Chamber of Commerce Banquet to be Held Next Tuesday Night

The First Annual Banquet of the Mills County Chamber of Commerce will be held at 7:30 o'clock next Tuesday night. There will be good speaking, good music and a real feed.

While this banquet is primarily for the members of the Mills County Chamber of Commerce, it was decided to invite the general public to participate. Consequently, an invitation is extended to citizens throughout the county to reserve plates. Plates will be \$1.00 each and tickets of admission should be secured from the secretary of the Chamber of Commerce as soon as possible, in order that the necessary preparations can be made.

O. H. YARBOROUGH BUYS \$17,000.00 STOCK OF DRY GOODS

O. H. Yarborough has just finished moving the W. T. Little of Hamilton stock of dry goods into his West Side Bargain Store. It is said that this stock invoiced \$17,000.00.

Mr. Yarborough has moved his Bargain Store back to the old Everly building next door to the Postoffice, the location which he had for quite awhile before moving to the J. H. Randolph building. In this store he has placed his regular bargain stock, the Lometa store stock and this stock from Hamilton.

WESLEY WORKERS ARE ENTERTAINED

An occasion that will be long remembered by the Wesley Workers Sunday school class was their entertainment on Friday evening, January 13th, in the home of Mr. and Mrs. S. P. Sullivan. Mrs. Sullivan is the teacher of this class and, while every member of the class realizes that nothing is too great an exertion for her to do for any one of us, I believe each member went home with a deeper appreciation of her interest in our pleasures.

An ideal Southern supper was served to about forty members of the class and never was a repast enjoyed to a greater extent.

After supper the class was entertained with a very interesting Bible contest and by a musical program, those taking part being Mrs. Jno. Berry, Misses Myrna Miller, Mary and Constance Trent, Mrs. Sullivan and Messrs. Henry Cryer, Raymond Little and Julian Evans. Miss Love Gatlin gave several interesting readings.

ESTHER BUCHANAN FOR COUNTY TREASURER

To the Voters of Mills County: I take this method of announcing that I will be a candidate for the office of County Treasurer, subject to the action of the Democratic primary in July.

I came to Mills County nearly three years ago and have learned to like it very much. Especially do I appreciate the high standard of excellence which I have found among the people of Mills County. I am glad of the opportunity of association with a people of such great kindness and hospitality. I feel that I have made many friends in and around Goldthwaite whose friendship I value very highly, and I hope to make many more between now and July.

I assure you that my qualifications are entirely sufficient to perform the duties of the Treasurer with all accuracy, and I pledge myself to be very attentive to the work and see that each part is given careful and proper attention, if I should be your choice. I surely appreciate your support.

—ESTHER BUCHANAN.

TO THE TEACHERS OF MILLS COUNTY

The University Interscholastic League is a most important asset to the public school work. We sincerely hope that the teachers will do what they can to make it possible for the greatest number of pupils to reap the League benefits this year.

Interest has steadily grown in the league activities from year to year and the executive committee believes that this should be the best year we have had so far. Can we depend on you?

The minutes of the last meeting of the executive committee is given in this issue of the Eagle. The members of this committee are as follows:

D. A. Newton, Director General.

Miss Laura Petsiek, Essay.

Miss Lillian Patterson, Spelling.

R. G. Gerald, Debate.

E. D. Robinson, Declamation.

E. D. Stringer, Athletics.

Miss Myrna Miller, Music Memory.

Mrs. J. A. Palmer, Exhibit.

When we can be of any assistance to any school, let us hear from you.

Sincerely,
D. A. NEWTON,
Director General.

R. L. ECKMAN ANNOUNCES

R. L. Eckman authorizes the Eagle to announce his name as candidate for the office of Commissioner of Precinct No. 1, subject to the action of the Democratic primary next July.

Mr. Eckman moved to Mills county in 1917 and has lived in this county almost continuously since. In 1920 he moved to precinct one. He has been engaged in stock farming for the past two years. He states that he has had considerable experience in road building and feels that he is fully competent to conduct the affairs of the office in a satisfactory manner should he be elected.

