GOLDTHWAITE, MILLS COUNTY, TEXAS, FRIDAY, DECEMBER 3, 1926.

NUMBER THIRTEEN.

## BIG VALLEY CITIZENS WILL COMPLETE THEIR SECTION OF PECAN BELT

At a very enthusiastic meeting of the citizens of the Big Valley community with several of the leading citizens of Goldthwaite, at the Big Valley school house the first of this week, it was decided to complete that section of the Pecan Belt Highway between the four mile point where work was stopped when the State Highway Department suspended operations several months ago, and the Colorado river bridge, the extent of Mills county's portion of the road. This action was taken after it was evident that some private work would be necessary in order to complete the road.

About seven miles of this road remains to be cleared and graded, while the right-of-way has already been secured by the county, and it is of interest to all the citizens in this county and especially those in the Big Valley section to see that the road is completed.

E. D. Robertson was elected president and J. J. Cockrell secretary of the meeting, and a committee composed of Wm. Dennard Chas. Miller and Bob Robertson was appointed to solicit subscriptions of work and cash. Bob Robertson was appointed supervisor of the work.

\$55.00 cash and about 60 days work with teams was secured that night and the Chamber of Commerce of Goldthwaite contributed \$25.00 more.

W. C. Dew, Judge L. E. Patterson, Frank McDermott, Commissioner Jesse Lowe, and possibly others from Goldthwaite attended the meeting.

Work has already begun. Commissioner Biddle and Commissioner Burnham have offered their tools to help along the work and it is hoped to have it completed by the first of January.

## "LA BOHEME" PRONOUNCED TO RHYME WITH "NAME"

The proper pronunciation of "La Boheme" will no doubt puzzle a number of picture goers. Our town lexicographer announces that there are some who pronounce it as if the last syllable rhymed with "dreamy," and some who pronounce it as if it rhymed with "gem." But the correct way, says he, is to sound the last syllable as if it rhymed with "name." "La Boheme" is the name.

## BOX SUPPER AT CENTER POINT

We take this method of announcing to the public that there will be a box supper at Center Point December 15th. The Mullin Orchestra will furnish the music. Everybody come and bring lots of boxes. Remember the date.

Mrs. C. L. Stephens accompanied her son, Maurice, and other relatives to Wichita Falls for a visit and to help care for Mrs. Marion Stephens, who is convalescing from an attack of typhoid fever.

Mr. and Mrs. T. O. Meadows of Mexia spent Thanksgiving with Mrs. Meadows' parents, Mr. and Mrs. C. L. Stephens, and family.

Rev. I. A. Dance performed a ceremony at about 5:30 last Sunday afternoon which united Miss Ruth Dillard and Claude M. Jackson. This couple lives at Brownwood.

Mr. and Mrs. O. G. Stephens and boys and Maurice Stephens of Wichita Falls spent Thanksgiving with Mr. and Mrs. C. L. Stephens and family.

Miss Alice Williams and Miss Grace Denson of Center City, and Miss Opal Kuykendall of Scallorn were last week end guests of Mr. and Mrs. W. L. Burks.

## AND STILL COTTON GOES DOWN

Owing to the extra work of the Poultry Show this week we have had but little time to devote to this column and will only call the attention of members to the cotton seed of the organization this year.

To all members, the Association offers you certified seed of the leading varieties on the same basis as last year. You can pay for the seed at the time of ordering or you can give an assignment for the payment to be taken out of the sale of the cotton in 1927, or if either of these methods do not suit you, make a note payable to the Association and payable next fall after you have shipped your cotton.

It seems as tho this ought to give every member a chance of securing good planting seed at a moderate price, and every one ought to plant better seed. Then another matter of importance, your cotton was badly infested with the boll weevil last year and the seed will also have plenty of weevil in them. If you plant your home grown seed, you will also plant your home grown boll weevil, and we believe that he is little better stock than they have in other parts of the state, at least he destroyed the greater part of the Mills County cotton crop, so consider this when you think of planting cotton.

Every farmer should plant some cotton, but plant your feed crop, garden, and don't forget the poultry then your cotton will not have to be stretched so as to cover too much territory. In other words make your living at home, and sell the surplus, then low prices of cotton will not effect you — MILLS CO FARM BUREAU, R. F. McDermott Sec.

W. C. Dew, Judge L. E. Patterson, Frank McDermott, Commissioner Jesse Lowe, and possibly others from Goldthwaite attended the meeting.

Work has already begun. Commissioner Biddle and Commissioner Burnham have offered their tools to help along the work and it is hoped to have it completed by the first of January.

