

OUR NEW PRESS
The Eagle, fulfilling the promise made to the readers by the present owners when they bought this paper, has installed a larger, faster, and better newspaper press. This installation became necessary on account of the increasing support offered us by the reading public and those merchants who recognize the advisability of using these columns.

COMMUNITY NEWS
The Eagle has one of the liveliest bunch of community correspondents to be found anywhere, and for these it is truly grateful. However, there are communities in this territory from which the Eagle is not getting the news regularly. It wants all the news, from every section, and will furnish stationery and stamps free to the person who sends in the news.

GOLDTHWAITE, MILLS COUNTY, TEXAS, SATURDAY, DECEMBER 27, 1924.

No. SIXTEEN.

NEWTON'S CHRISTMAS-NEW YEAR'S GREETINGS.

It seems fitting at the end of three and one-half months' running of the schools for the year 1924-25 that we should send a word of greeting and information to the patrons of the school. We have enjoyed a very harmonious session of school so far, for which we extend our appreciation. We are also wishing for both patrons and pupils a joyous Christmas season and a happy and prosperous new year.

We have continuously striven to attain to a higher standard of efficiency in the work of the school. We are still committed to a constructive policy. To accomplish this purpose there are some very definite things which the patrons can do to assist. One of these things is seeing to it that children carefully prepare their work each day. Although much good work has been done, few have done all they could have done. We believe that we may have a higher grade of work done in the Goldthwaite schools if we all work together; this, I believe, we shall do. Also parents can assist in relieving the school of tardiness, absence and low grades in department.

The schools are sorely in need of some physical improvements. These needs are well known to the community. Among these necessities are an auditorium in which entertainments such as are conducive to the development of talent, proper display of school accomplishments and to the entertainment and recreation of the public. We also need a larger and better equipped study hall for the high school. We believe our enterprising citizens are cognizant of these needs and that in their minds will be ere long plans devised by which they may be provided. We like Goldthwaite, we like her people. They are friendly, courteous and enterprising. For these reasons we wish to do whatever we can to make the school do its part in making our community what it should be—the leading community in this section of country.

Your friend,
D. A. NEWTON.

ROCK SPRINGS.

Editor Eagle:
My, what an awful cold spell we had last week. We hope it found every grasshopper's hiding place and every other bug that eats the crops up. We hope for a good rain before it clears up. I'm sure Santa won't mind the mud.

Miss Johnnie Belle Circle has been sick again. She is better at this writing.

We had Sunday School and B. Y. P. U. Sunday.

Mr. J. W. Roberts has been sick enough to call Dr. Campbell this week. We hope him a speedy recovery.

Misses Minnie Hill, Ethel McClary, Melba and Joyce Cokrum visited in J. C. Stark's home Sunday afternoon.

Our school didn't turn out until Tuesday. Will take up again the fifth of January.

Mrs. Eula Nickols and Elizabeth spent Sunday afternoon visiting Mrs. Millie Hutchings and Miss Bossa.

Mr. Walter Robertson and family have moved to the Weatherby farm for another year.

Miss Selma spent Saturday night with Miss E. B. Dyches.

Mr. and Mrs. Sam Self spent Sunday afternoon at Mr. Lula Gatlin's.

We wonder who will be our neighbors on the Roper and Lonis farms.

Last week was hard on our mail carriers. How many of Xmas day will remember them for good to eat?

Mrs. Claud Holley of Snyder is visiting her mother, Mrs. Nickols.

Mr. Marion Robertson now rides in a finer car; it is an Overland.

Miss Love Gatlin will spend her vacation at home.

We wish the Eagle a Merry Xmas and a Happy New Year.—Santa Claus.

MODERN WOODMEN TO HAVE FREE ENTERTAINMENT

The Modern Woodmen of America will present free on Wednesday night, Jan. 7, a most heart-touching drama taken from life as it is, "The Hour's Glass." There will be music and speaking by Hon. Judge W. V. Dean, Hon. Judge W. A. Smith, of San Saba, and others.