Mr. Eckman solicits the votes and influence of his friends in precinct one for the office to which he aspires and states that he will give it his undivided attention, should he be the choice of the voters next July.

COMMUNITY CLUB NOTES

Mr. H. L. Gantz, Rural School Editor of the Farm & Ranch, visited Mills County last week and delivered a talk at Big Valley Star, Prairie and Center City.

Mr. Gantz resigned his position as County Superintendent of Comanche County three months ago to take up his present work. He was an outstanding Superintendent, having eliminated twenty-three years since. County Judge Patterson and County Agent W. P. Weaver declare that Mr. Gantz's speeches are the best expositions of the Four Square idea they have heard.

A community Club was organized at the Pompey meeting. Mills County has seven organized Clubs and prospects for three more.

ELMO DOGGETT ANNOUNCES

Elmo Doggett this week authorized the Eagle to announce his name as candidate for the office of District Clerk for Mills County, subject to the action of the Democratic primary in July. He is a son of Mr. and Mrs. Joe Doggett and is 28 years of age. Mr. Doggett needs no introduction to Mills County voters. He was born and reared in this county and is known by all the citizens. He has had considerable experience in clerical work and business in general and is thoroughly competent to conduct the affairs of this office should he be the choice of the voters.

Mr. Doggett solicits the support and votes of his friends throughout the county in his race and promises them the best efforts of which he is capable, should they elect him to this office. He intends to make an active campaign and hopes to see every voter personally between now and the election time July 28th.

BIG TERRACING CAMPAIGN

There is a greater demand by Mills County farmers for assistance in terracing than ever before. The second week in this month County Agent W. P. Weaver gave demonstrations in the Ebony community. Lines were located for J. R. Wilmet, Reed Haynes, Arthur Lovelace, Fred Malone and Woody Roberts. Others in this section have asked for assistance.

This week lines have been located for A. L. Wood, Goldthwaite; Mr. Maze, Trigger Mountain; Andrew Anderson and George Denman, Caradan; I. A. Hollis and Wiek Stanley, Ridge; Ed Hein and J. D. Allen, Priddy. And the waiting list is longer now than when these were done!

Goldthwaite Electric Laundry to Begin Operations Monday

TOM BLANTON TO MAKE RACE FOR SENATOR

Representative Thomas L. Blanton, of Texas, this week announced his candidacy for the Democratic senatorial nomination in that state.

Blanton for a number of years has been one of the fiercest members of the Democratic side of the House, and on one occasion an effort was made to deprive him of his seat because of material he had inserted in the congressional record.

He has said that he would be in the race "regardless of who may enter it."

"This government must be wrested from the control of plunderers," he declared, "and be restored to the people with honest and economical administration. Only in Senate may plundering be effectively stopped.

Need Checking

"All exploiters of public funds and government favoritism are not in the Republican party alone. Some operate in all parties, and need constant checking. There must be established a real partnership between the federal government and all the people.

"At an early date I will submit my platform to the people and as soon as we finish our work in passing the Appropriation bill I will begin an active campaign in Texas, from every part of which I have been promised loyal support."

Blanton will oppose Senator Earl B. Mayfield, who will seek election and probably other candidates, among them being Alvin Owsley of Dallas, former commander of the American Legion; Mrs. Minnie Fisher Cunningham of Houston, and Mrs. Hal H. Sevier of Austin.

TWO MILLINERY SHOPS ARE CONSOLIDATED

Misses Addie Smith and Myrtle Harrison have combined their millinery businesses and have enlarged the balcony in the F. F. Ligon store—where they will have their display room: Misses Harrison and Smith will leave Sunday morning for market to buy their new spring millinery.

NAZARENE CHURCH

We had a good attendance Sunday and the largest crowd Sunday evening that we have had this winter. With the spirit of God in the service and good feeling among the people. Special subject next Sunday for the morning hour, "Christ versus Self."

Subject for the evening hour "The Trinity of Man Under God's Plan."

The special sermons on Faith are paving the way for our revival which begins the 9th day of February and we are inviting all to attend and cooperate with us. Special announcements later.

