwaite and Priddy, with a view to placing them in first class condition in time for the movement of oats, which will start to this market within the next twenty days.

Notes were taken on the bad places and those needing immediate repair. Six places were found to need work between Goldthwaite and Lake Merritt school, this section being in the precinct under the supervision of Commissioner Burnham. Mr. Burnham stated he would begin work on this end of the line Thursday of this week. A short section between Lake Merritt and the Priddy mountain, in Commissioner J. W. Head's precinct, was found to need some work. Five culverts on the part of the road lying in precinct 3, coming under Mr. Renfro's supervision, he found need to be taken up and dips made. Mr. Renfro stated he would begin work on the worst places next Monday on his part of the road, which extends on to the thriving town of Priddy. Several bad mud holes were found between the mountain and Priddy, which Mr. Renfro will fix next week.

In precinct one, it was discovered that grading done seven years ago by Commissioner A. D. Karnes was still in first class condition, Mr. Karnes' work being complimented by all.

It was also noted that a long section of the road in precinct 3, about three or four miles in length, could possibly be made the best section of road in Mills county if the brush were cut out and a little grading done. In some places the ditching was found to have washed away and the water had been running down the public road.

It was the opinion of all that a split-log drag, which can be made for \$10 each, if run over the road after each rain, would materially aid after grading had once been done.

Two wagons and one truck coming from Priddy to Goldthwaite were passed on the road.

A mud hole, which was said to have always been impassable after a rain, about three miles this side of Priddy, was the worst place found on the road. Commissioners Renfro and Burnham stated this place could be perma-

MILLS COUNTY LAW ENFORCEMENT LEAGUE

There will be a meeting of the Mills County Law Enforcement League at the court house Saturday afternoon, June 2, at three o'clock. There is to be some very important business to come before the League. The time is already here when we need to show our colors in regard to the violation of the laws of our country. Every citizen of Mills county is urged to attend this meeting. Mills county is just what her citizenship makes her. We are expecting a record crowd at this meeting.

A. R. WATSON, Chairman.

nently fixed with very little work, it being only about 50 yards long.

Some of the finest wheat and oats and the prettiest young cotton ever seen in Mills county was found on the farms of Adolph Nieman and the farms belonging to Miss Annie Pfluger of Chicago, Illinois, and on the Schuster place, all being beside the road. The oats on the Pfluger place were examined and it was estimated would make from 65 to 90 bushels to the acre. Oats there are nearly ripe and will be ready for cutting next week.

Arriving at Priddy, good roads were talked to C. F. Jeske, Marion Cockrum, merchants there, and Messrs. Adolph Nieman, Albert Hopper and Adolph Tieman, three of the most prosperous stock farmers in the county. These men were enthusiastically in favor of a better road to Goldthwaite, Mr. Hopper stating what was needed most was some hard work in place of a whole lot of money. It was ascertained that many people were making Goldthwaite their trading point, regardless of the roads, and that practically all would come here if a first class road was built and maintained, the citizens stating they could get more for what they had to sell and buy what they needed a little cheaper in Goldthwaite than at other trading points. It was the opinion of the citizens of Priddy that, since the Priddy precinct paid more taxes to the county than any other, except Goldthwaite, Priddy was entitled to a road to the county capital.

After lunch the party drove to the stock farm of John Schlee for the purpose of talking good roads. Mr. Schlee owns one of the best improved stock farms this writer has even seen anywhere, with several large barns, implements sheds, etc. The house on this farm is equal to any in Goldthwaite. Everybody in Mills county should inspect the stock farm of John Schlee at Priddy.

Mr. Schlee gave his opinion that the people of Priddy wanted a first class road to Goldthwaite, and that as soon as they got caught up with their work, the Priddy citizens would do their part in the matter. Mr. Schlee offered to donate \$25 to the work now, and give it his personal attention as soon as crops were laid by.

At a called meeting of the Mills County Chamber of Commerce Tuesday afternoon, after reports of the committee and the County Commissioners were made a resolution was adopted asking the commissioners to call on the Chamber for financial assistance, if needed, after they had spent the road's share of money on the Priddy road. A vote of thanks was offered Messrs. Burnham, Renfro, McCullough and McDermott for their interest shown in the matter.

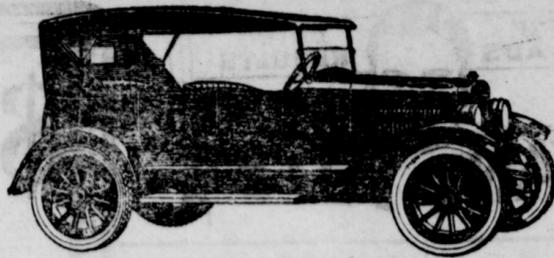

Work will be in full sway on both ends of the Goldthwaite-Priddy road by the first of next week.

Mrs. Joe Taff of Galveston arrived Wednesday morning for a visit to her sisters, Mesdames Oltroggie and Fox, of this city.

Mrs. M. M. Weathers left Wednesday morning for a visit to her daughter, Mrs. W. A. L. Graves, and family at San Antonio.

Mrs. S. E. Hester left Thursday morning for a visit to relatives in Lometa.

Miss Lizzie Vann ordered the Eagle sent to her sister at Kerrville this week.

Crimm Evangelistic Revival.

The revival at the Baptist tabernacle is in full swing. The largest crowds in the history of Goldthwaite are attending the meeting every night. Mr. Roth with the assistance of Mrs. Fred Martin and others, has organized the largest choir Goldthwaite has ever had. The singing itself is worth going miles to hear. Crimm is the most forceful speaker and the hardest sin hater that we ever heard. He speaks exactly what he thinks. He preaches to please God. How we should thank God for man that will tell us of our sins. He takes the hide off of preachers and everybody alike. At the same time he weeps with us over our sins and mistakes. He has a love for lost people that few preachers have. No man can hear him preach without being touched by his big old heart of love and compassion for lost men. He lets people know that they must be willing to give up their sins before God will save them. He preaches no hold up your finger religion. He emphasizes old time repentance Holy Ghost religion. His message on prayer at the day services are wonderful. If the Christian people will meet the conditions of prayer we will take Goldthwaite for Christ in three days. How our hearts were broken up as he brought the message of the Consequences of Sin Thursday night. The picture that he depicted of Hell was enough to melt hearts of stone. How people did weep because of the awfulness of sin. If unsaved people go through this meeting without surrendering to Jesus, will they ever have such an opportunity to be saved any more? God only knows. We believe that the walls of sin are going to fall down. We can't afford to let the meeting fail. There is too much at stake. God's people are getting right. They are confessing their sins one to another. Nearly 100 people are attending the prayer meetings. We ought to have 200 attending these services the last week of the meeting. People are coming from Brady tomorrow to attend the meeting. For Christ's sake we must win in this campaign. God is depending on us, and surely we are not going to quit on God. The Lord will hear and give us the victory, if we press the battle to the gates. We should have at least 300 in Sunday School tomorrow. Be there at 9:45. Show your colors. God needs you as never before.