There will be a public reception of officers and entertainers. The play is presented at the 7:30 p. m. Wednesday. The general admission is free.

Editor Eagle:
Goodness, we are surely having some winter at last.

We didn't have Sunday School last Sunday.

Lenvil Calder visited his sister, Mrs. Monroe Spinks, Saturday and Sunday.

Mr. Walter Brown has moved his family into our community. We welcome them.

Miss Inez Spinks spent last week visiting Mr. and Mrs. Marvin Spinks of Rock Springs.

Miss Nola Davis visited Mrs. G. E. Shuffield Monday.

Verne French is quite sick with pneumonia.

Mr. Walter Comer of this community and Miss Myrtle Huffman of Trigger Mountain were married Sunday afternoon. They will make their home in that community.

Miss Mattie Sides is spending the holidays with homefolks near Lometa.

Miss Irene French is visiting her parents, Rev. L. W. French, this week.

Miss Beatrice Davee of Clyde, Texas, visited Miss Nola Davis lately.

Sunday will be Rev. L. Hays day to preach. There will be dinner on the ground. Every one come and bring some one along.

We didn't have our Christmas tree on account of it being so cold and so much sickness in the community. New Year.—Happy.

OEBENHAUS-STEPHENS.

Ernest Obenhaus of the Liberty community and Miss Willie Stephens of Abilene were united in matrimony's holy bonds at the residence of Rev. R. R. Cumble in this city Sunday evening, Dec. 21, Rev. Cumble officiating.

This happy young couple will make their home in the Liberty community.

Mr. Obenhaus is a son of Mr. and Mrs. E. A. Obenhaus, who live a few miles east of town, and is widely known in this section. His bride is a daughter of Mr. and Mrs. Stephens of Abilene.

The Eagle joins with friends in extending message of congratulations to this young couple.

Mr. Clyde Weaver of Abilene left for his home here with his family Sunday evening, W. P.

Miss Irene French is visiting her parents, Rev. L. W. French, this week.

NOTICE TO TEACHERS.

At a meeting of the Mills County League directors Saturday, Dec. 13, 1924, it was decided to hold a noon-day luncheon in Goldthwaite on January 3, 1925. Every teacher in the county is to be invited to attend this luncheon, and a program is to be had for the purpose of furthering league interests, and to get before all the teachers helpful information concerning the County Meet. It is to be hoped that the plan will meet with the approval and support of every teacher in the county.

The following committees were appointed:

Committee on arrangements for the luncheon: Mr. C. M. Hicks, chairman, Mr. Barkley O. Mullin, Mrs. Joe Palmer, Miss Agnes Newton and Mrs. Robertson of Big Valley.

Committee on finances—Mr. John Patterson, chairman, Mr. Hancock, Mr. Washburn, and the principal of each school is to compose a subcommittee on finances.

Committee to arrange program: Supt. D. A. Newton, chairman, Supt. Robertson, Big Valley, Supt. Clendennen, Star.

A committee consisting of Mr. Newton, Mr. Robertson, and Mr. Weaver was appointed to get the plan before the teachers.

Mr. Weaver was also elected toastmaster for the occasion. Every teacher in the county is to be invited to attend this luncheon. Please see that you do not neglect your part.

Yours for an A-1 county,
W. S. Wheeler,
Director.

REV. UMPHREY LEE GRADUATED FROM S. M. U. 1916

The following article, written by W. Harrison Baker, and appearing in the Southern Methodist University Ex-Students Magazine, will be of interest to many readers of the Eagle. Rev. Umphrey Lee is a son of Rev. Josephus Lee, pastor of the Goldthwaite Methodist Church. The article follows:
One who has already arrived ought to hold more interest than one who is coming. Let it get out on a preacher that he is one of the "Coming young men of the church," and he is hopelessly ruined. Usually he spends his life coming and that is all. We are a little bit interested in what one can do, but what one does furnishes better reading.