The management announces that the Goldthwaite Electric Laundry will be open for business next Monday morning. This week has been consumed in testing the machinery and making all last-minute preparations for opening.

This new laundry is a real asset to Goldthwaite, being installed at a cost of approximately \$2,500.00 and is the most modern type in every respect. Electric individual washing machines of the popular family wash plan have been installed. And the new style of electric irons and flat-irons places Goldthwaite with the quality of services to be found in the largest cities.

Goldthwaite citizens should encourage this new enterprise by patronizing it liberally from the beginning. A laundry wagon will call for and deliver the wash, picking it up one day and delivering it the next.

INDIAN GAP WINS OVER GOLDTHWAITE

One of the fastest basketball games of the season was played between the Indian Gap boys and the Goldthwaite boys on the local court Friday afternoon. Eris Ritchie made a good start for Goldthwaite by tossing a field goal just after the game had started. The score was kept even until the last of the game, when Indian Gap made three field goals in succession which put them ahead. During the second quarter Horace Gray was taken from the game and Tom Clark Graves took his place. Eris Ritchie was the outstanding player on Goldthwaite's team, making more scores than any other individual. Burton Leverett took a divisional. Barton McPhearson may also be given special mention. Both teams did exceedingly well under the conditions in which they had to play. Of course we were in hopes that the Goldthwaite boys would be victorious, but they played a good game at any rate, and were defeated by only four points, the final score being 14-10.

BASKETBALL GAME

On last Friday afternoon the Indian Gap girls came to Goldthwaite for a game of basketball. Although the Indian Gap girls have been champions of Hamilton County for the past three years, the Goldthwaite girls had no fear of them. The Goldthwaite line-up was as follows: Those who played

one that we are not accustomed to as follows: Forwards: Blanche Fisher and Wilma Wheeler; Center Elizabeth Nichols and Essie Mae Brim; guards: Mary Fallon and Mary Alice Weathers, Blanche Fisher made several good shots and no doubt will be used at forward in other games. The final score was 21-11 in Indian Gap's favor.

RESOLUTION

Listen students, listen here, Mid-term exams have passed with cheer, A clean sheet of paper let's take, And with happiness new term resolutions make

Solemnly you'll hear us say, I'll try to do better every day; To take each ask with a smile, And do it now, not after a while.

Forget the past, and live today, Help others along he weary way.

Remember the good, forget the bad, Anger doesn't help, nor make us glad.

Don't be the one to stand behind, Nor always moan or constantly whine; But work and wait And let's hope you'll reach Success' gate.—THE POET.

THINGS WE DIDN'T KNOW

Grading papers is not all drudgery when the teachers find such touching expressions as the following:

A SENIOR—Early drama was of things "obtaining" to divinity.

A SOPHOMORE—The boundaries of the United States at the close of the American Revolution were Russia and Poland.

A SENIOR—England is separated from Great Britain by the English Channel.

A FRESHMAN—The Phoenicians lived in Montana.

And such words as: trade—trade, grate—grate, grate—great, natural—neutral, occupation—occupation, absolutism—absolutism.

A SOPHOMORE—The Great Lakes are on the eastern side of the United States.

A SOPHOMORE—There is not a single city in Europe that is not over 192 miles from the sea.

Miss Blank requests the "presents" of Mr. Joseph Tompkins at a dinner to be given at the Saylor Hotel on Friday, February the ninth, at six o'clock.

I liked Silas, Eppie, and Wildfire better than any characters in "Silas Marner" because they pulled off so many points.

One of the leading men in the settlement of Virginia was "John Gilbert."

The Twelfth Amendment to the Constitution contains the clause that states the vice president shall be elected on separate "ballards."

A WORD TO THE HIGH TALK

The ex-students of Goldthwaite High immediately after they came to John Tarleton College last September organized a county club. We planned to have a happy time while we worked.

The main purposes of our club are to have an ex-student union, to influence more Mills County friends to come to our much loved Tarleton College and leave with Tarleton the best record that we are able to accomplish.

