## ELAM KELLY'S BOND SET AT \$1500 LAST SATURDAY; WAS QUICKLY MADE

The preliminary trial of Elam Kelly for the killing of Day Fessler at the Ware ranch Friday morning of last week, was set for 1 o'clock last Saturday. The district court room was filled with spectators even before the hour set for the trial and every available inch was taken at 1:30 o'clock. However, District Attorney Few Brewster, representing the state, and Judge J. C. Darroch, representing Mr. Kelly came to an agreement whereby preliminary trial was waived and Mr. Kelly's bond set at \$1500. The bond was quickly made.

Mr. Kelly was released from jail Saturday afternoon and is now visiting with relatives.

## McCORMICK-DEERING DEMONSTRATION BROUGHT LARGE CROWD TUESDAY

The McCormick-Deering Tractor Demonstration at the Sam Sullivan place on Parker street Tuesday attracted a very large crowd of interesting spectators. This demonstration which was well advertised, was for the purpose of showing the cheapness of operation of the McCormick-Deering Tractor, and had the added interest of prizes having been offered to those guessing the time it took to plow an acre of ground and the amount of kerosene consumed.

The prize winners were:  
Time:  
H. E. Doggett, 1st prize.  
D. L. Wheeler, 2nd prize.  
Clyde Cockrum, 3rd prize.

The actual time necessary to plow an acre was 67 minutes and 27 seconds.

Amount kerosene used:  
J. T. Morris and W. Hiller, 1st prize.

J. A. Williams and W. C. Stark, 2nd prize.

L. E. Miller was official time-keeper.

E. T. Fairman, local agent for the McCormick-Deering tractor, made possible the demonstration, and his far-sightedness and advance business principles will no doubt favorably impress the big potential tractor market here.

## MASONIC SERVICE PROGRAM GRAM DRAWS MANY VISITORS HERE WEDNESDAY

Many visitors from Mullin, Moline, Center City, Star and other Masonic Lodges of this and surrounding counties were present at the Masonic Service Program rendered at the Dixie Theatre in this city Wednesday evening, under the sponsorship of District Deputy W. C. Dew.

Brother Wilbur Keith and Judge Hiram Lively of the Grand Lodge Masonic Service Association of Dallas had charge of the program, and both delivered lectures that were interesting and instructive to the Masons present. Three reels of motion pictures were thrown on the screen, two of which showed the various homes for dependent Masons in Texas and what this great organization of men is doing in this state for its widows, orphans and dependent brethren. The other reel was a patriotic picture entitled "Hats Off!"

The lectures, as well as the pictures were much enjoyed by all present, and a rising vote of thanks were given to all who had a part in putting on the program and bringing it here. Refreshments were served by the local lodge.

## TEXAS COTTON REPORT FOR AUG. 1—66 PER CT.

(By U. S. Dept. of Agriculture, Austin, Tex.)

The August 1 condition of the Texas cotton crop 66% of normal, 3 points below the figure of July 16 and 5 below the condition on July 25, 1923. Based upon the condition 67.4 of normal on Aug. 1, the crop of the United States is forecast at 12,251,000 bales of 500 pounds gross weight. Last season 10,128,000 bales were made. The census report shows 21,924 running bales ginned prior to August 1 compared with 64,381 bales ginned to this date in 1923.

In the report of H. H. Schutz, statistician U. S. Division of Crop & Livestock Estimates, it is pointed out that it is usual for the Texas crop to show a decline of 5 points on an average during July and as much as 10 to 12 points reduction during August. The dry season became pronounced last year several weeks earlier than it did this season, May of 1923 showing a rainfall shortage of 1.71 inch, whereas this year May had 0.68 inch more than the state normal. June, 1923, had a deficiency of 0.23 inch and June, 1924, a shortage of 1.07 inch. July and August of last year also failed to come up to normal, and the July just ended was very dry except for scattered rains or showers. It can hardly be said that one-half of the crop made favorable progress during the period since the last report; a large proportion is at a standstill or is failing. Last year at this time, conditions were fairly similar and while rains fell during the second and third weeks of August, it remained until the last week before the dry spell was effectively broken. In the main, while the condition of

the crop in Texas had gone down to 55% of a normal, yet after the rains came, notwithstanding the onslaught of millions of weevils and leafworms, many thousand bales were added to the August 25 indications.