While Southern Methodist University is young in years, and cannot point with pride to her United States Senator and Governor graduates, she has on her roster of Alumni men and women who have attained worthwhile mention. There shall ever be linked with the history of our University the life and character of Umphrey Lee.

Though the Lone Star State is blessed with his service, the Hoosier State is honored by his birth. It was in Indiana that he began his educational career, but serving the proper time, he was passed to the high school of Missouri, and raised to the sublime degree of a collegian in Texas, at Daniel Baker, Brownwood, and Trinity University, Waxahachie.

When Southern Methodist University opened in 1915, Umphrey Lee was one of the first to matriculate in the Post-Graduate Department. Here the Master of Arts Degree was conferred at the close of the University's first year. School life has many angles. The side shows are sometimes more interesting than the main ring. The student must decide what he can do, and what is to be left alone. At the beginning of the school there was no Students Association—in fact, no organized college life, for it was a student body made up from the former matriculants of the colleges and universities of the Southwest. Precedent had to be made, not follow-

work out a plan of student life and activities that would suffice for the years to come. This man who had participated in the student activities of other universities was elected as the first President of the Students Association of Southern Methodist University. He was the guiding hand behind the splendid organizations that function at the University today.

The school year 1916-17 was spent in Columbia University, specializing in Modern Church History. He also has credit for work done in the University of Texas and for work done in Columbia in 1922.

The following churches have served by him: Camp Pastor Worth; Cisco and Ennis in Texas Conference. He was director at Highland Park, and at the enviable record—popular with the faculty and the land Park.

The pastor in finding a man who is to come, here giving account of one who has never had of idleness.

Last, Mr. Lee may be seen at Gatesville, Texas.

REMOVAL NOTICE.

Dr. Em. Wilson will move his Dental Office to the new Eagle Office building about Jan. 1, 1925.

GLYCERINE MIXTURE PREVENTS APPENDICITIS

Simple glycerine, buckthorn bark, etc., as mixed in Adlerika, is excellent to guard against appendicitis. Most medicines act only on lower bowel but Adlerika acts on BOTH upper and lower bowel and removes all gasses and poisons. Brings out matter you never thought was in your system. Helps any case gas on stomach in TEN minutes. — Hudson Bros., Druggists.

NOTICE.

To prevent fires is a duty every one should try to fulfill; (1) because property consumed by fire is forever lost; (2) because fires consume annually in the U. S. more than one half billion dollars worth of property; (3) because fires destroy property which in many instances can not be replaced; (4) because some 15,000 people are burned to death annually in the U. S.

During the holidays we are prone to be more or less careless about the use of fire works. Then let me insist that we be careful, for we know not whose life or whose property will be the next to be claimed by fire.

W. D. CLEMENTS.

Children's Fatal Diseases.

Worms and parasites in the intestines of children undermine health and so weakens their vitality that they are unable to resist the diseases so fatal to child life. The safe course is to give a few doses of White's Cream Vermifuge. It destroys and expels the worms without the slightest injury to the health or activity of the child. Price 35c. Sold by Hudson Bros.

On account of needing more room we are making special price on cotton seed hulls and hay. Ask us.—Ross & Edwards

We will appreciate a share of your produce business.—Ross & Edwards.

This is what Umphrey Lee has done, and is doing at the present time. The fine citizenship of Highland Park and the community of the University have been brought to gether in a common task, and soon by the inspiration of the man in the pulpit, together with the members of the Highland Park Church, some of whom are the fine business men of Dallas, a church building will rise out of the ground a monument to an S. M. U. graduate.

One of the students, a Junior, said to the writer: "Sunday is now a joy to me. My first morning thoughts are of the inspiration I shall receive from the sermon at the Highland Park Church delivered by the pastor, and I am always disappointed when a visitor fills the pulpit." A member of the North Texas Conference says: "He has the language of Woodrow Wilson, the soul of the poet, and the Message of Prophet."