We elected as our club sponsors Mrs. Frances Ramey and Mr. Neal Gearreald. Mrs. Ramey is an associate professor of education. Mr. Gearreald is the director of school agriculture and professor of vocational agriculture. Both sponsors had seemed very interested in helping us to have a worth-while and effective club.

A few evening ago Mr. and Mrs. Mark Geeslin entertained us in their home. We had a happy "stunt party." Every one had a stunt or a game for the crowd. After the stunts and other games, we were served with hot chocolate and cake. We then departed for our respective rooms.

We have lanned to write to our home school paper to let you know that we are still for

dear old Goldthwaite High—Reporter and Associates.

CHRIST BEFORE PILATE

"What shall I do with this Jesus which is called Christ?" Matt. 27:22.

We have not heard much of late concerning Munkaesy's great painting, "Christ before Pilate." But it is familiar to multitudes of people by innumerable photographic, chromo and etched reproductions, so that great numbers who have not seen it are able to form a fairly good idea of it. But what concerns us far more is this, that at this very season of the year so many are found in a position so similar to that in which the picture represents Pilate: "What shall I do with Jesus which is called Christ?"

I. That is a question Pilate had to decide. It was a question from which he could not escape. It must be decided one way or the other. He knew Christ was innocent. He had sought to release him. He had tried to shift the responsibility upon Herod and others. But there was no alternative now. He must cast the die for or against. In the mind of Pilate worldly policy and eternal right are trembling in the balance. One or the other must tip the beam. Pilate is sore perplexed "What shall I do?" "How shall I decide?" Pilate we entreat you, decide for Jesus. Every right and good impulse is in your favor—justice, mercy, truth, love, your

wife's pleadings, your own convictions, and Christ's meek, innocent, uncomplaining presence, his thorn-crowned, wounded, bleeding presence. Pilate, decide for Christ. We cannot help you. You must decide alone and for yourself! "What shall I do then with Jesus who is called Christ?" Listen! He decides. Oh! woe! it is the death-knell of his soul, it is the death sentence for his Savior! "Take ye him and crucify him!" It was a positive and formal decree to the awful death of the cross.

II. It is the question for the unconverted to decide. There is a sense in which every time the gospel is brought home to a heart, every time the Spirit strives, every time duty confronts, there is a sense in which every soul is forced to answer the question: "What shall I do then with Jesus who is called Christ?" As with Pilate, responsibility cannot be put on any Herod. Others may influence, but no one can make decision for another. God has put into your hands the power of choice. He will influence by his Spirit, entreat by his love, plead by his messengers, but he will not force any one.

III. This is also a question Christians have to decide. No matter how often you may have accepted him, or confessed him, or decided your actions in his favor, yet there is a sense in which every time a temptation to sin confronts you, you must decide this question.

Mr. and Mrs. T. F. Toland spent a part of this week in Dallas buying new spring dry goods for the Little and Sons Dry Goods Store.

ROCK SPRINGS

It seems that we can't get back to our church work again. We had several out at both services Sunday, but there were some who were not there. Some was not able to come and others went visiting.

The Sock Supper was a great success. There were twenty-two pair of socks and they sold for twenty-eight dollars and thirty cents. The crowd was small—just four out of the community present. So you see our people are helping us to make money for our Church Building Fund. If you don't believe the people out here know how to rustle just come out and see. We sold some Wamba Coffee and returned the lid and made money that way. If nothing happens and we all live we will build a new church in the near future. Watch us!

Joe Roberts and family spent Saturday night in the Nickols home.

Glen Nickols worked for Marian Robertson Monday.

A TIGHT HOLD

A rich man once said, "I owned \$50,000 and was happy man. Now \$500,000 owns me. It says, 'Run here,' and I run. It says 'Trust in me,' and I trust in riches. I am rich, unhappy, and hanker for more." "But," he was asked, "why then don't you give the \$450,000 away, and return to your happy state?" "Ah," said the man, "did you ever hold the handle of a galvanic battery? The more juice, the tighter you hold on."

LAKE MERRITT 4-H CLUB

The boys and girls of the Lake Merritt Club, supported by the Community Club, gave a 3-Act play at the school house recently which was highly entertaining to all present.