Conditions are extremely spotted and there are very few counties that are not feeling the effects of the lack of rain. Heavy soils have cracked open and the plants are wilting during the heat of the day. Considerable shedding of leaves, forms and small bolls is also taking place, while premature opening of bolls is becoming common. First bales are coming in from one to two weeks later than in 1923. Blooming in the top is noticeable in all but the favored sections. The weevil has not done material damage except in seven of the southern counties and is present in larger numbers than last year only in parts of 43 counties, the other counties reporting fewer. Grasshopper and "flea" activities show a decline, while the leafworms which are present in a few localities in the south have thus far not increased very much.

## DEMOCRATIC RUN-OFF PRIMARY TO BE HELD NEXT SATURDAY, AUG. 23

Next Saturday, August 23, is the date for the run-off primary election. While there is very little local interest in the race on account of the fact that there were not more than two contestants for the county offices every qualified Democratic voter should go to the polls next Saturday and cast his ballot for the state and district men of his choice.

The official ticket will be as follows:

For Governor—Miriam A. Ferguson, Bell county; Felix D. Robertson, Dallas county.

For Lieutenant Governor—Will C. Edwards, Denton county; Barry Miller, Dallas county.

**SUMMER POULTRY HINTS.**

At this time of the year, poultrymen everywhere have to contend with lice, mites, fleas, and sorehead. In every case preventatives are cheaper and more satisfactory than cures. After fowls become infested with any of these pests, it is a matter of cure.

**For lice,** use sodium fluorid which is inexpensive and may be obtained at any drug store. It should be applied by placing as can be held between the thumb and finger, among the feathers next to the skin on the head, neck, back, under the wings, on the breast, below the vent and at the base of the tail. Too much is injurious. Sodium fluoride is poisonous and should be handled with care.

**For Mites:** Clean the house, roosts and premises thoroughly, then spray the walls and perches with kerosene, crude oil or coal tar preparation.

**For Fleas:** Grease the comb and wattles of the fowls with a preparation of 1 part kerosene to 3 parts lard. Clean and spray the coops and houses thoroughly the same as for poultry mites. Wet or spray the yards or runs especially any dry soil about the poultry houses, such as dirt floors or ground underneath a board floor with a solution of salt water, which helps to keep the ground moist and prevents the fleas from breeding.

**Chicken Pox or Sorehead:** Remove all affected birds and disinfect the premises with whitewash, Bordeaux Mixture or carbolic acid. The scabs may be removed from affected parts of diseased birds by washing in warm water and soap, after which the raw surface may be painted with a solution of potassium permanganate, 1 dram in 5 oz. water.

**VERY AMUSING.**

What constitutes a Democrat? The answer to this query is varied but boiled down it simply means this: A Democrat is a fellow that votes like I do; all others are fence jumpers.

Since the beginning of the prohibition agitation, those who voted against saloons in precincts, county or state have been questioned—as to their Democracy. Early pros were practically read out of the party. Ex-Senator Bailey in a recent speech bemoaned the progressiveness of the party and in endorsing the wife of Jas. E. Ferguson for Governor, makes known the humiliation he feels in voting for a woman, says he would not do so if he didn't know that Ferguson would be Governor, in case Mrs. Ferguson was elected. The Ex-Senator is consistent in his support of his old idols and mourns that those good old Democratic Days are gone forever and instead we have prohibition and woman suffrage.

But history is still repeating itself; all these ancient antics are making a superhuman effort to regain lost prestige by trying to cover up the main issue—"prohibition in the governor's race"—by injecting the Klan issue; he not deceived; find out where all the unalterable WETS are, and govern yourself accordingly.

But it is amusing to be told that you are not a good Democrat by one who voted for FARMER JIM when he ran on the AMERICAN PARTY ticket and again support him in both primaries two years ago and in the fall support a Nondescript Democrat, endorsed by the Republicans. Some consistency! Great Democrats!

Again the Republican Party, headed by LAND AGENT CREAGER has signified its intention of endorsing an independent Democrat in case Mrs. Ferguson is not nominated; they believe that a great number of those who voted for her in both primaries will vote for an independent in November; however, if Robertson is defeated they seem to have no plan for catching his vote.