It is a genuine joy and labor of love to use the small space allotted in a sketch of a loved college mate—to write of a man who is to come, here giving account of one who has never had of idleness.

Last, Mr. Lee may be seen at Gatesville, Texas.

NOTICE.

The regular annual meeting of the stockholders of the Goldthwaite National Bank will be held the second Tuesday in January, 1925, in their banking house, for the election of five directors for the ensuing year and the transaction of such other legitimate business as may be necessary. HELPFUL WORDS.

From a Goldthwaite Citizen.

Is your back lame and painful? Does it ache especially after exertion?

Is there a soreness in the kidney region?? These symptoms suggest weak kidneys.

If so there is danger in delay. Weak kidneys get weaker fast. Give your kidneys prompt attention.

Doan's Pills are for weak kidneys.

Your neighbors use and recommend them. Ask your neighbor! Read this Goldthwaite testimony.

Mrs. J. E. Lindsay says: "I had such pains in my kidneys I could hardly get around. When I stooped I could scarcely straighten as the drawing down pains were awful. I had headaches and was so nervous I couldn't stand the least noise. My hands and feet swelled twice their size and I was annoyed by the irregular action of my kidneys. Doan's Pills took all the swelling down and stopped my back from hurting. I haven't had any return of the trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Lindsay had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

OBITUARY.

"They that sow to the Spirit shall of the Spirit reap life everlasting."

Mr. James P. Dellis was born in the state of Mississippi August 31, 1882. Was married to Miss Kittie Rich October 7, 1901. In after years they settled in Mills County Texas. He professed faith in Christ and joined the Missionary Baptist Church in the summer of 1911, in which he remained an esteemed member until the Lord called him Home December 12, 1924. He leaves a family stricken in deepest human sorrow, consisting of wife and four children, John, Jasper, Ola Mae, and Katherine.

Bro. Dellis had served on some important committees in our church and was one of the best supporters of public schools and education in our community.

His genial and kind neighborhood had long ago won for him a legitimate place in the hearts of our citizens, as they so well expressed in constant and faithful sympathy during his long and final afflictions.

We all miss him; indeed we sadly miss him but can not impute the sad loss to the broken hearted Christian wife and dear fatherless children. The families of connection have the heart-felt sympathy of the people in their bereavement. A gracious son, a cheerful, faithful husband and a proud father has gone, leaving a void which only eternit year restore.

But we all sorrow "not as those who have no hope, for he was willing to die and even gave directions for his last resting place. Unspeakable comfort it should be to know that our good Heavenly Father can resign one to the last sad ordeal of this fleeting life. May the blessing of Him who knows best and who knows our every sorrow rest abidingly on bereft loved ones.

"The saddest mysteries we'll not disdain,
As dear ones slip from our eager hand;
For by His Grace we'll meet again,
Then by His Grace we'll understand."

L. L. HAYS.

MRS. TAYLOR DEAD.

In the death of Mrs. Caroline Rebecca Taylor, which occurred at her home on Fisher street, Goldthwaite lost one of its oldest and best beloved citizens. She was 82 years of age and had lived in Texas since 1867.

She was born in Jonesboro, Tenn., where she married C. C. Taylor, who is well remembered by many Mills County people and who died ten years ago. They had the pioneering spirit and fifty years ago had a stock ranch on Blanket Creek.

Mrs. Taylor is survived by four daughters, Mrs. Hettie and Mrs. Minnie Urbach of this city, Mrs. Polka McCord of Dallas, and Mrs. Kate Day of Bakersfield, Calif.; also by two sons, Sam Taylor of San Saba and W. D. Taylor of Frederick, Okla.

Her fortune was in her children and no mother ever had more affectionate sons and daughters than she.

Grandma Taylor will long be remembered for her cheerfulness in affliction and her kindly good nature.

Misses Edris Borden, Ellen Archer and Noma Philen, who are attending C. I. A. at Denton, came home last Saturday morning to spend the holidays with home-folks.