## THE POULTRY SHOW

The Mills County Poultry Breeders held a successful show Tuesday, Wednesday, and Thursday. Walter Burton, widely known poultry breeder and judge made the awards Wednesday, and at 2 p. m. delivered a splendid address to seventy-five breeders. County Agent Weaver declares it the best speech on poultry breeding and management he has heard at Goldthwaite.

At the annual meeting of the Association Thursday, L. E. Booker was elected President, Mrs. J. W. Dellis, Vice President and Mrs. S. J. Fisher Secretary. It was unanimously voted to hold the next show at Mullin.

There are more large flocks in the Mullin territory than elsewhere in the county and the poultry show has had little support from that section for several years. They probably feel that the show should be passed around. Now that they are to have it, we hope the Goldthwaite breeders will patronize the show wholeheartedly.

The credit for putting over this show belongs largely to Mr. M. H. Leverett, Superintendent, Dr. Huddleston, R. F. McDermott, and L. E. Booker, who did the necessary work to put the show room in condition and Mrs. C. M. Burch, Secretary and Mrs. J. W. Dellis who did the clerical work. Now for a big 1927 show at Mullin.

We are not able to report on the premiums this week. Full report next week.

## THE PECAN SHOW

Fifty-nine entries were made in the pecan show held with the poultry show this week. Many of these came from creek groves which are unusually fine this year.

County Agent, Rosenborough of San Saba County judged the show. Of the 52 exhibits of native he found three river and four creek varieties worthy of propagation. Full report next week.

Joe Taff of Galveston spent a part of this week here with his family.

## BIG VALLEY

To the Eagle;  
I wish you reporters would move over a little so I can get in. I have been out so long I have lost my place. How is every body. I have been so busy helping the Farmers wife gather in the many good things for Thanksgiving I couldn't get here any sooner.

I am sure you have all eaten so much turkey and cranberry sauce you can't gobble.

Hurrah for Christmas. It will soon be here with its noise, wedding bells, and many other good things to make the old and young hearts rejoice.

People in our town are done picking cotton and gathering pecans, so now all we have to do is to eat, drink and be merry until time to raise another bumper crop.

Norma Lee Robertson, who is attending school at Baylor, Belton, spent the Thanksgiving holidays with homefolks. Norma Lee is doing some fine work in school and is liking Baylor fine.

George Robertson gave a Thanksgiving dinner in honor of his niece, Miss Norma Lee Robertson. The writer failed to get the number of guests, but all that have talked to report a fine dinner, especially Joe Beck. Joe said he ate so much turkey he could not gobble.

There was preaching at the Valley Saturday night, Sunday at eleven and Sunday night by Rev. Newton of Brownwood. The layety report three good sermons and an old time gospel feast.

L. Newton has accepted the care of our church for the next associational year. The church at Big Valley is in the beginning of a great revival. We have gone to half time.

Bedford Renfro and family have moved back to the valley.

Will Dewey has moved to the Nowell place.

Wilma Miller and Oneta Traylor who are attending school at Howard Payne, spent the week end with homefolks.

Clall Reed seems very much interested in one of these young ladies, in fact, I am sure Clall will soon be taking a B. A. degree at Howard Payne.

The wedding bells still ring.

## METHODIST CHURCH

A crowded house in the morning, and a great sermon. Two joined the church by letter. Evening service congregation good and one joined the church and was baptized.

A Good prayer service Wednesday evening and one joined the church by letter.

Sunday school continues to improve with an attendance of about two hundred.

Mrs. Maud Spradling and Leemon Knowles drove over to Goldthwaite Saturday evening and were married by Justice Rahl.

These young people have many friends in the Valley all of whom wish them a happy future.

J. C. Moreland spent last week out near Mullin. He has been doing some papering for Tom Cooksy.

The pie supper at the school house Friday night was well attended and pies, yes there were pies and more pies.

Floyd Sykes and wife made the lucky guess for the number of grains of corn in a quart jar. The prize was a nice cake.

The amount realized from the pie supper was about \$23, which will go to pay for the piano.

Goodlow Miller and daughter attended church at Big Valley Sunday night.

Barton Ree and wife were visiting in Goldthwaite and in the Valley from Thursday until Sunday.

Miss Clemmie Mae Hancock of Mullin was visiting Norma Lee Robertson Saturday night and Sunday.

Miss Mary Cockrell visited her homefolks from Friday until Sunday.

J. J. Cockrell and wife dined with Mr. and Mrs. Sykes Sunday.

Zora Lee Moreland spent Saturday night with Wilma Miller.

Mrs. Fannie Long, who has been sick so long is gradually improving.