This is a compliment to the supporters of Robertson, as it is conceded they will regard their pledge, and be good losers, accept the results and let the majority rule; hence we behold two brands of Democrats—which Brand are You?—A Voter.

**FORMER CITIZEN KILLED IN RANGER EXPLOSION**

Friends here received word last Sunday night of the death of Troy Gandy, a son-in-law of Mr. and Mrs. E. C. Miller, at 2 o'clock that afternoon. His death was caused by an explosion and fire in a casinghead gas plant at Frankell, near Ranger. Two other men who were working in the same department were killed and also another seriously—possibly fatally—burned. Mr. Miller, who was inspecting the plant at the time, barely escaped the effects of the explosion.

Mr. Gandy was buried at Frankell—his old home—and near where the plant was located—Monday afternoon at 3 o'clock.

He leaves a wife and a little 4-year-old son, a father and a mother, and several brothers and sisters, besides other relatives to mourn his death.

**FROM CALIFORNIA.**

San Gabriel, Cal., Aug. 6, 1924.  
To the Dear Old Eagle:

When I was a little girl of 12 going to school at Big Valley studying history and had lessons of the old mission of California, I did not think that I would ever see such a place; but I am here in California and look upon the old mission every time I go to the city. The street car line runs by my house here to B. V. It is a sight to see the like of people here and the beautiful sights I have seen—the ostrich farm and several other ranches, farms of all kinds of animals. Went to see death bridge; it is the largest concrete bridge in the world. And to go to the beach, the sights you do see—those big waves come in and the tide takes lost of people in if they are not careful. Seven were taken in and drowned the day I went once. They have lots of water animals on the pier at the beach that have been captured to show the people the things that live in the water. You can take rides on the beautiful water and see lots of shells and trees and animals in the bottom of the ocean.

We have lots of fruit here. I have seen big trucks filled full of oranges, lemons, apples and most any kind of fruit they have. Fruit stores here have cement floors for a long ways; have stands of fruit 4 to 5 feet high, rounded up with fruit or vegetables. Our home is in a beautiful walnut orchard; have all kinds of berries and grapes. Have beautiful climate here. I have seen only one rain, and I came here last October. I sure like out here fine. Have fine schools, churches. I went to hear Mrs. Mackaperson preach. There were 6,000 people there, and just lots turned away.

Well, I will close and if this reaches the Eagle I will write and tell more next time, for there is lots to tell.—Mrs. Mattie Cockrel, San Gabriel, Calif., R. 1, Box 701.

**WILL C. EDWARDS FOR LIEUTENANT GOVERNOR IN CITY WEDNESDAY**

Will C. Edwards, candidate for Lieutenant Governor, was in Goldthwaite Wednesday meeting with his friends. Mr. Edwards had the following to say concerning his candidacy:

"I am seeking the nomination for Lieutenant Governor for the honor and the opportunity for service it gives. I entered the race in the belief that Texas Democrats would react favorably toward a candidate who had eschewed all factional groups, whose only purpose was to serve and who would be pledged only to the service of the whole people. After advising with friends I announced my candidacy without seeking the endorsement or consent of anybody or any group.

Returns of the first primary show enough Democrats did so react as to give me, with the support of my friends, a place in the run-off, which is between Judge Berry Miller of Dallas and me. Judge Miller has said the only reason he entered the contest was that he was drafted by the Farm-Labor bloc. He has their support and their platform has his endorsement.

"As for me, I shall run in the second primary as in the first—in no alliance with any group or bloc or candidate, still holding to the belief that there are enough Texas Democrats unswayed by radicalism, factionalism or prejudice to constitute a majority. If I am mistaken, I shall be content, for I am wholly sincere in the determination to go into office my own man, with my only pledge to be fair and just to all and to give the very best service of which I am capable, or stay at home.

**The Klan.** "I have tried sincerely to avoid the injection into my campaign of the Klan issue. But I am forced to realize there are those who are making of it their political shibboleth. Therefore I say, without reservation or equivocation, that I am not now and never have been a member of the Klan. I have never applied for membership in the Klan nor paid any fee to the Klan. This in answer to my opponent's unfounded charge in his speech at McKinney. I am not and never have been a member of the Farm-Labor Union or any other organized bloc. I am simply a Democrat, who has taken his democracy straight and who has never bolted but always supported every Democratic nominee.