Miss Emily Anderson, who is attending the University at Austin, is home to spend the holidays with her parents, Mr. and Mrs. E. B. Anderson.

A CARD OF THANKS.

We wish to thank each and every one of the many friends who so kindly and lovingly administered to us during the illness and death of our beloved husband and father, son and brother, J. P. Dellis. Building Material

Winter Is Just Around the Corner

Waste will wreck any business.

Leaving valuable farm machinery exposed to the weather is bad enough at any time—worse in winter.

An implement shed will lengthen the life of farm machinery, and pay fine dividends on its cost.

Build it with dependable lumber and assure its permanence.

SMART PANTALET FROCK

The pantalet frock has attained
such fashionable dignity that no ma-
terial is too smart for its develop-
ment. Hence this design in figured
silk crepe. The lower edge of the
skirt is scalloped and bound with rib-
bon and the pantalets are finished in
the same way. The upper part of
the dress is gathered to a round yoke.
Medium size requires 2½ yards 36-
inch material and 4 yards of ribbon.

LAMPASAS COUNTY BASKET BALL SCHEDULE

I am herewith publishing the basket ball schedule for Lampasas county. At the end of Jan. 23 the four teams with the highest percentage will play for the championship between then and Feb. 7 which schedule will be given later. The girls' basket ball teams are provided for, and will go with the boys' teams and play just before the boys' games. In each case the winning teams will report the game to the athletic director. Since a number of people in the Northern part of Lampasas county will not have access to the schedule, it is therefore placed in

What the World Is Doing

Hunter Protected by Armored Suit Tells of Battle with Wolves

Details of one of the strangest experiments in the history of animal hunting are related by Stanley Clarkson, of St. Paul, Minn., who spent a winter in the Canadian wilderness seeking "hand to hand" combats with hungry timber wolves. Dressed in an armor made of heavy leather studded with 1,200 needle-sharp steel spikes, he invited attacks from wolf packs while armed only with a short double-bladed ax and a hunting knife. Although handicapped by an exceptionally open winter and an unusually large number of wild rabbits, which kept the wolves from suffering from hunger, he killed a number of the beasts with his ax. During a snowstorm on Steep Rock Lake, north of Atikokan, he was set upon by five timber wolves. He killed two of them and wounded a third. The wolves seized the hunter's arms and legs in their jaws, but could not do him injury because of the protruding spikes of the armored suit, which is made of specially tanned thick cowhide that will turn water and will not harden from rain or snow. There also is a helmet and heavy wire mask that can be raised to protect the face.

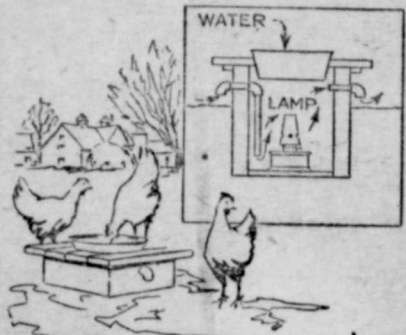

There is room enough on the platform for a number of fowls, but, because of the height of the pan above the floor, no litter can be tossed into the water.

From an 8-ounce package of Sudan grass seed sent to this country from Khartoum in 1909, what is now a \$10,000,000 forage crop has been produced in the West.

Non-Freezing Water Dish for the Poultry

A non-freezing water dish for the poultry is a necessity in all winter, and it is a simple matter to make one. As shown in the illustration, a pit is dug in the floor, and a pipe is run to a device in the room, and lined with concrete. The pipe extends upward to a height of 12 in. above the ground. Through the wall, a pipe fitted with two elbows and a long nipple is placed, while the opposite wall carries a short pipe that merely extends outside, although it may be fitted with an elbow with the outlet turned down. The outside elbows prevent dirt from being scratched into the pit. Over the opening is placed a tight-fitting wooden cover, in which a hole is cut to fit the drinking pan snugly. The heating element is an old incubator lamp. A very small flame will keep the water warm even in zero weather. Fresh air follows the long pipe to the bottom of the pit and the hot air and gases pass out of the short pipe.

