**THE SUMMER TIME VACATION**

The time of vacation is here; the schools are closed and the children are fishing, swimming, working in the fields and doing various other things which are to be done at this season of the year.

Vacation time is a very important time of the year for school children. The normal child insists that he have something to do; also the "grown up" man is happiest when busy. Then vacation means change, change of view change in application of energy, a rest from ordinary vocation. In this way tired nerves and muscles are rested and rebuilt while others are brought into use, exercised and developed.

The school people during the summer time store up energy for the year's work in the school; let us see to it that our children have a vacation in the right sense. Let them build up for the coming year's school work, which will be ready for them to begin in September. In planning the children's vacation the moral or religious side should not be neglected. Let us see to it that good habits are inculcated in the minds of the children.

During our long stay with the schools in Goldthwaite we have developed a like for the people of this town and of this section. We appreciate the way they have helped us with the school during the past three years and we feel confident that we can depend upon them in the coming year.

Yours for a better school,  
D. A. NEWTON

**IT IS RUMORED—**

Jim Ferguson spoke at Brownwood Wednesday. Many citizens and some officials of San Saba drove to Brownwood (a prescription town) to hear the speech. (a non-prescription town) just as the moon in its first qt. was trying to set in the west. (Mills county moons usually set in the west.) When a mile out on the Pecan Belt Highway, some of the autos came to a halt. Rumor has not made it clear whether the halt was caused by a hot box, faulty steering gear, or over lubrication.

While making repairs, or waiting for, some of the parties engaged in a manual argument to decide who should drive the road drag on said highway during Jim's fourth term.

If you want to know more about this alleged affair, write to the secretary of the Ferguson Club, San Saba, enclosing a new 2cent stamp.

The man who brought his face to a beauty parlor just before midnight is responsible for this rumor.

**NEW YORK WORLD**

"The Vanishing American" strikes me as being one of the most beautiful and stirring things yet done in the films, and there need be no secret about the fact that I am going to try to be a weekly patron of the Criterion Theatre for at least the next three months.

In the broad and colorful curtain which serves as its character there is more than any man can digest in a mere visit.

Pictorially, "The Vanishing American" is the finest thing of American history yet done on the cinema. One has been to the Grand Canyon, but it is unlikely he has seen the glories of the place as he will see them at the Criterion. Its action is swift and smooth. It moves with the speed of the wind and with something of the power of a hurricane. And it is always picturesque. Furthermore, it is sane. There is nothing in it which you cannot believe. And why not? It is a true story of a passing people. And still I am inclined to say: "Hail to the Vanishing American, but not farewell." The cinema, this cinema, has made it so.

The Vanishing American will be shown at the Dixie Theatre here July 26, 27 and 28.

**THE BIG FAIR FOR NEXT WEEK**

Every Mills county farmer should contribute to the success of the big fair next week by attending every day and night and by all means entering some farm product for exhibit. A good county fair means much to farm progress and it is up to the Mills county farmers to make our first fair efforts a decided success by filling the splendid hall with farm exhibits.

Don't come to the fair and look critically at the exhibits and say: "By gar, I have lots better 'an that in my field, but was too busy to bring it in." That is a good way to have a poor fair.

Bring ten ears of corn, ten heads of maize, a peck or bushel of oats or barley, some garden products, honey, pecans, forage or any farm product whatsoever.

Get a fair catalogue and look over the woman's exhibits list and bring in some articles of plain or fancy sewing. Don't overlook the canning and cooking display.

T. F. Toland offers us a \$5.00 cash premium for the best dry farm exhibit. Why not show us what you are doing by placing a farm exhibit? Also, \$2.50 will be paid for the best irrigated farm exhibit.

Don't overlook the relic and antique departments, which make the fair more interesting and the flowers that will add to the attractiveness of the display.

Bring some exhibits and ask your neighbors to assist the fair management by entering something, all entries FREE.

Everything is being done to make your visit to the fair interesting and profitable. A big carnival, rodeo, fifty fast horses and a ball game each day between some crack players from the Oil Belt League and San Saba, two of the strongest teams of this section of Texas.

Band concerts, political speaking, home talent entertainment, and the Old Soldiers Reunion will be offered for your entertainment.

Season tickets for 50c each may be secured now at C. M. Burch Tailor Shop or at the Front Gate during the fair.

You can't afford to miss it. We shall expect you.

The committee on needle-work display for the Mills county fair have completed arrangements for same and ask all ladies of Mills county to bring an exhibit for the booth. Kindly leave all pieces to be entered with Mrs. J. M. Campbell or with J. A. Hester at Yarbrough and Hester's store up to the 19th. All entries must be made before 10 o'clock Tuesday morning (July 20).