Every one of the players did so well that we wonder how the manager so aptly selected the cast. The boys and girls surprised even their friends. The proceeds will be applied to the fund for equipment for the school.

We are proud of the Lake Merritt Club. And right here we will say that the Lake Merritt community club is to be commended for their efforts in behalf of the school and community at large, particularly for their support of the boys and girls. They have a determination worthy of the work in hand and when they meet obstacles do not stumble, but carry on.

4-H CLUBS

County Agent Weaver reports an unprecedented enrollment in the 4-H Clubs this year, having already listed 107 boys and girls with 122 projects.

Clubs have been formed at Duren, Center City, Lake Merritt, Rock Springs, Center City, Prairie and Trigger Mountain. Club boys are making up

orders for good planting seeds and will select teams for their livestock, grain, poultry and terracing contests. Each Club plans to send one or more representatives to the Farmer's Short Course at College Station next August.

4-H Club members will hold a county meeting at Goldthwaite at 1 p. m. July 6th, when the Santa Fe Demonstration Train comes.

CENTER CITY 4-H CLUB

The 4-H Club was organized Friday, January 13, Mr. Weaver and Judge Patterson being present. The following officers were elected:

Bill Hendry—President.
Talmadge Head—Vice-President.

Margaret Venerable—Secretary.

Much progress has been made since the organization.

All members were present besides twenty-three visitors at our first regular meeting. The following topics were discussed; Housing of Poultry, Lois Blackwell; and Feeding of Poultry, by Margaret Venerable. The mothers seemed to think they gained some good advice by being present and hear those topics discussed.

Other topics discussed were: Profit Derived From One Hundred Nannies—Jack Welsh.

Profit Derived From One Hundred Ewes — Talmadge Head.

Most all of the parents seemed ready to invest money in sheep and goats.

The 4-H Club of Center City put in an order for four hundred and fifty pounds of maize seed which has been shipped.

There is much interest being taken in the 4-H Club. Every one is doing their best to boost us.

We hope to make much progress in the future.

Margaret Venerable,
4-H Club Reporter.

OGLESBY-STEPHENS WEDDING SOLEMNIZED

In one of the prettiest church weddings ever solemnized in Breckenridge Miss Ava Stephens became the bride of Thomas Bryan Oglesby at the First Baptist Church at 7:30 last night. A lovely setting was formed in the church, which was filled to capacity, by the use of greenery and flowers. The altar was banked with palms, ferns and pink begonias with tall baskets of pink carnations on either side. Huge fan baskets of pink carnations adorned with fluffly tulle bows were placed on each side of the two pianos. Beside the rear doors were baskets of sweet peas tied with tulle bows. Graceful floor lamps with pink shades were placed on either side of the altar and beside the piano.

Preceding the ceremony H. R. De Rosek, violin, and Mrs. C. W. Lawson, piano, gave a beautiful rendition of "Because." Mrs. O. R. Shirar played the bridal music, with violin obligato by Mr. De Rosek, giving Mrs. Stephens's wedding march as a processional and Lehmann's as a recessional. During the ceremony "Love's Old Sweet Song" was played softly.

Misses Tura Stephens and Rena Lassiter were the first of the bridal party to enter, both charmingly dressed in pink gowns and carrying arm bouquets of pink carnations in a shade slightly deeper than their frocks. The bride entered with her brother, Theron Stephens, while the groom, attended by his brother, Chester Oglesby, entered by the opposite side. Wearing a beautiful model of powder blue crepe with trimmings of silver lace and carrying a colonial bouquet of pink primrose, rosebuds and orchid sweet peas, the bride presented a picture of loveliness.

As the bridal party reached the altar the lights were dimmed, the only illumination being the soft roseate glow from the floor lamps, which together with the exquisite strains of "Love's Old Sweet Song" added much to beauty and solemnity of the service. The ring ceremony was read in a beautiful and impressive manner by Rev. C. R. Shirar.