Aerial Kinks

It is often quite a problem how to attach a pulley to the top of the aerial mast properly, especially if it is made of pipe. An excellent method of doing this is shown in the illustration. The end of the pipe is threaded and a floor flange with a hole drilled through it is screwed on; it

is then an easy matter to attach the pulley to the flange.

Another trouble frequently experienced is that the bridle breaks where it is tied to the rope or the rope itself breaks near this point, and both aerial and rope then come down, making it necessary to "shin" the pole to thread the rope through the pulley again. To prevent this trouble a small piece of pipe or other metal weight should be tied to the end of the rope, as shown, so that the rope cannot slip through the pulley but can be lowered and then tied to the bridle again.

Remedy for Overheating Bearings

Persistent overheating of bearings that are in constant duty may be overcome by applying a paste of flour of sulphur mixed with lubricating oil. This permits the use of an oil cup. The mixture will also be found useful on heavy-duty bearings in cam rolls and similar machine parts.

Oil the rocker arms on overhead-valve motors at least every two days. This takes only a moment and prevents wear.

TUNIC FROCK RIVAL'S COAT-DRESS

Paris is featuring the tunic ensemble frock everywhere, yet she gives ardent attention also to the coat-dress. For general wear plaids are given the enthusiastic endorsement of all designers. The left is pictured a model whose plaid combines deep blue and green. Broadcloth is used for the skirt as the lower edge of the tunic and for the collar and cuffs. Medium size requires 3 3/4 yards-54-inch material. Stripes are equally as effective as plaids and are most effectively used in the coat-dress of serge, pictured to the right. It is trimmed with a cape of self-material lined with plain crepe de Chine, also with buttons and braid. The fastening is at the left side. Medium size requires 3 3/4 yards 43-inch striped, with 1 1/2 yards 36-inch plain material and 4 yards of braid.

First Model: Pictorial Review Dress No. 2205. Sizes, 34 to 46 inches bust, and 16 to 20 years. Price 35 cents.

Second Model: Dress No. 2254. Sizes, 34 to 48 inches bust, 16 to 20 years. Price, 35 cents.

American Beauty Again Victorious
 TO OUR FRIENDS AND CUSTOMERS:—
 We are pleased to advise you that at the Texas State Fair Baking Contest, 1924, One Hundred and Twenty-eight prizes were awarded by the judges from the College of Industrial Arts at Denton, Texas, none of whom knew by whom or out of what Flour the entries were made.
 Housekeepers who used AMERICAN BEAUTY FLOUR won:
 Forty-four out of Forty-five—First Prizes
 Forty-three out of Forty-five—Second Prizes
 Thirty-six out of Thirty-eight—Third Prizes
 This Contest was open to the Flour of the world and many of the most advertised brands made by other mills were used by some of the contestants. Housekeepers who did NOT use AMERICAN BEAUTY FLOUR won:
 One First Prize; Two Second Prizes; Two Third Prizes.
 AMERICAN BEAUTY won the above prizes because good housekeepers everywhere use AMERICAN BEAUTY.
 The AMERICAN BEAUTY used by the prize winners was bought from their Grocer. Contestants are never furnished flour direct from the Mill, as the AMERICAN BEAUTY on sale at Grocers is the best flour that can be made.
 Have just learned that housekeepers who used AMERICAN BEAUTY FLOUR in the Baking Contest at the West Texas Exposition in San Angelo won thirty-five out of thirty-eight prizes.

TEXANIZING TEXAS
The unique work of "Texanizing Texas" has been set for itself by the Texas Centennial Committee of One Hundred in advance of its meeting in Austin January 19. At this meeting it is proposed to take steps toward raising a fund of \$100,000 for educational purposes for the Centennial. To those who are interested in an education, it is suggested that this is not to be an ordinary celebration, even as the Centennial vision which first comprehended it has grown until it is planned that the exposition shall be such as to place it among the great fairs of the world.