"I am wholly tolerant of other men's beliefs—political, religious or otherwise. The only thing in return I demand is that they accord to me the same freedom of thought and action I cheerfully accord to them.

"I am for law enforcement all down the line and opposed to lawlessness, in any form, believing in law enforcement through duly constituted authorities and nowhere else.

"I have been a prohibitionist since early manhood, supporting prohibition individually and editorially. I have advocated woman suffrage since it became an issue. I believe in an economical, efficient administration of the state's affairs and that Texas needs a better distribution of its tax burdens rather than additional taxes.

"I have made my campaign on my own qualifications and with no criticism of any opponent and I had hoped to adhere to that policy throughout, but my opponent's opening speech makes that difficult. I seek the support of the Democrats of Texas on the ground of service to the state and fairness and justice to every citizen, every section, every legitimate interest."

**THE KU KLUX KLAN AND THE GOVERNOR'S RACE.**

(By Hon. Charles F. Greenwood of Dallas.)

The Ku Klux Klan stands for all the bigotry of the old Know Nothing party and the "A. P. A." besides a boycott on men because they are not klansmen.

The issue in this contest is not prohibition, it is not taxation, it is not whether a man or a woman should be nominated for governor, candidates being but mere incidents; it is not whether Robertson is an anti or a pro. These matters however important in ordinary circumstances, are utterly insignificant when compared with the real and vital issue at stake. Reduced to a simple and concrete statement that issue is whether we are to have a government of the people, by the people and for the people or a government of the klan, by the klan and for the klan.

This can not be evaded, disguised or covered up. Our side did not make it, but we must face it or surrender. If the Ku Klux Klan should win this election it will have a strangle-hold on the state government. Think of the vast patronage in the hands of the Governor — appointments of heads of various departments with all their employes, the penitentiary appointments and state rangers, the various eleemosynary institutions, the state purchasing agent and Board of Control with millions involved in contracts for supplies; the appointment of judges where vacancies occur, and the hundreds of other appointments that the Governor can control.

If the Ku Klux faction should seize the state government, the people can depend on it that they will establish a Ku Klux machine from one end of this state to the other. If they should win this election they will construe their victory as an indorsement of their methods and we may expect a repetition and continuance of them.

There is no room in the contest for neutrality. The time to act has come. Eighty-eight years ago the heroic patriots of Texas on the historic battle field of San Jacinto broke the yoke of an alien enemy and delivered Texas from bondage. We are now called on to save the state from the yoke of emperors, wizards, dragons, goblins, kleagles and night hawks. This election involves the life, liberty, peace and happiness of our people.

Let the watchword be: "Organize and Vote, Organize and Vote, Organize and Vote." Every county should be organized at once. Men and women who understand the issue should talk to their friends in sober earnestness. This is the second battle of San Jacinto, but will be fought with ballots and not with bullets. The Democratic voters of Texas should demand to know how each candidate stands on the Ku Klux issue and should take no evasive answer. I congratulate the patriots in all counties who have already organized, but there is more work yet to be done. Victory is in the air. Let us vote the ticket straight from Mrs. Ferguson for Governor on down the line. Our victory means a return of peace and good fellowship and will proclaim to the world that blood-bought Texas stands for constitutional government.

Mr. and Mrs. Joe Evans attended the San Saba Fair this week and visited with Mrs. Evans' father, Dr. Berry.

**SILVER WEDDING ANNIVERSARY**

One of the outstanding social functions of the county was last Sunday when Mr. and Mrs. F. W. Limmer celebrated their silver wedding anniversary at their home four miles west of Priddy. Rev. Rudolph Baker performed the beautiful ceremony.

The entire community was present at the function, which was held in the beautiful new Limmer home as well as several visiting ladies from Hamilton county. The ceremony was performed at 3:30 o'clock last Sunday afternoon, the wedding march being played by their daughter, Miss Leila Limmer. Delightful refreshments were served and that evening a fine supper was spread for all the visiting guests, which was much enjoyed by all.