Immediately following the ceremony Mr. and Mrs. Oglesby left for a short honeymoon trip, after which they will return here to make their home. Mrs. Oglesby, who is the attractive daughter of Mr. and Mrs. D. W. Stephens, is a graduate of Breckenridge High School and for the past two years has been church secretary at the First Baptist church. Mr. Oglesby has also made his home here for several years, being associated with the Lone Star Gas Co.

ANGLES AND TANGLES

(Hon. Phil. H. Clements)

Only The Blind

Whoever says there is no God, That all the ends are below, That endless living is a thing That man shall never know, Whoever speaks the Lord of doubt, Who cries: "Tis a lie, We are but creatures of the dust, And in the dust we'll lie!" He has not seen the night of stars

In all their splendor bright, Nor felt the twilight's holy peace, Or thrilled at dawn's soft light, He has not seen the sunset flame, The beauty of the sky, Nor stood beside the endless sea

When waves were rolling high, Whoever says there is no God, His eyes are blind and dim, For God through every hour and day

Is speaking out to him— Katherine Edelman in Extension Magazine.

Immortality

"I know nothing of the future, I spend no time speculating upon it.

I am overwhelmed with the past and at death's grip with the present.

At the grave God draws the line between two eternities. Never has living man lifted the somber veil of death and looked beyond.

Revealed religion was not born of reason or nursed by knowledge. It is the child of hope and pain, and feeds at the rosy breast of hope.

There is a Diety. I have felt His presence, I have heard His voice, I have been cradled in His imperial robe.

All that is, or was, or can be is but a visible garment of God. I ask no written covenant with God for He is my Father. I will trust Him without requiring pries or prophet to indorse His note.

As I have written my little son awakes, alarmed by some unusual noise, and comes groping through the darkness to my door. He sees the light shining through the transom, and returns to his trundle bed and

lies down to peaceful dreams. He knows that beyond that gleam his father keeps watch and ward and he asks no more.

Through a housand celestial transoms streams the light of God.

Why should I fear the sleeping death, the unknown terrors of that starless night, the waves of the river Styx? Why should I seek assurance from the lips of men, that the wisdom, love and power of my Heavenly Father will not fail?"

"For though from our borne of time and space, The floods may bear me far, I hope to meet my pilot face to face, When I have crossed the bar."

"Twilight and evening star, And after that the dark, May here be no sadness of fare well When I embark."

Loyalty

Of course taxes should be paid with more or less cheerfulness, but the poll tax is the tax loyal. It is the citizenship tax, that which we pay for the privilege of "living and moving, and having a being in a well governed country." "Tax-

es are high" you say. Certainly so. A blind man who owns a modest cottage can see that; but the poll tax is the cheapest tax on the market. The receipt costs but little, and it authorizes the voter to attend the voting booth for a whole twelve months.

Without the voting privilege we are not all grown citizens, and cannot participate in the beneficial sport of rewarding our friends and punishing our enemies on election day. Pay your poll tax and be happy.

CHEVROLET

Having achieved world leadership in automobile manufacturing in 1927 with a yearly output nearly 2,000 units in excess of its program of a million cars, the Chevrolet Motor Company has embarked in 1928 upon the most ambitious production and sales plans in its entire sixteen years of existence, according to **W. S. Knudsen**, president and general manager.

Production for the year just ended totaled 1,001,834 units for a gain of more than 36 percent over the 732,147 cars and trucks built in 1926 and 93 percent over the 1925 production of 519,060 units.

The 1,000,000th car built in 1927 rolled off the assembly lines at the Flint Michigan plant December 30, with **C. F. Barth**, Vice president in charge of manufacturing at the wheel. The history making model was a sedan. It was prepared for immediate shipment so that, with more than 32,000 other new models built in December it might be available for prompt delivery to new car purchasers.

Through 1927 factories were on peak production schedules, while month after month tentative schedules had to be increased to meet the demand for the 1927 models.

The year as a result was the most spectacular and most successful in Chevrolet history.

Remarkable as were its 1927 achievements, however the outlook for 1928 looms even brighter, according to **Mr. Knudsen**, who stated that while no definite production figure has been set for 1928, this year's volume is certain to top by a comfortable margin the record high mark for 1927.