J. C. Moreland and family, J. P. Reed and wife, Leethy and Onetta Knowles, all dined at Mr. Buchannon's Sunday.

I guess I had better say good bye now for I see the waste basket moving up this way.—FARMER.

GOOD WILL TOUR  
"New Type of Venture"

Mr. J. Wesley Loftis of Howard Payne is beginning a two weeks engagement in our section confining his dates to Mills County this week. Mr. Loftis expects to visit a large number of the public schools and churches in a "good will" tour in interest of higher education. Mr. Loftis is a public speaker of years of experience both on the platform and in the pulpits of some of the best colleges for several years as Director of the Department of Extension. He has charge of the Correspondence School all of the field activities and the publicity. His programs at the churches are of the highest type. They are semi-religious in that the gospel songs are illustrated with beautiful colored pictures. They are inspirational in that they are given to interest the youth of the county in higher education. They are entertaining in that they picture college life and ideals in the most interesting way. They are informational in that they give out facts that every one ought to know.

The evenings will consist of illustrated songs, stories and lectures with beautifully and highly colored pictures on the screen. Mr. Loftis has been very successful for several years in this very high type of program. All the people enjoy his evenings and are invited to be present.

Watch your community and be ready to hear this versatile man from the college. The Baptists of Mills County are happy to have this series of programs in the churches.

**ART AND CIVIC CLUB**

An outstanding number in the week's social calendar was given Wednesday afternoon, in an environment of perfect beauty; created by the artistic arrangement of a profusion of gorgeous white Chrysanthems intermingled with fern foliage, in the Walter Fairman home, when Mrs. Fairman was hostess to the Art and Civic Club and a number of her personal friends. In the business meeting the following officers were elected for the club year 1927-1928: Mrs. Roy Rowntree, president, Mrs. Kelly Saylor, vice president, Mrs. Jake Saylor, secretary, Miss Lucille Conroy, corresponding secretary, Mrs. Carl Keese, treasurer, Mrs. W. E. Miller, reporter, Mrs. Fred Martin, assistant reporter, Mrs. L. R. Conroy, parliamentarian, and it was decided to accept an invitation extended by the 20th Century Club of Brownwood to attend an art exhibit arranged in their club rooms at the Carnegie library. At the close of the business meeting, Mesdames Holland Frizzell, Wilbur Fairman, Annie Little, J. V. Cockrum, Mark Leverett, Kate Page, Tate, Bill Page and Miss Mildred Stephens came in to enjoy a program on music which was led by Mrs. Rowntree. Many educational thoughts on music were brought out in papers on Ancient, Mediaeval and Modern Music read by Mrs. W. E. Miller, Mrs. Harry Allen and Mrs. Bina Oquin, and the guests were especially entertained by musical numbers, both vocal and instrumental, rendered by Mesdames Edward Geeslin, Fred Martin and Norma Frizzell. These were followed by a round table discussion on the refining influence of good music in the home. Mrs. Fairman then read an Edgar A. Guest poem on music.

The surprise feature of the party planned by Mrs. Fairman was having as guest Mrs. R. S. Crain, now of San Saba, who was a charter member of the club. She was accompanied by Mrs. Miteh Johnson and Mrs. Mark Fairman.

Refreshments consisting of tongue salad, potato chips, cheese snaps, bread and butter sandwiches, olives, pickles, stuffed dates and hot coffee, with pretty floral cortages as plate favors, to the above mentioned guests and the following club members: Mesdames Roy Rowntree, Kelly Saylor, Carl Keese, Bina Oquin, Harry Allen, Fred Martin, W. E. Miller, Norma Frizzell, L. R. Conroy, Edward Geeslin and Miss Lucille Conroy.

Fond memories were recalled when Mrs. Fairman passed delicious candies to her guests and told them that they had been sent by Mrs. John Brown of Fort Worth, a much loved former member of the club.

After this evening spent together we hope that every one present had a clearer understanding of, and more love for music.—**REPORTER.**

In 1925 Chevrolet astonished the automotive world by attaining an annual production never before reached by any manufacturer of general run automobiles. Yet, so spectacular has been the increase in demand for Chevrolet cars, that a new and even more brilliant record is the climax for 1926. Thus, for two years in succession, Chevrolet has broken all its previous records and has set a new mark in automotive history. This splendid achievement results from a steadfast adherence to the fundamental Chevrolet policy of building a car of the finest possible quality to sell at a low price. That the vast majority of buyers now demand a car of this type—and that Chevrolet has been successful in building such a car—possessing the highest degree of smooth performance, smart appearance, and economical operation—is proved by Chevrolet's success during the year now drawing to a close. Come in and see this record-breaking car.