Texas has the background of historical and commercial significance to justify such plans. Here was fused in the cauldron of the primeval wilderness the destiny of a great continent. The period within which Anglo-Saxon civilization in Texas was in the making was a period of import to North America second only to that of the period of discovery. But one thing is lacking to complete Texas' equipment for making this Centennial as big as it ought to be. That one thing is the thorough understanding and the universal co-operation of the people of Texas.

In this view, the proposal of the Committee of 100 to spend \$100,000 in "Selling Texas to Texans" in advance of any permanent plans for the exposition becomes the height of good business judgment.

There is, fortunately, sufficient time to proceed carefully in maturing the plans for the exposition. The idea of a Centennial does not necessarily apply to any one date. Any time within the

The period between the first Anglo-American entry into Texas and statehood may be commemorated as well as another.

The chief matter at hand right now is to build up in Texas a public realization of the greatness and importance of the state in the past and in the present. It is to develop a Texan consciousness among Texans. When this is done, the degree of co-operation necessary to insure success of the exposition will be guaranteed. To know Texas history and its historical significance is to realize that here is something for commemorating greater and grander than that which inspired such world fairs as those at **Chicago**, **St. Louis** and **San Francisco**. — **Fort Worth Star-Telegram**.

CENTER POINT BAPTIST CHURCH PROGRAM FOR 4th SUNDAY IN DECEMBER

Programme for the Center Point Baptist Church the Fourth Sunday in December:

10:00 a. m. Sunday School. A class for every one.

11:00. Special Message by Rev. R. R. Cumbie.

12:00. Dinner on the ground. (In building if weather is threatening.)

1:30 p. m. Church roll call.

2:00 p. m. The Church Covenant by G. W. Jackson.

2:30 p. m. Enlistment Message, by Rev. L. S. Richardson.

It is hoped that every member of the Center Point Church will be present on this occasion. To those who have heard Bro. Cumbie, he needs no introduction. To know him is to love him. We are fortunate to secure our missionary for this occasion. We Mills County Baptists need to better acquaint ourselves with the kind of work he is doing. We have not just been awakened to the fact that Mills County is, within itself, a vast mission field. Our Missionary needs our best co-operation and support, and the better we know Bro. Cumbie the better we will support our local work.

Bro. Jackson, one of our splendid laymen, is known thruout the Association. He will have a great message for us on the Church Covenant.

Bro. Richardson was with us two months ago. He will have another inspiring, heart-searching message that will do us good.

Let us with prayer look forward to this day for a great spiritual uplift.—Lawrence Hayes, Pastor.

FARM HOME NEAR MARSHALL BURNS

Marshall, Dec. 14.—The home of King Foster, about two miles northwest of Marshall, caught fire Saturday morning about one o'clock and was destroyed. The family was asleep in the house and made their escape saving only a few articles.

The origin of the fire is undetermined. Loss was about \$2,000 and no insurance.

The cost of adequate protection against the hazard of FIRE is small. Then why take the risk.—W. D. CLEMENTS, Insurance that insures.—Adv.

LOST SUIT — Party who got black serge suit from Steven's tailor shop, please return. Has O. C. Gatlin inside.

A Christmas Toast.

Now here's a toast this Christmas time,

To all our friends in every clime, From sunny South to frozen States,

Atlantic washed to Golden Gates. We'll pledge good health, esteem anew,

In royal drink of Juno's brew, Ambrosia mull'd with thyme and spices,

And ambered with Olympian ices. Pour in sweet honey lipped in dew That health and wealth may life renew.

Far herald it with Jovian fire, May each one win his heart's desire.

May love of God and Christ anew, With peace, prevail the whole world through.

May these United States hold fast, To honest men from first to last.

May Texas with her Governor Ma Spread woman's able rule afar.

May Texas zealous for the right, Keep our escutcheon shining bright,

And may the North Star from afar,

Send benignant rays to our Lone Star.