His prediction is based on country-wide prosperity which by every token should bring the automobile industry the greatest year it has ever known, **Mr. Knudsen** stated.

"Our own organization is prepared to handle its full share of this anticipated growth in business," he said "All on all models.

Chevrolet productions are on a maximum capacity basis that we may meet the 1928 demand, and make immediate delivery on all models.

"During the latter part of 1927 we made extensive preparations for our 1928 program. Our sales organization has been increased and intensified through the creation of new regional zone sales offices, and by additions to the field personnel.

"Our service to the owner is on a new high level through the opening of new parts depots and warehouses to expedite delivery of new or replacement parts.

"Production facilities also have been augmented by the recent purchase of a new \$4,500,000 foundry at Saginaw, Michigan, and a new assembly plant which will get into production shortly at Atlanta, Ga., to supply the Southwest, and which will increase by 350 cars a day the volume of the seven other assembly plants now in operation in the United States.

"With these improved facilities, and with our bigger and better car for 1928, which at substantial price reductions won such a warm public reception upon its initial showing on January 1, we feel assured of establishing new records this year, and of maintaining the steadfast public confidence in the Chevrolet Motor Company which alone made possible our very gratifying showing in 1927."

SUNDAY SCHOOL LESSON

SUNDAY, JAN. 29, 1928

Subject:
THE GROWING FAME OF JESUS
Mark 3:7-12. 6:53-56

The Lesson Text:

Authorized Version (3:7-12). —(7) But Jesus withdrew himself with his disciples to the sea; and a great multitude from Galilee followed him, and from Judaea (8) And from Jerusalem, and from Idumaea, and from beyond Jordan; and they went about Tyre and Sidon, a great multitude, when they had heard what great things he did, came unto him. (9) And he spake of his disciples, that a small ship should wait on him because of the multitude, lest they should throng him. (10) For he had healed many; insomuch they pressed upon him for to touch him, as many as had plagues. (11) And unclean spirits, when they saw him, fell down before him, and cried, saying, Thou art the Son of God (12) And he straightly charged them that they should not make him known.

(6:53-56.) (53) And when they had passed over, they came into the land of Genesareth, and drew to shore. (54) And when they were come out of the ship, straightway they knew him, (55) And ran thru the whole region round about, and began to carry about in bed hose who were sick, where they heard he was. (56) And whithersoever he entered, into villages, or cities, or country, they laid the sick in the streets, and besought him that they might touch if it be but the border of his garment; and as many as touched him were made whole.

The Lesson Story:

While carrying on his work in Galilee (not at Capernaum, which was on the western shore of the Sea of Galilee but in the interior), Jesus, not only by his teaching, but especially by performing miracles on the Sabbath, stirred up the wrath of the Pharisees to such a pitch that he deemed it expedient to withdraw to the seashore. But instead of finding a quieter place for his work he was so pressed upon by the multitudes which followed him that he had to ask his disciples to have a little boat in attendance upon him so that when the excited crowds pressed on hard upon him he could take refuge in the boat and go on with his talk. The whole country became stirred up over him and the people were coming not only from the interior where he had been preaching, but from Idumaea beyond the Jordan, and from as far south

as Jerusalem, and as far north as Tyre and Sidon, many of them bringing their sick and afflicted loved ones with them.

Further on Mark tells us of another exciting scene indicating to what an extraordinary pitch the people were stirred up over the Great Teacher and wonder worker. One day he returned to the interior of Galilee and the news of his coming spread like wildfire, and the people took their sick on their beds or mats, and went about looking for him in every direction where they heard he was. And whenever he would enter a village or town the people would bring out their sick from their homes and lay them in the streets, hoping that they might have a chance to touch him or at least the hem of his robe as he passed by. And we are told that their faith was rewarded, for as many as touched him or even the hem of his robe were healed.

PROMOTION

is chief among popular rewards for good work, and nowhere is this more evident than in commercial lines. The brainy and willing office assistant is as certain of advancement as the sun is of shining. Every office is wide open for really competent help, with good salaries awaiting them. Prepare yourself for such positions by taking a course in our business school.