Care will be taken that all pieces will be protected so that no harm will come to anything left in charge of the committee.

Let's all boost our fair and have a beautiful display.

See the fair catalogue or ask for further information from J. A. HESTER, Manager, or Mrs. J. M. CAMPBELL, Supt.

Mrs. W. B. Jackson, chairman of the Flower Committee, urges all to bring flowers.

Prizes will be offered for the best collections.

**DON'T FORGET---**

**PAYNE GAP**

Editor Eagle:  
 I haven't seen any news from  
 this part of our community lately.  
 I will try to send in the latest  
 news.

It is now looking like we might  
 get a good rain soon, which I  
 know will be enjoyed by all who  
 have threshed and it really ought  
 to make the ones who have not  
 threshed enjoy it. A good rain  
 will help the corn to make more  
 and it will do good in many ways.

The meeting in our community  
 closed Sunday night. There were  
 large crowds through the week  
 days and a splendid crowd at the  
 close.

Mrs. Mattie Atchinson of Ran-  
 ger is visiting her brother, J. C.  
 McMurray.

Mrs. Larrace Jordan spent part  
 of Sunday with Mrs. Callie Hig-  
 gins.

The thresher will soon be in our  
 neighborhood and we will soon be  
 threshed once more.

Miss Irene McMurray is spend-  
 ing the week end in Goldthwaite.

Little Noel Ray Ervin, son of  
 Mr. and Mrs. J. H. Ervin, died  
 Monday afternoon. He was the  
 best baby of his age and size. He  
 never cried without there was  
 something hurting him. The poor  
 little fellow had been sick at  
 times all his life. He and his  
 mother had pneumonia in the win-  
 ter. They got well of that and  
 he was doing well until last  
 Wednesday night. He took cold  
 and early Thursday morning his  
 father and mother took him to  
 the doctor at Lometa, who treated  
 him for pneumonia. He was  
 brought to his grandfather and  
 grandmother's home at Gold-  
 thwaite Friday afternoon. There  
 he spent two suffering days, but  
 is now sleeping in Jesus. He is  
 free from sin. He has the sweet-  
 est and dearest home in Heaven  
 and we all hope to meet him and  
 be as free from sin and as pure as  
 he was. May God's rich blessings  
 be bestowed upon us all.—XXX.

Miss Ruby Cobb left Sunday  
 right for Denton to enter the  
 teachers' college.

Mr. and Mrs. Lovelace of Mem-  
 phis, Tennessee, are here at the  
 bedside of her mother, Mrs. C. L.  
 Bodkin.

Mrs. Chess Frazier left Wed-  
 nesday for a visit with her sister,  
 Mrs. Wooly, of Balinger.

Guy Casey and family of Brown-  
 wood spent last week end in the  
 home of Mr. and Mrs. D. O. Simp-  
 son.

Mrs. Will Harmon  
 spent Saturday night in Joe  
 Spinks' home.

Most of the young people of  
 this community enjoyed a singing  
 at J. W. Randles Sunday night.

Mr. and Mrs. Will Spinks went  
 to Duren Sunday afternoon.

Miss Winnie Brown spent last  
 week end with her aunt, Mrs.  
 Walter Brown.

Misses Vergie Mae and Little  
 Lucille Taylor spent Wednesday  
 with Mrs. Kate Shelton and fam-  
 ily.

Miss Bessie Hutchings took din-  
 ner with Mrs. John Edlin Sunday.  
 Ottis Hutchings took several  
 other men of this community to  
 Brownwood Wednesday to hear  
 the Fergusons speak.

Messrs Juan Spinks, Howell  
 Bradley, Chas. Thompson, and  
 Misses Inez Spinks, Malta Shel-  
 ton and Lucille Brooks went to  
 the lake Sunday afternoon.

Well, as news is scarce, will  
 ring off for this time.—GOOFIE.

**THE GOLDTHWAITE EAGLE**  
**A LITTLE WALK AROUND**  
**YOURSELF**

When you're criticising others  
 And are finding here and there  
 A fault or two to speak of,  
 Or a weakness you can tear;  
 When you're blaming someone's  
 weakness

Or accusing some of self—  
 It's time that you went out  
 To take a walk around your-  
 self.

There are lots of human failures  
 In the average of us all;  
 And lots of grave shortcomings  
 In the short ones and in the  
 tall;

But when we think of evils  
 Men should lay upon the shelves  
 It's time we all went out  
 To take a walk around ourselves

We need so often in this life  
 This balancing of scales;  
 This seeing how much in us wins  
 And how much in us fails;

But before you judge another  
 Just to lay him on the shelf—  
 To take a walk around yourself
