BETTER HOMES REPORT

ter Homes Campaign' through- Oran Hale and Robert Burdette out the nation, the Art and Civic Club, with the assistance of Mrs Palmer, took the lead in seeing that Goldthwaite didn't fail to show her loyalty to this worthwhile movement. This is to be an annual affair, the purpose of which is to interest people as a whole in more attractive homes.

We believe that such work as this if it accomplishes lasting results, should begin with the child therefore the program was rendered by the pupils of the Goldthwaite Grammar School and the ladies of the town interested in the beautification of our city.

The program was as follows: Song-America.

Reading, The House with Nobody In It.-Letha Ola Burks. Talk, Music and Art In The Home.-Mrs. Sam Sullivan.

Reading, Just Like Me-Lucille Bledsoe. Vocal Solo, Home Sweet Home

-Norma Frizzell. Talk, Recreation in the Home-Mrs. Roy Rowntree.

Talk, Thrift in the Home-Lula Howard.

Reading, Home-Thelma Richards. Song-Treble Clef Club. Paper, Electricity in the Home

-Mrs. Walter Fairman. The committee in charge of the campaign chose the old Burnett home for a large one and the Bayless home for a small one and all pupils in Grammar School submitted plans for the remodeling of one. The majority chose the small house and the way in which the talks were made and the plans were given were interesting in-

deed and worthy of much praise. Prizes were awarded for the most convenient arrangement and best drawn plan. Mrs. Rowntree in behalf of Art and Civic Club, presented Verba Rhea Burks with two dollars and fifty cents, the first prize, and Woody Saylor, a close second, with two dollars. Each in turn then displayed his plan and told why cer-

Specially-Built Fisher Body - Strikingly Beautiful Duco Colors-Elegantiy Appointed -The Aristocrat of All Chevrolets

Again Chevrolet revolutionizes every previous conception of quality and elegance in a low-priced automobile by presenting the Imperial Landau—a new model whose distinction and smartness entitle it to comparison with the costliest custom-built cars.

Its specially-built Fisher body reveals all the masterly cratismanship for which the Fisher name is famous. The finish is lustrous black Duco, with embellishments of brilliant chaseur red.

With oblong windows—with nickeled windshield rim and landau bows—with vaulted roof, and with top and rear

quarter in mouse gray textile leather, this aristocrat of all Chevrolets is one of the most strikingly beautiful cars to be seen on the streets and highways.

And, of course, it has all the power, speed and smoothness—all the flashing acceleration, finger-tip steering and unfailing dependability that have brought to Chevrolet such world-wide fame.

This beantiful car is now on display in our showroom. Come and see it. You will be delighted to learn that a car so low in price provides such command-ing individuality and style!