**OUR ONE BIG RULE IS TO MAINTAIN THE SERVICE**

It is a rule with the telephone service that customers must have it when they want it if there is a possibility of supplying it.

This is why an interruption of service is a matter of great concern in our organization.

In the first place interruptions are carefully guarded against and rarely occur. But when a storm or flood or other unforeseen or unavoidable happening threatens to prevent service every resource is brought into play to repair the damage at once.

The service of the telephone is essential to our customers, and our object is to supply it adequately at all times. Hazards, exposure, long hours, and discomforts are never weighed against the job we have of maintaining service.

**KEESE-TARVER**

Miss Ina Mae Keesee and Reese Tarver were quietly united in marriage at the home of the pastor of the Methodist church at Comanche last Monday night.

They spent Tuesday and Wednesday here visiting relatives and left on last Wednesday afternoon for their future home in Caushatta, Ia., where Mr. Tarver has an excellent position with an oil company.

Mrs. Tarver, a daughter of Mr. and Mrs. Tom Keesee, is one of Goldthwaite's popular young society leaders. She has numerous friends and admirers here, whom she has won by her charming disposition and pleasing personality.

Mr. Tarver is not a resident of Mills county, but he is not a stranger to people here, as he had visited the Keesee family on several occasions, and the fact that he won the affection and approval of Miss Ina Mae vouches for him to the people of this section.

The Eagle wishes them the best success throughout life.

**SELF CULTURE CLUB**

The Self Culture Club met last Friday in their club room at the court house. The attendance was small owing to the absence of so many members from town over Thanksgiving.

After a short business session the study of China was enjoyed. Mrs. Randolph read a most interesting letter from Rev. Haddock of Shanghai, China, which gave us a first hand knowledge of conditions in China at the present time. She read an excellent paper which she had prepared.

The discussions of the roll call for an unusually interesting and instructive, being on current events, current books, schools, songs and other subjects.

The club will meet again December 9 for another lesson on China with Mrs. Duke Clements as leader.

**FROM MRS. JESS IVY**

Dear Old Mills County Friends:

As I promised several of you I would writ you, I'll write all of you at one time through the Eagle. I am enjoying this part of the world. We had a cold spell Nov. 1st. Some ice was found in wash pots and enough snow to be 3rd to cover the ground, but it was a yet freeze and didn't kill anything. Have had lots of rain here for the last few months and corn, oats, and row feed has all made good here. Cotton is averaging one half bale to the acre. Lots of snow-white fields here that hasn't had a boll picked out of

them. So friends, if you want to pick cotton, Mottley County is the place to head for. Prices paid here are \$1.25 per hundred with fine camp house, stoves and wood furnished. This is a fine county. Lots of white faced cattle-but I don't see any sheep. The finest grass I most ever saw and good water are plentiful here. And the prettiest rivers. They are such wide rivers with shallow banks and sand bars in their bottoms and long bridges-over them.

People here are nice, clever and sociable. Make you feel at home as much as a stranger can, but I feel home-sick when I think of my Mills County friends. But

I think I will be back to spend Christmas with you all, but I am a long ways from you all now. I am one mile from Flumot, being at the foot of the plains. Also 21 miles from Matador, which is the County Seat of Mottey County.

Well as the news is scarce with me in this strange land, I'll be obliged to quit for this time. —Mrs. Jess Ivy.

If you owe Archer, pay it. What's better than Hot Chili these cold nights? Get a brick at **BILL'S CAFE**. One pound — 40c. Half pound — 20c. — **BILL'S CAFE**.

If you owe Archer, pay it.

**IF You Had All the Cotton in Texas WHAT WOULD YOU DO WITH IT?**

Would you turn it over to 350,000 cotton growers to sell, or

Would you organize a sales institution to sell it?

The leading cotton growers of Texas have gone just that. They have

**"An Organization With a Program"**

**THE TEXAS FARM BUREAU COTTON ASSOCIATION**

With facilities in finance, insurance, warehousing, sales accounting, to handle this situation on a permanent basis.

LET'S TALK THIS OVER,

### What Is a Diuretic?

People Are Learning the Value of Occasional Use.

EVERYONE knows that a laxative stimulates the bowels. A diuretic performs a similar function to the kidneys. Under the strain of our modern life, our organs are apt to become sluggish and require assistance. More and more people are learning to use *Doan's Pills*, occasionally, to insure good elimination which is so essential to good health. More than 50,000 grateful users have given *Doan's* signed recommendations. Scarcely a community but has its representation. Ask your neighbor!