Mr. and Mrs. Limmer have resided at Priddy since their marriage. Mr. Limmer was raised in Hamilton county and moved to near Priddy over 25 years ago. Mrs. Limmer was raised at Priddy. She is the daughter of Mrs. Gemaltzke of that place.

Mr. and Mrs. Limmer have seven children, the oldest two being married. They are: A. A., W. W. and Paul Limmer and Misses Leila, Wanda, Welma and Viola Limmer.

The Eagle joins their many

friends in wishing them many more years of life.

**DOCTORS AND NURSES ENJOY OUTING.**

One of the biggest outings of the season was enjoyed at Lake Merritt Saturday and Sunday when Dr. and Mrs. J. M. Campbell of Goldthwaite entertained the doctors and nurses from Scott & White Hospital of Temple.

At 1 p. m. Saturday 10 cars left Temple bringing fifty people. The first cars began arriving at Lake Merritt at about 6 o'clock, and soon the whole place was filled with echoes of voices and laughter as they met old friends and made new ones. The cool waters of Lake Merritt appealed to the visitors all the more, after their long, hot dusty ride, and soon all were enjoying its cool embrace.

At 9 o'clock a supper call was heard and was greeted by a merry whoop from the crowd, for no doctor or nurse ever turns down an opportunity to eat, and then if actions speak louder than words then Dr. and Mrs. Campbell and all the other good people who had gathered together and spread such a wondrous feast need no spoken words. After this all drifted back to the cool waters' edge, and all seemed unable to resist so another plunge was enjoyed. Late into the night the jolly crowd kept up the merry making of the evening, until one by one they would drift away hunting a quiet nook where they might sleep. At last all was quiet until 5:30 when the usual racket of campers refreshed after a few hours sleep in the open began. Then many took the opportunity to take a 6 o'clock plunge. Then breakfast, and such a spread! No one could beat it and neither could our appetites be beaten.

The day was filled with swimming and games of all kinds.

About 1 p. m. again we were called to eat, and it looked like the old-fashioned camp meeting spreads; even after we had finished there was more.

The Temple people have decided anyway Mills County has the best people and the best eats to be found.

Miss Geneva Smith, who is home on vacation, joined her friends there, and no one enjoyed it more than she.

**CHURCH OF CHRIST.**

We want to inform the people of Goldthwaite about our having moved to Ranger, Texas.

After two visits with the congregation at Ranger, we have found that it is a field where we can do more for the cause of Christ than here.

Elder T. L. Allen of Brooksmith will preach here Sunday. He is an elderly man of much experience in preaching and debating.

We are hoping that the congregation will persuade Elder Allen to live in Goldthwaite.

Yours in hope of eternal life,  
HOMER DAVIS.

Mr. and Mrs. J. R. Ervin and two little daughters of Ranger came in Monday for a two weeks' visit with his parents, Mr. and Mrs. J. L. Ervin, and family and other relatives.

**HELPFUL WORDS.**

**From a Goldthwaite Citizen.**  
Is your back lame and painful? Does it ache especially after exertion?

Is there a soreness in the kidney region? These symptoms suggest weak kidneys.

If so there is danger in delay. Weak kidneys get weaker fast. Give your trouble prompt attention.

Doan's Pills are for weak kidneys.

Your neighbors use and recommend them. Ask your neighbor!

The doctors present were: Dr. and Mrs. Brindley and three sons, Dr. and Mrs. Scott Jr. and daughter, Dr. and Mrs. Johnson and son, Dr. and Mrs. McLean, Dr. and Mrs. Coleman, and Doctors Paul Brindley, Pruett, Basal, Duboise. The rest were nurses and employes of the hospital. So here's 15 rahs for Dr. and Mrs. Campbell and all the rest of our good friends who assisted in the wonderful outing.—A Visitor.

Read this Goldthwaite testimony.

Mrs. J. E. Lindsay, says: "I had such pains in my kidneys I could hardly get around. When I stooped I could scarcely straighten as the drawing pains were awful. I had headaches and was so nervous I couldn't stand the least noise. My hands and feet swelled twice their size and I was annoyed by the irregular action of my kidneys. Doan's Pills took all the swelling down and stopped my back from hurting. I haven't had any return of the trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Lindsay had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—8-16.
